Tommy Hilfiger Corporation; fashion design; social organization; fashion production; sign systems developmental process; brands charisma; identity formation, 2791
trust relationships; asymmetrical reciprocity; ethics; corporate brand management; business relationships; respectful communication; moral judgment, 5879
uncovering multiple champion roles; implementing new technology ventures; business to business perspective; electronic network enterprise, 33580
US health-care costs; US health-care system; automotive companies; business organizations; employee health insurance, 12141
value creation; service offers; industrial firms; pricing and costing, 36487

viagra; drug industry; sex drugs; repackaging; medication; sexuality; female sexual dysfunction, 28395
video games sector; economy; society; automobile industry; cultural capitalism; conceptualization, 33501
voice to voice encounters; service employees; customers; customer satisfaction; management techniques; wait times, 15259
white collar crime; American society; corporate crime; business organizations; competition; personality; behavioral traits; corporate environment, 35067
wireless industry; employee engagement; test validity; test reliability; psychometrics; business outcomes, 21326
work place learning; machine operator; dialogical relationship; context; human resource management; business organizations; problem solving; experience level, 33536
workplace relationships; ethnic diversity; organizational setting; employee management relations; minorities, 18301
Business Organizations [See Also Multinational Corporations]—Books
The basic principles of effective consulting, 18185
Crisis Management by Apology: Corporate Response to Allegations of Wrongdoing, 33590
Management of organizational change: Leveraging transformation (2nd ed.), 21339
Snakes in suits: When psychopaths go to work, 32323
The truth about the drug companies: How they deceive us and what to do about it, 2803
Business Students—Serials
business computer self-efficacy scale; computer literacy; business students; test validity; test reliability; psychometrics; computer technology, 27665
entrepreneurship; self-efficacy; career intentions; business administration students, 5896
globalization; simulation; corporate social responsibility; student reasoning; ethical dilemmas; corporations; online game; business students, 27307
hindsight bias; consistent thinking; decision making; business students; service providers, 382
internal validity; internal reliability; learning style inventory, 12546
Pedagogy Excellence Project; authentic teaching inquiry; professor student teams; management students; integrated teaching; management faculty, 2662
teaching reliability; validity; teaching generalisation; generalisation; management students; abstract concepts, 2672
Businessmen [See Business and Industrial Personnel]
Buspirone—Serials
buspirone; stereotypic movements; elderly; cognitive impairment; behavioral disturbances; dementia; drug therapy, 26401
generalized anxiety disorder; bruxism; buspirone; antidepressants; escitalopram; venlafaxine; personality disorder, 32924
sex steroid hormone; estrogen; prepulse inhibition; buspirone; serotonin; schizophrenia; mental illnesses; healthy women, 19045
sustained-release bupropion; buspirone; medication augmentation; major depressive disorder; citalopram, 29698
Buying [See Consumer Behavior]
Cadres [See Social Groups]
Caffeine—Serials
adenosine receptors; arousal effect; caffeine; mice; wakefulness, 3683
alcohol use; tobacco use; caffeine use; spouse similarity processes; phenotypic assortment; social homogamy processes; twin spouse design, 25443
caffeine consumption; alcohol consumption; young adults; smoking; health behavior; personality, 12987
caffeine effects; glucose effects; soft drinks; conditioned responses, 13049
caffeine ingestion; run performance; heart rate; blood lactate concentration; exertion, 36507
caffeine intake; eating disorders; anorexia nervosa; bulimia nervosa; binge eating disorder; females, 14079
caffeine usage; American adolescents; sleeping difficulty; morning tiredness, 16200
caffeine; anticipatory processes; task switching; reaction time, 31303
caffeine; incident hypertension; risk factors; women; blood pressure, 23383
caffeine; incident hypertension; women; risk factors, 23389
caffeine; mental stress; stress responses; hemodynamic responses; blood pressure; cardiovascular assessments; sex differences, 31282
central nervous system; caffeine; electrophysiological response; cognitive response; motor responses, 637
combined effects; alcohol; caffeine; event related potential; reaction time, 13034
habitual caffeine intake; risk factors; hypertension; women, 23384
habitual coffee drinking; blood pressure; cigarette smoking; urinary epinephrine; hypertension, 23387
metabolic effects; spices; teas; caffeine; foods; herbal drinks; satiation; thermogenesis; fat oxidation; energy balance; obesity, 31259
nicotine; caffeine; drug discrimination; reinforcement; subjective effects; cardiovascular effects; smokers, 6851
Calcium [See Also Calcium Ions]—Serials
beverage consumption; calcium; relative weight; weight status children; children drinking, 29746
calcium calmodulin dependent protein kinase; brain region specific changes; chronic morphine treatment; neuroplasticity; mouse brain, 3692
calcium channel blockers; bipolar disorders; mood disorders; intracellular calcium; treatment, 8404
calcium intake; osteoporosis knowledge; health beliefs; young adult women; demographics, 17144
hippocampus; rats; immunoreactivity; calcium; phytoestrogens; soybean isoflavones, 31291
pharmaco behavioral evidence; ryanodine receptor calcium release channels; memory processing; passive avoidance task; synaptic plasticity; nitric oxide, 25100
pregnant women; environmental exposure; prolactin level; lead; calcium; dopamine, 1659
tissue specific alternative splicing; BK channel transcripts; Drosophila; slowpoke gene, 25060
Calcium Channel Blockers [See Channel Blockers]
Calcium Ions—Serials
calcium ion channels; sodium ion channels; pain perception; pain states, 12874
schizophrenia; polymorphic CAG repeats; calcium activated potassium channel gene; Serbian population, 13774
voltage clamp errors; anomalous interaction; independent ion channels; auditory hair cells; mechanoelectric transduction; series resistance; voltage gated calcium channels, 3633
Calculators [See Digital Computers]
Calculus—Serials
graphical log linear models; statistics; edge exclusion test; power calculations; simulation, 30837
mathematics; medical school; calculus; premedical students; curriculum, 36073
omission mistakes; calculation; Cohens Kappa; analysis; coefficients paradox features; observer, 33872
students' conceptual understanding; experimental calculus course; mathematical software, 14960
California Psychological Inventory—Serials
psychological health; California Psychological Inventory; intergenerational studies; individual differences, 13547
Cameras—Serials
digital cameras; multidimensional learning; K-12 classrooms; educational tools; today's classrooms; students, 33347
red light runners; photo enforcement program, 33667
social judgments; public settings; privacy; watching; gender differences, 25577
Campaigns (Political) [See Political Campaigns]
Camping—Serials
camping programs; children; chronic illness; recreation; treatment; evaluation; mission based program evaluation; diabetes camp, 32530
therapeutic recreation; camping program; adolescents; cancer; diabetes; anxiety; self esteem; self efficacy, 32035
Camps (Therapeutic) [See Therapeutic Camps]
Campuses—Serials
campus diversity; students educational outcomes; research designs, 33463
campus safety; students perception; students experiences; women students, 24238
college crisis intervention; campus Critical Incident Stress Management teams, 35840
college students; college campuses; college town disturbances; issueless riots, 10794
dating violence; psychoeducational intervention; prevention; college campuses, 19994
diversity initiative outcomes; racial divide; college campus; social practices; higher education, 18090
grant proposal; MMPI; second generation profile; Asian Indian Americans; psychopathology; acculturation; test validity, 29427
institutional culture; civic responsibility; student citizenship development; campus ideologies; higher education, 24159
intercouple dating; college campus; university students; romantic relationships aspects, 1153
Latino educational outcomes; campus climate; Latino students perceptions; sense of belonging; colleges; analytical skills; pluralistic orientation; diverse workplace, 2724
social organization; illicit drug trade; private college campus; business practices; college students, 17024
students participation; students perceived learning; anticipated future behaviors; campus judicial systems, 8832
Cancer Screening—Serials
American Indian women; knowledge; attitudes; beliefs; breast cancer; screening mammography; monetary incentive, 14175
breast cancer screening behaviors; Turkish women; breast self examination; mammography rates; health centers; gynecologist, 23822
breast cancer screening; cervical cancer screening; osteoporosis screening; women; physical disabilities; Americans With Disabilities Act, 11459
breast cancer screening; health behaviors; African American; Caribbean; women; New York City; mammogram; insurance status; marital status; educational attainment, 26348
Cancer Patients; Insomnia Severity Index; test Validation; construct validity; screening evaluation; internal consistency; factor structure; cancer diagnosis; test reliability, 128
cancer screening; risk factor patterns; American Indians; Alaska Native, 23376
cervical cancer risks; cancer screening; health education; risk factors; resistance; at risk population, 4701
cervical health practices; preliminary health examination; university aged females; cervical health knowledge; cervical cancer screening, 2761
Chinese Americans; colorectal cancer screening; South Asian cultural groups, 29230
Chinese Australian women; mammographic decisions; breast cancer screening services; breast cancer; BreastScreen, 11023
client attitudes; health seeking behaviors; knowledge level; cancer prevention; cancer screening; treatment; immigrant minorities, 17230
colorectal cancer screening; colonoscopy; at risk populations; screening colonoscopy; elderly patients; prevalence; neoplasia; estimated impact; life expectancy, 26346
colorectal cancer screening; Maryland; mortality; physicians, 1737
computer assisted telephone interview; colorectal cancer screening; telephone counselors; cancer; primary care providers, 26873
gender differences; cancer mortality; risk perceptions; screening behaviors; older adults; epidemiology, 26350
interpersonal communication; breast cancer screening; health behavior; mass media, 17613
Northern Plains tribes; American Indian women; cancer; cultural meanings; breast cancer screening; cervical cancer screening, 23800
personality systems interactions theory; discriminant analysis; cervical cancer; screening; colposcopy; theory of planned behavior; clinic attendance; appointment keeping; treatment; follow-up, 35688
posttraumatic stress disorder; women daughters; breast cancer; daughters; breast cancer screening, 4704
prostate examinations; health attitudes; informative pamphlet; prostate cancer, 4114
psychological costs; Inadequate Cervical Smear Test; anxiety; distress; neoplasms; medical diagnosis, 29222
self-regulation theory; theory of planned behavior; cervical cancer; colposcopy; prospective study; treatment noncompletion, 35689
social workers; cultural responsiveness; health disparities; breast cancer screening; white women; African American women; psychosocial factors; cultural beliefs, 2183
urban primary care physicians; physician attitudes; colonoscopy screening; stage of change; structural equation models; colorectal cancer; physician recommendation, 11507
young adulthood; human papillomavirus infection; sexually active adolescents; cervical cancer; adolescence; risks of exposure; exchange of information; vaccination, 7334
Cancers [See Neoplasms]
Candidates (Political) [See Political Candidates]

Canids—Serials
golden jackals; red foxes; behavioral responses; canids; interspecific competition; avoidance; olfactory perception, 15826
Cannabinoids [See Also Tetrahydrocannabinol]—Serials
animal models; cannabinoid agonists; psychoneuroendocrine effects; cannabis users; age differences; animal development; marijuana consumption; pregnancy; psychosis, 683
anticipatory nausea; emetic reactions; musk shrew; cannabidiol; vomiting; delta-9-tetrahydrocannabinol; ondansetron; chemotherapy; animal model, 13038
behavioral pharmacology; cannabinoids; feeding; appetite; ingestive behavior; energy regulation; endocannabinoid systems; psychiatric disorders; rimonabant; psychoactive drugs, 630
cannabidiol; diazepam; behavioral responses; cardiovascular responses; contextual conditioned fear; rats, 31297
cannabidiol; MK-801; NMDA receptor antagonist; prepulse inhibition; mice; sensorimotor gating deficits, 19048
cannabinoid CB receptors; hypothermia; rats; transient receptor potential vanilloid 1; AM 404; body temperature, 25122
cannabinoid receptor; alpha adrenoceptor drugs; antinociception; intrathecal; drug interactions, 9878
chronic treatment; behavioural effects; cannabinoid agonist; agonist quinpirole; motor responses; rats; dopamine, 665
drug addiction; endocannabinoid system; ventral tegmental area, 35045
drug development; endocannabinoids; tetrahydrocannabinol; medical treatment; marijuana, 11217
intra amygdala infusion; cannabinoid receptor agonists; reconsolidation; fear; memory, 25025
intrinsic optical signal; spatial spread; neocortical excitation; rat neocortex; cannabinoid receptors; brain slice; neuronal network, 3534
neurochemical processes; prefrontal cortical function; cannabinoids; cognitive ability; prefrontal cortex, 22303
perinatal activation; long term behavior effects; neuroendocrine effects; cannabinoid receptors; tetrahydrocannabinol; rats, 664
pharmacological enhancement; cannabinoid receptor activity; antidepressant response; rat forced swim test; drug effect, 9871
stress regulation; schizophrenia; cannabinoid; nicotine dependence, 22879
suppression; food intake; food reinforced behavior; cannabinoid receptor antagonist; CB1; behavioral effects; AM 1387, 22327
Cannabis [See Also Marijuana]—Serials
alcohol moderated links; cannabis use; cannabis dependence, 32325
animal models; cannabinoid agonists; psychoneuroendocrine effects; cannabis users; age differences; animal development; marijuana consumption; pregnancy; psychosis, 683
cannabis dependence; cannabis related words; drug users; attentional biases; craving; drug related stimuli, 1528
cannabis dependence; cognitive-behavioral therapy; marijuana; treatment; contingency management; abstinence-based vouchers, 20875
cannabis potency; Europe; tetrahydrocannabinol; pharmacological effects; mental health problems; risk factors, 6842
cannabis potency; Europe; tetrahydrocannabinol; pharmacological effects; mental health problems; risk factors, 6861
cannabis related problems; addiction treatment system; treatment characteristics; patient profiles; prevalence; treatment seeking, 4501
cannabis use; ecstasy; drug abuse; risk factors, 1553
cannabis use; illicit drug use; cannabis gateway hypothesis, 20016
cannabis use; illicit drug use; cannabis gateway hypothesis, 20019
cannabis use; illicit drug use; cannabis gateway hypothesis, 20023
cannabis use; illicit drug use; cannabis gateway hypothesis; policy choices, 20025
cannabis withdrawal; non-treatment-seeking; adult cannabis users; syndromes, 16942
cannabis; abstracts; psychosis, 31967
cannabis; driving under the influence; prevention, 33663
cannabis; injuries; accidents; safety, 10845
cannabis; psychosis; causal analysis; risk factor, 26134
cannabis; usage duration; phenotype; genetics, 26115
concurrent substance abuse; cannabis; hospitalization duration; treatment resistant psychotic bipolar inpatients; clozapine; antipsychotics; drug therapy, 20026
dissociative experiences; borderline personality disorder symptoms; cannabis use, 10555
drug use patterns; cannabis use; alcohol drinking; cigarette smoking; onset age, 4477
early onset; cannabis use; progression; drug use; Dutch twins, 25343
functional neuroimaging; structural abnormalities; brain neuroimaging; cannabis administration; frontal regions, 35050
genetic etiology; cannabis use; cannabis abuse; cannabis dependence; epidemiology, 26080
genetic etiology; cannabis use; cannabis abuse; cannabis dependence; epidemiology, 26081
hypnosis; hypnotherapy; ideomotor compliance; smoking; tobacco; cannabis; hypnotherapy; treatment outcomes, 26959
insight adherence abstinence focused treatment; cannabis using first episode schizophrenia patients, 4906
marijuana use; depression; adults; causal associations, 35036
mental health; cannabis; drug usage; at risk populations, 23123
methylenedioxymethamphetamine; ecstasy; psychopharmacology; cannabis; drug usage, 16990
motor vehicle collision risk; driving; cannabis; demographic characteristics; driver experience; substance use; adolescent students, 9232
neuropsychological functioning; cannabis users; long term use, 35046
psychotic disorders; cannabis use; psychosis; anxiety; agitation; psychotic symptoms; depression, 22901
psychotic symptoms; cannabis use; psychosis; psychotogenic association, 23162
psychotic symptoms; cannabis use; psychosis; psychotogenic association, 23163
self change; cannabis abuse resolution; marijuana cessation; quitting attempts; cognitive functioning; respiratory functioning; drug rehabilitation, 17774
Severity of Dependence Scale; adolescent; cannabis users; test reliability; test validity; diagnosis, 21679
social anxiety disorder; problematic cannabis use; stress reactivity; coping behavior; epidemiology; addiction, 25751
validity; consistency; self reports; substance use; volunteers; cannabis users; schizophrenia patients; drug usage, 25773
Cannibalism—Serials
cannibalism; zoophytophagous omnivore; prey; plant substratebs; conspecifics; animal foraging behavior, 31146
male copulation frequency; sexual cannibalism; sterility; St Andrews cross spiders; pedipalp, 6694
Canonical Correlation [See Multivariate Analysis]
Capgras Syndrome—Serials
Capgras syndrome; interictal psychosis; tomography findings, 32151
conscious experience; delusional belief; perceptual representation; Capgras patient, 7607
delusion, 7613
delusional belief; Capgras delusion; cognitive models, 7614
Capital Punishment—Serials
arbitrariness; death penalty; defendant's appearance; trials; capital jurors; punishment decision; jurors, 21557
capital sentences; capital punishment; death sentence; juvenile offenders; defendants; standards of decency; perceptions; public opinion; law; legislation, 21568
capital sentencing; defensible interpretation; Supreme Court opinions; expert testimony; legal processes; dangerousness, 36642
death penalty; attitudes; Chinese college students; attitude variations; public opinion, 18462
death penalty; medical ethics; forensic sciences; forensic psychiatry; justice system; courts, 33713
death penalty; mental impairments; legal process; stigma; legal processes, 10615
death penalty; mental retardation; IQ score gains; Flynn effect; capital offenders, 21562
death penalty; mental retardation; juvenile offenders; legal processes; courts, 12392
ethical issues; evaluation; treatment; death row inmates; psychiatrists' participation, 33310
gender; race; death penalty; 1950s murder trials; ethnic minorities; criminal justice, 33728
informed consent; capital sentencing; death penalty; forensic evaluation; forensic psychologists; counsel, 36635
involuntary treatment; competence; criminal process; capital punishment; professional ethics, 36643
justice individualization; Daryl Atkins; jury; death penalty; mental retardation, 27527
juvenile offenders; well being; death penalty; juvenile justice system; rehabilitation; treatment, 12398
looking deathworthy; death sentence; capital sentencing; stereotypically Black appearance; Black defendants, 27530
lynching legacy; southern homicide; capital punishment; interpersonal conflicts, 4446
mental illness; death penalty; mentally ill offenders, 33735
mitigating evidence; capital cases; capital murder; Texas Criminal Court; U.S. Supreme Court; jury, 27533
mitigating evidence; mental illness; death penalty considerations; U.S. Supreme Court, 27532
psychiatric evaluation; death penalty; professional competence, 33732
psychological reactions; crime news; black criminals; death penalty; crime danger; stereotype endorsement; viewers' perceptions, 25183
racial divide; death penalty support; Blacks; Whites; capital punishment, 15362
restorative justice; wrongful capital convictions; victims compensation; judicial remedies; justice administration; criminal justice, 9277
vigilantism; current racial threat; capital punishment, 6189
Capitalism—Serials
business ethics; capitalism; capitalist economy; business markets; market participants, 5893
capitalist discourse; libidinal enjoyment; social bond; anti social effects; Lacan, 22864
constitutional democracies; German democratic republic; law reform; adjudication; capitalism; socialism, 18437
culture; institutions; neoliberalism; French capitalism; Britain; United States; egalitarianism; social justice; industrialization, 10248
higher education; choice behavior; academic capitalism; professional personnels; government policy making; social issues; educational administration, 36205
investor responses; international monetary fund; program suspensions; capital markets, 12226
video games sector; economy; society; automobile industry; cultural capitalism; conceptualization, 33501
Capitalism—Books
Hypercapitalism: New media, language, and social perceptions of value, 31580
Captivity (Animal) [See Animal Captivity]
Carbachol—Serials
eyeblink classical conditioning; medial septum diagonal band lesion; rats; cholinergic neurons; carbachol; muscarinic denervation, 6750
Carbamazepine—Serials
angioedema; maculopapular eruptions; carbamazepine administration; manic episode, 26665
auditory hallucinations; anticonvulsant hypersensitivity syndrome; carbamazepine treatment, 35604
bipolar affective disorder; oxcarbazepine; carbamazepine; rash; side effects, 35613
bipolar disorder; anticonvulsant drugs; drug effectiveness; valproate; bipolar depression; maintenance therapy; lamotrigine; carbamazepine; mania, 26657
carbamazepine; capsules; treatment; bipolar disorder; psychiatric illness, 26675
carbamazepine; single oral dose; pharmacokinetics; perospirone; active metabolite; serotonin, 34218
extended release carbamazepine capsules; central nervous system; drug side effects; drug tolerability, 8416
extended release carbamazepine capsules; medication choices; dose frequency; mood stabilisers; mental diorders, 8396
human herpes virus 6; peripheral white blood cell count; drug eruptions; carbamazepine; drug induced hypersensitivity syndrome, 23561
language problems; speech problems; benign rolandic epilepsy; carbamazepine; acoustic parameters, 11101
outcomes; treatment length; carbamazepine; capsules; bipolar disorder; safety, 26673
oxcarbazepine; thrombocytopenia, 14501
safety; carbamazepine; capsules; bipolar disorder; polypharmacy, 26674
safety; carbamazepine; capsules; patients; bipolar disorder; pharmacotherapy, 26676
Carbidopa—Serials
mood states; motor states; Parkinson's disease; oral carbidopa/levodopa administration; levodopa infusion, 8473
Carbohydrates [See Also Sugars]—Serials

Carbohydrates—Serials
chronic sucrose ingestion; mu opioid discriminative stimulus effects; sucrose intake; nalbuphine; opioidergic circuitry; rats, 3684
food perception; lipid metabolism; nutrients; diets; carbohydrates; fats; pathology; eating behavior; physiology; risk; postprandial response, 31254
meal size; high fat diet; externally evoked single meal tests; long term spontaneous feeding; rats; caloric intake; feeding behavior, 499
Carbon Dioxide—Serials
air hunger; ventilatory response; CO2 inhalation; sensitization; habituation; trait anxiety; dyspnea, 25089
anxiety sensitivity; physical concerns; emotion suppression; biological challenge; carbon dioxide; air representation, 16532
coping; carbon dioxide; panic disorder; pathogenesis, 1435
panic disorder; rebreathing challenge; subjective sensation of suffocation; response to carbon dioxide enriched air; inducement of panic attacks; prediction; respiration characteristics, 16810
panic disorder; safety information & cues; carbon dioxide; panic; anxious responding, 23060
Carbon Monoxide—Serials
intensive hypnotherapy; smoking cessation; carbon monoxide, 29994
Carbon Monoxide Poisoning—Serials
aripiprazole; psychotic symptoms; parkinsonism; carbon monoxide intoxication, 17325
basal ganglia lesions; carbon monoxide poisoning, 20261
neuroimaging; cognitive outcomes; neurobehavioral outcomes; carbon monoxide poisoning, 31190
Carbonic Anhydrase [See Enzymes]
Carboxyhemoglobinemia [See Carbon Monoxide Poisoning]
Carcinogens—Serials
smokeless tobacco; topography; toxin exposure; biomarkers; carcinogens, 655
Carcinomas [See Neoplasms]
Cardiac Arrest [See Heart Disorders]
Cardiac Disorders [See Heart Disorders]
Cardiac Rate [See Heart Rate]
Cardiac Surgery [See Heart Surgery]
Cardiology—Serials
cognitive behavioral interventions; hospital setting; smoking cessation intervention; cardiology wards; organizational determinants; psychological determinants; drug rehabilitation; patients, 23985
medical education; medical students; bedside teaching; cardiology; undergraduate education, 14817
Cardiotonic Drugs [See Drugs]
Cardiovascular Disorders [See Also Aneurysms, Cerebrovascular Disorders, Embolisms, Heart Disorders, Hemorrhage, Hypertension, Ischemia, Thromboses]—Serials
accelerometry; physical activity; schizophrenia; energy expenditure, 28771
adherence; nicotine replacement patch therapy; cardiovascular patients; smoking cessation, 17796
antidepressants; cardiovascular drugs; Irish medical publication; advertisements; stereotypes; gender differences, 26750
attention deficit-hyperactivity; stimulant medication warnings; sudden death; cardiac arrest; cardiovascular problems; side effects, 26660
brain; white-matter hyperintensities; cardiovascular risk factors; treatment outcome; major depression, 23708
burnout; depression; anxiety; microinflammation biomarkers; vital exhaustion; risk factors; cardiovascular disease; C-Reactive Protein; fibrinogen concentrations, 1758
burnout; stress; depression; cardiovascular disease; vital exhaustion; work-related stress; risk factors, 20231
cancer; coping resources; mastery; sense of coherence; mortality; cardiovascular disease; demographic characteristics; personality traits; client attitudes, 10997
Cardiac Depression Scale; Beck Depression Inventory II; acute coronary syndromes; depression, 12494
Cardiac Depression Visual Analogue Scale; acute coronary syndromes; Cardiac Depression Scale; Beck Depression Inventory-II; depressed mood; cardiac population, 9390
cardiovascular health status; worksite employees; health risk assessment method; self report, 35733
cardiovascular research; organizational health; organziational behavior, 27430
cardiovascular risk factors; mental disorders; sociodemographic background variables; general population; comparison, 31977
cardiovascular risk factors; patients; diabetes; mental illness; cholesterol; blood pressure management, 28750
clinician evaluation; cardiovascular complications; anorexia nervosa; malnutrition; dehydration; electrolyte abnormalities, 14069
common genetic vulnerability; depressive symptoms; coronary artery disease; genes; inflammation; serotonin; cardiac events, 19706
depression scales; mortality risk; patients; acute coronary syndrome, 26355
depression; cardiovascular disease; comorbidity; disease prognosis; medication noncompliance; risk factor, 1298
depressive symptoms; psychosocial factors; medication adherence; cardiovascular disease, 14556
educational attainment; childhood socioeconomic position; cognitive functioning; adult cardiovascular risk factors, 1752
employees; justice at work; cardiovascular disease; mortality, 33593
Food and Drug Administration; cardiovascular risks; attention deficit-hyperactivity disorder; stimulant drugs; sympathomimetic agents; blood pressure; heart rate; blackbox warning, 26693
Food and Drug Administration; cardiovascular risks; attention deficit-hyperactivity disorder; stimulant drugs; sympathomimetic agents; blood pressure; heart rate; blackbox warning, 26686
Food and Drug Administration; cardiovascular risks; attention deficit-hyperactivity disorder; stimulant drugs; sympathomimetic agents; blood pressure; heart rate; blackbox warning, 26654
Food and Drug Administration; cardiovascular risks; attention deficit-hyperactivity disorder; stimulant drugs; sympathomimetic agents; blood pressure; heart rate; blackbox warning, 23726
gender; marital life course; cardiovascular disease; late midlife; epidemiology, 29239
giant cell arteritis; arteritides; vasculitis; headache; diagnosis, 4681
hematologic risk factors; vascular disease; dementia; antioxidants; cholesterol; proteins; dementia subtypes; biomarkers, 23451
homocysteine levels; methylenetetrahydrofolate reductase; genotypes; hyperintensities; major depressive disorder; late onset disorder; vascular pathology, 4317
homocysteine metabolism; folate deficiency; amino acid; plasma; cardiovascular diseases; Alzheimer's disease, 34807
hostility; Cook-Medley Hostility Scale; test scores; CAD; risk factors; coronary artery disease, 27595
income differences; cardiovascular disease; mortality outcomes; working conditions; living conditions; prevalence, 17255
lifestyle modification intervention; hypertensive patients; blood pressure; cardiovascular risk factors, 20232
lifestyle modification intervention; hypertensive patients; blood pressure; cardiovascular risk factors, 20228
lifestyle modification intervention; hypertensive patients; blood pressure; cardiovascular risk factors, 20227
lipids; psychiatrists; major risk factor; cardiovascular disease; risk assessment, 8054
lipoprotein; elevated plasma levels; psychiatric patients; adverse cardiovascular events; risk factor; schizophrenia; major depression; bipolar disorder; personality disorder, 16667
low-fat dietary program; at-risk group; cardiovascular disease; dietary modification; Women's Health Initiative; postmenopausal women; prevention, 17597
low-fat dietary program; at-risk group; cardiovascular disease; dietary modification; Women's Health Initiative; postmenopausal women; prevention, 29811
low-fat dietary program; at-risk group; cardiovascular disease; dietary modification; Women's Health Initiative; postmenopausal women; prevention, 29781
major depressive disorder; depression; cardiovascular disease; antidepressant treatment; serotonin reuptake inhibitors, 28779
metabolic syndrome; cardiovascular disease, 8010
metabolic syndrome; veterans; schizophrenia; cardiovascular risk, 13785
migraine with aura; risk factors; cardiovascular disease; women, 29191
patients opinions; Hartslag Limburg Cardiovascular Prevention Project; health counseling; health care system; behavioral risks; lifestyle changes; cardiovascular diseases, 17245
physical activity; dog ownership; Caucasian woman; mental health; cardiovascular health, 32034
physicians perceptions; patients characteristics; race disparities; treatment recommendations; coronary artery disease, 24119
preexisting depression; cerebrovascular health outcomes; geriatric continuing care; cardiovascular risk factors; stroke, 4727
prehypertension; patient outcomes; family medicine; cardiovascular morbidity; blood pressure, 8020
prehypertension; risk factors; major cardiovascular events; electronic health records; health behavior change, 8048
psychiatric issues; heart disease; coronary artery disease; psychosomatic medicine; electroconvulsive therapy, 35250
psychosocial cardiac disease risk factors; quality of life; cardiac rehabilitation; Ornish Program for Reversing Heart Disease; intense lifestyle modification; coronary artery disease, 23945
psychosocial influences; cultural influences; cardiovascular health; quality of life; Hispanic cardiac patients, 26363
risk factors; cardiovascular disease; mortality rate; ethnicity; income level, 4734
social support; mental health care services; life quality; coronary artery bypass grafting; physical functioning, 14557
sporadic inclusion body myositis; sIBM; aging; muscle; inflammatory processes; vascular atheromas; senile plaques; Alzheimer's disease; amyloid precursor protein; diet; inflammation; pathogenesis, 17154
stress; cholesterol; mental stress testing; cardiovascular disease, 4336
test development; severity; implanted cardioverter defibrillator; worries; test scores; test validity; Implanted Cardioverter Defibrillator Patient Concerns Questionnaire, 30763
vascular disease; risk factors; rate of progression; survival; Alzheimer's disease; demographic status; functional status; cognitive status, 22878
vasculitis; cardiomyopathy; myocardial infarction; heart failure; heart transplantation; female, 14180
Cardiovascular Reactivity—Serials
agentic extraversion; dopamine D2 agonist; bromocriptine; cardiovascular activation; personality trait; hypotensive effect; psychobiology, 31304
anger recovery; apology; apologies; trait hostility, 31262
angry; cardiovascular responses; sad; happy; emotional tasks, 6815
attachment insecurity; subjective stress; autonomic function; acute stress; personality correlates; anxiety, 15947
baroreceptor cardiac reflex sensitivity; hypertension; respiratory training; baroreceptor parameters; blood pressure; cardiovascular health, 26763
behavioral inhibition; infant cardiac activity; neonatal cardiac activity; cardiac reactivity; habituation; acoustic stimulus, 34419
blood pressure magnitude; gender differences; emotional reactivity patterns; picture viewing; visual stimuli; skin conductance responses; heart rate; arousing pictures, 6820
blood pressure reactivity; stress; penile vaginal intercourse; sexual activity; blood pressure; sexual behavior, 12959
blunted cardiovascular responses; daytime activities; nocturnal blood pressure decline; hypertension, 22273
cannabidiol; diazepam; behavioral responses; cardiovascular responses; contextual conditioned fear; rats, 31297
cardiac responses; virtual environment; motor imagery; brain-computer interface; heart rate; cues, 34190
cardiorespiratory activity; sleeping position; feeding behavior; infants; risk factor; sudden infant death syndrome, 9994
cardiorespiratory fitness; laboratory stress; cardiovascular responses, 22280
cardiovascular arousal; autism; heart rate; arousal responses; novel stimuli; social situations, 29096
cardiovascular effects; mixed amphetamine salts; extended release; oppositional defiant disorder; systolic blood pressure, 8370
cardiovascular reactivity; blood pressure prediction; recovery from psychological challenge; stress reactions, 9860
cardiovascular reactivity; performance; social observation; task difficulty; computers, 34185
cardiovascular reactivity; social competence interview; working women; stressful life experience; childcare providers, 1216
cardiovascular reactivity; trait dominance; gender; dyadic social interaction; gender differences; racial & ethnic differences, 611

cardiovascular response; catecholamines; stress; smoking, 19034
cardiovascular responses; interpersonal interactions; stress; emotional responses; mood responses, 29357
clinician evaluation; cardiovascular complications; anorexia nervosa; malnutrition; dehydration; electrolyte abnormalities, 14069
coping strategy; urbanization; cardiovascular responses; health data; hypertension; Africans, 18932
daily stress; ambulatory blood pressure; reactivity; age-related differences; blood pressure reactivity; stress & cardiovascular reactivity; emotions; affect, 22433
effective laboratory exercise; cardiovascular reactivity; cold pressor pain; psychophysiology education, 5767
ego involvement; Difficulty Law of Motivation; cardiovascular reactivity; motivational intensity theory, 31865
emotion; cognition; behavior; cardiac activity; sheep; suddenness; unfamiliarity; startle response; appraisal; heart rate, 27947
executive function; cardiorespiratory fitness; cognitive aging; age differences, 28250
heart rate variability; emotion; affect; social interaction; psychopathology, 34180
heart variability; depression; furosemide; intracranial self stimulation; salt appetite; mood; cardiovascular function; plasma electrolytes; sodium deficiency, 34186
hemoconcentration; mental stress; blood pressure; cardiac contractility; time course; hematocrit, 19032
hemodynamic profile; compensation deficit; ambulatory blood pressure; gender, 22261
immune responses; endocrine responses; feedback; cardiovascular responses; acute stress; mental arithmetic task; controllability, 12988
incentive effects; cardiovascular reactivity; active coping; unclear task difficulty, 28129
masculine challenge; outcome expectancy; cardiovascular response; sex, 22269
ontogeny; autonomic measures; infants; preejection period; respiratory sinus arrhythmia; parasympathetic nervous system; sympathetic nervous system, 22399
opiate dependence; cardiovascular function; spontaneous withdrawal; telemetric examination; heart rate; arterial blood pressure; rats, 25113
perceived racism; cardiovascular reactivity; hypertension; anger; Blacks, 19640
perceived racism; social support seeking; vascular reactivity; Blacks; female college students, 10372
reduced baroreflex cardiac sensitivity; cognitive performance; cardiovascular system; central nervous system, 22287
religiosity; spirituality; gender differences; blood pressure; cortisol stress responses, 6825
smoking; stress; cardiovascular reactivity; hostility; anger; anxiety, 28027
sudden infant death syndrome; environmental stress factors; risk factors; infants response characteristics; inadequate autoresuscitative mechanisms; cardiorespiratory responses, 1682
sympathetic cardiac reactivity; preschool children; young adults; pre-ejection period, 31272
temporal variation; acute stress responses; sympathetic nervous system; immune system; cardiovascular activity, 605
terrorism; cardiovascular reactivity; acute stress, 4321

Cardiovascular Reactivity—Chapters

Linkages Between Facial Expressions of Anger and Transient Myocardial Ischemia in Men with Coronary Artery Disease, 8096

Cardiovascular System [See Also Blood Vessels, Heart]—Serials

acute aerobic exercise; stress related blood pressure; cardiovascular health; psychobiological mechanisms; meta analysis, 12986
ambulatory cardiovascular functioning; postmenopausal women; victimization histories; posttraumatic stress disorder, 1566
cardiovascular drugs; alcohol withdrawal; remission, 23777
casino gambling behavior; impulsivity; cardiovascular system; hypothalamic pituitary adrenal axis activity; cortisol; heart rate, 7786
intraindividual variability; individual differences; social connectedness; emotions; cardiovascular functioning; later life, 887
neurocardiac dynamics; antipsychotic induced extrapyramidal syndrome; schizophrenia; heart rate; akathisia; dyskinesia, 29669
quality of life; implantable cardioverter defibrillators; postimplant outcome; cardiovascular system, 2174

Career Aspirations [See Occupational Aspirations]

Career Change—Serials

career change; teaching career; career choice motivation; preservice teacher education program, 2623
job change rate; interstate truck drivers; crash predictor; motor carrier management; information system, 9248
job changes; employee attitudes; job content; changing department; relocation; voluntary turnover, 2895
person environment congruence; career change; career persistence, 24346
UK medical graduates; psychiatry; career change; doctors, 30130
urban to rural migration; narrative analysis; identity formation; middle class; career change; moral narratives, 904
white women; ethnic strategies; gender discrimination; Silicon Valley; Asian men; Asian women; immigrants; engineers; career livelihoods; job-hopping, 18195

Caregiver Burden—Serials

adult day care; family caregivers' support; dementia patients; caregiver burden; elder care, 14704
adult siblings; traumatic brain injury; subjective caregiving burden; depressive symptoms; role strain; intrapsychic strain; social support; coping behavior, 20249
African American grandmothers; AIDS orphans; grief; coping strategies; caregiving behaviors; culturally sensitive services, 17225
Alzheimer's disease; inflammatory markers; service needs; rural areas; Hispanics; Whites; quality of life; respite care; behavior changes; presenilin-1 mutations; outcome measures; assessment scales, 35351
Alzheimer's Rural Care Healthline; rural family caregivers; caregiving; dementia; telephone based; cognitive-behavioral intervention; telehealth; psychoeducation, 4999
behavioral and psychological symptoms of dementia; care environment; caregivers burden, 8162
Bounded Grief; children with chronic illness; workplace experiences; mothers; caregivers; autism; coping; brain disorder; Downs syndrome; epilspsy; immunologic disorders; seizures, 1713
burden of care; distress; carers; private psychiatric hospital patients; symptoms; inpatient carer dyads, 35940
burden; satisfaction; dementia; care giving, 20298
cancer caregiving; subjective stress; family care; family socioeconomic level, 8606
Caregiver Burden Scale; Taiwanese caregivers; psychometric properties; elder care, 33771
caregiver burden; marital satisfaction; spouse; multiple sclerosis; physical intimacy, 32541
caregiver burden; patients self perception; amyotrophic lateral sclerosis; depression level; life quality; patients disability, 5361
Caregiver Reaction Assessment; pychometrics; temporal stability; primary caregivers; Norwegian cancer patients; palliative care; caregiver burden; well-being, 27623
caregiver research; geriatric psychiatry; geriatric mental health community; caregiver distress; psychiatric morbidity, 5375
caregiver strain; substance abuse disorders treatment; mental health problems, 29950
caregiver; terminal illness; elderly family member; cultural understandings; dementia; murder, 5372
caregivers burden; post stroke depression; stroke survivors; support, 4732
caregivers; burnout; psychiatric patients; nursing staff; schizophrenia; depression, 29947
caregivers; stroke; stress; accidents; unintentional injury; spousal caregivers; caregiver stress, 23921
caregiving relatives; hospitalized; elderly person; decision making; involvement; burden, 19137
caregiving; caregiving burdens; mental health practitioners; attendant stresses, 35914
caregiving; roles; stress; work-family; disability, 17745
Chinese caregivers; social rewards; depression; stress; economic conditions; cultural values; financial stability; psychological well being, 14720
chronic illness; child illness; brain tumors; parent adjustment; caregivers; validity; reliability; test development, 21605
Chronic Liver Disease; socioemotional support; friends' responses; family support; middle aged women; caregivers; coping strategies; gender differences; online support service use, 1685
community based care; home based care; HIV; AIDS; Southern Africa; public health services; caregiver burden, 4692
community rehabilitation; acquired brain injury; carer burden; traditional outpatient service; service delivery, 23483
coping behavior; positive perceptions; Irish mothers; children with intellectual disabilities; care demand; family support, 32459
coping strategies; anxiety; family caregivers; Alzheimers disease; dementia, 14714
dementia patients; caregiver spouses; caregiver burden; marital bond; emotional attachment, 1793
demographic factors; clinical correlates; burden; distress; caregivers; schizophrenia; relatives, 19871
early parenthood; fathers; traumatic reactions; caregiver burden; posttraumatic stress disorder; childhood phenylketonuria; marital relations; relationship quality, 16651
familism; burden; depressive symptoms; dementia; caregivers; Hispanics; culture; US; Spain, 14716
family burden; social network; schizophrenia; physical diseases; patients; Italy, 16634
family carers; developmental disabilities; young people; children; challenging behaviour; treatment; services; support; perceptions; professional help, 14717
family intervention; schizophrenia; mutual support group; caregiver burden, 32838
family members' appreciation; caregiving stress; family caregiver; financial stresses; social stresses; psychological stresses, 26920
grandchildren's perceptions; caregiving experiences; grandparents' care; life-span perspective; constructionism, 26919
health related quality of life; family caregivers; caregiver burden; impaired elderly, 8608
health status; caregiver burden; stroke patients; rehabilitation, 8611
informal caregivers; significant others; caregiver burden; quality of life, 35906
interpersonal factors; marital and caregiving variables; hastened death; late stage cancer patients; caregivers, 17237
life satisfaction; distress; family caregivers; behavioural changes; traumatic brain injury; caregivers coping behavior, 11130
marital satisfaction; neuroticism; optimism; depression; coronary artery bypass grafting; personality traits; psychological well-being; spouses; caregivers; caregiver burden, 29745
mastery; concern; mentally ill persons; family caregivers; mental health services, 13685
mental health care; families; patients; schizophrenia; caregivers burden; social welfare; family intervention; psycho-social support, 28876
mental health outcomes; female working carers; psychological distress; geriatrics; nurses, 36108
osteoarthritis; pain behavior; social support; spousal caregivers; married couples; caregiver burden; caregiver well being; depression, 14719
posttraumatic growth; acquired disabilities; maternal caregivers; emotional states; positivism, 17168
primary informal caregivers; consumer directed care; caregiver well being; Medicaid beneficiaries; caregiving burden, 5365
psychiatric care; transitional care; depression; caregiver burden; mental illness; antipsychotic medication, 7588
psychophysiological mediators; hostility; stress; chronic stress; caregivers; metabolic; Alzheimer's disease; cognitive decline; cognition, 1835
quality of life; husbands; breast cancer; caregiver burden; social support; coping, 17242

Caregivers—Books

Approaches to discourse in dementia, 35377
Brain heal thyself: A caregiver's new approach to recovery from stroke, aneurysm, and traumatic brain injuries, 35958
When a family member has dementia: Steps to becoming a resilient caregiver, 20844

Carotid Arteries—Serials

cognitive functions; carotid artery disease; carotid endarterectomy; cognitive impairment; clinical symptoms; atherosclerotic disease; unilateral/bilateral stenosis, 20226
major depression; carotid artery; late-onset major depression; intima medium thickness; white matter hyperintensities; magnetic resonance imaging; elderly patients, 13699

Cartoons (Humor)—Serials

campaign media; voter representations; political cartoons, 9971
conditioning preferences; children; novel stimuli; paired presentations, 13189
erotic identities; all-male comic strips; Sigmund Freud; homoerotic comic strip; media; subaltern texts; rites of masculinity; sexualities; intimacies; body worship; contemporary phallic regimes, 4087
mediating social representations; cartoon narrative; acquired immune deficiency syndrome; human immunodeficiency virus; mental health programme, 14605
visual representations; 2004 presidential campaign; political cartoons; popular culture references; mass media, 10330
Cartoons (Humor)—Chapters
Extraversion, Alcohol, and Enjoyment, 7557
Case Based Reasoning—Serials
plan quality; adaptive automated planning systems; machine learning; AI planning; search-control rules; rewrite rules; performance improving planning; PIP system; heuristics, 3063
Case History [See Patient History]
Case Management [See Also Discharge Planning]—Serials
case assignment; therapy nonattendance; premature termination; outpatients, 17711
case conceptualization; individual therapy; couples therapy; family therapy; treatment process, 4968
case management services; working alliance; client outcomes; client characteristics; predictors; case management services, 17671
case management; major depression; primary health care; relative risk, 13707
cost effectiveness; case management; substance abuse treatment; residential institutions, 8672
depression; poverty; geriatrics; psychotherapy; case management; depression treatment; low-income older adults, 11311
drug involvement; juvenile justice diversion program; psychosocial functioning; intensive case management services, 26997
first episode schizophrenia; detection; symptoms; patient management; general practitioner views; psychiatric services; medication; treatment; antipsychotics drugs, 19851
home care case closing; clinician perspectives; family caregiver-clinician interaction, 5366
homework; mental health case managers; rehabilitation; psychiatric disability, 26843
illness management strategies; recovery; dialectic; mental health consumers; case management services, 8212
intensive case management; mental health service; health care delivery; community care, 33052
juvenile offenders; risks; needs; strengths; psychometric standards; recidivism; assessment inventory, 6326
managed care organizations; treatment management; outpatients; mental health care; commercial products; behavioral health, 26855
medical management; depression; medications; drug safety & efficacy, 22964
medical management; depression; medications; nefazodone; adverse effects; hepatotoxicity, 22970
medical management; depression; medications; thyroid hormone supplements, 22959
neuropsychiatric illnesses; diagnosis; treatment; management, 25768
outcome-relevant case-descriptive variables; comparability in case mix; specificity of case mix; prescribing specifically; informed consent; comparing treatments; outcome comparisons, 35426
pediatric case management; acquired brain injury; children; case managers; organizations; service delivery; professional development; outcome evaluation, 4820
pharmacological management; teenager; significant alcohol use; depression; medical management, 32737
randomized clinical trial; opioid use; case management; methadone treatment vouchers; substance abuse treatment; dependency; hospital patients, 8676
relational psychoanalytic model; case management; mental illness; relationship building, 29622
serious mental illness; intensive case management; schizophrenic spectrum disorders; consumer attitudes; working alliance; case managers, 28785
Case Management [See Also Discharge Planning]—Books
Handbook of diabetes management, 20201
The strengths model: Case management with people with psychiatric disabilities (2nd ed.), 20805
Case Report—Serials
carrick's brain-based model; health care; treatment; functional disconnection syndrome; case report; neurology; behavioral disorder, 29742
case reports; psychiatry; journals, 2436
case reports; psychiatry; journals, 2442
case studies; solution-focused brief therapy; subgroups; biographical information, 2523
clinical case study; research methodology; psychoanalytic inquiry; psychoanalytic psychotherapy; child psychotherapy; Freud, 32799
cognitive-behavioral therapy; cognitive reconstructing; intergenerational family schemas; case report; family of origin, 29548
compulsive buying; case report; grounded theory; credit card use; family therapy; consumer behavior, 29611
single-case research; z-score; control sample size; Crawford and Howell method; leptokurtosis; skew; Type I error; neuropsychological tests, 9453
Caseworkers [See Social Workers]
Castration [See Also Male Castration]—Serials
copulatory organs; pedipalp damage; male mating strategies; fertilization; emasculation; male adaptations; spiders, 24923
hormone treatment; cognitive performance; testosterone; estradiol; castration effects; male rats, 641
prevention; pain; animals; castration; economic; injuries; rats; surgery, 34041
Castration Anxiety—Serials
identification; compromise formations; narcissistic character disorder; oedipal conflicts; castration anxiety, 32862
perverse-polymorph infantile sexuality; phallic mother; fetish; Oedipus & castration complexes; denial; childhood; adolescence; fantasy; analysis Freudian theories; Lacanian Theories, 10096
CAT Scan [See Tomography]
Catabolites [See Metabolites]
Catalepsy—Serials
dissociative symptoms; tactile induced catalepsy; hypnosis; motor perceptual dissociative phenomena, 18877
Catamnesis [See Posttreatment Followup]
Cataplexy—Serials
cataplexy; narcolepsy; epidemiology; pathophysiology; management; central nervous system; neuropeptide hypocretin; neurons, 26322
Cataracts—Serials
cognitive function; cataract; older adults, 4857
contrast sensitivity; visual plasticity; binocular vision; humans; bilateral congenital cataract; visual deprivation; developmental plasticity, 32534
waiting period; cataract surgery; non-clinical factors; patient factors; surgeons, 5128
Catatonia—Serials
attention deficit hyperactivity disorder; treatment; pharmacological consultation; catatonic event, 32431
bipolar disorder; stuporous catatonia; maintenance treatment; elderly patients; olanzapine, 26685
catatonia; delirious mania; schizoaffective disorder; treatment; oral lorazepam; dosage, 11403
catatonia; levetiracetam; antiepileptic drug; partial seizures; adjunctive treatment; adults; behavioral problems; side effects; drug therapy, 14558
catatonia; permanent cognitive impairment, 7674
catatonic stupor; modified electroconvulsive treatment; olanzapine; antipsychotic drug; autism; posturing; nonverbal communication; mutism; akinesia, 25926
drug treatment; bipolar depression; psychotic symptoms; catatonic features; quetiapine, 29656
elderly patients; catatonia, 7622
electroconvulsive therapy; hereditary spinocerebellar degeneration; psychotic depression; catatonic stupor, 29713
electroconvulsive therapy; hyperkalemia; catatonic patient; succinylcholine; general anesthesia, 35642
lorazepam; diazepam; catatonic features; major depression; schizophrenia; intramuscular injection, 25868
mood stabilizers; psychotic episodes; catatonic schizophrenia; anticonvulsant drugs; bipolar disorders; valproate, 8418
psychotic symptoms; catatonia; psychosis; AIDS; lorazepam; aripiprazole, 8387
severe bronchorrhea; electroconvulsive therapy; malignant catatonia, 17556
severe bronchorrhea; electroconvulsive therapy; malignant catatonia, 29699
severe bronchorrhea; electroconvulsive therapy; malignant catatonia, 29707
topiramate effect; catatonia; drug therapy; delirium; Lorazepam; benzodiazepines; divalproex, 25876
toxic catatonia secondary to azithromycin; acute psychotic depression; remission; drug therapy; electroconvulsive therapy; ECT, 32082
venlafaxine; serotonin syndrome; differential diagnoses; depression; psychomotor retardation; drug therapy; catatonia, 11387
Catatonic Schizophrenia—Serials
diagnostic criteria; schizophrenic subtypes; prevalence; schizophrenic patients; psychiatric institutions; catatonic; hebephrenic, 7704
severe bronchorrhea; electroconvulsive therapy; malignant catatonia, 17556
severe bronchorrhea; electroconvulsive therapy; malignant catatonia, 29699
severe bronchorrhea; electroconvulsive therapy; malignant catatonia, 29707
Catecholamines [See Also Dopamine, Epinephrine, Norepinephrine]—Serials
cardiovascular response; catecholamines; stress; smoking, 19034
catechol-o-methyltransferase; cognition; psychosis; brain functions; schizophrenia; central catecholamine functions; prefrontal cortex, 32172
catechol-O-methyltransferase; monoamine oxidase; neuroleptics; polymorphisms; genotypes; dopamine; norepinephrine; serotonin; schizophrenia; schizoaffective disorder, 23720
catecholamine; rats; anterior cingulate cortex; cost benefit; dopamine; reward magnitude; decision making; effort, 9820
cerebral cortex; mitochondrial monoamine oxidase; developmental lead exposure; rat brain; synaptosomal catecholamine levels; hippocampus; cerebellum, 638
cocaine craving; euphoria; self administration; catecholamine precursor depletion; addiction; substance abuse; dopamine; motivation; reward, 9882
plasma levels; brain derived neurotrophic factor; CNS lupus; catecholamine metabolites; psychotic symptoms; central nervous system; systemic lupus erythematosus; 3-methoxy-4-hydroxyphenylglycol, 35197
smoking cessation; smokeless tobacco; rat brain; catecholamines; metabolic enzymes; chronic smokers; depression; neurochemistry; antidepressant drugs; levodopa, 28131
temperament; monoamines; novelty seeking; harm avoidance; multivariate analysis; brain; rats; metabolites; neurochemistry; individual differences, 12933
vesicular monoamine transporter; social phobia, 1427
Categorizing [See Classification (Cognitive Process)]
Catheterization—Serials
epidural anesthesia; epidural catheter; somatosensory evoked potentials; obstetrical analgesia, 11464
pediatric hematology-oncology patients; intravenous procedures; CD-ROM intervention; cognitive appraisals; fear; behavioral distress; pain, 17566
Cathexis—Serials
aesthetic attributes; styling preferences; clothing; body image; body cathexis; body size; physical attributes; psychosocial attributes, 34731
cathexis; object relations; psychoanalytic discourse; Sigmund Freud, 7560
numbers; cathexis; health behavior; eating disorders, 23264
Prometheus-complex; analytical psychotherapy; political imprisonment; persecution; cathexis; traumatization; psychodynamics, 2033
Cathode Ray Tubes [See Video Display Units]
Catholicism (Roman) [See Roman Catholicism]
Catholics—Serials
burnout; depression; catholic priests, 11786
codes of conduct; Virtus Model Code of Pastoral Conduct; Catholic clergy; priesthood; Catholic Bishops; dioceses; eparchies, 22649
depression; contributors; vocational satisfaction; Roman Catholic secular clergy, 12204
immigrant parish community; community intervention; cultural differences; community dynamics; Catholic churches; Chinese immigrant subgroups; intervention, 35850
intergroup contact; forgiveness; Northern Ireland; Catholics; Protestants, 25419
priesthood; Roman Catholic religious; psychologically healthy, 2123
sexual misconduct; Roman Catholic clergy; psychological patterns; risk factors, 1499
Spanish translation; test reliability; Brief RCOPE; Catholics; religious coping, 29401
spiritual maturity; social support; male religious order; life satisfaction; Roman Catholics, 28423

Caucasians [See Whites]
Cauda Equina [See Spinal Nerves]
Caudate Nucleus—Serials
abstinence; relapse; cues; neural substrates; extinction training; cocaine; rats; caudate putamen; learning, 34084
associative learning; microstimulation; anterior caudate; striatum; rhesus monkeys, 34140
dominant striatum; language; cortico-subcortical low grade gliomas; putamen; anarthria; dysphasia; caudate nucleus, 1814
Causal Analysis—Serials
anxiety; interpretation; training; cognitive bias; causality, 13850
cannabis; psychosis; causal analysis; risk factor, 26134
categorization; classification; causal knowledge; causal model theory; causal status hypothesis, 24825
causal chaining; oucomes; forseeability, 1164
causal induction; strength; learning; causal relationship; graphical models, 6521
causal inference; covariation approach; mechanism approach, 3361
causal inferences; conversational discourse analysis; childhood development; mother child communication, 25203
causal interpretations; neural events; conscious events; psychophysical causality; epiphenomenalism, 21907
causal learning; temporal order; intervention; covariation; cues, 18850
causal perception; representational momentum; event perception; visual perception; visual displays, 33924
causal relationships; qualia epiphenomenalism; empirical knowledge, 21958
causal relevance; non reductive physicalism; physical supervenience; epiphenomenalism, 21964
causal structure; cooccurrence information; judgments; causal inference, 27890
causality; cognitive processing; functional magnetic resonance imaging; brain; complex behavior, 18789
causality; infancy; rationalism; causal representation, 34369
cue competition; human causal learning; experimental task; elemental; configural, 387
directed acyclic graph; causal relationships; decomposed subgraphs, 9462
epiphenomenalism; physical properties; causal inefficacy; nomological connection, 21946
experiments; mediational analyses; causal chain; psychological processes; social psychological papers, 7384
eyewitness testimony; own-race bias; emotion; causation; association; causal hypotheses; associative hypotheses; experimental methods, 21574
happiness research; economic research; individual behavior; causality; cost benefit analysis; well being; life satisfaction, 3924
human causal induction; causal learning; cognitive processes; inference, 15683
human causal judgments; retrospective revaluation; conditioning; within-compound associations; cues; associative learning; inferential reasoning, 431
infant cognition; object identification; causality, 795
objective well being; subjective well being; economic inputs; causal factors; income, 3926
power PC theory; causal induction; probe question; cognitive processes, 15641
secret agents; inferences; hidden causes; preverbal infants; physical contact; inanimate objects; causal power, 10067
sex; self control theory; distribution differences; risky behavior; delinquency measures; structural equation modeling, 26157
strategic learning process; causal ambiguity; success factors; British software company directors, 9102
young children; causal strength; probabilities; interventions; causal mechanism, 787
Causal Analysis—Books
Causal models: How people think about the world and its alternatives, 9624
Causality—Serials
affective influences; causal inferences; negative interpersonal episodes; autobiographical mood induction, 9649
animal intelligence; causal model theory; stimulus response association; reasoning; Asian elephants; causality; tool use, 9698
automatic techniques; backward causal connectives; semantics; contexts; Dutch newspaper corpora, 16001
blocking; causal structure; children; contingency learning; cues; causal models, 416
categories; causal relations; causal learning; previous learning contexts, 22020
causal ambiguity; management perception; firm performance; resource based expectations, 15199
causal attributions; group discrepancies; emotions; emotional attributions; self discrepancies; group-based emotions; group identification, 7453
causal determinism; preschoolers; causal inferences; children's belief, 22499
causal induction; attribution theory; attribution retraining; Posttraumatic Stress Disorder; trauma; cognitive restructuring, 23055
causal judgment; phenomenal causality; naive physics; semantics of causality; causal understanding; causal asymmetry; bias; theories, 12753
causal reasoning; rats; associative processes; causal inferences, 15778
causal reasoning; rats; associative processes; causal inferences, 34012
causal uncertainty; motivational state; threat; prediction; self-worth, 27891
causality; infancy; rationalism; causal representation, 34369
causes; enabling conditions; linguistic cues; mental model generation, 6533
child judgment; magical causality; constraints; child beliefs; attribution, 25303
cognitive modeling; causal relationships; cognitive science; human behavior, 9614
correspondence bias; causal uncertainty; cognitive busyness; causal strength; situational information; sense making; social behavior, 13497
cue interaction; predictive responses; cue competition; learning phase; causality assessments; theories, 15747
developmental psychology; public policy; prospects; policy research; dynamic developmental systems theory; causal interpretation; child development, 3797
domestic violence; women's experiences; violence causes; violence consequences; Myanmar, 7787
expectation; physical causality; knowledge; infants; cognitive development, 25297
explanation; understanding; causation; mental models; concepts, 9589
functional hemispheric asymmetries; visual processing subsystems; causal relation; spatial relations; lateralization; neural development, 6739
happiness research; economic research; individual behavior; causality; cost benefit analysis; well being; life satisfaction, 3924
health policy relationship; womens health outcomes; socioeconomic status; womens health; medical access; mortality rate; environmental health, 7333
human causal learning tasks; second-order conditioning; cause & effect; training; extinction; mental model; associative mechanism, 21993
human learning; trial-by-trial learning; covariation learning; causation; contingency; signal detection theory; judgment; outcome expectancy measures, 393
identity styles; causality orientations; motivational underpinnings; identity exploration process; self-determination theory; late adolescents, 7544
integrating motivating; constraining forces; deviance causation, 7759
intergroup conflict; causes; lay attributions; college students; theories, 19452
interpretation; reasoning; conditional statements; causal; cognitive; probability; inference, 9618
interventions; causal learning; decision making, 21957
magical beliefs; causal inference; self-perception; apparent mental causation; conscious will, 28680
Michottes heritage; perception; cognition; amodal completion; contemporary psychology; causality; philosophies, 34248
multilevel model; hierarchical linear model; indirect effect; mediation; moderated mediation; direct effects; evaluation, 24655
nocturnal enuresis; causatic factors; child population; pharmacological treatments; psychosocial problems; diagnosis; developmental delay; genetic factors; sleep wake cycle, 1704
perceived causality; temporal distance; causality time relationship, 259
perceived causes; second Iraq war; British students; invasion; religious prejudice; racism; history; conflict; Muslims; Christians, 33470
phenomenography; conception; variational origin, 1116
psychology education; teachers; students; causation; statistical correlation; comprehension, 14961
repetition; comprehension; television content; videos, 25279
selective influence; probabilistic causality; probabilistic dimensionality; latent variable models; probability spaces; random variables; joint distributions; conditional independence, 21756
semantic inference; implicit consequentiality; implicit causality; semantic roles; meaning; interpersonal verbs; consequential verb attributions, 34268
sentence comprehension; verb-based implicit causality; eye tracking; self-paced reading; pronoun, 18786
theory-prediction consistency; children's identification; causality; computer-mediated task; decision making; cognitive development, 33401
therapeutic work; theories of change; personal change; causality, 20401
tool use; causal knowledge; problem solving; gorillas; bonobos; orangutans, 24902
visual impressions; phenomenal causality; illusion; tactile perception, 33946
young children; causal strength; probabilities; interventions; causal mechanism, 787
Causality—Books
Causal models: How people think about the world and its alternatives, 9624
Why?: What happens when people give reasons. . . and why, 31727
Causation [See Causality]
Cause Effect Relationships [See Causality]
Cecotrophy [See Coprophagia]
Celebrity [See Fame]
Celiac Plexus [See Autonomic Ganglia]
Celibacy [See Sexual Abstinence]
Cell Nucleus—Serials
anxiety status; morphometric parameters; amygdala; bed nucleus; stria terminalis; aging; rats; acoustic startle, 34113
losartan; central ornithine vasotocin; drinking; saline intakes; rat brain; intracerebroventricular injection, 9868
Cells (Biology) [See Also Blood Cells, Chromosomes, Cones (Eye), Epithelial Cells, Neurons, Sperm, Stem Cells]—Serials
amyloidogenic processing; amyloid precursor protein; intracellular compartments; brain senile plaques; cloning; Alzheimer disease; microdomains, 17350
auditory hair cells; proteins; sensory functions; motor functions; force production, 15842
bioethics; embryos; embryonic stem cell; debates; US government, 14876
cerebral preconditioning; ischaemic tolerance; adaption; stroke; neurobiology; brain; stress, 25011
circadian clocks; mitochondria; metabolism; physiological processes; defense mechanisms, 34173
Deoxyribonucleic Acid; Alzheimers disease; oxidative stress; protein; cellular components; postmitotic neurons, 26436
developmental psychology; disciplines; cell biology; cultural anthropology; phenotypes; genetics; nature nurture; psychology; mother infant attachments; stress; social cognition; life span, 22416
diabetes reversal; diabetes mellitus; non-obese diabetic mice; cell regeneration; splenocytes, 15840
dual phase; rate coding; hippocampal place cells; theoretical significance; entorhinal grid cells; theta rhythm; EEG, 9814
Hebb's cell assembly; top down attention; concepts implementation; neural explanations; changes; visual system; neurophysiology, 12680
human embryonic stem cell research; cloning techniques; biologist; scientific career; cellular biology; political opposition, 3514
Kupffer cells; alcoholic liver disease; fat accumulation; mouse; gender differences; tumor necrosis factor, 1548
microglia; bone marrow stem cells; Alzheimer's disease; innate immune response, 20292
microglial cells; neuroprotection; Alzheimers disease, 4832
mitochondria; Alzheimer disease, 35332
mitochondria; Alzheimers disease; neuronal cell; energy metabolism; apoptotic pathways, 35331
mitochondrial amyloid beta peptide; pathogenesis; late phase development; metabolic dysfunction; Alzheimers disease, 35375
mitochondrial disorder; misdiagnosis; motor neuron disease; myositis; respiratory chain disorder, 32526
mitral cell; adrenoceptor agonists; odor learning; rats, 13021
neural stem cells isolation; postnatal cerebellum; murines, 3583

Cells (Biology)—Serials
neuroligins; neurexins; cell adhesion; synapse formation; cognitive function, 15863
neurons; cytoskeleton; cells; protein alpha-catenin; cell proliferation; cell adhesion; brain diseases, 15867
obstructive sleep apnea; advanced glycation end prodcuts, oxidative stress, 35225
olfactory system; sensory crypt cells; crucian carp; olfactory bulb, 12917
perivascular phagocytes; mice; pineal gland; antigens; proteins; phosphatase, 34175
pyramidal cells; rats; medial prefrontal cortex; ventral tegmental area; receptor agonist; dopamine; neurons, 22165
spatial discrimination; hippocampal place cells; remote recalibrating landmarks; place cell activity; rats, 15890
stem cell research; human embryos, 17904
toxic functions; common structure; amyloid oligomers; pathogenesis; degenerative diseases; sporadic inclusion-body myositis, 16619
uniformity of fixation density; Voronoi method; fixation locations; cell size distributions; visual evaluation; intuitive meaning, 33934
Censorship—Serials
school authorities; school censorship; educational content; school setting, 8876
Censorship—Chapters
The Challenge of ''Challenged Books'', 12069
Centering—Serials
centering prayer; heuristics; religious practices; life style changes; meditative practice, 4895
mindfulness; acceptance; hypnosis; response sets; cognition; clinical perspective, 20632
Central Nervous System [See Also Brain, Neural Pathways, Spinal Cord]—Serials
adrenal medulla; heroin addicts; central nervous system; pituitary body; postmortem changes; blood pressure; nerve fibers; neurons, 1534
Borrelia burgdorferi; psychiatric patients; clinical characteristics; demographic characteristics; central nervous system; seropositivity, 16673
brain imaging; functional imaging; motor & sensory control; central nervous system; gastrointestinal tract; neural pathways; vagus, 31166
brain renin angiotensin system; neurodegenerative disorders; central nervous system, 32644
cardiac surgery; heart disease; neurocognitive dysfunction; neurological injury, 35206
central nervous system neurons; mood related cortex; affective processing regions; brain; prefrontal cortex; sympathetic outflow system, 3582
central nervous system; caffeine; electrophysiological response; cognitive response; motor responses, 637
central nervous system; psychosexual behavior; biologically regulated behaviors; hormone dependent hypothalamic neurons, 28020
central processing; peripheral mediators; neuronal pathways; pruritus; itch; neurobiology; pain, 28077
diazinon; cognitive behavior; sleep; electrocorticogram; common marmoset, 666
dopamine metabolism; central nervous system; secretin administration; autism; children, 20614
electroconvulsive therapy; treatment; multiple system atrophy; major depression, 14528
electromagnetic fields; central nervous system; cellular phones; evoked electrodermal activity; skin resistance response, 15841
epilepsy; blood; central nervous system, 29297
extended release carbamazepine capsules; central nervous system; drug side effects; drug tolerability, 8416
face processing; autism; specialized neural systems; social interest; developmental skill; early experience; emergent skill, 23227
functional reorganization; human brain; plasticity; stroke; long term disability; central nervous system; magnetic resonance imaging, 11000
functional vulnerability; central nervous system; maternal thiamine deficiencies; rats, 9862
growth factors; alcohol addiction; brain derived neurotrophic factor; glial cell line derived neurotrophic factor; insulin; central nervous system, 16960
interbodypart coordination tasks; central processing limitation; movement control; neural mechanisms, 18762
neuroinformatics; neurology; central nervous system diseases; mammalian genome; gene products; Alzheimer's disease; cellular pathophysiology, 24995
Notch signaling; mammalian central nervous system; mouse mutants, 3627
postconcussional syndrome; pathology; brain trauma; subjective complaints; central nervous system effects, 20293
postconcussional syndrome; pathology; brain trauma; subjective complaints; central nervous system effects, 20260
postnatal health; postnatal disease; early development; fetal origins; organ systems; central nervous system, 9998
prenatal exposure; low level ozone; aggressive behaviour; central nervous system; rats; brain derived neurotrophic factor; gestational exposures; hippocampus; striatum, 12936
proprioceptive acuity; ipsilateral position matching; velocity discrimination, 3553
psychiatric patients; cerebral autosomal dominant arteriopathy; diagnosis; leukoencephalopathy; central nervous system; subcortical infarcts; psychiatric disturbances, 4646
psychopharmacology; brain processes; central nervous system; drug effects, 511
recreational substance use; HIV treatment; side effects; syndromes; central nervous system; stimulation; drug tolerance; efavirenz, 2057
REM sleep behavior disorder; Lewy body disease; central nervous system; substantia nigra; pedunculopontine nucleus; locus coeruleus, 35179
S-adenosylmethionine effects; Alzheimer's disease; metabolism; DNA methylation; CNS gene expression, 35272
serotonin; glutamate; neurotransmission; physiological functions; pathology; GABA; central nervous system, 34203
serotonin; neurobiology; psychopharmacology; ejaculatory threshold; premature ejaculation; quality of life; central nervous system; ejaculatory disorders, 35183
serotonin; short term memory; long term memory; odor learning; terrestrial slug; central nervous system, 25126
sex hormones; central nervous system; pain; pathophysiology; sex differences; pain threshold; sex steroids, 25067
Central Nervous System [See Also Brain, Neural Pathways, Spinal Cord]—Books
The Central Nervous System: Structure and Function (3rd ed.), 3629
Central Nervous System Disorders [See Also Brain Disorders, Chorea, Dysarthria, Meningitis, Neurosyphilis, Progressive Supranuclear Palsy]—Serials
anti inflammatory properties; cholinergic up regulation; acetylcholinesterase inhibitors; central nervous system inflammatory disease, 34051
attentional skills; central nervous system disorders; childhood development; acquired disorders, 32602
frontotemporal lobar degeneration; progressive dysarthria; neuropsychology; neurology, 29270
headache; vomiting; failure to thrive; normochromicnormocytic anemia; craniopharyngiomas; central nervous system pathology, 23540
hearing impairment; sensorineural hearing loss; cryptococcal meningitis; HIV-negative patients, 8181
Machado Joseph disease; multiple sclerosis; inflammatory demyelination; pathogenesis; magnetic resonance imaging, 1816
neuroactive steroids; menstrual cycle; central nervous system disorders; mood disorders; women; premenstrual dysphoric disorder, 25118
neuroinformatics; neurology; central nervous system diseases; mammalian genome; gene products; Alzheimer's disease; cellular pathophysiology, 24995
Central Nervous System Drugs [See CNS Affecting Drugs]
Central Tendency Measures [See Also Mean, Median]—Serials
heterogeneity; verbal memory; Alzheimers disease; central tendency; genotype, 31075
memory; stimulus magnitude; Bayesian weighting, 6596
Central Vision [See Foveal Vision]
CER (Conditioning) [See Conditioned Emotional Responses]
Cerebellar Cortex [See Cerebellum]
Cerebellar Nuclei [See Cerebellum]
Cerebellopontile Angle [See Cerebellum]
Cerebellum [See Also Purkinje Cells]—Serials
aging; intellectual decline; cerebellum; frontal atrophy; gerontology; healthy elderly, 7111
brachium conjunctivum; eyeblinks; cerebellum; neurons, 9813
cerebellar infarction; visual search; spatial memory; visual attention; cognitive functions; motor planning; visual search task, 4795
cerebellar interpositus nucleus; somatosensory cortical learning; eyeblink conditioned rabbits; nictitating membrane; unconditioned stimulus, 25056
cerebellar signs; central pontine myelinolysis; hyponatremia; alcoholism, 4810
cerebellar synaptic defects; abnormal motor behavior; mice; dystrobrevins, 34086
cerebello cerebral disorder; neuroanatomy; learning disabilities; visuo-spatial deficits; cerebellum; neuropsychological assessment; executive functions, 35292
cerebellum; neuroscience; anatomy; function; behavior, 3617
cerebral cortex; mitochondrial monoamine oxidase; developmental lead exposure; rat brain; synaptosomal catecholamine levels; hippocampus; cerebellum, 638
cerebral responses; developmental changes; adolescents; food images; cerebral functioning, 10003
cytoskeletal proteins; aging rats; brain; neuronal tissue; proteolysis; cerebral cortex; cerebellum, 24992
dyslexic readers; left occipitotemporal cortex; left supramarginal gyrus, 29132
ethanol levels; Bergmann glial cell maturation; cerebellar granule cell; postnatal exposure; prenatal exposure; cerebellum; rats, 642
eyeblink conditioning; cerebellum; conditioned response timing; ISI discrimination; development, 34163
fragile X cerebellum connection; fragile X mental retardation protein; synaptic plasticity; knockout mice, 34092
functional magnetic resonance imaging; impaired judgment; spatial orientation; cerebellum; cognitive functions, 1791
grammatical morphology; cerebellum damage; human language; verbal memory; working memory; neuropsychology, 18784
implicit motor learning deficits; developmental dyslexia; reading skills; impaired cerebellar function; serial reaction time performance; non-motor learning, 17086
Maudsley Personality Inventory; Lie scale; striatal dopamine receptor; Chinese community subjects; cerebellum; social desirability, 13544
near infrared spectroscopy; piano performance; frontal lobe activation task; hemoglobin volume, 18974
neural stem cells isolation; postnatal cerebellum; murines, 3583
phonological similarity effects; verbal working memory task; cerebellar patients, 8135
place learning; cerebellar cortex; interpositus nucleus; cerebellum-dependent learning; hippocampus-dependent learning; Purkinje neurons; mice; classical conditioning; sodium channel; maze; eyeblink, 19009
primates; cortico-cerebellar system; anatomy; cognitive function, 28088
purkinje cell; acquisition; eyeblink conditioning; cerebellar cortex; rats; extinction, 25075
Purkinje cells; cellular bistability; sensorimotor information; upstate membrane potential; cerebellar cortex, 34125
Purkinje cells; cellular bistability; sensorimotor information; upstate membrane potential; cerebellar cortex, 34108
rat frontal cortex; hippocampus; cerebellum; GSK-3beta phosphorylation; Ser473-Akt; Ser133-CREB; Ser9-GSK-3beta; MK-801; adaptor protein; Ser33-beta-catenin; schizophrenia, 6828
repeated acquisitions; extinctions; classical conditioning; rabbit; nictitating membrane response; eyeblink conditioning; cerebellar; forebrain, 25072
sleep disordered breathing; Chiari malformation; surgery; sleep apnea, 23772
vigilance; Purkinje; lurcher; chimera; motor; sustained attention; cerebellum; mice; wildtype, 18985
Cerebral Aqueduct [See Cerebral Ventricles]
Cerebral Arteriosclerosis—Serials
cognitive functioning; atherosclerosis risk factors; cerebral abnormalities; white matter hyperintensities; ventricular size; sulcal size; impaired cognitive functioning, 4718
spectrum of mutations; diagnosis; cerebral autosomal dominant arteriopathy with subcortical infarcts and leucoencephalopathy; cerebrovascular disease; chromosomes; genes, 1672
Cerebral Atrophy—Serials
aging; intellectual decline; cerebellum; frontal atrophy; gerontology; healthy elderly, 7111

brain perfusion differences; Parkinsons disease; multiple system atrophy; Parkinsonian features; cerebral blood flow, 14245
cognitive changes; old age; global brain atrophy; cerebro arterial blood flow; intelligence; mental abilities; memory; reaction times, 29293
cortical activity; behavioral activation system; behavioral inhibition system; anterior asymmetry; withdrawal motivation, 12918
electroconvulsive therapy; treatment; multiple system atrophy; major depression, 14528
homocysteine; brain atrophy; vascular disease; neurodegeneration; white matter hyperintensities; cognitive impairment; Alzheimer's disease; degenerative brain disorders; Parkinson's disease, 11117
memory impairment; bihippocampal injury; status epilepticus; neuropsychological profile; cortico subcortical atrophy; cognitive impairment, 26410
neuronal cell death; Alzheimers disease; humanin; neuroprotective factor; brain atrophy; neuronal loss; amyloid, 35337
posterior cortical atrophy; Alzheimer disease; occipitotemporal visual processing pathway; nosologic entity; diagnostic criteria, 23488
posterior cortical atrophy; depressive symptoms; atypical dementive syndrome, 25799
posterior cortical atrophy; hypometabolism; neuropsychology; alexia; agraphia; finger agnosia; right-left disorientation; dyscalculia, 28067
posterior cortical atrophy; vivid hallucination; ghost tales; temporal cortex, 23421
schizophrenia; psychotic bipolar disorder; regional volume deviations; brain structure; grey matter deficit, 19770
schizophrenia; psychotic bipolar disorder; regional volume deviations; brain structure; grey matter deficit, 19781
schizophrenia; reversible cerebral atrophy; delirium, 34910
temporal analysis; pain relief; tactile stimuli; vibrotactile thresholds; spinal cord; cortical responses; noxious stimuli, 25063

Cerebral Blood Flow—Serials

bipolar disorder; correlate alterations; neuropsychological function; cerebral blood flow, 22982
brain perfusion differences; Parkinsons disease; multiple system atrophy; Parkinsonian features; cerebral blood flow, 14245
brain volume; blood flow; speed; intelligence; age-related declines, 31380
cerebral blood flow velocity; erythrocyte deformability; heavy alcohol drinkers; alcohol usage, 13963
cerebral blood flow; evaluation; color duplex sonography; patients; untreated panic disorder; anxiety levels, 6787
cerebral blood flow; newborn babies; vascular smooth muscle cells autoregulation; brain; physiology; blood pressure, 4633
cerebral blood flow; right anterior cingulate cortex; methamphetamine users, 20022
cerebral blood flow; vagus nerve stimulation; depression; antidepressant treatment, 2117
cerebral blood; cognitive activity; blood pressure; middle cerebral arteries; hypotension; cognitive performance; cognitive functioning, 18964
cerebral perfusion abnormalities; developmental language disorder; parametric mapping; statistical analysis; cerebral blood flow; basal ganglia; etiology, 32506
cerebrovascular reactivity; mirtazapine administration; cerebral arterioles; dilatory stimulus; cerebral blood flow; depression, 22333
circadian variability; visual cortices; cerebral blood flow; hemodynamic response; near-infrared spectroscopy; brain activation, 34056
donepezil effects; cerebral blood flow; older adults; mild cognitive deficits; placebo; positron emission tomography; temporal lobe, 26383
frontal lobe; cognitive therapy; spider phobia; cerebral blood flow; emotional reactions; panic; prefrontal cortex, 19896
frontotemporal hypoperfusion; olfactory reference syndrome; interindividual variance; course; antidepressant treatment response; diagnosis, 19721
functional hyperemia; rat hippocampus; mild treadmill running; exercise; cerebral blood flow; neuronal activation, 25074
functional magnetic resonance imaging; neural activity; perfusion signal; sequence learning, 18990
hemodynamic response; chronic hypoperfusion; stroke; functional magnetic resonance imaging; brain injury, 26356
macaque monkeys; ipsilateral hand responses; hemodynamic; electrophysiological analyses; functional MRI; primary somatosensory cortex; neural mechanisms, 22196
neuronal activity; functional brain imaging; blood oxygenation; cerebral blood flow; visual cortex; negative blood oxygenation level responses, 34128
obsessive compulsive disorder; patients; cerebral blood flow; basal ganglion; brain perfusion; hypoperfusion, 10735
panic disorder; regional cerebral blood flow; temporal lobe; brain; disorder severity, 32192
persistent foramen ovale; migraine; aura; inheritance; shunts; decompression illness, 8051
prefrontal cortex; anterior cingulate cortex; deception; brain activation; regional cerebral blood flow; pretending not to know; pretending to know, 15936
regional cerebral blood flow; Alzheimer's disease; musical hallucinations; single-photon emission computed tomography; cognitive functioning, 29288
regional cerebral blood flow; delusional parasitosis; risperidone; brain infarction; right temporoparietal region; treatment efficacy, 23782
respiratory stimulant; anxiety provocation; orbitofrontal cortex; amygdala; cerebral blood flow; panic disorder, 4376
retrospenial cortical deactivation; fibromyalgic patients; painful stimulation; regional cerebral blood flow, 14157
unilateral spatial neglect; decompressive craniectomy; depressed skin flap; cerebral contusion; traffic accident, 4796
visual event related potentials; interstimulus intervals; Parkinsons disease; motor disability; Wechsler adult intelligence scale; regional cerebral blood flow, 14241
visual hallucinations; occipital regional cerebral blood flow; donepezil; dementia with Lewy bodies; psychiatric symptoms, 35333

Cerebral Cortex [See Also Cerebral Ventricles, Corpus Callosum, Frontal Lobe, Left Hemisphere, Limbic System, Occipital Lobe, Parietal Lobe, Right Hemisphere, Temporal Lobe]—Serials

agent-specific responses; cingulate cortex; economic exchanges; social exchange; brain, 25053
anterior cingulate cortex; error related activity; predicted rewards; neurons; monkeys; error detection, 12899
anterior cingulate cortex; intentional communication; social cognition, 9934
anterior cingulate cortex; posttraumatic stress disorder; life stress, 13830
anterior cingulate cortex; protein expression, 22157
antipsychotics; brain structure; basal ganglia; cortical regions; drug therapy, 14512
automaticity; cortical activation; executive control; brain activation; control over automatic behavior, 30994
behavioral automatism; insular cortex; partial seizures; hyperkinetic behavior; violent movement, 14229
c-Fos; somatosensorial cortex; limbic system; associative learning; cerebral cortex, 34096
canceling planned action; countermanding saccades; motor behavior; human dorsal cortex; oculomotor regions; decision processes; fixation, 3651
category specific cortical activity; retrieval; memory search, 9836
central nervous system neurons; mood related cortex; affective processing regions; brain; prefrontal cortex; sympathetic outflow system, 3582
cerebral asymmetry; fusiform areas; learning efficiency; new writing system; individual differences; fMRI, 31234
cerebral blood flow; right anterior cingulate cortex; methamphetamine users, 20022
cerebral cortex; mitochondrial monoamine oxidase; developmental lead exposure; rat brain; synaptosomal catecholamine levels; hippocampus; cerebellum, 638
cerebral processes; mental hand rotation; visuo-motor imagery; neural activity; event-related potentials; handedness judgments, 31224
chromatic aberrations; color signals; primate visual system; cortical pathways, 18967
cognitive functioning; atherosclerosis risk factors; cerebral abnormalities; white matter hyperintensities; ventricular size; sulcal size; impaired cognitive functioning, 4718
cognitive functioning; medial frontal lobe damage; anterior cingulate cortex; cognitive tasks; anterior attention, 17265
cognitive processes; vision; cerebral cortex; neurons, 3611
cortical activation; blocked motor task; visual stimulation; visual task; functional near-infrared spectroscopy; evoked potentials, 31212
cortical activity; chronic low blood pressure; contingent negative variation; hypotension; cortex; cerebral blood flow; cognitive deficits; EEG, 20169
cortical activity; developmental changes; imaging studies; magnetic resonance imaging; brain, 9989
cortical activity; developmental changes; imaging studies; magnetic resonance imaging; brain, 9987
cortical activity; developmental changes; imaging studies; magnetic resonance imaging; brain, 9982
cortical activity; developmental changes; imaging studies; magnetic resonance imaging; brain, 9983
cortical correlation & pathways; visual objects; objects identification; orientation judgment, 9777
cortical dopamine receptors; alcoholism; human whole hemisphere autoradiography; anterior cingulate cortex; frontal cortex; temporal cortex, 7878
cortical interneurons; ethanol exposure; postnatal life; rats; fetal alcohol syndrome; animal models, 22311
cortical lamination; hippocampus; neurons; fibre projections; mammalian cerebral cortex; cortical functions; dentate gyrus, 18969
cortical memory mechanisms; language origins; linguistic phenomena; semantic processing; syntactic processing; grammar, 25153
cortical spreading depression; migraine headache; trigeminovascular system; pathophysiology; neurologic aura, 8006
cortical thickness; autism; cortical abnormalities, 35099
corticothalamic communication; animal locomotion; motor cortex; cat; pyramidal tract neurons; visually guided locomotion, 596
cytoskeletal proteins; aging rats; brain; neuronal tissue; proteolysis; cerebral cortex; cerebellum, 24992
Dean-Woodcock Sensory Motor Battery; construct validity; psychometrics; factor analysis; cortical constructs, 33846
decision making; basal ganglia: dopamine; orbitofrontal cortex; neural network; reinforcement learning, 18970
directional selectivity; BOLD activity; human posterior parietal cortex; memory guided saccades; functional MRI; visual field, 25031
electrical synapses; neocortical neurons; GABAergic neurons; neocortical neurons, 3572
emotional experience; facial expression; Alzheimers disease; facial muscle activity; frontal cortical system, 32611
encoding changes; orbitofrontal cortex; reversal impaired aged rats; odor discrimination problems; cue selective neurons, 25047
environment-independent spatial coordinate system; conjunctive representation; medial entorhinal cortex; head-direction cells; position; direction; rats, 25046
face selective cells; face perception; humans; macaque monkeys; functional magnetic resonance imaging; cortical regions, 15904
face selective cells; face perception; humans; macaque monkeys; functional magnetic resonance imaging; cortical regions, 15878
food anticipatory activity rhythm; mice; restricted feeding; diurnal locomotor activity; liver; cerebral cortex, 507
frontal dysfunction; depressive syndrome; Alzheimer disease; patients; glucose metabolism; brain, 32648
gamma aminobutyric acid concentrations; depressed patients; cognitive behavioral therapy; cerebral cortex, 13734
global; local; visual processing; gender differences; hemispheric asymmetries; processing biases; evoked potentials, 12934
Golgi Cox; frontal cortex; early experience; neuronal morphology; rat cortical development; perinatal cortical injury, 3564
granular tau oligomers; brain aging; Alzheimer disease; neurofibrillary tangles; frontal cortex, 26422
hemispheric activation; hemispheric interaction; functional lateralisation; attention, 9795
hemispheric activation; mental word; rhyme generation; transcranial Doppler sonography; cortical language areas, 15880
hemispheric asymmetry; visuomotor processes; visuoperceptual processes; cerebral hemisphere; unilateral brain lesions; illusions, 1808
hemispheric processing; metric properties; object recognition; magnetic resonance imaging, 31218
hemodynamic studies; second language processing; cerebral cortex; first language processing, 28078

hemodynamic studies; second language processing; cerebral cortex; first language processing, 28093
human brain oscillations; cognitive correlates; human cognition; animal cognition; theta frequency; gamma frequency; hippocampus; neocortex; rodents; cat; monkey, 15876
human development; cerebral cortex; postnatal development; prenatal development; intellectual functioning; neurogenesis; neuronal migration; dendrite maturation; synaptogenesis; white matter, 28098
instrumental learning; psychopathy; acquired sociopathy; amygdala lesion; orbitofrontal cortex lesion; relearning, 20278
intrinsic optical signal; spatial spread; neocortical excitation; rat neocortex; cannabinoid receptors; brain slice; neuronal network, 3534
language activation; amphetamine; cerebral dominance; cerebral dopamine neurotransmission; motor dominance, 15984
lateral entorhinal cortex; medial entorhinal cortex; conditioned odor aversion; trace conditioning; olfactory memory trace, 34081
long term depression; long term potentiation; rats; development; visual experience; perirhinal cortex; visual memory; synaptic plasticity, 22184
luminance contrast; chromatic induction; cerebral cortex; brightness mechanisms; visual perception; color, 27771
meaning selection; subcortex; lexical ambiguity; repetition effects; semantic priming; subcortical lesions; lexical decisions, 35276
microstructure; neural map; dorsocaudal medial entorhinal cortex; spatial environment, 9803
mild cognitive impairment; acetylcholine esterase activity; dementia; cerebral functioning; Alzheimers disease, 4776
neocortex; spike synchronizing mechanism; low-threshold spiking cells; oscillatory network; electrically coupled inhibitory interneurons; neural development; rats, 3589
network oscillations; neural circuits; computational roles; cerebral cortex; representation of information; regulation of information flow; information storage and retrieval; evolution, 15898
neural circuitry; emotional processing; posttraumatic stress disorder; brain regions, 19894
neural models; stimulus specific effects; repetition; brain; cortical dynamics; neural activity, 22173
object recognition; visual hemifield paradigm; global shape; hemispheric asymmetry, 12922
orbitofrontal cortex; brain lesions; cognitive impairment; learning; conditioned stimulus; feeding, 3593
orbitofrontal cortex; schizophrenia; schizoaffective disorder; behaviors; psychiatric symptomatology; neuropsychological aggression; iatrogenic effects; magnetic resonance imaging, 10674
parahippocampal areas; entorhinal cortex; spatial object exploration task; rats; spatial memory; animal learning; water maze, 25035
perception; hemispheric asymmetry; retinal eccentricity; fixation; visual hemifields, 15875
perceptual priming; right hemisphere; left hemisphere; object decisions; cerebral hemispheres; visual field differences, 18787
perirhinal cortex lesions; eyeblink conditioning; surgery; conditioned inhibition; rats, 34071
perirhinal cortex; Sprague Dawley rats; Dark Agouti rats; spatial memory; water maze; lesions; spatial learning; strain differences, 12914
positive affect; negative affect; appetite; brain activity; food images; lateral orbitofrontal cortex; insular cortex; functional magnetic resonance imaging, 25021
posterior cortical atrophy; vivid hallucination; ghost tales; temporal cortex, 23421
presymptomatic members; spinocerebellar ataxia; multimodal electrophysiology; mutation; at risk population; somatosensory evoked potentials; transcranial magnetic stimulation, 1809
primates; cortico-cerebellar system; anatomy; cognitive function, 28088
primates; optimal control theory; medical superior temporal; cerebral cortex; recurrent neural network; model, 6152
proteome analysis; anterior cingulate cortex; gray matter; schizophrenia; metabolism; oxidative stress; disease pathogenesis, 23003
pure misallocation; number transcoding; cerebral dysfunction; lexical semantic model; right posterior cerebral infarction; Arabic numerals; oral reading; writing, 17284
rabies infected mice; subcortical brain structures; nervous system disease; protein calbindin; brain tissue; rabies virus; cerebral cortex; neurons, 577
rat model; obsessive compulsive disorder; compulsive behavior; rats; lever pressing; orbital cortex; brain lesions; dorsal medial prefrontal cortex, 3576
rats; thalamocortical projection; neocortex; sensory stimuli; somatosensory cortex; synapses, 24998
semantic priming; nouns; verbs; differential influences; grammatical cues; cerebral hemispheres; visual field; semantics, 15854
speech-specific auditory processing; cortical regions; neural plasticity; brain; speech, 732
split brain patient; self recognition; cerebral hemispheres; hemispheric specialization; cerebral commissurotomy, 1834
subcortical cerebral hyperintensities; magnetic resonance images; childhood neuropsychiatric disorders; Tourette's syndrome; obsessive-compulsive disorder; ADHD, 28724
substance use disorders; orbitofrontal cortex; cognitive ability, 26089
substance use disorders; orbitofrontal cortex; cognitive ability, 26099
temporal lobe epilepsy; temporal lobectomy; nociferous cortex; morbidity; epileptogenic tissue; silent cortex, 11063
temporary inactivation; rostral perirhinal cortex; anxiolytic like effect; elevated plus maze; yohimbine enhanced startle response; gamma aminobutyric acid agonists; rats, 677
thalamocortical dynamics; rhythmic oscillatory; sleep wake cycle; inhibition; GABA systems; edge effect, 3588
theta oscillations; human cortex; working memory task; sensory processing; cognitive tasks; frontal cortex, 24866
verb processing; nouns; verbs; verbal inflectional morphology; cortical mechanisms; temporal gyrus; bilateral inferior frontal & occipital & left middle & inferior temporal cortices, 31028
visual perspective; cortical body representations; body image; cerebral cortex; right extrastriate body area; neurophysiological correlates; blood oxygenation, 15616

Cerebral Dominance [See Also Lateral Dominance]—Serials

corpus callosum; interhemispheric transfer time (IHTT); bilateral distribution advantage; hemispheric interaction; cerebral hemispheres, 15857
dysprosodic speech; cortical hemispheric representation; basal ganglia insult; prosodic processing, 20299
handedness classifications; health disorders; inconsistent hand preferences; cerebral lateralisation, 3537
language activation; amphetamine; cerebral dominance; cerebral dopamine neurotransmission; motor dominance, 15984
lateralized females; topminnows; information processing; foraging behavior; divided attention; cognitive tasks; sexually harassing males; vigilance; cerebral lateralization; male mating attempts, 25001
sex specific hemispheric differences; cortical activation; bimodal odor; event related potentials; intranasal trigeminal system, 12926
stethoscope orientation; cerebral lateralisation; lateral preferences, 28056
throwing prevalence; handedness; captive chimpanzees; neurophysiology, 6755
virtual reality; Pencil and Paper Tests; sensory neglect; cerebral dominance, 23512

Cerebral Hemorrhage—Serials

abusive head injury; shaken child syndrome; retinal hemorrhages; subdural hemorrhage; cerebral edema; axons, 32671
aneurysmal; arachnoid hemorrhage; cognitive performance; neuroimaging; tomography; neuropsychology; cerebral ischemia; SPECT, 4719
cerebral amyloid angiopathy; lobar intracerebral hemorrhage; historical perspective, 17342
cognitive deficits; frequency; Chinese patients; aneurysmal subarachnoid hemorrhage; efficiency of cognitive assessment, 29236
histopathological changes; ciliary ganglion; subarachnoid hemorrhage; anterograde transneuronal degeneration; cisterna magna; oculomotor nerve; rabbits, 3531
lobar hemorrhage; intracerebral hemorrhage; ischemic heart disease; thrombotic diseases; aspirin; stroke victims; antiplatelet drug, 20692

right hemisphere involvement; recovery; childhood aphasia; cerebral hemorrhage; brain tumor; language impairment; linguistic abilities, 26432
visual field defect; intracerebral hemorrhage; vardenafil; sildenafil; erectile dysfunction; side effects, 23775

Cerebral Ischemia—Serials

cerebral preconditioning; ischaemic tolerance; adaption; stroke; neurobiology; brain; stress, 25011
cognitive impairment; microtubule associated protein 2; transient global cerebral ischemia; complex environment experience; rats, 12906
electroconvulsive therapy; ischemic stroke; medical screening; anesthesia; neurological deficits, 29235
glutathione S transferase; gene polymorphism; ischemic cerebrovascular disease; tobacco smoking, 14181
huperzine A effects; memory deficits; neurotrophic factors; transient cerebral ischemia; reperfusion; mice, 25131
isoflurane effects; glutamate releases; taurine releases; brain swelling; brain injury; transient ischemia; reperfusion, 13043
memory dysfunction; caudate infarction; Heubner's recurring artery occlusion; auditory verbal learning; explicit memory; implicit memory, 26298
right sided accent mark; left neglect dyslexia, 8112
short term intellectual outcome; arterial ischemic stroke; sinovenous thrombosis; childhood; infancy, 4723

Cerebral Lesions [See Brain Lesions]

Cerebral Palsy—Serials

adductor plasticity; botulinum toxin A; children; cerebral palsy; motor function; placebo; motor development; treatment, 23779
bimanual co-ordination; children; young adolescents; hemiparetic cerebral palsy; congenital brain damage, 26451
cerebral palsied children; psychological evaluation; Ravens progressive matrices; John Carlyle; childhood development, 27572
cerebral palsy; etiology; motor disabilities; special needs; neuroimaging; brain morphology & plasticity; neurological functional deficits; definition & classification, 1591
cerebral palsy; health-related quality of life; caregivers; Child Health Questionnaire, 35367
complementary therapy; alternative therapy; cerebral palsy; hyperbaric oxygen; Adeli Suit; patterning; electrical stimulation; conductive education; equine assisted therapy; craniosacral therapy, 5138
feasibility; motivation; motor control; virtual reality; conventional home exercise; childhood development; cerebral palsy; computer applications, 23406
gait nomogram; neuromuscular function; cerebral palsy, 4839
global perception; small numerosities; subtizing; cerebral-palsied children; eye-hand coordination; counting performance, 20242
Gross Motor Function Measure; motor skills; cerebral palsy; ambulatory aids; orthoses; barefoot; aided assessment; within-child functional change, 21624
Gross Motor Function Measure; motor skills; cerebral palsy; ambulatory aids; orthoses; barefoot; aided assessment; within-child functional change, 21625
hip dislocation; cerebral palsy; postural management; intervention, 32022
learning technologies; augmentative and alternative communication; cerebral palsy; skill acquisition, 8692
Mandarin speaking persons; tone production; intelligibility deficits; cerebral palsy, 14225
motor dysfunction; cognitive function; tetraplegic cerebral palsy, 4831
perceived stress; perceived social support; well being; mothers; cerebral palsy; disability, 26441
self concept; cerebral palsy; children; disabilities, 23478
spastic hemiplegia; visual feedback; force regulation, 1810
speech enhancer effectiveness; spontaneous speech intelligibility; hyperkinetic dysarthria; cerebral palsy, 1765
treatment efficacy; Adeli suit treatments; neurodevelopmental treatments; cerebral palsy, 35364

Cerebral Vascular Disorders [See Cerebrovascular Disorders]

Cerebral Ventricles—Serials

atrioventricular blocks; citalopram; episodic faintness; side effects; drug therapy; recurrent depressive symptoms; elderly patients, 5051
magnetic resonance imaging; parents; schizophrenia subjects; disorder vulnerability; brain size, 13792

Cerebrospinal Fluid—Serials

cerebrospinal fluid biomarkers; Alzheimer's disease; beta-amyloid; tau; physphorylated tau; symptoms, 23498

cerebrospinal fluid markers; magnetic resonance imaging; mild cognitive impairment; Alzheimers disease diagnosis, 20248
cerebrospinal fluid; Parkinson's disease; dementia; beta amlyoid; tau protein, 32658
cerebrospinal fluid; suicide intent; hopelessness; hydroxyindoleacetic acid; prediction; high-risk male suicide attempters, 13928
cerebrospinal fluid; Tau levels; Alzheimers diseases; amyloid; APOE genotype; biomarkers, 32637
gamma aminobutyric acid concentrations; depressed patients; cognitive behavioral therapy; cerebral cortex, 13734
influenza-associated encephalopathy; biomarkers; cerebral spinal fluid; metabolomics, 32643
Interleukin-15; novel proinflammatory cytokine; cerebrospinal fluid; Alzheimer's disease; frontotemporal dementia; amyotrophic lateral sclerosis; Parkinson's disease, 23466
mild cognitive impairment; Alzheimer type dementia; major depression; cerebrospinal fluid: soluble amyloid precursor protein, 23461
neurofilament heavy chain; cerebrospinal fluid diagnosis; Alzheimers disease; biomarkers; diagnosis, 23405
normal brain tissue volumes; long term recovery; anorexia; bulimia nervosa, 14083
orexin-A; hypocretin-1; diurnal variation; REM-sleep; lumbar cerebrospinal fluid; narcolepsy; hypothalamus; sleep-wake cycle, 35191
pathological gamblers; transmitter metabolites; cerebrospinal compounds; cerebrospinal fluid levels; central nervous system; monoamine patterns; tyrosine; tryptophan; noradrenaline; neurotransmission, 25829
plasma neurosteroid biomarker; Alzheimers disease; dementia; neurodegenerative disease; cerebrospinal fluid, 26442
Tap Test responses; normal pressure hydrocephalus; neuropsychological measures; psychomotor functioning; patients, 28044
taurine function; pathological male gamblers; healthy nongamblers; inhibitory amino acid; cerebrospinal fluid concentrations, 25828
violent offenders; cerebrospinal fluid; serum albumin, 1446

Cerebrovascular Accidents—Serials

abstract knowledge; concrete knowledge; bilingual patient; semantic refractory access dysphasia; cerebral artery stroke; semantic association; comprehension, 26386
alexia; quadrant amblyopia; reading disability; visual field deficit; hemianopia; cerebral haemorrhage; white matter; occipital cortex; wotd recognition; eye movements, 35383
aphasia; stroke; screening assessment tools; clinical utility; diagnosis; rehabilitation, 29238
audiological profile; hearing rehabilitation; elderly Australians; speech affecting stroke, 8638
caregivers burden; post stroke depression; stroke survivors; support, 4732
caregivers; stroke; stress; accidents; unintentional injury; spousal caregivers; caregiver stress, 23921
central post stroke pain; lesion site; allodynia, 8007
cerebellar infarction; visual search; spatial memory; visual attention; cognitive functions; motor planning; visual search task, 4795
chronic stroke; dopaminergic effects; encoding; motor memory; drug dosages; levodopa, 5130
cognition; functional independence; cerebral artery infarct; neuropathology; lesions; corpus callosum; occipital region; thalamus; cerebellum, 26360
cognitive decline; mortality; coronary heart disease; cancer; stroke, 32512
cognitive impairment; mood; milnacipran; serotonin norepinephrine reuptake inhibitor; post-stroke depression, 35631
cognitive rehabilitation interventions; spatial neglect syndrome; stroke patients, 32595
constructional apraxia; drawing; encoding; right or left stroke; spatial cognition, 26418
contralateral hand anesthesia; poststroke sensory deficits; neurorehabilitative interventions, 23495
cortical dysplasia; vision metamorphopsia; seizures; stroke; tumors; trauma; multiple sclerosis; posterior parietal cortex, 14280
deep brain stimulation; post stroke neuropathic pain; sensory thalamus; periventricular gray area, 23783
depression; brain damage; test reliability; stroke patients; structured assessment of depression in brain damaged individuals, 3189
dose response; adjunctive light therapy; citalopram; poststroke depression, 29773
economic burden; stroke; costs; societal perspective; cost variability, 1782
electroconvulsive therapy; ischemic stroke; medical screening; anesthesia; neurological deficits, 29235
emotional unawareness; stroke; antidepressant treatment; anosognosia; major depression; sertraline; fluoxetine; alexithymia; right hemisphere lesions, 17588
erotomania; cerebrovascular accident; frontotemporal impairment; personality factors, 1749
family support; stroke patients; caregivers, 1753
fluctuating hearing loss; episodic headache; stroke; platelet hyperaggregability; auditory neuropathy, 23328
functional neuroimaging techniques; motor function; recovery; stroke; neural substrates; long term disability; therapeutic interventions, 4724
functional reorganization; human brain; plasticity; stroke; long term disability; central nervous system; magnetic resonance imaging, 11000
gait recovery; muscle activity; treadmill walking; post stroke hemiparesis; temporal patterning; patients, 23438
gesture imitation; lower limbs; left hemisphere stroke; ideomotor apraxia, 32594
health status; caregiver burden; stroke patients; rehabilitation, 8611
hemodynamic response; chronic hypoperfusion; stroke; functional magnetic resonance imaging; brain injury, 26356
hopeful thinking; participation; depressive symptoms; strokes; survivors; memory; disabilities, 29185
humor; communicative intention; right hemisphere stroke; pragmatics; comprehension, 32596
hypersexuality; delusional jealousy; stroke; psychotic symptoms; quetiapine; sexual intercourse, 23380
inpatient rehabilitation; stroke patients; fall incidence; cognitive functions; motor functions, 2356
irrepressible saccades; tectal lesion; rhesus monkey; eye jerks; dorsal midbrain syndrome; cerebrovascular accident; superior colliculus, 18956
language deficits; healthy older adults; motor tasks; stroke survivors, 17248
lobar hemorrhage; intracerebral hemorrhage; ischemic heart disease; thrombotic diseases; aspirin; stroke victims; antiplatelet drug, 20692
long term participation; rehabilitation interventions; stroke, 26354
middle cerebral artery stroke; brain activation; brain reorganization; recovery assessment, 11034
mirror neuron system; neurorehabilitation; motor cortex; imitation learning; motor imagery; rehabilitation; stroke, 23407
moving visual stimuli; unilateral neglect; stroke; spatial characteristics, 17251
multidisciplinary stroke education; Chinese family; family carers; caregiver knowledge; caregiver satisfaction, 4728
neuroprotection; stroke rehabilitation; recovery; neuronal injury; brain ischemia; stroke; stimulation techniques; neurogenesis, 29298
noise enhanced balance control; diabetic neuropathy; stroke patients; somatosensory function, 23334
nonsevere stroke; chronic posttraumatic stress disorder; cognitive variables; infarct localization, 25750
noradrenergic modulation; space exploration; visual neglect; dorsolateral prefrontal cortex; guanfacine; cognitive function; brain; stroke, 23386
nursing staff attitudes; general medical wards; stroke patients; nursing programme; motivation, 24096
nursing staff; stroke patients; Clinical Physiology; health care staff attitudes, 24097
pathological laughing; mirtazapine treatment; stroke; pathological crying; selective serotonin reuptake inhibitors, 8139
perinatal stroke; infantile spasms; academic achievement; intellectual development; dysarthric speech, 4722
pharmacologic treatment; central post stroke pain; thalamic syndrome, 17155
post stroke mania; major depression; cerebral infarction; functional imbalance; left frontotemporal hyperperfusion; orbitofrontal cortices, 1755
poststroke cognitive impairment; frequency; clinical determinants; nondemented Chinese stroke patients, 23388
poststroke dementia; ischemic stroke; hemorrhagic stroke, 23436
poststroke depression; Japanese patients; quality of life, 26357
poststroke mania; right-sided stroke; olanzapine response, 20229
preexisting depression; cerebrovascular health outcomes; geriatric continuing care; cardiovascular risk factors; stroke, 4727
prism adaptation; perceptual awareness; chimeric visual objects; spatial neglect; right hemisphere stroke; face perception, 26361
proposed regional hierarchy; post stroke aphasia recovery; repetitive transcranial magnetic stimulation; brain lesions; brain tumors, 26400
psychometric evaluation; Motor Readiness Questionnaire for Stroke; test reliability; test validity, 3190
randomized double blind trial; bromocriptine efficacy; nonfluent aphasia; strokes; placebo treatment, 35663
recovery process; chronic illness; mental health care; stroke; biopsychosocial framework; grief; men; disease management, 26947
Rutgers arm; telerehabilitation; virtual reality; stroke; motor control; computer applications, 23437
short term intellectual outcome; arterial ischemic stroke; sinovenous thrombosis; childhood; infancy, 4723
social work support services; stroke patients; rehabilitation services; health outcomes; hospitals, 33101
stroke knowledge; stroke survivors; misconceptions; knowledge gaps, 4733
stroke patients; community services; health care needs; caregivers; health care services, 14178
stroke patients; nursing staff attitudes; stroke care; Europe, 24122
stroke; cardiovascular system; side effects; sildenafil; cerebral circulation; risk factors, 26755
stroke; gender differences; acute care setting; elderly, 1688
stroke; nurses; coping behavior; psychological impact, 32598
subacute stroke; neuronal reorganization; recovery; constraint induced movement therapy; feasibility; safety; transcranial magnetic stimulation; neurophysiological correlates of motor processes, 17253
sudden mental status change; left hemiparesis; cerebral artery clot; emergency treatment, 26362
taste; olfactory intensity; perception; stroke; hedonics; release of inhibition; negativity bias, 11033
thalamus; basal ganglia; facial emotion recognition; cognitive impairment; stroke, 32612
treatment compliance; stroke; risk factors; at risk population, 35729
verbal working memory; left hemisphere stroke; rehabilitation programme; treatment effectiveness evaluation, 11037
virtual reality; rehabilitation; upper limb; stroke; head mounted display; side effects; computer applications, 23946

Cerebrovascular Accidents—Books

Brain heal thyself: A caregiver's new approach to recovery from stroke, aneurysm, and traumatic brain injuries, 35958
Recovery after stroke, 11629

Cerebrovascular Disorders [See Also Cerebral Arteriosclerosis, Cerebral Hemorrhage, Cerebral Ischemia, Cerebrovascular Accidents]—Serials

Alzheimer's disease; cerebral hypoperfusion; risk factors; vascular lesions; cerebral hypoperfusion, 4757
depression; clinical trials; age-related macular degeneration; cerebrovascular disease; treatment; prevention, 35460
late-life depression; vascular; African American; activity limitations, 16658
men; strokes; life events; retirement transition; retirement ambivalence; healing; adjustment; physical illnesses, 8090
silent cerebral infarct; mitral valve prolapse; risk factors; magnetic resonance imaging; ischemic stroke, 4726
spectrum of mutations; diagnosis; cerebral autosomal dominant arteriopathy with subcortical infarcts and leucoencephalopathy; cerebrovascular disease; chromosomes; genes, 1672
vascular dementia; Binswanger's disease; subarachnoid hemorrhage; subdural hematomas, 4829
vascular risk factors; late life depression, 32597
white matter; Alzheimer disease; cerebral amyloid angiopathy, 23440

Certification (Professional) [See Professional Certification]

Certification Examinations [See Professional Examinations]

Certified Public Accountants [See Accountants]

Cervical Plexus [See Spinal Nerves]

Cervical Sprain Syndrome [See Whiplash]
Cervix—Serials
cervical cancer prevention program; program development; rural environment, 5174
cervical cancer; depressive symptoms; long term survivors; diagnosis; treatment, 17233
cervical cancer; international health; delayed prioritization; health care priority, 17231
cervical health practices; preliminary health examination; university aged females; cervical health knowledge; cervical cancer screening, 2761
health beliefs; cervix cancer; patients; chronic disease; illness beliefs; health seeking behavior, 23367
Chance (Fortune) [See Also Statistical Probability]—Serials
cognitive planning; good luck; social science undergraduate students, 9577
deservingness; Schadenfreude; student achievements; misfortune; pleasure, 6626
luck; good fortune; talent; predisposition, 10504
talent development; chance; gifted education, 24266
Chance (Fortune) [See Also Statistical Probability]—Books
Fooled by randomness: The hidden role of chance in life and in the markets (2nd ed.), 3117
Change (Organizational) [See Organizational Change]
Change (Social) [See Social Change]
Channel Blockers—Serials
4 aminopyridine; classical conditioning; potassium channels; rabbits; nictitating membrane response; learning; memory, 34232
calcium channel blockers; bipolar disorders; mood disorders; intracellular calcium; treatment, 8404
cocaine; isradipine; drug abuse; calcium channel antagonists; treatment; abuse liability; cocaine antagonists; drug interaction; cocaine potentiation, 6856
discriminative stimulus effects; methamphetamine; morphine; rats; animal models; neuroadaptations; channel blockers, 34235
microinjection; calcium channel antagonist; diltiazem; ventral nucleus accumbens shell; cocaine; brain; NMDA receptor antagonists, 28138
nifedipine; morphine; analgesia; rats; HPA axis, 6846
potassium channel inhibitors; forced swimming test; L arginine nitric oxide soluble guanylate cyclase pathway; mice, 9877
striatal lipid peroxidation levels; nimodipine; neuroprotective effects; pilocarpine-induced seizures; rats; behavior change, 6850
tardive blepharospasm; calcium-channel blocker cinnarizine; drug therapy; side effects, 35600
Chaos Theory—Serials
career counseling; chaos theory; assessment and counseling issues; convergent and emergent qualities; techniques; career counselors, 18194
chaos theory; behavior; interpersonal interaction; population, 18621
continuous time core periphery model; transport costs; chaotic behavior; New Economic Geography; dynamical systems, 34471
expectant parents; prenatal care; traditional cultures; Chaos Theory, 35745
working environment; understanding coaching; complex interpersonal system; social psychology; current conceptualization, 27437
Chaplains—Serials
logotherapy; United States Army; military chaplains; Victor Frankl, 6052
pastoral counseling; University chaplain; Christian university; university students; Christian theology; religious beliefs; logotherapy; freedom; responsibility, 5096
Character [See Personality]
Character Development [See Personality Development]
Character Disorders [See Personality Disorders]
Character Formation [See Personality Development]
Charisma—Serials
CEO charisma; organizational performance; environmental uncertainty; top management team perceptions, 21383
charismatic leadership; charisma, 4109
charismatic leadership; deviance; ethics; work groups, 30515
charismatic transformational leadership; leadership behaviors; organizational commitment; follower beliefs, 18241
leader charisma; self categorization perspective; social identity; ingroup leaders, 31769
positive emotions; charismatic leadership process; mood contagion; effective leadership, 30477
Charisma—Books
The charismatic leader: The presentation of self and the creation of educational settings, 36212
Charismatic Leadership [See Transformational Leadership]
Charitable Behavior—Serials
charity donation; paltry contribution techniques; dialogue involvement effectiveness; technique effectiveness; donators attitude, 10450
charity retailers; competition; merchandise; consumer disposal behavior, 6072
charity; decision making; household economy; financial behavior; household financial management, 4113
childhood studies; gift giving; altruism; social relationships, 25354
corporate charitable donations; public visibility; profit before tax; public recognition; company name, 18283
corporate philanthropy; shareholder wealth; risk management; moral capital; managerial implications, 36402
corporate philanthropy; shareholder wealth; risk management; moral capital; managerial implications, 36397
mental health consequences; global response; Asian tsunami; mental health problems; vulnerable groups; culturally sensitive and coordinated interventions, 28793
motivation factors; value structure; charitable giving, 31796
perceptual determinants; nonprofit giving behavior; donations; marketing model; perceptions; organization, 22783
selfish altruism; domestic charities; recognition; counselors recommendations; unselfish act; soldiers stationed overseas, 25621
tsunami relief; global well-being; spending; peace, 35741
Cheating—Serials
academic misconduct; academic dishonesty; academic punishment; faculty member perceptions; plagiarism, 8877
answer copying; kappa statistic; multiple choice tests, 30673
cheating; personality; subclinical psychopathy; scholastic competence; scholastic dishonesty; cognitive ability; predictors, 11845
fraudulent excuses; cheating; plagiarism; grade point average; college students, 12039
impulsiveness; personal efficacy; academic motivation; college cheating; student behavior, 21206
Internet plagiarism; international students; academic writing; English as second language; teachers, 3745
medicine faculty students; student attitudes; cheating behavior; Kohlbergs moral development concept; intellectual development, 17898
mobile phones; cellular phones; cheating; distraction; educational institution policies: teacher attitudes; student attitudes; college teachers; college students, 27238
paraphrasing practice; college students; plagiarism, 27236
plagiarism detection; higher education; student behavior; Internet Technology; policy enforcement strategies, 36175
Chemicals—Serials
behavioral studies; marine; freshwater toxins; manufactured drugs; environmental chemicals; organ systems; nervous system, 10950
chemical alarm signalling; polychaete Nereis virens; chemical cues; annelids, 9754
drug choice; confusion; embalming fluid use; inner city; drug users; phencyclidine; public health, 7874
intravenous olfaction test; prosultiamine; odor discrimination; smell intensity, 12659
non accidental poisoning; ammonia intoxication; adolescent male, 4597
performance anxiety; ultra weak chemiluminescence; saliva; undergraduate students, 7471
psychiatric morbidity; idiopathic environmental intolerances; psychotic disorders; environmental illness; multiple chemical sensitivities; somatization; anxiety disorders; affective disorders, 34791
sexual health intervention; chemical addiction; Hispanic gays; adolescent males; risk factors; heterosexual adolescents, 29400
Chemistry [See Also Biochemistry]—Serials
chemistry students; learning experiences; educational choices; student attitudes, 12023
students; performance; chemistry; technical terms; Nigeria; understanding, 27229
understanding level; eighth grade students; science student teachers; chemistry concepts; science education, 2690
Chemoreceptors—Serials
antidepressant like behavior; sleep pattern; receptor inhibition; receptor inactivation; circadian rhythm; REM sleep; mood regulation; knockout mice; antidepressant drug; citalopram, 9870
arterial pressure; heart rate increase; REM sleep; adenosine receptor; knockout mice, 3662
chemosensory receptors; olfactory epithelium; mammalian olfactory system; odors; social cues; mice; trace amine-associated receptors, 31249
olfactory system; wiring specificity; neural circuits; olfactory receptor neurons; molecular genetics; synapse level; Drosophila; flies; mice, 15879
olfactory systems; trigeminal systems; nasal chemoreception; odors; irritation; nasal pungency; olfactory trigeminal interactions, 34162
ryanodine receptors; muscarinic antinociception; mice; thermal pain; intracellular calcium contents; drug dose, 3561
serotonin 1A receptor; 5-HT1A polymorphism; prefrontal cortex activation; amygdala activation; panic disorder, 28069
Chemotherapy [See Drug Therapy]
Chess—Serials
age; chess; mitigation; threat; check; pattern recognition; anticipation; expertise; skill; knowledge activation; novice & intermediate & expert chess players; age differences, 22465
dynamic aspects; perceptual processes; expert chess players; anticipation processes; chess positions, 15652
stimulus familiarity; chess players; memory; brain activity; frontal areas; cerebellum; cognitive processes, 6744
Chess—Chapters
The Success of TIT FOR TAT in Computer Tournaments, 12374
Chest [See Thorax]
Chewing Tobacco [See Smokeless Tobacco]
Chi Square Test—Serials
Amos; theoretical model; multiple regression; chi square test, 12604
estimation method; Neyman chi-square divergence; hypotheses test; statistical tests; statistical analysis; parametric testing, 21739
hedonic responses; descriptive skin sensory data; chi-square minimization, 21730
meta analytic structural equation modeling; estimation; chi square test; covariance matrices, 24658
Chicanos [See Mexican Americans]
Child Abduction [See Kidnapping]
Child Abuse [See Also Battered Child Syndrome]—Serials
abuse-focused psychotherapy techniques; outcome; survivors; childhood sexual abuse, 1491
abusive family experiences; object relations disturbances; stress; attachment style, 25822
abusive fathers; risk assessment; recidivism; physical abuse, 28965
abusive parents; parental report; child behavior problems, 32270
actuarial approaches; risk assessment; evidence based approaches; clinical experience; child protection; child abuse, 4440
adjustment; anger; shame; child maltreatment, 4407
adult female victims; child sexual abuse; risk factors; protective factors; health outcomes, 23109
adult religiosity; abusive fathers; childhood maltreatment; risk factors; emotional abuse; god concepts; spirituality, 7170
adult social attachment disturbance; childhood maltreatment; borderline personality disorder; self report, 28947
adult survivors; child abuse; John Gottman's sound marital house theory; negative sentiment override; isolation cascade; family therapy, 29019
adverse childhood experiences; hallucinations, 1408
AMBER alert system; missing children; psychological research; memory; witness identification, 36648
Ambroise Tardieu; battered child syndrome; child abuse, 4459
American Professional Society on the Abuse of Children; APSAC; Task Force report; recommendations; reactive attachment disorder; attachment problems; attachment therapy; maltreatment, 13876
anatomical dolls; sexual abuse; child abuse; forensic interviews; memory; developmental differences, 7901
anatomical dolls; sexually abused children; research findings; advantages; disadvantages; abuse assessment, 10767
antisocial personality disorder; substance dependence; anxiety; depression; childhood abuse, 31988
attachment representations; unresolved attachment; women with childhood abuse histories; posttraumatic

stress disorder; dissociation; unresolved trauma; survivors; psychiatric symptoms, 19742
autobiographical memory specificity; adults; repressed memories; recovered memories; continuous memories; childhood sexual abuse, 23121
awareness; domestic violence; child abuse; child welfare; social workers; cooperation; parents denial, 35851
awareness; practice; domestic violence; child welfare; child witnesses, 35008
Bion; affect theory; abuse; state funded childcare institutions; individual & group dynamics; dehumanization; boundary violations; claustrum, 19995
British childrearing; child treatment; child abuse; hitting; needs; feelings; attitudes, 34972
Canadian Occupational Performance Measure; adults; childhood abuse; posttraumatic stress program; self ratings; test validity; goals; satisfaction, 18553
child abuse deaths; systems approach investigation, 23084
child abuse deaths; systems approach investigation, 23125
child abuse deaths; systems approach investigation, 4449
child abuse evaluation programs; fiscal management; reimbursement, 20960
child abuse potential; mothers; drug users; substance abuse; treatment rejection, 23105
child abuse prevention; educational reform; child welfare; professional personnel; training program; US; higher education system, 16915
child abuse victimization; dissociative identity disorder; temporal lobe functioning, 22938
child abuse; child care social work; child protection research, 33093
child abuse; child neglect; research, 28996
child abuse; child neglect; sexual abuse; racial and ethnic groups; anorexia nervosa; family violence; behavior problems; childhood depression; foster care, 16835
child abuse; child neglect; society, 4438
child abuse; child protection professionals; child protection system; community services; interviewing practices, 16850
child abuse; child protection; state intervention; social workers views; decision making; emotional abuse; sexual violence, 23100
child abuse; community parenting center; child maltreatment; public health reports; infant mortality; society, 5309
child abuse; disability; Ontario community sample; social capital; health problems, 29022
child abuse; interview protocol; test validity; test reliability; psychometrics; interviewing, 20350
child abuse; Japan; masochism; self-loathing; family; childrearing, 25999
child abuse; neglect; bullying; interpartner violence, 23078
child abuse; neglect; federal policy; parenting programs, 7775
child abuse; neglectful childrearing; government programs; violence, 34967
child abuse; new perspectives; practical techniques; prevention strategies, 16916
child abuse; parent training programs; parents' risk; parents' attitudes; emotional adjustment; child-rearing skills; prevention, 20545
child abuse; parental treatment; gender role; creative potential; childhood development, 7801
child abuse; religious institutions; men's mental health; physical abuse; sexual abuse; criminal behavior; psychiatric disorders; emotional abuse, 22908
child abuse; sexual abuse; family counseling; gender differences, 34984
child centered approach; conflict; domestic violence; families; divorce; child abuse; litigation, 25483
child maltreatment referrals; Pacific Islander families; child welfare system; child welfare policies, 17736
child maltreatment; administrative databases; victims; violence; caregivers; alcohol use; substance use, 32320
child maltreatment; adults depression; prevention; clinicl population; general population; developmental pathways; treatment needs; childhood; adolescence, 23553
child maltreatment; child abuse; ethnicity; childhood development; content analysis, 13916
child maltreatment; corporal punishment, 4403
child maltreatment; intimate partner violence; substance abuse; dissociation; urban women; victimization, 11174
child maltreatment; responsive caregiving absence; developing hypothalamic pituitary adrenal axis; pharmacology; basal cortisol levels; ACTH response, 35019
child maltreatment; secondary traumatic stress; school personnel; at risk populations, 13844
child maltreatment; shame, 4410
child maltreatment; shame; guilt; adolescent attitude; depression; juvenile delinquency, 4464
child maltreatment; sibling groups; risk; scapegoated children, 7772
child maltreatment; social problem; prevention programs; parent education; child empowerment; child neglect; policy making, 16892
child maltreatment; social support; developmental outcomes, 32293
child maltreatment; substantiation correlates; parent characteristics; child characteristics; social characteristics; home characteristics, 10795
child neglect; adolescent mothers; childhood development; child abuse; mother child interactions, 32273
child neglect; child sexual abuse; child physical abuse; trends, 19967
child physical abuse; self perceived soc[illegible] lescents; school; friends; detached, l[illegible]
child protection service approaches; partners for protection group; interagency approach; sexual abuse; group processes; procedures; service attitudes; non-abusing carers; therapy; mothers, 5319
child protection; children's rights; public health; violence prevention; risk factors; child abuse; child neglect, 34591
child protection; developing structures; interagency approaches; interagency work; professional group training; children's services, 5348
child protective proceedings; cultural competence; child maltreatment; bias, 30127
child protective services; child maltreatment; reporters; low income families; at risk families, 14699
Child Protective Services; social intervention; cultural dilemmas; Korea; child abuse, 11592
child sex offenders; cognitions; motivations; child sexual abuse; cognitive distortion, 20049
child sexual abuse investigations; emotional language; police officers; child victims; interviewers; gender, 24517
child sexual abuse survivors; reflective learning; adult survivors; social work education; psychotherapeutic processes, 36070
child sexual abuse, 10855
child sexual abuse; distribution; trends; victim characteristics; perpetrator characteristics, 4463
child sexual abuse; eating disorders; female college students; alexithymia; structural equation modeling; disordered eating; psychological distress; mediation model; trauma-related theory, 1288
child sexual abuse; effects; consequences; public health, 10857
child sexual abuse; effects; memory, 10859
child sexual abuse; effects; mental disorders; psychotic disorders; schizophrenia, 10869
child sexual abuse; family trauma; gender; racial differences; social class; parental coping processes, 28551
child sexual abuse; jury; bench trials; criminal trials, 33730
child sexual abuse; justice concept; criminal justice; traditional legal perception; child protection systems, 17016
child sexual abuse; memory; social remembering; past agency transformation; adult survivor identities, 19987
child sexual abuse; policy recommendations; costs; public health problems, 10856
child sexual abuse; self concept; female college students; competence; physical self-concept; familial self-concept; affect, 29002
child sexual abuse; service provision; gender roles; politics; adults; survivors, 34983
child sexual abuse; sexual behavior problems; diagnosis; sexually abused children, 4458
child sexual abuse; sexual self-schema; sexual behavior; sexual function; female survivors; psychological function; sexuality, 19982
child sexual abuse; Stockholm Syndrome; adult survivors; emotional bond; perpetrator-victim relationship, 10567
child sexual assault cases; criminal profling; child sexual offenders, 23082
child sexual offending; male sex offenders; psychopathy checklist-revised measurement; offender characteristics; violence; child sexual abuse, 10870
childhood abuse, adult pain, child abuse reporting, 29024
childhood abuse; adult pain; child abuse reporting, 29008
childhood abuse; adult violence; homeless people; neuropsychiatric disorders; concomitant substance misuse; perpetrator, 19996
childhood abuse; child neglect; substance dependents; axis I disorders; personality disorders; depression severity; anxiety symptoms, 16617
childhood adversities; defense styles; psychosomatic psychotherapeutic inpatient treatment; sexual abuse; physical maltreatment, 4960
childhood emotional abuse; adulthood psychopathology; defense mechanisms; self esteem; parental attitudes, 32250
childhood physical abuse; paranormal belief systems; spiritualism; precognition; superstition; religious beliefs; witchcraft, 29006
childhood recollections; internal state language; adolescents abuse history; spousal violence; emotion terms; cognitions; perceptions; coping behavior, 10772
childhood sexual abuse history; psychiatric comorbidity; abused females; adult mental disorders prevalence; family environment, 10569
childhood sexual abuse; black women; white women; two-parent families, 32229
childhood sexual abuse; childhood physical abuse; psychometrics; Childhood Trauma Questionnaire; Computer Assisted Maltreatment Inventory, 30718
childhood sexual abuse; emotional coherence; shame; humiliation, 4451
childhood sexual abuse; family violence; community violence; adolescents; gender; HIV risks; human immunodeficiency virus; sexual risk behavior, 1510
childhood sexual abuse; HIV positive women; coping strategies; HIV diagnosis, 4697
childhood sexual abuse; implicit processing; intimacy related stimuli; psychiatric patients, 16840
childhood sexual abuse; multiple forms of engagement; therapeutic action; corrective experience; interpretation of enactments; autonomy; creative responsiveness; constructivist view of self, 32859
childhood sexual abuse; neuropsychological function; cognitive function, 16884
childhood sexual abuse; psychiatric patients; neuroticism; major depression; self consciousness, 28738
childhood sexual abuse; risk factor; sex work involvement; female prostitutes, 1055
childhood sexual abuse; sexual risk taking; relationship satisfaction; sexually transmitted diseases; sexual partners; women; relationship quality; aggression, 7821
childhood sexual victimization; dating violence; sexual assault; adulthood, 26043
childhood trauma; developmental neurophysiology; child abuse; risk factors; violence perpetration, 19963
childhood trauma; dissociation; borderline personality disorder; patients; physical abuse; sexual abuse; emotional abuse; emotional neglect; physical neglect, 25997
childhood traumatic experiences; childhood sexual abuse; sex therapy, 17502
childhood; adult violence; women; misuse substances; violent victimization; physical abuse; self-esteem; depression; anxiety, 32257
children labeled as sexually abused; perceiver bias; behavioral problems; aggressive behavior; family history; child gender, 4460
children's homes; child abuse; treatment methods; individual abuse, 14723
chronic mental illness; childhood sexual abuse; group therapy; survivors; self esteem, 28799
Cinderella effect; childhood fatalities; child abuse; infanticide; fatal injury, 19151
cognitive processing therapy; child sexual abuse; treatment, 29583
Columbus Pilot Project; family court; early intervention; domestic violence; child abuse; models, 21543
community violence; child maltreatment; intimate partner violence; conduct problems; children; adolescents; violence exposure, 1492
competent informants; conversational apprentices; children performance; life experiences; information exchange; interviewing, 13139
core group; child protection; interagency coordination; interprofessional relationships; social workers; recruitment; child abuse, 14690
corporal punishment defence; law; human rights; child abuse; physical abuse, 9278
corporal punishment; law reform; child abuse; parental violence; physical abuse; schools, 7764
cultural role; child sexual offending; sexually abusive behavior; feminist theories, 20061
dating violence behaviors; adolescent female victims; child sexual abuse; epidemiology; predictors; risk factors; reciprocal violence, 28969
demographic characteristics; early maltreatment; peer relations; family relations; antisocial behavior; young adulthood; adoption status, 13329

major depression; childhood; adolescence; depression onset; psychiatric outcome, 25859
major depression; panic disorder; psychiatric disorders; childhood; adolescence; psychopathology, 31976
major depressive disorder; insomnia; risk factors; psychiatric comorbidity; developmental differences; sex differences; age differences; sleep macroarchitecture, 34789
male special education teachers; sexual harassment; special educators; childhood development; recruiting & retaining teachers, 9037
many-to-one counting; child development; knowledge; counting performance, 25245
marginal deviations; aggression; development; behavioral problems; risk factors, 25314
marginalized mothers; parenting skills; homeless mothers; professional staff; resilience; shelter programs; poverty; childhood development, 7159
marital conflict; children health; disruption; family relations, 31368
marital conflict; socioeconomic status; sleep quality; child sleepiness, 13186
marital conflict; vagal regulation; child adjustment, 16335
maternal accuracy; toddlers behaviors; toddlers fearful temperament; maternal cognitive characteristics; maternal personality, 22537
maternal anger; teenaged mothers; partner conflict; partner transitions; child oppositional behavior; child anger, 28991
maternal chronological age; prenatal history; perinatal history; social support; parenting practices; infants, 28465
maternal employment patterns; child development; part time work; full time work; children's cognitive outcomes; matching; imputation, 3823
maternal interactive style; overprotectiveness; personality development; acquired blindness; attachment, 17360
maternal psychological distress; pregnancy; child development; cognitive development, 22684

maternal reminiscing style; children's autobiographical memory; cognitive processes, 25288
maternal victimization; maternal functioning; child behavior; child development; depressive symptoms; social support, 828
maternal work schedules; child outcomes; school engagement; extracurricular activities; American families, 31365
maternal working conditions; child emotional well being; welfare leaving families; welfare reform; low income single mothers; employment; children; behavior problems; positive behavior, 5314
medial temporal lobe response; connectivity; memory encoding, 7008
mental health promotion; coping skills; children; Denmark; social skills, 17626
mental health; self-report; clinician ratings; childhood anxiety; anxiety disorders; pathophysiology of anxiety; yohimbine; neuroendocrine reactions, 19897
migratory separation; reunification; child shifting; childhood loss; inner city communities, 1011
military children; schools; model; motivation; mental health; emotional health; academic work; consultee centered approach, 11987
mirror neuron dysfunction; childhood development; autism spectrum disorders; emotional expressions, 23204
mnemonic techniques; children prose learning; delayed memory, 8854
mother child conversations; communication play; displaced speech development; childhood development, 13114
mother child conversations; internal state language; traumatic event; tornado; nontraumatic event; cross lagged correlations; childhood development, 10029
mother child interaction; interpersonal dimensions; emotion regulation; child distress communication, 853
mother child reminiscing; everyday experiences; psychological interventions; preschool years; childhood development, 31664
mothers emotional responses; cognitive responses; infant distress; family; mother; infant characteristics, 31373
motor response inhibition; Tourette's disorder; involuntary movement; childhood development, 35317
Movement Assessment Battery for Children; test validity; test reliability; cross cultural differences, 21630
multiple object tracking; tracking abilities; concentration; Catch the Spies Task; task development, 46
multitasking performance; Chinese children; attention deficit hyperactivity disorder; executive functioning, 32413
music education; childhood development, 3854
music education; childhood development, 5782
musical training; pitch changes in language; brain electrical activity; linguistic phrases, 28291
Muslim children: Hindu children; self concept; intergroup perception, 7035
National Curriculum reading tests; reading literacy attainment; English curriculum; word reading; text comprehension; literacy pedagogy; young pupils, 21143
National Institute for Clinical Excellence guidelines; depression; cognitive behavior therapy; childhood development; adolescents development, 21067
Native American community; empowerment; children's development; schools; demographic factors; community beliefs; community opinions; Native Americans; community values, 28433
negative effect; children accuracy; cross examination style questioning, 12444
neural mechanisms; novel auditory events; event related potential; brain activity; childhood development, 3802
neurocognitive dysfunction; childhood development; sleep disorders; episodic hypoxia; animal models, 26292
neurodevelopmental follow up; preterm birth; neonatal intensive care, 34361
neurofeedback training; educational intervention; brain arousal states; attentional difficulties; behavioural difficulties; special needs; mainstream schools; personal belief system, 12044
neuropsychological aspects; learning disabilities evaluation; children; response to intervention, 10908
non-shared environmental influence; discordant monozygotic twins; anxiety; middle childhood, 34316
noncontingent reinforcement; functional communication training; problem behavior; mands; developmental delays; treatment efficacy, 25807
novel event recall; pre event discussion; preparation; childhood development, 791
numerical competence; children; prenatal testosterone; sex difference; negative correlations; performance, 25258
numerosity judgment; age differences; children strategy use, 790
nurse researcher; nursing; child's health; child development; pregnancy; environmental exposures; future generations; data warehouse, 29353
observer viewpoint; remember know memories; personal childhood events; field perspective; sensory detail; contextual detail, 3414
odor memory; sensory cues; olfactory evoked memories; autobiographical memories, 31077
others' testimony; cognitive processes; interpersonal communication; childhood development; cultural information; cognitive appraisal, 22401
others' testimony; concept formation; science; religion; childhood development; God concepts; death attitudes, 22404
others' testimony; concept formation; science; religion; childhood development; God concepts; death attitudes, 22418
oxcarbazepine; treatment; child psychiatric disorders, 11410
parent and child therapy; attachment; children; emotional problem; behavioral problem; distress; parent child relationship; family therapy; narrative techniques; mental health, 26617
parent child play; children development; parents, 19125
parent delivered direct instruction; reading curriculum; early literacy skills; first grade children; reading skills; phonemic awareness; childhood development, 8835
parent objective; childhood development; eating behavior; body composition; nutritional status, 34318
parental emotional support; child development; externalizing problems; internalizing problems, 1007
parental mediation; childrens' television viewing; low income; families; Caucasian parents, 7278
parental perceptions; children's psychological wellness; schools; neighborhoods; environmental disparities, 19134
parenting practices; children; cognitive development; Latino subgroups; academic achievement, 13359
parenting styles; emotion-coaching parents; processing emotions; differentiation of self; parenting methods; negative emotions; children; later development; family of origin, 7270
parenting; boys; externalizing behavior problems; child behavior, 16166
parents literacy beliefs; parents literacy behaviors; childhood development, 16367
passive smoking; primary school children; exposure to smoking; views on smoking, 10163
pediatric morbid obesity; adolescents; children; sleep apnea; intracranial pressure; intensive therapy; family intervention; inpatient, 23270
perceptual availability; discourse; young children; referring expression; social cognitive developments; linguistics, 28290
personality continuity and assessment; five-factor model; childhood; adolescence; behavior genetics; environmental factors, 31447
perspective taking; maltreatment; development; school aged children & adolescents; egocentrism; neglect; child abuse; self worth; social skills, 16844
phonological development; lexically precocious children; vocabulary size; language development, 28303
phonological recoding; orthographic learning; self-teaching hypothesis; pseudowords, 13138
physical activity; intervention programs; parental correlation; childhood development; adolescent development, 34353
physical aggression; mothers; preschoolers; relational aggression, 25381
physical environment; child development; behavioral toxicology; psychophysiological outcomes; noise; crowding; housing; neighborhood quality; child day care; schools, 9991
picture rehearsal; child attitude; autism spectrum disorder; public school children; childhood development; covert reinforcement, 6221
play package; test validity; disabled children; daily multiple measurement instrument; sensorimotor development; cognitive development; communication development; socio-emotional development, 109
play subtypes; categorization criteria; activity play; pretend play; childhood development; communication, 28362
play; social interplay; environment; childhood; parent child interaction; social environment, 13234
poor achievement; early grade school; kindergarten scores; cognitive tasks; academic areas; childhood development, 18063
positive emotionality; cognitive style; children; temperament; prediction, 19180
postinstitutionalized adopted children; intercountry adoption; child development; developmental delay, 3827
posttraumatic stress symptoms; pediatric injury; family factors; children; recovery; hospital emergency department, 29350
pragmatic knowledge; syntactic knowledge; novel adjectives; childhood development, 13129
predicting childhood injury; home safety behaviors; sociodemographic characteristics; family characteristics, 11208
prenatal alcohol exposure; postnatal environment; maternal drinking patterns; family interaction; child characteristics; child depression, 16986
prenatal cocaine exposure; preschool development; pregnant cocaine users; child development, 16930
prenatal drug exposure; selective attention; preschoolers; impulsivity; cocaine; alcohol; marijuana; smoking, 1538
prenatal nicotine exposure; smoking behavior; maternal smoking; birth cohort; outcome measures; socioeconomic status; public health; drug effects, 7366
preschool language development; children; adolescent mothers; maternal verbal ability; risk factors, 16126
preschool screening battery; test validity; Brigance Screens; Developmental Indicators for the Assessment of Learning; Early Screening Inventory; FirstSTEP Screening Test for Evaluating Preschoolers, 40
preschoolers; welfare reform; children's temperament; mother; effortful control; negative emotionality; work transitions; developmental trajectories, 31464
preschools; neonatal period; childhood development; premature development; peers; medical technology; at risk populations, 30200
presession attention; stereotypy; antecedent attention; functional analysis; positive reinforcer; disabilities; childhood development, 35009
pretend play; adaptive functioning; child development; creativity; coping; emotion regulation; interventions; anxiety; distress; externalizing behavior; outcomes, 29469
preverbal social development; social dysfunctions; autism; face perception; face expressions; neural mechanisms, 26184
progressive distancing; play schemes; communication forms; child experiences; deaf blind children; language development; representation level; modeling; cues, 4850
projective techniques; evaluation; children; drug addicts; drug rehabilitation, 26971
prosocial behavior; development; genetics; parenting; Twins Early Development Study; parental discipline; affection; environmental links, 10117
prosocial behavior; development; genetics; TEDS; environmental influences; stability; change, 31459
prosodic sensitivity; children; reading development; reading ability; phonological awareness, 28310
prototypicality; visual stimuli; drawings; childhood development; shapes; semantic categories, 25276
psychosocial development; school success; emotional learning; social learning; quality of life, 16180
public expenditures; child well being; better child outcomes; childhood development; elementary school, 6954
pyramidal staff training; teaching play; autism; developmental disabilities; early intervention program, 27563
qualitative research; interviewing; insight; health experiences; child health research, 758
quality of life; school aged children; type 1 diabetes; parent child relationship, 29498
randomized social policy experiments; research; child development, 15569
reactive attachment disorder; school readiness; school functioning; childhood development, 19737
reading development; moving target; screening children; secondary interventions; responsiveness; attention, 12099
regressive autism; early development; home movies; early onset autism; typical development, 14019
relational aggression; relationship manipulation; intervention programs; schools response; social behavior, 18105
relevance theoretic perspective; theory of mind; normal child development; Autism Spectrum Disorder; mind reading abilities; communicative abilities, 20070

relevance theoretic perspective; theory of mind; normal child development; Autism Spectrum Disorder; mind reading abilities; communicative abilities, 20090
relevance theoretic perspective; theory of mind; normal child development; Autism Spectrum Disorder; mind reading abilities; communicative abilities, 20071
research ethics; children; learning impairments; research participation; informed consent; assent; competence, 27106
residential treatment centers; Reeducation of Emotionally Disturbed children; treatment outcomes, 29957
resilience promotion; advocacy; causal factor; self conception; psychological benefits; mental health interventions; childhood development, 10110
revision practices; writing; young fluent writers; students, 19173
risk factors; male adolescents; emerging adults; Haiti; alcohol use; smoking; multiple sexual partnerships; childhood; monitoring, 16169
school nursing; exceptional students; sexuality education; special education teachers; weight loss; overweight children; intervention, 33486
school performance; childhood; adolescence; depressive symptoms; adulthood, 32112
school phobia; positive behaviour supports; treatment; needs, 28912
school-based intervention; children; attention deficit hyperactivity disorder; academics; social functioning; behavioral functioning, 26188
scientific reasoning; young children; research; cognitive development, 7027
scripture based prayer; emotional adjustment; family stress factors; childhood development, 768
search strategies; children; verbal behavior; motor behavior; developmental trends; task performance, 25302
selective information processing; depressed children; self referent information; adolescents; memory processing; childhood development, 10660
selective mutism; childhood development; social isolation; social anxiety; behavioral treatment, 35566
selective mutism; childhood; anxiety disorders; psychiatric disorders, 26258
self concept; cerebral palsy; children; disabilities, 23478
self control; autism; task magnitude; developmental disabilities; childhood development; behavioral sensitivity; delay of tasks; choices, 29104
self esteem scale; self concept scale; children; adolescents, 9360
self explanation effect; addition problems; encoding; kindergartners; children, 10035
self explanation; encoding; kindergartners; experts strategy; learning, 11978
self reference; event transitivity; childhood development; self-conception, 25291
sensory-motor development; infants; children; motor coordination difficulties; developmental disorders, 16080
sentence interpretation strategies; bilingual children; syntactic strategies; Spanish-English bilinguals; bilingual adults, 19191
sex differences; aggression; children; adolescents; evolutionary theories, 19223
sex differences; face recognition ability; girls; ethnicity; Swedish children; own-sex bias; own-ethnicity bias; Bangladeshi children, 22489
sex differences; intelligence; childhood; phenotypic variance, 25242
sexual behavioral problems; childhood development; risk factors; family dysfunction; etiology, 4883
short story; family reunion; traumatic incidences; childhood; family therapy sessions; peaceful; healthy; family dynamic; memories; extreme anger; fear, 8342
Sibling Conflict Resolution Scale; test validity; test reliability; psychometrics; childhood development, 1926
sibling relationship quality; child adjustment; parent-child relations, 7079
siblings; reciprocal interaction; complementary interaction; play; teaching; relationship quality; childhood development; individual differences; dyadic behavior; individual behaviors, 7055
siblings; twins; psychopathologies; genes; environment; adolescents, 25763
sleep problems; anxiety sensitivity; cognitive style; school aged children; self report, 10109
sleep; catechol-O-methyltransferase; COMT; polymorphism; attention deficit hyperactivity disorder; children, 32418
social anxiety symptoms; negative facial expressions; avoidance, 31494
social contexts; childhood; sibling interactions; peer interactions; aggressive behaviors, 25372
social disturbances; emotional disturbances; learning problems; intelligence quotient; childhood development, 7383
social interaction; Williams syndrome; conversational inadequacy; childhood development; language impairment, 14149
social issues; problem solving; childhood development; down syndrome; mental retardation; etiology, 30225
social outcomes; schooling; childhood development; affective outcomes, 14903
social participation; childrens attachment behavior; self esteem; group behavior, 22546
social promotion; academic redshirting; reading achievement levels; parental practice; childhood development; retention, 8964
social relationships; peer groups; children's aggression; aggression development, 25319
social skills intervention; emotional intelligence; childhood development, 28536
Society for Research in Child Development; history; governing council; Black Caucus, 16076
socioeconomic determinants; parental educational status; material goods; health; quality of life; childhood; adolescence, 32766
sociometry; children's experiences; peer group; social environment; personal relations; measurement, 13222
Son Rise Program; intervention; autism; evaluation; children, 17072
specific language impairment; kindergartners; normal language achievement; speech signal lengthening; auditory word discrimination; speech discrimination, 10945
speech errors; lifespan; aging; children; young adults; anticipatory proportion, 16137
speech impairment; childhood development; adherence; sonority hypothesis; phonological development; consonant clusters, 26260
stereotypic differences; male-female categories; rigidity; flexibility; gender stereotypes; childhood; developmental; differential; gender knowledge, 7096
stimuli; working memory; memory span; children; memory; recall; number; words; sentence; response, 9984
story recall; narrative coherence; high-functioning children; autism spectrum disorders; cognitive abilities, 26187
street children; quality of life; shelters; Pretoria, 16193
strengths and difficulties questionnaire; help seeking behaviour; parents ratings; teachers ratings; psychometrics; test validity; test reliability, 9356
stress; children; adolescents; brain responses; coping, 25206
Stroop interference effect; young children; cognitive skill development; automaticity, 3832
Structured Photographic Expressive Language Test; test validity; test reliability; psychometrics; language impairment; preschool children, 9404
subjective perceptual distortions; visual dysfunction; children; autism; visual perception, 35092
suggestibility; social support; memory; novel experience, 766
suicide attempts; young people; suicidal ideation; intentional self harming; children; adolescents, 1489
sustained attention; children; task parameters, 28271
Swedish tonal word accents; children; language impairment; normal controls; linguistically naive listeners, 26255
syllables; delayed speech; speech acquisition; word length; childhood development, 26250
symmetrical angular figures; perpendicular bias; young children; line copying; angular information coding, 777
tacting actions; childhood development; autism spectrum disorder; generalization; verbal antecedent; intervention; labeling, 29120
teacher perceptions; profound learning difficulties; multiple learning difficulties; disabled children; professional development; societal perspective; childhood development, 9026
teachers; responsiveness to instruction; instruction strategies; learning disabilities; children; students, 12046
teenagers; middle school; suicide prevention; teenage suicides; interventions; postvention efforts, 10785
television advertising; children's understanding; social learning; parents, 13179
temperament difficulties; aggression; anger; childhood development; emotions; self report; personality development, 22554
tense-aspect marking; cognitive development; childhood development; conceptual development; speech development; temporal displacement; linguistic marking; grammaticization, 13157
theft; childhood; doubt; gaslighting, 33747
thematic evidence; psychosocial thriving; childhood cancer survivors; medical treatment; long term survivors; psychospiritual well being; trauma, 8083
theory of mind; false belief; understanding; microgenetics; childhood development; cognitive processes, 25241
thinking; analytical thinking; creative thinking; practical thinking; academic achievement; teacher perceptions, 802
thought processes; self-as-a-model intervention; learning to swim; children, 22248
transitivity; structural cue; telicity comprehension; language acquisition; childhood development; semantics, 16138
traumatic experiences; genocide; psychological phenomena; children, 31371
Treatment Beliefs Questionnaire; measurement; beliefs; children; family; child mood disorders; treatment needs; treatment participation; treatment adherence; agreement; concordance, 15449
treatment integrity; child compliance; three step prompting procedure; preschool children, 34339
understanding; numerical magnitudes; math ability; estimation skills; knowledge; children ability, 28226
unintegration; disintegration; early integration; postnatal psychic life; primitive anxiety; personality, 32750
United Nations Convention on the Rights of the Child; governments; private organizations; public organizations, 30633
utterance lenhth; morphemes; language development; syntactic skills; English-speaking children; linguistics, 3831
vagal tone; problem drinking; respiratory sinus arrhythmia; child maladjustment; mothers; fathers; vulnerability, 4481
valence ratings; emotional words; non-emotional words; childhood development; cognition, 31500
vegetarian eating; nutrition; adolescent development; child development, 23810
verbal irony; humor; teasing; childrens perceptions, 7014
virtual environments; blind children; information technologies; innovative techniques; visual disabilities, 23526
virtual reality training; roadside crossing judgments; child pedestrians; injury; computer-simulated training; education, 800
visual immediate memory; specific language impairment; perceptual organization; nonverbal tasks; visuospatial deficits; childhood development, 32496
visual perception; therapeutic art education; art therapy; children; developmental delays; elementary school, 28221
vivid memories; childhood memories; recent recalls; childhood development; childhood sexual abuse, 13915
vocabulary development; verbal short-term memory; item information; serial order information, 13148
weak syllable processing; deaf children; cochlear implants; multiword utterances; prosodic foot structure; language problems; linguistic process development; peers, 26468
Williams syndrome; multiple object tracking; spatial tasks; childhood development; developmental immaturity, 10986
Wittgensteinian recovery; developmental psychology; child development; pretend play; imagination; make believe; fictive mental states; language, 34324
working memory; children; English language; Spanish language; vocabulary; knowledge, 6957
working memory; impaired discourse gist; traumatic brain injury; children, 20245
young children's conception; biological world; knowledge; performance; school; teaching, 34357
young children; causal strength; probabilities; interventions; causal mechanism, 787
young children; fantasy; ontology; cognitive development; fiction, 28302
young children; introduction; mental health professionals; families, 8245
young children; laughter, 28264
young children; socially relevant information; cognitive processes; video use; childhood developemnt, 22506
young children; task switching; mental flexibility; age differences, 13128
young families; child well being; mothers; family stress; maternal well being; supporting parents, 13336
young mothers; childhood development; adolescent development, 25221

young peoples; behavioural difficulties; therauptic influences; nontherauptic influences; emotional difficulties; social constructs, 10759
young players; soccer tournament; narratives; emotional differences; event experiences; winning team, 10028
youth mental health; mental disorders; evidence based prevention; treatment; family intervention; frameworks; mental health policy reform, 32774
youth mental health; mental disorders; evidence based prevention; treatment; family intervention; frameworks; mental health policy reform, 32732
youth-headed households; psychosocial support; community-based care initiatives; close peer relationships; well being; 13-24 yr olds, 20831

corporate state parenting; children parenting issues; parenting responsibilities; kinship care; foster family care; troubled youth, 35854
criminal law; child protection; victimization; family violence; corporal punishment, 7271
cross-cultural equivalence; child rearing; parenting; adolescence; immigrants; EMBU-C; factor structure; reliabilities; validity, 18524
custodial grandparent caregivers; parenting practices; social support; raising grandchildren, 4014
dysfunctional rearing; adolescent females; eating disorder; psychiatric comorbidity; emotional warmth; mediating variable; overprotection; rejection; community cases; hospitalized patients, 17116
East Indian immigrant parents; family therapy; child rearing; cross cultural differences; therapeutic issues; US, 2009
emotional warmth; child rearing styles; parental attitudes; adolescent attitudes; parent child relationship, 19376
evidence-based; prevention: family support strategies; Triple P–Positive Parenting Program; behavioral family intervention; systems-contextual perspective; child maltreatment; behavioral problems, 13382
fathers' involvement; young fathers; fatherhood program; emotionality; accessibility, 28478
foster care; intervention; discipline practices; co-parenting; externalizing problems; parenting intervention, 17732
gifted children; African American children; parents experiences; child rearing; academic experiences; social experiences, 7256
grandmothers; self esteem; childrearing; American; Taiwanese; folk stories, 7244
grandparents; grandchildren; stress; psychosocial difficulty; academic problems; emotional problems; behavioral problems; family; school; childrearing, 31644
harmonious parenting; three factor discipline model; Diana Baumrind's parenting typology; parenting style; authoritative parenting, 22688
imposter phenomenon; self handicapping; parenting style; self confidence; rearing styles, 13589
infant mortality; medicine; colonial discourse; modernity; feminist scholars; child rearing; public health practices; US Occupied Philippines; public welfare, 1903
infant-mother attachment; risk; protection; maternal sensitivity; parenting quality; social competence; behavior problems; early attachment security; preschoolers; continuity from infancy to preschool, 10323
international study; cross cultural differences; mixed methods; parents; children; schools; anthropology; psychology, 16175
longitudinal prediction; preschool parenting measures; low-income; middle childhood cognitive outcomes; socioemotional child outcomes; parenting assessment methodologies; measurement, 9512
low income women; military family; child rearing; disabled children; mothers role, 1019
maternal employment; adults perceptions; childhood retrospective reports; parenting practices; famly dynamics, 28447
maternal role concepts; parenting; employment choices; life satisfaction, 34582
mind; parental behavior; disorganized attachment; transmission gap; family; infants, 34558
mothering; parenting; African American women; drug abuse; cocaine; rural environment, 35034
mothers mental distress; parenting practices; infants; toddlers, 7259
mothers; childrearing; history; parenting; life stress; positive experiences; negative experiences, 31647
online assessment; grandmother experience; parenting styles; parental attitudes; teaching, 31650
parent adolescent attachment; parental monitoring; risk reduction; delinquency risk; gender effects; Mexican American adolescents, 26149
parent child relations; parenting; negative life events; cognitive diatheses; depression; childhood development; attribution, 28823
parent generativity; parenting; personality; religiosity; political values; young adult children, 25358
parent management training; parent-therapist alliance; pretreatment parent social relations; therapeutic alliance; parenting practices; oppositional & aggressive & antisocial behavior, 20561
parenting behaviors; adolescent development; externalizing behaviors; behavior problems; attachment, 34385
parenting behaviors; children depressive symptoms; supportive positive behavior; harsh negative behavior, 22682
parenting newsletter series; child rearing information sources; mothers; infants; newsletters usefulness, 7277
parenting practices; attention deficit disorder with hyperactivity; demographic characteristics; mothers; parental characteristics; child rearing, 20088
parenting practices; children; cognitive development; Latino subgroups; academic achievement, 13359
parenting practices; first generation Latino families; immigrant families; parent child interactions; problem solving; behavioral observation methodology; Parent Peer Process Code, 16372
parenting practices; kinship support; academic adjustment; African American teens; European American teens, 34425
parenting processes; adolescent adjustment; high risk; poor African Americans; adolescent development; health compromising behaviors; inner city; violent behaviors; dangerous developmental milieu, 13383
parenting processes; dating violence; self esteem; adolescent attitudes; socioeconomic status, 31476
parenting style; parental practices; adolescent adjustment; self concept; locus of control; academic achievement, 25509
parenting; adoptive parents; family adjustment; child behavior; religiosity; child adoption; parent child conflict; special needs; marital satisfaction; psychological symptoms, 4873
parenting; lesbians; gay men, 913
parenting; sociohistorical change; individualization; mother child interaction; Germany, 4016
parents with disabilities; adolescents; national survey; National Health Interview Survey; Deaf parents; parental attitudes; adolescent attitudes; household division of labor; barriers; demographics, 14140
perceived parental care; cognitive representations; future offending; young offenders; child rearing; juvenile delinquency; supervision, 17021
personal authoritarianism; parenting styles; child attitudes; parental attitudes, 25512
prevention program; high risk preschoolers; conduct problems; child social competence; parenting practices; child behavior, 4412
proactive parental strategy; parental cognitions; childs values; media influences; peer influences, 7267
prosocial behavior; parenting; temperamental inhibition; parental socialization; gender; mothers; fathers, 10112
racial differences; self-labeled child abuse; internalizing symptoms; parent behaviors; high risk adolescents, 19723
socialization for competence; housework; black men; fathers; black children, 34489
socialization; child-rearing practices; racial and ethnic groups; intergroup dynamics; ethnic identity; predictors; child development, 31649
teaching styles; young mothers; Puerto Ricans; acculturation; verbal teaching style; nonverbal teaching style, 13293
unhealthy parenting; family of origin factors; future intimate violence; corporal punishment; emotional regulation; conduct disorder, 26059

Childrearing Practices [See Also Child Discipline, Toilet Training, Weaning]—Books

Breaking free, starting over: Parenting in the aftermath of family violence, 4024
Parenting beliefs, behaviors, and parent-child relations: A cross-cultural perspective, 22701
Stop arguing with your kids: How to win the battle of wills by making your children feel heard, 1023
Your children are under attack: How popular culture is destroying your kids' values, and how you can protect them, 10329

Children of Alcoholics—Serials

children of alcoholics (COA); psychosocial adjustment; parental alcoholism treatment; alcoholic fathers, 17765
children of alcoholics; dopamine receptor gene; genotypes; alcoholism; substance use disorders, 1526
children of alcoholics; family environment; self-esteem; parental drinking; risk factors; child maladjustment, 26085
childrens coping strategies; coping efficacy; parent socialization; child adjustment; familial alcoholism, 19247
drinking; motivations to drink; adolescent children; parental alcohol problems, 22518
event related oscillations; offspring; alcoholics; neurocognitive disinhibition; alcoholism, 16962
family therapy; children of alcoholics; substance abuse certification standards; continuing education, 30088
family unpredictability; parental alcoholism; parentification development; parental roles, 23152
oculomotor response inhibition; children of alcoholics; attention deficit hyperactivity disorder; at risk population; eye movements, 16954
parent alcoholism; young adult drug use; transition into marriage; role compatibility theory; children of alcoholics, 7362
parental alcohol problems; youth drinking; moderating roles; parent gender; adolescent gender, 16939
self-regulation; children of alcoholics; parenting; alcoholic fathers; rules of conduct; internalization; parental sensitivity, 32335
toddler behavior problems; alcoholic father; mother infant attachment; paternal alcoholism, 19379

Childrens Manifest Anxiety Scale—Serials

Revised Childrens Manifest Anxiety Scale; test validity; test reliability; anxiety; factorial invariance; European Americans; Mexicans; Mexican Americans, 21655

Chinese Cultural Groups—Serials

academic listening challenges; Chinese students; academic success; classroom instructional factors; English comprehension; cross cultural differences, 2697
academic skills; English as a second language; lecture comprehension; academic listening; Chinese students, 27248
acculturative stress; interpersonal social support; online ethnic social groups; Chinese international students, 18104
adherence to tradition; depression; Chinese; elders, 13722
bias against disconfirmatory evidence; delusions; schizophrenia spectrum disorder; psychopathology; Chinese patients, 19873
Cantonese; Chinese; gender; affective; tone; voice; vocal; N400; sad; happy; lateralization, 30951
Chinese adolescents; Hong Kong; psychometric properties; test validity; test reliability; family functioning; parent child relations; Chinese Family Assessment Instrument, 12425
Chinese cultural perspectives; health professionals; palliative care services; end of life care; death, 5262
Chinese family research; public policy; research paradigms; research issues, 18654
Chinese surname list; Chinese ethnicity; ancestral origins, 34540
Chinese; graduate students; transnationalism; United States; leisure behavior, 15227
Chinese; South Asians; religious institutions; HIV prevention; HIV epidemic; Asian immigrant religious institutions; conservative innovation, 8487
cultural fit; societal discrepancies; individual discrepancies; values; beliefs; subjective well being; China; Taiwan, 19467
culture; facial expression; Chinese; international adoption; ethnicity; European American & mainland Chinese & Chinese American & adopted Chinese girls, 19345
death penalty; attitudes; Chinese college students; attitude variations; public opinion, 18462
depressed Chinese American patients; primary care physicians; attention to treatment, 7670
depression; help seeking; Chinese; acculturation; depression reporting, 28853
English abilities; academic listening; Chinese students; North American universities; reading ability; note taking, 21188
episodic memory; schizophrenia patients; explicit memory functions; genotypes, 1404

expressor culture effect; emotion recognition; Hong Kong Chinese; facial expressions, 7449
family size; fertility preferences; sex ratio; China; one child family policy, 31543
gender role conflict; Asian men; multicultural coping; psychological distress, 19255
group partition model; Chinese participants; Chinese culture; octant model; RIASEC; personality types, 12590
Holland's vocational interest structure; Chinese population; cross-cultural differences; gender differences; collectivist cultures; Self-Directed Search, 9092
homicide; social influences; Chinese cultural groups, 7895
immigrant parish community; community intervention; cultural differences; community dynamics; Catholic churches; Chinese immigrant subgroups; intervention, 35850
immigration; acculturation; family relationships; marriage and dating; values; parent child similarities; intergenerational value transmission; mate preferences; Chinese immigrants, 19504
intellectual disabilities; cross culture perspectives study; quality of life; Chinese culture; social trends; cultural trends, 1614
Joseph Brozek; history of psychology; Chinese psychologists, 18489
Joy Luck Club; Chinese culture; negative media representations; stereotypes; popular culture, 755
masculinities; discrimination; Chinese American; identities; stereotypes, 4070
multidisciplinary stroke education; Chinese family; family carers; caregiver knowledge; caregiver satisfaction, 4728
Oedipus complex; Chinese culture; non Western cultures; moral repression; filial piety complex; crosscultural perspective, 13604
parent adolescent communication; Chinese adolescents; psychological well-being, 28480
psychoanalysis; ethnic Chinese societies; China, 23677
reading; character pronunciation; analogy strategy; Chinese children, 6995
seasonal variation; schizophrenia admissions; Chinese population; culture-specific March peak, 34911
situational variation; ethnic identity; psychological well being: ethnic salience; Chinese American students; experience sampling; ethnic centrality; ethnic private regard, 7206
subtractive model; outcome allocations; age differences; perceived inputs; Chinese, 7022
Taiwanese students; social affiliation; adjustment; acculturative stressors; personality; well-being; accommodation, 34505
westernization; Chinese culture; traditional medicine; heart; depression; emotional distress; mental distress; mental disorders; mental health; suicide, 13720
Chloralose [See Hypnotic Drugs]
Chlordiazepoxide—Serials
benzodiazepine; NMDA antagonist; learning; repeated acquisition; morphine; odor discrimination, 34212
spatial learning; memory; benzodiazepine; NMDAR antagonist; scopolamine; chlordiazepoxide, 3693
Chlorimipramine—Serials
cognitive therapy; obsessive compulsive disorder; psychotherapy; obsessive compulsive spectrum; psychopharmacology; clomipramine; cognitive behavior therapy; serotonin, 25961
pediatric obsessive compulsive disorder; clomipramine treatment; thyroid hormones; basal thyroid function; baseline thyroid measures; adolescents, 11397
Chlorisondamine [See Amines]
Chlorpromazine—Serials
antipsychotic drugs; metabolic side effects; outpatient treatment; clozapine; schizophrenia; dopamine, 10671
Choice Behavior—Serials
aging; brand choice behavior; Chinese consumers; purchase behavior; consumer products, 9208
alcohol problems; strength of endorsement; positive outcome expectancies; alcoholic beverage type; consumption levels; relaxation; arousal; personality transformation; wine; beer; hard liquor, 29037
antenatal Down syndrome screening; informed choice, 17088
anthropocentricity; problem solving; analytic hierarchy process; land use designing; planning theory; methodology, 3037
arithmetic; strategies; choice behavior; information retrieval, 21929
Asian disease problem; risky choice behavior; invariance axiom; judgment, 32004
Attention-Deficit/Hyperactivity Disorder; Computer-Administered Choice; student characteristics & behavior; choice of verbal vs written feedback, 21242
attitudes; food choices; food domain; telephone interviews, 28684
attribute evaluability; range effect; consumer choice; perceptual judgments, 12305
autonomous choice; controlled choice; ego-depletion; controlled regulation; autonomous regulation; self-regulatory strength; self-determination, 28672
behavior monitoring; internal; external; error negativity; error-related negativity; event-related potentials; mirror neurons; theta; go/nogo task, 6778
cesarean delivery; maternal request; National Institute of Health conference; nulliparous women, 35699
cesarean section delivery rate; New Jersey; trends, 35667
chemistry students; learning experiences; educational choices; student attitudes, 12023
child support orders; personal choice; objective constraint; single mothers; maternal characteristics, 1000
children's views; research methodology; professional consultation; children's preferences, 16072
choice; decision making; delayed rewards; temporal discounting; rewards; money, 366
choice; interval timing; Weber's law; timescale invariance; reinforcement schedules; response rates, 27984
classroom segregation; Schelling model; collective choice; decision making; social processes; individual preferences; strategic reasoning; classroom seating, 15062
cognitive dissonance; culture; self-affirmation; self-concepts; cultural differences; choice behavior; Easterners; Westerners, 372
collective goods; shared concern; rational choice theories; ideologies; rational actors, 13315
confidence; overconfidence; calibration; hard-easy effect; Poisson race model; mathematical modeling; response bias; choice, 27862
confirmation illusion; exposure; advisor's hypothesis; point estimate; uncertain quantity; confidence judgment, 12729
conflict-handling strategy; choice behavior; conflict situation, 34665
conscious deliberation; consumer choice; conscious thought; unconscious thought; choice complexity, 18363
consumer responses; ethnic oriented products; choice behavior; ethnic minority group, 21469
context effects; attribute balance; choice alternatives; extremeness aversion; trade off contrast; decision processes; consumer behavior, 2994
course choice effects; marketing; student attitudes, 27339
cultural chameleons; bicultural consumers; conformity motives; decision making; loss avoidance; language manipulation; bilingual Chinese persons; choice problems; English language, 9186
decision biases; intertemporal choice; uncertainty; psychophysical properties; risky choice, 30971
decision by sampling; attribute's subjective value; sample of attribute values; memory; gains; losses; subjective probabilities; time, 21959
decisions from experience; stickiness effect; case based reasoning; reinforcement learning; probability learning; learning in games; cognitive strategies; maximization; adaptation; choice behavior, 355
decisions; mood; thinking; laughing; choices, 21910
disjunction effect; decision making; presence of uncertainty; pragmatic approach; rational theory, 33954
drift diffusion model; reward rate; optimal performance; speed-accuracy trade-off; perceptual choice, 33856
drugs; reality therapy; external controls; personal choices; medications; behavioral control; ADHD; ADD; dextroamphetamine; methylphenidate, 20326
economic choice behavior; mental process; capuchin monkeys; learning, 12808
economic theories; psychological theories; choice; regret; elation; expectations; self report; emotions, 21915
educational choice practices; ideological tensions; modern Greek Cypriot parents; rapid modernisation process; Greek Cypriot society; cultural environment; social advancement; social capital, 998
elaborate nests; weaverbird; female choice; sexual selection; safe nesting sites; mate choice decisions, 6717
elimination by aspects; generalised extreme value models; choice behaviour; mathematical conditions; discrete choice, 33855
environmentally beneficial choices; motivational causes; environmental values; conservation, 27488
expert advice; information acquisition; social context; decision makers; task complexity, 12743
facets; linear ordering polytope; unification; weighted graphs; binary choice; stochastic modeling, 21754
fast food restaurants; consumer perspective; restaurant patrons; restaurant menus; nutrition labeling; value size pricing; food choices, 21479
feature fatigue; consumer behavior; product design, 9207
first-time mothers; choices; experiences; early discharge; postnatal care; midwife visitation, 33066
food variety; hedonics; food consumption, 16505
foster children; group homes; problem solving skills; psychological needs; Atkinson Youth Services; Five Needs; group home programs; behavior problems; reality therapy; choice theory, 11567
Foucault; counseling; aesthetics of existence, 4962
frames; biases; rational decision-making; brain; choice; framing effect; neurobiology; amygdala; prefrontal cortex; emotional processes, 31181
framing effects; Information Integration Theory; children; judgment; decision; expected value; reason; gains & losses; choice, 7020
goal fulfillment; goal targets; sequential choice; goal attainment, 10508
goal progress; consumer choices, 12294
governmentality; special education system; parental choice; childhood welfare, 2747
group differences; sex; social background; ethnic background; equal capacities and achievement; choice behavior; mathematics; science subjects; secondary education; Netherlands, 17954
heterogeneity; urban park; aging; visitors; choice behavior, 15225
hotel choice criteria; business leisure congruence; travelers, 6083
human behavior; language; reality therapy; human relationships; choice theory, 11308
humorous interaction; sex differences; humorists personality traits; sexual selection, 13516
individual consistencies; interactive styles; individual differences; choice; risk taking, 10512
inferences; relative attractiveness; choice alternatives; decision difficulty; dissonance theory, 18788
intentional pre-cueing; Simon effect; choice reactions; stimulus location; attentional factors; spatial stimulus; response selection, 24790
internet commerce; trust; information; web merchants; purchase choices; business to business commerce, 9196
intransitive preferences; random effects approach; choice behavior; systematic violations; modeling; judgments, 15539
judgment; risk; risky choice; sequential choice; subjective probability; cognitive processes; learning; stochastic model, 411
jurors competencies; marginal changes; jurys size; decision making; choice behavior; probability, 179
juvenile delinquents; theft; violence; criminal behavior; risk perception; rational choice model; statistical model, 35074
language choice; pedagogical focus; code switching; language teaching; learning environment; English as second language, 11968
licensing effect; consumer choice; positive self concept; sequence of choices, 27465
life course perspective; food choices; health risk; social location; historical context, 5104
logic; implicit transitive inference; logical reasoning; choice performance, 361
lotteries; income distributions; preference reversals; material incentives, 7484
male creativity; good genes indicator; male provisioning ability; good dad indicator; peak fertility; women; preferences; evolution; mate choice, 19422
market mavens attitudes; technology affinity; personality traits; psychographics; marketing communications implications, 3016
mate choice; sexual behavior; preference; frogs, 22091
maternal labor force participation; preferred work hours; contracted work hours; employee attitudes; choice behavior, 33562
math interest; choice intentions; non-traditional African American college students; social cognitive career theory, 24221
mating strategies; mate preferences; mail order brides; cross cultural variability; choice behavior, 19512
maximizing tendencies; satisficers; job search process; choicemaking strategies; student attitudes; job satisfaction, 15134
mental disorders; unhappiness; behaviors; emotions; thinking; human services organizations; choice theory, 20392

mice learning; win-shift contingency; water escape; motivation; intertrial interval, 6663
milk; coffee; ecology; attention; individuals acuity, 16507
mixed options; multiple-trial decisions; risky options; binary choice, 12710
modified moral decision making model; habitual car use; public transportation; travel mode choice, 12733
Morita therapy; Eastern therapies; Western therapies; historical roots; Constructive Living; Japanese therapy; Adlerian psychology; Choice Theory; Reality Therapy, 11298
multiple categories; property prediction; binary choice judgment; probability rating; knowledge level, 3235
name letter branding; valence transfers; brand preference; choice phenomenon, 12288
Nash equilibrium; risk domination; payoff; rationalization; game show; Pareto domination, 34672
negotiation; dual process models; epistemic motivation; information processing; conflict; social motivation; strategic choice, 25593
nesting preferences; hawksbill sea turtle; fitness consequences; choice behavior; phenotypic diversity; incubation temperature; beach zones; nests; environment variation, 9734
novel foods; human food choices; familiar nonanimal foods; familiar animal foods; willingness, 7469
nutrition messages; childrens food choice; kindergarteners, 16058
online product choice; herding effects; consumer attitudes; recommendation sources, 21470
opinion seekers; opinion leaders; technology attitudes; technology choices; group structure; social influence, 31787
parents role; information sources; college choice process; Chicana students; college application process; siblings role; decision making, 24231
partial sleep deprivation; food consumption; food choice; health; weight, 12976
partition dependence; variety seeking; choice; money allocation; diversification bias; options; subjective grouping; preferences, 3368
pedestrian choice point behavior; pedestrian traffic patterns; choice point movement; shopping malls; economy of movement, 21500
personality; Myers Briggs type indicator profiles; favored communication modes; social interaction; choice behavior; online; offline, 16540
persuasion effects; decision threshold; stochastic choice model; choice; decision making, 27376
political values; husband's choice; wife's choice; household labor; political preferences; partners characteristics, 13333
predator choice; prey group size; hunting success; guppies, 6678
predictability; actual controllability; awareness of choice; perceptions of control; responsibility; helplessness; frustration; motor task, 19615
preference reversal; old problem; risky choice behavior; gamble parameters, 31892
preference reversals; anchoring; adjustment; pricing; stochastic choice models; dynamic decision models, 374
preschool students; choice behavior; motivation; future; current desires, 28315
problem students; classroom interventions; task engagement; preferred activities; student choice; academic performance, 24242
product design; consumer behavior; choice behavior; consumer perceptions; brand management, 12291
profound knowledge; choice theory; management style; intrinsic motivation, 20393
proportion dominance; generality; variability; relative savings; absolute savings; individual differences; decision making; choice behavior, 27451
psychological first aid; crisis intervention; choice; trauma; mass disaster, 26560
public managers; Charitable Choice; public opinion, 937
rational choice theory; explanation of social phenomena, 25432
rational learning; bounded learning; policy choice; policy innovations; developing countries; trade regimes; community services, 13279
reading achievement; social selection; independent schools; independent variables; socio economic background; students cultural capital, 18059
reality therapy; choice theory; medication; ritalin; attention deficit disorder, 11204
reasoning ability; working memory capacity; mental speed; stimulus response compatibility; choice reaction; time tasks; arbitrary mappings; intelligence, 15701
regulated market; educational accountability; government regulation; school choice; free markets; educational administration, 21102
reinforcement learning; recurrent choice; skill learning; credit assignment; cognitive architecture, 18839
residential schools; school choice; public high schools; graduation rates; state school districts; school district size, 21110
response allocations; slot machine simulations; gambling behavior; choice behavior; game; computer software, 36527
response bias; perceptual discrimination; sequential sampling decision process; bound change hypothesis; drift rate change hypothesis; two stage processing hypothesis; choice probabilities, 21918
reward magnitude differences; Iowa Gambling Task; choosing advantageous & disadvantageous decks; monetary profit; uncertainty; chance; loosing; immediate rewards; distant pay-off; choice behavior, 12750
rhesus monkeys; vocal signals; auditory information; hearing, 22101
risky choice; heuristics; decision making; frugality; choice process, 18770
school choice; school reforms; state accountability systems, 21121
school choice; single sex school; coeducational schools; parents choices; school choice; independent sector, 5652
self control; autism; task magnitude; developmental disabilities; childhood development; behavioral sensitivity; delay of tasks; choices, 29104
self referencing differences; judgment; choice; recall; visualization, 9611
self regulatory model; consumer choice; consideration set; cognitive processes, 9201
self reported deviant computer behavior; moral choice behavior; manipulative exploitive behavior analysis; personality characteristics; moral decision making; neuroticism, 26057
self view; consumers; goals; choices; risk preferences; status quo alternatives, 2998
self-control; Prisoner's Dilemma game; trial spacing; interfering task; choice behavior, 30981
senior internship; pre service teacher education; education teacher preparation; quality living; choice theory; five basic needs; quality world; total behavior, 11880
sensory evaluation; vanilla dairy desserts; repertory grid method; free choice profile, 24442
Simon congruency effects; stimulus numerosity; response numerosity; choice reaction time, 15674
smallpox; refusal to vaccinate; risk perception; worry; psychological distress; age; beliefs; knowledge; smallpox vaccines, 33012
smart card technology; food choice; nutrient contents; eating habits; school cafeteria, 5835
social dilemma; social value orientations; tacit coordination; resource size uncertainty; decision making; choice behavior, 25615
social takeover; sequential decisions; anticipated regret; investment task; experimental manipulations; decision making, 371
social welfare functions; generating social choice rules; invulnerable; manipulation; majority rule, 21743
spatial strategies; territoriality; society; game theory; Maine lobster industry; choice behavior, 2777
state dependent valuation; choice; invertebrates; desert locust; decision making; motivation, 15796
structural equation modeling; individual differences; choice behavior; Thurstonian models; comparative data; paired comparison data, 218
Student Needs Survey; psychometrics; five basic needs; test validity; test reliability; quality school; choice theory, 18591
teenagers reading; reading habits; reading choice; potential divergence; school students reading, 6956
temporal context; multiple chains; successive encounters procedures; concurrent probes; reinforcement schedules; pigeons, 24903
test validity; food attitudes; choice behavior, 15438
traditional course; online course; experimental psychology class; planned behavior theory; student choice; student attitudes, 14980
unconscious manipulation; choice behavior; reinforcement delay; priming; cognitive processes, 21936
unit bias; unit segmentation; portion control; food intake; human choice; consumption norms, 24805
voting rules; Borda rule; Copeland rule; maximin rule, 3225

Wason selection task; heuristic analytic dual process theory; drinking age problem, 10396
white space; rhetoric; history; meaning; visual theory; advertising; choice, 30548
wolf fish; shoals; prey items; attack attitudes; predator prey interaction; binary choices, 6679
Choice Behavior—Books
Choices: A relapse prevention workbook for female offenders, 27001
The paradox of choice: Why more is less, 4193
Choice Behavior—Chapters
Anomalies: Intertemporal Choice, 10241
The Causes of Preference Reversal, 10444
An Economic Theory of Self-Control, 10442
Negotiating with Yourself and Losing: Making Decisions with Competing Internal Preferences, 10463
Cholecystokinin—Serials
endogenous cholecystokinin; morphine; antinociception; nucleus accumbens; rats; anti-opioid peptide, 34234
intermittent sucrose access; prepulse inhibition modulation; acoustic startle response; cholecystokinin receptor; obese CCK-1 receptor deficient rats, 6836
Cholesterol—Serials
aggression; aggressive behavior; cholesterol; apolipoprotein A-I; apolipoprotein B ratio; blood lipids; young adult males; personality disorders; biological correlates, 25994
aggressive behavior; serum cholesterol; reduced serotonergic function; impulsive aggression, 20646
blood serum; cholesterol; suicidal ideation; major depression; African American; diabetics patients, 17191
cholesterol; risk factor; validity; memory distortion; bias, 20710
high cholesterol; triglycerides; body mass index; suicide attempters; major depressive episode, 16843
hydroxycholestrol; human neural cells; Alzheimers disease; inflammatory gene expression; cholesterol elimination; neurons; homeostasis, 3527
neurological abnormalities; caveolin-1; mice; caveolar vesicles; cholesterol; neurological phenotypes; proteins, 31226
paroxetine treatment; cholesterol levels; panic disorder; cardiovascular risk, 11391
stress; cholesterol; mental stress testing; cardiovascular disease, 4336
Choline—Serials
micronutrient deficiencies; brain function; choline; perinatal development; neurological function; causal relationship, 22094
neonatal ethanol; trace conditioning; hippocampus; choline; rat; neonatal exposure; fear conditioning; reversal; cognitive deficit; spatial memory, 19059
Choline Chloride [See Choline]
Cholinergic Blocking Drugs [See Also Atropine, Levodopa, Nicotine, Scopolamine]—Serials
acute psychosis; moonflower intoxication; toxic effects; scopolamine; hyoscyamine; anticholinergic symptoms; agitation; hallucination; supportive care; benzodiazepine, 7998
cholinesterase inhibitors; anticholinergic drug; toxicity; antagonism; donepezil; rats, 653
concomitant psychotropic medications; schizophrenia; anticholinergic drugs; Clinical Antipsychotic Trials of Intervention Effectiveness, 32892
Cholinergic Drugs [See Also Acetylcholine, Physostigmine, Pilocarpine]—Serials
eyeblink classical conditioning; medial septum diagonal band lesion; rats; cholinergic neurons; carbachol; muscarinic denervation, 6750
Cholinergic Nerves—Serials
eyeblink classical conditioning; medial septum diagonal band lesion; rats; cholinergic neurons; carbachol; muscarinic denervation, 6750
Lewy body disease; thalamic cholinergic activity; dementia; parkinsonism; cognitive impairment; thalamic cholinergic activity, 20307
Cholinergic Receptors—Serials
allelic variants; chromosome 15q14; schizophrenia; genetic analysis; polymorphism; nicotinic receptor; genetic linkage, 12890
anti inflammatory properties; cholinergic up regulation; acetylcholinesterase inhibitors; central nervous system inflammatory disease, 34051
cholinergic involvement; hippocampal Fos expression; rat; novel environment; thalamic nucleus; atropine; scopolamine, 3508
dopamine; receptor availability; subjective responses; alcohol abuse; nucleus accumbens, 685

neural nicotinic receptor; mice; working memory; episodic memory; schizophrenia; neural nicotinic receptor gene, 31185
nicotinic acetylcholine receptors; Parkinsons disease; dopaminergic system; cognitive function, 23420
nicotinic receptor subunit genes; schizophrenia; chromosomes; dinucleotide repeats; introns; polymorphisms; genotypes; allele frequency, 23010
Parkinson disease; nicotinic acetylcholine receptor agonist; dosage related adverse effect, 23402
perirhinal cortex; object recognition; spatial memory; rats; temporal lobe; cholinergic transmission, 3625
ryanodine receptors; muscarinic antinociception; mice; thermal pain; intracellular calcium contents; drug dose, 3561
serotonin response; hippocampus; mice; pyramidal cells; hydroxytryptamine receptor; emotional processes; homeostatic processes; proteins; central nervous system, 3600
smoking cessation; varenicline; varenicline treatment; nicotinic acetylcholine receptor; maintenance therapy; smoking cessation; abstinence; bupropion; craving, 30004
taste memory; N methyl D aspartate; muscarinic receptors; nucleus accumbens, 12995
vitamin E; cholinergic system; memory retention; passive avoidance learning; rats, 13014

Cholinesterase—Serials

cholinesterase; anxiogenic; depressive behavior; hypothalamic pituitary adrenal; prenatal stress rats; monoamine oxidase inhibitor; brain, 671
serum cholinesterase; post traumatic stress disorder; Tokyo subway sarin poisoning attack; victims, 1438

Cholinesterase Inhibitors [See Also Galanthamine, Physostigmine]—Serials

acetylcholinesterase inhibitors; Parkinsons disease dementia; neuropsychiatric symptoms; parkinsonian symptoms; cognitive symptoms, 5140
Alzheimer patients; behavioral problems; rivastigmine; behavioral symptoms; functional status; treatment; caregivers, 2164
Alzheimers disease; practitioner dilemmas; clinical trials; cholinesterase inhibitors, 35266
Alzheimers disease; recognition; treatment; cholinesterase inhibitors; cognition; comorbidity; behavioral symptoms, 35325
cell survival; cell death; Alzheimer disease; preclinical evidence; neuroprotective action; disease-modifying effect; cholinesterase inhibitors; vascular dementia, 26435
cholinesterase inhibitor medications; recognition memory performance; Alzheimer's disease; drug therapy; neurology, 14200
cholinesterase inhibitor therapy; Alzheimers disease; circadian rhythms, 12873
cholinesterase inhibitors; Alzheimers disease; patients treatment; naturalistic audit; National Institute for Clinical Excellence, 23698
cholinesterase inhibitors; anticholinergic drug; toxicity; antagonism; donepezil; rats, 653
cholinesterase inhibitors; Dementia with Lewy bodies; neuropsychiatric symptoms; treatment discontinuation; dose escalation, 35624
cholinesterase inhibitors; memantine; Alzheimers disease; clinical trials; medical treatments; cost effectiveness; cognitive effect, 14513
cholinesterase inhibitors; neuroprotection; neurons; neurodegenerative disorders; Alzheimer disease; glutamate neurotoxicity; donepezil, 26366
donepezil; Alzheimer's disease; assisted care nursing homes, 23705
donepezil; dementia; Parkinsons disease; cholinesterase inhibitor; treatment effectiveness; rivastigmine, 2156
pharmacological treatment; dementia; symptomatic relief; cholinesterase inhibitors; donepezil; rivastigmine; galantamine; treatment efficacy, 29295
rivastigmine; drug therapy; schizophrenia; negative symptoms, 2063

Cholinoceptors [See Cholinergic Receptors]
Cholinolytic Drugs [See Cholinergic Blocking Drugs]
Chorda Tympani Nerve [See Facial Nerve]

Chorea [See Also Huntingtons Disease]—Serials

chorea gravidarum; postpartum psychosis; pregnancy; mental disorders; memory impairement, 23294
methyl prednisolone pulse therapy; Sydenhams chorea; antichoreic drugs, 5156
obsessive compulsive behavior; attention deficit hyperactivity disorder; Sydenham chorea; obsessive compulsive disorder; rheumatic fever, 4797
XK gene; McLeod Syndrome; neuropsychiatric disorder; novel mutation; chorea; behavioral disturbance; creatine kinase, 11137

Choroid [See Eye (Anatomy)]
Choroid Plexus [See Cerebral Ventricles]

Christianity [See Also Roman Catholicism]—Serials

behavior genetics; religious faith; social interaction; evolutionary psychology; human nature; Christianity, 7179
beliefs; depression; Pentecostal; religious; treatment, 22991
Christian psychotherapy; Martin Buber, 20470
Christian religiosity; self control; social conformity, 34522
Christianity; culture war; journalism; journalists; professional dilemmas; Apostle Paul; liberalism; conservatism, 34311
Christianity; premarital sex; religious attitudes, 25417
dreams; female embodiment; Christian spirituality; psychology of religion; metaphor; Perpetua; martyrdom, 10544
existential psychotherapy; Christian perspective; shared human predicament; religious beliefs, 20429
gender role attitudes; gender issues; christianity; stereotypic thinking; religiosity; well being; spirituality, 3913
gender role orientation; Christianity; religious beliefs; older men; older Women; United Kingdom, 3979
institutional apologia; televangelism; rhetorics; Christian orthodoxy; Christianity; televangelist John Ankerberg, 7169
integration; student perceptions; faith; learning; social work students; undergraduate students, 36351
love-hate relationship; critiques; affirmations; Christian responses; Christian psychologists; love; God; neighbor; ethical intuitions, 25607
love; therapy; intrinsic motivations; Christianity; self esteem; psychological literature; theological literature; counseling, 25462
marriage education; traditions; Christians; pastoral context; marriage as covenant; history; theology, 13302
pastoral counseling; University chaplain; Christian university; university students; Christian theology; religious beliefs; logotherapy; freedom; responsibility, 5096
philosophy congruence; rational emotive behavior therapy; mainstream Christianity; philosophy of life; self acceptance, 35546
physical suffering; body; soul; gnosticism; disability; spiritual transformation; Christianity, 7171
post-traumatic growth; origins; Christianity; contemporary psychological models; resilience, 19340
psychological type; Christian religious affiliation; female undergraduates; students preferences; Wales, 31919
psychology; love; theories; God; theology; religious experience; Christian psychologies; metaphysics; ethics; neighbors-as-self, 25466
religion; spirituality; christianity; alterity; coping; health; psychotherapists; religiosity, 3977
religious experience; Christian traditions; films; existential visions; Jewish traditions, 7191
religious experience; constructivist philosophy; Christian community; developmentally disabled; problem solving; meaning; cognitive ability, 7183
religious issues in psychotherapy; Christianity; sin; grace; psychologists; competence, 24106
secondary school pupils; self esteem; Christianity; rejection, 19256
spiritual pollution; sociomoral disgust; ethics; love; contamination metaphors; sin; salvation; holiness; purity; Christianity; psychological processes; New Testament, 25459
state-level demographics; religious economies; Christian bookstore locations; psychics; astrologers; goods consumption; religious products; New Age services, 34516
temporal stability; Francis Scale of Attitude; Christianity; test reliability; test validity; undergraduate students, 30703
violence; Christian fundamentalism; anti-abortion activism; psychoanalytic perspective, 25461

Christianity [See Also Roman Catholicism]—Books

Cognitive humanistic therapy: Buddhism, Christianity and being fully human, 1989

Christians [See Also Catholics, Protestants]—Serials

Christian clients; spiritual lives; postmodern family therapy; Christian spirituality, 11330
Christian women; motherhood; career; qualitative study; working mothers, 3981
Christianity; culture war; journalism; journalists; professional dilemmas; Apostle Paul; liberalism; conservatism, 34311
community restoration; shared religious values; religious leaders; Muslim communities; Interfaith Peacebuilding Institute; discourse; conflict; conflict resolution; reconciliation, 31557
contemporary Christian music; religious identity; rhetorical theory; rhythmic composition; harmonic composition; lyrics, 19341
group-directed criticism; Indonesia; message source; audience; ingroup member; outgroup member; collectivist culture; Muslim; Christian; message source; audience, 28568
interrole conflict; work sanctification; working Christian mothers; Academia; spirituality; coping constructs, 3980
maddening desire; understanding lust; pastoral counseling; Christian theologians; self awareness; self control, 29557
multidimensional scaling analysis; church climate; organizational climate; religiosity, 19333
online apocalyptic discourse; narrative plasticity; sustainability; Christian discourse; September 11, 2001, 19336
population perspectives; forgiveness; Christian clergy; individual differences, 939
religiosity; religious orientation; religious behavior; emotional intelligence; Christians, 31910
religious identity; Christian Korean American adolescents; identity formation, 25340
religious orientation; religious fundamentalism; Christians; religious beliefs; domestic violence; aggression, 11253
Russia; evangelism; Christians, 10020
violence; Christian fundamentalism; anti-abortion activism; psychoanalytic perspective, 25461

Chromaticity [See Also Color Saturation, Hue]—Serials

appearance variations; textile materials; lightness; achromatic background; color, 24732
chromatic assimilation; temporal nulling; neural process, 21878
color discrimination; color deficiency; vision deficiency; abnormalities; chromatic discrimination, 35384
luminance contrast; chromatic induction; cerebral cortex; brightness mechanisms; visual perception; color, 27771
luminance interaction; chromatic motion perception; color perception, 6446
luminance response function; electroretinogram; chromatic stimuli; photopic b wave; photopic hill; visual stimulation, 3321
neon color effect; achromatic line segments; chromatic inducers; multiple interpretation hypothesis; illusory area, 9551
variable achromatic color; variable chromatic color; Helmholtz Kohlrausch effect; lightness; luminance, 24762
watercolor illusions; chromatic color; backlighting; illumination; laws of figurality, 27783

Chromosome Disorders [See Also Autosome Disorders, Deletion (Chromosome), Translocation (Chromosome), Trisomy, Williams Syndrome]—Serials

48,XXYY syndrome; chromosomal abnormality; mood disorders; suicidal ideation; aggressive behavior, 4647
autism spectrum disorders; Prader Willi syndrome; Angelman syndrome; chromosomal abnormality; genetics; comorbidity, 10591
autistic behaviour; 2q37 deletion; genetics, 4553
behavioural approach; severe self-injurious behaviour; Smith Magenis syndrome, 1661
chromosome 22q11 deletion syndrome; Gilles de la Tourette's syndrome; genetics, 32024
communication phenotype; 22q11.2 microdeletions syndrome; communication profile; language phenotype, 17172
de novo interstitial deletion; chromosome 7q21.1-q22; multiple congenital anomalies, 4655
maladaptive behavior; Smith-Magenis syndrome; adaptive behavior; cognitive functioning, 28755
maternal origin; extra marker chromosome; dysmorphic features; female child, 4666

Chromosomes [See Also Sex Chromosomes]—Serials

abstracts; chromosome 21; down syndrome, 29138
allelic variants; chromosome 15q14; schizophrenia; genetic analysis; polymorphism; nicotinic receptor; genetic linkage, 12890
Alzheimers disease; chromosomal association; genetic linkage; risk factors; disease etiology; disease onset, 1804
Alzheimers disease; ubiquilin polymorphism; late onset; chromosomes; genotyping, 23481
autism risk; genetic component; chromosome 2q31-33; SLC25A12 gene, 26203
behavioural phenotype; Down syndrome; computer; motor skills; chromosome 21, 29140

Chromosomes—Serials

bipolar disorder; molecular genetics; genes; linkage; animal models; chromosomes, 13710
bipolar disorder; unbalanced translocation; speech delay; chromosome 8; psychiatric symptoms; borderline intellectual functioning; genome; boy; child, 25875
candidate genes; chromosomes; autism spectrum disorder; single nucelotide polymorphisms, 35091
chromatin remodeling; neuronal function; gene expression; deoxyribonucleic acid; proteins; phenotypes; Rett syndrome, 24980
chromosomes; genes; psychosis; schizophrenia; severe affective disorders, 28890
de novo interstitial deletion; chromosome 7q21.1-q22; multiple congenital anomalies, 4655
depression; quality of life; women; Turners syndrome; chromosomes, 20344
Down syndrome; international conference; chromosome 21; medical research, 32451
family based study; schizophrenia; susceptibility genes; polymorphisms; genetic association; chromosomes, 19868
gene dosage effect; chromosome 21 transcriptome; trisomy 21; Down syndrome cognitive disorders, 29150
genetic locus; chromosome 9p24; obsessive-compulsive disorder; neuronal epithelial excitatory amino acid transporter; SLC1A1; gender dimorphism, 32191
genetics; schizophrenia; chromosomes; endophenotype, 32156
haplotypes; chromosome 16; protein kinase c-beta gene; autism, 7921
human brain development; genetics; Turner syndrome; growth hormones; brain anatomy; metabolism; X chromosome monosomy; magnetic resonance imaging; proton magnetic resonance spectroscopy, 14111
human chromosome; susceptibility; frontotemporal dementia; amyotrophic lateral sclerosis, 35205
maternal origin; extra marker chromosome; dysmorphic features; female child, 4666
mental retardation; partial epilepsy; dysmorphism; translocation; chromosome; consciousness, 4675
panic disorder; genetics; Faroe islands; chromosome; psychiatric disorders, 28941
polymorphism; Alzheimers disease; transcription factor; genes; chromosome 12; apolipoproteins; major depression, 32028
QTL analysis; behavioral morphological differentiation; zebrafish; animal strain; anti predator behavior; chromosome, 24949
Robertsonian translocations; motor activity rhythm; house mouse; circadian rhythm; chromosomal polymorphic zone, 3502
spectrum of mutations; diagnosis; cerebral autosomal dominant arteriopathy with subcortical infarcts and leucoencephalopathy; cerebrovascular disease; chromosomes; genes, 1672
tau genotype; frontotemporal dementia with parkinsonism linked to chromosome 17; clinical features; polymorphism, 14186
trisomy 21; chromosomes; mental retardation; phenotype; Down's syndrome cognitive impairment, 29155

Chronic Alcoholic Intoxication—Serials

expression profiling; alcoholism research; rats; chronic alcohol response; brain, 1517

Chronic Fatigue Syndrome—Serials

australian gulf war veterans; psychological health; physical health; chronic fatigue, 26291
chronic fatigue syndrome, 17183
chronic fatigue syndrome, 26262
chronic fatigue syndrome, 26287
chronic fatigue syndrome, 26307
chronic fatigue syndrome; community based management programme; rehabilitation; recovery, 14308
chronic fatigue syndrome; multidisciplinary group treatment; cognitive behaviour therapy; action proneness; graded exercise therapy, 26628
chronic fatigue syndrome; psychiatric comorbidity; psychiatric disorders; cognitive behavior therapy, 20673
chronic fatigue syndrome; psychiatric comorbidity; psychiatric disorders; cognitive behavioral therapy, 20674
chronic fatigue syndrome; self actualization; therapeutic intervention; positivity; mental fatigue, 32531
chronic fatigue syndrome; serum zinc concentrations; patients; immune dysfunctions; oxidative stress; volunteers, 13632
chronic fatigue syndrome; symptom persistence; school absenteeism; diagnosis; children; adolescents; pediatric psychiatry, 14662
chronic fatigue; chronic fatigue syndrome; pathogenesis; measurement scales, 26316
coping styles; chronic fatigue syndrome; pathogenesis, 26300
depression rating scales; chronic fatigue syndrome; patients; scale performance, 6307
diurnal excretion; urinary cortisol; cortisone; cortisol metabolites; chronic fatigue syndrome; hypothalamic pituitary adrenal; comorbid psychiatric disorder; HPA axis, 13628
diurnal excretion; urinary cortisol; cortisone; cortisol metabolites; chronic fatigue syndrome; hypothalamic pituitary adrenal; comorbid psychiatric disorder; HPA axis, 25764
diurnal excretion; urinary cortisol; cortisone; cortisol metabolites; chronic fatigue syndrome; hypothalamic pituitary adrenal; comorbid psychiatric disorder; HPA axis, 25772
emergent illnesses; chronic fatigue syndrome; multiple chemical sensitivity; facts; uncertainty, 25762
exercise phobia; chronic fatigue syndrome; anxiety; physiological reactions; psychological reactions, 4626
FibroFatigue Scale; observer's assessment; fibromylagia; chronic fatigue syndrome; psychometrics; test reliability; test validity; Spanish version, 18552
group cognitive behavioural therapy; chronic fatigue syndrome; treatment outcomes, 1978
impaired natural immunity; cognitive dysfunction; physical symptoms; chronic fatigue syndrome; natural killer cell activity; subgroups, 26318
maximal exercise test; symptoms; activity; chronic fatigue syndrome; exercise effects, 10953
participatory action research; conservation of resources theory; chronic fatigue syndrome; randomized clinical trial; outcomes; perceived stress; consumer-driven rehabilitation program; well-being, 23955
physical activity; emotional stress; sleep disturbances; chronic fatigue symptomatology, 1674
repeated thermal therapy; chronic fatigue syndrome; symptoms, 5087

Chronic Illness [See Also Chronic Alcoholic Intoxication, Chronic Fatigue Syndrome, Chronic Mental Illness, Chronic Pain]—Serials

adaptive style; defensiveness; chronic illness; adolescence; repressive defense style, 1284
adolescent girl; augmentation strategies; pain management; atypical antipsychotic; olanzapine; treatment; chronic headache; cystic fibrosis, 11467
ambiguous chronic illness; celiac disease; interstitial cystitis; community health nursing; women; diagnosis; coping, 35198
assisted suicide; assisted suicide requests; legalization; serious medical illnesses; evaluating patients; models; suicidal symptoms, 28743
assisted suicide; assisted suicide requests; legalization; serious medical illnesses; evaluating patients; models; suicidal symptoms, 28739
bipolar symptoms; epilepsy; chronic health disorders; epidemiology, 35281
bipolar symptoms; epilepsy; chronic health disorders; epidemiology, 35285
Bounded Grief; children with chronic illness; workplace experiences; mothers; caregivers; autism; coping; brain disorder; Downs syndrome; epilspsy; immunologic disorders; seizures, 1713
Brief Symptom Instrument; test validity; test reliability; psychometrics; symptom assessment; chronic diseases; older adults; community; cancer; heart failure; pulmonary disease, 21690
camping programs; children; chronic illness; recreation; treatment; evaluation; mission based program evaluation; diabetes camp, 32530
chronic diseases; mental health; physical health; quality of life; adulthood; health care providers collaboration; treatment outcomes, 25749
chronic disorders; consciousness; vegetative state; minimally conscious state; stimulation treatment, 25747
chronic epilepsy; low grade metabolic acidosis; hydrogen ion; NMDA receptor, 17358
chronic illness; child illness; brain tumors; parent adjustment; caregivers; validity; reliability; test development, 21605
chronic illness; healthy adolescents; psychosocial adjustment; inflammatory bowel disease, 23321
chronic illness; professional school counselors; school reentry; academic performance; student personnel services, 15108
chronic insomnia; cognitive behavior therapy; client treatment matching; comorbidity; decision to treat algorithm; contraindications, 11326

Chronic Illness—Serials

chronic obstructive pulmonary disease; Taiwan; physiological factors; psychological factors; social factors; hospital readmission; patients; hospital discharge, 14110
chronic physical illnesses; treatment adherence interventions, 11512
chronically ill children; couples' adjustment to child chronic illness; parents' perceptions of child chronic illness; marital satisfaction; mental health, 34546
cognitive affective correlates; meaningfulness; life; chronic somatic disease, 35187
complex posttraumatic stress disorder; residential treatment program; chronically ill patients, 11618
coping styles; chronically ill children; fathers; childs care, 29332
depressed mood; social support; womens quality of life; home health care; emotional well being; chronic illness, 1283
diabetes decision support; Vermont Diabetes Information System; interventions; chronic illness; primary care; community laboratories, 35803
disease management; health care system; chronic disease; health care costs, 14625
doctor patient relationship; chronic illness; HIV; outpatient health care, 1725
dyadic adjustment; relationship talk; chronic illness; gender; spouses; married couples, 1275
effective coping; physical disability; chronic illness, 32020
elderly; chronically ill; transportation decisions; Handy Dart transportation; handicapped specialized transportation; informal social support, 13638
end of life care; multilevel ambivalence; professional agreement; health professionals; palliative care; chronic mental illnesses, 20761
exercise therapy; chronic disease; physical activity; treatment; physical disorders; pathogenesis; diagnosis; quality of life, 17568
family experiences; coping strategy; developmental disabilities; normalization; technology; chronic conditions, 1606
family nursing; chronic illness; suffering; hope; desnair; possibility; family relations; narratives; experiences, 1276
family theory; family intervention; family assessment; health-related family characteristics; disease management behaviors; chronic disease; ethnic groups; ethnic differences; diabetes, 1673
family theory; family intervention; family assessment; health-related family characteristics; disease management behaviors; chronic disease; ethnic groups; ethnic differences; diabetes, 1666
family-oriented psychiatry; family support; illness outcome; relapse risk; family well-being; chronic illnesses, 29866
family; asthma; high risk infants; toddlers; severe persistent disease, 14131
friendship; adolescents; diabetes; chronic illness, 23309
Groningen protocol; euthanasia; severely ill newborns; decision making; ethical issues, 18442
health promotion; patient-provider communication; chronic illness; chronic illness experience; self-care management, 11560
health-promotion interventions; chronic illness; disability, 11520
health; disability; chronic illness; nursing, 11511
health; health measurement; people with disabilities; chronic health conditions, 9423
healthcare utilization; chronic diseases; environmental influences, 8207
healthcare; intervention; multidisciplinary approach; chronic illnesses; quality of care, 17398
high context illness; dying; low context medical world; intercultural communication; clinicians; patients; families, 35909
insomnia; cognitive behavioral therapy; older adults; chronic disease; stress management; comorbidity; osteoarthritis; coronary artery disease; pulmonary disease, 8311
interactive health communication applications; chronic disease; carer perspectives; policy implications, 5180
Latino siblings; chronic disabilities; internalizing; cultural factors; sibling knowledge; adjustment; psychological functioning, 7585
leisure activities; school performance; adolescents; young adults; chronic digestive disorders, 29178
Medicare beneficiaries; chronic conditions; patient attitudes; helath care delivery; managed care, 17688

menopause; quality of life; chronically mentally ill women; schizoaffective disorder, 7686
new technologies; clinical care; research; children; adolescents; chronic illness; special health care needs, 17389
parenting needs; family income; chronic conditions; fathers; coping strategies; childhood development, 16363
paternal involvement; pediatric disease management; maternal outcomes; family outcomes; chronic illness, 31992
patients' experiences; information; hospital setting; coping behavior; self-rated health; chronic illness, 35944
pediatric chronic disease management; paternal involvement; child outcomes, 32047
physical activity measurement; chronic conditions; disabling conditions, 9426
provision of care; mental health services; chronic diseases; mental health; nurses, 20742
psychological adaptation; chronic illness; disability; rehabilitation, 5407
psychological distress; PTSD; parental distress; parents of chronically ill children; disease-related stressors; social support, 28742
psychological interventions; pediatric chronic illness; diabetes; cancer; cystic fibrosis; sickle cell disease, 31975
psychopathology; Minnesota Multiphasic Personality Inventory; anorexia nervosa; prolonged illness, 35160
psychosocial interventions; family intervention; patient-oriented intervention; close family members; chronic illness; treatment efficacy; patient benefits; family benefits, 2143
quality of life; dementia; chronic disease; elder population; adaptation, 29257
quality of life; dementia; chronic disease; elder population; adaptation, 29307
quality of life; dementia; chronic disease; elder population; adaptation, 8117
recovery process; chronic illness; mental health care; stroke; biopsychosocial framework; grief; men; disease management, 26947
renal diseases; heart disease; chronic obstructive pulmonary disease; symptoms; cancer; AIDS; patients, 23342
resistance factors; risk factors; psychological distress; Icelandic parents; chronically ill children; Wallander and Varnis disability-stress coping model, 34790
sexual dysfunction; chronic illnesses; coping; self concept; distress; quality of life; pharmacological treatments, 23289
sexual health promotion; adolescents; chronic conditions; disabling conditions; sexual health; sexual health needs; adolescent development, 11515
shared learning experience; chronic illness; self management course, 8450
South Africa; cross cultural differences; lay prototypes; disease terminology; Northern Sotho community; chronic illness, 32018
surrogate decision makers; hospice services; chronically ill veterans, 35915
technology; clinical care; research; children; adolescents; chronic health conditions, 17390
transtheoretical model constructs; smokers; medical illness; chronic illness; medically healthy; relapses; temptation; smoking cessation, 29206
weathering; stress; heart disease; socioeconomic factors; comorbidity; mortality; chronic illness; blacks, 23390
working women; child care; chronic illness; self silence; work home conflict, 1310

Chronic Illness [See Also Chronic Alcoholic Intoxication, Chronic Fatigue Syndrome, Chronic Mental Illness, Chronic Pain]—Books

Chronic health-related disorders in children: Collaborative medical and psychoeducational interventions, 29209
Happiness in a storm: Facing illness and embracing life as a healthy survivor, 11003
Psychological treatment of chronic illness: The biopsychosocial therapy approach, 14407

Chronic Mental Illness [See Also Chronic Psychosis]—Serials

Brief Psychiatric Rating Scale-Extended; item analysis; subscale analysis; psychometrics; reliability; validity; factor structure; sensitivity to change; severely and persistently mentally ill, 21663
chronic mental illness; childhood sexual abuse; group therapy; survivors; self esteem, 28799
chronic posttraumatic stress disorder; PTSD; Vietnam veterans; symptoms; duloxetine; exacerbation, 32898
collaborative recovery; integrative model; chronic mental illness; recurring mental illness; recovery oriented services, 1334
healthcare integration; mortality rates; serious mental illness; primary care/behavioral healthcare collaboration; collocation, 20740
infectious insanities; surgical solutions; Bayard Taylor Holmes; dementia praecox; laboratory science; 20th century America; chronic illness; physician; surgeon, 24037
integrated physical & mental health care; serious & persistent mental illness; community mental health; collaboration, 20788
life experiences; chronic mental illness; labeling; ethnography, 29747
money mismanagement measure; test development; cross validation; suspected range restriction; Rasch analyses; test reliability; test validity; serious mental illness, 24611
outpatient commitment; US; chronic mental illness; treatment effectiveness evaluation, 20807
serious mental illness; health care professionals; mothers, 10613
severe mental illness; work experiences; employment status; problem solving; motivation, 13660
social support; sexual abuse; home environment; chronic depression; coping styles; childhood maltreatment; physical abuse, 8228
stand-alone psychiatric inpatient facility; community treatment resistance; chronic mental illness; service development; funding, 35937
supportive group therapy; cognitive support therapy; chronic mental illness, 32789
therapeutic issues; college campuses; chronic mental illness; service provision; college counseling; mental disorders; college students, 12074
therapeutic relationships; psychiatric hospital; communities; transitional discharge model; cost effectiveness; chronic mental illness, 2245

Chronic Mental Illness [See Also Chronic Psychosis]—Books

Chronic depression: Interpersonal sources, therapeutic solutions, 4346
Handbook of remotivation therapy, 8639

Chronic Pain—Serials

adolescent parent relationship; families; chronic pain; adolescents; distress; disability; severity, 29192
adult oncology; cancer care; hypnosis; pediatric oncology; therapeutic process; acute & chronic pain; quality of life; palliative care, 20671
age differences; physical functioning; chronic pain; physical disability, 17152
anger; sadness; symptom-specific reactivity; chronic low back pain, 23296
anxiety; depression; sexual dysfunction; women; chronic pelvic pain; gynecology outpatient clinic, 29188
atypical facial pain; pharmacological therapy; standard treatment; antidepressant agents; neuralgia, 5131
biopsychosocial model; head pain; cognitive influences; behavioural influence; affective influence, 4603
body awareness therapy; fibromyalgia; chronic pain, 4628
chronic benign low back pain; phenomenological analysis; human body; personal experience; sense of self, 23330
chronic noncancer pain; opioids; methadone, 16632
chronic noncancer pain; therapeutic agents; opioid therapy; N-methyl-D-aspartate receptor; methadone, 17192
chronic pain; bat mitzvah ceremony; developmental transitions; musculoskeletal pain syndromes, 35203
chronic pain; cost effectiveness; clinical outcomes; interdisciplinary pain rehabilitation; treatment; psychology, 8559
chronic pain; couples; theoretical models; empirical evidence; marital satisfaction; marital relations; depression, 26294
chronic pain; indirect hypnosis; embedded metaphors; creativity, 26721
chronic pain; mothers; psychosocial variables; functioning; parenting efficacy, 8014
chronic pain; opioid analgesics; opioid addiction; opiate addicts, 8478
chronic pain; pain clinic attenders; hypochondriasis; health anxiety; cognitive behavioral model; health care services, 14144
chronic pain; perceived organizational support; performance-related outcomes; POS, 30487
chronic pain; pharmacotherapy; pathophysiological mechanisms; analgesic, 17169
chronic pain; population; humor; stress; moods, 18928
chronic tension headache; botulinum toxin A; headache management, 5149
chronic tension headache; botulinum toxin type A; headache management, 5134
complex regional pain syndrome; chronic pain conditions; diagnosis management, 26301
coping; emotions; abuse history; chronic pelvic pain; women; suppression, 14152
deep brain stimulation; chronic pain; motor cortex stimulation; pain syndrome; neurosurgeons, 23786
depression history; pain coping; daily diary methods; ecological momentary assessment; fibromyalgia, 20198
diagnosis; treatment; chronic pain; traumatic brain injury; psychotherapeutic & psychopharmacological interventions, 29247
diagnostic criteria; complex regional pain syndrome; taxonomy, 26284
DSM-IV pain disorder; chronic pain patients; DSM; persistent somatoform pain disorder; psychosomatic symptoms; stress, 35207
evolutionary psychology; chronic pain; neural plasticity; natural method; adaptationism; mind, 4676
facial pain; children; adolescents; neuralgia; pain treatment, 4632
Family Impact of Pain scale; test validity; test reliability; chronic pain; family; patient, 9401
helplessness; fear of pain; passive pain coping; chronic pain patients, 17194
interdisciplinary pain treatment; patient attitudes; coping strategies; chronic pain; treatment outcome; cognitive functioning, 4866
laser evoked potentials; chronic tension-type headache; anxiety; topography, 35184
lasting impressions; hospital consultation; chronic pelvic pain; patient satisfaction; pain management; therapeutic processes, 14150
life stress; chronic pain; somatization; personality problems; psychological etiology; biopsychosocial approach; fibromyalgia; dualism, 4682
life stress; chronic pain; somatization; personality problems; psychological etiology; biopsychosocial approach; fibromyalgia; dualism, 4650
life stress; chronic pain; somatization; personality problems; psychological etiology; biopsychosocial approach; fibromyalgia; dualism, 4651
life stress; chronic pain; somatization; personality problems; psychological etiology; biopsychosocial approach; fibromyalgia; dualism, 4661
methadone; chronic noncancer pain; treatment; opioid agonism; N-methyl-D-aspartate; monoaminergic effects; drug therapy, 11482
momentary pain; recall; variability; memory processes; rheumatologic conditions, 1705
morphine; MK-801; neuropathic pain; rat; chronic pain states; hyperalgesia; N-methyl-d-aspartate antagonist, 28147
multidisciplinary treatment approach; treatment compliance; pain management; oligoanalgesia; chronic pain; suicide; major depression; addiction; anger; fear; frustration, 23333
neuropathic pain; diagnosis; treatment, 8023
neuropathic pain; pain management; mechanistic advances; evidence based research; pathophysiologic mechanisms; pain diagnosis; psychosocial factors, 14119
neuropathic pain; pamidronate efficacy; adolescents, 8008
opiate analgesia; emergency departments; treatment delay; pain, 35931
opioid switching; oral slow release morphine; oral methadone; pain control; chronic nonmalignant pain, 23303
oxycodone; chronic pain; patients, 23770
pain assessment; pain measurement; elderly; Spanish Faces Pain Scale; reliability; validity, 3151
pain assessment; rating method; chronic pain; recalled pain; fixed resource method, 4611
pain distribution; chronic discogenic low back pain; lumbar intervertebral discs; intradiscal electrothermal therapy, 35672
pain management; chronic pain; children; adolescents; life limiting conditions; quality of life; epidemiology; pharmacological treatment, 29768
patient needs; treatment effectiveness; clinic attenders; chest pain clinic; treatment compliance, 10990
pediatric pain patients; psychometric properties; Functional Disability Inventory; test validity; test reliabilty; patients, 24610
personality assessment inventory; psychometric properties; clinical utility; clinical interpretation; chronic pain patients, 9396
postsurgical pain; risk factors; prevention; persistent pain; chronic pain; iatrogenic neuropathic pain; treatment, 26511
prescription drug dependence; chronic pain management, 26767

prescription drug dependence; chronic pain management, 35660
prescription drug dependence; chronic pain management, 35694
psychic healing; belief; self reported pain; chronic pain sufferers, 14524
psychological functioning; family functioning; recurrent headaches; chronic pain; risk factors; parents with chronic pain, 35220
psychological treatments; chronic pain; randomized controlled trial, 32978
radiofrequency denervation; lumbar facet joints; chronic low back pain; treatment efficacy, 23768
radiofrequency denervation; lumbar facet joints; chronic low back pain; treatment efficacy, 23773
reliability; validity; Brief Pain Inventory short form; patients with osteoarthritis, 15463
sleep patterns; female adolescents; chronic musculoskeletal pain, 10984
spinal cord injury; pain subgroups; chronic pain; group classification; pain intensity; depression; rehabilitation; treatment outcome, 4847
spousal support; osteoarthritis; chronic pain; concordance; older spouses' perceptions; spousal responses; caregiving experiences; patients' & spouses' reports of pain severity; outcomes, 23323
stoicism; cautiousness; age differences; chronic pain; pain attitudes, 23352
suppression; acute pain; mental stress; symptom-specific reactivity; low back pain, 23295
temporomandibular joint; masticatory muscle pain; peripheral glutamate receptor; craniofacial tissues, 9808
Test of Memory Malingering; traumatic brain injury; chronic pain, 14121
transcranial magnetic stimulation; chronic pain; analgesia; current status, 1698
treatment effectiveness; chronic plantar fasciitis; botulinum toxin; clinical results; pain management; drug therapy, 17584
treatment outcomes; opioid prescribing; chronic pain; DIRE Score; test validity; test reliability; analgesia; opioid maintenance treatment; psychometrics, 33819
treatment; children; unexplained chronic pain; biopsychosocial approach; multidisciplinary care; medical management; physical therapy; psychological intervention, 17165
typical facial neuralgias; neuralgia; peripheral nerve localisation; atypical facial pain; nerve trauma; herpes zoster infections, 4600
typical neuralgias; cranio facial pain syndromes; atypical facial pain; International Headache Society classification; nosography; persistent idiopathic facial pain, 4612
Veteran population; coping strategies; two item measures; pain beliefs; test validity; psychometrics, 18576
women's sexual functioning; chronic pelvic pain; depression; childhood sexual abuse; relationship support; sexual relationship satisfaction, 17184

Chronic Pain—Books

The pain survival guide: How to reclaim your life, 8454

Chronic Psychosis—Serials

Functional Adaptation Skills Training; psychosocial intervention; chronic psychotic disorders; aging; schizophrenia; everyday living skills, 34901
problem solving skills; cognitive rehabilitation; chronic psychotic disorders; Italy, 17759

Chronic Schizophrenia [See Schizophrenia]

Chronic Stress—Serials

acute stress events; chronic life stress; substance availability; relapse; substance use; alcohol treatment; drug treatment, 35988
biological consequences; functional consequences; personal consequences; stress; quality of life, 6728
chronic stress; adaptation; high nicotine use; schizophrenia; stress regulation; anandamide; endogenous cannabinoid, 22894
chronic stress; body fat content; obesity prone strain; obesity resistant strain; mice, 623
chronic stress; motivation spatial memory; hippocampus; metabolism; operant conditioning; motor ability; motivation for reward; motivation to explore; short term memory; decay; rats, 27935
chronic stress; work stress; metabolic syndrome, 18252
clinical burnout; cortisol awakening response; dexamethasone suppression test; chronic stress; depression; hypothalamus pituitary adrenal axis, 12992
episodic stress; chronic stress; exposure; reactivity; depression; sex differences; interpersonal domain; adolescents, 13737
hippocampus; heat shock protein expression; mice learning performance; chronic acoustic stress; spatial learning, 616
leadership development; coaching; compassion; chronic power stress, 36443
peripubertal anxiety profile; predisposition prediction; spatial memory impairments; chronic stress; hippocampus; rats; corticosterone levels, 12902
psychophysiological mediators; hostility; stress; chronic stress; caregivers; metabolic; Alzheimer's disease; cognitive decline; cognition, 1835
psychosocial stress; major psychiatric disorders; mental illnesses, 8011
rural environments; lower income level; mothers; chronic stress; health; life changes; resources, 25445
stress conditions; side effects; therapeutic efficacy; physostigmine-scopolamine pretreatment; soman intoxication, 6852
stress; substance abuse diorders; depression; affective disorders; posttraumatic stress; attention deficit hyperactivity disorders; schizophrenia; veterans, 22929

Chronic Stress—Books

Psychology of stress, 4246

Chronicity (Disorders)—Serials

celiac disease; chronic physical illness; eating disorder; eating behaviors; body dissatisfaction; vomiting, 34814
coping behavior; pediatric patients; behavioral problems; emotional adjustment; injury; chronicity; post-traumatic stress symptoms; psychological adjustment, 34815
health beliefs; cervix cancer; patients; chronic disease; illness beliefs; health seeking behavior, 23367
homocysteine concentration; glucose metabolism; non diabetic chronic schizophrenia; non obese schizophrenia; outpatients, 16755
psychosocial risk factors; self report measures; return to work status; functional disability measures; chronicity, 35188
qualitative evaluation; Chronic Disease Self-Management Program; Shanghai; behavior; health status; quality of life, 26823
self efficacy; self reported physical functioning; chronic obstructive pulmonary disease; chronic heart failure; genetic factor, 8003
self management program; health education interventions; evidence based programs; health care system; chronic disease; dissemination, 11550
symptom patterns; chronic PTSD; male Vietnam veterans; war, 19903
time estimation; chronic insomnia sufferers; sleepers; sleep complaint, 35215

Chunking—Serials

chunking; task sequences; task inhibition; prediction; reaction time; learning, 18846
extinction performance; trial-spacing; appetitive conditioning; spontaneous recovery; extinction trials; extinction learning; chunking; short-term memory; self-generated priming mechanism, 22068
feature binding; working memory; central executive; attention; episodic buffer; visual features, 18824
implicit learning; nonlocal rules; music; inversion rule; mere exposure effect; artificial grammar learning; chunking; diatonic inversion, 6580
perceptual learning; implicit memory; scene perception; visual features; chunking; multielement scenes; statistical learning; visual shape combinations, 3307
reading skills; mathematical fluency; decoding; chunking; comprehension; reading aloud, 30263
response chunking; Hebb Digits task; incidental sequential learning; stimulus chunking, 27866
serial pattern learning; multiple item memory; chunking; rule learning; rats; interitem association learning; interleaved subpatterns, 22061
visual short-term memory; associative learning; training; change detection; chunking; visual working memory; spaitial array, 311
working memory; memory capacity; chunks; word length; immediate recall; paired associations, 6562

Churches [See Religious Buildings]

Cigarette Smoking [See Tobacco Smoking]

Cinema [See Films]

Circadian Rhythms (Animal) [See Animal Circadian Rhythms]

Circadian Rhythms (Human) [See Human Biological Rhythms]

Circulation (Blood) [See Blood Circulation]

Circulatory Disorders [See Cardiovascular Disorders]

Circumcision—Serials

circumcision; female genital mutilation; cultural practices; religious rituals, 25442
clitoridectomies; designer vaginas; medical construction; heteronormative female bodies; sexuality; female genital cutting; Victorian England; North America, 10342
female genital cutting; experiment methodological issues; social change interventions; ritual cessation; behavior change, 928
female genital cutting; femininity; chastity; religious observance; social dynamics; ritual cessation, 924
female genital cutting; sociocultural dynamics; behavioral change; ritual cessation, 952
Filipino experience; ritual male circumcision; anti-circumcision advocacy, 28400
health care system; immigrant African women; experiences; circumcision; maternity care; Sweden, 17654
legal issues; ethical issues; elective infant male circumcision; Canadian context; therapeutic intervention, 11468

Cirrhosis (Liver)—Serials

cirrhosis; mortality rates; alcohol consumption; alcoholics anonymous; Ontario, 11657

Citalopram—Serials

acute citalopram; neuronal effects; pharmacology; psychiatric disorders; serotonin; treatment; aetiology; magnetic resonance imaging, 2077
atrioventricular blocks; citalopram; episodic faintness; side effects; drug therapy; recurrent depressive symptoms; elderly patients, 5051
citalopram; memory impairment; electroconvulsive shock; selective serotonin reuptake inhibitor; working memory; immobilization, 15964
diplopia; citalopram; psychiatric problem, 11401
dose response; adjunctive light therapy; citalopram; post-stroke depression, 29773
obsessive-compulsive disorder; neuroacanthocytosis; citalopram; drug therapy; hereditary disease; psychiatric symptoms, 34930
oral racemic citalopram; neuroendocrine responses; selective serotonin reuptake inhibitor; plasma prolactin; plasma cortisol concentrations, 22314
serotonin selective reuptake inhibitors; antinociceptive properties; fluoxetine; fluvoxamine; citalopram; escitalopram; analgesia; mouse model; naloxone, 28164
serotonin; citalopram; loudness dependence; auditory evoked potential; central serotonin function, 22332
serotonin; dopamine transporter; citalopram treatment; obsessive compulsive disorder; human brain, 10725
STAR*D study; remission rates; depression; treatment evaluation; treatment outcomes; citalopram; major depressive disorder; psychiatric care; selective serotonin reuptake inhibitors; symptom remission, 35637
STAR*D study; remission rates; depression; treatment evaluation; treatment outcomes; citalopram; major depressive disorder; psychiatric care; selective serotonin reuptake inhibitors; symptom remission, 35611
sustained-release bupropion; buspirone; medication augmentation; major depressive disorder; citalopram, 29698

Cities [See Urban Environments]

Citizen Participation [See Community Involvement]

Citizenship—Serials

behavioral integrity; supervisory guidance; deviant behavior; citizenship; HLM; employee organizational citizenship behavior, 24377
citizenship programs; corporate citizenship; globalization; companies; corporate commitment; advertising; institutional environments, 27415
citizenship; empowerment; disability; social movements; antidiscrimination legislation, 1309
citizenship; identity; ethnicity; British Pakistani muslims; riots; Bradford; national political conflicts; natural rights, 905
civic education renewal; France; America; citizenship; political apathy, 33410
civil rights experience; citizens; minority groups; communities, 919
compassionate nursing professionals; good citizens; global care; professional international organizations; global ethics, 27107
consumer psychology; economics; consumer sciences; home economics; health; gender; citizenship, 2984
democracy; learning; religious education; moral education; citizenship education; decision making, 25434
democratic citizenship; peace; cosmopolitan mode proposal; paradigmatic techniques, 8888
drug offenses; gender; ethnicity; nationality; England; Wales; female inmates, 20930

engendering; citizenship; feminist analysis; Canadian welfare to work policies; employment experiences; lone mothers; gender sensitivity; self sufficiency, 1039
federal legislation; children's independent citizenship; immigration, 16261
gendered city; different formations; everyday life; globalized cities, 7316
geographical imagery; citizenship; civil society; national identity; Scotland; England; psychological approaches; social identity, 19552
global citizenship education; mainstreaming; England; national curriculum; secondary school texts, 5750
global citizenship education; teachers needs; learners needs; war; conflict; teaching, 25448
Greek identity; citizenship; discourse analysis; nationhood; racial affiliation, 22629
human rights education; Northern Ireland; schools project, 36271
immigrants; Assimilationist Threat Scale; scale development; cultural threat; cultural norms; lifestyle; language; productivity; citizenship, 27607
institutional culture; civic responsibility; student citizenship development; campus ideologies; higher education, 24159
interactive effects; personal traits; experienced states; intraindividual patterns; citizenship behavior; emotional states; job satisfaction, 30496
Listening Post; therapeutic culture; unconscious affect; group communication; free associational methods; reflexive citizenship; connectivity; argument; fighting; politics, 23668
moderating effects; equity sensitivity; organizational justice; organizational citizenship behaviors, 15182
negative effects; organizational politics; turnover intentions; citizenship behavior; job performance, 15152
official statistics; Israeli census; Israeli citizenship; territorial population; nationalism, 4042
organizational citizenship behavior; counterproductive work behavior; meta-analysis; deviant behavior; job performance, 5928
organizational citizenship behavior; motives; motive fulfillment; role identity; workplace, 33555
organizational commitment; employee attitudes; organizational citizenship; behavior; contextual performance; job performance; affective & continuance commitment, 5987
organizational commitment; organizational citizenship behavior; Nepal, 9136
ostracism; exclusion; workplace attitudes and behavior; prejudice; workplace interactions; language; organizational commitment; organizational citizenship behavior, 19502
patriotic messages; warmth message; restaurant tipping, 10460
pride politics; multiculturalist citizenship; national pride; national shame; accusations; public declarations; English national newspapers, 3923
rights based social policy; learning disability; empowerment; equal citizenship; claim articulation; claim actualization; resource control; governance; advocacy, 7952
sexual harassment; Canadian women; citizenship rights; racial discrimination, 13941
social networks; interpersonal citizenship behavior; friendship; influence; third parties; organizational citizenship, 12216
task characteristics; organizational citizenship behavior; job satisfaction, 30530
volunteer citizens; school governance; participation; monitoring schools; performance improvement, 5716
young people; citizenship; social policy; status, 10227
youth bulges; civic knowledge; civic participation; adolescence; large children populations; adult population; political activism, 821
youth bulges; civic knowledge; civic participation; adolescence; large children populations; adult population; political activism, 823

Citizenship—Books

Analyzing citizenship talk: Discourse approaches to politics, society and culture, 19326

Civic Behavior [See Community Involvement]

Civil Law—Serials

Cornelia Rau; mentally ill detainee; jurisdiction; immigration detention policies; civil actions, 6171
EU rights; disability organisations; inclusive society; national laws; national policies, 3083
judges; jury trial; child custody cases, 3079
jurors; judicial admonitions; inadmissible hearsay testimony; juror instructions; hearsay evidence; civil juries; jury verdicts; legal decisions; policy implications; psychological reactance, 12388
jury aids; expert witnesses; summary statements; notetaking; quality of decision making; civil litigation; mock jury members; cognitive aids, 6519
law; ethics; bioethics; mediation; decisions; euthanasia, 3089
psychiatrists beliefs; needs; civil commitment grounds; illness relapse, 15344
special needs children; family court, 3088

Civil Law—Books

Anatomy of a lawsuit: What every education leader should know about legal actions, 15354

Civil Rights [See Also Client Rights, Equal Education]—Serials

Americans with Disabilities Act; American rights; federal courts; physical impairments; employment, 9266
apprenticeship programmes; employee rights, 36421
black; political participation; civil rights; political activity; political empowerment; economic distress, 7295
child policy; children's rights; research; advocacy; psychologists, 3803
child rights; same sex parents; parentage presumption; child protection, 13375
civil libertarian pessimism; politics; government; legislation; civil liberties; normalisation, 7310
civil marriage; juridical factors; legislation; equality; same sex couples; religious freedom; civil rights, 15345
civil rights experience; citizens; minority groups; communities, 919
civil rights; heterosexism; prejudice; minority group; transsexualism; trans persons; gender identity; United Kingdom, 13421
clinical judgment; decision making; Mental Health Act; Mental Health Review Board; least restrictive treatment, 18445
Council of Europe recommendations; human rights; psychiatry; mental health services; legal challenge, 8536
court systems; same sex marriage; jurists; families; children; rights, 15338
cross cultural attitudes; immigrants; social identity perceptions; human rights; victimization, 34653
English football; international tournaments; hooliganism; banning orders; proportionality; public order policing; crowd psychology; civil liberties; legislation, 24528
federal constitutional court; German democracy; politics; rights, 18436
gay couples; marriage rights; lesbianism; politics, 15350
human rights; sexual rights; social change; Barbados; socio-sexual attitudes; stigma; homosexuality; HIV; AIDS, 28511
involuntary medication; mentally ill defendants; competence to stand trial; Sell v. United States; individual rights, 9285
law; constitutional democracy; China; economic growth; legal system; rights, 16383
law; social change; legitimacy; human rights; civil rights; government, 18434
legal claims; everyday political encounters; civil rights; justice; law; government officials; citizens, 24526
legal issues; mental health; rights; ethics; juvenile justice, 18467
lesbian and gay relationships; lesbian and gay parents; marriage; public policy; sexual orientation; legal recognition, 31690
mental health courts; criticism; alternatives; public policy; civil rights, 9289
metro police; Washington DC; police response; anti-war protests; police strategies; tactics, 7145
parental rights termination; foster care children; adoptive families; foster care discharge; reunified children; Adoption and Safe Families Act, 1009
physician assisted suicide; life experiences; policy morality; public policy; disability experiences; disability rights; disability discrimination, 1660
police interrogation; Miranda warnings; defendants, 33716
public opinion; civil liberties; terrorist attacks; mass media, 753
rights based law; least restrictive environment mandate; legal provisions; policy implications, 36631
rights based social policy; learning disability; empowerment; equal citizenship; claim articulation; claim actualization; resource control; governance; advocacy, 7952
rights; duties; bad Samaritans; pedophiles; alleged terrorists; moral monsters; Patriot Act, 21561
sex workers movement; Bangladesh; civil rights; identity construction; social identity, 36627
Sohrab Hassan; liberty; Texas mental health courts; coercive psychiatry; social responsibility; group cohesion; individual freedom; psychiatric incarceration; forced psychiatric drugging, 27522
South African children; home environment; monitoring systems; apartheid era; fundamental rights; civil rights, 10204
Terri Schiavo; disability rights case; terminally ill; medicare; disability discrimination, 16627
youth attitudes; educational rights; secondary students; school climate, 5827

Civil Rights [See Also Client Rights, Equal Education]—Books

Scientific evidence and equal protection of the law, 21548

Civil Rights Movement—Serials

civil rights movement; generational influences; economic influences; democratic identification; African American partisanship; legacy, 1032
EU rights; disability organisations; inclusive society; national laws; national policies, 3083
sex workers movement; Bangladesh; civil rights; identity construction; social identity, 36627
social workers; discrimination; community; Brown; Board of Education; civil rights, 11587

Class Attitudes [See Socioeconomic Class Attitudes]

Classical Conditioning [See Also Conditioned Emotional Responses, Conditioned Responses, Eyelid Conditioning, Higher Order Conditioning, Unconditioned Responses]—Serials

4 aminopyridine; classical conditioning; potassium channels; rabbits; nictitating membrane response; learning; memory, 34232
amygdalar pathways; lateral hypothalamus; food consumption; prefrontal pathways; learned cue; eating behavior; conditioned feeding potentiation; neurotoxic lesion; rats, 22215
animal conditioning; cue competition; causal reasoning; associative learning; animal cognition; rats; Pavlovian conditioning, 12811
animal learning; animal cognition; Pavlovian conditioning; attentional theory, 31114
anxiety; attention; Implicit Association Test; visual search; threat; attentional bias; abstract stimuli; associative processes; evaluative conditioning; visual search; fear of spiders; fear of snakes, 6402
automatically activated racial prejudice; implicit evaluative conditioning; Whites; conditioned stimulus; unconditioned stimulus, 16319
blocking; surprise; predictive learning; PAG; opioid; opioid receptors; midbrain; ventrolateral periaqueductal gray; prediction errors; Pavlovian fear conditioning; rats; receptor antagonists, 19049
classical conditioning; operant conditioning; neuron properties; neuroscience; feeding behavior; aplysia; associative learning, 22066
classical conditioning; picture-picture paradigm; evaluative conditioning; learning, 15725
classical fear conditioning; amygdala; hippocampus; mice; gene expression, 18978
classroom demonstration; classical conditioning; college students, 27163
conditioned fear; anxiety; bed nucleus of the stria terminalis; behavior systems; lesions; classical conditioning; rats, 19003
conditioning preferences; children; novel stimuli; paired presentations, 13189
context fear conditioning; immediate shock deficit; freezing; footshock; classical conditioning; rats; unconditioned stimulus; shock manipulations, 27953
context specificity assessment; conditioned stimulus; preexposure effect; Pavlovian excitatory; inhibitory conditioning; rats, 22070
context-specific expression; neural circuits; Pavlovian fear memory, 28029
differential inhibition; extended comparator hypothesis; Pavlovian inhibition; posttraining extinction; rats; spaced training trials, 27964
extinction; spontaneous recovery; rats; pigeons; fear conditioning; animal learning; error correction, 18912
eyeblink conditioning; extinction; context; classical conditioning; memory; rabbits, 22072
eyelid; learning; medial geniculate; posterior intralaminar nucleus; suprageniculate; medial auditory thalamic nuclei; eyeblink conditioning; auditory conditioned stimulus; induced lesions; rats, 28074
gene encoded protein; synaptic delivery; classical conditioning; neuronal activity; synaptic plasticity, 15792
insect psychoneuroimmunology; immune system; learning; protein starved bumblebees; nervous system; classical conditioning paradigm, 15895

Classical Conditioning—Serials

insect psychoneuroimmunology; immune system; learning; protein starved bumblebees; nervous system; classical conditioning paradigm, 15897
intertrial interval; conditional stimulus; rats; appetitive conditioning; discriminative cue, 12816
learning; anxiety; conditioned emotional response; conditioned fear; amygdala; AMPA receptors; genes; gria1; gria2; mice, 18933
memory consolidation; Pavlovian fear conditioning; nitric oxide signaling; memory formation; lateral amygdala; auditory fear conditioning; synaptic plasticity, 6772
neurons; profrontal cortex; rat exhibit tonic; phasic coding; trace fear conditioning; conditioned stimulus; unconditioned stimulus; prelimbic; infralimbic; classical conditioning; temporal bridging, 9852
Pavlovian conditioning; configural; stimulus sampling theory; discrimination learning; stimulus representations; associative learning, 24850
Pavlovian conditioning; contingency; uncertainty; time; temporal information; conditioned stimulus; unconditioned stimulus; autoshaped responding; intertrial interval, 27942
place learning; cerebellar cortex; interpositus nucleus; cerebellum-dependent learning; hippocampus-dependent learning; Purkinje neurons; mice; classical conditioning; sodium channel; maze; eyeblink, 19009
predictve danger; nature; neural mechanisms; Pavlovian fear learning; adaptive behavior; attention, 24878
recovery; blocking; overshadowing; backward blocking; super latent inhibition; classical conditioning; attentional model; neural network model; storage; retrieval, 9702
reinforcer devaluation; flavor preference learning; rats; palatability; association; outcome, 467
repeated acquisitions; extinctions; classical conditioning; rabbit; nictitating membrane response; eyeblink conditioning; cerebellar; forebrain, 25072
stimulus generalization; excitation; inhibitory conditioning; classical conditioning; pigeons, 15797
stimulus processing; Pavlovian pupillary conditioning; differential conditioning; conditioned fear; patterning, 22284
stria terminalis; bed nucleus; associative learning; acute stress; male rats; anxiety; amygdala; eyeblink; corticosterone; classical conditioning, 9780
temporal processing; medial prefrontal cortex; hippocampus; prelimbic cortex; trace fear conditioning, 9806
unpleasant sound; unconditional stimuli; Pavlovian conditioning; anxiety; electric shock; loud tones, 31057
ventral tegmental area; Pavlovian instrumental transfer; cues; excitatory influence; GABA receptor agonists; muscimol; baclofen; rats, 18989

Classical Test Theory—Serials

probability; statistical test; test index; test reliability; item response theory; classical test theory; educational measurement, 27685
SAS macros; classical test theory; item response models; statistically different test scores; compatibility; availability, 21784
unidimensionality; bandwidth; Center for Epidemiological Studies Depression Scale; classical test theory; item response theory, 12521

Classification (Cognitive Process)—Serials

16-23 month old children; word knowledge; spontaneous labeling; categorization, 34367
action; shape categories; childhood development; cognitive development; 2-year-olds, 798
affective priming; pictures; emotional scenes; perceptual similarity; category relatedness; response latencies, 21905
age of acquisition effects; semantic processing; object namimg; pictorial stimuli, 6906
age of acquisition; object classification task; naming; semantic classification, 25248
Bayesian adjustment strategies; within category feature correlations; judgment accuracy; memory, 31037
binary decisions; stimulus-response compatibility; polarity correspondence; Implicit Association Test; MARC effect; SNARC effect, 18800
body parts; categorization; Punjabi language; terms; inventory, 34286
boundary drawing; spatial grouping; spatial region attribution, 22474
Bubbles technique; young infants; perceptual categorization; information use; face processing, 25266
categories; causal relations; causal learning; previous learning contexts, 22020
categorization; classification; causal knowledge; causal model theory; causal status hypothesis, 24825
categorization; contrast; similarity; concepts; color; semantics, 6411
categorization; contrast; similarity; concepts; task switching; switching cost; mixing cost; task ambiguity; working memory, 6430
categorization; eyetracking; prototype model; exemplar based generalized context model; category learning; selective attention, 255
categorization; inductive reasoning; similarity, recognition memory, cognitive development; induction task; young children; linguistic labels; perceptual information; artificial labels; real labels, 3837
categorization; inductive reasoning; similarity, recognition memory, cognitive development; induction task; young children; linguistic labels; perceptual information; artificial labels; real labels, 3822
categorization; lateralization; anomaly detection; experience, 572
categorization; visual search; color; distracters; linear separability effect, 27765
categorization; visual search; object recognition; medical screening; security screening, 3323
categorization; visual search; object recognition; security screening; familiarity; aviation safety; terrorism; airport security checkpoints; visual complexity, 9247
categorizing; grounded theory method; methodical hermeneutics; qualitative research; experiential cognition; epistemology, 33891
category acquisition; environmental influences; goals influences; SUSTAIN clustering model, 6586
category exemplar production test; implicit priming; transfer appropriate processing; category structure; divided attention; cued recall; frequency, 15719
category focus; frequency estimation; encoding; response latencies; verbal protocols, 21945
category learning & dimensionality; concepts; error-driven learning; unsupervised learning; feature knowledge; family resemblance, 15717
category learning; perceptual contrast; recency effect; stimulus generalization; short term memory, 15721
category learning; strategy change; task difficulty; selective attention; error driven learning; knowledge restructuring, 3422
category representations; classification; stimulus, 22025
Chinese adults; western adults; object similarity; relationship between objects; object categorization process; cultural influence, 801
class inclusion; learning; logical explanations; problem solving; childhood development, 28301
classification; inference learning; categorization; category learning; category representation; predictive inference; feature inference learning; prototype representation; exemplar representation, 6415
cognitive busyness; perceptions; category conjunctions; social categorizations; cognitive processing, 19562
cognitive process; classification; baboons, 27857
coherence; category coherence; cross classification; reasoning; social categories; category based inference, 15682
collinear context; perceptual filter; Gabor stimulus; classification image method, 30918
color categorization; cross species differences, 30903
color; color terms; categorization; cognition; culture, 9535
confidence development; performance development; skill learning; categorical decision tasks, 359
configural information; gender categorization; face recognition, 21834
correlation information; perceptual categories; learning; 4 mo olds; rapid correlation, 10052
cortico-striatal contributions; category learning; verbal systems; implicit systems; memory; prefrontal cortex; aging; striatum; Parkinson's disease, 11108
cross linguistic categorization; human body; semantic typology; languages; dictionaries, 34272
crossed categorization; ingroup contexts; social identity, 31742
Delphi sorting technique; sexual history; sexual health medicine; physicians access; sex education, 25561
diagnosis; classification; dimensional; categorical; DSM-V, 4284
domains; object recognition; categorization; naming; crowded categories; semantic information; stimulus, 15656
dual task interference; working memory; perceptual category learning, 22026
electrophysiological correlates; categorization; amplitude; target similarity; event-related potential; behavioral correlates; perceptual similarity; schematic human face; neuropsychological responses, 12942

Classification (Cognitive Process)—Serials

emotion paradox; experience of emotion; act of categorization; embodied knowledge; conceptual act, 13513
encouragement gesture; forearm tensors; forearm flexors; fist clenching; categorization, 31022
estimation bias; multiple-category classification; likelihood; Bayesian estimators; item response theory; educational measurement, 30613
eyetracking; selective attention; category learning, 436
feedback model; perceptual learning; categorization; visual perception; cortical region interactions; visual information processing; top down information, 18431
folkbiology; freshwater fish; categorization; Native American fish experts; majority-culture fish experts; cultural differences; expertise, 15673
four month old infants; infant perception; animal categorization; body part importance; novelty preference, 10062
free sorting behavior; naming; color vocabularies; grouping behavior; linguistic; languages; industrialized & traditional cultures, 9548
handshapes perception; American sign language; categorical perception; language, 6493
hue stimulus choice; hue category formation; color categories, 9543
human categorization behavior; exemplars; category learning; discriminating stimuli; rule based theories, 18807
Implicit Association Test; concept association; categorization, 12707
incremental learning; category structure; inferences; judgments; family resemblance, 30978
infant sensitivity; visual pattern information; uniform connectedness; cues; perceptual organization, 31408
infants; categorization; novel objects; perceptual information; more obvious features; animacy cues; object names; less obvious features, 16141
intragroup social comparisons; self evaluation; social identity motives; self categorization theory, 22768
Japanese macaques; agonistic confrontations; kinship; rank, 22103
leader charisma; self categorization perspective; social identity; ingroup leaders, 31769
local processing; global processing; category specific recognition impairment; living things; integrative visual agnosia; patient, 17347
machine learning; soil classification; engineering problems; geotechnics; petroleum, 36599
mother child conversations; categories; individuals; developmental psychology; human thoughts, 6994
multi-objective structure optimization; feed forward neural networks; classification accuracy; embedding systems; algorithms, 18430
negative numbers; mental number line; negative numbers; positive numbers, 3366
neural markers; categorization; human infants; learning processes; electrical activity, 10063
normal processing; specialized semantic subsystems; category specific disorders; neuropsychological deficits; semantic organization, 9959
number processing; negative numbers; mental number line; classification, 3367
online multiclass learning; feedback; utterance classification; algorithms, 6121
online unsupervised classification; learning mechanism; unsupervised topology, 24503
Parkinsons disease; dimensional variation; rule based category learning; working memory; selective attention; categorization task, 11071
partition dependence; variety seeking; choice; money allocation; diversification bias; options; subjective grouping; preferences, 3368
payoff structure; regulatory focus; perceptual categories; motivation & learning; promotion focus; prevention focus, 9601
perceptual discrimination; visual search; reference exemplars; nonreference exemplars; attention; categorization; representational asymmetry, 30974
perceptually grounded categories; language; models, 6549
picture-object recognition; categorization; representation; pigeons; pictorial stimuli; insight, 18900
play subtypes; categorization criteria; activity play; pretend play; childhood development; communication, 28362
preschool age children; generalized relational matching; joint control; mediating stimuli, 28300
probabilistic categorization; probabilistic category learning; strategies; hippocampal damage; cues; young adults, 18987
problem solving; categorization; goal-derived categories; ad hoc categories; insight problems, 24794

Classification (Cognitive Process)—Serials

processing time; scene context; gist; color pictures; natural scene; categorization, 314
prototypes attractiveness; category structure; affect; human faces, 21928
prototypicality preference; attractiveness; affective reactions; categorization speed & fluency; psychophysioloicgal indicators, 33910
questions; animals; categorizing; biological reasoning; artifact concepts, 25263
rapid categorization; foveal natural images; extrafoveal natural images; event related potentials; lateralization effects; behavioral impairment; spatial attention, 6749
recategorization; subgroup identification; preventing threats; common ingroups, 16445
recognition; classification judgments; artificial grammar learning; z transformed receiver operating characteristics; heuristics, 18852
relational analogies; parent child conversations; similarity comparisons; science topics, 25521
rules; decision making; categorization; concept learning; classification; instances, 18772
schema relations; perceptual similarity; vision; audition; perceptual and conceptual cues; categorizing; visual modality; information processing; sensory modality, 16093
self reported traits; beliefs about self; encoding skills; categorization speed; extraversion; life satisfaction; individual differences; undergraduates, 13570
similarity; dissimilarity; perceptual categorization; exemplar model; category membership, 9612
social categories; depersonalization; group processes; self categorization theory; ingroup outgroups; self perception; social identity, 16441
social categorization; automatic evaluation; race; person perception; racial groups; affective fit, 4185
social categorization; multiple criteria; intergroup bias, 1138
social cognition; social groups; social stimuli; person categorization; typicality, 10456
social inferences; essentializing differences; social categories; gender categories; attributes; men; women, 13491
Spanish learners; English; second language speech perception; phonological categorization, 9955
Spanish learners; English; second language speech perception; phonological categorization, 9936
spatial information processing; coordinate spatial processing; posterior parietal cortex; categorical and coordinate judgments; imagery domain, 25054
spoken production; semantics; interference; object naming; psycholinguistics; semantic context effect, 6513
stereotype; stereotyping; categorization; stereotype accuracy; contrast; assimilation; comparison; category overlap; attribution; group characteristics; social groups, 31809
stimulus orientations; categorical discriminations; perceptual categories; learning, 9581
time course; pictures; words; categorization; event related potential, 34148
ventral striatum; nucleus accumbens; prediction errors; classification learning, 34121
visual displays; numeric meaning; luminance; digits; performance; classification task; numerals, 18705
visual information; nautural scenes; basic-level scene categorizations, 305
visual recognition; aging; experience level; spatial-frequency; information processing; semantics, 34458
Weber's law; time perception; timing theory; temporal production; categorization experiments; pigeons; stimulus duration, 12814
Wisconsin Card Sorting Test; cognitive functions; age related decline, 20323
young children; role of function; natural kinds; category judgments, 6989

Classification Systems [See Taxonomies]

Classmates—Serials

sociometric status determination; Asher and Dodge system; primary school children; classmates; two dimensional procedures; peer perceptions, 5840

Classroom Behavior—Serials

A Quiet place programme; therapeutic programme; social difficulties; emotional difficulties; behavioural difficulties; classroom behaviour; childhood development, 12097
academic achievement; prenatal alcohol exposure; alcohol-affected youth; special education placement; cognitive ability; fetal alcohol syndrome; adolescents, 16958
analysis; bilingual classroom discourse; Damascus University; classroom interaction; students responses, 21082
attention deficit hyperactivity disorder; ADHD; self-management; organizational skills; adolescents; general education classrooms, 15076
attention-deficit hyperactivity disorder; academic engagement behaviors; off-task behaviors; students, 18102
auditory performance test; visual continuous performance test; cognitive functioning; classroom behavior; attention; self-control; elementary school children; visual processing; gender; age, 18596
children's aggression; teacher's responses; school aggression; goodness; popularity; teacher's commitment; identification, 15055
children's mathematical thinking; classroom cultures; social interaction; cognitive processes; class discussion, 27268
classroom activities; engagement; childhood development; reading disability; writing difficulties, 29131
classroom behavior; peer relations; teacher student interaction, 12036
classroom behavior; self monitoring strategies; elementary aged students; special education classroom, 15071
classroom discourse; culture; institutional practices; sociocultural framework; classroom research; participation structures; identities; agency, 2586
classroom engagement; teacher student support; elementary students; peer acceptance; at risk populations, 15045
classroom justice; students perceptions; emotional response; empowerment, 11850
computerized test; self control; classroom behavior; children; attention deficit hyperactivity disorder, 30372
Corrective Reading Program; reading abilities; classroom behaviors; middle school students; reading deficits; challenging behavior; special education, 30373
disruptive behaviors; kindergarten; high school diploma; parental attitudes; teacher management style; educational achievement, 7098
educational kinesiology; learning; Brain Gym; posture; academic skills; cognitive skills; physiology, 5671
family effects; peer effects; school domains; school dropout; drug use; adult social bonds; criminological theories, 15038
functional assessment; collaboration; evidence based treatment; team approach; challenging behaviors; classroom behaviors; early intervention, 24186
happiness; student happiness; student behavior; classroom related behavior; grade level; teachers, 12035
high school science; science classroom; academic identities; students attitudes, 24230
impulsive behavior; classrooms; cognitive behavioral techniques; book; students, 11201
information disclosure; epilepsy; diabetes mellitus; classroom behavior; teacher understanding; students classroom difficulties; preservice teachers; continuing education teachers, 8885
kindergarten behavior; uninhibited temperament; inhibited temperament; classroom behaviors; risk factors; infant temperament, 12038
multi method approach; data collection; class size differences; student teacher interaction; quantitative methods; qualitative methods; classroom observations, 197
peer acceptance; classroom engagement; school belonging; teacher student support; engagement; first grade students; low achieving children, 15046
peer rejection; self concept; classroom behavior; school adjustment, 12020
personality types; resilience; over-controlled; under-controlled; academic achievement; aggression; physiological; behavioral; cognitive; cortisol, 7053
physical aggression; anger; posttraumatic stress disorder; boys; abuse reporting; physical abuse; sexual abuse; classroom aggression, 28254
play behaviors; autism spectrum disorders, 4548
psychometric properties; School Situations Questionnaire; Disruptive Behaviors Disorders Rating Scale; test reliability; convergent validity; at risk preschool children, 18597
response cards; disruptive behavior; academic responding; math lessons; fourth grade urban students, 21148
school behavior; at risk population; attention deficit hyperactivity disorder; parent rating; school behavior, 4562
school furniture; fourth grade children; task behavior; sitting behavior; classroom; ergonomics; time on task, 9222
short course effects; teachers; infant schools; junior schools; secondary schools; verbal feedback; academic behaviours; social behaviours, 2630
students' motivation; elementary mathematics; classroom experiences; teacher student interaction; self efficacy; elementary school student attitudes; affect, 27264
traumatic experience; expressive behavior; elementary school students; educational process; classroom behavior; self report, 28045
verbal abuse; physical abuse; sixth graders; student reactions; gender differences; peer relations, 13892

Classroom Behavior—Books

Teaching class clowns (and what they can teach us), 21171

Classroom Behavior Modification—Serials

academic systems; behavior support; reading challenges; elementary grades; office discipline referral; reading skills, 33341
acceptability; daily behavior; report cards; teachers attitude, 33329
coaching; positive behavior support; school settings; decision making; student performance; teachers, 33411
contingency mapping; visual support strategy; functional equivalence training; program effectiveness; autism; classroom education, 33478
disabilities; self monitoring; teacher training; classrooms; staff behavior; school system; prompting, 30376
object mouthing; public schools; classrooms; special education; treatment; developmental disabilities; treatment, 20454
schoolwide application; positive behavior support; high school; program evaluation; educational program, 33485

Classroom Discipline—Serials

academic systems; behavior support; reading challenges; elementary grades; office discipline referral; reading skills, 33341
classroom quality; toolkit approach; school readiness; preschool classrooms; teacher child interaction, 18074
indiscipline; student violence; aggression; educational systems, 14931
panopticism; play; surveillance resistance; students internet use; disciplinary policies; disciplinary procedures; students online activities surveillance, 2723
school violence; corporal punishment; authoritarianism; pupil control ideology; educational personnel, 6345
student perceptions; classroom discipline strategies; student misbehavior; Australia; China; Israel, 5659

Classroom Environment—Serials

academic deficits; social deficits; emotional disorders; behavioral disorders; self contained classrooms; self contained schools; students, 12050
academic ethic; academic achievement; gender differences; college students, 2687
classroom discourse; culture; institutional practices; sociocultural framework; classroom research; participation structures; identities; agency, 2586
classroom dynamics; interpersonal relationships; student learning; social inclusion; student participation, 18075
classroom dynamics; second language acquisition; collaborative learning; recasts; feedback; interpersonal conflict, 17938
classroom environment; community outcomes; learning assessment; learning community program; student achievement; academic outcomes; social outcomes, 8915
classroom environment; kindergarten; family environment; social problems; behavioral problems; resiliency; children's self control; children's behavior, 5821
classroom environment; teacher assessed academic achievement; child perceptions; fraternal twin pairs; nature; nurture, 36355
classroom learning preferences; elementary school students; classroom environment, 5825
classroom practice; students; algebraic reasoning skills; instructional practice, 11899
classroom skills; long term inclusion; intellectual disabilities; task related behavior; childhood development, 18123
College and University Classroom Environment Inventory; CUCEI; validity; reliability; computer classroom environment; learning environment; students' perceptions, 33465
college students; class activities; class structure; effective strategies; introductory psychology, 36338
comparative effectiveness; web based instruction; classroom instruction, 33412
computer use; high school students; classroom environment; sense of learning; sense of classroom community, 33417

consistency; false suggestions; children's reports; repeated events; classroom activities; memory; source monitoring, 21232
contact conditions; prejudice reduction; classroom context; intergroup contact; ethnic prejudice; middle schools; high school students, 33469
developmental disabilities; sound-field amplification system; public address amplification system; special education classrooms; speech characteristics, 36360
ethics training; business student values; ethical dilemmas; classroom setting; business education; leadership, 12106
function based intervention; inclusive placements; school classroom; kindergarten program; childhood development; mental retardation, 18110
Greek teachers understandings; social learning; emotional learning; classroom environment; emotional intelligence; competence, 33378
group contingency intervention; academic engagement; problem behavior; elementary school classrooms; at risk students; learning environment; teaching, 27564
inscriptional practices; data tables; graphs; inquiry based classrooms; seventh graders; teaching methods, 24252
instructional objectives; instructional design system; job analysis; organization; instructional environments; needs assessment; training issues, 36425
instructor intuition; educational setting; technical rationalist approaches; implicit learning, 36153
justice; schools; educational goods distribution; school life; teaching-learning practices; teachers; grade distribution; social theory; students; beliefs; right to education; classrooms, 27133
lesbian teachers; student writing; feminism; teacher subjectivities; composition classroom, 5664
linking research; mathematics education; classroom teaching, 18021
literacy development; bilingualism; monolingual classroom, 33404
mathematics teaching; primary school classrooms; teaching characteristics; problem solving; teaching quality; classroom behavior; childhood development, 8921
moral dilemmas; primary school classrooms; hushing; ethnography; moral education; teachers, 24250
optimal matching; teacher social support; students daily school stressors; wellness; academic self concept; classroom climate, 30173
otitis media; child care quality; communicative behavior; social behavior; toddlers; classroom environments, 8193
peer tutoring systems; classroom environments; specialized environments; academic performance; disabled students, 15077
physical environment; child development; behavioral toxicology; psychophysiological outcomes; noise; crowding; housing; neighborhood quality; child day care; schools, 9991
pupils perception; organizational arrangement; schools; teachers perceptions; parents perceptions, 30253
reduction of task duration; functional behavior assessment; curriculum-based assessment; intervention; off-task behavior management, 12033
reflection; learning; student attitudes; classroom setting, 12021
school psychology; schooling process & outcomes; social experiences; academic achievement; classroom environments, 24155
school psychology; schooling related processes; bullying; social group processes, 17946
sciences; students' perceptions; classroom environments; learning environment; background variables; gender; socioeconomic status; ethnicity; class size; middle schools, 18072
self contained classrooms; students; special education; self contained schools; emotional disorders; behavioral disorders, 12051
sociocultural perspective; classroom conversation; relationships assessment; narratives; teacher student relations; teaching; learning, 12027
teacher effectiveness; methodological reflections; research; process-product perspective; standardized tests; classrom observation; qualitative methods; outcome measures, 15485
teacher expectations; self-fulfilling prophecy; perceived competence; multilevel analysis; self-determination theory; physical education classes; autonomy supportive climate; motivational climate, 14937

Classroom Environment—Books

Classroom communication and instructional processes: Advances through meta-analysis, 21168
Don't smile until December, and other myths about classroom teaching, 21172
How to survive and thrive in the first three weeks of school, 21240
Inside teaching: How classroom life undermines reform, 11873
Planning classroom management: A five-step process to creating a positive learning environment (2nd ed.), 30357

Classroom Instruction [See Teaching]

Classroom Management [See Also Classroom Discipline]—Serials

aggression; behaviour control; classroom management; countercontrol; disruption; noncompliance; violence, 8988
classroom management; contingency management; group contingency; good behavior game, 14984
conflict management styles; attachment styles; classroom management efficacy; teachers; school context, 17983
problem students; classroom interventions; task engagement; preferred activities; student choice; academic performance, 24242
professional development program; behavioral infraction; referrals; special education; behavioral interventions; academic achievement; behavior management, 14896
sharing health information; teachers production; classroom accommodations; elementary school teachers; type 1 diabetes mellitus; confidence; school related problems, 21078
socialization; teacher talk; Australian bilingual class; elementary school; teacher practices; classroom management; apprenticeship; learning; social practices & meaning, 30247
teachers management knowledge; classroom management; teaching effectiveness; physical education teachers; teacher development, 2613
teachers' directions; preschool & kindergarten classrooms; high probability command sequence; student compliance, 8984

Classrooms—Serials

academic achievement; student motivation; classroom goal structure; learning patterns; mastery; knowledge; skill development; achievement goal theory, 12002
academic enablers; student achievement; educational assessment; intervention services; schools; students participation, 15001
activity theory; analyzing knowledge building framework; computer databases; computer supported learning environment; community; rules; mediating artefacts; division of labour, 33415
antecedent assessment; mainstreaming; Tourette disorder; tics, 11128
anthropologists work; anthropology classrooms; future image; alternative thinking; globalization, 5639
attitudes; special education teachers; disabilities; schools; education classroom; goals; emotional needs, 17988
children writing; handwritten monomodal work; text production; assessment; multimodality; literacy pedagogies; literacy curriculum; classrooms, 21163
classroom debates; teams; history; systems course; learning; psychological ideas, 27165
classroom discourse; classroom interaction; teachers; bilingual students; ethnography; discourse analysis; English as an additional language, 36187
classroom environments; classroom factors; scholastic achievement; school children; cognitive development, 2691
classroom instruction; student performance; linear equations; linear inequalities; mathematics education, 18067
classroom learning preferences; elementary school students; classroom environment, 5825
classroom quality; toolkit approach; school readiness; preschool classrooms; teacher child interaction, 18074
classroom racial proportion; self concept; social competence; Zimbabwean adolescents, 21227
classroom segregation; Schelling model; collective choice; decision making; social processes; individual preferences; strategic reasoning; classroom seating, 15062
classroom; clinic; language learning disability; academic concepts; teacher language; discourse difficulty, 7946
classroom; design of pedagogic discourse; social semiotic analysis; English classroom; multimodal sign; visual displays; spatial design; social relations; activity theory, 2582
cognitive flexibility; teachers; learning; student motives; classroom, 11829
college students; student perceptions; teaching assistants; self disclosure; classroom, 21230
communication; identity issues; multicultural schools; peer collaboration; multi-ethnic classrooms, 5824
computer based programmed instruction; teacher greetings; parent teacher communication, 30185
contextual factors; cooperative learning; learning quality; students' goal preferences; classroom environment, 15043
contextual factors; goal directed behavior; classroom; multiple goals; communities; motivation; social support network, 14993
dialog; teacher talk; student silence; classrooms; school; interaction; language teachers; extended conversation; dual-language kindergarten; classroom discourse, 2655
digital cameras; multidimensional learning; K-12 classrooms; educational tools; today's classrooms; students, 33347
disruptive behavior; classrooms; on task orientation; school; cognitive competence; peers; teachers, 15035
elementary students; mild disabilities; general education classrooms; peers; social interventions, 18136
environmental comfort; school buildings; user behavior; environmental awareness; classroom space, 15296
esthetic conditions; university students; rating scale; classrooms; well being; fatigue, 27737
exploring input processing; classrooms; experimental comparison; processing instruction; enriched input; second language acquisition, 33406
expository text; text structure; reading comprehension; instruction; compare-contrast text; classrooms, 8951
functional behavioral assessment; emotional and behavioral disabilities; inappropriate behavior; classroom peers, 22920
general education classrooms; mental retardation; special education students; mainstreaming, 18148
genre based instructions; written texts; English for academic purposes; classrooms; language forms, 5661
HIV; AIDS; teaching module; university classroom; prevention; college students; US, 29440
immediacy; out of class communication; college classrooms; instructor; cross cultural differences; satisfaction, 16298
inclusive education; high school students; severe intellectual disabilities; learning environment, 15074
incorporating spirituality; core counseling courses; classroom application; cultural paradigms, 5529
internet; constructivist technology; K-12 classrooms; instructional technology; teaching methods, 30285
kindergarten classroom; lowest performing students; english learner; phonological awareness skills, 33441
learning outcomes; multicultural music education; classroom learning; sociocultural phenomenon, 36225
learning situations; students construction; professional tasks; classroom setting; multiple representations; artefacts, 30307
mainstream classrooms; special education; Down syndrome, 30362
managing aggression; cognitive behavioral interventions; emotional behavioral disorders; classrooms, 10797
mathematics education; primary multilingual classroom; discourse analysis; dominant language, 11962
metacognition; teachers; classroom; social norms, 5660
metacognitive knowledge; learning; technology; classrooms, 5780
middle school students; students academic achievement; classroom intervention; student attitudes, 15016
middle school teachers; classrooms; motivating instruction, 11852
middle school youth; tobacco use prevention; African American students; program evaluation; curriculum, 36390
moral dilemmas; primary school classrooms; hushing; ethnography; moral education; teachers, 24250
National Literacy Strategy; corpus linguistics; education policy; education policy; classroom practice, 21158
online teaching; online language tutors; online language courses, 8903

Classrooms—Serials

oral reading fluency; performance; Statewide Reading Test; classrooms; testing, 27666
pedagogical issues; classroom guidance curriculum; Hong Kong; class teachers, 11971
peer acceptance; antisocial behavior; classrooms; peer relations, 8995
preschool classroom behavioral adjustment problems; social emotional competencies; emotion regulation, 8991
psychodynamic therapy; teaching; psychiatric residents; classroom teaching; psychodynamic psychiatry, 21007
quality child care; socio-emotional risk factors; urban children; quality improvements; classroom quality, 7263
quality measurement; preschool child care classrooms; confirmatory factor analysis; Early Childhood Environment Rating Scale Revised; psychometric properties; test validity, 6346
ravaging resistance; collaborative learning classroom; educational setting; Resistance Breaking Process Model, 2732
reading development; reading impairment; neurobiological factors; behavioral factors; literacy skills; classroom, 7947
SMART classroom curriculum; family screen time; screen media; public elementary schools; television viewing, 21156
social interaction; adolescent; peer training program; augmentative communication; alternative communication; physical disabilities; classroom interactions, 12052
special education teachers; Turkey; classroom settings; problem behaviors; developmental disabilities; functional analysis, 27273
specific language impairment; children; educational needs; classrooms; teaching; speech language therapy; special education, 33474
standards based education; English language learners; school reform; student achievement; classrooms, 27147
student conceptions; writing; spontaneous metaphors; science classroom; learning, 30342
student conversation; computer based technology classroom; kindergarten students, 5829
task based interactions; interlanguage development; classroom; laboratory settings, 8901
teacher characteristics; teaching styles; classroom practice; mathematics classes; secondary education; job satisfaction, 17987
teacher tests; equal opportunity; teacher education; educations foundations; minority groups; classrooms, 33379
teacher training; infant classroom; teaching strategies; student teachers; feedback, 8882
teaching family policy; college classrooms; graduate education; learning opportunities; policymaking, 14945
teaching methods comparison; interteaching; lecture; college classroom; undergraduate students; classroom instruction, 18033
teaching practices; curriculum authoring tools; inclusive classrooms; curriculum development; curriculum implementation, 18005
teaching; test validation; classroom activity; psychological testing, 5779
team supports; autism; communication skills; general education curriculum; mainstreaming, 15086
technology facilitated solution; advanced students; large undergraduate classes; learning program, 14977
time perception; cross cultural differences; employee attitudes; employer attitudes; team processes, 36447
traditional classroom lecture; online education; general psychology course; exam performance; course evaluation; high school grade point average, 21137
traditional classroom; online discussion; student motivation; learning activities; college students; student attitudes, 30328
traditional course; online course; experimental psychology class; planned behavior theory; student choice; student attitudes, 14980
video; classroom; instructional practices; films; mass media; learning tool; teacher perceptions, 36246
writing instruction; teacher beliefs; classrooms, 14917

Classrooms—Books

What successful math teachers do, grades 6–12: 79 research-based strategies for the standards-based classroom, 21170

Claustrophobia—Serials

continuous positive airway pressure; in vivo exposure therapy; claustrophobic response; Hispanic male veteran; sleep apnea syndrome, 14138
psychometric properties; Claustrophobia Questionnaire; French version; English version, 33831

Cleft Palate—Serials

nasalance scores; cleft palate speakers; nasalance analysis; hypernasal patients; measurement, 17124

Clergy [See Also Chaplains, Ministers (Religion), Priests, Rabbis]—Serials

African American clergy; informal services providers; drug users; religiosity; ethnography, 30020
children; clergy families; quality of life; spouses; family stress, 16356
clergy role; stress; satisfaction; role ambiguity; clergy satisfaction; Church, 31591
clergy sexual abuse; women; victims; Christian professionals; social workers; religious organizations, 34976
codes of conduct; Virtus Model Code of Pastoral Conduct; Catholic clergy; priesthood; Catholic Bishops; dioceses; eparchies, 22649
Irish Catholic priests; clergy; psychological health; Ireland; work related health, 19724
population perspectives; forgiveness; Christian clergy; individual differences, 939
sexual abuse; Catholic clergy; clericalism; perpetrators; institutional response, 13887
sexual misconduct; Roman Catholic clergy; psychological patterns; risk factors, 1499

Client Abuse [See Patient Abuse]

Client Attitudes [See Also Client Satisfaction]—Serials

African American clients; counseling; community mental health agency; subjective experiences; clients' perspectives; grounded theory study; client-therapist match; model, 1983
African American clients; psychotherapy; treatment; mental health; Black; therapists' race; client attitudes & reactions, 20464
aggressive behavior; high secure forensic setting; patient perceptions, 14728
antipsychotics; outpatients clinics; schizophrenia; Nigeria; medication; patient attitudes, 19827
Attitudes Toward Seeking Professional Psychological Help Scale; test validity; treatment experiences, 24641
attitudes; pharmacological treatment; cognitive dimensions; schizophrenia; clinical aspects; psychopathology; neuropsychological correlates; illness awareness; cognitive performance, 11374
attitudes; practices; primary healthcare; drug use; Turkey; compliance, 29338
atypical neuroleptics; typical neuroleptics; patients perspective; efficacy; side effects, 20588
Black patients; White patients; cancer pain; pain control perception; minority disparity; symptom distress; functional status, 4715
body dysmorphic disorder; suicidal ideation; suicide attempts; patients beliefs, 35196
breast cancer surgery; coping; follow-up periods; post-surgery health fears; predicting worries; future health; fear predictors; breast cancer symptoms, 2181
breast cancer; treatment options; treatment decision making; patient preferences; cancer patients experience, 1739
bulimia nervosa; outcome expectations; pretreatment client beliefs; expectations, 1645
care staff attributions; challenging behaviors; intellectual disabilities; clients attitudes, 14022
caregiver burden; patients self perception; amyotrophic lateral sclerosis; depression level; life quality; patients disability, 5361
caring behaviors; nursing students; patient perspective; cultural sensitivity; test construction, 92
chronic fatigue syndrome; self actualization; therapeutic intervention; positivity; mental fatigue, 32531
client acceptability; computer use; sexual health clinics; technology; computer assisted self interview, 23792
client attitudes; depression; long term care residents; retirement community; older adults attitudes; residential journaling, 16729
client attitudes; health seeking behaviors; knowledge level; cancer prevention; cancer screening; treatment; immigrant minorities, 17230
client satisfaction; methadone maintenance program; service delivery; treatment outcome; ancillary services, 23973
client's perspective; health; young adult males; decision making, 5114
communication research; patients attitudes; current communication theory, 17610
community health workers; health care; client knowledge; client attitudes; cost analysis, 26874
computer-assisted diagnostic interviews; mental disorders; psychotherapy patients; comorbidity; symptom severity; client acceptance; sociodemographic characteristics; patient feedback, 26570

Client Attitudes—Serials

conflicting agendas; health personnel attitudes; client attitudes; mental health service delivery; therapeutic processes, 26828
consumer preferences; communication channels; psychiatric rehabilitation; mental illnesses; physical illnesses; health promotion, 26819
counsellor awareness; psychotherapeutic process; depressed clients; therapy outcome; therapists characteristics, 4880
decision making; information seeking; psychiatric patients; community mental health team patients, 26893
decisional role stability; cancer therapy; patient preferences, 26759
dementia diagnosis responses; family member; diagnosis reaction, 32686
depression; patient perspective; remission; treatment, 22998
depression; rheumatoid arthritis patients; demographic predictors; clinical predictors; psychological predictors; patients attitudes; medication, 26270
diabetes; patients perspectives; medical appointments; glycemic control; self management; therapeutic processes, 32521
dialogism; psychotherapy; therapists beliefs; clients beliefs; monologism; human interaction, 30125
dim lighting; decorations; bright lighting; interior design; counseling room; self disclosure; counselors; communication, 26578
direct to consumer advertising; prescription drugs; antidepressants; clients demand; treatment decisions, 11400
doctor-patient relationship; married couple; patient gratitude; emotional intimacy; health care professionals, 5280
dogs influences; psychotherapists; client evaluation, 32806
domestic violence; focus groups; survivor perspectives; women, 11578
elective cesarean delivery; obstetrics; risk, 23766

Clinical Psychology [See Also Medical Psychology]—Books

Clinical neuropsychology: A pocket handbook for assessment, 2nd ed., 6338
Coming into mind: The mind-brain relationship: A Jungian clinical perspective, 31168
MMPI-2: A practitioner's guide, 3186
A Paul Meehl reader: Essays on the practice of scientific psychology, 20984

Clinical Psychology Graduate Training [See Also Clinical Psychology Internship]—Serials

administration; training; Veterans Affairs; psychologists; predoctoral internship, 24074
clinical health psychology; specialized training, 11248
clinical psychology education; clinical psychologists; clinical knowledge; clinical practice ability; performance; personality & emotional adjustment, 2507
clinical psychology education; graduate psychology education; predoctoral programs; integrative health care, 33265
clinical psychology graduate education; interpersonal and societal factors; political and scientific issues; randomized clinical trials, 2464
clinical psychology graduate training; four level matrix model; educational curriculum; clinical training; doctoral training, 2538
clinical psychology graduate training; four level matrix model; educational curriculum; clinical training; doctoral training; scientist-practitioner model; culture; community psychology, 2529
clinical psychology graduate training; four level matrix model; educational curriculum; positive psychology; client-centered approach; scientist-practitioner-leader-consultant model, 2540
clinical psychology graduate training; four level matrix model; educational curriculum; clinical training; doctoral training; scientific training, 2514
clinical psychology graduate training; four level matrix model; educational curriculum; clinical training; doctoral training; clinical-counseling psychology, 2471
clinical psychology graduate training; four level matrix model; educational curriculum; Boulder model; models of clinical psychology; theory; philosophy of science; contextualism, 2485
clinical psychology graduate training; four level matrix model; educational curriculum; clinical training; doctoral training; mentoring; stigma; stereotype threat; marginalization, 2513
clinical psychology graduate training; four level matrix model; educational curriculum; clinical training; doctoral training; Boulder model, 2502
clinical psychology graduate training; four level matrix model; educational curriculum; clinical training; doctoral training; Boulder model; professional schools, 2528
clinical psychology graduate training; four level matrix model; educational curriculum; clinical training; doctoral training; counseling psychology; economics, 2493
clinical psychology graduate training; four level matrix model; educational curriculum; clinical training; mind-body interaction; cognitive science; information technology; groups, 2456
clinical psychology graduate training; four level matrix model; educational curriculum; clinical training; doctoral training; Boulder model, 2509
clinical psychology graduate training; four level matrix model; educational curriculum; clinical training; doctoral training; Boulder model; postdoctoral training, 2462
clinical psychology graduate training; four level matrix model; educational curriculum; clinical training; doctoral training; positive psychology; prevention, 2488
clinical psychology graduate training; four level matrix model; educational curriculum; clinical training; doctoral training; constructivism; professional life counselors, 2500
clinical psychology graduate training; four level matrix model; educational curriculum; clinical training; clinical child psychology: pediatric psychology: program evaluation: training directors, 2516
clinical psychology graduate training; four level matrix model; educational curriculum; Boulder model, 2526
clinical psychology graduate training; four level matrix model; educational curriculum; doctoral training; asocial professional psychology; interpersonal theory; social constructionism, 2510
clinical psychology graduate training; four level matrix model; educational curriculum; clinical training; integrative training model; positive psychology, 2492
clinical psychology graduate training; four level matrix model; educational curriculum; clinical training; health care delivery; community-based models; nontraditional training settings, 2468
clinical psychology graduate training; four level matrix model; educational curriculum; clinical training; doctoral training; scientist-practitioner model; graduate education, 2515
clinical psychology graduate training; four level matrix model; educational curriculum; clinical training; biopsychosocial model; psychological health care providers: US health care system, 2498
clinical psychology graduate training; four level matrix model; educational curriculum; clinical training; doctoral training; counseling psychology; mentoring training, 2487
clinical psychology graduate training; four level matrix model; educational curriculum; market-driven clinical psychology; discipline boundaries, 2486
clinical psychology graduate training; four level matrix model; educational curriculum; clinical training; doctoral training; person-environment interaction; Boulder model, 2469
clinical psychology graduate training; four level matrix model; educational curriculum; clinical training; psychoanalysis; positive psychology, 2534
clinical psychology graduate training; four level matrix model; educational curriculum; clinical training; doctoral training; attachment, 2522
clinical psychology graduate training; four level matrix model; educational curriculum; clinical training; doctoral training; clinical constructivism, 2505
clinical psychology; clinical psychology education; clinical psychology graduate training; broadly based healthcare discipline; graduate education reform; integrated health care; health care reform, 5524
doctoral gero-psychology training; primary care; clinical training project; doctoral training program; minority elders, 33267
doctoral program; life changes; family responsibilities; work responsibilities, 2482
doctoral training; clinical psychology; historical contexts; managed care; trends, 30103
enculturation experiences; Chinese doctoral students; physics; English educators; multidimensional enculturation; legitimate peripheral participation, 5754
graduate clinician training; short-term psychodynamic psychotherapy; psychodynamic-interpersonal therapeutic techniques; structured training; cognitive-behavioral therapeutic techniques, 27058
health care markets; knowledge translation; training models; psychologists education, 14821
masculinity; doctoral training; counseling psychology programs; men's issues; psychology of men, 17873
psychiatric rehabilitation; proposed curriculum; doctoral students; clinical psychology graduate programs; mental illness, 29479
psychologist; education; training; violence; aggression; students; client violence; violence management; graduate training quality, 8760
psychotherapy integration; doctoral student; integration movement; self direction; integrative role models; training environments; integrative community support; integrative development, 21013
research productivity; academic lineage; clinical psychology; doctoral programs; training program, 30114
rural psychology training; advocacy; psychology practice; rural service provision; rural psychology curriculum; psychologists; frontier communities, 17864
state anxiety; self-efficacy for dealing with anger; helping skills; supervisor-facilitated training; self-training; biblio-training; client anger; graduate trainees, 27057
student perspective; psychology practica training; professional supervision, 30095

Clinical Psychology Internship—Serials

administration; training; Veterans Affairs; psychologists; predoctoral internship, 24074
attachment; supervision; working alliance; supervisory relationship; clinical psychology interns, 36079
clinical psychology intern program; rural mental health service, 20987
group supervision; facilitating learning; teaching; mental health care; mental health clinical placements; general nurse students; student perceptions, 17877
internship structures; training opportunities; quality assurance; diversity in clients and students; internship stipends; professional psychology training, 30101
internship training; clinical psychology; supply demand imbalance; collaboration; professional competence, 36066
internship training; self care strategies; intern development; psychology interns, 8777
psychology training; internship; religion; diversity; spirituality; supervision, 30115
psychology training; psychology of women; internship; specialization, 30097

Clinical Supervision [See Professional Supervision]

Clinical Trials—Serials

adaptive designs; clinical trial; asymptotic normality; consistency; play the winner rule, 12587
Alzheimer disease; clinical trials; biomarkers; clinical diagnosis, 17346
Alzheimers disease; practitioner dilemmas; clinical trials; cholinesterase inhibitors, 35266
armed robbery; victims; clinical trial; posttraumatic stress disorder; psychological distress; Critical Incident Stress Debriefing; severity, 25955
attitude change; HIV vaccine trials; HIV negative injection drug users, 7857
attrition; clinical trials; psychopharmacology research; central nervous system trials; missing data; data analytic strategies, 24702
caregivers; human subjects; Alzheimers disease; clinical trials; informed consent, 27113
Clinical Antipsychotic Trials in Intervention Effectiveness; polypharmacy; clinical and comorbid risk factors; schizophrenia; family life; Alzheimers disease; general medical illness, 32025
Clinical Antipsychotic Trials of Intervention Effectiveness; antipsychotic drugs; intervention effectiveness; side effects; formulary policies; treatment options, 32913
clinical factors; drug administration; bipolar mania; antipsychotic drugs; drug therapy, 13727
clinical research; cost effectiveness; recruitment; nursing journals; retention, 29403
clinical research; missing data prevention; statistical analysis, 24691
clinical trial registry; international psychogeriatrics; specific interventions, 29334
clinical trial results; ethical standards; confidential data revelation; teleconferences; doctors' participation; stock market analysts, 5616
clinical trials; drug manufacturers; drug approval; data manipulation, 33321
clinical trials; evidence based practice; behavioral medicine; decision making; health care psychology; policy making, 17564
clinical trials; informed consent; ethics, 11818
clinical trials; medicinal product; research; health care services; ethics; UK, 33322
clinical trials; mild cognitive impairment; dementia; Alzheimer's disease; therapeutic approaches; drug therapy, 35305
clinical trials; research, 233
cognitive behavioral interventions; psychopharmacological treatments; students; emotional disorders; behavioral disorders; clinical trials, 28976
community based recruitment; clinical trial; fecal incontinence; sensitive issue, 29534
control therapy; cognitive behavioural therapy; acute first episode psychosis; befriending; randomized control trials, 32141
controversies; schizophrenia research; antipsychotic drugs; clinical trials, 13759
depot formulation; schizophrenia; zuclopenthixol; patient violence; randomized clinical trial; antipsychotic drugs; treatment adherence; oral administration, 14475
donepezil; patients; dementia with Lewy bodies; cognitive deficit; parkinsonism; clinical trial; safety, 20281
double blind; clinical trial; major depression; anxiolytic drugs; antidepressant activity, 13735
double blind; randomised clinical trials; acetyl-L-carnitine; amisulpride; dysthymia treatment, 23731
epidemiology; clinical trials; statistics; research design, 163
ethical considerations; nurses; clinical trials, 36134
ethnography; mental health research; clinical practice; conceptualization; grounded theory, 29485
evidence based practice; psychotherapy; pediatric mood & anxiety disorders; randomized clinical trials, 32094
families facing cancer; retention; clinical trial; prostate cancer patients, 29226
family patterns; decision making; pediatric clinical trials, 29907
finances; conflict of interest; industry sponsorship; psychiatric clinical trials; funding; reporting results, 27740
finances; conflict of interest; industry sponsorship; psychiatric clinical trials; funding; reporting results, 27738
gastric motility; agonist therapy; Parkinsons disease clinical efficacy; clinical tolerability; mosapride response fluctuations, 6830
Hamilton Depression Rating Scale; psychometrics; clinical trials; construct validity; pharmaceutical companies; interactive voice response, 21682
health care research; self reflection; clinical trials; health care services; diabetes; atherosclerosis, 18650

Clinical Trials—Serials

HIV-1 vaccine trials; trial participation; vaccine development; volunteer recruitment, 23754
informed consent; HIV; status designation; status passage; human research; clinical trials, 222
interpersonal psychotherapy; clinical practice; treatment guidelines; randomized controlled trials, 35587
major depression; substance use disorder; clinical evaluations; cannabis dependence; comorbid depression; adolescents, 7583
methodological issues; eligibility criteria; acute treatment; combination pharmacologic treatment; trial duration; Study of the Treatment of Psychotic Depression; STOP-PD study, 24703
multi level assessment protocol; multisite clinical trials; drug abuse treatment; adoption of tested interventions, 8656
olanzapine efficacy; bipolar I disorder; pharmacological characteristics; clinical trials; relapse prevention; mania; maintenance therapy; clinical trials; safety; olanzapine tolerability, 17526
open label extensions; randomized clinical trials; Alzheimer disease; memantine therapy; drug development, 17274
patient preference randomised controlled trials; mental health research; treatment outcomes, 20367
patients science understanding; clinical trials; informed consent, 11819
pediatric psychopharmacology; multisite clinical trials, 14519
phosphodiesterase-5 inhibitors; psychiatry; sexual disorders; clinical practice, 14499
placebo effects; clinical trial methodology; brain activity, 579
power; people; sociological understandings; drugs; pharmaceutical industry; sociology; works; clinical trials; safety, 34467
pregablin; generalized anxiety disorder; mechanisms of action; clinical trials; neurotransmitters; anxiolytic effect; efficacy; tolerability, 29667
preventative HIV vaccine trials; health knowledge; public attitudes, 14610
prevention trial; parents; young children; preventive parent training; clinical trial; low income parents, 29798
prodromal stage; schizophrenia; clinical trials; eligibility; participation, 4348
professional perspectives; parental perspectives; perinatal trials; trial participation; decision making; clients, 33081
psychological interventions; sexual offenders; randomized control trials; treatment programs; cognitive behavioral therapy, 35998
randomised controlled studies; remote prayer; intercessory prayer; informed consent; philosophical assessment; study approach; study methodology; causation-first viewpoint; correlation-first, 33895
randomized clinical trials; drop out rate; antipsychotic medication; schizophrenia treatment; atypical antipsychotics; typical antipsychotics, 14504
randomized controlled clinical trial; psychotherapy research; epistemological controversy; neutral language; basic vocabulary; behaviorist theories, 26562
randomized double blind trial; bromocriptine efficacy; nonfluent aphasia; strokes; placebo treatment, 35663
randomized trials; analysis of variance; statistics, 15511
randomized trials; analysis of variance; statistics, 15540
remote data capture; human voice; acoustical data; telephone transmission; speech; clinical trials; methods, 1861
research ethics committees; European countries; clinical trials directives; procedural harmonisation; procedure implementation; ethical considerations; committee structuring, 36125
research participants; decision making; cancer; clinical trials; racial and ethnic differences, 26347
service allocation; clinical practice; clinical research; eating disorder; secondary level treatment; psychotherapy; primary treatment, 17397
study designs; study outcomes; antidepressant clinical trials; placebo responses; major depression; disorder severity; flexible dose design, 2073
stuttering measurement; stuttering management; persistent stuttering; clinical psychology; therapy; treatment outcome, 32501
traumatic brain injury; neurologic communication disorders; evidence based clinical practice; cognitive communication disorders, 1833
treatment dropouts; traditional intention to treat; psychiatric trials; treatment effectiveness evaluation, 2150
treatment fidelity; clinical trials; internal validity; health behavior change; assessment, 4867
treatment outcome; clinical trials; individual patient differences, 29396

Clinicians—Serials

adult ADHD symptoms; Adult ADHD Self-Report Scale; test validity; clinician ratings; test reliability, 30712
applied clinical judgment; personality assessment; psychotherapy; clinicians, 19595
bipolar depression; acute mania; Finnish clinicians; treatment practice; treatment guidelines; conventional antipsychotics; mood stabilizers, 2088
borderline disorder; clinicians experience; psychotherapy; countertransference, 8196
cancer patients; cancer care; communication; patients psychosocial experience; costs, 11254
cancer patients; cancer care; communication; patients psychosocial experience; costs, 11236
clinical practice; research findings; research applications; clinical work; family therapy, 11261
clinical work; antisocial behavior; adolescent psychiatry; clinicians; narrative interviews; teams, 19956
clinician validation; poison control center; opioids; substance abuse; interrater reliability; injections, 32385
clinician's approach; fragmentation; patient referrals; psychiatric illnesses; mental healthcare; evidenced based treatments, 29842
clinician; frontline soldier; Army clinical psychologists; wartime; behavioral health services, 17685
clinicians information sources; substance abuse treatment; information dissemination, 11770
clinicians perceptions; Brazil; United States; clinician patient relationships; mental health professionals; boundary violations, 27115
clinicians' beliefs; clinicians' awareness; substance abuse treatments; research affiliated programs; nonresearch affiliated programs, 8783
clinicians; medical writers; writing strategies; time, 8715
clinicians; psychiatric residency; occupational hazards, 29482
defensive practice; mental health clinicians; mental health service; clinician views; inpatient services; borderline personality; medicolegal; risk; suicide, 36105
difficult patients; mental health care; maladaptive behavior; caregivers; clinicians, 26472
embodied engagement; contemporary peacekeepers; nursing care; traumatic clinical situations; psychological trauma; patient nurse communication, 19909
evidence-based interventions; clinicians; top down research; bottom up research; mental health facilities, 2262
evidence-based interventions; clinicians; top down research; bottom up research; mental health facilities, 2294
family therapy; children of alcoholics; substance abuse certification standards; continuing education, 30088
financial decisions; adults; learning disabilities; social policy; legal policy; clinicians, 32449
forgiveness; revenge; clinical treatment; trauma; therapeutic outcome; emotional responsiveness; childhood abuse; adult survivors; psychodynamic clinicians, 4907
Health of the Nation Outcome Scales; HoNOS; patient symptoms; patient status; patient outcomes; clinicians, 14631
holistic care teaching; clinical practice challenges; medical education; postgraduate training, 5571
home care case closing; clinician perspectives; family caregiver-clinician interaction, 5366
homework; mental health case managers; rehabilitation; psychiatric disability, 26843
hypnosis; clinicians; functional magnetic resonance imaging, 26722
hypnotherapy; personal reflections; hypnosis; clinicians; hypnotherapists; wisdom, 8429
influenza vaccination; clinical employees; patient contact, 23769
interpersonal psychotherapy; efficacy and effectiveness; clinical practice; social network, 35589
invisible racism; clinical situation; clinical process; psychoanalytic writers; consulting room; cultural categorization, 14470
involuntary status; judgmental descriptors; emotive descriptors; mental health tribunals; clinicians; civil commitment, 5614
judgment; psychotherapeutic outcome; patient clinician relations, 11197
local clinical scientist; model; science; attitudes; clinical practice; clinical psychologists, 30076

Clinics—Serials

management training; specialist registrars; management skills; child psychiatry; adolescent psychiatry; training guidelines, 24068
maternity care clinicians; community health; fetal demise; pregnant woman, 8794
media pressure; patient care; journalists; public attention; serotonin reuptake inhibitors; clinicians; counseling; suicide; pharmaceutical industry; medications, 25180
medical visits; patients perceptions; primary health care; clinicians; visit-structuring strategies; experiential workshop, 33250
Mental Health Care Act; legislation; ethos; clinicians; Mental Health Review Boards, 21556
mental health outcome; clinical practice; clinicians; assessment tools, 27095
mental health practitioners; mental health clinicians guide; death notification, 24127
nursing knowledge; electronic patient records; cognitive map; North American Nursing Diagnosis Association; Nursing Intervention Classification; Nursing Outcome Classification; terminology, 8743
offender therapy; criminology; moral reasoning; intellectual disability; patricide; sexual offender; socialization skills; clinicians; honesty; sexual interest, 30036
online communication; pro anorexia websites; users; practitioners; researchers; potential impact; eating disorders; Internet discussion boards, 22371
organizational clinician; clinical consulting; employee counseling; organizational consultants; organizational development systems concepts, 8732
patient needs; treatment effectiveness; clinic attenders; chest pain clinic; treatment compliance, 10990
patient oriented clinician; practice communities; behavioral health treatment, 17462
patient preferences; shared decision making; mental health services; therapeutic processes; clinicians, 20750
personality disorder; dimensional; alternative; Ted Bundy; psychopathology; clinicians' judgments; clinical utility; DSM-IV; five factor models, 23077
psychopharmacologist; eminent clinician, 14788
race; diagnosis; symptom attribution; clinical judgment; schizophrenia; psychosis; African Americans; cultural influences; diagnostic judgments; clinicians; race differences, 21048
recognition; response; indicators; intimate partner violence; mental health clinicians, 30123
self psychological theory; group psychotherapy; sustained empathic focus; clinical work, 14386
sexual boundaries; human sexuality; psychosexual medicine; clients clinicians relations; sexology; UK, 8052
statistical methods; survival analysis; multiple regression; statistical educators; hierarchical categorization, 9465
testimony; clinicians; courts; chronic mental illness; legal processes, 30624
therapists training; therapeutic alliance; clinicians; psychotherapy; psychodynamics; multimedia; digital versatile disk; technology, 29352
third party observers; test performance; neuropsychological status; clinicians; therapeutic processes, 9417
treatment outcomes; client change; treatment decisions; clinician judgment, 17393
unplanned termination; clinicians perceptions; mental health treatment; economically disadvantaged; inner-city adolescents, 33282
vicarious trauma; sexual abuse treatment; clinicians trust; intimacy; sexual offenders; sexual abuse survivors, 30140

Clinicians—Books

Approaches to discourse in dementia, 35377
Clinician's guide to child custody evaluations (3rd ed.) , 16352
Handbook of medicine in psychiatry, 20983
Rewarding Specialties for Mental Health Clinicians: Developing Your Practice Niche, 5522

Clinics [See Also Child Guidance Clinics, Psychiatric Clinics]—Serials

at risk youth; tobacco cessation; smoking cessation clinic; motivation, 20901
classroom; clinic; language learning disability; academic concepts; teacher language; discourse difficulty, 7946
community mapping; research tool; participatory action research, 8515
depression prevalence; anxiety disorder; primary health care clinics; complementary medicine; alternative medicine; psychiatric problem screening, 14671
life chart methodology; bipolar disorder clinics; depression; clinical course, 19805

macro-ergonomic work system; diagnostic testing process; outpatient health care facility; patient safety; quality of care; feedback, 26831
memory disorders; memory clinic; neuropsychology, 11210
Menninger clinic; group psychotherapy; psychoanalytic community; skepticism, 20543
psychometric evaluation; Ways of Coping Questionnaire; factor structure; clinical groups; nonclinical groups; patients, 24622
psychotherapy process; psychotherapy outcomes; phase model; training; outpatient clinic, 23586
quitting smoking; tobacco dependence; treatment clinic; socioeconomic status, 29997
Roter interaction analysis system; telemedicine; specialty clinics; videoconferencing, 5260
social anxiety disorder; veterans; primary care clinics, 16802
urine drug testing; general medical clinics; physician attitudes; adolescent patients; test results, 33280
urine drug testing; general medical clinics; physician attitudes; adolescent patients; test results, 33274
useful field of view test; older adults; rehabilitation settings; clinics, 33129
Cliques [See Social Groups]
Clomipramine [See Chlorimipramine]
Clonazepam—Serials
respiratory subtype; panic disorder; clonazepam treatment, 11402
Clonidine—Serials
atomoxetine; methylphenidate; attention deficit disorder with hyperactivity; comorbid bipolar disorder; Tourette syndrome; valproic acid; clonidine; ziprasidone; drug therapy, 32911
clonidine induced gynecomastia; adrenergic receptor agonist; attention deficit hyperactivity disorder; hyperprolactinemia; gynecomastia, 17531
patient perspectives; opiate addiction treatment; buprenorphine; clonidine; physicians; pharmacological tool; opiate addiction; drug tolerability; utility; detoxification; medication, 20917
Cloning—Serials
genetic fallacy; human reproductive cloning; infertile individuals; genetic link; moral significance, 3520
genetic modifications; human reproductive cloning; medical ethics, 9775
human cloning; stem cells; therapeutic cloning; reproductive cloning; clinical implications; embryo; mice; sciences, 30145
human embryonic stem cell research; cloning techniques; biologist; scientific career; cellular biology; political opposition, 3514
Closed Circuit Television—Serials
child witness support; parents; caregivers; closed circuit television; criminal proceedings, 36614
Closed Head Injuries [See Head Injuries]
Closedmindedness [See Openmindedness]
Closure (Perceptual) [See Perceptual Closure]
Clothing—Serials
adolescents; brand sensitivity; clothing; brand names; psychological variables; social variables; socioeconomic variables, 19208
aesthetic attributes; styling preferences; clothing; body image; body cathexis; body size; physical attributes; psychosocial attributes, 34731
crime judgments; social pressure; black clothing; conformity, 7457
cultural values; fashion; apparel styles; young women; United States; South Korea; social changes, 7138
dressing behavior; cognitive impairment; nursing home residents; dementia; activity of daily living; staff resident interaction, 17754
helping behavior; urban setting; rural setting; professional attire; casual attire, 25612
hospital gowns; end users; satisfaction; licensed practical nurses; patients; hospitalization; design, 21465
immigrant Muslim women; Canada; womens oppression; hijab; life experience; womans clothing, 13402
porno-chic; European multicultural society; girls dress; headscarves; G strings; female sexuality; belly shirts, 34607
psychiatrist personal attire; client attitudes; health personnel attitudes; therapeutic processes, 36111
retail apparel firms; consumer behavior, 1122
sun protection; golfers; ultraviolet exposure; body area; clothing; three dimensional body scans; hats; measurement, 21455
ultraviolet radiation exposure; body sites; golfers; clothing, 21449
Clozapine—Serials
adjunct divalproex; lithium; clozapine; treatment resistant schizophrenia; clozapine monotherapy, 32912
aggressive behavior; fatal agranulocytosis; clozapine treatment; clozapine discontinuation; mental retardation, 23261
agranulocytosis; antipsychotics; clozapine; leukopenia; olanzapine treatment; schizophrenia, 26698
antipsychotic medication; clozapine; schizophrenia; drug therapy; psychotic symptoms, 13758
antipsychotic treatment; schizophrenic disorder; necrotizing enterocolitis; surgical treatment; serum creatine kinase level; clozapine; digestive complications; atypical antipsychotics, 2072
aripiprazole; adjuvant; clozapine therapy; chronic schizophrenia; glucose metabolism; lipid metabolism; positive and negative symptoms, 17536
aripiprazole; clozapine; psychotic symptoms, 29683
augmentation strategies; clozapine; antipsychotics; ultra resistant schizophrenia, 13788
black patients; race affect; antipsychotics; guidelines; clozapine; schizophrenia; patients, 20593
borderline personality disorder; intellectual disability; clozapine; treatment outcomes; side effects, 16819
clinical efficacy; clozapine; Chinese patients; plasma levels; treatment resistant schizophrenia, 17551
clinical monitoring system; clozapine; patients; clinical settings; schizophrenia, 26659
clozapine agranulocytosis; drug toxicity; schizophrenia; antipsychotics; dopamine antagonists; serotonin; subtypes; extrapyramidal symptoms, 19857
clozapine discontinuation; oculogyric crisis; mild mental retardation; motor symptoms; movement disorders; behavioral symptoms, 35621
clozapine effects; haloperidol; drugs effect; antipsychotic drugs; drug therapy; interval timing, 6845
clozapine induced tardive dyskinesia; thyroid profile; dyskinetic movements; dopaminergic system; atypical antipsychotics, 26683
clozapine plasma concentrations; amisulpride; polypharmacy; antipsychotic drug; drug therapy, 8367
clozapine toxicity; therapeutic drug monitoring; plasma concentrations; pharmacodynamics; primary enzymes; drug therapy, 8405
clozapine toxicity; therapeutic drug monitoring; plasma concentrations; pharmacodynamics; primary enzymes; drug therapy, 8389
clozapine treatment; myocarditis, 23534
clozapine treatment; neutropenia; diurnal variation; incipient agranulocytosis; severe rebound psychosis; case report, 29681
clozapine-induced sialorrhea; management strategies; antipsychotic agent; pathophysiology; schizophrenia; treatment compliance, 26691
clozapine; augmentation; aripiprazole; negative symptoms; schizophrenia; schizoaffective disorder, 32894
clozapine; cardiac complications; cardiomyopathy; schizophrenia; recurrence, 14510
clozapine; eosinophilic colitis; schizophrenia, 5056
clozapine; granulocytes; tyrosine kinase; schizophrenic patients; myeloperoxidase precursor; myeloid cell nuclear differentiation antigen; gene expression; leukocytes; genes, 23018
clozapine; haloperidol; neuropeptide neuronal expression; rat hypothalamus; antipsychotic drugs; weight gain, 25109
clozapine; heart; Hunter region; cardiac complication; drug discontinuance, 14576
clozapine; leucopenia; neutropenia, 26664
clozapine; lupus erythematosus; dopamine; side effects; cardiovascular side effects; schizophrenia; clinical trials, 29645
clozapine; pericardial tamponade; dopamine; striatum; side effects; seizures; drug therapy; schizophrenia, 17515
clozapine; pseudomembranous colitis; antipsychotic risperidone; side effects, 20578
clozapine; working memory improvement; schizophrenia; drug dosage; drug effect; memory functions, 11385
cognitive behavior therapy; clozapine synergy; older adult; schizophrenia; pharmacotherapy, 32753
concurrent substance abuse; cannabis; hospitalization duration; treatment resistant psychotic bipolar inpatients; clozapine; antipsychotics; drug therapy, 20026
dopamine D4 receptor gene; polymorphism; interindividual variation; clozapine; schizophrenic symptom; refractory to treatment, 5076
dopamine; neural receptors; gene variants; clozapine treatment; positive symptoms; negative symptoms; genotypes; drug therapy, 23014
drug effects; subchronic clozapine; haloperidol; operant behavior; drug response; mice; genetic differences; animal strain differences, 663
drug induced agranulocytosis; clozapine; life threatening side effect; immunogenetic mechanisms; polymorphisms, 8397
fatal agranulocytosis; clozapine discontinuation; schizoaffective disorder; tardive dyskinesia; side effects; neuroleptics; schizophrenia; mental retardation; behavioral problems, 17532
generic clozapine; clozaril; paranoid schizophrenia; psychosis; treatment change, 26653
guidelines; clozapine use; developmental disabilities; antipsychotic medication; drug dosages, 23226
initial antipsychotic response; clozapine; weight gain, 35603
metabolic syndrome; schizophrenia; schizoaffective disorder; clozapine treatment, 35616
metabolic syndrome; schizophrenia; schizoaffective disorder; clozapine treatment, 35630
morning pseudoneutropenia; clozapine treatment; resistant schizophrenia; neutropenia; risperidone; diurnal variations, 32902
omega-3 fatty acid; lipid profile; clozapine; schizophrenia; schizoaffective disorder, 28875
Orlistat treatment; clozapine induced hyperglycemia; weight gain; pancreatic lipase inhibitor, 8401
polydipsia; water intoxication; delusional jealousy; alcohol dependent patient; clozapine, 35979
pulmonary emboli; clozapine therapy; clozapine side-effects; risk factor; Irish case history, 20601
reversible neutropenia; clozapine; agranulcytosis; schizophrenia, 35636
schizophrenia patients; clozapine therapy; morbidity; mortality; lorazepam, 19842
schizophrenia; atypical antipsychotic drugs; clozapine treatment; extrapyramidal side effects; ziprasidone; drugs combination therapy, 25930
schizophrenia; haloperidol; clozapine; serum superoxide dismutase; thiobarbituric acid, 19837
suicidal risk; drug therapy; clozapine; mortality; schizophrenia; psychotic disorder; psychiatric treatments, 35610
tardive priapism; clozapine; schizoaffective disorder; alcohol abuse; surgical intervention, 35629
treatment refractory early-onset schizophrenia; clozapine; pharmacological interventions, 13778
treatment resistant schizophrenia; side effects; clozapine; combination treatment; aripiprazole; positive symptoms, 2099
ziprasidone-related agranulocytosis; olanzapine-induced neutropenia; antipsychotics, 14506
Cloze Testing—Serials
chain preserving deletion procedure; coherent discourse; cloze testing, 12544
chain preserving deletion procedure; coherent discourse; cloze testing, 30773
chain preserving deletion procedure; coherent discourse; cloze testing, 30786
Clubs (Social Organizations)—Serials
club drug use; young adults; dance clubs; other social venues; New York city; gender, 28527
ecstasy drug; urban youth networks; dance events; clubs; drug monitoring, 7871
ecstasy use; Brazil; social clubs; users attitudes, 23150
employment transitions; clubhouse members; employment supports, 14763
gambling; Indian casinos; crime; societies; Indian gaming; New Mexico; tribal gaming, 21542
manager tenure; private club industry; demographic factors; job content; organizational factors, 4129
organized activities; positive development; adolescence; organized youth activities; experiences, 31462
print media constructions; white collar violence; nightclub tragedies; workers; content analysis; newspapers; generalizability, 29015
self reported ecstasy use; club rave attendees; oral fluid specimens; test validity, 23183
Cluster Analysis—Serials
acoustic model clustering; decision tree; supervised learning; supervised decision rule; vocabulary speech recognition; learning algorithm, 3337
child development; cluster analysis; child behavioral adjustment; elementary school children; classroom teachers; typology creation, 33787

confusion matrix; similarity-choice model; cluster analysis; seriation; subset selection; computer software; MATLAB, 30804
correlation matrices; homogeneous subgroup; cluster analysis; meta-analytic techniques; structural equation modeling, 3214
costs of racism to Whites; White racial attitudes; White guilt; cluster analysis; psychosocal costs; empathy; guilt; fear, 34706
group size; lack of sphericity; cluster recovery; K means cluster analysis, 30811
instability; hierarchical cluster analysis; input order; permutations; ties; SPSS add-in, 6375
k means clustering method; synthesis; theoretic statistical results, 30840
K-means clustering; local optima; cluster validation; diagnostic technique, 24687
perfectionism; interpersonal problems; Almost Perfect Scale Revised; Dyadic Almost Perfect Scale; cluster analysis, 21653
reliability estimation; multilevel covariance structure modeling; hierarchical designs; clustered data; populations, 9476
sample weights utilization; structural equation modeling; cluster sampling designs; population parameter estimates; postsecondary students, 12578
second language learners; learners motivational profiles; motivated learning behavior, 8824
simulation comparison; parametric methods; nonparametric methods; test structure; psychometric model, 12550
smoking cessation; stages of change; Transtheoretical Model; interventions; cluster subtypes, 29986
summated scales; management research; job satisfaction; organizational commitment; hierarchical item clustering; test validity; test reliability, 12559
WISC-III; subtest profile analysis; core profiles; subtest taxonomy; cognitive subtest profile analysis; classification stability; cluster analysis; Wechsler Intelligence Scale for Children, 18517
workaholism; syndrome; cluster analysis; work enjoyment; work involvement; drive; work life balance; life satisfaction, 18249

Clustering [See Cluster Analysis]

CNS Affecting Drugs—Serials

repetitive dextromethorphan; adolescence; water maze learning; spatial learning; female rats, 13007

CNS Stimulating Drugs [See Also Amphetamine, Caffeine, Clonidine, Dextroamphetamine, Ephedrine, Methamphetamine, Methylphenidate, Pemoline, Pentylenetetrazol]—Serials

attention deficit hyperactivity disorder; stimulant medication; intellectual performances; cognitive performances, 4546
attention deficit hyperactivity disorder; stimulant pharmacotherapy; treatment; diagnosis; trends; stimulant use, 11487
attention deficit hyperactivity disorder; stimulant use; drug therapy; children; adolescents; trends, 32440
attention deficit-hyperactivity; stimulant medication warnings; sudden death; cardiac arrest; cardiovascular problems; side effects, 26660
bipolar disorder; psychopharmacology; phenomenology; antidepressants; mood stabilizers; stimulants; S Nassir Ghaemi; interview, 17517
college students; substance abuse; antidepressant drugs; ADHD; stimulant drugs; drug abuse risk; college life stress; drug prescribing; SSRI drugs, 4488
contingent tolerance; amphetamine; appetitive behavior; sensitization; instrumental learning; cathinone hypophagia; milk intake; motor activity; rats, 19061
euphoria; modafinil; cocaine-induced euphoria; side effects, 29679
euphorigenic properties; abusive properties; modafinil, 23556
Food and Drug Administration; cardiovascular risks; attention deficit-hyperactivity disorder; stimulant drugs; sympathomimetic agents; blood pressure; heart rate; blackbox warning, 26693
Food and Drug Administration; cardiovascular risks; attention deficit-hyperactivity disorder; stimulant drugs; sympathomimetic agents; blood pressure; heart rate; blackbox warning, 26686
Food and Drug Administration; cardiovascular risks; attention deficit-hyperactivity disorder; stimulant drugs; sympathomimetic agents; blood pressure; heart rate; blackbox warning, 26654
Food and Drug Administration; cardiovascular risks; attention deficit-hyperactivity disorder; stimulant drugs; sympathomimetic agents; blood pressure; heart rate; blackbox warning, 23726
menstrual cycles; drug abuse research; drug response; psychomotor stimulant drugs; alcohol; benzodiazepines; caffeine; marijuana; nicotine; opioids; amphetamine; cocaine, 32387
nicotine addiction; neurobiology; psychostimulant abuse; neurotensin; pharmacotherapy; amphetamine addiction; cocaine addiction, 7856
prescription rate increase; German children; cardiovascular risks; attention deficit-hyperactivity disorder; FDA warnings, 26706
school-based interventions; Attention-Deficit Hyperactivity Disorder; psychostimulant medications; academic outcomes; behavioral outcomes, 30394
selective serotonin reuptake inhibitors; prescription rates; epidemiological data; pediatric population; mental disorders; teenagers population; risk factors, 5040
stimulant medication; response allocation; attention deficit hyperactivity disorder; amphetamine medication; diagnosis, 29668
stimulant medications; reinforcing effects; stimulant abuse; amphetamine; methyphenidate, 22736
sustained attention; HIV infected adults; stimulant use; cognitive effects; cocaine; neuropathological consequences; methamphetamine; drug users, 17216
treatment admissions; treatment centers; primary stimulant dependence, 33142

Coaches—Serials

athletes; coaches; coaching competencies; Coaching Competency Scale; factor analysis, 9338
athletes; perceived coaching behaviors; leadership; sports, 36511
bandwidth feedback; questioning effects; competitive swimmers; performance; competitive swim times; practice; swimmer technique; athletes; coaching, 27167
career awareness; career planning; career transition; sports coaches, 33521
certified athletic trainers; knowledge; perception; professional preparation; eating disorders; athletes, 35168
choice theory; reality therapy; coaching athletes; team environment, 21444
coach athlete relationship; sports coaching; leadership approach; coaching process, 12266
coach education initiative; evaluation; reflection; rugby; athletes, 27438
coach education; coaching certificate program; social development; coaches; coaching overview; athletes, 27050
coach training; promotional strategies; social development; youth sport participation; organized sports, 27439
coaching; positive behavior support; school settings; decision making; student performance; teachers, 33411
disordered eating; symptomatic athletes; female athletes; collegiate coaches; eating disorders; identification, 10933
emotional competence; coaching; leadership development; survey results, 27364
executive coaching efficacy; outcome measurement; Empathic Organic Questionnaire; valuation methodology; organizational psychology; test construction; test administration, 24651
executive; coaching; consulting; business; interpersonal skills; mental health services; psychologists; occupational choice, 24008
expectancy information; coach effectivemess; intercollegiate basketball; psychological factors; information sources; athlete perceptions; coach perception; athlete ability, 2945
expert university coaches; successful programs; key elements; key elements, 2964
grounded theory; elite male athletes; table tennis players; matches; coaches; athletic training, 21448
high achievers; coaching; needs; business; sports, 24326
in-game behaviors; professional behavior; youth soccer coaches, 36522
interactions; high school girls; cross country runners; coaches; cultural context; athletes' embodied experiences; attitudes; behavior, 13225
interpersonal features; structural features; Greek coach athlete dyads; athletic performance; individual sports; coach athlete relationship, 18331
modern sports coaching; learning strategies; reflective practice; coach education, 12267
peer leadership; sport; friendship; peer acceptance; psychological characteristics; athletic ability, 25352
Pop Warner; B C Graves; football coach; chronograph; football players; Stanford university; sport psychology; Walter Miles; signal calling, 15220
professional guidelines; three-step method; performance evaluation; high performance coaches; evaluative feedback; guidance; coach development; measurement; criterion measures, 27065
program development; undergraduate competency based coach education program; Canada; sport intervention; sport psychology, 27054
psychosocial variables; coach athlete relationship; educational interventions, 10371
racial differences; career success; football coaches; discrimination; social capital; human capital, 6044
Rasch measurement; volleyball skills; game strategy design; player ability; volleyball coaching; test validity; test reliability, 12568
reflection; coach education; program development; coaching knowledge; coaching practice; conceptual underpinning, 27067
social networks; coach athlete relationship; parental influence; sports, 2952
special issue introduction; coach education; high quality manuscripts; practitioners, 27441
student perceptions; physical education classes; coach feedback; gender effects; teaching effectiveness; sport pedagogy; high school students; France, 24245
theoretical perspective; generic learning view; understanding coaching; learning coaching; learning processes; conceptual research framework; coach development, 27444
women coaches development; leadership positions; coach education strategies; social context; Women in Coaching Conferences; mentoring models, 27061
working environment; understanding coaching; complex interpersonal system; social psychology; current conceptualization, 27437

Coaches—Books

Innocence denied: A guide to preventing sexual misconduct by teachers and coaches, 36213

Coalition Formation—Serials

building successful coalitions; promoting advance care planning, 35911
coalition formation; fairness cognitions; payoff valence, 7393
coalition formation; intelligent agents; cooperation, 21523
coalitional psychology; worldview defense; ingroup ideology; terror management; cultural differences; mortality concerns, 1145
conceptual model; effective community coalitions; Internal Coalition Outcome Hierarchy; health promotion, 23806
effective community coalitions; alcohol prevention program funding, 3968
Gamson's law; non-cooperative bargaining models; legislative bargaining; coalition composition; nominal bargaining power; Baron Ferejohn model; players divide the dollar games, 4142
individuals networks formation; strongly stable networks; individuals coalition; egalitarian value allocation; cooperative game; top convexity condition, 4153
international cooperation; counterterrorism strategies; military coalition; financial coalition; law enforcement; intelligence coalition; reconstruction, 22602
risk sharing; continuous time model; stable coalitions; economy; insurance contracting scheme; cooperative arrangements, 162
statutory vehicle; disparate agendas; nations cultural heritage; coalition stability; monopoly; historic preservation, 31555
Theodore Sizer; secondary school reform; Coalition of Essential Schools; educational environment; school learning, 11859

Cocaine [See Also Crack Cocaine]—Serials

abstinence; relapse; cues; neural substrates; extinction training; cocaine; rats; caudate putamen; learning, 34084
abstinent rats; cocaine seeking; drug-induced relapse; sweets access; alternative reward, 3688
Addiction Security Index problem dimensions; cocaine abusers; community treatment centers; drug dependency, 33160
adult cocaine use; social strata; trend; education; age differences, 1537
behavioral interventions; cocaine dependence; methadone maintenance; HIV risk behaviors; pharmacological intervention, 20913
booting; flushing; risk factors; bloodborne viruses; injecting behavior; cocaine, 32362

brain reward function; cocaine dependence; cocaine addiction; neurobiology; dopamine; treatment principles, 10843
brain reward function; cocaine dependence; cocaine addiction; neurobiology; dopamine; treatment principles, 10820
cell phones; ecological momentary assessment; cocaine addicted homeless patients; computer automated telephone interviewing, 13961
chronic cocaine abuse; alpha synuclein; dopamine transporter levels; human striatum; cocaine induced plasticity, 4496
cocaine addiction; family dysfunction; inpatient children; drug misuse; family triangulation, 16993
cocaine craving; euphoria; self administration; catecholamine precursor depletion; addiction; substance abuse; dopamine; motivation; reward, 9882
cocaine dependence; cocaine abuse; drug therapy; opioid dependence; speedballing, 26965
cocaine effects; inhibitory control; non-linear dose effects, 32339
cocaine overdose; anticocaine monoclonal antibody; immunotherapy; mice, 634
cocaine self administration; excitatory responses; mouse nucleus accumbens shell; mice, 28163
cocaine treatment; intergenerational; maternal behavior; rats; prenatal drug exposure; rearing; oxytocin; environment, 9875
cocaine use; college students, 20047
cocaine use; methamphetamine use; differential effects; sexual drive & performance & pleasure; gender differences, 1520
cocaine use; street based sex work; injection drug users; prostitution, 26015
cocaine-induced paranoia; gender influence; suspicion, 29047
cocaine; 5-HT2A receptor; c-Fos; striatum; nucleus accumbens; brain; serotonin receptors, 3700
cocaine; adolescent rats; adult rats; locomotor activity, 635
cocaine; amphetamine; locomotor sensitization; neuropeptides; knockout mice, 24984
cocaine; depression; maternal behavior; substance use; polydrug use; maternal childhood history; maternal insensitivity; mother infant interactions; maternal psychopathology; infant birth weight, 16945
cocaine; dose response; craving; locomotion; rats; time dependent dissociation, 15968
cocaine; fear conditioning; prefrontal cortex; amygdala; rats; learning, 31177
cocaine; inhibition; behavioral control; human; motivational conflict, 6838
cocaine; isradipine; drug abuse; calcium channel antagonists; treatment; abuse liability; cocaine antagonists; drug interaction; cocaine potentiation, 6856
cocaine; morphine; mice; place conditioning; pregnancy, 28143
cocaine; persistent behavior; drug addiction; rats; altered orbitofrontal amygdalar function; cocaine exposure, 9888
cocaine; synaptic activity; hippocampus; rats; drug effects; long term potentiation, 6864
cognitive performance; sleep; smoked cocaine; cocaine abusers; binge-abstinence cycle, 10832
contextual renewal; discriminative stimulus; cocaine; rats, 6417
corticotropin releasing factor; long term expression; behavioral sensitization; cocaine; locomotor response; rats, 31281
custodial status; psychosocial problems; cocaine abusing parents; outpatient treatment; substance abuse treatment; cocaine dependence, 7867
D-cycloserine; cocaine; conditioned responses; amygdala; injections; rat, 31277
dehydroepiandrosterone; cocaine seeking behavior; self administration; rats, 25112
delay discounting; drug abstinence; cocaine-dependent outpatients; cocaine users, 30001
differential behavioral effects; neurochemical effects; cocaine effects; methylphenidate exposure; attention deficit hyperactivity disorder; animal model, 13006
early intervention; prenatal exposure; cocaine; developmental disabilities; primary care vs center-based vs home-based intervention; children, 1859
environmental risk; cocaine exposure; prenatal exposure; childhood aggression; gender, 16931
estrogen; progesterone; cocaine administration; pharmacokinetics effects; female rats; locomotor activity; hormones, 15978
euphoria; modafinil; cocaine-induced euphoria; side effects, 29679
footshock stress; cocaine seeking behavior; midbrain glutamate; dopamine; corticotropin releasing factor; ventral tegmental area; rats, 3506
hippocampus; drug abuse; cocaine-seeking behavior; memory; incentive motivation; conditioned place preference; rats; drug craving, 19050
homework; relapse prevention; motivation; substance dependence; drug abuse; cocaine, 26962
hypothalamic endorphinic lesion; cocaine acquisition; self administration; rat, 13044
inhalational model; cocaine; prenatal exposure; mice; neuroteratological effects; smoking; drug users; spatial working memory; drug administration, 34213
long term potentiation; lateral amygdala; cocaine withdrawal; drug withdrawal; brain; intracranial self stimulation behavior, 15967
melanocortin transmission; cocaine reward; nucleus accumbens; rats, 3682
methadone dose; methadone maintenance treatment; cocaine use, 20905
microinjection; calcium channel antagonist; diltiazem; ventral nucleus accumbens shell; cocaine; brain; NMDA receptor antagonists, 28138
mortality; cocaine dependence; long-term outcomes; substance use; mental health; employment; criminal involvement, 23166
mothering; parenting; African American women; drug abuse; cocaine; rural environment, 35034
N-acetylcysteine; cocaine dependent individuals; craving; drug tolerability, 17399
nicotine dependence; cocaine abuse; addiction severity; Addiction Severity Index; Fagerstrom Test of Nicotine Dependence, 9398
opioid dependence; heroin; cocaine; poly-drug abuse; patterns of drug co-use; substance dependence; temporal patterns, 7865
oxidative stress; memory impairments; hippocampus; rats; cocaine, 3532
paradoxical sleep deprivation; cocaine; genital reflexes; hyperlipidic diet; penile erection; ejaculation; rats, 627
parenting stress; neonatal behavior; maternal characteristics; prenatal cocaine exposure; infant temperament; parenting stress, 17001
Pavlovian learning; intravenous cocaine; injections; drug abuse, 19058
pharmacological inhibition; cocaine activated behavior; chronic cocaine treatment; apomorphine levels; serotonergic activity; dopamine; behavioral inhibition; drug cues, 633
preclinical evidences; GABA receptor agonists; addictive disorders; cocaine addiction; baclofen; addiction therapy; pharmacotherapy, 673
prenatal cocaine exposure; infant sleep; caregiving environment; maternal psychopathology; caregivers, 31714
prenatal cocaine exposure; language outcomes; child age; gender; birthweight, 16929
prenatal cocaine exposure; preschool development; pregnant cocaine users; child development, 16930
prenatal exposure; maternal cocaine use; physiological regulation; infant heart rate; fetal growth; respiratory sinus arrhythmia; cocaine exposure; head circumference; birth weight, 16998
psychotropic analgesic nitrous oxide; cocaine abuse; acute cocaine withdrawal; drug rehabilitation, 30000
rats; frontal cortex; cocaine withdrawal; opioid receptor; mRNA levels; binge cocaine, 628
reactivity; regulation; prenatal cocaine exposure; development; adjustment problems; frustration, 25322
rhesus monkeys; cocaine self-administration; delayed reinforcement; acquisition, 471
rural African American women; drug use locations; cocaine users, 22729
self reported paranoia; cocaine dose; binge; self administration, 19846
serotonin receptors; cocaine induced conditioned hyperactivity; drug craving; relapse; cues; rats; acute cocaine administration, 13032
strain differences; cocaine; self administration; mice; drug use; genetics; phenotypes, 28167
substance use; cocaine use; substance abuse treatment; cocaine use disclosure, 14756
toxic leukoencephalopathy; heroin; cocaine; fatal toxin; white matter lesions; brain stem, 1817

Cochlea—Serials

auditory hair cells; proteins; sensory functions; motor functions; force production, 15842
cochlear dead regions; hearing impaired teenagers; hearing loss, 1844
distortion product otoacoustic emissions; King Kopetzky syndrome; cochlear function impairment, 17371

Cochlear Implants—Serials

auditory control; voice quality; pronunciation; cochlear implant speakers; deaf, 17575
auditory plasticity; cochlear implantation; auditory cortex, 17582
binaural redundancy; hearing aid; cochlear implant; opposite ears; speech perception; interaural; time difference cues; hearing impairment, 2388
cochlear implantation; deaf children; health care services; ethical dimensions; social/cultural view; deaf life; controversy; culture, 14295
cochlear implants; conversational speech; intelligibility, 17573
cochlear implants; forward masking; neural excitation spread, 11627
educational placement; educational environment; cochlear implants; hearing impairments; school social workers; language development, 12059
immediate memory; cochlear implant simulation; experimentally degraded speech; memory processing errors; memory span, 9626
intelligibility; articulation; resonance; voice characteristics; cochlear implants; bilateral hearing aids; deaf children, 2180
phonetic analysis; speech disorders; cochlear implant; speech; tongue split; glossectomy; dysarthria; foreign accent syndrome, 17122
speech perception; cochlear implants; traditional hearing aids; pediatrics, 17579

Cochlear Nerve [See Acoustic Nerve]

Cochran Q Test [See Nonparametric Statistical Tests]

Code Switching—Serials

bilingual; lexical selection; lexical access; language switching; speech production; language suppression, 30982
bilingualism; script choice; Russian American signage; classified advertisements; Russian-Americans; immigrants; Russian texts; Cyrillic script, 708
bilinguals; multiple personalities; cultural frame switching; cross cultural diferences; personality development, 19647
classroom code switching; first languages; second language; group identity; individual identity; high school students; Chinese immigrants, 21220
code mixing; Chinese-English mixed code; Hong Kong schools; codeswitching; medium of instruction; communication style; bilingualism, 30277
context change; information retrieval; predictive learning; code switching; retroactive interference; cues, 33990
corrective recasts; fundamental problems; language acquisition; coding criteria, 3760
grammatical structures; bilingual production; natural codeswitching; Matrix Language Frame model; linguists; psycholinguists, 28202
highly proficient bilingualism; language production; lexical access; language switching, 30975
language choice; pedagogical focus; code switching; language teaching; learning environment; English as second language, 11968
language selection; spoken utterances; single locus; language nonselectivity; cross-language influences; bilingual speech, 28195
response switching; errors; pro & antisaccades; cognitive processes, 15951
structural constraints; code switched advertising; persuasion, 12314
triggering hypothesis; codeswitching; corpus-based evaluation; bilingual production; language choice; lemma selection; Dutch-Moroccan Arabic corpus, 19088

Codependency—Serials

emotional dependency; economic dependency; partner abuse risk; physical abuse; domestic violence, 32234
narcissism; codependency; emotional pathology; behavioral pathology; psychological theory; syndrome; personality disorder; early childhood deficits, 1915

Coeds [See College Students]

Coeducation—Serials

depression prevention program; coeducation groups; all-girl groups; depressive symptoms; early adolescence; girls, 14584
school choice; single sex school; coeducational schools; parents choices; school choice; independent sector, 5652

Coercion—Serials

coercion; therapeutic community; society, 35575

coercive control; intimate partner violence relationships; social power elements; battered women, 1462
doing gender; gender discrimination; fiction; organizations; workplace discrimination; coercive action, 27394
involuntary medication; Sell v. United States; psychological practice; competence to stand trial; coercion; procedural justice, 3081
juvenile police informants; law enforcement agents; coercion; persuasion; friendship; secrecy, 33694
legal coercion efficacy; substance abuse treatment; compulsory treatment effectiveness; drug rehabilitation; alcohol abuse treatment, 5423
legally mandated mental health treatment; public support; legal coercion; legislators; judges; political ideology, 14363
organizational therapy; change dynamics; coercive persuasion; culture; careers; process consultation; brainwashing, 18309
perceived constraint; causal attributions; stereotype; social categories; power, 31585
police officers; dirty work; work group cultures; police ethics; organizational identity; coercive authority, 12411
power; positional threat; powerholders subordinates interaction; expectancies, 33541
rape myth acceptance; men; rape proclivity; sexually coercive men; noncoercive men, 7751
sexual coercion; Asian Americans; loss of face; laboratory sexual harassment; masculinity, 28986
sexual coercion; college students; heterosexual dating relationships; sexual attitudes; initiator gender; sexually coercive strategy, 16414
sexual coercion; dating; aggressive behavior; relationships; sexism; males; high school sports participation as correlated factor, 23097
sexual coercion; sexual selection; guppies; courtship; animal mating; operational sex ratio, 15813
sexual strategies; sexual behavior history; sexual partners; courtship behaviors; persuasion; coercion; force; urban environments; rural environments; college women, 7335
verbal sexual coercion; dating partner; relationship commitment; relationship maintenance, 32266
Coffee [See Beverages (Nonalcoholic)]
Cognition—Serials
adopted children; early adolescence; cognition; early severe deprivation, 22441
advertisement; affect; beliefs; attitudes; cognition; persuasion process; information cues; empirical attention; brand familiarity, 27455
age differences; working memory; dual task conditions; force control; cognitive performance; motor performance, 31027
aging; cognition; gait velocity, 15661
aging; cognition; hypertension; Veterans Affairs Normative Aging Study, 3884
aging; cognition; working memory; daily stress; intraindividual variability; older adults vs. younger adults, 31019
aging; dopamine; cognition; brain; neurotransmitters, 34070
aging; technology adoption; cognition; attitudes; age differences; technology use, 22406
algorithm; musical key-finding; music cognition; tonality, 334
animal cognition; anthropomorphism; animal behavior; comparative psychology, 6641
animal eyes; animal behavior; animal cognition; animal emotion; animal welfare; biology, 34021
animal learning; animal cognition; Pavlovian conditioning; attentional theory, 31114
annotation; double-entry journal; efficacy expectation; marginal commentary; reading strategies; teacher role; cognition, 14973
anterior temporal lobe; human cognition; memory; fear; hippocampus; survival; neurobiology, 25051
anxiety; cognition; histidine decarboxylase deficient; brain function; female mice; water maze performance, 13003
anxiety; visuospatial working memory; prefrontal cortex (PFC); hemispheric asymmetries; facial electromyography (EMG); cognition; threat, 18859
apical dendrite activity; cognition; consciousness; attention; imagery; working memory; impression; hippocampus, 22193
Aristotle; theory of cognition & emotion; contemporary emotion research; functionalism; cognitive neuroscience of emotion, 247
attachment theory; emotion; cognition; externalizing symptoms; developmental psychopathology, 19933
attitudes; pharmacological treatment; cognitive dimensions; schizophrenia; clinical aspects; psychopathology; neuropsychological correlates; illness awareness; cognitive performance, 11374
autonomic self perception; emotional intelligence; emotional abilities; visceral acuity; physiological events; autonomic nervous system activity; cognition, 454
basal ganglia; dopamine; cognition; neurocomputational model; psychopharmacology; cognitive processes, 22309
behavior; cognition; consciousness; conscious awareness, 18879
behavior; cognition; nocturnal epileptiform discharges; children; benign childhood epilepsy; centrotemporal spikes, 14251
breakfast; glucose tolerance; macro-nutrient content; cognition; memory; reaction times; vigilance, 12737
catechol-o-methyltransferase; cognition; psychosis; brain functions; schizophrenia; central catecholamine functions; prefrontal cortex, 32172
categorizing; grounded theory method; methodical hermeneutics; qualitative research; experiential cognition; epistemology, 33891
causal induction; attribution theory; attribution retraining; Posttraumatic Stress Disorder; trauma; cognitive restructuring, 23055
child care; center care; child cognition; social adjustment; parental care; child development; reading skills, 19133
chronometric studies; numerical cognition; five month old infants; human infancy, 10089
clinical questionnaires; pain catastrophizing; multiple regression; norming; Pain Cognition List, 110
cognition axioms; human environmental interactions; rational thinking; human information processing; conscious subconscious thinking, 30996
cognition-induced epilepsy; emotional precipitants; childhood sexual abuse; schizophrenia, 35374
cognition; affect; personality theory; individual differences; anger; sadness, 25636
cognition; affective responses; behavioral responses; working conditions; organizational changes, 33588
cognition; cognitive integration; cognitive processes; internalists; integrationists, 24815
cognition; customer satisfaction; satisfaction judgment, 30555
cognition; gestalt; feature-intensive styles of processing; risk factors; substance abuse; attention deficit hyperactive disorder, 7634
cognition; gestalt; smoking behavior; college students; feature intensive processing; decision efficacy, 7368
cognition; moderator; mediator; health; biological age; chronological age & sex differences; cognitive aging; cognitive competence, 22508
cognition; motivation; emotions; Hispanic students; White students; mathematics achievements; self efficacy; mental ability; racial differences, 24219
cognition; optimal predictions; everyday cognitive judgments, 33965
cognition; schizophrenia; cognitive performance; schizophrenia research; schizophrenia treatment; cognitive measures, 10682
cognition; schizophrenia; cognitive performance; schizophrenia research; schizophrenia treatment; cognitive measures, 10673
cognitive assessment; food deprivation; human; fasting; cognition; short-term religious fasting, 27831
cognitive bias; complex processing activity; errors; ideation; creative thought, 31001
cognitive function; polymorphism; phobic anxiety; older adult; genotype, 10728
cognitive functioning; learning strategies; actors; acting; memory; learning theory; text comprehension; cognition; cognitive aging, 18676
cognitive linguistics; biology; cognition; biosemiotics; physicalism; semoisis; life experiences; autopoiesis, 34279
cognitive load theory; problem solving skills; cognition theory, 21942
cognitive modeling; causal relationships; cognitive science; human behavior, 9614
cognitive neuroscience; aging; culture; brain; cross-cultural investigation; neurobiology; life experiences; cognition, 25397
cognitive processes; neuroimaging; reverse inference, 22204
cognitive reserve and decline; cognition; psychiatric disorder; depression, 32074
cognitive theory of depression; negative self-schema; risk of depression onset, 13697
cognitive theory of depression; negative self-schema; risk of depression onset, 13705
color; color terms; categorization; cognition; culture, 9535
constructivism; semantic learning theories; psychological learning theories; cognition; pragmatics, 6558
corvid; folk physics; rook; contact; rapid learning; physical cognition, 27951
death; cognition; terminal decline; mortality-functioning link; terminal cognitive changes, 31511
decision making; cognition; anger; judgment; negative emotions; Appraisal Tendency Framework, 21939
dehydroepiandrosterone supplementation; dehydroepiandrosterone sulfate; postmenopausal women; cognition; endogenous cortisol; DHEA, 13039
dementia; memory loss; Alzheimer disease; neuropsychiatric symptoms; cognition; epidemiology, 11134
depression; perceived social support; perceived social demand; depressive cognition; older adult, 32113
depression; thinking; cognition; emotions; Baganda; Uganda; etiology, 28850
diagnostic stability; first episode psychosis; symptoms; cognition; functioning, 34879
discourse processing; brain correlates; metaphor comprehension; cognition; ironic sentence; temporal cortex, 34080
disorientation tasks; object location; spatial reorientation; rotational movements, 28289
distance cognition; virtual environmental space; route angularity effect; task difficulty; memory; intentional learning, 15662
early childhood development; cognition; cognitive ability, 13119
emotion-cognition interactions; aging; mind, 10170
emotion; consciousness; systemic cognitive neuroscience, 6813
epilepsy; mesial temporal lobe; cognition; dementia, 4751
evaluating politics; neural substrates; political processes; response latency; social cognition; cognitive processes, 28562
event related oscillations; offspring; alcoholics; neurocognitive disinhibition; alcoholism, 16962
event related potentials; cognition; behavior; information processing; stimulus; response; cortical performance; biological approach; feedforward anticipation; feedback cortical performance, 12951
evolution of cognition; organism-environment relationship; cognitive development; biological preparedness; developmental plasticity, 12722
expert ultra endurance triathletes; cognitive characteristics; expert performance; nonexpert ultra endurance triathletes, 2944
extra object; linguistic apprehension; spatial relationships; located object; reference object; Thurstone's law of judgment; acceptability distribution; spatial term, 30867
facial shape; asymmetry; cognition; embryological unity; dysmorphology; anterior brain; sex differences, 15872
functional magnetic resonance imaging; study designs; cognition; cognitive comparison strategies; stimulus presentation possibilities; technical aspects; neuroscientists, 18945
functionalism; cognition; attention; brain; mind; cognitive neuroscience, 30875
genes; neurons; brain; molecular biology; neuroscience, 24964
genetically modified food; adult attitudes; cognition; behavioral intentions, 7464
group conflict; leadership behavior; cognition; affection; group decision making, 31752
growth hormone releasing hormone; cognition; healthy older adults, 22348
HIV risk behavior; associative memory; accessibility; sensation seeking; spontaneous cognition, 26340
holes; shadows; cognition; visual perception, 21840
homocysteine; cognition; folate deficiency; cognitive dysfunction; dementia; folic acid; vitamin B12, 35327
hormone replacement therapy; cognition; women; postmenopause, 8471
hormone replacement therapy; cognitive performance; postmenopausal women; dementia risk; cognitive domain; memory, 14500
hormone therapy; episodic memory; postmenopausal women; cognition; estradiol; serum, 32995
human amygdala; emotion; cognition; emotional learning; memory; perception; social stimuli; human behavior; cognitive neuroscience, 9525
human brain oscillations; cognitive correlates; human cognition; animal cognition; theta frequency; gamma fre-

quency; hippocampus; neocortex; rodents; cat; monkey, 15876
human uniqueness; philosophies; mind; cognitive tasks; cognitive ethology; animal cognition, 31326
implicit cognition; Big Five assessment; behavior prediction; Implicit Association Test; reaction times, 12483
inferencing; spatial information; cognitive architecture, 9583
information processing; preterm infants; fullterm infants; cognition; infant abilities, 7019
integration control; emotion; cognition; decision making; orbitofrontal cortex; neural area, 24989
integrative evolutionary model; error management theory; judgments under uncertainty; cognitive biases, 12725
interpretation; reasoning; conditional statements; causal; cognitive; probability; inference, 9618
justice; teams; sensemaking; justice climates; treatment fairness; justice perceptions; cognition, 25619
language; thought; color naming; color cognition, 21933
learning strategy; transitive inference performance; human cognition; logical reasoning; neural systems, 21943
learning; multimedia environments; high tech environments; cognitive theory; media; technology, 24860
linguistics; cognition; sentences; imitation; thoughts; pragmatism, 25158
major depressive disorder; premorbid history; Alzheimer's disease; risk factor; clinical course, 16684
memory operations; short-term memory; cognition; serial visual presentation; attentional blink, 27755
memory; embodied cognition; extended mind; motivation; cognitive science; individual differences, 24833
mental plurality; justification; objections; logical requirements; partitioning; mind; cognition; knowers, 7461
methadone maintenance; opiate dependent; cognition; cognitive function; neurocognitive improvement, 23161
Michottes heritage; perception; cognition; amodal completion; contemporary psychology; causality; philosophies, 34248
modularity; cognition; evolution; development; genetics; cognitive systems, 24783
modularity; cognitive scientists; cognition; brain; cognitive processes; mind, 21953
molecular genetics; cognition; dopamine; catechol O methyltransferase; brain derived neurotrophic factor; neuropsychological assessment; intelligence, 24971
mother child conversations; categories; individuals; developmental psychology; human thoughts, 6994
motivated cognition; aging; attention; memory; emotion regulation; cognitive control mechanisms, 10008
motivation; control theory; self-regulation; goal setting; cognition; meta-analysis, 18783
moving harm imagery; distress reduction; contaminant exposure; cognition; anxiety disorders, 12719
multiple object tracking; visual cognition; nontracking task; object based inhibition; visual perception, 27785
music cognition; early infancy; long term memory; listening preferences; music education; infants' preferences, 34356
music cognition; Internet-based experiment; expressive timing; tempo; rate, 24774
music cognition; perception-based model; computational modeling; kinematics, 27801
musical experience; music perception; cognitions; cognitive processes; acoustic; auditory perception, 31308
Need for Cognition Scale; dimensionality; cognitive stimulation; preference for complexity; commitment of cognitive effort; desire for understanding; consumer behavior, 6275
need for cognition; rationality; decision making, 27826
neural mechanisms; Williams syndrome; genetic influences; cognition; behavior; animal models, 24967
neural network model; learning; human cognition; relational thinking; relational concepts, 27832
neuroecology; adaptive variation; cognition; brain; natural selection; phylogenetics; mating systems; social organization; communication; foraging, 9766
neurophysiological markers; contextual processing; gamma synchrony; performance; individual differences; human cognition; arousal, 6726
nonhuman number concepts; parrot cognition; avian intelligence; numerical ability; addition skills, 15794
nonhuman primates; hemispheric specialization; avian spatial orientation; categorical and coordinate spatial relations; coordinate cognition; lateralization pattern; cerebral asymmetries, 25055
numerical cognition; SNARC effect; manual versus pedal responses; spatial associations; bimanual parity judgments; written language, 12651
numerical cognition; synesthesia; evoke numerical magnitudes, 9843
obsessive compulsive disorder; metacognitive beliefs; parent beliefs; child symptoms; cognition; theory; treatment, 28921
obstructive sleep apnea syndrome; mood; upper airway obstructions; cognition; hypoxemia, 1670
optimism; subjective well-being; women; cognitive-affective model; age differences; longitudinal, 1178
ordinal numerical knowledge; numerical order; monkeys; Weber's law; numerical representations; visual arrays; animal cognition, 18902
organizational creativity; cognition; sense making, 5996
party identification; political behavior; traditional conceptions, 7285
patient safety; general practice; taxonomy; cognition, 26845
perception; cognition; change blindness paradigm; focal object; contextual changes; East Asians; Americans, 21940
person-environment fit; percieved fit; subjective fit; phenomenology; cognition; subjective experience, 30491
phonological; verbal complex span; acoustic; cognition; listening, 9952
physical cognition; bonobo; connectedness; physical contact; ape, 27950
preservative cognition; worry; stress; physiological activation; cardiovascular reactivity; recovery from stress; rumination, 12982
proactive parental strategy; parental cognitions; childs values; media influences; peer influences, 7267
reinforcement learning; rational analysis; embodied cognition; resource allocation; interactive behavior; soft constraints hypothesis; perceptual motor resources, 24806
religious experience; emotions; cognitive neural patterns; neuroimaging; neural networks, 9779
role reversal; imitation; infants; children; autism; language development; social learning; cognition; age differences, 10877
Russian activity theory; cognition; motivation; behavior; Russian ergonomists; Russian systems designers; human operator, 15271
schizophrenia; hindsight bias; memory; delusions; past event recall, 28903
schizophrenia; neurocognitive impairments; cognitive dysfunction, 7678
second language processing; miniature language model; neurocognition; sentence comprehension; grammar processing, 28035
secret attraction; defensive loathing; defensive homophobia; implicit cognition, 25686
self reflection; preschool experience; teacher student interactions; the self, 25646
self reflection; preschool experience; teacher student interactions; the self, 25679
semantic similarity; linguistic relativity; cross-linguistic research; grammatical gender effects; language development; cognition; language learning, 3780
sense of remaining time; motivational variables; socioemotional selectivity theory; cognition; emotion, 28229
sensory cognition; pathological thinking; logical thinking; creative thinking, 9597
sex differences; cognition; adulthood; old age; declarative memory; visuospatial ability; episodic memory; semantic memory, 30976
sleep inertia; cognition; cognitive impairment; sleep deprivation, 13002
sleep inertia; cognition; cognitive impairment; sleep deprivation, 15955
social brain network emergence; typical development; cognition tasks, 10049
social connectionism; multiagent models; communication; persuasion; trust; cognition; social psychology; social relations; simulation, 25622
social interactions; solo-duo gap; instructional design; individual cognition; computer supported collaborative learning; psychology; group processes; distributed cognition; CSCL scripts, 10375
socioeconomic characteristics; old age cognition; cognitive function; early experience, 894
socioeconomic status; cognition achievement relationships; reading ability; phonological awareness, 25285
spatial cognition; disability; rehabilitation; cognitive status, 10553
spatial cognition; mental spatial reasoning; mental rotation; virtual environment navigation, 9565
spatial cognition; spatial updating; spatial memory; set size; capacity limits; offline updating; memory, 24810
spatial cognition; visual experience; congenital blindness; visual perception, 32704
spatial learning; environmental; social housing; cognitive performance; animal; aggressive social interactions; impairments, 9692
Steven W. Keele; information processing approach; cognitive mechanisms; psychological processes; neural mechanisms, 14795
subjective memory complaint; Alzheimer's disease patients; cognitively normal relatives; first-degree relatives; depression symptoms, 35363
temporal contextual retrieval account; errors analysis; complex working memory; individual differences; fluid abilities; cognition, 15696
testosterone; cognition; sex hormones; learning; memory; aging, 22281
testosterone; spatial memory; mild cognitive impairment; cognition; Alzheimer disease, 4753
Third International Conference on Spatial Cognition; Dynamics in Spatial Interactions, 21521
tiagabine monotherapy; epilepsy; cognition; mood; adult patients; partial epilepsy; seizures, 23396
trace conditioning; rats; birth; cognition; olfactory gustatory association, 15780
transcranial magnetic stimulation; treatment side effects; task performance; cognitive neuroscience study; brain mapping, 519
unconscious cognition; dissociation; critical stimulus; measurement; cognitive processes, 27878
valence ratings; emotional words; non-emotional words; childhood development; cognition, 31500
visual cognition, 12643
visual cognition; early vision; visual short term memory; amodal completion, 6461
visual information; aging; working memory; emotional information; age differences; affect; cognition; positivity effect, 10191
worked example effect; human cognition; cognitive load theory; long term memory; instructional explanations; conceptual learning, 21960

Cognition—Books

Cognition and multi-agent interaction: From cognitive modeling to social simulation, 21532
Contemporary debates in cognitive science, 24839
Conversation and cognition, 3407
Embodiment and cognitive science, 18822
Exploring the psychology of interest, 19676
Information sampling and adaptive cognition, 30845
The missing link in cognition: Origins of self-reflective consciousness, 3408

Cognition Enhancing Drugs [See Nootropic Drugs]

Cognitions [See Also Expectations, Irrational Beliefs]—Serials

activities of daily living; Alzheimer's disease; object perception; spatial perception; functional dependence; cognition, 29272
aerobic exercise enjoyment; psychological response; acute exercise; personalities role; goal cognitions, 4199
alien control; phenomenology; delusions; unusual experiences; endorsement models; explanationist models; external agent, 32079
animal learning; genetics; genetic disposition; estimation of heritabilities; estimation of breeding values; differentiation; quantitative approach, 33882
anthropology; ambiguity; hypocognition; cross cultural differences; Tahitian culture; research; Robert I. Levy, 10287
anxiety disorders; control related beliefs; obsessive-compulsive disorder; phenomenology, 32197
attachment predictors; women; emotional responses; cognitive responses; infant distress; anger, 19636
attentional fixation; panic disorder; physical symptoms; psychological symptoms; panic attacks; cognitions, 28942
brain activity; Attention Deficit Hyperactivity Disorder; functional imaging studies; different ages; symptoms; behavior, 29088
caregivers perceptions; dementia; cognition; behavioral disturbance; functional ability; depression; self-efficacy, 35279
chimpanzees; bonobos; orangutans; behavior; intermediate success; cognitions; conservation, 12831
coalition formation; fairness cognitions; payoff valence, 7393
cognition; traditional-age; undergraduate student populations; phenomenology; developmental differences, 27859

cognitions role; obsessive compulsive disorder; psychological treatment; pharmacological treatment; treatment integration, 1864
cognitions role; trait anxiety; disgust sensitivity; faintness; blood injury phobic stimuli; pain; nausea; anger; individual differences, 13821
cognitions; cognitive behavioral therapies; psychotherapy; cognitive psychology, 20518
cognitive behavior therapy; cognition; obsessive compulsive disorders; treatment effectiveness evaluation, 1996
cognitive development; neuroimaging; cognition; magnetic resonance imaging; diffusion tensor imaging; brain maturation, 31182
cognitive model; depression; ethnic minorities; adolescents; self-efficacy; cognitive errors; hopelessness, 28840
cognitive patterns; depression; university students; negative self schemas; dysfunctional attitude, 25708
cognitive restructuring; mental contamination; cognitive technology; cognitive behavioral therapy; rational emotive therapy; preventing relapse; cognitive psychology, 14370
cognitive schemata; depressed adolescent girls; maternal cognitions; cognitive theory; cognitive therapy, 19819
cognitive training; verbal memory task; dichotic listening paradigm; psychiatric symptoms; schizophrenia; auditory hallucinations, 4998
contingent weather effects; mood; cognition; seasonal variation; outdoor spent time, 621
counterfactual thinking; perceived control; depressive symptoms; undergraduate participants, 22971
creativity management; ideas management; industrial research & development organizations; social-political context; political process; electronic idea-management system, 33500
defective emotion processing; social phobia; developmental disorder; brain mechanisms; socioemotional behavior; cognitions, 25943
downward counterfactual thoughts; negative life events; self enhancement motives, 1259
dynamic event words; motion event semantics; single word meanings; linguistic expression; pre linguistic cognition; language development, 19187
eating disorder patients; anorexia nervosa; thought content; rumination, 35145
editorial policy; scope of journal; human behaviour; cognition; neuroscience, 24955
everyday mood; emotions; eating behavior; chocolate bar; cognitions; hunger, 28666
family communication; family relationships; genetic testing; health; cognitions; beliefs, 2209
feared identity; obsessive compulsive disorder; cognitive behavioural theory, 1419
forgiveness; prosocial thinking; feeling; attitude towards offender; prosocial behavior; cognitions, 1226
genes; brain; cognition; cognitive science; genetics; neuroscience; cognitive scientists, 31010
genetics; biological psychiatry; psychosis; cognition; schizophrenia, 32163
grammatical representation; grammatical number marking; cognitive dispositions; bilinguals; cognition; language acquisition, 19085
hate crime; legal definition; offender's mental state; criminal intent; distorted cognitions; social reality; therapeutic interventions; victims, 26172
health behavior; multi stage model evaluation; health behavior change; cognitions; discontinuity patterns; social cognitive variables; self efficacy; outcome expectancies, 8445
HIV risk behavior; associative memory; accessibility; sensation seeking; spontaneous cognition, 26340
hypothesized mechanisms of change; cognitive therapy; borderline personality disorder; cognitive distortions; therapeutic processes; dysfunctional beliefs, 17483
illness representations; emotional responses; cognitive representation; abnormal screening results; self regulation; cancer patients, 20713
imagined interactions; cross cultural analysis; interpersonal interaction; significant others; symbolic interactionism, 31722
implicit appraisals; explicit appraisals; intrusive thoughts; cognitive theories; obsessions, 18815
implicit self-esteem; depression; cognitions; etiology, 25857
intentional attunement; neurophysiological perspective; social cognition; autism; neural systems, 35097
language specific influences; acquisition; language development; cognition; spatial words; linguistics, 19177
language specific influences; linguistic differences; cognitive processes; attentional patterns, 13070
language specific input; spatial cognition; infant cognition; infant development; vocabulary level; English learners; Korean learners, 19169
maternal core beliefs; psychopathologic symptoms; self esteem; infant temperament; feeding problems; prenatal period; postnatal period, 14058
meeting deadlines; work groups; temporal cognitions, 15154
message framing; college students; career decision making; cognition, 29515
metaphor interpretation; simulation; abstract knowledge; schematic knowledge; disembodied knowledge; cognitive theories; utterances; narratives, 22377
molecular-genetic; intelligence; cognitions; nature-nurture; neurophysiology, 34064
motor cognition; conscious intention, 368
moving harm imagery; distress reduction; contaminant exposure; cognition; anxiety disorders, 12719
Multiple Pathway Anchoring and Adjustment; attitude formation; recruitment; accessibility; strength; attitude behavior relationships; cognitions; predispositions, 28665
Multiple Pathway Anchoring and Adjustment; attitude formation; recruitment; accessibility; strength; attitude behavior relationships; cognitions; predispositions, 28677
Multiple Pathway Anchoring and Adjustment; attitude formation; recruitment; accessibility; strength; attitude behavior relationships; cognitions; predispositions, 28676
Multiple Pathway Anchoring and Adjustment; attitude formation; recruitment; accessibility; strength; attitude behavior relationships; cognitions; predispositions, 28635
nonconscious influence; scent; cognition; behavior; citrus scented cleaner; olfactory cues; lexical decision task; cleaning activity, 263
obsessive-compulsive disorder; symptom subtypes; rumination; impulse phobia; washing; checking; precision; belief domains, 34931
pain management; pain severity; cognitions; doctor shopping; satisfaction; compensation, 11200
participative pricing; consumers cognitions; consumers actions; theoretic perspective; mind set play, 2993
pathological gambling; assessment; cognitions; impulsivity; time perspective; convergent validity; cognitive distortions, 15460
power-relevant thoughts; feelings; power position; power preference; gender differences; signal detection analysis; perceivers bias, 31804
reward; punishment; violent video games; aggressive behavior; cognition; emotional states, 10761
self cognitions; individual self statements; positivity; valence; collective self; relational self, 13517
semantic categorization; unconscious cognition; semantic processing; conscious control; motor responses; visual stimuli; cognitive action-trigger conditions; number processing; action control; priming, 9545
semantic categorization; unconscious cognition; semantic processing; conscious control; motor responses; visual stimuli; cognitive action-trigger conditions; number processing; action control; priming, 9556
semantic categorization; unconscious cognition; semantic processing; conscious control; motor responses; visual stimuli; cognitive action-trigger conditions; number processing; action control; priming, 9555
semantic underdetermination; natural language; cognitive uses; sentences; semantic interpretation; introspectivist version, 9964
social network approach; leadership research; cognitive structures; organizational behavior, 30476
spontaneous thoughts; counterfactual thoughts; causal explanations; intervention; events; prediction; understanding, 30999
stories; persuasive tools; attitudes; behavior; research; theory; social psychology; rhetorical communications; cognitions; smoking; high school students, 28539
theory of mind; human biology; human cognition; false belief; autism; developmental disorders; brain; physiology, 1601
thought processes; self-as-a-model intervention; learning to swim; children, 22248
traumatic brain injury; older adulthood; psychosocial functioning; cognitive functioning, 23463
visually mediated hazards; risk perception rating; media content; authenticity judgment; viewer perceptions; cognition need; beliefs, 6931
worry episodes; problem solving; cognition; cognitions, 28937

Cognitions [See Also Expectations, Irrational Beliefs]—Books

The biology of belief: Unleashing the power of consciousness, matter and miracles , 3510

Cognitive Ability [See Also Mathematical Ability, Reading Ability, Spatial Ability, Verbal Ability]—Serials

192 IgG-saporin; acetylcholine; Alzheimer's disease; basal forebrain; serial reversal; nucleus basalis magnocellularis; rats; cognitive flexibility; lesions; perseveration; problem solving, 18955
academic achievement; prenatal alcohol exposure; alcohol-affected youth; special education placement; cognitive ability; fetal alcohol syndrome; adolescents, 16958
academic competence; social emotional factors; students; academic achievement; learning disabilities; cognitive behavioral characteristics, 18043
academic performance; Hispanic college students; psychometrics; cognitive ability; cognitive attributional style; Extended Attributional Style Questionnaire, 3206
acculturation; enculturation; cognitive flexibility; general self-efficacy; psychological functioning; collective self esteem; Asian American college students; cultural norms, 19354
ADHD; executive functions; learning disabilities; girls; neuropsychological functioning, 17063
adjunctive donepezil; attention deficit hyperactivity disorder; executive function deficits; residual symptoms, 11416
adolescent brain development; executive functioning; social cognition; puberty; adolescence, 25198
adolescents sexual experiences; low cognitive abilities; average cognitive abilities; adolescent sexual behavior, 811
adult onset myotonic dystrophy; general intellectual functioning; naming; semantic memory; reading skill; working memory; visuospatial functioning; behavioral changes; semantic dementia; tau protein, 8151
aerobic exercise; cognitive aspects; Stroop performance; executive functioning; college age adults, 34718
aerobic fitness; executive function; episodic memory; free recall; adults; age differences, 16495
African Americans; racism; cognitive ability; social support; race related stress; quality of life, 19660
age differences; attention; visual novelty; cognitive function; high performing adults; aging, 15643
age differences; attitude change; cognitive resources; motivation; argument quantity; persuasive arguments, 31936
age differences; brain; cognitive correlates; cognitive modifiers; aging, 34119
age differences; intelligent quotient; cognitive abilities; childhood, 31401
age differences; memory accuracy; memory monitoring; executive function; neuropsychological assessment, 3393
age differences; older adults; cognitive function measures; racial differences; ethnic differences, 403
age differences; relationship; anxiety; recall performance; cognitive ability, 28625
age differences; second language acquisition; language processing; neurocognitive aging; cognitive neurofunction, 28178
age differences; temporal working memory; item memory; associative memory; simple order memory; multiple item memory; cognitive mechanisms; aging, 10180
age-related changes; concept formation; rule switching; perseverative behaviors; developmental changes, 25250
age; cognitive effects; electroconvulsive therapy; mood improvement; depressive patients; neuropsychological outcome; cognitive domains; memory; information processing; executive function, 19791
aging effects; proper name retrieval; tip of the tongue responses; biographical information; age differences, 22580
aging; age differences; experience; expertise; social cognition; social inferences, 880
aging; cognition; gait velocity, 15661
aging; cognition; longitudinal; terminal decline; perceptual speed, 31532
aging; cognition; working memory; daily stress; intraindividual variability; older adults vs. younger adults, 31019
aging; cognitive control; strategy training; older adults; task relevant context; cue information, 31524
aging; concurrent task performance; cognitive demand; motor control; age differences, 34441
aging; emotion; memory; motivation; executive function, 10188

aging; short-term memory; inhibition; recollection; source monitoring; interference susceptibility, 31366
aging; stress; cognitive interference; cognition; cognitive performance, 31530
alcohol effects; road-crossing behaviour; intoxicated pedestrians; safety; cognitive ability; motor traffic accidents, 30607
alcohol; traumatic brain injury; cognition; rehabilitation; BAL; prediction; alcohol abuse; comorbidity; severity; onset, 14279
Alzheimer's disease; dementia; cognitive ability; genetics screening; adult children, 4848
Alzheimer's disease; neurocognition; offspring; parent; family history, 4761
Alzheimer's disease; prevention; adult children; apolipoprotein genotype; cognitive function, 4819
Alzheimers disease; plasma antioxidants; cognitive function; albumin; bilirubin; uric acid, 26414
amnestic mild cognitive impairment; cognitive impairments; older adults; epilepsy; cognitive performance, 14258
analogical reasoning performance; childhood development; scene analogy problems; relational complexity; featural distraction; age differences, 22491
angiotensin I-converting enzyme gene; cognitive ability; psychomotor functions; Chinese children; polymorphism; psychometric IQ; insertion; deletion, 31170
antilogos ability; cognitive development; social development; age differences; argument evaluation, 10044
anxiety; depression; agonistic encounters; interactive functioning; reconciliation; moods, 13645
apolipoprotein E4 allele; Alzheimers disease; response inhibition; cognitive flexibility; cognitive functioning, 11131
apolipoprotein E; cognitive functioning; cognitive decline; eldery; gender difference, 4834
applied creativity; cognitive process; intelligence; learning; cognitive activity; creative thinking; problem solving; cognitive style; organizational settings, 9566
ascending digits task ; executive function; geriatric depression, 16731
Asperger's syndrome; pervasive developmental disorder not otherwise specified; high-functioning autism; neurocognitive executive functioning profile; differentiation, 23231
assessment; curriculum; Multiple Intelligences Theory; Project Spectrum; working style, 8834
attention aware systems; human perceptual; cognitive abilities; cognitive psychology; perceptual process; cognitive processes; technology; systems design, 12790
attention deficit hyperactivity disorder; impaired executive function; general intelligence; children, 14033
attention deficit hyperactivity disorder; stimulant medication; intellectual performances; cognitive performances, 4546
attention-deficit/hyperactivity disorder; ADHD symptoms; executive functioning; regulatory functions; dual-process model, 4557
attentional deficits; concussion; alertness; orientation; executive functioning, 7931
attentional demands; community dwelling elders; daily functioning, 13247
attribution; motor performance; familiarity; grasping power; infant development; cognitive ability, 10148
auditory performance test; visual continuous performance test; cognitive functioning; classroom behavior; attention; self-control; elementary school children; visual processing; gender; age, 18596
autistic traits; personality traits; cognitive ability, 29102
behavioral problems; individual differences; executive function; harsh parenting; theory of mind; family factors; cognitive factors, 19227
birth weight; cognitive ability; mother's intelligence quotient, 778
bromazepam; cognitive performance; visual evoked potential; brain dynamics, 3695
California Verbal Learning Test; learning patterns; executive control; encephalitis, 35316
care receivers; caregivers; cognitive functioning; gender differences, 5373
caregiver; cognitive status; harmful caregiver behavior; demographic factors; care recipient dyads; memory; language comprehension, 20843
case conceptualization; treatment planning; problem solving; clinical judgment; cognitive factors; mental health professionals, 8216
causal relationships; qualia epiphenomenalism; empirical knowledge, 21958
central coherence skills; detail focused processing; adolescents development; intellectual disability; comorbid; autism spectrum disorder; cognitive ability; early intervention, 14031
central nervous system; caffeine; electrophysiological response; cognitive response; motor responses, 637
cerebellar infarction; visual search; spatial memory; visual attention; cognitive functions; motor planning; visual search task, 4795
Chabot Emotional Differentiation Scale; personality variable; intellectual functioning; Bowen's intrapsychic aspect of differentiation; emotional functioning; psychometrics, 18531
cheating; personality; subclinical psychopathy; scholastic competence; scholastic dishonesty; cognitive ability; predictors, 11845
childhood Langerhan's cell histocytosis; progressive neurological disorder; differential recovery; cognitive functioning; neuropsychological impairments, 35352
childhood sexual abuse; neuropsychological function; cognitive function, 16884
choice reaction time; age; cognitive ability; age differences, 31012
chronic ecstasy; memory; inhibition; drug use; task-switching deficits; executive functions, 26096
chronic nicotine; female rats; working memory; reference memory; cholinergic system; cognitive ability; dementia, 19043
cigarette use; frontal lobe; Japanese adults; cognitive function, 25107
clinical science; statistical significance testing; personality assessment; trait theory; clinical psychology; biography; diverse domains; cognitive activity; etiology; schizophrenia; Paul E Meehl, 8731
cognition ability; divergent interpretations; conflict stories; antagonists; children's judgments, 10013
cognition; aging; psychopathology; schizophrenia; depression; cognitive functioning, 28796
cognition; functional independence; cerebral artery infarct; neuropathology; lesions; corpus callosum; occipital region; thalamus; cerebellum, 26360
cognition; mortality; study dropout; practice effects; age; cognitive decline, 31526
cognition; schizophrenia; cognitive performance; schizophrenia research; schizophrenia treatment; cognitive measures, 10682
cognition; schizophrenia; cognitive performance; schizophrenia research; schizophrenia treatment; cognitive measures, 10673
cognitive abilities; Alzheimers disease; patients perceptions; blacks; whites; caregivers health; cognitive assessment; behavioral intervention, 14195
cognitive abilities; ginkgo biloba extracts; mood; older adults; young adults; memory, 22299
cognitive abilities; intelligence; reasoning; crystallized intelligence; working memory; sustained attention; storage; coordination; processing, 24789
cognitive abilities; memory span tasks; short term memory, 21913
cognitive abilities; neuroticism; personality, 31846
cognitive abilities; sex differences; older adult twins; environmental effects; genetic effects, 22590
cognitive ability differentiation; ability groups; safety suitability tests; test scores; tests; Dutch & immigrant children; adults; saturation; Law of Diminishing Returns; factor structure, 33979
cognitive ability tests; measurement invariance; test scores; practice effects; retesting, 64
cognitive ability; age; sexual abuse; victims testimony, 34968
cognitive ability; alternative measures; job performance; ethnic group differences; conscientiousness, 12177
cognitive ability; communicative abilities; grey parrots; mimics; intelligence, 34034
cognitive ability; constructive memory processes; perspective; children; social competence, 25296
cognitive ability; educational attainment; adverse impact; selection, 24308
cognitive ability; genetic variance; environmental influences; genetic influences; age changes; processing speed, 3889
cognitive ability; linguistic ability; reading comprehension skills; diverse linguistic backgrounds; verbal working memory; language; children, 24152
cognitive ability; mental surveys; methodological innovation; genetic parameters; twin pairs; environmental contribution; heritability, 3790
cognitive ability; military personnel; neuroticism; job performance; stress intolerance, 9173
cognitive ability; neuropsychological variables; lifespan; structural organizations, 16082
cognitive ability; odor discrimination; neurophysiological approaches; behavioral approaches; neuronal circuits; olfactory bulb, 15592
cognitive ability; pregnancy; early motherhood; cognitive impairment, 27828
cognitive activity; cognitive function; older African Americans, 30961
cognitive aging; sex diferences; twins; etiology; genetics; environmental contributions; cognitive performances, 19267
cognitive aspects; obsessive compulsive disorder; pharmacological prophylaxis; serotonin reuptake inhibitors; benzodiazepines; escitalopram; paroxetine; treatment; major depressive disorder, 19874
cognitive assessment; food deprivation; human; fasting; cognition; short-term religious fasting, 27831
cognitive asymmetry; Alzheimers disease; apolipoprotein E; visuospatial stimuli; learning; memory; global local processing ability; verbal ability; spatial ability; elderly, 3895
cognitive asymmetry; leadership behaviors; employees; emotional reactions; supervisor employee interaction, 18231
cognitive brain functioning; distributed artificial neural network models, 6144
cognitive capacities; older adults; consent procedures; medical treatment; clinical research; decision making, 34447
cognitive change; social interactions; mental models; relational reasoning; problem solving; school aged participants, 16100
cognitive changes; old age; global brain atrophy; cerebro arterial blood flow; intelligence; mental abilities; memory; reaction times, 29293
cognitive control impairments; traumatic brain injury, 29277
cognitive control; event-related brain potentials; aging; frontal function; response-to-stimulus interval, 28099
cognitive control; positive affect; dopamine, 12911
cognitive correlates; brain; cognitive functions; magnetic resonance imaging; proton density; subcortical gray; white matter hyperintensities; severity; non-demented elderly; set shifting; attention, 12953
cognitive decline; mortality; coronary heart disease; cancer; stroke, 32512
cognitive decline; mortality; preterminal decline; terminal decline; dementia, 31529
cognitive decline; systemic inflammatory markers; risk; dementia; C-reactive protein; interleukin-6; pathogenesis; Alzheimer's disease, 35283
cognitive dedifferentiation; lifespan cognition; longitudinal and dynamic models; bivariate dual change score model with retest effects, 10178
cognitive deficits; mental sets; psychopathic offenders; executive dysfunction; left-hemisphere activation hypothesis, 32222
cognitive deficits; non-affected relatives; schizophrenia patients; verbal memory; executive functioning; attention, 23019
cognitive deficits; schizophrenia; atypical antipsychotic drugs; cognitive impairment; neuropsychological effects; drug therapy, 4350
cognitive development; cognitive functioning; reaction styles; infant development; infant temperament, 6979
cognitive development; intelligence; intellectual development; musical training; positive transfer; IQ; academic abilty; intellectual functioning, 19194
cognitive effects; topiramate monotherapy; epilepsy; patients; neuropsychological test, 23778
cognitive effects; wakefulness; intelligence quotient; modafinil, 6853
cognitive estimation impairment; Alzheimer's disease; mild cognitive impairment; working memory; semantic memory; executive function, 11086
cognitive evaluation; disease modifying efficacy; galantamine; memantine; models; mice, 13052
cognitive factors; competency to stand trial; neuropsychological predictors; defendants; cognitive ability, 20360
cognitive flexibility; teachers; learning; student motives; classroom, 11829
cognitive function; advanced HIV infection; AIDS dementia complex; cognitive test battery; test validity, 12532
cognitive function; cataract; older adults, 4857
cognitive function; cognitive performance; factor personality dimensions; mood states; depression; anxiety, 25387

cognitive function; community dwellers; older Japanese; cognitive impairment; urinary incontinence, 17295
cognitive function; dilated Virchow-Robin spaces; mild traumatic brain injury, 14222
cognitive function; dissociative disorder; veterans; posttraumatic stress disorder; attention; diagnosis; autobiographical memory; verbal memory, 25834
cognitive function; progressive supranuclear palsy; corticobasal degeneration; multiple system atrophy, 1766
cognitive functioning; atherosclerosis risk factors; cerebral abnormalities; white matter hyperintensities; ventricular size; sulcal size; impaired cognitive functioning, 4718
cognitive functioning; bipolar patients; lamotrigine; neurocognitive profile, 20573
cognitive functioning; cognitive performance; interindividual variability; serotonin receptor expression; psychopharmacology, 24997
cognitive functioning; expressed emotion; first episode patients; schizophrenia; severe mood disorders; client characteristics; psychoses, 19766
cognitive functioning; first episode psychosis; social functioning deficits; positive and negative symptoms; depression; social outcome; substance use, 1384
cognitive functioning; Huntingtons disease; cognition; neurology, 32557
cognitive functioning; learning strategies; actors; acting; memory; learning theory; text comprehension; cognition; cognitive aging, 18676
cognitive functioning; medial frontal lobe damage; anterior cingulate cortex; cognitive tasks; anterior attention, 17265
cognitive functioning; older adults; medical personnel; social support; life expectancy, 1934
cognitive functioning; postconcussive symptoms; trauma patients; mild traumatic brain injury, 32646
cognitive functioning; psychiatric disorders; metabolic diseases; children; adolescents; intelligence; psychiatric pathology, 23340
cognitive functions; bupropion; placebo, 9889
cognitive functions; carotid artery disease; carotid endarterectomy; cognitive impairment; clinical symptoms; atherosclerotic disease; unilateral/bilateral stenosis, 20226
cognitive functions; cognitive performance; aviation accidents; self report; flight crew performance, 21519
cognitive impairment; cognitive sequelae; ecstasy; neurological damage; methylenedioxymethamphetamine; cognitive ability, 29449
cognitive impairment; community dwellers; Spain; cognitive assessment; elders; cognitive function, 14218
cognitive impairment; schizophrenia; cognitive function; phenotypes, 23034
cognitive improvement; children; parental expectations; ketogenic diet; epilepsy, 17279
cognitive inhibition; interference; dissociative identity disorder; generalized anxiety disorder; anxiety; executive functions, 16666
cognitive leisure activities; brain benefits; cognitive impairment, 34122
cognitive measures; psychogeriatric population; Hong Kong; Executive Interview, 30754
cognitive modelling; behaviour genetics; reading; genetic influences; lexical reading processes; dyslexia, 23239
cognitive neuroscience perspective; psychopathy disorder, 10739
cognitive neuroscience; second language acquisition; prefrontal cortex; first language; brain; individual differences, 28091
cognitive performance inconsistency; intraindividual change; intraindividual validity; memory speed; aging; multivariate; growth curves; nonlinear, 10193
cognitive performance; family adversity; aging; lifespan; neglectful parenting, 16230
cognitive performance; folate; methylenetetrahydrofolate reductase polymorphism, 22135
cognitive performance; middle-aged adults; older adults; speeded abilities; executive function; memory; aging, 22459
cognitive performance; Rett syndrome; gazing; developmental disorder; neuromotor impairments, 35083
cognitive performance; sleep; smoked cocaine; cocaine abusers; binge-abstinence cycle, 10832
cognitive plasticity; neural plasticity; aging; life span, 34098
cognitive procedural learning; cognitive processes; episodic memory; executive functions, 27894
cognitive process; translation; writing; cognitive levels; second language, 9600
cognitive profile; cerebral autosomal dominant arteriopathy with subcortical infarcts and leukoencephalopathy; vascular dementia; cognitive domains; age differences; patients, 23410
cognitive recovery; family history; alcoholism; cognitive function, 13974
cognitive rehabilitation interventions; executive function; traumatic brain injury; pathophysiology; cognitive neuroscience, 32615
cognitive rehabilitation; schizophrenia; evidence based practice; motivation; expectancies, 32174
cognitive reserve; age; neuropsychological performance; healthy participants; attention; memory; visuoconstruction; conceptualization; reasoning; aging, 22450
cognitive skill; attention control; second language proficiency; expertise development; attention shifting; bilinguals, 401
cognitive skills; learning task selection; training, 12742
cognitive technologies; human abilities; aging, 33645
cognitive technology; gist processing; cognitive ability; fuzzy trace theory: web, 36596
cognitive tools; individual differences; group processing; mediating factors; hypermedia environment, 12319
cognitive vulnerability; depression; information processing; dual process models, 4316
cognitive-functional relationships; vascular dementia; caregivers; activities of daily living, 35304
collaborative problem solving; cognitive skills; aggressive behavior; cognitive behavioral intervention, 29593
community violence exposure; IQ; academic performance; children's perception; safety; protective effects; cognitive functioning, 25223
commuting suitability; bikeability; Arizona elementary schools, 13158
comorbidity; insomnia; prevalence; elderly population; cognitive ability; aging; response time, 4602
competence; everyday activities; prediction; cognitive risk; mortality; elderly people, 19260
conceptual development; intuitive physics; representational redescription; U shaped growth; children's reasoning; implicit knowledge; ability; trends; block balancing, 7005
concussion recovery; high school athletes; college athletes; cognitive performance; symptoms, 12529
conversational repetition tracking; target monitoring ability; information exchanges; personal information; cognitive abililty, 12708
coping strategies; cognitive functioning; rural community; personal preferences; stressful situations, 25398
corpus callosum; sickle cell disease; cognitive functioning; cerebral infarcts, 17195
cortical hemoglobin oxygenation; cognitive impairment; Alzheimers disease; bilateral parietal, 26370
creative climate; organizational innovation; general taxonomy; work environment; cognitive ability, 12233
creative problem solving; organizations; thinking style; thinking skills; effective leadership, 12248
crystallized subtests; abilities; non-crystallized abilities; intelligence; single-trait correlated uniqueness; g loadings, 33794
cues; cognitive ability; visual search; gazing; visual perception, 16114
dementia; mild cognitive impairment; cognitive deficits, 23430
depression; anxiety; cognitive function; elderly population; Hordaland Health Study, 10599
depressive symptoms; physical & mental functioning; interferon/ribavirin treatment; posttransplant; hepatitis C; psychiatric comorbidity, 20678
design fluency, frontal lobe epilepsy, temporal lobe epilepsy; nonverbal fluency; switching ability, 4802
developmental delays; personal social outcomes; cognitive status; personal social status, 28225
developmental difference; preschool aged children; psychological states anticipation; children ability; future self anticipation, 771
developmentally sensitive measures; executive function; preschool children; age trends; task difficulty; cognitive development; social development, 774
dietary restraint; cognitive performance; children diet; reaction time, 6948
digit span components; attention problems; executive functioning; attention deficit hyperactivity disorder, 14024
dimensionality impact; children's copying accuracy; intellectual realism; drawing accuracy, 3834
disability; cognitive functioning; multiple sclerosis; depression; anxiety; cognitive dysfunction, 8226
discordant twin study; premorbidity; cognitive ability; schizophrenia probands; co-twins; psychosis; vulnerability; educational attainment; genetics; test scores, 16758
disorganization; executive dysfunction; high functioning autism; spectrum disorders; executive function; parent ratings, 10882
disruptive behavior; classrooms; on task orientation; school; cognitive competence; peers; teachers, 15035
dissociative disorders; self functioning; social attention ; psychopathology; memory recall; amnesia; interpersonal trauma; disrupted identity, 1890
distributional analysis; physical exercise effects; choice behavior; reaction time task; decision making; sports performance; cognitive ability, 21442
dopamine; frontal lobe; basal-ganglia; executive function; Parkinson's disease; learned irrelevance; attentional set-shifting deficits, 32677
dopaminergic modulation; cognitive function; L DOPA treatment; Parkinsons disease; positive and negative effects; working memory; drug therapy; cognitive flexibility, 14199
Down syndrome; executive function; learning disabled, 32465
Down syndrome; Williams syndrome; mental retardation; neurodevelopmental disorders; cognitive profile; naming tasks, 32048
dyslexia; reading-writing connection; cognitive abilities, 32444
early childhood development; cognition; cognitive ability, 13119
early reading skills; young children; instructional interventions; reading development; behavioral assessments; cognitive skills; phonological skills; low-income families, 31415
ecological validity; executive functioning; neuropsychological assessment; compensatory strategies; environmental cognitive demands, 21911
ecological validity; neuropsychological assessment; cognitive tasks; decision making, 30758
educational attainment; childhood socioeconomic position; cognitive functioning; adult cardiovascular risk factors, 1752
educational kinesiology; learning; Brain Gym; posture; academic skills; cognitive skills; physiology, 5671
emotion; depression; cognitive flexibility; Wisconsin Card Sorting Test, 31083
emotional intelligence; life skills; personality; cognitive abilities, 7478
emotional intelligence; task performance; stressful tasks; cognitive ability, 1237
empathic concern; encephalization; nociceptive capacity; pain perception; cognitive self regulation, 10533
empathy; relations leadership; task leadership; workgroup peers; perceptions; emotional abilities; cognitive abilities; leadership emergence, 18237
employee selection; forced-choice personality tests; response motivation; cognitive ability; personality traits, 30710
endophenotypic marker; bipolar disorder; prefrontal cortex; executive function, 10636
Enhance Fitness program; community based exercise program; function; health status, 32999
episodic memory; source memory; source monitoring framework; aging; age related differences; fluid ability; cognitive ability; perceptual speed; executive functioning; vocabulary, 881
estrogen receptor alpha; cognitive impairment; postmenopausal women; risk factors; executive cognitive ability, 18797
executive attention; self regulation; effortful control; temperament system; cognitive system; biological system, 513
executive control; bilingualism; language processing; cognitive neuroscience; neuroimaging; event-related brain potentials; functional magnetic resonance imaging, 28068
executive dysfunction; cognitive phenotype; parents; local processing style; autism spectrum disorder; early onset schizophrenia; mental retardation, 23202
executive function deficits; autism spectrum disorders; attention deficit hyperactivity disorder; working memory, 23211
executive function impairment; attention deficit hyperactivity disorder, 17041
executive function; 22q11 deletion syndrome; COMT Val158Met Genotype, 22136
executive function; aging; age-related effects; reliability; latent executive function construct, 30755

executive function; cardiorespiratory fitness; cognitive aging; age differences, 28250
executive function; depression; community dwelling; older adults; everyday activities; symptoms, 29370
executive function; humor processing; aging; mentalizing, 19277
executive function; memory; posttraumatic stress disorder; Bosnian war veterans; neuropsychological functions, 19898
executive function; positive psychological attributes; college students; cognitive abilities; autonomous behavior, 25687
executive function; repetitive symptoms; Autistic disorder; cognitive process; restricted symptoms, 1597
executive function; schizophrenia; symptoms; cognitive assessment, 13757
executive function; social competence; emotional competence; intervention programs; childhood development, 28256
executive function; symbolic representation; preschool children; cognitive development; social development, 775
executive function; theory of mind; preschoolers; verbal ability; individual differences; family factors, 784
executive functioning development; theory of mind; Chinese preschoolers; US preschoolers, 10066
executive functioning; double dissociation; elderly people; executive processing speed; cued recall; age differences; episodic feeling of knowing, 18799
executive functioning; executive impairment; Aspergers disorder; autism; random number generation, 17060
executive functioning; intelligence; adult age; sibship size; birth order; family structure, 15580
executive functioning; preschoolers understanding; false beliefs; false photographs; false signs; mind development, 28258
executive functions; adolescents; Behavior Rating Inventory; self report; psychometric properties; cognition; behavior; emotional activities, 29442
executive functions; attention deficit hyperactivity disorder, 20068
executive functions; fluid and crystallized intelligence; Wechsler Adult Intelligence Scale IQ; inhibiting; shifting; updating, 12723
executive functions; performance; high stakes testing; children; urban schools, 21717
executive functions; reversal learning; heterozygous reeler; schizophrenia; set-shifting; mouse model; cognitive deficits, 28017
executive load; working memory; inattentional blindness; information processing; central executive functioning, 27835
executive neurocognition; memory systems; borderline personality disorder; interpersonal relationships; self injurious behaviors, 19932
executive operation; cognitive operation; schizophrenia; verbal response times; words, 10672
executive processes; memory updating; simple mental arithmetic, 31039
factor analysis; Dysexecutive Questionnaire; self report; behavioral difficulties; impulsivity; executive functioning; inhibition control; construct validity; monitoring; planning; factor structure, 18582
faking; response instructions; situational judgment test; Big Five personality test; knowledge response, 9374
familiarization; infants perception; arithmetic; problem solving; cognitive ability; infant development, 16097
female inmates; cognitive functioning; executive functioning; aggression; neuropsychology, 23187
Five Factor Personality Model; personality dimensions; training performance; recruiter training; cognitive ability; predictive validity; Marines, 34774
forgetting; individual differences; age; mnemonic training; multilevel modeling; basic cognitive ability, 27855
frontal lobe epilepsy; executive functions; children; neuropsychological changes; cognitive functions; childhood development, 11113
functional communication; executive function; ability; aphasia; language impairment, 32624
functional magnetic resonance imaging; impaired judgment; spatial orientation; cerebellum; cognitive functions, 1791
future prediction; age differences; personal events; past recollection; children abilities, 773
galantamine effect; working memory; global functioning; MCI patients; mild cognitive impairment; executive function deficits; cholinesterase inhibitor, 11392
galantamine; antipsychotic treatment; chronic schizophrenia; cognitive functioning; psychotic symptoms, 29678
gene environment interplay; psychopathy; neurobiological mechanisms; brain development; cognitive functioning; autism; social development; temperament; psychopathology, 25796
General Ability Measure for Adults; disorder onset; neurological impairment; cognitive ability; concurrent validity; psychometrics, 33845
general cognitive ability factor; reliability assessing; heritability assessing; sibling study; mouse behavior, 3517
general knowledge; ability; IQ; abstract reasoning; personality, 31849
genetic influences; brain structure; brain morphology; intelligence quotient; brain mapping; cognitive ability; behavioral studies, 3525
gifted children; resilience; coping; at risk youths; cognitive ability; problem solving, 9047
grey parrot; Arabic numerals; ordinality; equivalence; inferential abilities, 27958
group treatment approaches; cognitive deficits; group functioning; psychiatric rehabilitation, 29613
growth hormone releasing hormone; cognition; healthy older adults, 22348
guanfacine; executive functions; memory functions; healthy volunteers, 6848
hallucinations; cognitive decline; death; Alzheimers disease, 20304
health; cognitive achievement; immigrant families; racial ethnic minority; education; childhood development, 16062
hemispheric activation; hemispheric interaction; functional lateralisation; attention, 9795
hemispheric lateralization; cognitive functions; centrotemporal spikes; epilepsy; children, 35267
hormone replacement therapy; cognitive performance; postmenopausal women; dementia risk; cognitive domain; memory, 14500
hormone treatment; cognitive performance; testosterone; estradiol; castration effects; male rats, 641
hot executive function; cool executive function; young children; age related changes; individual differences; general intellectual function; temperament, 757
human capital; cognitive ability; college entrance exams; creative accomplishments; occupational accomplishments; life accomplishments; graduate students; physical science programs; talent search, 21277
human development; cerebral cortex; postnatal development; prenatal development; intellectual functioning; neurogenesis; neuronal migration; dendrite maturation; synaptogenesis; white matter, 28098
human reasoning; automatic heuristic processing; executive analytic processing; executive processing, 30977
Huntington disease; amnesic syndrome; riluzole; drug dosages; cognitive functioning; autointoxication, 35675
hypnosis; hypnotic suggestibility; structural equation modeling; expectancy theory, 27924
idea generation; cognitive ability; stimuli quality; group performance; group composition, 19543
identification with academics; intrinsic motivation; extrinsic motivation; self efficacy; cognitive engagement; intervention, 15700
impaired face processing; autism: face processing abilities; children, 35103
impaired insight; executive task performance; cognitive deficits; cognitive functioning; working memory; schizophrenia, 10670
implicit; attitudes; automatic stereotyping; projective; executive control; racial bias; social cognition, 4183
impulsivity; intelligence; academic achievement; academic failure; primary mental abilities, 8981
in home cognitive training; inductive reasoning training program; individual learning; collaborative learning; cognitive performance; older married couples, 18791
indifferentiation hypothesis; hypothesis testing; g factor; cognitive ability; life span; intelligence assessment, 18495
individual characteristics; community integration; intellectually disabled adults, 4566
individual differences; distracting sounds; cognitive mechanisms; working memory abilities; acoustic distraction, 15622
individual differences; event memory; language abilities; working memory; executive functioning; young childrens suggestibility, 796
individual differences; executive function; recollecting words; false recall; recognition, 31005
individual differences; learning context; cognitive ability; learning difficulty; strategic skill acquision; comparison skills; transfer, 15692
individual differences; memory; forgetting; working memory; inhibition skill, 18769
inductive reasoning; frontal cortex damage; working memory; executive functions; thinking; abstract rules, 1812
inductive reasoning; memory; perceptual speed; older adults; age effects; cognitive aging; inconsistency; intraindividual variability in cognitive performance, 866
infants' knowledge; occlusion; containment; cognitive abilities; reasoning; decalages, 16103
inference based knowledge; syllogistical inferential knowledge; childrens ability; childhood development, 28298
informal reasoning; informal reasoning fallacies; epistemological beliefs; argument; adolescent cognition; epistemological level; grade level; cognitive ability; epistemological sophistication, 19202
inhibition of return; negative priming; bradyphrenia; subcortical connectivity; executive function; visual selective attention; Parkinson's disease; endogenously & exogenously evoked movement, 20258
inpatient rehabilitation; stroke patients; fall incidence; cognitive functions; motor functions, 2356
insight; cognitive function; patients; schizophrenia; relatives perception; caregivers; patients global function; cognitive deficit, 7683
integrative views; dual-task costs; performance; task-switching costs; attentional-blink effect; psychological refractory period; cognitive performance, 27818
intellectual ability; metacognition; learning; problematicity theory; task complexity, 33988
intellectual caliber; sociological theory; local position; Israel, 22633
intellectual capacities; faculty role; faculty management practices; business education, 36209
intellectual disabilities; psychosis; cognitive skills; cognitive behavioral therapy, 14419
intelligence quotient; Scholastic Assessment Test; SAT; item responses; g factor; gender differences; mental ability; test validity; test reliability, 33770
intelligence; personality; cognitive abilities, 31913
interhemispheric connectivity; executive functioning; Tourette's syndrome; prefrontal cortex; corpus callosum; dual task; dual task; interference; imaging, 11090
interracial interaction; cognitive task; prejudice; racial behavior, 10384
intervention effects; maternal concepts; child development; children's cognitive outcomes, 11548
item response theory; critical thinking; Wagner Assessment Test; test development; reasoning; minimization of guessing effects, 15439
jury aids; expert witnesses; summary statements; note-taking; quality of decision making; civil litigation; mock jury members; cognitive aids, 6519
juvenile offenders; executive functioning; juvenile delinquency; personality disorder, 8233
language ability; developmental language differences; executive functioning; performance; social skills; deaf children, 20370
language background; cognitive abilities; sociocultural factors; English proficiency, 18774
language skills; simultaneous interpreters; language proficiency; language comprehension; working memory; cognitive skills, 16009
late life cognitive function; non Hispanic White residents; Mexican American ethnicity; elderly, 34448
law enforcement training performance; dysfunctional job performance; general mental ability; personality; life history variables, 18473
learning tasks; cognitive skills; law students; driving questions, 30284
lifetime smoking; smoking status; older age; cognitive function, 19276
linguistic abilities; children; naming skills; preterm birth; gestation; age differences; cognitive ability, 22495
linguistic accommodations; older adults; communication disorders; partner motivation, 7992
litigation; psychosocial outcome; cognitive outcome; severe brain injury; reliability; recovery; illness behavior, 23507
long term care; assistive technology; personal care; quality of life; older persons disabilities; cognitive abilities; care services, 2327
Lowenfeld Mosaic Test; clinical use; test application; functional ability measurement; mosaic construction, 21680
macrostructure; microstructure; corpus callosum; language lateralisation; functional lateralisation; individual differences, 15907

maladaptive behavior; Smith-Magenis syndrome; adaptive behavior; cognitive functioning, 28755
medical illness; executive function; treatment strategies; practical diagnostic instruments, 10992
memory beliefs; cognitive performance; cognitive impairment; older adults; group differences; neuropsychological assessment, 35275
memory functioning; memory aging knowledge; age differences; metamemory; education; verbal ability, 34365
memory improvement; hypothyroidism treatment; verbal memory retrieval; thyroid replacement therapy; cognitive function, 32537
memory malingering; brain injury; cognitive performance; injured worker population; workplace safety; self perception; neuropsychological testing; emotional state, 4864
memory retrieval; autobiographical memories; truncated search; cognitive load; problem solving; executive resources, 22024
memory skill; exceptional performance; mnemonics; skilled memory; memorist, 31068
memory; menopause; estrogen; cognitive performance; hormone influence; cognitive functioning; psychological functioning; brain structure, 610
mental status; dementia; Alzheimer disease; cognitive function; assessment, 4763
metacognitive skills; executive function; emotional status; psychosocial adjustment; acquired brain injury, 1803
micronutrient deficiencies; brain function; choline; perinatal development; neurological function; causal relationship, 22094
mild cognitive impairment; cognitive domains deficit; neuropsychology, 23467
mild cognitive impairment; non demented older adults; cognitive decline risk; inspection time, 23403
mild developmental disabilities; learning difficulties; neuropsychological recovery; head trauma; cognitive recovery, 29310
modafinil; brain activity; cognitive performance; chronic schizophrenia; anterior cingulate cortex function, 2089
modularity; cognitive scientists; cognition; brain; cognitive processes; mind, 21953
moral reasoning; executive functions; religiosity; social awareness, 11173
motion induced blindness illusion; schizophrenia; reaction time; illusion perception; cognitive functioning, 13813
motor development; neuropsychological patterns; Downs syndrome; cognitive profiles; mental retardation; linguistic domain, 29162
motor dysfunction; cognitive function; tetraplegic cerebral palsy, 4831
multiple cognitive capabilities; deficits; visuospatial coherence; autism spectrum disorder; central coherence theory; theory of mind; executive control; preschool age children; school age children, 17057
multiple intelligences theory; intelligence domains; factor analysis; cognitive abilities; g factor; general intelligence; sensory & motor & personality influences, 33801
multiple intelligences theory; intelligence domains; factor analysis; cognitive abilities; g factor; general intelligence; sensory & motor & personality influences, 33813
multiple intelligences theory; intelligence domains; factor analysis; cognitive abilities; g factor; general intelligence; sensory & motor & personality influences, 33812
multiple object tracking; tracking abilities; concentration; Catch the Spies Task; task development, 46
negative priming; preschoolers; flexible rule use; dimensional change card sort task; executive function, 22481
neural network dynamics; neural network modeling; stimulus driven responses; neural circuits; active networks; cognitive functioning; signal propagation, 3620
neurocognition; cognitive functioning; quality of life; haematological patients; haematopoietic stem cell grafts; neural transplantation, 20624
neurocognition; stable endophenotypes; bipolar disorder; schizophrenia; neurocognitive performance, 19759
neurocognitive consequences; HIV; southern India; clade C viral strain; cognitive ability, 26342
neurocognitive fitness; traumatic brain injury; age effects; sub acute stage, 17344
neurocognitive sequelae; hypoxemia; apnea diving; breath-hold divers; human diving reflex, 17190
neuroligins; neurexins; cell adhesion; synapse formation; cognitive function, 15863
neuropsychological functioning; delusions; dementia, 14213
neuropsychological functioning; poly drug perspective; ecstasy exposure; MDMA; cognitive functioning; drug use; neurotoxin; serotonin; gender; marijuana users; low to heavy ecstasy use, 10828
neuropsychological performance; mild cognitive impairment; apathy, 23469
neuropsychological test performance; cross cultural differences; demographic factors, 9573
neuroscience; grasping; sensorimotor; cognitive functions; neuroimaging; electrophysiology; brain; anatomy, 9794
newborn behavior; decosahexaenoic acid levels; breast milk; fatty acids; intellectual functioning, 22691
nonhuman primates; human infants; cognitive abilities; infant cognition, 19203
nonverbal abilities; verbal ability; healthy older adults; Tower of London; normal aging; executive function; individual differences, 16238
noradrenergic modulation; space exploration; visual neglect; dorsolateral prefrontal cortex; guanfacine; cognitive function; brain; stroke, 23386
northern Sweden; quality of life; employed people; life spheres; somatic health; mental well being; cognitive ability; social life; family life; financial situation, 13545
novelty detection; infants; familiar stimuli; memory; cognitive ability; ERP responses; electrophysiological correlates, 10086
novice learners; event-related potentials; neurocognition; second language processing; neurobiology; brain potentials; language development, 28085
nutritional status; intellectual capacity; 6 yr olds; middle SES, 13115
octopus; play behavior; invertebrates; cognition; food deprivation; cognitive ability; object type; repeated testing; age differences, 27986
odor identification; old age; sensory acuity; cognitive abilities; demographic characteristics, 3293
offenders; autistic spectrum disorders; executive function; criminal offenses; emotion recognition; antisocial behavior, 10899
older adults; mild cognitive impairment; affective ability; cognitive ability; functional ability; memory; at risk population, 29283
older drivers; functional declines; driving behavior; safety; at risk populations; mobility, 36576
older males; cognitive function; alcohol consumption, 19270
oxygen administration; visuospatial cognitive performance; Blood Oxygen level Dependent signal; BOLD, 13009
oxygen concentration level; brain activation; verbal performance; fMRI system, 34044
pain; malingering; WAIS-III processing speed index; cognitive symptoms; cognitive functioning; disability, 34785
parental involvement; educational achievement; primary school students; cognitive capacities; social development; low educated parents; ethnic minority parents, 11982
Parkinson's disease; subthalamic stimulation; cognitive changes; behavioural changes; mood changes; neuropathological features; behavioural changes; dementia, 35698
parkinsons disease; methylphenidate; cognitive function; gait; visual spatial performance; memory, 14185
perceived parental care; cognitive representations; future offending; young offenders; child rearing; juvenile delinquency; supervision, 17021
perceptual events; task demands; hands; perceptual events; cognitive performance; action, 27860
Performance IQ; Verbal IQ: WAIS-III; test performance; major depression; intellectual functioning, 34862
performance tests; taxonomy; jobs; cognitive skills; performance skills; mission; operational tasks; psychometrics, 149
periventricular brain injury; reading; spelling abilities; adolescence; intelligence; academic problems; cognitive outcome; extremely low birth weight, 11066
personality; intelligence; cognitive abilities; age differences; conscientiousness; openness; agreeableness, 34724
phonological difficulties; reading retarded children; cognitive ability; diagnosis, 17066
physical activities; cognitive activities; cognitive tasks; older adults, 31002
piano instruction; executive functions; neuropsychological impairments; dementia; Alzheimers disease; depression; cognitive assessments; working memory, 3355
planning performance; attention deficits; executive function tasks; anxiety, 1600
plasticity; oldest-old; young-old; retest learning; level of cognitive functioning; age, 22598
poor achievement; early grade school; kindergarten scores; cognitive tasks; academic areas; childhood development, 18063
posttraumatic stress reactions; high school teachers; cognitive functioning; war, 9613
prefrontal cognitive functions; chronic schizophrenia; dorsolateral functioning; orbitofrontal functioning; cognitive impairment, 1398
prefrontal set activity; neural processing; cognitive performance; prefrontal cortex, 22209
preliminary validity; computerized cognitive measures; neurocognitive tests, 3191
premorbidity; intellectual functioning; premorbid IQ score; risk factors; schizophrenia spectrum disorders; prodrome, 16771
primacy; memory; performance; neural correlates; parietal lobe; cognitive processes; angular gyrus, 18998
primary student teachers; teaching ideas; physics; science education; knowledge level; cognitive ability; learning environment, 17964
prisoners; offending behaviour intervention; enhanced thinking skills, 23997
processing abilities; math skills; adult learning disability; college adults; learning problems, 17083
prospective freshmen; higher order thinking skills; music education; music education majors; high school students, 5674
prospective memory performance; cognitive development; age differences, 34371
psychiatric disorders; cognitive impairment; cognitive ability, 4809
psychometric approach; intuitive physics; physics performance; cognitive aging; systematic errors; cognitive ability, 6545
psychopathology measures; intelligence measures; memory measures; adults; psychoeducational assessment; cognitive functioning; outpatient mental health clinic, 30669
psychosocial factors; Mexican-American women; treatment adherence; hemodialysis treatment; cognitive dimensions; phenomenology, 32988
psychosocial functioning; psychosocial integration; interpersonal relationships; cognitive abilities, 12423
psychosocial problems; seizures; children; epilepsy; cognitive function; socioeconomic status, 26407
racial differences; cognitive decline; education; literacy; African Americans, 11118
random number generation; working memory; controlled processing; response selection; executive function, 27846
reading comprehension; word recognition; language proficiency; cognitive skills; measurement; prediction, 27827
reduced baroreflex cardiac sensitivity; cognitive performance; cardiovascular system; central nervous system, 22287
regional cerebral blood flow; Alzheimer's disease; musical hallucinations; single-photon emission computed tomography; cognitive functioning, 29288
regional frontal hypometabolism; fluorodeoxyglucose; patients; epilepsy; pathology; executive function, 32655
regulatory fit; cognitive test performance; self regulatory mechanisms; situational; chronic, 22471
regulatory focus; executive function; interracial interactions; prejudice; task performance; cognitive functioning, 19541
Repeatable Battery for the Assessment of Neuropsychological Status; index discrepancies; community dwelling older adults; cognitive functioning, 12530
response inhibition; cognitive functions; prefrontal cortex; neurochemical systems; probability learning, 12907
response selection; executive control; selective interference paradigm; working memory; serial recall, 3399
retrieval solutions; cognitive skill training; recognition tests; age, 31060
Reynolds Intellectual Assessment Scales; intelligence quotient prediction equations; Frey and Detterman; SAT; cognitive functioning; test validity, 21631
schizoaffective disorder; cognitive ability; alcoholism; suicidality; cognitive dysfunction; diagnosis; risk factors; schizophrenia, 16621
schizophrenia; neuropsychologically normal; processing speed; working memory; cognitive impairment, 4369
schizophrenia; visual search; control of attention; implementation of selection; executive control; impairment, 23011

Scholastic Assessment Test; general cognitive ability; general intelligence; college students, 135
school achievement prediction; cognitive ability; motivation; intrinsic value; elementary school children; general factor; g, 33445
scientific reasoning; preschoolers; covariation patterns; non-covariation; domain-specific biases; evaluation; ability, 7003
selective dopamine D4 agonist; cognitive performance; attention deficit disorder with hyperactivity; short term memory; rat model, 6832
self affirmation; women intellectual performance; attribution; stereotype threat, 13504
self referential tags; peoples discourse; Alzheimers disease; donepezil; cognitive functioning; caregivers; drug therapy, 17263
self-awareness; traumatic brain injury; social behaviour; cognitive processes; executive function, 35261
sensorimotor slowing; cognitive slowing; schizophrenia; psychomotor slowing; Symbol Digit Substitution Test, 13787
serial behavior; executive function; age differences; practice; computer based test; interactive test; Trail Making Test, 15667
set shifting deficit; anorexia nervosa; cognitive flexibility; neurocognitive assessment, 26248
sex differences; processing speed; developmental effects; age differences; cognitive abilities; achievement performance, 25247
short term intellectual outcome; arterial ischemic stroke; sinovenous thrombosis; childhood; infancy, 4723
short term variability; cognitive performance; individual differences; longitudinal change, 22592
sleep deprivation; lateral visual attention; cognitive abilities; right cerebral hemisphere; visual fields; inattention errors, 35199
sleep inertia; cognition; cognitive impairment; sleep deprivation, 13002
sleep inertia; cognition; cognitive impairment; sleep deprivation, 15955
Smith-Magenis syndrome; cogenital anomalies; mental retardation; chromosome deletion; neurobehavioral phenotype; cognitive level; adaptive behavior; microdeletion syndrome, 29194
social class differences; cognitive ability; racial differences; sex differences; genetics; brain size, 4115
social cognition; nursing home residents; cognitive impairment; dementia, 23500
social cognition; theory of mind; traumatic brain injury; executive functioning; mental state comprehension, 14221
social nature; perception; action perception; cognitive functions; social interactions; social processes, 25618
social problem solving; spinal cord injury; pressure sores; rehabilitation; prediction; at risk populations; bed sores, 14206
socioeconomic characteristics; old age cognition; cognitive function; early experience, 894
Spearman Law of Diminishing Returns; cognitive ability; children; test scores; ability groups; subtest correlation, 13195
specific aptitude theory; training performance; mental abilities; measurement methods; practice; validity, 24309
speech segmentation; language development; outcomes; infant; individual differences, 25284
Standard Progressive Matrices; sex differences; educational attainment, 13113
story recall; narrative coherence; high-functioning children; autism spectrum disorders; cognitive abilities, 26187
Stroop Color Word Test; age; gender; education; executive function, 12445
structural dynamics; sensory functioning; intellectual functioning; old; very old; visual acuity; Berlin aging study, 7107
structuring complex news; engagement; situational understanding; cognitive models; text comprehension, 28220
subjective ease; malleable meaning; social judgment; evaluative judgments; metacognition, 18771
substance use disorders; orbitofrontal cortex; cognitive ability, 26089
substance use disorders; orbitofrontal cortex; cognitive ability, 26099
sudden mental status change; left hemiparesis; cerebral artery clot; emergency treatment, 26362
suppressed working memory; attention; cognitive functioning; injuries, 18561
symmetrical angular figures; perpendicular bias; young children; line copying; angular information coding, 777
syntax production; bilinguals; language development; sentence production; reading ability; cognitive ability; motor cortex, 19092
task performance; failure; self efficacy; cognitive task, 19657
task performance; private speech; attention deficit hyperactivity disorder children; Tower of Hanoi Test; depth of search; diagnostic subtype; methylphenidate; executive functioning, 1590
task switching; mediator retrieval; instructional cues; executive control; magnitude & parity judgments; association strength, 15671
team composition; adaptation; goal orientation; goal setting; cognitive ability; unforeseen change, 4156
temporal lobe lesions; herpes simplex virus encephalitis; cognitive ability; learning disabilities; neuropathology, 1712
temporal lobe resection; epilepsy; cognitive outcomes; cognitive status; memory, 23417
terminal decline; cognition; death; multilevel modeling; predictors of mortality, 31510
test performance; community; Symbol Digit Modalities Test; test reliability; test validity; psychometrics, 12481
test reliability; Draw A Person Intellectual Ability Test; children; adolescents; adults; test validity; psychometrics; college students; test reliability, 21658
testosterone; cognitive performance; episodic memory; visuospatial memory, 22266
testosterone; human brain; cognitive function, 31239
theory of mind deficits; euthymic patients; bipolar disorders; non theory of mind cognitive deficits; social cognition; executive functioning, 1350
theory of mind; attention; executive function; false belief; kindergarten boys; teacher ratings, 28247
thinking styles; big five personality traits; intellectual styles, 16589
third party observers; neuropsychological test performance; effect size; social facilitation, 9415
Tourette's Syndrome; cognitive performance; adults; behavioral inhibition; executive functions; inhibition; obsessionality; ADHD, 11057
trait openness; conscientiousness; fluid intelligence score; cognitive ability, 16563
transient error estimation; reliability estimates; cognitive ability scales; individual differences; composite scale, 9377
traumatic brain injury; cognitive functional independence; predictive model, 11062
traumatic brain injury; dementia, 4828
traumatic brain injury; executive functioning, 11052
traumatic brain injury; neuropsychological assessment; cognitive ability; cognitive impairment, 17258
traumatic brain injury; older adulthood; psychosocial functioning; cognitive functioning, 23463
traumatic brain injury; organizational abilities; executive functioning; problem solving; intervention; children; planning; frontal regions; cognitive flexibility; goals; attentional control, 26380
traumatic brain injury; Parkinson's syndrome; motor functions; bromocriptine therapy; cognitive functions; levodopa, 14738
traumatic brain injury; theory of mind; executive function; recovery; follow-up; impairments, 29286
treatment response; attention network dysfunction; geriatric depression, 16726
undergraduate students; student involvement; cognitive aging research; faculty mentors; research award, 30270
understanding; attention deficit disorder with hyperactivity; frontal lobe function; response inhibition; cognitive ability, 28261
unilateral spatial neglect; decompressive craniectomy; depressed skin flap; cerebral contusion; traffic accident, 4796
valproic acid; adjunctive therapy; HIV associated cognitive impairment; neuropsychological performance; brain metabolism, 35693
vascular dementia; event related potentials; cerebrovascular microcirculation; cognitive functioning; neuropsychological testing; at risk peoples, 14248
verbal fluency tasks; sex differences; executive speech tasks; semantics; cognitive factors; long term memory; phonetics, 30882
Virtual Planning test; test-re-test reliability; executive functioning; planning; organization; healthy young adults; traumatic brain injury, 6335
visual imagery scanning; young adults; intellectual disability; cognitive ability; college students, 14050
visual processing; autism; task biases; children; visual search; executive control processes; attention, 35112
visual targets; change detection; naturalistic scenes; Alzheimer's disease; reaction time, 8160
Wechsler Adult Intelligence Scale; cognitive functions; electroencephalography; cognitive performance; heroin abusers, 35049
Wechsler Memory Scale 3rd Edition; MicroCog; older adults; computerized assessment; cognitive functions; memory; clinical decision making, 18505
white matter hyperintensities; cognitive performance; older adults; education; severity; processing speed; working memory; inhibition, 32660
Wisconsin Card Sorting Test; cognitive functions; age related decline, 20323
women; careers; work-life preferences; cognitive ability; competence; labor market; family-friendly policies; sex differences; preference theory, 31677
Word list generation performance; Alzheimers disease; vascular dementia; intellectual functioning, 17330
word reading; premorbid ability; cognitive domains; National Adult Reading Test-Revised; premorbid cognitive abilities; premorbid IQ; prediction, 9421
working memory; executive functioning; educational attainment; learning; school achievement, 19197
working memory; individual differences; short term memory; fluid abilities; memory spans, 12783
working memory; learning; genetically diverse mice; cognitive abilities; retention; individual differences, 9696
working memory; phonological awareness; progress; early learning goals; cognitive functioning; school entry, 3816
workplace culture analysis; intellectually disabled people; social inclusion; job retention, 4545
wrist mounted actigraphy; cognitive performance; motor activity; human life signs; motor processes, 341
writing skills; executive functions; college students; working memory; school psychology, 27861
young children; task switching; mental flexibility; age differences, 13128
young infants; differential vocal responses; mothers; strangers; infant mother relationship; cognitive functioning, 10083

Cognitive Ability [See Also Mathematical Ability, Reading Ability, Spatial Ability, Verbal Ability]—Books

Active living, cognitive functioning, and aging, 34460
Causal models: How people think about the world and its alternatives, 9624
Contemporary Intellectual Assessment: Theories, Tests, and Issues, 9341
Emotional intelligence: Key readings on the Mayer and Salovey model, 3406

Cognitive Ability [See Also Mathematical Ability, Reading Ability, Spatial Ability, Verbal Ability]—Chapters

Cognitive Limits on Rationality, 10435

Cognitive Appraisal—Serials

Alzheimer's disease; early stage dementia; gender differences; appraisal; coping; women, 17348
appraisal; ecological momentary assessment; emotion; Singapore; appraisal theories of emotion; happiness; cognitive appraisal; emotional reactions; police officers; perceived control; moral violation, 6625
automatic processing; dominance; submissiveness; social interactions; appraisal; antecedent; emotion; coping potential; status; Simon task, 1167
Big Five personality traits; individual differences; appraisals, 31931
Cloningers temperament dimensions; threat; stress; performance appraisals; young adults, 13566
cognitive appraisal accuracy; psychosocial outcomes; traumatic brain injury; injury severity; physical status; cognitive status; emotional status, 8137
compensatory secondary control; recollection of emotions; self respect; past adversity; cognitive appraisal functioning, 24863
counselor stress appraisals; male clients; countertransference; transactional theory, 35481
dispositional traits; cognitive appraisal; coping strategies; African American college students; socioeconomic status, 13584
emotion regulation; expressive suppression; cognitive reappraisal; memory; physiology, 31041
emotion; cognition; behavior; cardiac activity; sheep; suddenness; unfamiliarity; startle response; appraisal; heart rate, 27947
emotional responses; art; appraisal theories; aesthetics; aesthetic emotions, 9654
emotional states; verbalizations; cognitive appraisals; comforting, 31749

implicit appraisals; explicit appraisals; intrusive thoughts; cognitive theories; obsessions, 18815
interparental conflict; cognitive appraisals; externalizing problems; internalizing problems; youth maladjustment, 820
late positive potential; emotion regulation; appraisal; event related brain potential; emotion, 31085
maladaptive appraisals; posttraumatic stress; trainee firefighters; risk factors; trauma; stress reactions, 7718
motivation; life events; problem drinkers; community; alcohol consumption; drinking severity; natural history, 10819
others' testimony; cognitive processes; interpersonal communication; childhood development; cultural information; cognitive appraisal, 22401
procedural justice; stress; team commitment; team loyalty; sports psychology; stress appraisal; athletes' attitudes; model, 18327
psychological health; negative social exchanges; positive social exchanges; appraisal processes; well being; distress, 10414
self serving appraisal; cognitive coping strategy; elderly adults; stressful situation; psychological homeostasis; life satisfaction; performance; simulation, 19265
severe acute respiratory syndrome; appraisal role; posttraumatic growth; coping behavior, 29179
sexual harassment; restrictive emotionality; emotional appraisal; gender role interpretation; men, 1045
Stress Appraisal Measure; dispositional appraisal; multidimensional appraisal; factorial validity, 6287

Cognitive Assessment—Serials

Addenbrooke's Cognitive Examination; cognitive assessment; dementia; diagnosis; Alzheimer's disease; frontotemporal dementia; test reliability, 33825
aneurysmal; arachnoid hemorrhage; cognitive performance; neuroimaging; tomography; neuropsychology; cerebral ischemia; SPECT, 4719
assessment; comprehension; decoding; language impairment; reading impairment; simple view of reading; oral & written language development, 23244
cognitive abilities; Alzheimers disease; patients perceptions; blacks; whites; caregivers health; cognitive assessment; behavioral intervention, 14195
cognitive ability differentiation; ability groups; safety suitability tests; test scores; tests; Dutch & immigrant children; adults; saturation; Law of Diminishing Returns; factor structure, 33979
cognitive assessment techniques; Mexican immigrants; questionnaire development; health outcomes; Mexican women, 21601
cognitive assessment; learners; knowledge structures; schema; problem solving; arithmetic; memory; expertise, 16111
cognitive deficits; frequency; Chinese patients; aneurysmal subarachnoid hemorrhage; efficiency of cognitive assessment, 29236
cognitive diagnosis component; intelligent learning environments; teaching methods; school learning, 30292
cognitive diagnosis; latent class analysis, 3135
cognitive effects; topiramate monotherapy; epilepsy; patients; neuropsychological test, 23778
cognitive function; Mini-Severe Impairment Battery; dementia; test validity; test reliability; Alzheimer's disease; vascular dementia; dementia with Lewy bodies, 9420
cognitive impairment; community dwellers; Spain; cognitive assessment; elders; cognitive function, 14218
cognitive measures; psychogeriatric population; Hong Kong; Executive Interview, 30754
context processing; schizophrenia; intelligence; endophenotype; intellectual functioning; genetic liability; context processing measures, convergent validity; divergent validity, 3143
dementia; neurocysticercosis; cognitive assessment; albendazole treatment; parasitic brain infection; steroids, 8166
executive function; schizophrenia; symptoms; cognitive assessment, 13757
Functional-Cognitive Assessment Scale; Alzheimers Disease Assessment Scale; patients; dementia; long-term care; cognitive performance; psychometrics, 33838
implicit memory; processing level; memory task, 9592
intelligence quotient; Visual Analogue Scale; age, 9357
Lowenfeld Mosaic Test; clinical use; test application; functional ability measurement; mosaic construction, 21680
memory; metamemory; memory self-efficacy; aging; longitudinal, 15743
metamemory judgments; memory performance; cognitive assessment, 3275
Planning, Attention, Simultaneous, Successive theory; Cognitive Assessment System; PASS theory; evaluation; attention-deficit/hyperactivity disorder, 144
Planning, Attention, Simultaneous, Successive theory; Cognitive Assessment System; PASS theory; evaluation; attention-deficit/hyperactivity disorder, 12555
preliminary validity; computerized cognitive measures; neurocognitive tests, 3191
research librarians; working conditions; cognitive work analysis, 9610
Rey memory test; test versions comparison; actual memory impairment; simulated memory impairment; standard memory test, 6333
Spaceflight Cognitive Assessment Tool for Windows; test validity; cognitive assessment; test development, 56
stimulus preference assessments; moderate category; participants, 17038
test reliability; test validity; Bryson instrument; noncognitive assessment, 30227
traumatic brain injury; neuropsychological measures; executive dysfunction; cognition; Behavioural Assessment of the Dysexecutive Syndrome, 9412
Wechsler Intelligence Scale for Children-Third Edition; Cognitive Assessment System; Woodcock Johnson Tests of Achievement; academic achievement; ADHD; oppositional defiant disorder, 21617
Wechsler Memory Scale 3rd Edition; MicroCog; older adults; computerized assessment; cognitive functions; memory; clinical decision making, 18505
working memory; information processing speed; myelomeningocele; shunted hydrocephalus; Children's Paced Auditory Serial Addition Test, 24636

Cognitive Assessment—Books

Contemporary Intellectual Assessment: Theories, Tests, and Issues, 9341

Cognitive Behavior Therapy—Serials

acceptance and commitment therapy; cognitive behavior therapy; rational emotive behavior therapy; relational frame theory, 8307
acceptance and commitment therapy; mindfulness; relational frame theory; rational emotive behavior therapy; cognitive behavior therapy, 8306
acceptance and commitment therapy; relational frame theory; cognitive behavior therapy; rational emotive behavior therapy, 8310
acceptance and commitment therapy; relational frame theory; cognitive behavior therapy, 8309
adaptation of psychotherapeutic techniques; individual psychotherapy; intellectual disabilities; traditional psychotherapeutic techniques; psychodynamic psychotherapy; cognitive behavior therapy, 14403
adaptation; cognitive behavioral treatment; sexual offenders; specialized treatment programs; special needs, 26999
adaptive inferential feedback; partner training; augmented cognitive behavioral approach; depressed patient; treatment effectiveness, 17475
adolescent eating disorders; cognitive behavior therapy; evidence based research; anorexia; bulimia nervosa, 14412
age; outcome; randomized controlled trials; cognitive behavioral therapy; supportive counseling; psychological treatments; psychosis, 26566
alcohol dependence; posttraumatic stress disorder; cognitive-behavioral therapy; order of onset; dual diagnosis, 1274
alliance; process experiential therapy; cognitive behavioral therapy; therapist behaviors; client behaviors; client resistance; therapist directiveness, 1984
Alzheimer's Rural Care Healthline; rural family caregivers; caregiving; dementia; telephone based; cognitive-behavioral intervention; telehealth; psychoeducation, 4999
anger management; group therapy; chemically dependent patients; cognitive behavioral intervention, 29423
anxiety depression disorder; long term contribution; cognitive behavioral therapy, 14410
anxiety disorders; prevention; treatment; Internet based program; preventive cognitive behavioral intervention, 17478
anxiety; school performance; social adjustment; longitudinal studies; anxiety disorders; anxiety reduction; cognitive behavioral intervention, 17485
anxious children; asthma; treatment response; cognitive behavioral treatment; anxiety, 34800
behavioral training; parent-training; cognitive-behavioral therapy; antisocial youth; behavior problems, 35000

binge eating disorder; group cognitive behavioral therapy; group psychodynamic interpersonal psychotherapy; attachment anxiety; attachment avoidance, 14399
brief cognitive behavioral therapy; panic disorder; therapists, 19883
brief dynamic therapy; cognitive behavioral therapy; avoidant personality disorder, 32785
bulimia nervosa; cognitive behavioral therapy; therapeutic strategies; coping strategies; group therapy; treatment outcome, 8269
bulimia nervosa; group psychotherapy; individual psychotherapy; interpersonal psychotherapy; cognitive behavioral therapy; therapy effectiveness, 14344
bulimic disorders; cognitive behavioral therapy; rural areas; video conferencing, 35555
cannabis dependence; cognitive-behavioral therapy; marijuana; treatment; contingency management; abstinence-based vouchers, 20875
child predictors; family predictors; therapy outcome; childood development; behavior problems; emotional problems; behavioral group program; Exploring Together, 35545
child-focused cognitive behaviour therapy; parents' involvement, 20523
chronic fatigue syndrome; psychiatric comorbidity; psychiatric disorders; cognitive behavioral therapy, 20674
chronic fatigue syndrome; psychiatric comorbidity; psychiatric disorders; cognitive behavior therapy, 20673
chronic insomnia; cognitive behavior therapy; client treatment matching; comorbidity; decision to treat algorithm; contraindications, 11326
chronic insomniacs; cognitive behavioral treatment; quality of life; well being; sleep onset, 32555
classroom-based cognitive-behavioral intervention; aggressive behavior problems; intervention efficacy; social validity; students at risk, 18152
client emotional processing; psychotherapy; cognitive behavioral therapy; process experiential therapy, 17460
clinical effectiveness; cognitive behavior therapy, 2000
clinical psychology; depression; patients; computerized cognitive behavioral therapy; anxiety; CD Rom, 14422
cognitions; cognitive behavioral therapies; psychotherapy; cognitive psychology, 20518
cognitive behavior therapy; anxiety disorders; child-focused treatment; social phobia, 35542
cognitive behavior therapy; anxiety disorders; children; adolescents, 11316
cognitive behavior therapy; anxiety; youth, 35548
cognitive behavior therapy; Asperger syndrome; psychiatric disorder; comorbidity, 32405
cognitive behavior therapy; childhood experiences; hypnotic procedure; dysfunctional ways; mental health; thinking; emotions; hypnosis, 8305
cognitive behavior therapy; children; skills-directed therapy; integral theoretical framework; skill acquisition; information processing; developmental considerations; social; emotional development, 20522
cognitive behavior therapy; clinical supervision; therapists; narratives; therapeutic process, 1979
cognitive behavior therapy; clozapine synergy; older adult; schizophrenia; pharmacotherapy, 32753
cognitive behavior therapy; cognition; obsessive compulsive disorders; treatment effectiveness evaluation, 1996
cognitive behavior therapy; health; quality of life; hypnotic users; chronic insomnia, 20519
cognitive behavior therapy; hope building; positive psychology; psychotic patient; well being; social psychology, 29587
cognitive behavior therapy; intellectual disabilities; mental health problems, 14424
cognitive behavior therapy; learning disabilities; clinical psychologists; practitioner consensus, 32445
cognitive behavior therapy; mental health; analytic hypnotherapy technique; time regression; childhood experiences, 2119
cognitive behavior therapy; neural reactivity; depression; emotional responses, 26603
cognitive behavior therapy; obsessive compulsive disorder; medical constraints; elderly male; serotonergic medications; medical comorbidities, 20521
cognitive behavior therapy; older patients; primary care; generalized anxiety disorder, 17480
cognitive behavior therapy; personality disorders, 32827
cognitive behavior therapy; religion; therapists; therapeutic practice, 29589
cognitive behavior therapy; religion; therapists; therapeutic practice, 17471

cognitive behavior therapy; religiosity; client attitudes; social service programs; spiritual issues; cognitive therapy; social workers; mental health practitioners, 35540
cognitive behavior therapy; schizophrenia; antipsychotic regimen, 23040
cognitive behavior therapy; schizophrenia; antipsychotic regimen, 35550
cognitive behavior therapy; schizophrenia; antipsychotic regimen, 35561
cognitive behavior therapy; schizophrenia; interactive treatment, 23015
cognitive behavior therapy; smokers; compensatory coping skills; smoking cessation, 33159
cognitive behavior therapy; vulnerability; emotional disorders; negative mood; metacognitive therapies, 20430
cognitive behavioral alcohol programme; high risk drinking university freshmen; post mailed minimal intervention, 26966
cognitive behavioral coaching; solution focused life coaching; enhancing goal striving; well being; hope; coaching psychology; evidence based techniques; group program, 32824
cognitive behavioral group program; women; vulvar vestibulitis syndrome; treatment success; sexuality; pain control; vaginal muscle control; vestibular pain, 23346
cognitive behavioral group therapy; obsessive compulsive disorder; treatment outcomes, 5015
cognitive behavioral hypnotic treatment; managing anxiety; facilitating performance; treatment efficacy; Chinese undergraduate participants, 29733
cognitive behavioral intervention; intellectual disability; anxiety disorders, 14409
cognitive behavioral interventions; depression; school personnel, 10646
cognitive behavioral interventions; emotional behavioral disorders; students, 10787
cognitive behavioral interventions; hospital setting; smoking cessation intervention; cardiology wards; organizational determinants; psychological determinants; drug rehabilitation; patients, 23985
cognitive behavioral interventions; physical symptom management; pediatric palliative medicine; quality of life, 29586
cognitive behavioral interventions; psychopharmacological treatments; students; emotional disorders; behavioral disorders; clinical trials, 28976
cognitive behavioral psychotherapy; manuscripts, 32762
cognitive behavioral therapy; adolescent depression; Asian immigrants; symptoms; prevalence; adolescent depression measures; PASCET; CWD-A; Beck's CBT; intervention, 35553
cognitive behavioral therapy; adolescents; binge eating syndromes; psychotherapy; bulimia nervosa; posttreatment; purging behavior, 20143
cognitive behavioral therapy; anxiety disorders; externalizing symptoms; childhood development; adolescent development, 16792
cognitive behavioral therapy; anxiety management; medication taper; older patients; medication use; psychological symptoms, 5000
cognitive behavioral therapy; anxiety; empirically supported treatment; behavior disorders; youth; emotional disorders, 35547
cognitive behavioral therapy; body dysmorphic disorder; medical treatment, 35177
cognitive behavioral therapy; bulimia nervosa; adolescents, 17484
cognitive behavioral therapy; chronic insomnia; drug therapy, 8263
cognitive behavioral therapy; family therapy; immigrant Indian family; acculturation; case illustration; adolescent female & her parents, 2012
cognitive behavioral therapy; intervention; schizophrenia; mental health nurses, 32826
cognitive behavioral therapy; interventions; mental health practice; family members, 20520
cognitive behavioral therapy; pharmacotherapy; panic disorder, 17416
cognitive behavioral therapy; prolonged postdisaster distress; disaster; crisis, 29581
cognitive behavioral therapy; psychological theory; philosophies, 35539
cognitive behavioral therapy; psychosurgery; refractory obsessive compulsive disorder; treatment effectiveness; drug therapy, 16786
cognitive behavioral therapy; psychotic symptoms; schizophrenia; prepsychotic phase, 1993
cognitive behavioral therapy; theory; complicated grief; case descriptions; treatment interventions, 17473
cognitive behavioral therapy; voice hearers; clinical application; faulty thinking; faulty beliefs, 32822
cognitive behavioral therapy; voice hearers; clinical application; faulty thinking; faulty beliefs, 35541
cognitive behavioral treatment; Bosnian Refugee; rape; war; posttraumatic stress disorder, 25968
cognitive behavioral treatment; hypochondriasis, 5003
cognitive behavioral treatment; inpatients; middle aged male; severe anxiety; depression; suicidal ideation; Axis I symptoms; Axis II symptoms, 29578
cognitive behavioral treatment; obsessive compulsive disorder; prolonged tooth brushing, 29585
cognitive behavioral treatment; posttraumatic stress disorder; anaesthesia; awareness; emergency caesarean; female client, 14417
cognitive behavioral treatment; substance use disorders; posttraumatic stress disorder; Veterans administration; clinician training; seeking safety treatment; dissemination efforts, 24061
cognitive behavioral treatments; anxiety problems; phobic disorders, 10710
cognitive behavioral workshop; effectiveness; subclinical obsessions; subclinical compulsions, 16817
cognitive behaviour therapy; depression; Parkinsons disease, 4997
cognitive behavioural therapy; group psychoeducation; schizophrenia patients, 5014
cognitive behavioural therapy; patient psychoeducation; schizophrenia; treatment efficacy, 14372
cognitive behavioural therapy; recurrent bipolar disorders; recurrence rates; major mood episodes, 19818
cognitive behavioural therapy; recurrent bipolar disorders; recurrence rates; major mood episodes, 25890
cognitive behavioural therapy; recurrent bipolar disorders; recurrence rates; major mood episodes, 19804
cognitive behavioural therapy; trained psychiatrists; psychiatric training; professional development; therapeutic skills, 24087
cognitive distortions; cognitive deficits; obsessive compulsive behaviors; intellectual disability; cognitive behavioral treatment, 14423
cognitive ecological approach; students' emotional behavioral disorders; aggressive behavior; school based intervention programs, 10775
cognitive remediation therapy; anorexia nervosa; intervention; cognitive behavioral therapy, 10917
cognitive restructuring; mental contamination; cognitive technology; cognitive behavioral therapy; rational emotive therapy; preventing relapse; cognitive psychology, 14370
cognitive theory; cognitive therapy; cognitive behavior therapy, 1994
cognitive treatments; obsessive compulsive disorder; exposure based treatment; treatment efficacy; treatment effectiveness evaluation; exposure and response prevention, 1992
cognitive-behavioral tasks; person-centered relational framework; therapeutic changes; empathy, 35529
cognitive-behavioral therapy; cognitive reconstructing; intergenerational family schemas; case report; family of origin, 29548
cognitive-behavioral therapy; complicated grief; constructivism; self-narrative; cognitive-behavioral model; bereavement adaptation, 23627
cognitive-behavioral therapy; complicated grief; memory; CG symptoms; mechanisms; treatment; background variables; hypotheses; cognitive-behavioral conceptualization; model, 23624
cognitive-behavioral therapy; Dr. Judith S. Beck; Academy of Cognitive Therapy; Beck Institute for Cognitive Therapy and Research, 26606
cognitive-behavioral therapy; generalized anxiety disorder; panic disorder with agoraphobia; comorbidity, 23625
cognitive-behavioral therapy; refractory psychotic symptoms; schizophrenia; treatment resistant schizophrenia, 14415
cognitive-behavioral treatment; adolescent depression; school setting; evidence-based therapy; Adolescent Mood Project, 30393
cognitive-behavioural supports; traumatic brain injury; rehabilitation; behavior problems, 29258
cognitive-behavioural therapy; patient psychoeducation; schizophrenia; treatment efficacy, 14367
collaborative problem solving; cognitive skills; aggressive behavior; cognitive behavioral intervention, 29593
college population; depression; evidenced-based treatment; brief treatment methods; cognitive behavioral therapy; interpersonal therapy, 9056
community reinforcement; smoking cessation; naltrexone; cognitive behavioral treatment; opioid antagonist; abstinent smokers, 14754
complicated grief; cognitive behavioral therapy; Internet; therapy efficacy; treatment outcomes, 26608
complicated grief; sleep quality; emotions; avoidance; interpersonal psychotherapy; cognitive behavioral therapy, 32726
congenital abnormalities; psychosocial service; cognitive behavior therapy; appearance related problems, 35549
control therapy; cognitive behavioural therapy; acute first episode psychosis; befriending; randomized control trials, 32141
cost utility; depression; anxiety; brief therapy; cognitive behavioural therapy; quality of life, 19765
depression; inflammatory bowel disease; anxiety; global functioning; physical illness functioning; cognitive behavioral therapy; adolescents, 20525
depression; poverty; geriatrics; psychotherapy; case management; depression treatment; low-income older adults, 11311
depression; problem-solving appraisal; cognitive behavioral therapy; patients' self-perception, 32821
depression; school-based prevention; adolescent; randomized controlled trial; cognitive behavioral approaches; prevention, 17479
depression; social context; cognitive behavioral therapy; intellectual disabilities, 14414
depression; treatment selection; clinical response; deep brain stimulation; treatment modality; functional neuroimaging; brain changes; cognitive-behavior therapy; pharmacotherapy, 26520
depressive disorders; cognitive behavioral therapy; nondirective supportive therapy; major depression; efficacy, 1943
depressive disorders; cognitive behavioral therapy; nondirective supportive therapy; major depression; efficacy, 1950
depressive disorders; cognitive behavioral therapy; nondirective supportive therapy; major depression; efficacy, 1946
depressive personality traits; treatment outcome; major depression; group cognitive behavioral intervention, 34841
developmental changes; group therapy; binge-eating disorder; psychodynamic-interpersonal psychotherapy; female patients; cognitive behavior therapy, 35528
dialectical behavior therapy; emotion-focused treatment; borderline personality disorder; cognitive-behavioral treatment, 34947
dizziness; cognitive-behavior therapy; vestibular rehabilitation; treatment outcome, 35538
drug abuse; alcoholism; behavioral couples therapy, 11643
eating disorder; cognitive behavior therapy; metaphor; psychodynamic therapy, 35552
efficacy; Internet therapy; panic disorder; cognitive behavior therapy; self help treatment, 25950
emotion-focused cognitive-behavioral therapy; anxious youth; anxiety disorder; treatment efficacy, 35557
empirically supported treatments; general therapy guidelines; nonsuicidal self injury; problem solving therapy; dialectical behavior therapy, 23633
enduring effects; cognitive behavior therapy; depression; anxiety; psychosocial interventions; treatment termination, 11199
evidence based psychotherapy; schizophrenia; psychosocial interventions; mental illness; psychological distress; cognitive behavior therapy, 13761
exposure therapy; posttraumatic stress disorder; cognitive restructuring; rape survivors; cognitive behavioral therapy, 4881
fear extinction; cognitive behavioral therapy; anxiety disorders; biological bases, 28096
forensic inpatients; cognitive behavioral treatment; personality disorders; hospitals, 1998
gamma aminobutyric acid concentrations; depressed patients; cognitive behavioral therapy; cerebral cortex, 13734
gender; cultural factors; anxiety disorders; minority; cognitive-behavioral treatment; children; adolescents, 35544
graduate clinician training; short-term psychodynamic psychotherapy; psychodynamic-interpersonal therapeutic techniques; structured training; cognitive-behavioral therapeutic techniques, 27058
group cognitive behavior therapy; obsessive compulsive disorder; relaxation therapy, 8219
group cognitive behavioural therapy; chronic fatigue syndrome; treatment outcomes, 1978

group processes; clinical outcome; anxiety disorder; mood; cognitive behavior therapy; group environment variables; mood disorder, 35551
group therapy; cognitive behavior therapy; adolescents; motivation; attention; learning; impulse control; substance abuse; mental health problems; anxiety, 8276
group; cognitive behavior therapy; treatment dropouts; prediction, 26600
headache; assessment; treatment; contingency management; biofeedback; relaxation; cognitive behavior therapy, 8001
health; emotion; mindfulness medication; cognitive therapy; positive psychology; physical illnesses; cognitive behavioral therapy; yoga, 29406
HIV/AIDS; bereavement; coping; longitudinal effects; cognitive-behavioral group intervention, 35579
homework; cognitive behavior therapy; depression; symptomatic outcome; adherence, 25894
homework; relapse prevention; motivation; substance dependence; drug abuse; cocaine, 26962
hypnosis; cognitive behavior therapy; gambling; self esteem; bulimic behavior; depression, 26528
hypnotherapy; cognitive behaviour therapy; acute stress disorder; trauma survivors; supportive counselling; hypnosis, 34924
hypochondriasis; psychosocial treatment; pharmacological treatment; cognitive behavioral treatment, 11252
idiopathic cervical dystonia; cognitive-behavioural therapy; illness behavior; therapy effectiveness, 26272
impulsive behavior; classrooms; cognitive behavioral techniques; book; students, 11201
insomnia; cognitive behavioral therapy; older adults; chronic disease; stress management; comorbidity; osteoarthritis; coronary artery disease; pulmonary disease, 8311
integration; cognitive behavioral therapy; depression; positive psychology; intervention, 28748
intellectual disabilities; cognitive behavior therapy; dementia; Downs syndrome; social inclusion, 32458
intellectual disabilities; psychosis; cognitive skills; cognitive behavioral therapy, 14419
intensive cognitive behavioral therapy; pediatric obsessive compulsive disorder; treatment protocol; mental health providers; exposure and response prevention; treatment manual; children, 5002
intensive cognitive-behavioral group treatment; social phobia, 26579
Internet; computer; online therapy; cognitive behavior therapy; child anxiety, 26605
interprofessional supervision; mental health nurses; cognitive behavioral psychotherapy; mental health professionals, 1999
kleptomania; diagnosis; treatment; cognitive behavioral therapy; psychiatry; symptoms; stealing; serotonin reuptake inhibitors, 32213
Korean Americans; cognitive behavior therapy; diagnoses; psychotherapy; mental health service underutilization, 29359
larger scale psychological interventions; cognitive behavioural therapy; self referral; stress workshops; group interventions; cognitive therapy; behavioral therapy, 1963
learning disabilities; cognitive behaviour therapy; psychosis experience; men; clients, 11314
lifelong vaginismus; cognitive-behavior therapy; group therapy; bibliotherapy, 17481
managing aggression; cognitive behavioral interventions; emotional behavioral disorders; classrooms, 10797
menopausal hot flashes; cognitive behavior therapy; quality of life; treatment effectiveness, 35656
metacognitive therapy; generalized anxiety disorder; cognitive-behavioural treatments; psychotherapy; evaluation, 25977
methodological issues; cognitive behavioral treatments; behavioral disorders; students; outcomes, 10773
multistep cognitive behavior therapy; eating disorders, 11313
National Institute for Clinical Excellence guidelines; depression; cognitive behavior therapy; childhood development; adolescents development, 21067
naturalistic outcome; cognitive-behavior therapy; anxious depressed outpatients; pharmacotherapy; effectiveness, 25884
necessary components; treatment protocol; childhood posttraumatic stress disorder; animal assisted therapy; cognitive behavioral therapy; powerful adjunct, 29346
negative mood regulation expectancies; self-efficacy beliefs; locus of control orientation; depression; therapeutic changes; cognitive behavior therapy, 26599
nicotine dependence; cognitive behavioral treatment; respiratory problems; alcohol dependence; smoking cessation, 13618
obsessive compulsive disorder; behavior therapy; exposure and response prevention; cognitive behavioral models; treatment, 1997
obsessive compulsive disorder; cognitive behavior therapy; exposure and response prevention, 8299
obsessive compulsive disorder; cognitive behavioral interventions; pharmacotherapy, 1868
obsessive compulsive disorder; cognitive behavioral therapy; psychosocial interventions; treatment, 32179
obsessive compulsive disorder; conventional treatment; alternative treatment; treatment resistance; antipsychotics; deep brain stimulation; serotonin reuptake inhibitor; cognitive behavioral therapy, 4916
older adults; aging; cognitive behavioral therapy; psychotherapy, 35554
outcomes; manualized cognitive-behavioral body image therapy; eating disordered women; private clinical practice treatment; body image change, 14418
panic disorder; dissemination; empirically supported treatments; psychotherapy; effectiveness; cognitive behavioral treatment; managed care; panic control therapy, 19877
panic disorder; live therapy; self help techniques; Internet; cognitive behavior therapy, 1995
panic disorder; medication; cognitive behavior therapy, 14354
panic disorder; pharmacotherapy; agoraphobia; cognitive behavioural therapy; psychotherapy, 1906
parent child diagnostic agreement; anxiety disorders; cognitive behavioral treatment; social phobia, 3180
parental involvement; cognitive behavioral therapy; anxiety disorders; treatment goals; children, 35558
pathological gambling; cognitive behavioral therapy; Gamblers Anonymous; treatment efficacy, 26601
pathological gambling; intervention; cognitive behavior therapy; motivational enhancement, 20534
patient level mechanisms of change; cognitive behavioral theory; psychodynamic theory; eclectic therapy, 4942
patient treatment adherence; cognitive behavior therapy; acute psychosis; recovery style; working alliance; mental health services, 20524
pediatric psychology; anxiety reduction; cognitive behavioral therapy; attention deficit hyperactivity disorder; delayed development; child welfare system, 32439
personality disorders; anxiety disorders; treatment outcome; beliefs; cognitive behavioral therapy, 5006
pharmacotherapy resistant patients; panic disorder; cognitive behavior therapy; group therapy; remission, 17394
predictor variables; traumatic brain injury; treatment outcome; cognitive behavior therapy-based group intervention; psychological adjustment, 14366
prevalence rates; spectrum disorders; obsessive compulsive disorder; cognitive behavior therapy; epidemiology, 25939
prototypical treatments; psychotherapy; posttraumatic stress disorder; cognitive behavioral theoretical orientation; psychodynamic orientation, 26589
psychological interventions; sexual offenders; randomized control trials; treatment programs; cognitive behavioral therapy, 35998
psychological treatment; gender violence; prisoners; cognitive behavioral therapy, 14774
psychological treatment; Internet; cognitive behavior therapy; panic disorder; agoraphobia, 14408
psychological treatments; injection phobia; psychological treatment outcomes; treatment effectiveness; health care utilization; cognitive behavior therapy, 1431
psychotherapy; psychosomatics; psychopathology; cognitive behavioral therapy, 32713
quality of life; treatment outcomes; panic disorder; cognitive behavior group therapy; patients refractory to medication treatment, 32825
rapid response; binge eating disorder; cognitive behavioral therapy; fluoxetine; obesity, 26501
rational-emotive behavior therapy; cognitive-behavioral therapy; theory investigation; tests, 35559
rehabilitation program; violent offenders; high-risk violent men; cognitive behavioral program; outcome evaluation; reconviction; reimprisoment; recidivism outcomes; treatment, 1568
relapse prevention; psychosis; cognitive behaviour therapy, 8308
relative & reflective functioning; mentalizing; interpersonal psychotherapy; cognitive behavior therapy; brief psychodynamic therapy; psychotherapy process Q-set; TDCRP, 20446
schizophrenia; cognitive behavioral therapy; theory; symptoms, 29426
schizophrenia; hallucination; cognitive-behavioural therapy; psychosis; family treatment; integrative treatment; social functioning; randomized controlled trial, 34894
sexual behavior problems; sexual offenses; children; recidivism; treatment; group play therapy, 26552
sexually violent forensic psychiatric inpatients; cognitive behavioral treatment programme; sexual offenders, 5005
social anxiety; social phobia; depression; cognitive-behavior group therapy; treatment mechanisms; mediator of change, 5004
social developmental experiences; cognitive behavioral therapy; therapeutic relationships; treatment outcomes; generalized social phobia, 17470
social phobia; cognitive behavioral therapy; modifications; efficacy; recent developments, 16800
social phobia; dictation phobia; Clark Wells model; children; cognitive behavioral therapy, 13815
social phobia; evidence based treatment; supported treatments; cognitive behavioral group treatment; private practice; treatment generalization, 32823
social phobia; Internet based bibliotherapy; email; self help technique; cognitive behavioural therapy, 17474
social self reappraisal therapy; social phobia; self focused attention; estimated social cost; perception of emotional control; social standards and goals; perceived social skills; safety behavior, 17477
solution focused brief therapy; cognitive behavior therapy; clients' strengths; expressed goals; attendance rates; therapeutic change, 4964
solution focused brief therapy; cognitive behavioral therapy; food neophobia; adults; therapeutic intervention, 32802
special section; cognitive-behaviour therapy; child therapy; parents involvement; Autism Spectrum Disorder; Asperger's Syndrome, 20526
statistical significance; cognitive behavior therapy; CBT monoculture; clinical significance; evidence-based; unstable foundational elements, 8272
stress management intervention; mental health; academic performance; cognitive behavior therapy, 15109
stress management program; cognitive behavioral therapy; yoga, 17476
substance abuse treatment; program implementation differences; recidivism; drug relapse; federal prison programs; cognitive-behavioral treatment; post-release outcomes, 8701
substance abuse; cognitive behavioral therapy, 11671
substance abuse; community reinforcement approach; community reinforcements and family training, 11659
substance abuse; psychiatric comorbidity; dual focused cognitive behavioral treatment, 11636
substance use disorders; cognitive behavioral treatment; mindfulness based relapse prevention, 11678
substance use disorders; guided self change, 11670
substance use disorders; psychotic disorders; motivational interviewing; cognitive-behavioural therapy, 26950
sudden gains; social anxiety disorder; social phobia; cognitive behavioral therapy; exposure therapy; public speaking, 29582
suicide behavior; schizophrenic patients; cognitive behavior therapy; psychotic symptoms; risk factors; supportive counseling, 19869
teaching effort; cognitive behavioral interventions; behavior disorders; teachers, 11312
therapeutic alliance; adolescents; family therapy; individual cognitive-behavioral therapy; process-outcome research; adolescent substance abuse; adolescent parent alliance, 17439
therapeutic alliance; interpersonal problems; depression; multiple sclerosis patients; psychotherapy outcomes; cognitive behavioral therapy, 34793
therapeutic alliance; treatment adherence; bulimia nervosa; cognitive behavioral therapy; interpersonal psychotherapy; process; outcome, 8287
therapeutic community; dialectic behavior therapy; trauma; mindfulness, 35505
therapeutic effects; irritable bowel syndrome; hypnosis; gastrointestinal disorder; medical care; cognitive behavioral therapy, 14156
therapist technique; psychodynamic interpersonal & cognitive behavioral techniques; reliability; validity; psychometric properties; Comparative Psychotherapy Process Scale; development; adherence, 86
therapist-client communication; cognitive behavior therapy; anxiety disorders; bibliotherapy; rural children; telephone; email, 34935

traumatic brain injury; cognitive behaviour therapy; coping skills; emotional adjustment, 17472
treatment modifications; childhood anxiety diagnosis; manualized treatment; comorbidity; cognitive-behavior treatment, 35543
treatment motivation; treatment expectancy; helping alliance; outcomes; cognitive behavioral treatment; obsessive compulsive disorder, 25995
treatment outcomes; cognitive behavioral treatment; substance use treatment programs; male veterans; 12-step substance use treatment programs, 30003

Cognitive Behavior Therapy—Books

Addictions counseling: A practical and comprehensive guide to counseling people with addictions (rev. & updated ed.)., 4505
Anger treatment for people with developmental disabilities: A theory, evidence and manual based approach., 5008
The Clinical Use of Hypnosis in Cognitive Behavior Therapy: A Practitioner's Casebook, 1936
Cognitive behavioral therapy for clinicians: Psychotherapy in clinical practice, 29591
Cognitive-behavioral management of tic disorders, 8314
Culturally responsive cognitive-behavioral therapy: Assessment, practice, and supervision, 20527
Encyclopedia of Behavior Modification and Cognitive Behavior Therapy, Vol 1: Adult Clinical Applications, Vol 2: Child Clinical Applications, Vol 3: Educational Applications, 11328
Encyclopedia of cognitive behavior therapy, 11318
Learning cognitive-behavior therapy: An illustrated guide, 17882
The mind in therapy: Cognitive science for practice, 14406
Separation anxiety in children and adolescents: An individualized approach to assessment and treatment, 4979
Treating sex offenders: An introduction to sex offender treatment programmes, 5449

Cognitive Bias [See Also Hindsight Bias]—Serials

attentional bias; fear-relevant pictures; spider fear; stimulus exposure; time course, 34937
behavioral economics; dual process; inferential correction & adjustment; decision making in sports gambling; overconfidence; intuition; intuitive bias, 27882
cognitive bias; complex processing activity; errors; ideation; creative thought, 31001
cognitive bias; social change; socialism, 34704
confirmation bias; confirmation bias; hypothesis testing; hypothesis generation; hypothesis evaluation, 31000
debiasing insights; behavioral decision theory; decision making; researchers; environment, 27847
decision biases; intertemporal choice; uncertainty; psychophysical properties; risky choice, 30971
defensiveness; cognitive bias; emotional information; repressive coping style; gender factor, 7506
information processing model; posttraumatic stress disorder; cognitive biases; adult sexual assault; threatening information, 29408
matching bias; reaction time; conditional rules; matching heuristic; negation processing, 33973
metacognition; judgments of learning; JOLs; transfer of learning; illusions of competence; foresight bias; mnemonic cues; theory based judgments, 31048
microgenesis; global perception; autism; Aspergers syndrome; cognitive bias; children, 35005
native speakers; Japanese language; bias; second language; sentence processing, 34284
need for closure; jumping to conclusions; decisiveness; delusion-prone individuals; judgments; experimental reasoning task, 28671
schizotypy; schizophrenia; perceptual load; perceptual biases, 34912
statement bias; sentences; comprehension; encoding, 25583
underreporting bias; distorting effects; terrorism; regime type; press freedom; democracy; terrorist incidents reporting, 34473
unit bias; unit segmentation; portion control; food intake; human choice; consumption norms, 24805

Cognitive Bias [See Also Hindsight Bias]—Books

Arguing to better conclusions: A human odyssey, 34306

Cognitive Complexity—Serials

biculturalism; cognitive complexity; cultural representation; bicultural vs monocultural identity; bicultural identity integration; sociocognitive processes; Chinese Americans vs Anglo Americans, 31596
brain; nervous systems; animal biology; complexity, 24999
cognitive complexity; air traffic management; environmental factors; organizational factors; display; partitioning complexity, 30602
cognitive complexity; mobile phones; older adults; aging, 7122
cognitive concepts; self complexity; self concept differentiation; romantic relationships; relationship complexity; relationship concept differentiation; affective reactivity, 28582
conceptual complexity; construct validity; scientific knowledge; psychosocial measurement, 6273
conceptual complexity; construct validity; scientific knowledge; psychosocial measurement, 6281
conceptual complexity; construct validity; scientific knowledge; psychosocial measurement, 6280
conceptual complexity; construct validity; scientific knowledge; psychosocial measurement, 6277
Decision-Making Collaboration Scale; convergent validity; decision making; cognitive flexibility; cognitive communication competence; psychometrics, 27596
mood disorders; major depression; psychophysiology; emotional states; cognitive complexity; language processing; semantic processing, 13704
neural complexity; performance; brain activity; autism; event related potentials, 35130
neurosciences; brain; cognition; cognitive processes; complexity; models; theories; essays, 25019
nursing staff; communication skills; nursing homes; insights; health care providers; complexity sciences; quality care; problem solving, 23926
positive emotions; self-other overlap; complex understanding; relationship formation; positive psychology, 31937
relational complexity; reasoning; Latin Square Task; test development, 12706
vagus nerve stimulation; creativity; cognitive flexibility; encephalopathy; seizures, 23736

Cognitive Contiguity—Serials

attitude change; cognitive consistency; dual process models; evaluative conditioning; implicit measures, 30985
attitude change; cognitive consistency; dual process models; evaluative conditioning; implicit measures; relationships; rejection; perceived regard; risk; belongingness, 30992
attitude change; cognitive consistency; dual process models; evaluative conditioning; implicit measures, 30984

Cognitive Deficits [See Cognitive Impairment]

Cognitive Development [See Also Intellectual Development, Language Development, Perceptual Development]—Serials

academic benefits; cognitive outcomes; music listening; music instruction; music education, 36307
action; shape categories; childhood development; cognitive development; 2-year-olds, 798
acute hypoxia; cognitive development, 26404
adolescents text processing; adolescents text reasoning; adolescents learning; historical issue; multiple information source, 10088
adult narrative reports; developmental trajectories; young adults; developmental behaviour; high schools, 776
age differences; schooling; conditional reasoning; cognitive development; adolescents, 19161
age-related changes; concept formation; rule switching; perseverative behaviors; developmental changes, 25250
agreement; third person; children; mainstream American English; comprehension, 3825
beacon use; young children; touchscreen search task; landmark cues; childhood development, 10073
binding; relational memory; naturalistic events; free recall; developmental perspective; childrens performance; episodic memory; memory development, 13159
boundary drawing; spatial grouping; spatial region attribution, 22474
brain activation; medical risk; environmental risk; attention; adolescents born preterm; individual differences, 22445
brain damage; cognitive-behavioural development; aphyxia; birth; memory impairment; hippocampus, 26271
causal reasoning; intentionality; theory of mind; explanation; attribution; priming; unexpected events; cognitive development; communicative intent, 16059
childhood development; learning development; active learning; passive learning; strategies; self explanation, 3835
children gesture production; childhood development; child cognitive process, 13160
children literacy achievements; family factors; kindergarten; school; language skills; family measures, 5790
children self reference advantage; age determination; memory; colourful object pictures, 799
children understanding; inversion; missing number paradigm; arithmetics, 25262
children's ability; conceptual understanding; addition; subtraction; mathematical understanding; physical objects; individual differences; school age children, 6984
children's attitudes; death; cognitive development; emotional development; psychodynamics; understanding; conceptualization, 28352
children's understanding; death; research; Piaget; folk theory of biology; developmental psychology; psychoanalytic theory; biological knowledge; practitioners, 6970
childrens memories; false memory; childhood development; recall; priming, 28284
childrens understanding; ambiguous figures; cognitive developments; imagery abilities; ambiguous stimuli reversal; executive functioning, 780
childrens understanding; scientific knowledge; earth representations, 22483
childs drawing; familiar objects; young children; perceptual geometric factors; photographs copying, 793
chronic hypoxia; neurocognitive development; abnormalities; preterm infants; bronchopulmonary dysplasia; spatial memory; risk factors; infant development, 26309
chronometric studies; numerical cognition; five month old infants; human infancy, 10089
circumplex model; affective neuroscience; cognitive development; psychopathology; affective disorders, 10582
class inclusion; learning; logical explanations; problem solving; childhood development, 28301
classroom environments; classroom factors; scholastic achievement; school children; cognitive development, 2691
cognitive aspects; neo-Piagetian theoretical account; drawing tasks; human figures drawing; contextual variables; attentional resources; figurative schemes, 3829
cognitive development, 13121
cognitive development; biology; history; brain; genes, 31387
cognitive development; cognitive functioning; reaction styles; infant development; infant temperament, 6979
cognitive development; concrete operational stage; analogical reasoning; scientific thinking; class inclusion task; family analogy, 783
cognitive development; intelligence; intellectual development; musical training; positive transfer; IQ; academic abilty; intellectual functioning, 19194
cognitive development; neuroimaging; cognition; magnetic resonance imaging; diffusion tensor imaging; brain maturation, 31182
cognitive developmental theories; behavior analytic theories; human behavior change; behavioral development; metatheory, 31376
cognitive foundations; reading skills; arithmetic skills; verbal ability; nonverbal ability; phonological memory; digit comparison speed; phonemes, 16098
cognitive processes; Tower of London task; cognitive function; response inhibition; working memory; human development, 34343
common observation coding; action execution; toys; A-not-B error, 28288
communicative processes; cognitive development; gender representations & expectancies; peers; conversation, 22428
community mentor; maternal behaviors; parenting skills; child cognitive outcomes, 17717
computer use; school readiness; cognitive development; head start children; psychomotor skills; childhood development, 25275
conceptual and procedural knowledge; counting; kindergarten; grade 1; grade 2; mathematics, 18052
conceptual development; intuitive physics; representational redescription; U shaped growth; children's reasoning; implicit knowledge; ability; trends; block balancing, 7005
counterfactuals; future hypothetical questions; possibility; children; thinking, 22440
debate; continuity hypothesis; innate nonverbal counting principles; verbal count list; competence; performance; preschool children, 13140
deficits; local and global motion processing; low birthweight children; premature birth; motion stimuli; organization development; functional development; visual development, 1689
developmental differences; individual differences; conditional reasoning: logic instructions; alternative antecedents; inferences; verbal ability, 22453

developmental parallels; infant development; false beliefs; attribution; theory of mind; neurocognitive mechanism, 22452
developmental parallels; infant development; false beliefs; attribution; theory of mind; neurocognitive mechanism, 10051
developmental themes; suicidal adolescent; cognitive development; identity formation; autonomy seeking, 13889
developmentally sensitive measures; executive function; preschool children; age trends; task difficulty; cognitive development; social development, 774
differential processing; asymmetrical face processing; face recognition; social information processing; infants; male faces; female faces, 25287
dissociated developmental trajectories; semantic false memory; phonological false memories; words, 28283
Down syndrome; cognitive development; language; childhood development, 32452
early childhood development; cognition; cognitive ability, 13119
effects investigation; pre-school provision; mixing methods; quantitative methods; qualitative methods; preschool education; children's attainment; behavioral development, 231
electrophysiological indexes; encoding; behavioral indexes; recall; developmental change; event related potential; long term memory; infants, 15909
embodied model; epigenetic robots; sensorimotor grounding; grounding transfer; linguistic abilities; language; autonomous mental development; behavior, 36610
enemy images; theoretical model; childhood development; social contexts, 34329
epigenetic robotics; developmental psychology; humanoid robotic platform; perception; cognitive development, 30616
evolution of cognition; organism-environment relationship; cognitive development; biological preparedness; developmental plasticity, 12722
executive functioning development; theory of mind; Chinese preschoolers; US preschoolers, 10066
executive functioning; preschoolers understanding; false beliefs; false photographs; false signs; mind development, 28258
familiar faces; spatial relations; face processing; cognitive development; childhood development; face perception, 13106
family violence; child development; family counselors; social adjustment; cognitive development; emotions; behavior; biological functioning, 34375
fantasy; childhood understanding; pretense; childhood development; causal knowledge violations, 10071
folk psychology; folk morality; responsive intentional agent; social cognition; cognitive development, 31818
gradations; emulation learning; object movements; action imitation; infants, 6998
health education games; dengue fever; cognitive level; cognitive development, 27127
history; adolescents text processing; reasoning; sentences; self explanations, 10087
human development; magnetic resonance imaging; learning; brain structure; cognitive development, 18947
infant cognition; object identification; causality, 795
infant development; semantic distinction; singular plural distinction, 16115
infant swimming behaviors; cognitive control; experience influence; training behavior; cognitive maturational transition; infant development, 16143
infant; cognition; self-propulsion; animacy; learning; concept acquisition; motion properties, 31420
infants; human body; cognitive development, 28299
infants; music perception; auditory perception; temporal sequences; rhythmic patterns; strongly metric framework; weakly metric framework; musical tone, 19163
inference based knowledge; syllogistical inferential knowledge; childrens ability; childhood development, 28298
intuitive knowledge; physics; pendulum; cognitive development; children; imagery; task-specific knowledge; pendulum motion law; task conditions; judgment; perception, 781
Jesus Christ; music education; religious education; Saints; Mormons; cognitive development; children development; churches; cultural factors, 28240
letter names; letter knowledge acquisition; letter sounds; word recognition; Hebrew alphabet, 13144
linguistic abilities; children; naming skills; preterm birth; gestation; age differences; cognitive ability, 22495
logical relations understanding; discrete quantities; continuous quantities; childrens understanding; reasoning generalization, 785
many-to-one counting; child development; knowledge; counting performance, 25245
maternal psychological distress; pregnancy; child development; cognitive development, 22684
mathematics; cognitive correlates; arithmetic; algorithmic computation; word problems; third grade skill; language; problem solving; concept formation; processing speed; long term memory, 15003
metacognitive knowledge; learning; technology; classrooms, 5780
midline crossing; handedness; developmental trend, 31392
moral development; cognitive developmental approach; cooperation; moral judgment; pragmatic approach; Lawrence Kohlberg's model; moral decision making; morality, 24556
moral development; cognitive developmental approach; cooperation; moral judgment; pragmatic approach; Lawrence Kohlberg's model; moral decision making; morality, 24553
moral development; conceptual development; substance abuse counselors; cognitive development; education, 21021
morphosyntax; semantics; language development; mood expression; children; Swahili, 13127
mother child bookreading; low income families; early childhood development; cognitive development; vocabulary; comprehension; language; cognition, 28474
National Curriculum reading tests; reading literacy attainment; English curriculum; word reading; text comprehension; literacy pedagogy; young pupils, 21143
natural number arithmeticians; preschoolers; educational programs; cognitive development, 34350
negative priming; preschoolers; flexible rule use; dimensional change card sort task; executive function, 22481
neural correlates; memory development; learning; neuroimaging; behavioral measures; cognitive processes; developmental processes, 15705
novel event recall; pre event discussion; preparation; childhood development, 791
numerical development; verbal quantity; models; neuropsychology, 3826
Oklahoma's universal pre-K program; cognitive development; kindergarten children; pre-K children; school readiness; preschool; prekindergarten, 5745
ordered multiple choice items; diagnostic assessment; student cognitive development, 12541
parent training; cognitive development; parental stress, 4878
parenting practices; children; cognitive development; Latino subgroups; academic achievement, 13359
perceptual availability; discourse; young children; referring expression; social cognitive developments; linguistics, 28290
predictors; attributional style; behavior change; vulnerability; depression; life experiences; hopelessness, 28280
prospective memory performance; cognitive development; age differences, 34371
psychometric approaches; cognitive models; elementary school education; psychometric approaches, 11896
reaction time; cognitive aging; sex differences; adulthood; Health Lifestyle Survey; HALS, 15648
reading efficiency; english speaking children; oral proficiency; cognitive linguistic processes; individual differences; language groups, 15004
reasoning; manual search; toddlers; development; hidden objects; understanding; expectations; spatial prediction, 16121
reflective writing; learning; cognitive development; creativity; qualitative research, 1225
relational complexity; reasoning; Latin Square Task; test development, 12706
rethinking speed theories; cognitive development; recall rate; accuracy; mental processes, 10039
rewarding stimuli; attention; delay-of-gratification task; fronto-striatal regions; functional integrity; developmental precursor, 25256
robot; cognitive developments; social presence; social responses; human machine interaction, 3052
scientific reasoning; young children; research; cognitive development, 7027
self explanation effect; addition problems; encoding; kindergartners; children, 10035
semantic category fluency; letter fluency; automatic processing; controlled processing; verbal fluency, 25267
sex differences; intrinsic aptitude; mathematics; science; cognitive development; spatial reasoning, 7024
sibling conversation; friends conversation; relationship quality; social understanding; language skills, 13100
social communication skills training; aberrant behavior; social interaction; etiology; brain development; cognition; autism, 1580
Stroop interference; cognitive control; school children; response time; word reading, 19166
students construction; scientific explanations; scaffolds; instructional materials, 18026
synchronicity; thinking; psyche; Jungian psychology; traumatic experiences; Bion, 32864
syntax; sentence structure; verbs; nouns; early childhood development; language acquisition, 28278
teacher immediacy; motivational factor; student learning; causal model; cognitive learning, 18003
television advertising; children's understanding; social learning; parents, 13179
tense-aspect marking; cognitive development; childhood development; conceptual development; speech development; temporal displacement; linguistic marking; grammaticization, 13157
theory of mind development; home-reared children; boarding home; low socioeconomic backgrounds; ,middle socioeconomic backgrounds, 2326
theory of mind; false belief; understanding; microgenetics; childhood development; cognitive processes, 25241
theory of mind; metaphor task; language impairment; autistic spectrum disorder, 4558
theory of mind; parent-child book reading; mothers mental state language, 10026
verbal information; visual perception; subjective appearance; age differences; theory of mind; external source; internal source; colorblindness, 6986
visual graphic symbol acquisition; pre school children; developmental delays; language delays, 20103
vocabulary development; verbal short-term memory; item information; serial order information, 13148
working memory demands; day night task; inhibitory control; children, 3871
working memory development; verbal spatial associations; names, 31395
young children's conception; biological world; knowledge; performance; school; teaching, 34357
young children; fantasy; ontology; cognitive development; fiction, 28302
young children; institutional care; brain growth; attachment disorder; social development; behavioral development; cognitive development; risk; harm; social behavior; delays, 8535
young children; role of function; natural kinds; category judgments, 6989
young children; scale errors; dolls; visual information; childhood development, 10085
young children; task switching; mental flexibility; age differences, 13128

Cognitive Development [See Also Intellectual Development, Language Development, Perceptual Development]—Books

Creativity and reason in cognitive development, 34374
The development of the mediated mind: Sociocultural context and cognitive development, 3843
Essentials of WPPSI-III Assessment, 3167
Exploring cognitive development: The child as problem solver, 3842
Joint attention: Communication and other minds: Issues in philosophy and psychology, 3841
Sundial: Theoretical Relationships Between Psychological Type, Talent and Disease, 1313

Cognitive Development [See Also Intellectual Development, Language Development, Perceptual Development]—Chapters

The Development of a Capacity for Imagination in Early Childhood (1992), 28313

Cognitive Discrimination—Serials

contextual semantic discrimination; congruency; wakefulness; sleep; evoked potentials, 34151
language discrimination; java sparrows; auditory cues; animal behavior; bilingual speaker, 22114
macaques; ventrolateral prefrontal cortex; spontaneous categorization; species specific vocalization; spontaneous recognition, 536
short term item memory; pegions; discrimination procedure; pictures; pecking behavior, 24897
visual attention; temporal discrimination; exogenous cues; endogenous cues, 12672

Cognitive Dissonance—Serials

Cognitive Dissonance—Serials

attitude formation; persuasion; social psychology; dissonance theory; affect; mood; emotion effects, 10483
bulimic symptoms; dissonance based prevention program; thin ideal internalization; original treatment program; dismantled version; females; eating disorder; full treatment; counterattitudinal advocacy, 14078
cognitive dissonance theory; student grades; course evaluations, 36316
cognitive dissonance; culture; self-affirmation; self-concepts; cultural differences; choice behavior; Easterners; Westerners, 372
cognitive dissonance; denial of responsibility; modes of reduction; affect; attitude change, 22778
eating disorders; prevention; cognitive dissonance; media advocacy; sorority, 35705
emotional dissonance; job satisfaction; job performance; personality factors, 12111
interpersonal attitudes; cognitive consistency; attitude similarity, 7405
Midwestern response; cognitive dissonance; terrorist attack; 9/11; older adults; younger adults, 3860
organizational support; repatriation; expatriate expectations; cognitive dissonance, 9072
personal attitudes; social attitudes; disability; cognitive dissonance; prejudice, 4268
positive mood; negative mood; mood regulation approach; dissonance theory; confirmation bias; information seeking, 7509
posthypnotic suggestion; cognitive conflict; Flanker Compatibility Effect; attentional focusing; hypnotic susceptibility, 31100
resistance theories; dissonance theories; attitude certainty; persuasion resistance; close mindedness, 19652
self monitoring; susceptibility; self prophecy; dissonance paradigm; normative behavior, 21458

Cognitive Dysfunction [See Cognitive Impairment]

Cognitive Functioning [See Cognitive Ability]

Cognitive Generalization—Serials

cognitive perception; children's generalization; novel object names; name generalization; childhood development; cognitive development, 25260
critical thinking; reasoning skills; contextual factors; generalist approach; discipline-specific approach; infusion approach, 33962
logical relations understanding; discrete quantities; continuous quantities; childrens understanding; reasoning generalization, 785
object labels; desires; conventional nature; nineteen-month-olds; understanding; cognitive generalization, 34352
perceptual learning; speech; generalization; phonemes; lexical decision, 31049
phonological activation; visual semantic retrieval; Chinese characters; Stroop effect; reading ability; language development, 9584
preschool age children; generalized relational matching; joint control; mediating stimuli, 28300
recombinative generalization; mild mental retardation; constructed spelling task; consonant vowel consonant words, 27562

Cognitive Hypothesis Testing—Serials

aging; learning; visual stimuli; age differences; reaction time; perceptual abilities; rule memory; rule complexity; stimulus novelty; response competition, 31009
autism; inner speech impairments; encoding ability; conditional rule learning, 29119
confirmation bias; confirmation bias; hypothesis testing; hypothesis generation; hypothesis evaluation, 31000
external representation; rule discovery task; internal representation; hypothesis testing behavior; statistics, 6374
prosody; lemma selection; synonyms; picture naming, 6917

Cognitive Impairment—Serials

adjuvant galantamine; traumatic brain injury; reversible acetylcholinesterase inhibitor; schizophrenia like psychosis; risperidone; zopiclone, 8366
adult onset myotonic dystrophy; general intellectual functioning; naming; semantic memory; reading skill; working memory; visuospatial functioning; behavioral changes; semantic dementia; tau protein, 8151
aging; cognition; longitudinal; terminal decline; perceptual speed, 31532
aging; cognitive impairment; late-life insomnia; memory, 26282
aging; visual search; guided search; cues; cuing effect; response time; age related deficits, 31518
alcohol; traumatic brain injury; cognition; rehabilitation; BAL; prediction; alcohol abuse; comorbidity; severity; onset, 14279
Alzheimer's disease; amyloid; tau protein; metals; oxidative stress; peptide precursor protein; apolipoprotein genotype; mild cognitive impairment; anticholinesterase, 32645
Alzheimer's disease; cognitive decline; literacy level; ethnicity, 4798
Alzheimer's disease; cognitive markers; disease course, 4742
Alzheimer's disease; middle-aged children; predisposition; early detection; neurocognitive decline, 4780
Alzheimer's disease; mild cognitive impairment; episodic memory; false recognition; prose recall; gist memory; detail memory, 32636
Alzheimer's disease; modified mouse models; behavioral phenotypes; cognitive deficits; behavioral deficits; experimental treatments; amyloid, 4784
Alzheimer's disease; neuropathology; dementia; early detection; brain reserve, 4807
Alzheimers Disease; apolipoprotein E; genotype; longitudinal cognitive decline; visuospatial attention; aging, 3892
Alzheimers disease; learning; mild cognitive impairment; Rey Osterrieth Complex Figure Test; aging; dementia; visual memory, 20264
Alzheimers disease; traditional misconceptions; age associated neurodegenerative brain changes; cognitive impairment; dementia, 8121
amnesia; mild cognitive impairment; Alzheimers type dementia; verbal fluency patterns; semantic fluency; phonemic fluency, 32659
amnesia; mild cognitive impairment; episodic long-term memory; episodic short-term memory; implicit long-term memory, 11105
amnestic mild cognitive impairment; cognitive impairments; older adults; epilepsy; cognitive performance, 14258
amygdala; hippocampus; temporary memory deficit; brain; long-term memory; retention, 34115
amyloid β peptide; Alzheimers disease; neprilysin; thiorphan; cognitive dysfunction; brain; learning; memory, 13037
aneurysmal; arachnoid hemorrhage; cognitive performance; neuroimaging; tomography; neuropsychology; cerebral ischemia; SPECT, 4719
angiotensin; enzyme polymorphism; traumatic brain injury; cognitive performance, 17262
antiaging medicine; mild cognitive impairment; practice issues; policy issues; geriatrics; Alzheimers disease, 11132
anticholinergic burden; mild cognitive impairment; selective serotonin reuptake inhibitors; pharmacotherapy; posttraumatic stress disorder; obstructive sleep apnea; elderly patients; depressed, 19705
antisaccade; aging; inhibition; prepotent responses; response cue variation; eye movement response, 31514
antisense inhibition; acetylcholinesterase gene expression; cognition deficit; Alzheimers disease; mice; learning; memory; brain, 14217
anxiety; early onset dementia; cognitive impairment, 8130
apolipoprotein polymorphism; mild cognitive impairment: brain morphology; parahippocampal gyrus; thalamic nuclei, 32666
arachidonic acid; spatial cognition; aged rats; age-related cognitive deficits, 25120
assessment; cognitive impairment; quantitative electroencephalography, 6336
attachment behavior; cognitive impairment; foster care; adolescent attitude; emotional impairment, 7379
Attention Deficit Hyperactivity Disorder; children; cognitive inhibition; negative priming; interference, 7926
attention deficit hyperactivity disorder; impaired executive function; general intelligence; children, 14033
attention deficits; memory deficits; survivors; childhood medulloblastoma; academic achievement, 23374
attention dysfunctions; memory dysfunctions; multiple sclerosis; cognitive dysfunction; visual evoked potentials; disability-free patients; mildly to moderately disabled patients, 8177
autism spectrum disorders; executive dysfunction; coherence; cognitive style; social cognition, 35098
autopsy; neuropathology; cognitive impairment; dementia; aging; diagnosis, 4845
Benign Senescent Forgetfulness; historical origin; mild cognitive impairment; shelter homes, 35297
blood glucose; memory impairment; mental effort; emotional manipulation; performance level; cognitive processes; physiological processes, 12998
blood neurosteroid concentration; cognitive function; chronic schizophrenia patients, 4365
brain atrophy; cognitive impairment; survivors; acute respiratory distress syndrome; hypoxemia; acute lung injury, 19716
brain oscillatory responses; auditory verbal working memory task; mild cognitive impairment; Alzheimers disease; event related synchronization, 14232
brain volume loss; temporal horn; mild cognitive impairment; dementia, 23418
brain-derived neurotrophic factor; Alzheimer's disease; Val66Met polymorphism; genetic differences; neurons; memory function; cognitive decline rate, 32614
breast cancer; neuropsychological effects; adjuvant chemotherapy treatment; women; cognitive dysfunction, 17589
buspirone; stereotypic movements; elderly; cognitive impairment; behavioral disturbances; dementia; drug therapy, 26401
Cambridge Neuropsychological Test Automated Battery; explicit memory; addicted schizophrenia patients; substance use disorders, 10678
catatonia; permanent cognitive impairment, 7674
category learning; memory; striatum; prefrontal cortex; aging; explicit learning; Parkinson's disease; deficits; rule generation; selection processes, 17331
cerebrospinal fluid markers; magnetic resonance imaging; mild cognitive impairment; Alzheimers disease diagnosis, 20248
cerebrospinal fluid; prostaglandins; cognitive decline; Alzheimers disease; survival rate, 17273
child molesters; cognitive distortions; bogus pipeline procedure; honest responding; questionnaire responses, 13891
childhood sexual abuse; neuropsychological function; cognitive function, 16884
clinical traits; Parkinsons disease; genetic variation; cognitive disturbance, 8123
clinical trials; mild cognitive impairment; dementia; Alzheimer's disease; therapeutic approaches; drug therapy, 35305
clinical utility; Mattis Dementia Rating Scale; cognitive decline; Alzheimers disease; test performance, 21681
Clock Drawing Test; test scoring; interrater reliability; cognitive impairment, 24635
cognition; cognitive impairment; dementia; severe mental illness; older people; geriatric psychiatry; diagnosis; treatment, 23489
cognition; treatment target; antipsychotic medications; cognitive impairment; schizophrenic patients; neuroleptic drugs, 5075
cognitive ability; pregnancy; early motherhood; cognitive impairment, 27828
cognitive behavior therapy; intellectual disabilities; mental health problems, 14424
cognitive challenges; parents; professionals; helpful interactions; continuity of care, 19475
cognitive control impairments; traumatic brain injury, 29277
cognitive decline; cardiac bypass surgery; neurobehavioral dysfunction; risk factors; ischemic attacks; stroke; postoperative neurologic complications; coronary artery bypass grafting, 23790
cognitive decline; memory clinic; magnetic resonance imaging; temporal lobe; white matter hyperintensities; elders, 10197
cognitive deficit; schizophrenia; positive and negative subtype; predictors, 34887
cognitive deficits; conflict monitoring; dissociations; error related negativity; N2; alcohol effects; brain lesions, 14290
cognitive deficits; depression; dementia; driving behavior; overestimated memory; caregiver stress; neuropsychology; mental health clinicians; physicians; medication, 4925
cognitive deficits; depressive symptoms; dementia; awareness, 25788
cognitive deficits; frequency; Chinese patients; aneurysmal subarachnoid hemorrhage; efficiency of cognitive assessment, 29236
cognitive deficits; low blood pressure; apolipoprotein allele; hypotension; oldest old persons, 4270
cognitive deficits; mental sets; psychopathic offenders; executive dysfunction; left-hemisphere activation hypothesis, 32222
cognitive deficits; non-affected relatives; schizophrenia patients; verbal memory; executive functioning; attention, 23019
cognitive deficits; Ravens Standard Progressive Matrices; malingered psychopathology; Fake Bad Scale, 32031

cognitive deficits; schizophrenia; atypical antipsychotic drugs; cognitive impairment; neuropsychological effects; drug therapy, 4350
cognitive deterioration; symptoms; anxiety; postcoronary artery bypass grafting encephalopathy; post cardiac surgery; psychotherapy, 25759
cognitive disorder not otherwise specified; Arnold-Chiari I malformation, 14142
cognitive distortions; cognitive deficits; obsessive compulsive behaviors; intellectual disability; cognitive behavioral treatment, 14423
cognitive dysfunction; clinical outcome; schizophrenia; treatments, 13751
cognitive dysfunction; neurometabolites; MRI; non-neuropsychiatric systemic lupus erythematosus, 8029
cognitive estimation impairment; Alzheimer's disease; mild cognitive impairment; working memory; semantic memory; executive function, 11086
cognitive function; community dwellers; older Japanese; cognitive impairment; urinary incontinence, 17295
cognitive functioning; atherosclerosis risk factors; cerebral abnormalities; white matter hyperintensities; ventricular size; sulcal size; impaired cognitive functioning, 4718
cognitive functioning; first episode psychosis; social functioning deficits; positive and negative symptoms; depression; social outcome; substance use, 1384
cognitive functioning; Huntingtons disease; cognition; neurology, 32557
cognitive functions; carotid artery disease; carotid endarterectomy; cognitive impairment; clinical symptoms; atherosclerotic disease; unilateral/bilateral stenosis, 20226
cognitive genetics; treatment of cognitive deficit; intelligence; quantitative trait loci, 12892
cognitive impairment; addiction treatment; therapeutic mechanisms of change; mediation; moderation; therapeutic processes; treatment outcomes; alcohol addiction, 33135
cognitive impairment; autobiographical memory; degenerative dementias; memory; semantic dementia, 29271
cognitive impairment; bipolar disorder; manic patients; aging, 25900
cognitive impairment; cognitive sequelae; ecstasy; neurological damage; methylenedioxymethamphetamine; cognitive ability, 29449
cognitive impairment; community dwellers; Spain; cognitive assessment; elders; cognitive function, 14218
cognitive impairment; dementia; prevalence; risks, 8120
cognitive impairment; depression; prevalence; psychodiagnosis, 35326
cognitive impairment; education; age differences; gender differences; working delayed memory; neuropsychological assessment, 26392
cognitive impairment; Fahr's disease; paranoid delusions; differential diagnosis; basal ganglia calcification, 11120
cognitive impairment; functional impairment; prevalence; community dwelling elderly; age differences; gender differences, 4789
cognitive impairment; idiopathic normal pressure hydrocephalus; patients; Alzheimers disease; neuropsychological assessment, 14253
cognitive impairment; language difficulties; functional disability; disease stage; accusatory behavior; dementia; behavioral symptoms; psychological symptoms, 35336
cognitive impairment; memory; diagnosis, 14215
cognitive impairment; microtubule associated protein 2; transient global cerebral ischemia; complex environment experience; rats, 12906
cognitive impairment; mood; milnacipran; serotonin norepinephrine reuptake inhibitor; post-stroke depression, 35631
cognitive impairment; multiple sclerosis; therapeutic interventions; treatment; functional prognosis, 29199
cognitive impairment; risk factors; attempted suicide; elderly psychiatric inpatients; dementia; suicidal behaviour; cognitive functioning, 1498
cognitive impairment; schizophrenia; cognitive function; phenotypes, 23034
cognitive impairment; traumatic brain injury; speed processing deficit; central executive system impairment; working memory, 14265
cognitive impairment; U.S. immigrant; elders; Mexicans; Spanish, 26424
cognitive leisure activities; brain benefits; cognitive impairment, 34122
cognitive measures; psychogeriatric population; Hong Kong; Executive Interview, 30754
cognitive profile; cerebral autosomal dominant arteriopathy with subcortical infarcts and leukoencephalopathy; vascular dementia; cognitive domains; age differences; patients, 23410
cognitive profiles; structural profiles; head injury survivors; chronic cognitive deficits; cholinergic system, 29300
cognitive rehabilitation; traumatic brain injury; cognitive deficits, 35948
cognitive vulnerability; depression; rumination; hopelessness; suicidal ideation; self-injurious thinking; risk factors, 35015
comic strip conversations; social skills training; behavioral support strategy; learning disability; cognitive disability; behavioral disability, 1603
computer based video instruction; augmentative communication devices; alternative communication device; fast food restaurants; high school students; teaching; intellectual disabilities, 15082
conjoint trajectories; cognitive decline; social relations; elderly persons; community, 10168
constraint based therapies; rehabilitation; cognitive remediation; cognitive sciences; movement therapy; cognitive dysfunction, 35951
coping; social support; functional disability; stress; elderly; depression; psychological factors, 22890
cortical hemoglobin oxygenation; cognitive impairment; Alzheimers disease; bilateral parietal, 26370
cortical rhythms; electroencephalography; cognitive impairment; Alzheimers disease; pathological aging; cognitive level, 17264
criterion referenced validity; clinical diagnosis; cognitive impairment; Whites; dementia; cognition; elderly Hispanics; Spanish and English Neuropsychological Assessment Scales, 9419
daily stressors; interpersonal stressors; memory failures; Normative Aging Study; cognitive performance; older adults, 22589
death; cognition; terminal decline; mortality-functioning link; terminal cognitive changes, 31511
deep white matter hyperintensities; periventricular white matter hyperintensities; elderly people; cognitive decline; mental processing speed; dementia, 23491
deficits awareness; emotional adjustment; injury severity; traumatic brain injury; neurocognitive assessment, 1820
deficits; local and global motion processing; low birthweight children; premature birth; motion stimuli; organization development; functional development; visual development, 1689
delirium symptoms; derilium prevalence; cognitive impairment severity; dementia, 17351
dementia; classification systems; cognitive impairment, 4754
dementia; cognitive impairment; neurotoxicology, 4821
dementia; intervention; memory clinic; natural health products; Alzheimer's disease; pathology; cognitive impairment; neuropsychological markers; beta amyloid deposits; advanced glycation end products, 35350
dementia; mild cognitive impairment; clinical progression, 32600
dementia; mild cognitive impairment; cognitive deficits, 23430
depression; anxiety; cognitive function; elderly population; Hordaland Health Study, 10599
depression; social context; cognitive behavioral therapy; intellectual disabilities, 14414
developmental disorders; etiology; dyslexia; phonological deficit; cognitive deficit; attention deficit hyperactivity disorder; speech sound disorder, 32019
diagnosis; cognitive impairment; Mini Cog; Mini Mental State Examination; ethnocultural diversity; psychometrics; multiethnic elderly; dementia, 21697
diagnosis; cognitive impairment; Mini Cog; Mini Mental State Examination; ethnocultural diversity; psychometrics; multiethnic elderly; dementia, 21695
diagnostic issues; dementia; structural neuroimaging; surrogate disease marker; mental impairment; clinical trials; amyloid plaques; neurofibrillary tangles; Alzheimers disease, 32678
diazepam; memory impairment; prospective memory; retrospective memory; attention; arousal; young adults, 15980
disease prevalence; disease course; risk factors; executive impairment; general medicine service; hospitalized patients, 2148
dizziness; traumatic brain injury; cognitive behavioral impairments, 20272
domestic violence; traumatic brain injury; executive dysfunction; partner abusive men; violent behavior, 13635
donepezil effects; cerebral blood flow; older adults; mild cognitive deficits; placebo; positron emission tomography; temporal lobe, 26383
donepezil; patients; dementia with Lewy bodies; cognitive deficit; parkinsonism; clinical trial; safety, 20281
driving accidents; visual attention deficits; cognitive impairment; HIV infected individuals; neuropsychological dysfunction; impaired driving skill, 17217
dysfunctional attitudes; seasonal affective disorder; major depression, 28833
dyslexia; across hands finger localization deficits; poor reading children; tactile information, 14035
dyslexia; neurocognitive impairment; schizophrenia; language disorders, 16744
education; occupational complexity; Alzheimers disease; cognitive decline, 17261
electrical injury; survivors; neuropsychological changes; cognitive impairment, 17179
emotional judgement processes; ecstasy; polydrug users; executive impairments; social judgement processes, 20032
Encephalitis Lethargica; cognitive dysfunction; cognitive rehabilitation programme; cognitive recovery, 8114
epidemiology; osteoporosis; cognitive impairment; anticonvulsant medications; peak bone densities; Down's syndrome; muscle tone, 29156
epilepsy; age differences; intelligence quotients; children memory scale; memory weakness; cognitive difficulties, 29245
episodic memory; executive impairment; Alzheimers disease; executive function, 14188
erotomania; cerebrovascular accident; frontotemporal impairment; personality factors, 1749
estrogen receptor alpha; cognitive impairment; postmenopausal women; risk factors; executive cognitive ability, 18797
euthymic bipolar disorder; visuospatial working memory theory; cognitive impairment; visual memory; Corsi Blocks Test; Visual Patterns Test; executive deficits; executive resources, 22989
evidence-based medicine; dementia research; diagnosis; Alzheimer's disease; mild cognitive impairment, 35314
executive function impairment; attention deficit hyperactivity disorder, 17041
executive functioning; executive impairment; Aspergers disorder; autism; random number generation, 17060
extensive enriched environments; aged rodents; neuronal plasticity; spatial learning; working memory; cognitive impairment; animal learning, 19026
eye movement analysis; selective visual attention deficits; brain injury, 17310
face recognition impairments; acquired brain injury; prosopagnosia; prevalence; cognitive correlates, 32685
facial expressions; emotional face processing; schizophrenia; cognitive deficit, 23021
familial cognitive impairment; cerebellar ataxia; oculomotor apraxia; neuropathy, 1796
family orientation; quality of life; intellectual disability, 1610
family quality of life; older parents perspective; intellectual disability; adult disabled children, 1184
former smokers; chronic smoking; nicotine exposure; cognitive impairment; frontal lobe; abstinence; cerebral dysfunctions, 23453
Frontal Assessment Battery; global executive dysfunction; test validity; test reliability; psychometrics; screening; normative values, 115
frontal lobe dysfunction; false memory susceptibility; Alzheimer's disease; older adults, 14238
frontal lobe hypometabolism; impaired insight; Alzheimer disease; functional deficits, 11076
functional magnetic resonance imaging; impaired judgment; spatial orientation; cerebellum; cognitive functions, 1791
galantamine effect; working memory; global functioning; MCI patients; mild cognitive impairment; executive function deficits; cholinesterase inhibitor, 11392
galantamine treatment; cognitive impairment; bipolar disorder; chronic mental illness; treatment effectiveness, 20610
gene dosage effect; chromosome 21 transcriptome; trisomy 21; Down syndrome cognitive disorders, 29150
generalized anxiety disorder; primary care patients; psychosocial impairment; psychiatric treatment; partial recovery, 13839

geriatric assent; health care professionals; cognitively impaired patients; health care decisions; older adults; geriatric health practitioners, 14342
geriatric depression; drug therapy; antidepressants; psychotherapy; comorbidity; executive impairment, 1346
glial heme oxygenase-1 expression; Alzheimer disease; mild cognitive impairment, 23475
group treatment approaches; cognitive deficits; group functioning; psychiatric rehabilitation, 29613
growth hormone deficiency; cognitive function; brain N-acetylaspartate; cognitive deficits; childhood onset, 23315
hallucinations; cognitive decline; death; Alzheimers disease, 20304
head trauma rehabilitation; impaired self awareness; traumatic brain injury; treatment strategies; emotional factors; brain, 1784
health issues; quality of life; intellectual disability; women; period pain; premenstrual syndrome, 1592
heroin addiction; cognitive impairment; cognitive processes; iconic level, 23171
hippocampal dysfunction; poly drug ecstasy; cognitive impairments; episodic memory; retrieval; neurotoxicity, 1779
hippocampal head atrophy; traumatic brain injury; verbal memory deficits, 29243
hippocampal volume; cognitive deficits; electroconvulsive therapy; memory problems; older depressed patients, 14240
hippocampus; entorhinal cortex; forced-choice recognition; recollection; familiarity; memory; cognitive impairment; Alzheimer's disease, 17353
historical reflection; advocacy; psychology; intellectual disability; public policy decisions; noted psychologists, 4561
HIV Infection; schizophrenia; neurocognitive impairment; work related abilities; employment patterns, 19747
homocysteine; cognition; folate deficiency; cognitive dysfunction; dementia; folic acid; vitamin B12, 35327
huperzine A effects; memory deficits; neurotrophic factors; transient cerebral ischemia; reperfusion; mice, 25131
hypothyroidism; major depression; cognitive disorders; symptoms; anxiety, 25756
impaired decision making; opiate dependence; buprenorphine; cognitive dysfunction; drug addiction; methadone; methadone maintainance; pharmacological therapy, 26124
impaired face processing; autism: face processing abilities; children, 35103
impaired insight; executive task performance; cognitive deficits; cognitive functioning; working memory; schizophrenia, 10670
impaired verb fluency; mild cognitive impairment, 8163
impaired working memory; major depression; patients; cognitive dysfunction, 13731
implicit memory development; school aged children; attention deficit hyperactivity disorder; conceptual priming deficit; performance deficit; strategic memory tasks, 10876
implicit motor learning deficits; developmental dyslexia; reading skills; impaired cerebellar function; serial reaction time performance; non-motor learning, 17086
individual planning; quality of plan; quality of life; intellectual disabilities, 26365
infectious diseases; human immunodeficiency virus; cognitive impairment; dementia, 4739
intellectual disabilities; cross culture perspectives study; quality of life; Chinese culture; social trends; cultural trends, 1614
intellectual disabilities; electronic technologies; electronic communication; Internet; cell phones; computers, 10910
intellectual disabilities; offenders; test reliability; test validity; psychopathy; national health service; behavioral functioning; Psychopathy Checklist Revised, 6319
intellectual disabilities; psychosis; cognitive skills; cognitive behavioral therapy, 14419
intellectual disabilities; volunteer citizens; laws, 10913
intellectual disability; well-being; physical; mental; social, 10914
interictal epileptiform abnormalities; cognitive impairment; epileptic encephalopathies; neurological deterioration; electroencephalograms, 26405
kinase pathway defects; cognitive deficits; Alzheimer disease; dendritic spines; mental retardation; mutation; morphogenesis; amyloid; protein; hippocampal neurons, 22270
language; narratives; aging; cognition; loquacity; cohesion; education; information content; verbal capacity, 6759
late diagnosis; intellectual disabilities; adulthood; family medical history; aetiology; age differences, 7960
Latin American families; quality of life; intellectual disability; participative research; interpersonal relations; emotional well being, 1175
lexico-semantic processing; mild cognitive impairment; semantic memory; Alzheimer disease, 29256
life course; mild intellectual deficits; educational attainment; occupational attainment; family formation; social support; physical health; psychological well being, 10896
limb apraxia; cognitive impairment; progressive supranuclear palsy; dementia, 1826
local processing; global processing; category specific recognition impairment; living things; integrative visual agnosia; patient, 17347
major depression; cognitive deficits; traumatic brain injury; memory; attention; executive functioning, 17272
Mandarin speaking persons; tone production; intelligibility deficits; cerebral palsy, 14225
manual laterality; intellectual disability; trisomy 21; Williams Beuren syndrome; typically developing persons; brain abnormalities, 29248
marital status; living situation; cognitive decline; elders; cognition; alcohols; chronic diseases, 31533
MECP2 gene; learning; cognitive deficits; gene activity; hippocampal region; mice, 34062
medical disorders; depression; treatment; drug treatment; cognitive impairment; elderly patients, 2040
medical illness; executive function; treatment strategies; practical diagnostic instruments, 10992
Medical Symptom Validity Test; medical examinations; symptom exaggeration; disability related evaluations; memory impairment, 34802
melanin concentrating hormone receptor; mice; cognitive deficits; N methyl d aspartate receptor function, 3526
memory beliefs; cognitive performance; cognitive impairment; older adults; group differences; neuropsychological assessment, 35275
memory deficit hypothesis; obsessive compulsive disorder; recall memory; confidence judgments; memory accuracy; coping strategies, 19906
memory deficits; Parkinsons disease; recognition; task difficulty; recall; disease severity; prospective memory, 26454
memory impairment; patients; Alzheimer's disease; cognitive impairment unawareness; etiology; symptoms, 14234
memory loss duration; mild cognitive impairment; aging process; elderly patients; screening, 17306
memory; cognition; obesity; type 2 diabetes mellitus; Zucker rats, 3507
metamemory; schizophrenia; memory; cued recall; recognition tests; feeling of knowing, 25925
Methylenedioxymethamphetamine; Ecstasy; memory impairment; verbal memory, 6844
mild Alzheimer's disease; mild cognitive impairment; handwriting process; older adults, 32689
mild cognitive impairment; acetylcholine esterase activity; dementia; cerebral functioning; Alzheimers disease, 4776
mild cognitive impairment; Alzheimer Disease; diagnostic criteria; symptoms, 17323
mild cognitive impairment; Alzheimer type dementia; major depression; cerebrospinal fluid; soluble amyloid precursor protein, 23461
mild cognitive impairment; cholinesterase inhibitors; pathological changes; Alzheimer disease; dementia, 8169
mild cognitive impairment; cognitive domains deficit; neuropsychology, 23467
mild cognitive impairment; dementia; Alzheimer's disease; risk factors; systolic hypertension; insulin, 29281
mild cognitive impairment; dementia; Alzheimer's disease; risk factors; systolic hypertension, 26397
mild cognitive impairment; dementia; clinical syndrome; clinical trials, 29241
mild cognitive impairment; dementia; risk factors; Tuscany; Italy, 4837
mild cognitive impairment; drug treatment; specialty clinics; prevalence; predementia stage; dementia conversion risk; study subject criteria, 8122
mild cognitive impairment; DSM; aging; dementia; clinical outcome; epidemiology; neuroimaging; pathophysiology, 32667
mild cognitive impairment; functional status, 23472

mild cognitive impairment; Hispanic Americans; healthcare; risk, 11115
mild cognitive impairment; intellectual difficulties; age; philosophical analysis; term, 17354
mild cognitive impairment; non demented older adults; cognitive decline risk; inspection time, 23403
mild cognitive impairment; Parkinsons disease; neuropsychology; pharmaceutical interventions; pathology; socioeconomic impact, 8119
mild cognitive impairment; pharmacologic treatment; dementia, 2162
mild cognitive impairment; prodromal stage; Alzheimers disease; MCI criteria; study subjects; reference standards; treatment targets, 8165
mild cognitive impairment; self reported quality of life; Alzheimer's disease patients; test reliability; test validity; psychometrics; patient insight; diagnosis; caregivers, 33832
mild cognitive impairment; validation criteria; clinical syndrome; ethical aspects, 29309
mild cognitive impairment; validation criteria; clinical syndrome; ethical aspects, 29292
mild developmental disabilities; learning difficulties; neuropsychological recovery; head trauma; cognitive recovery, 29310
mild memory impairment; older adults; aging; delayed recall trial; word list learning task, 17271
mild pediatric head injuries; childhood; neuropsychological function; intelligence, 29266
mild traumatic brain injury; Alzheimer's disease; rapid cognitive deterioration; neurology; neuropsychology; neuroimaging, 8136
Mini Mental State Examination; mental status; mental disorders; screening instrument; cognitive disorders; mood disorders; elderly, 24626
Mini Mental State Examination; screening for cognitive impairment; palliative care patients; delirium; validity, 6332
mortality; health conditions; disabilities; intellectual disabilities, 7913
mouse models; cognitive disorders; trisomy 21; genetic cause; mental retardation; genes, 28054
multidimensional self-concept structure; mild intellectual disabilities; factorial invariance; factor analysis; educational placement, 33826
multiple cognitive capabilities; deficits; visuospatial coherence; autism spectrum disorder; central coherence theory; theory of mind; executive control; preschool age children; school age children, 17057
N acetylcysteine; vitamin B; folate; hyperhomocysteinaemic patient; cognitive impairment; hydroxocobalamin; short term memory loss, 11396
N-methyl-D-aspartate receptor; antagonist ketamine; task switching performance; executive control impairments; glutamate system; schizophrenia symptoms; animal behavior, 34224
naltrexone; alcohol dependence; methylphenidate; ADHD; cognitive impairment; suicidal ideation; elderly; bupropion; generalized anxiety disorder; divalproex; dementia; PTSD; chronic fatigue syndrome, 26485
naming non-living items; aphasia; semantic category; word production; naming impairment, 14193
neural correlates; obsessive compulsive disorder; symptoms; cognitive deficits; disorders, 25957
neuroacanthocytosis; neurological disease; sudden flexion movements; seizures; chorieform movement; depression; personality changes; cognitive deterioration; neuropathy, 34818
neurocognitive consequences; HIV; southern India; clade C viral strain; cognitive ability, 26342
neurocognitive correlates; social cognitive correlates; formal thought disorder; schizophrenia patients, 28899
neurocognitive dysfunction; childhood development; sleep disorders; episodic hypoxia; animal models, 26292
neurocognitive impairment; euthymic young adults; bipolar spectrum disorder; major depressive disorder, 13739
neurodegeneration; motor dysfunction; cognitive dysfunction; Parkinson's disease; pathophysiology; Levodopa; dyskinesia; treatment; MDMA, 35251
neuroimaging genetic paradigms; pathophysiology; cognitive deficits; schizophrenia; neurobiology, 23033
neuronal pathology; entorhinal cortex; Alzheimers disease; hippocampus; cognitive impairment, 23496
neuropharmacologic treatment; cognitive rehabilitation; cognitive deficit; dementia; Parkinson's disease; multiple sclerosis; epilepsy; vascular disorders; traumatic brain injury, 29275

neuropsychiatric profiles; juvenile myoclonic epilepsy; valproate; topiramate; monotherapy; cognitive dysfunction; psychiatric disorders; epilepsy, 26390
Neuropsychological Battery for Systemic Lupus Erythematosus; test reliability; test validity; cognitive impairment; rheumatoid arthritis, 118
Neuropsychological Battery for Systemic Lupus Erythematosus; test reliability; test validity; cognitive impairment; rheumatoid arthritis, 119
neuropsychological deficits; tumour; posterior corpus callosum; retrosplenial amnesia; memory disturbance; cognitive deficits, 29227
neuropsychological dysfunction; social disability; euthymic patients; bipolar disorder; neurocognitive deficits; psychosocial functioning; residual mood symptoms, 19800
neuropsychological dysfunctioning; repeat concussions; licensed jockeys; neurological reports; cognitive performance, 35368
neuropsychological impairment; cortical lesion patients performance; cognitive assessment system, 32654
neuropsychological markers; mild cognitive impairment; Alzheimers disease, 35324
neuropsychological performance; cognitive dysfunction; multiple sclerosis; cognition; depression, 10957
neuropsychological performance; mild cognitive impairment; apathy, 23469
nonverbal memory; verbal memory; posttraumatic stress disorder; memory impairment, 28922
obsessive compulsive disorder; symptom dimensions; hoarding; decision making; set shifting impairments, 28924
older adults; mild cognitive impairment; affective ability; cognitive ability; functional ability; memory; at risk population, 29283
Olfactory screening test; mild cognitive impairment; physiologic ageing; dementia; Alzheimers disease; amnesic patients, 3172
on line lexical processing; Alzheimer's disease; mild cognitive impairment; mass nouns; count nouns; dual nouns; lexicosemantic knowledge, 14271
orthostatic hypotension; Parkinson's disease; cognitive decline; Lewy body disorders; pathology, 35256
oxidative DNA damage; peripheral leukocytes; cognitive impairment; Alzheimers disease; oxidative stress; pathogenesis; memory deficit, 4770
oxidative DNA damage; peripheral leukocytes; cognitive impairment; Alzheimers disease; oxidative stress; pathogenesis; memory deficit, 4741
oxidative DNA damage; peripheral leukocytes; cognitive impairment; Alzheimers disease; oxidative stress; pathogenesis; memory deficit, 4804
oxidative DNA damage; peripheral leukocytes; cognitive impairment; Alzheimers disease; oxidative stress; pathogenesis; memory deficit, 4813
pain assessment; individual discomfort; mental retardation; cognitive deficits; communication deficits; Pain and Discomfort Scale, 4573
pain; malingering; WAIS-III processing speed index; cognitive symptoms; cognitive functioning; disability, 34785
Parkinson disease; functional decline; Alzheimer disease; dementia; cognitive decline, 4818
Parkinsons disease; cognitive impairment, 1769
Parkinsons disease; neuropathology; dementia; cognitive impairment; Lewy body disease, 35306
peripubertal anxiety profile; predisposition prediction; spatial memory impairments; chronic stress; hippocampus; rats; corticosterone levels, 12902
perospirone; aggressive behavior; dementia; drug therapy; behavioral symptoms; cognitive impairments, 23789
persistent cognitive dysfunction; obsessive compulsive disorder; drug therapy; treatment effectiveness evaluation, 7730
personality; twin studies; neuroticism; extraversion; cognitive impairment, 31516
pharmacologic antidepressant treatment response; cognitive impairment; executive functioning; neuropsychological measures; multiple sclerosis; cognitive behavior therapy; group psychotherapy, 34865
pharmacological intervention; frontal lobe injury; cognitive deficits; aggressive behavior; traumatic brain injury; delirium, 29305
pharmacotherapy; posttraumatic cognitive impairments; neurobiological consequences; traumatic brain injury; posttraumatic neurochemical disturbances; neurotransmitter system; rehabilitation, 29756
phonological impairments; dyslexia; eye movements; eye-tracking; word recognition; auditory perception, 29128
plasma beta amyloid protein; elderly people; cognitive decline; apolipoprotein genotype, 3904
post traumatic brain injury; executive dysfunction; problem solving; learning theory; cognitive behavioral theory; cerebral function, 35419
posterior cortical atrophy; depressive symptoms; atypical dementive syndrome, 25799
poststroke cognitive impairment; frequency; clinical determinants; nondemented Chinese stroke patients, 23388
prefrontal cognitive functions; chronic schizophrenia; dorsolateral functioning; orbitofrontal functioning; cognitive impairment, 1398
prefrontal cortex activation; brain activation abnormalities; epilepsy; topiramate therapy; cognitive language impairment, 32972
prefrontal cortex dysfunction; income, 26445
prefrontal cortex; medial temporal lobe; neural plasticity; ageing; brain; behavioural impairments, 16221
prefrontal microcircuit model; cognitive deficits; schizophrenia; memory; nonhuman primates; cognitive functions; computer simulation, 16780
processing speed; predictor; verbal memory performance; schizophrenia; memory impairment, 19831
progressive cognitive decline; transgenic mouse model; Alzheimers disease; mutant; amyloid peptide; amyloid precursor protein; aging, 20277
prose memory; idiopathic Parkinsons disease; verbal memory impairments; learning, 11084
prosopagnosia; nonconvulsive status epilepticus; fusiform gyrus malformation; cognitive impairment; face recognition, 32690
psychiatric diagnoses; descriptive diagnosis; personality disorders; die personality disorders; die diagnoses; detention, 1441
psychiatric disorders; cognitive impairment; cognitive ability, 4809
psychological assessments; confessions; mentally retarded suspects; suggestibility; cognitive deficits; Miranda rights, 7956
psychopathy; neuropsychology; developmental disorders; genetics; neuro-cognitive impairments, 32210
psychopathy; orbitofrontal cortex (OFC); dorsolateral prefrontal cortex (DLPFC); anterior cingulate cortex (ACC); frontal lobe; executive dysfunction; neuropsychological testing, 16820
psychopathy; response reversal; integrated emotion systems model; fear dysfunction position; reward-punishment contingencies, 28944
psychophysiological mediators; hostility; stress; chronic stress; caregivers; metabolic; Alzheimer's disease; cognitive decline; cognition, 1835
psychosocial factors; Alzheimers disease; cognitive impairment; awareness deficits; brain injury, 35341
pure misallocation; number transcoding; cerebral dysfunction; lexical semantic model; right posterior cerebral infarction; Arabic numerals; oral reading; writing, 17284
quality of life application; intellectual disability; family members; individual perspective, 1577
quality of life data; organizational level; systems level; intellectual disability; data utilization, 1186
quality of life domains; quality of life indicators; Polish professionals; intellectual disabilities, 6
quality of life measurement; intellectual disability; cross cultural measurement, 1200
quality of life; self determination; intellectual disabilities; international study, 1188
racial differences; cognitive decline; Alzheimer disease; dementia; African Americans, 11046
rats; spatial memory impairments; hippocampus; aging, 3624
reading comprehension; integration deficit; sentence recognition; memory load; retention, 24218
reading instruction; cognitive disabilities; teaching reading; evidence based practice, 30360
reasoning; schizophrenia; context processing; cognitive deficits, 23027
recognition memory impairment; amnesia; study induced fluency, 17302
risk factors; transitions; cognitive impairment; dementia, 35313
Rowland Universal Dementia Assessment Scale; South India; cognitive screening tests; Mini Mental State Examination; older people; cognitive impairment; psychometrics, 33847
Schalock and Keith Quality of Life Questionnaire; test validity; test reliability; Mexican samples; Spanish samples; quality of life; intellectual disability, 75
schizophrenia patients; error related performance adjustments; antisaccade task; cognitive deficits, 16768
schizophrenia; cognitive endophenotypes; cognitive deficits, 32136
schizophrenia; longitudinal neurocognitive performance; middle age; older adults, 19859
schizophrenia; neurocognitive impairments; cognitive dysfunction, 7678
schizophrenia; neuropsychologically normal; processing speed; working memory; cognitive impairment, 4369
schizophrenia; visual search; control of attention; implementation of selection; executive control; impairment, 23011
schizophrenics; mismatch negativity; sensory processing; directed attention; cognitive deficits; neural dysfunctions, 34895
score discordance; older patients; memory deficits; cognitive impairment; dementia; test validity; test reliability; Wechsler Memory Scale-III; Rey Auditory Verbal Learning Test, 24637
semantic deficit; Alzheimers patients; semantic distance, 14291
semantic deficits; schizophrenia; access; storage, 16773
semantic relatedness gradients; refractory access semantic deficits; static storage semantic impairments; comprehension skills, 11059
sensory neuropathy; Hodgkins Disease; autonomic dysfunction; differential diagnosis; drug therapy, 4786
septal infusions; glucose; gamma aminobutyric acid agonists; baclofen; memory impairment; neural receptor; rats; implications for hyperglycemia, 13015
serum sodium level; reversible hyponatremia; psychiatric consultation liaison service examination; combination therapy; nonsmall cell lung carcinoma; venlafaxine, 2135
set shifting deficit; anorexia nervosa; cognitive flexibility; neurocognitive assessment, 26248
single trial memory formation; memory impairment; oral methylphenidate; rats; dopamine; norepinephrine; working memory; prefrontal cortex; drug dosages; animal learning, 13008
sleep disordered breathing; cognitive dysfunction; Brazilian children; academic facilities; sleep time, 4614
sleep inertia; cognition; cognitive impairment; sleep deprivation, 13002
sleep inertia; cognition; cognitive impairment; sleep deprivation, 15955
social cognition; nursing home residents; cognitive impairment; dementia, 23500
social disability; occupational disability; social adjustment; major depressive disorder, 32118
social function; social cognition; concepts; measurement; schizophrenia; cognitive deficits; psychosocial interventions, 23044
social participation; engaged lifestyle; activity; cognition; cognitive functioning; perceptual speed decline; old age; dual change score model, 885
spontaneous language decline; Alzheimers disease; picture description task; writing skills; patients; pathological cognitive decline, 11072
student choice consideration; instructional strategies; self operated picture prompting systems; self operated auditory prompting system; intellectual disabilities; curriculum effectiveness, 5850
subject performance tasks; associative learning; amnesia; mild cognitive impairment; free recall; recognition memory, 32642
subjective anxiety; neurovegetative changes; healthy volunteers; panic patients; simulated public speaking; cognitive impairment; discomfort, 10721
subjective perception; cognitive deficits; psychotic patients; relatives' perception; social functioning, 13801
task load; memory impairment; Down syndrome; performance decline; adults, 7965
teacher interaction style; task engagement; elementary students; cognitive disabilities; special education teachers; language arts instruction, 2743
terminal decline; cognition; death; multilevel modeling; predictors of mortality, 31510
testosterone; spatial memory; mild cognitive impairment; cognition; Alzheimer disease, 4753
theory of mind deficits; euthymic patients; bipolar disorders; non theory of mind cognitive deficits; social cognition; executive functioning, 1350
theory of mind; traumatic brain injury; emotion recognition; executive dysfunction; self-regulation, 29265
thought disorder; executive impairment; executive functioning; schizophrenia; patients; disorganization; event sequencing, 16784

thyroid stimulating hormone; homocysteine; Alzheimers disease; mild cognitive impairment; vitamin B12 folate; concommitant disease; risk factors, 35257
Tourette's Syndrome; cognitive performance; adults; behavioral inhibition; executive functions; inhibition; obsessionality; ADHD, 11057
tramadol; delirium; elderly patients; chronic back pain; cognitive deficits, 35682
traumatic brain injury; executive functioning, 11052
traumatic brain injury; malingered neurocognitive dysfunction; Wechsler Adult Intelligence Scale; digit span, 117
traumatic brain injury; narcissistic damage; neurological damage; rehabilitation service; psychotherapy; cognitive injuries, 26430
traumatic brain injury; neuropsychological measures; executive dysfunction; cognition; Behavioural Assessment of the Dysexecutive Syndrome, 9412
traumatic brain injury; theory of mind; executive function; recovery; follow-up; impairments, 29286
treatment; depression; dementia; treatment alternatives; cognitive impairment; Alzheimer's disease, 29430
twins; dementia; cognitive deficits; genetics; neuropsychological tests, 4768
type 1 diabetes mellitus; aircrew; hypoglycemic episode; impaired cognition, 35195
United States; residential services; Australia; intellectual disability; population growth, 5386
unruptured intracranial aneurysms; neurological outcome; neuropsychological outcome; functional outcome; work status; treatment outcomes, 11036
valproic acid; adjunctive therapy; HIV associated cognitive impairment; neuropsychological performance; brain metabolism, 35693
verbal learning; everyday functioning; dementia; latent variable growth curve modeling, 23449
verbal memory impairment; children; medulloblastoma; white matter neuropathology; hippocampal neuropathology; learning; verbal memory; childhood; CVLT, 11025
verbal memory performance; mild cognitive impairment; Alzheimer disease; aging; memory dysfunction, 29263
verbal memory performance; younger adults; memory impairment; major depression, 22993
visuospatial function; beagle dog; cognitive decline; human aging; dementia, 34130
vitamin deficiencies; endocrinological abnormalities; cognitive impairment; early dementia, 4765
vitamin deficiency syndromes; B-vitamins; dementia; risk factors; cognitive decline, 35334
white matter; Alzheimer disease; cerebral amyloid angiopathy, 23440
Williams syndrome; dorsal stream motion processing; motion; cerebral organization; visual computations, 17138
Wisconsin Card Sorting Test; cognitive functions; age related decline, 20323
word reading; impaired letter naming; word dissociation; reading processes, 14259
working memory impairments; schizophrenia; frontal lobe; spatial; verbal, 4360

Cognitive Impairment—Books

Neurology of Cognitive and Behavioral Disorders, 4286
The physiological bases of cognitive and behavioral disorders, 22911
Teaching language arts, math, & science to students with significant cognitive disabilities, 21269

Cognitive Load [See Human Channel Capacity]

Cognitive Maps—Serials

analogical mapping; analogical inference; analogical reasoning; isomorphic mappings; homomorphic mapping; problem solving ability, 9594
assortment variety perceptions; consumer satisfaction; product choices; retail stores layout; consumer internal categorization structure, 6064
cognitive map; brain; entorhinal cortical neurons; grid cells; metric, 22183
cognitive maps; distance estimates; geography; spatial reasoning; spatial representation; global scale location; judgments; strategies, 15654
cognitive maps; head direction neurons; spatial cognition; anterior thalamus; environments, 9798
continuous improvement; knowledge perspective; Knowledge Structure Mapping, 6124
mental maps; distance estimations; emotional involvement; German reunification; negative attitude; semantic unity, 6510
mental representations; language; orientations specificity; alignment effects; spatial descriptions; spatial judgment, 31021
mental representations; neural networks; dynamic behavioral sequences; language; cognitive processes, 6145
metaphor scenarios; public discourse; metaphorical mappings; target topic conceptualizing; language use, 13074
nursing knowledge; electronic patient records; cognitive map; North American Nursing Diagnosis Association; Nursing Intervention Classification; Nursing Outcome Classification; terminology, 8743
spatial knowledge acquisition; stage-like; continuous; spatial microgenesis; metric knowledge; environment; individual differences, 12727
transitional processes; cognitive maps; human computer interfaces; interface styles; spatio temporal interfaces; geological metamorphoses; economical processes, 3025

Cognitive Mediation—Serials

corepresentation; task sharing; perception-action link; social understanding; joint action; interpersonal coordination; action planning & control, 6431
interpersonal information; job applicants; ethnicity; cognitive mediation, 5883
novice young drivers; parent limits; cognitive mediation; persuasive messages, 7272
object identification; priming; face recognition; perceptual processing; mediation; face inversion; familiar faces, 18827

Cognitive Processes [See Also Associative Processes, Chunking, Classification (Cognitive Process), Cognitive Appraisal, Cognitive Bias, Cognitive Discrimination, Cognitive Generalization, Cognitive Maps, Cognitive Mediation, Comprehension, Concentration, Concept Formation, Decision Making, Fantasy, Ideation, Imagination, Intuition, Mental Rotation, Metacognition, Naming, Problem Solving, Rumination (Cognitive Process), Schema, Social Cognition, Thinking, Thought Suppression, Transposition (Cognition)]—Serials

abductive inference; computational theory of mind; Jerry Fodor; intentionality; mental causation; psychological explanation, 3724
abstract conditional reasoning; inference problems; necessity; sufficiency, 15699
academic desire trajectories; discourses; subjectification; desire; biography; university cultures; discursive practices; empirical analysis; gendering processes, 2628
accessibility bias; arbitrary numbers; numerical judgments; anchoring effect; adjustment; cognitive processes, 27820
actions; mugging script; retrieval induced forgetting; memory; recall; latent inhibition; cognitive processes, 33968
ADHD; executive functions; learning disabilities; girls; neuropsychological functioning, 17063
aerobic exercise; cognitive aspects; Stroop performance; executive functioning; college age adults, 34718
affect; risk perception; emotional processes; dominating meanings, 16577
affect; risk perception; emotional processes; dominating meanings, 16584
affective information; cognitive information; attitude formation; memory, 19662
affective modulation; cognitive modulation; performance monitoring; behavioral responses; evoked related potentials; EEG, 3642
affective modulation; stimulus size; pictorial stimuli; evoked potentials, 22234
affective primacy hypothesis; semantic analysis; visual processing; cognitive primacy; neurological analysis; object identification, 18686
age differences; attention; visual novelty; cognitive function; high performing adults; aging, 15643
age differences; brain; cognitive correlates; cognitive modifiers; aging, 34119
age differences; mental scanning; locomotor maps; mental spatial representations, 10183
age effects; information processing; substance abuse public service annoucements; sensation seeking; college students; television viewing, 9974
aging; cognition; gait velocity, 15661
aging; cognitive plasticity; attentional control; training effects; dual task performance; age-related differences, 10169
aging; dual-task interference; visual word recognition; divided attention; life span; cognitive processing; lexical processes; automaticity, 31521
aging; memory processes; visual search; age differences; spatial encoding, 24720
aging; neural processing; passively viewed naturalistic pictures; contextual binding, 18957
aging; stress; cognitive interference; cognition; cognitive performance, 31530
alcohol intoxication; alcohol effects; cognitive processes; emotional; behavioral processes; attention; working memory; perceptual processes, 15645
alcohol; stereotypes; response inhibition; cognitive control; event-related potentials; race bias, 15958
algorists; algorithms; ecological psychology; computational theory; discrete state computation; Shavian critique, 12372
alleged illusion; conscious will; causal efficacy, 7548
alternative Communication; augmentative communication; psycholinguistics; cognitive aspects; educational aspects; multimodality, 25150
altruist detection; cognitive mechanisms; sharing; cheater detection; logical inferences; social contexts; social intelligence, 31807
ambivalence; discomfort; motivated information processing; attribution, 13563
anagram software; cognitive research; psycholinguistic variables; cognitive processes; lexical variables, 36595
analytic perception; cultural influence; perceptual processes; holistic perceptual processes; cultural differences; Westerners; Asians, 9605
annotation; double-entry journal; efficacy expectation; marginal commentary; reading strategies; teacher role; cognition, 14973
antisaccade task; psychopathology; fronto striatal dysfunction; cognitive processes; neural mechanisms; volitional behavioral responses; reflexive behavioral responses, 28798
anxiety; emotional faces; attentive resources; emotion perception; facial expressions, 9518
apparel advertisements; elaboration likelihood model; consumer attitudes; involvement level; information processing activities; attitude formation, 36543
applied cognitive psychology; applied science; memory; cognitive processes; autobiographical memory; witness memory; misinformation, 27900
applied creativity; cognitive process; intelligence; learning; cognitive activity; creative thinking; problem solving; cognitive style; organizational settings, 9566
arithmetic fact retrieval; cognitive functions; acalculia, 3363
attention aware systems; human perceptual; cognitive abilities; cognitive psychology; perceptual process; cognitive processes; technology; systems design, 12790
attention deficit paradigm; attention deficit disorder; executive functions, 26205
attention; configural information; shape information; 3-D novel objects; cues; visual search, 18711
attentional capture; top down search strategies; target features; display size; search display, 24811
attentional limitations; central processing; perceptual encoding; human cognitive processes; multitasking; dual task interference; central processing bottleneck, 24873
attunement; calibration; feedback information; dynamic touch; perception, 6442
auditory-visual perception; autistic disorder; intermodal processing; intermodal perception; temporal synchrony; developmental disabilities, 7905
autism spectrum disorder; high functioning children; diagnosis; Aspergers syndrome; cognitive processes; daily activities; multitasking, 23220
autism; exceptional calendar capacity; functional brain mapping; brain activity; brain mechanisms, 1574
automatic & effortful processing; self statements; depression; cognitive processes; negative knowledge structures, 28865
automatic evaluation; mood; stereotyping; affect; impression formation; information processing style, 12709
automaticity; implicit measures; multinomial model; process dissociation; controlled processing; social cognition, 4173
awareness; consciousness; dissociation; cognitive system; self-representation, 31101
backward inhibition; Parkinson's disease; group difference; cognitive processes; task analysis, 20254
basal ganglia; dopamine; cognition; neurocomputational model; psychopharmacology; cognitive processes, 22309
basketball expertise; perceptual discrimination abilities; cognitive processes; visual behaviors; eye movements; visual search, 15585
behavior; electrophysiology; task switching; reaction time; brain; working memory, 19014

behavioral data; psychological theories; imaging experiments; data analytic approaches; cognitive affective processes; fMRI; event related potentials; magnetic encephalography, 24793
behavioral variables; schools; cognitive indicators; affective variables, 14895
beliefs; perceived value; science; religion; perceived truth; belief value, 7530
Bender-Gestalt; visual-motor perception; memory; test revision, 15410
bidirectional links; multiplication facts; activation of multiplication operand nodes; product, 15690
bilingualism; theory; cognitive processes, 3375
binary decisions; stimulus-response compatibility; polarity correspondence; Implicit Association Test; MARC effect; SNARC effect, 18800
blood glucose; memory impairment; mental effort; emotional manipulation; performance level; cognitive processes; physiological processes, 12998
brain cancer; rehabilitation model; cerebral neoplasia; cognitive process restoration, 4707
brain systems; mediating cognitive interference; emotional distraction; functional MRI; event related activity; working memory, 22166
brain; quantum computer; quantum mechanical processes; brain functioning; computation; mathematical thinking, 27853
canceling planned action; countermanding saccades; motor behavior; human dorsal cortex; oculomotor regions; decision processes; fixation, 3651
cancer risk perceptions; smoking behavior; cancer risk; cancer risk reduction behavior; strategies; thinking; cognitive processes, 8081
Career Explorer; Self Directed Search; high risk middle school students; cognitive information processing, 18605
category fluency; letter fluency; semantic dementia; primary progressive aphasia; Alzheimers disease; cognitive processes, 23444
category learning; RULEX model; predictions; model investigation; algorithmic method, 174
causal relevance; non reductive physicalism; physical supervenience; epiphenomenalism, 21964
causality; cognitive processing; functional magnetic resonance imaging; brain; complex behavior, 18789
central interference; error processing; capacity limitations; error detection, 370
cerebral blood; cognitive activity; blood pressure; middle cerebral arteries; hypotension; cognitive performance; cognitive functioning, 18964
child sex offenders; cognitions; motivations; child sexual abuse; cognitive distortion, 20049
childhood development; multiple disabilities; motor behavior; chin movements; microswitches; environmental stimulation; cognitive processes, 23740
childhood sexual abuse; implicit processing; intimacy related stimuli; psychiatric patients, 16840
children gesture production; childhood development; child cognitive process, 13160
children's mathematical thinking; classroom cultures; social interaction; cognitive processes; class discussion, 27268
chronometric evidence; retrieval; conditional reasoning; association strength effect; semantic memory; affirmation of consequent; denial of antecedent, 367
clinical management; insomnia; cognitive therapy; psychotherapy; cognitive processes, 32517
clustering; expertise; recall; item organization, 9630
cognition axioms; human environmental interactions; rational thinking; human information processing; conscious subconscious thinking, 30996
cognition; cognitive integration; cognitive processes; internalists; integrationists, 24815
cognitive abilities; intelligence; reasoning; crystallized intelligence; working memory; sustained attention; storage; coordination; processing, 24789
cognitive accessibility; action & inaction regrets; temporal pattern, 18801
cognitive activity; cognitive function; older African Americans, 30961
cognitive aging; context processing; inhibition; processing speed; theories; age differences, 31016
cognitive architecture; developmental neuroscience; linguistics; neuroimaging, 30997
cognitive architecture; internal simulation; global workspace; brain; consciousness states; logical thinking, 21955
cognitive aspects; neo-Piagetian theoretical account; drawing tasks; human figures drawing; contextual variables; attentional resources; figurative schemes, 3829
cognitive brain functioning; distributed artificial neural network models, 6144
cognitive busyness; perceptions; category conjunctions; social categorizations; cognitive processing, 19562
cognitive consistency; counterfactual thinking; factual outcomes; groups perceptions; reasoning, 28564
cognitive control demands; serial processing; dual task performance, 6537
cognitive control; conflict; selective processing, feature integration; Simon effect; cognitive conflict; interference, 24838
cognitive control; emotion induced blindness; emotional stimuli; pictures; attentional biases, 7522
cognitive control; emotion regulation; neuropsychology, 3388
cognitive control; flanker task; conflict monitoring; stimulus congruency, 30944
cognitive control; neural mechanisms; Stroop Task; Stroop effect; neural network model; conceptual knowledge, 15873
cognitive control; task switching paradigm; cues, 30979
cognitive dynamics; indexical thoughts, 395
cognitive effort; human computer alphabet; personal digital assistant; item compatibility; retroactive augmented information condition; acquisition performance; superior retention levels, 3391
cognitive emotion regulation, confirmatory factor analysis, French translation; psychometric properties; Cognitive Emotion Regulation Questionnaire; test reliability; test validity, 18529
cognitive emotion regulation; depression; anxiety; stress; anger, 10505
cognitive emotion regulation; psychometrics; test development; test validity; test reliability, 30700
cognitive ethology; individual variability; brain activation; attention; facial expression; natural environments; visual attention; working memory, 18811
cognitive factors; competency to stand trial; neuropsychological predictors; defendants; cognitive ability, 20360
cognitive factors; emotional factors; currency perception; money illusion effect; emotional attachment; price evaluation, Poland, 31575
cognitive factors; linguistics; collective nouns; children's processing; English speakers' judgments; Welsh speakers' judgments; novel words, 19192
cognitive fluency; learned interpretation; judgement; cue learning, 18817
cognitive issues; commercial aviation; perceptual; commercial aviation; pilots; flight performance; cognitive processes, 12713
cognitive learning; coordination; motor control; perceptual learning; recalibration; realignment; spatial mapping; generalization, 27741
cognitive learning; memory abilities; culture; evolution, 3281
cognitive loads; learning efficiency; schematic supportive information; cognitive skill acquisition, 9591
cognitive modeling; causal relationships; cognitive science; human behavior, 9614
cognitive motivation; negotiation role; buyer seller negotiation, 15156
cognitive neuropsychiatry; emotional abnormalities; psychiatric disorders; psychopharmacology; psychophysiology, 25847
cognitive neuropsychological approach; reading spelling therapy, 8689
cognitive neuroscience; imitation; neurology; neurons; motor activation, 9789
cognitive neuroscience; second language acquisition; age factor; cognitive changes; convergence; degeneracy, 28192
cognitive planning; good luck; social science undergraduate students, 9577
cognitive practices; representation; research scientists; science; cognitive processing, 24819
cognitive pretesting; interview methodology; evaluation; child self-report; item validity; interrater agreement; educational measurement; psychological measurement, 27642
cognitive procedural learning; cognitive processes; episodic memory; executive functions, 27894
cognitive process; classification; baboons, 27857
cognitive process; translation; writing; cognitive levels; second language, 9600
cognitive processes; comorbid mental health problems; insomnia; anxiety; mental arousal; sleep, 1312
cognitive processes; counting process; special educational needs; intellectual disability; mainstreaming, 29142
cognitive processes; criminal profile construction; psychological profiles, 6159
cognitive processes; dysphoria; college drinking; daily experiences; cognitions, 11249
cognitive processes; lottery; sports gambling; decision making; risk; uncertainty; probability, 15686
cognitive processes; mathematical precociousness; young children; working memory processes, 16135
cognitive processes; mental image scanning; visualized objects; attention shift, 30967
cognitive processes; neural processes; joint action, 22213
cognitive processes; neuroimaging; reverse inference, 22204
cognitive processes; representational momentum; memory; motion perception; spatial localization; psychophysics; imagery, 33928
cognitive processes; sleep deprivation; time pressure; cadets; rescue operations; military ranger training, 2981
cognitive processes; Tower of London task; cognitive function; response inhibition; working memory; human development, 34343
cognitive processes; vision; cerebral cortex; neurons, 3611
cognitive processing; language tasks; literacy; education; neural activation; Chinese subjects, 15670
cognitive processing; word recognition; phonological decoding; encephalography; event related brain potentials, 12928
cognitive representation of numbers; graph comprehension; bar graph designs; spatial layout; magnitude information; mental number line; performance, 6518
cognitive reserve; Alzheimer disease; individual differences; leisure activities; brain, 26446
cognitive science; cognitive processes, 18813
cognitive specificity; anxiety disorders; beliefs; cognitive processes; panic disorder; obsessive compulsive disorder; pathological worry; intolerance of uncertainty; thought action fusion, 19918
cognitive systems; proactive inhibition; dogmatism, 6514
cognitive vulnerability; depression; information processing; dual process models, 4316
coherence; category coherence; cross classification; reasoning; social categories; category based inference, 15682
college women; personal goals; cognitive dimensions; sexual decisions; sexual behaviors; risk reduction, 31696
comparative advertising; low vs high cognitive elaboration; consumer attitudes; advertisement intensity, 33618
complex logical reasoning problems; difficulty model; Graduate Record Examination; cognitive elements; mental models; cognitive processes, 15677
computational model; habituation; learning; cognitive processes, 6400
conceptual accessibility; free word order language; Algonquian language; sentence structure; psycholinguistics; interpersonal interaction; cognitive processes, 9938
concurrent cognitive tasks; coordination dynamics; bimanual rhythmic coordination, 254
conditional reasoning; strategy development; deductive performance; logical deduction game; cognitive skills; problem solving, 27819
conflict adaptation effect; priming; cognitive adaptation; response conflict monitoring; repetition-priming; information processing, 9528
conjunctive probabilistic concepts; childhood reasoning, 3821
conscious memory; preconscious memory; health threatening stimuli; lexical decision; patients with somatoform vs depressive disorders, 25761
conscious states; mental states; causal relevance; epiphenomenalism, 21924
consciousness; self awareness; comparison; integration; neurocognitive views; self representations; self perception, 22048
consumer evaluation; brand alliance signals; brand preferences; cognitive elaboration, 27454
consumer research; memory; persuasion; information processing; consumer behavior; cognition; motivation; affect, 30557
control of routine behavior; localist versus distributed representations; simple recurrent networks; neuropsychological impairments of action; sequential action; connectionist approach, 33958
coordinate spatial relations representations; categorical/coordinate distinction; brain; binary distinctions; processing systems; multilevel theories; vision, 25022

coping strategies; perceived parental support; junior national age swimmers; group performance; cognitive strategies; athletic performance; games, 19388
correspondence bias; causal uncertainty; cognitive busyness; causal strength; situational information; sense making; social behavior, 13497
cortical maps; cortical temporal frequency tuning; visual stimuli; motion perception; spatial frequency domains; cortical organization model, 522
creativity; creative thinking; propulsion theory of creative contributions; E. Paul Torrance, 17994
cues; distractors; cognitive processes, 24814
daily events; non-affective reactions; cognitive reactions; affective states; self evaluation; self-focused thinking; cognitive overload; perceived control, 4232
decision formation; judgment; neural circuitry; visual saccade decision circuit; decision mechanism, 3601
decision making; impulsivity; individual differences; cognitive models; reinforcement learning; cues; adolescents; go/no-go discrimination task, 31383
decisions from experience; stickiness effect; case based reasoning; reinforcement learning; probability learning; learning in games; cognitive strategies; maximization; adaptation; choice behavior, 355
declarative memory; imitation; information processing; infants; performance, 22472
deductive reasoning; three stage model; human culture; problem solution; neurocognitive processes; parietal cortex; prefrontal cortex, 15651
defensiveness; cognitive bias; emotional information; repressive coping style; gender factor, 7506
delayed response; animate implied motion; human motion processing areas; photographs, 15632
delusion proneness; cognitive insight, 21965
dependent personality traits; information processing; Thematic Apperception Test; interpretation bias; personality pathology; paranoid personality disorder, 32224
depressed individuals; mood; psychopathology; depression; cognitive processes, 29368
desires; impulsive choices; decision making, 9516
deteriorating weather; psychological factors; pilot decision making; visual flight rules; cognitive processes; affective processes; navigation; strategies; instrument meteorological conditions, 21517
diazinon; cognitive behavior; sleep; electrocorticogram; common marmoset, 666
differential effect; realistic thinking; unrealistic thinking; counterfactual thinking; regret; decision outcomes, 24831
dimensional structure; Need for Cognitive Closure Scale; seizing processes; freezing processes; structural equation models, 15401
discounting; conditionalization; causal inference; verbal memory; working memory, 365
discrepancy; explicit-implicit; self concepts; persuasion; attitude change; information processing; beliefs; motivation; information, 28629
dissociations; performance; novel versus irregular itmes; simulations; connectionism; localist & distributed representations; models, 376
distance perception; television content; processing experience; cultivation process; social reality; narrative, 31333
distractors processing; attentional focus; priming procedure; target letters; object based selection process, 18867
dolphins; social factors; learning strategies; cognitive tasks, 3457
domestic energy efficiency programs; self interest; cognitive capacity; householder centered framework, 3045
dopamine; dopamine receptor antagonist; dopamine agonist A77636; SCH23390; spatial cognition task; active allothetic place avoidance task; rats, 31301
double invisible displacement; object permanence; mental representation; chimpanzees; children, 18905
driving performance; secondary tasks; cognitive processing demand; inattention; driver error, 33659
dual tasking postural control; aging; cognitive demands; attention; working memory, 34449
dynamic aspects; perceptual processes; expert chess players; anticipation processes; chess positions, 15652
e learning; higher education; think aloud method; research; evaluation; thought processes; decision making, 18014
E Z reader model; cognition; eye movements; visual processing; language processing; reading; lexical processing, 15684
early childhood development; cognition; cognitive ability, 13119
early processing; response inhibition; stop signal task; interference, 15698
educational psychology; cognitive neuroscience; research; brain development; literacy; dyslexia, 14966
EEG activities; pressure stimulation; humans; brain activity; orofacial pain; beta activity; pain reception, 6791
EEG; theta oscillation; hippocampus; glutamate; frontal-hippocampal processing; brain waves; glutamatergic neurotransmission; response speed, 25104
ego depletion; response exaggeration; self- regulatory strength; self-control; cognitive fluency; emotional expression; emotional experience, 13494
ego identity; self relevant information; information process; theory of self, 7492
egocentric coding; allocentric coding; object location; spatial reference frames; disorientation; human navigation; novel environment; overlearned environment, 245
emotion regulation; emotion episodes; resource allocation; performance episodes; episodic process model; affective influences; cognitive & regulatory processes, 5926
emotion-cognition interactions; aging; mind, 10170
emotion; perceptual processing; neutral stimuli; perceptual encoding, 18689
emotional intelligence; cognitive fragmentation; adult attachment orientations; authentic self, 1228
emotional memory; cognitive neuroscience; brain; neural mechanisms; psychological mechanisms, 15882
emotional responses; unpleasant stimuli; physiological activity; hemodynamic activity; emotional processing; cognitive processing; modulation; evoked potential, 28082
emotional states; covariation; cognitive processes, 4213
emotionality; aggression levels; prefrontal dysfunction; event related potentials; cognitive processes, 22847
empowerment; cognitive elements; theories, 34740
encoding; mode of retrieval; sequence learning; processing; knowledge acquisition; implicit learning; automaticity; mode of acquisition, 12779
enhanced sensory processing; fear conditioning; awareness; stimuli reinforcement; heart rate; cortical responses; autonomic responses; steady-state visual evoked fields, 22124
epiphenomena; self stultification objection, 21952
epistemic impasse; computational theory of mind; intrinsic intentionality; computer programming; computer applications; Chinese room thought experiment; robot reply, 3396
ethnicity; stereotypes; psychological processes; intra group bias; group relations, 28535
euthymic bipolar disorder; affective bipolar disorder; mood induction; cognitive processes; emotional stroop task, 1368
evaluating politics; neural substrates; political processes; response latency; social cognition; cognitive processes, 28562
event related brain activity; attention deficit hyperactivity disorder; anterior cingulate cortex; set shifting cues; children, 17055
event related desynchronization; EEG; emotional information; cognitive information processing; extraversion; working memory tasks, 6785
event related potential; positive priming; negative priming; cognitive mechanisms, 21925
event related potentials; attention deficit hyperactivity disorder; conduct disorders; cerebral processing; personality; passive auditory, 13621
evocation processes; creative design tasks; cognitive mechanism; computational system design; design expertise; inspiration sources, 12320
evolution of cognition; organism-environment relationship; cognitive development; biological preparedness; developmental plasticity, 12722
executive control; task set; task switching; task cuing; preparation; cue-stimulus interval, 24816
executive dysfunction; cognitive phenotype; parents; local processing style; autism spectrum disorder; early onset schizophrenia; mental retardation, 23202
executive function impairment; attention deficit hyperactivity disorder, 17041
executive function; 22q11 deletion syndrome; COMT Val158Met Genotype, 22136
executive function; humor processing; aging; mentalizing, 19277
executive function; repetitive symptoms; Autistic disorder; cognitive process; restricted symptoms, 1597
executive function; symbolic representation; preschool children; cognitive development; social development, 775
executive functions; aging; factor structure; executive functioning tests; Brixton Spatial Anticipation Test; Hayling Sentence Completion Test; Stroop Test; Color Trails Test, 15646
executive functions; fluid and crystallized intelligence; Wechsler Adult Intelligence Scale IQ; inhibiting; shifting; updating, 12723
executive load; working memory; inattentional blindness; information processing; central executive functioning, 27835
experiential knowledge; spatial & temporal language; fictive motion; temporal reasoning, 386
expert dancers; action observation; acquired motor skills; brain activity; motor repertoire; brain bilateral activation; cognitive processes; motor simulation; mirror system, 9792
explicit processing; implicit processing; representational space; left hemispatial neglect; dissociations; mental number line, 18995
extended mind; extension; mental states; connectionism; external environment; evolution; cognitive costs, 18798
eye movements; alternative syntactic analyses; competition; syntactic ambiguity resolution; sentence processing, 22379
eye movements; fixation duration; gaze; word recognition; reading, 12646
eye movements; reading; orthographic neighborhood; parafoveal processing; word frequency; word recognition; lexical decision, 27892
eyewitness identification; sequential lineups; simultaneous lineups; sequential superiority effect; study methodology; research design, 21572
face perception; holistic processing; spatial frequencies; composite effect; whole-part advantage; inversion, 27770
face perception; racial differences; holistic processing; facial features, 27782
face perception; role of spatial frequencies; masking approach; microgenetic approach; diagnostic recognition approach; task demands; information in image, 27786
face perception; visual search; capacity; serial and parallel processing; words; gestalt processing; meaningfulness, 24728
facial beauty; mate choice decisions; pubertal facial attractiveness; cognitive reponses; emotional responses; hormone markers; biological information, 22756
failure-to-engage theory; task switching; switch cost; task performance, 24787
false correct phenomena; subjective confidence; response latency; psychological testing; response correctness; response time, 3400
false memories; cumulative recall; item-specific processing; relational processing; item gains & losses; critical lures; list items, 15707
familial Alzheimer disease; cognitive decline; pathogenic mutations; clinical symptoms, 8157
familiarity effects; surface encoding; proofreading; error detection; text processing, 394
family history; achievement; cognitive processes; self perceptions; reading skills; adolescent development, 22449
fatigue; depression; event related potentials; epileptics patients; cognitive processes, 26444
feature integration; learning; binding problem; attentional set; event file; visual features, 24715
females; math ability; mental control strategy; stereotype threat; test performance, 12132
flexible mental processes; numerical size judgments; Hebrew letters; linguistic function; alphabets; arithmetic, 24824
focused attention; spatial attention; conscious intention; collinear elements; scrutiny; visual perception; spatial attention, 447
Frege cases; psychological explanation; direct reference; joint commitment, 400
functional consequences; facial expressions; emotions; unconscious perception; visual search; cognitive processes; human cognition, 240
functional magnetic resonance; mental chronometry; working memory retrieval; prefrontal cortex; parietal cortex; inferotemporal cortex; event related potentials; neural signatures, 22149
functional MRI; component reflection process; prefrontal cortex; functional organization; anterior cingulate; orbitofrontal cortex, 3577
functional neuroimaging; neurolinguistics; language; cerebral processing, 34136
gaze; mentalistic phenomenon; cultural learning; human cognitive phenomena, 22475

gender differences; brain activation; mental rotation; number processing; cognitive processing, 3638
genetic influences; cognitive functions; intelligence; cognition, 34065
geometric information; encoding; goldfish, 6674
global perception; local perception; regulatory focus system; cognitive processes, 360
global workspace theory; problem framing; cognitive sciences; cognitive processes; analogical reasoning; information processing; conscious states; biological brain, 9609
glutamatergic blockade; cognitive effects; dopamine antagonists; nucleus accumbens; pigeons; visual shape, 640
grapheme; lexeme feedback; cognitive spelling system; dysgraphic patient; lexical errors, 20275
groupthink; retrospective sensemaking; decision making, 13454
guanfacine; executive functions; memory functions; healthy volunteers, 6848
habit concepts; situated actions; work activity; core task analysis; pragmatic conception, 12344
hands; gestures; mental processes; speech; learning; teaching, 3370
handwriting speed; adult writing; essay writing; word formation; working memory; metacognitive processes; writing skills, 13076
hemispatial neglect; circles; surveillance; graphic disturbance; information processing, 23482
hemispheric specializations; spatial processing; spatial judgement; language processing; hemispheric dominance, 3575
heroin addiction; cognitive impairment; cognitive processes; iconic level, 23171
high risk mothers; child physical abuse; stressor effects; mitigating information; information processing; disciplinary choices; evaluations; attributions; expectations of compliance, 28468
hippocampal activation; gender differences; cognitive strategy; memory; lateralization; brain activation patterns, 34083
homework assignments; lifestyle physical activity intervention; transtheoretical measures; behavioral processes; cognitive processes, 26788
human brain oscillations; cognitive correlates; human cognition; animal cognition; theta frequency; gamma frequency; hippocampus; neocortex; rodents; cat; monkey, 15876
human categorization behavior; exemplars; category learning; discriminating stimuli; rule based theories, 18807
human causal induction; causal learning; cognitive processes; inference, 15683
human communication systems; communication emergence; naturalistic studies; computer simulation, 9945
human computer interaction; cognitive processes; flight student performance; risk management; self evaluation, 15281
human mind; human behavior; mental processes, 6548
human reasoning; automatic heuristic processing; executive analytic processing; executive processing, 30977
hypertext; comprehension; reading strategies; cognitive process, 6546
hypocrisy; irony; cognitive model; psychology; philosophical literature, 25703
I/E model; internal comparisons; self-concept; mood regulation; internal/external frame of reference; academic achievement; abilities; internal comparison processes, 21226
iconic memory; voluntary eyeblinks; cognitive processing; object identity; cued recall, 27919
ideomotor compatibility; reaction time; object motion; dynamic movements; stimulus; movement observation; response; static movements, 3351
idiosyncratic cognitive processes; cognitive group therapy; social phobia; negative beliefs; self consciousness, 19884
idiosyncratic cognitive processes; cognitive group therapy; social phobia; negative beliefs; self consciousness, 19885
idiosyncratic cognitive processes; cognitive group therapy; social phobia; negative beliefs; self consciousness, 19922
idiosyncratic cognitive processes; cognitive group therapy; social phobia; negative beliefs; self consciousness, 19913
impaired emotion processing; remitted patients; bipolar disorder; facial perception; facial expressions, 13696
impasse; intimacy; script protocol; Eric Berne; intrapsychic process; interpersonal process, 35473
implicit appraisals; explicit appraisals; intrusive thoughts; cognitive theories; obsessions, 18815
Implicit Association Test (IAT); validity; meta-analysis; regression; interactions; cross-products; implicit attitudes; stereotypes; self-esteem; self-concept; implicit cognition; balance theory, 13483
Implicit Association Test (IAT); validity; meta-analysis; regression; interactions; cross-products; implicit attitudes; stereotypes; self-esteem; self-concept; implicit cognition; balance theory, 13478
Implicit Association Test (IAT); validity; meta-analysis; regression; interactions; cross-products; implicit attitudes; stereotypes; self-esteem; self-concept; implicit cognition; balance theory, 13482
implicit association test; reaction times; cognitive tasks; decoding, 12431
implicit memory; processing level; memory task, 9592
impulsivity affects; mismatch negativity measures; preattentive auditory processing; top-down control; cognitive bottom-up processing, 6786
impulsivity; self defeating behavior; narcissists; cognitive processes; emotional responses, 22852
inclusion; think aloud protocols; software usability; deaf individuals; cognitive walkthrough; gestural protocols; sign language; product design, 20318
individual differences; internal state talk; middle childhood; theory of mind, 13149
individual differences; metacognitive responsiveness; cognitive correlates; personality correlates; uncertainty, 3403
individual differences; motivated social cognition; self serving information processing; self serving domains; rationalization; cheating, 410
individuals; dyads; multiple-cue judgment; cognitive processes; performance; learning; social interaction, 13490
inductive analysis approach; detecting learning design patterns; human cognitive processing; pedagogical patterns, 11901
infant music perception; pitch; human listeners; rhythm, 31154
infant sensitivity; visual pattern information; uniform connectedness; cues; perceptual organization, 31408
infant; behavioral responses; singing; music; maternal interactions; mothers; cognitive behavior; physical behavior, 25321
infants; visual scene perception; object category formation & use; real-world context effects; object processing, 281
information exposure; activation model; cognitive variable; attention; media based health campaigns; persuasive health information, 22394
information processing model; posttraumatic stress disorder; cognitive biases; adult sexual assault; threatening information, 29408
information processing; brain; short term memory; cognitive processes, 385
information processing; help seeking; mental health; professional help; model; decision making, 29917
information processing; preterm infants; fullterm infants; cognition; infant abilities, 7019
inhibition of return; attention; orienting; speed-accuracy tradeoff; information processing dynamics; response time, 27845
inhibition; perceptual load; visual marking; motion; attention; motion blindness; selective inhibition; cues, 27727
inoculation; mental processing; associative networks; resistance; counterattitudinal influence, 6543
institutional persistence; decision makers; legitimacy; institutional change; threats; cognitive underpinnings, 27416
intelligence; g factor; dynamical systems; mutualism; reciprocal causation, 34769
interactivity effects; web site; consumer experiences; need for cognition, 6096
intergroup dynamics; power; impression formation; social cognition; social perception; cognitive processes; outgroup, 19487
international students; acculturation; international ties; local ties; conational ties; need for cognitive closure; individual difference, 19352
interruption; Tower of London task; goals; activation; memory, 12726
interventions; causal learning; decision making, 21957
intrusion; avoidance; cognitive coping strategies; war; posttraumatic stress reactions; depressive symptoms, 22928
intrusions; trauma memories; cognitive processing; healthcare professionals; medical crises; anxiety, 25775
isocaloric meal; snack foods; eating behavior; foods perceptions; cognitive processes, 16496
Judgment Model of Cognitive Distortions; cognitive schemata; sexual offenders; denial; beliefs; values; action, 26177
judgment; risk; risky choice; sequential choice; subjective probability; cognitive processes; learning; stochastic model, 411
Kaplanian characters; mental states; indexical belief states; cognitive role, 3352
knowledge; perception; action; cognitive representations; objects; sequential action; object recognition, 18806
language processing; text memory; cognitive aging; self-regulation; compensation; reading, 25292
language specific influences; linguistic differences; cognitive processes; attentional patterns, 13070
language; statistical learning; rule learning; parsing; syllables; nonadjacent events; nonadjacent dependencies; associative mechanisms; algebraic like computations, 18828
lateralized females; topminnows; information processing; foraging behavior; divided attention; cognitive tasks; sexually harassing males; vigilance; cerebral lateralization; male mating attempts, 25001
lateralized readiness potential; P300; stimulus set switching; information processing; task switching paradigm, 25062
lay theories; intergroup relations; lay theory research; intergroup processes; intergroup relations, 13462
leadership skills development; information processing; leadership performance; emotional regulation; skill levels; identity formation; meta cognitive process; leadership expertise, 2855
learning design engines; remote control; learning support environments, 11923
learning environments; educational attainment; cognitive differences; schooling outcomes; adolescents, 15051
learning goals; task performance; hope; verbal persuasion; undergraduate students, 16569
learning scenarios; learning units; conceptual elements, 11909
learning strategy; transitive inference performance; human cognition; logical reasoning; neural systems, 21943
learning units design; grid computing; learning environments; education; IMS Learning Design, 11947
learning; multiple representations; cognitive science; constructivist; educational theory; design framework; functions framework; tasks framework, 27815
letter detection; text comprehension; reading processes; reading rate, 3389
letter position coding; masked priming; relative-position priming; orthographic processing; word recognition; phonological priming, 27839
lexical frequency; sentential complements; verb; syntactic construction; children; ability; language acquisition; repetition; language processing, 19183
LIB; LEB; abstraction; stereotypes; communication goals; biased language; information encoding; social cognition, 4191
Mandarin tone; pitch processing; nonspeech sounds; cross-language speech perception; linguistic experience; cognitive processing; English, 12639
manipulation; discourse analysis; social power abuse; cognitive mind control; discursive interaction; social inequality, 25179
marital status; living situation; cognitive decline; elders; cognition; alcohols; chronic diseases, 31533
masked priming; inhibition; interactive activation; lexical decision; visual word recognition, 24796
masked priming; motor control; self-inhibition; negative compatibility effect; object substitution; visual targets; target detection; response time; processing; error rate; qualitative differences, 27788
masked stimuli discrimination tests; masked priming studies; intelligence measures, 9582
mathematics; cognitive correlates; arithmetic; algorithmic computation; word problems; third grade skill; language; problem solving; concept formation; processing speed; long term memory, 15003
mathematics; consciousness, 6522
mental anticipatory processes; mental preparation; plan rehearsal; problem analysis; stagnant deliberation; outcome fantasy; coping stressful events, 9364
mental effort; energy cost; psychological theory; history, 19035
mental events; mental dispositions; psychophysical identities; epiphenomenalism; role functionalism account, 21941

mental fatigue; attention; global processing; local processing; cognitive processes; motivation; mood states, 27885
mental models; methodology; card sorting; cognitive structure; semantic structure; weighted hierarchies; weighted edges; paired rating; knowledge elicitation; information architecture, 6361
mental representation; visual crossmodal memory; haptic crossmodal memory; interference effects; unfamiliar objects, 15723
mental representations; autopoietic systems; perception; internal neural representations; surroundings; ourselves, 31902
mental representations; engineering students; expertise acquisition; functionality role; knowledge changes, 15732
mental representations; looming cognitive style; threat appraisal; anxiety, 8235
message effects theories; behavior change theories; messages; cancer control; communication; information processing theories, 31334
message formulation; utterance planning; gaze; conversation, 18773
metacognitive factors; attention alterations; hallucinations; predisposition; cognitive processes, 13756
metacomprehension; ease of processing; fluency; judgments; aging; text learning; age-related differences, 22455
metaphor comprehension; aptness; conventionality, 21931
methadone maintenance; opiate dependent; cognition; cognitive function; neurocognitive improvement, 23161
mild cognitive impairment; non demented older adults; cognitive decline risk; inspection time, 23403
mild traumatic brain injury; confrontation naming; adults; cognitive processes, 35263
mind-brain relation; neuroscientific foundations; information processing; neurobehavioral integrations; language; memory; affects; brain plasticity; development, 25729
modern sports coaching; learning strategies; reflective practice; coach education, 12267
modularity; cognition; evolution; development; genetics; cognitive systems, 24783
mood effects; cognitive processes; future thinking; future events; depression, 33966
mood influences; systematic information processing; cognitive processes; performance task goals; hedonic expectations; feelings as information model; hedonic contingency model, 9576
moral psychology; morality; psychological mechanisms, 31812
moral reasoning; executive functions; religiosity; social awareness, 11173
morphemic homophony effect; kanji compound words; lexical decisions; naming; phonological information; orthographic representations, 737
mother infant talk; mental states; desire language; emotion understanding; vocabulary levels, 22432
mothers emotional responses; cognitive responses; infant distress; family; mother; infant characteristics, 31373
mothers; mental state language; preschoolers; retention; conversations; mother child talk; object memory, 10064
motivation; visual perception; motivated reasoning; New Look; ambiguous figures, 33902
motor control; emotion control; movement attributes; affective pictures; performance; affective valence; affective arousal, 6615
motor cortical deactivation; motor cortex; movement interval; cognitive demands; postmovements, 34143
motor inhibition; cognitive flexibility; obsessive compulsive disorder; trichotillomania, 34927
motor responses; response related repetition effects; response activation; accidental reexecution of last response; repetition costs; task shifting, 27844
multiple representations; integrating representations; instructional support method; external activity; cognitive load, 9570
multitasking performance; Chinese children; attention deficit hyperactivity disorder; executive functioning, 32413
music; cognitive functions, 3714
musical training; music listeners; cognitive processes; relaxations, 31309
natural; natural entitites; naturalness; transformation, 3024
negative priming; contingency effects; strategy effects; distractor inhibition; selective attention, 27836
negative priming; episodic retrieval; preprime-prime interval; prime-response retrieval; auditory negative priming, 27735
negotiation; dual process models; epistemic motivation; information processing; conflict; social motivation; strategic choice, 25593
neighborhood effects; mental arithmetic; multiplication problem, 3402
network oscillations; neural circuits; computational roles; cerebral cortex; representation of information; regulation of information flow; information storage and retrieval; evolution, 15898
neuroimaging & neuropsychological experiments; medial occipitotemporal cortex; parahippocampal place area; cortical basis; visual scenes; spatial processing; place recognition; gist comprehension, 531
neurology; mood dysregulation; bipolar disorder; neuroimaging; cognitive processes; emotional states, 25886
neuronal communication; cognitive dynamics; neuronal coherence; brain activation; neurophysiology; attention, 9800
neurophysiological markers; contextual processing; gamma synchrony; performance; individual differences; human cognition; arousal, 6726
neurosciences; brain; cognition; cognitive processes; complexity; models; theories; essays, 25019
neuroticism; threat identifications; negative affects; cognitive tasks, 34768
neurotics; stables; electrophysiological event related potentials; personality; distractibility, 9832
newspapers; news discourse; English language; journalists' knowledge; text presupposition; ideology; cognitive effect; processing efforts; Ethiopia, 16049
noise enhanced computation; cortical column; weak signals; cognitive processes; mathematical ability; evoked potentials, 3592
nominal brainstorming; productivity; idea generation; idea selection, 13467
notional number agreement; English; spatial distribution; sentence completion task; subject-verb number agreement, 6528
nuclear power plant shift; supervisor's decision making strategy; microincidents; cognitive processes; organization training; job analysis, 5945
number processing; cognitive neurosciences, 3387
number sense; visuospatial disabilities; mental number line; numerical disabilities; number coding, 4570
number size framing; preference reversals; irrelevant information; evaluation scales; positive negative attribute frames, 412
numerical development; verbal quantity; models; neuropsychology, 3826
numerical order; quantity processing; number comparison; order related processes, 12748
numerical processing; neural correlates; deaf; American sign language; Japanese sign language; manual mode, 17364
object permanence; inhibition; transpositions; rotations; spatial memory; object displacement; great apes; children; performance; tracking, 27943
older adults; age differences; distinctive processing; distinctiveness; false memory; recall, 891
older males; cognitive function; alcohol consumption, 19270
online processing; offline processing; visual features; dual task performance; task switching; color discriminations, 27849
ontogeny; mindreading; mental state; sharedness; theory of mind, 18816
ontologies; integrate learning design; learning object content, 11933
operation span task; working memory; cognitive process; automated version, 9510
organizational plasticity; neuromodulation; life span; memory plasticity; neurocomputational modeling; developmental plasticity; cognitive processes; cortical processes; dopaminergic system, 34105
orientation effect; spatial responses; object affordances; photographs, 3284
others' testimony; cognitive processes; interpersonal communication; childhood development; cultural information; cognitive appraisal, 22401
own race face processing; nature; nurture; African infants; Caucasian infants; African environment; Caucasian environment, 13116
parallel processing; serial processing; auditory cortex; auditory evoked potentials, 15915
parent child relations; parenting; negative life events; cognitive diatheses; depression; childhood development; attribution, 28823
perception; memory; object recognition; response times; matching; visual perception, 27732
person perception; face processing; person knowledge; social cognition; sex recognition, 4179
personal political salience; self schema; political information processing, 7291
personality; perseveration; neuroticism; cognition; emotion; perseverative responses; distress; mental processes, 13571
phallic woman; psychic mechanisms; male patients; transsexual images; erotic life; clinical phenomenon, 1849
phenomenal content; experience; object representations; visual perception; concept formation, 18681
phenomenal states; function of consciousness; consciousness; awareness; cognitive processes; supramodular response systems; supramodular interaction theory, 459
phonological processing; inattentive behavior; reading acquisition; longitudinal study, 21179
physical activities; cognitive activities; cognitive tasks; older adults, 31002
physical effort; mental effort; effort effects; vigilance; electroencephalography, 404
physiological response; childhood anxiety; anxiety disorders; cognitive bias; skin conductance response; heart rate, 4386
picture naming; name agreement; naming responses; measurement, 9353
planning performance; attention deficits; executive function tasks; anxiety, 1600
plausibility; Plausibility Analysis Model; human judgment, 15642
positive affect; negative affect; problem focused coping; emotion focused coping; coping strategies; sex differences; cognitive reinterpretation, 28698
positive emotion; cognitive processes broadening; emotional experience; positive emotional words; attention bias; happiness words, 31925
post identification feedback; crime events recall; misleading questions; crime details accuracy; perpetrators; eyewitnesses; false identification, 9262
post traumatic stress disorder; event related potential; information processing; psychophysiology, 13828
power PC theory; causal induction; probe question; cognitive processes, 15641
preferences; satisfaction; advantageous inequity; cognitive processing; social psychological theories, 18818
prefrontal cortex; cognitive training; semantic organizational strategies; bilateral activation, 34109
prejudice; stereotyping; implicit evaluation; affect; cognition; African Americans; race bias, 34692
prejudice; stereotyping; individuation; attribution; attention; cognitive processing, 4187
prepulse inhibition; healthy individuals; supervisory attentional systems; index cortical modulation; information processing; neuropsychology, 34085
primates; cortico-cerebellar system; anatomy; cognitive function, 28088
priming; music; chord; harmonic repitition; sensory approaches; cognitive approach, 9569
priming; similarity; suppression; masking; object updating; motor control; self-inhibition; negative compatibility effect; object substitution; visual targets, 27780
priming; task switching; transfer-appropriate processing; inhibition; color perception; lexical decision; orthographic structure, 251
pro environmental behavior; cognitive theory; stress; coping behavior; ecology, 36572
pro-anorexia websites; cognitive consequences; affective consequences, 35146
proactivity; self-efficacy; autonomy; trust; flexible role orientation; model; personality & work environment antecedents; proactive work behavior; cognitive-motivational mechanisms; problem solving, 24402
problem size effect; mental arithmetic; event related brain potentials; memory retrieval; arithmetical problems; processing strategies, 34154
problem solving strategy use; automaticity; working memory involvement; complex multiplication, 6551
problem solving; categorization; goal-derived categories; ad hoc categories; insight problems, 24794
process-tracing techniques; verbal reports; eye tracking; problem solving; knowledge elicitation, 6553
promotional stimuli; positive responses; cognitive processes, 30574
psychiatric treatments; psychological defense mechanism; psychotherapy; antidepressants; positive cognitive distortions, 35403
psychopathology; childhood; adult life; developmental stages; genetics; cognitive processing, 25836
psychosocial mediators; tailored intervention; physical activity intervention; self efficacy; behavioral & cognitive

processes; decisional balance; transtheoretical model; social cognitive theory, 35732
psychotherapeutic process and outcome; major depression treatment; emotions; perception; working alliance; experiential psychotherapy; perceptual processing, 4958
qualitative differences; short temporal intervals; long temporal intervals; temporal information processing; sensory interference paradigm; human timing, 6544
quality of life; multiple sclerosis; information processing speed; independent effect, 14107
random number generation; working memory; controlled processing; response selection; executive function, 27846
rapid responding; belief bias; dual process theory; syllogistic reasoning; heuristic processes; correct logical decisions; analytic processes, 9580
reading comprehension; time course; linguistic analyses; enriched composition; sentences, 24813
reading employment advertising; reasons; sense making; organizational self-presentation; insight about employment environment; content of employment advertising, 33512
reading; development; word-level processing; character-level processing; Chinese disyllabic words; logographic system; whole units; component character, 6894
real words; pseudohomophones; word processing; orthographic knowledge; prelingually deafened individuals; learning strategies, 14296
recall measures; recognition measures; cognitive aspects; affective aspects; print advertisement; memory, 27473
recruitment; job advertisements; decision making; cognitive elaboration; persuasion; motivation; cues; ability; job seekers, 24314
reduced baroreflex cardiac sensitivity; cognitive performance; cardiovascular system; central nervous system, 22287
redundancy gain; bimodal detection; coactive processing; older adults; age differences; divided attention, 445
redundant signals effect; visual coactivation; time course of sensory processing; temporal order judgment; diffusion model, 24830
reflective impulsive mechanisms; consumer behavior; buying, 30561
reflective impulsive mechanisms; consumer behavior; buying, 30570
reflective impulsive mechanisms; consumer behavior; buying, 30573
regression; interactions; cross-products; implicit association test; theory of implicit attitudes; stereotypes; self-esteem; self-concept; implicit cognition; social psychology; balance theory, 13477
regulatory fit; cognitive test performance; self regulatory mechanisms; situational; chronic, 22471
reinforcement learning; rational analysis; embodied cognition; resource allocation; interactive behavior; soft constraints hypothesis; perceptual motor resources, 24806
relationship norms; brand information processing; communal relationships; exchange relationships, 12286
relative & reflective functioning; mentalizing; interpersonal psychotherapy; cognitive behavior therapy; brief psychodynamic therapy; psychotherapy process Q-set; TDCRP, 20446
representational analyticity; concept containment; mental representation, 383
response inhibition; response selection; response execution; cued task switching; selective stop signal task; switch costs, 12751
response representation; attention; explicit instructions; spatial action coding; spatial dimensions; priming; Simon effect; implicit task requirements, 3382
response selection effects; task repetition benefit; task switching; activation bias; reaction time, 379
response switching; errors; pro & antisaccades; cognitive processes, 15951
response-stimulus interval; implicit learning; explicit learning; stimulus sequence; cognitive processes, 27910
rethinking speed theories; cognitive development; recall rate; accuracy; mental processes, 10039
retrieval information; memory; behavioral frequency; attitudinal judgments, 6595
rewards; intrinsic motivation; cognitive processes; path analysis; achievement, 6614
rhetorical question use; attitude strength analysis; attitudinal resistance; attitude change; cognitive responses, 25156
right hemisphere; prefrontal system; cognitive time measurement; neuroimaging; neural correlates; temporal processing, 12923
right hemisphere; vocal emotional processing; brain mechanisms; vocal perception; intentions, 22211
risk avoidance; risk statistics; graphical risk display; numerical presentations; cognitive processes; risky decisions; pictorial presentations, 21912
rumination; worry; neuroticism; anxiety; depression, 7523
rumors; gossip; urban legends; cognitive processing; listeners; social relationships; anxiety; conversation, 12418
saccade generation; eye movements; oculomotor system; reading; word recognition; processing; mathematical models, 603
safer sex promotion leaflets; condom use; cognitive antecedents, 5181
safety implications; cultural; cognitive issues; nuclear power plant operation; control room; working environment; collaborative work, 21435
salivary cortisol; reaction time; cognitive tasks; implicit power motivation; individual differences; dominance contest, 15935
scene comparison task; working memory; natural scene; visual stimuli; processing; eye movement behavior; ''just in time'' processing strategy, 283
scene inspection; eye movements; saliency map inspection; complex object; contour density; cognitive influences, 27794
schema relations; perceptual similarity; vision; audition; perceptual and conceptual cues; categorizing; visual modality; information processing; sensory modality, 16093
schizotypy; disorganization; cognitive control; emotional confusion; emotionality, 28883
schizotypy; schizophrenia; neurocognitive processes; risk factor; psychopathology, 34897
scripts; semantic knowledge; executive functioning; frontotemporal dementia; Alzheimer's disease; brain; executive processes; behavioral disorder dysexecutive syndrome; semantic dementia, 20246
second order belief attribution; child performance; conceptual understanding; information processing, 34345
second order belief attribution; child performance; conceptual understanding; information processing, 19170
second order judgments; judgments of learning; judgment accuracy; metacognition, 3365
selective attention; perception; peripheral vision; figure location; neural interpolation processes; visual processes; cognitive factor, 15578
self explanation effect; addition problems; encoding; kindergartners; children, 10035
self explanation; encoding; kindergartners; experts strategy; learning, 11978
self propelled box; reasoning; infant development; goals; attribution, 789
self referencing differences; judgment; choice; recall; visualization, 9611
self-enhancement; advertisement responses; cognitive mechanisms; affective mechanisms; self-congruence; femininity; individualism; collectivism, 12289
self-esteem stability; psychological functioning; predictive value; perceived self-worth, 4224
semantic action representation; goal-directed action; grasping; tool use; lexical decision; intention, 24722
semantic categorization; unconscious cognition; semantic processing; conscious control; motor responses; visual stimuli; cognitive action-trigger conditions; number processing; action control; priming, 9555
semantic categorization; unconscious cognition; semantic processing; conscious control; motor responses; visual stimuli; cognitive action-trigger conditions; number processing; action control; priming, 9545
semantic categorization; unconscious cognition; semantic processing; conscious control; motor responses; visual stimuli; cognitive action-trigger conditions; number processing; action control; priming, 9556
semantic category fluency; letter fluency; automatic processing; controlled processing; verbal fluency, 25267
semantic process; phonological process; word reading; Korean orthography; word processing; words frequency; Hangul words; Hanja words, 711
semantic representation; perceptual representation; color; shared color naming function; mapping; cognitive task; color categorization, 9549
semantic representations; words; reading errors; dyslexic patients; conceptual knowledge; concrete items; abstract items, 26213
semantic Simon effect; Tourettes syndrome; obsessive-compulsive disorder; neuropsychology; cognitive inhibition, 32021
semantic violations; EEG; theta response; gamma response; sentence processing; language comprehension, 12948
sensorimotor slowing; cognitive slowing; schizophrenia; psychomotor slowing; Symbol Digit Substitution Test, 13787
sensory integration; perceptual experience; autism; research; cognitive neuroscience; conceptualization, 35113
sentence processing complexity metric; words; grammar; syntactic structure; conditional entropy, 34275
sentence processing; neuropsychology; comprehension deficits; syntactic knowledge; short term memory deficit, 15885
sequential action; computational modeling; procedural memory; control of routine behavior; localist versus distributed representations; simple recurrent networks; neuropsychological impairments, 33957
sequential action; computational modeling; procedural memory; control of routine behavior; localist versus distributed representations; simple recurrent networks; neuropsychological impairments, 33956
sequential action; computational modeling; procedural memory; control of routine behavior; localist versus distributed representations; simple recurrent networks; neuropsychological impairments, 33959
sequential selection; sequential assignment; decision maker; cost minimization; relative ranks, 30962
sex differences; cognition; old age; episodic memory; verbal fluency; verbal knowledge; attrition; perceptual speed; education, 31517
sex role orientations; academic achievement; social cognitive factors; gender differences; career decision making; self-efficacy; college students; student attitudes, 30330
sexual offenders; child sexual abuse; power; sex; automatic link, 4526
short term variability; cognitive performance; individual differences; longitudinal change, 22592
significant others; stereotyped attitudes; self views; women; cognitive processes; social interaction, 25705
Simon task; executive control; response priming; information processing; reaction time; response conflict; working memory; suppression; boundary conditions, 3398
size congruity; physical formats; numerals, 21923
sleep deprivation; sleep phase advance; bipolar depression; information processing, 10623
smoking; cigarettes; advertising; message processing; nicotine; beliefs, 18381
social consensus; information encoding; information processing; stereotyped group; gays; stereotyped attitudes, 19554
social cultural developmental model; self concept; parent child reminiscing; cognitive processes; autobiographical memory, 13103
social information processing; juvenile delinquents; intelligence; behavior problems, 4531
social power; information processing; priming; abstract thinking; construal level theory; hemispheric activation, 19574
social problems; substance use; adolescence; adolescent males; social difficulties; cognitive distortions; constructive thinking; delinquent peer affiliation, 7092
source localization; real human head; neural activity; electrical potentials; head tissues, 575
spatial distance; mental construal; social events, 18663
spatial frames; error making; cognitive processes; human interaction, 15649
spatial negative priming; early Alzheimer's disease; cognitive inhibition; spatial localization, 26452
spatial representation; spatial memory; egocentric updating; spatial updating; cognitive maps; cognition; theories, 24837
specific language impairment; task switching; children; executive functioning; functional magnetic resonance imaging; neurophysiological correlates, 17126
speech interactions; linguistic challenges; cognitive tasks; visuomotor tasks; lip movements; repetitive speaking conditions; young adults; nonspeech activities; motor challenges; concurrent speech, 3758
speech production; grammatical gender; free morphemes; bound morphemes; processing mechanisms, 15668
speech recognition; hearing aids; cognitive functions; hearing impairment; speech comprehension; environmental noise; perceived effort, 11144

Cognitive Processes—Serials

speeded coding task; computer based mouse response; individual differences; psychomotor performance; task processing speed, 9346
sport behavior; cognitive affective processing system; situational factors; sport psychology, 18338
squat exercise; salivary cortisol responses; psyching up; cognitive distraction; sport sciences, 9854
statistical computation; rule-based computation; associative learning; language; statistical learning; parsing; syllables; nonadjacent events; nonadjacent dependencies; algebraic like computations, 18856
stereotype suppression; information processing; employment interviews, 12131
stereotypes; communication; memory bias; coherence seeking; storytelling; information; serial reproduction, 13464
stereotyping; prejudice; attitudes; resistance; bias correction; thoughtful processing; nonthoughtful processing; judgments, 10461
stimulus processing; Pavlovian pupillary conditioning; differential conditioning; conditioned fear; patterning, 22284
stimulus-response bindings; task switching, 27871
strategy change; data driven processes; voluntary processes; conscious human processing; learning processes, 369
strategy selection; arithmetic split effects; addition comparison; verification tasks; cognitive aging; decision processing, 6515
stress response; emotional information processing; cognitive emotional systems; cortisol; selective attention, 15940
Stroop interference effect; young children; cognitive skill development; automaticity, 3832
structural constraints; code switched advertising; persuasion, 12314
studying reading; writing; Eye and Pen device; handwriting; eye movements; writing processes, 34259
subcortical diseases; cortical diseases; neuropsychological differences; cognitive patterns; Alzheimers disease; Huntingtons disease, 14102
subject perceptions; confidence; predictive validity; financial information cues; decision making, 18170
subjective ease; malleable meaning; social judgment; evaluative judgments; metacognition, 18771
suffix effect; selective impairment; recall; speech item, 30965
suicidal behavior; mindfulness based cognitive therapy; cognitive processes, 13942
suppression; emotional content; nonemotional content; memory; cognitive control; inhibitory influences; faces; words; pictures; repetition, 24846
switch cost; retrieval time; task span procedure; reaction time; memory span, 24812
syllable processing; auditory cortex; auditory evoked potentials; top down influences; bottom up influences, 15911
symbol string sensitivity; symbol position; adult performance; lexical decision; visual word recognition; symbols task performance, 392
symbolic distance; number comparison task; number processing, 6541
system design; web-based cognitive modeling system; problem solving; cognitive processes; metacognitive processes; learning theories, 17932
tanning salon use; behavioral alternatives; appearance; relaxing; socializing; cognitive predictors; gym, 20647
task demands; processing resources; base rate; individuating information; cognitive load, 27825
task dimensions; decision goal; accountability; escalation of commitment; negative outcome; conceptualization; sunk costs, 6531
task shifting; error processing; response repetition, 24832
task switching; backward inhibition; lateral inhibition; cues, 347
tasks of basic cognitive processes; criterion validity; processing aggregates; psychometrics; scholastic achievement measures; processing speed; working memory; crystallized & fluid intelligence, 12476
temporal dimension of gaze; inferring preference; gaze perception; mental state attribution; attention; nonverbal cues; social cognition, 9990
temporal lobe epilepsy; ictal fear; emotion recognition; social cognition; amygdala damage, 11111
temporal memory; temporal processing; memory; time perception; sensory modes; auditory & visual stimulation; base durations; interval types, 244
temporal order memory; spatial order information; Korsakoff patients; spatiotemporal presentation, 26125
temporal self appraisals; defensive pessimists strategy; defensive optimists strategy; discussion centers, 19653
text structure; struggling readers; language processing techniques; school texts; reading assessment, 27830
theory of mind; false belief; understanding; microgenetics; childhood development; cognitive processes, 25241
thinking skills development; strategies; habits of mind; CRTA model; preservice teachers; classroom assessment; student outcomes, 21146
thinking; cognitive busyness; target similarity; social comparison effects; self evaluation, 19575
Third International Conference on Spatial Cognition; Dynamics in Spatial Interactions, 21521
thought disorder; executive impairment; executive functioning; schizophrenia; patients; disorganization; event sequencing, 16784
thought suppression; ironic processing; HIV/AIDS; cognitive escape; risk behavior; men who have sex with men; HIV prevention service use, 27843
three term contingencies; Raven scores; cognitive processing; learning rate; intelligence measures, 12786
time discrimination task; children; adults; verbal counting; temporal discrimination behavior, 13124
timing; compression; flash-lag; neuronal delays; spatial localization; uncertainty; moving object, 27722
tip of the tongue experiences; feeling of knowing experiences; prefrontal cortex functioning, 3404
top down sequential modulations; bottom up sequential modulations; congruency effects; conflict monitoring hypothesis; cognitive control, 24818
top-down attentional modulation; cueing; spatial frequency processing; scene perception; expectations, 253
toupee; instructional set; centrality; relevance; change blindness; driving; cognitive processes, 6428
training delays; start markers; stop markers; choose short effect; pigeons, 12832
trait anxiety; cognitive processes; autonomic nervous system; threatening information, 15952
traumatic brain injury; multi perspective concept mapping; multi dimensional nature, 11065
uncertainty monitoring; metacognition; deferred feedback; monkeys; reinforcement; Macaca mulatta, 18913
unconcious processing; multiple nonadjacent letters; visually masked words; subliminal words; priming, 346
unconscious manipulation; choice behavior; reinforcement delay; priming; cognitive processes, 21936
unfamiliar voices; mother voice; infants; sensitization; infant brain; cognitive processing; event-related brain potentials, 794
verbal conceptual processing; nonverbal conceptual processing;left hemisphere; right hemisphere; brain; dissociation, 31225
verbal interference; perceptual discrimination; face decisions; verbal overshadowing; priming, 30922
verbal short-term memory; phonological processing; repetitive Otitis media; language outcome; new word learning, 11149
verbal working memory; text editing; cognitive processes; articulatory suppression, 30988
vertical Simon effect; spatial compatibility task; learning effects; automatic two dimensional spatial coding; prior practice, 3394
visual processing; auditory processing; reading skills; developmental dyslexia; children, 23240
visual recognition; neural subsystems; lateralization; coordinate spatial relations, 24737
visual word recognition; reading, orthographic input coding; computational models; lexical decision; masked printing; letter migration, 24795
visuospatial grounding task; intrusive images; traumatic film; image based memory system, 12652
voting rules; Borda rule; Copeland rule; maximin rule, 3225
weight loss dieting; central executive functions; working memory; female dieters, 6818
Western businessman vs modern Chinese businessman thinking; thought processes perceptions & problem solving; leadership style, 24328
Westerners' perceptions; Asians' perceptions; pictures of locations; patterns of attention; holistic perceptual affordances; analytic perceptual affordances, 12735
Williams syndrome; dorsal stream motion processing; motion; cerebral organization; visual computations, 17138
word familiarity; linguistic; word meaning; cognitive processes, 9941
word list; Alzheimers disease; frontotemporal dementia; memory deficits; cognitive processes; rapid forgetting, 26455
working memory capacity; attention network test performance; cognitive processes, 27873
working memory demands; day night task; inhibitory control; children, 3871
working memory; carry; borrow; mental arithmetic; phonological; phonological working memory; visuospatial working memory, 9632
working memory; mathematical problem solving; phonological processing, executive processing; age effects; cognitive processes; individual differences; elementary school children; achievement, 19198
worry episodes; problem solving; cognition; cognitions, 28937
worry; information processing factors; children; ethnic diversity; community, 13688
young children; socially relevant information; cognitive processes; video use; childhood developemnt, 22506

Cognitive Processes [See Also Associative Processes, Chunking, Classification (Cognitive Process), Cognitive Appraisal, Cognitive Bias, Cognitive Discrimination, Cognitive Generalization, Cognitive Maps, Cognitive Mediation, Comprehension, Concentration, Concept Formation, Decision Making, Fantasy, Ideation, Imagination, Intuition, Mental Rotation, Metacognition, Naming, Problem Solving, Rumination (Cognitive Process), Schema, Social Cognition, Thinking, Thought Suppression, Transposition (Cognition)]—Books

Applied cognitive psychology: A textbook, 18823
Cognitive penetrability of perception: Attention, action, strategies, and bottom-up constraints, 9530
Cognitive systems: Information processing meets brain science, 31030
Emotional intelligence: Key readings on the Mayer and Salovey model, 3406
The interpersonal, cognitive, and social nature of depression, 19824
Minds and Gods: The cognitive foundations of religion, 34523

Cognitive Processing Speed—Serials

age; retest; practice effects; cognitive abilities; memory; processing speed; change correlates; multivariate models of change; multivariate latent growth curves; longitudinal methodology, 358
associated nontargets effect; target response; visual search tasks; letter recognition; nontarget processing; target discrimination, 21950
brain volume; blood flow; speed; intelligence; age-related declines, 31380
cognitive ability; genetic variance; environmental influences; genetic influences; age changes; processing speed, 3889
cognitive aging; context processing; inhibition; processing speed; theories; age differences, 31016
cognitive impairment; traumatic brain injury; speed processing deficit; central executive system impairment; working memory, 14265
deep white matter hyperintensities; periventricular white matter hyperintensities; elderly people; cognitive decline; mental processing speed; dementia, 23491
developmental changes; cognitive processing speed; domain specificity; childhood stability; adolescent development; childhood development, 16110
dyslexia; double deficit hypothesis; phonological processing; naming speed, 14045
episodic memory; source memory; source monitoring framework; aging; age related differences; fluid ability; cognitive ability; perceptual speed; executive functioning; vocabulary, 881
event-related potentials; face stimulus; face discrimination; face detection; stimulus onset; posterior sites, 24748
executive functioning; double dissociation; elderly people; executive processing speed; cued recall; age differences; episodic feeling of knowing, 18799
fluid intelligence; paper and pencil measures; factor structure; mental speed; cognitive processing speed; elementary cognitive tasks, 50
global processing speed; developmental changes; auditory memory span, 16099
lexical processing; semantic processing speed; lexicosemantic variables; age of acquisition, 25282
load-dependent modulation; affective picture processing; emotional stimuli; visual stimuli; attentional manipulations; emotion-laden visual information; involuntary autonomic responses, 9527
older adults; younger adults; response selection; precuing; age differences; hand placement; fingers, 27813

Cognitive Processing Speed—Serials

phonology; phonological neighborhood; visual word recognition; lexical decision; nonword fillers; naming; semantic categorization, 6557
processing speed; attentional capacity; memory performance; cognitive aging; age differences; episodic memory; working memory, 30995
processing speed; predictor; verbal memory performance; schizophrenia; memory impairment, 19831
psychometric intelligence; speed test; power test; timing performance; information processing speed; temporal g, 15423
reasoning ability; working memory capacity; mental speed; stimulus response compatibility; choice reaction; time tasks; arbitrary mappings; intelligence, 15701
recognition memory; awareness; perceptual effects; conscious resources; judgments; divided attention; recognition speed; encoding, 21986
rethinking speed theories; cognitive development; recall rate; accuracy; mental processes, 10039
saccadic eye movements; object detection; visual processing speed, 18726
selective information processing; depressed children; self referent information; adolescents; memory processing; childhood development, 10660
self reported traits; beliefs about self; encoding skills; categorization speed; extraversion; life satisfaction; individual differences; undergraduates, 13570
sex differences; processing speed; developmental effects; age differences; cognitive abilities; achievement performance, 25247
sleep; working memory; cognitive processing speed; reaction time, 15923
social participation; engaged lifestyle; activity; cognition; cognitive functioning; perceptual speed decline; old age; dual change score model, 885
speed of thought; thought content; mood; manic thinking; emotional responses; elation-related content; depression-related content, 33974
transparent motion; motion detection; global motion systems; speed processing, 18714
traumatic brain injury; verbal memory; functional impairment; information processing speed, 26433
visual working memory; memory capacity; processing speed; children, 34368
white matter hyperintensities; cognitive performance; older adults; education; severity; processing speed; working memory; inhibition, 32660
working memory efficiency; multiple sclerosis; information processing speed; performance accuracy, 23316
working memory; information processing speed; myelomeningocele; shunted hydrocephalus; Children's Paced Auditory Serial Addition Test, 24636

Cognitive Psychology—Serials

applied cognitive psychology; applied science; memory; cognitive processes; autobiographical memory; witness memory; misinformation, 27900
applied cognitive psychology; journals; manuscript handling; scientific communication, 12641
attention aware systems; human perceptual; cognitive abilities; cognitive psychology; perceptual process; cognitive processes; technology; systems design, 12790
clinical or counseling; computer; knowledge or expertise; supervision; training; cognitive psychology; psychotherapy training; Real-Time Training; feedback, 36081
cognitions; cognitive behavioral therapies; psychotherapy; cognitive psychology, 20518
cognitive behavior modification; healthcare improvement; intervention; training program; organizational culture; organizational performance; team performance, 24369
cognitive neuropsychological research; spoken words; understanding; cognitive science; cognitive psychology; linguistics; neurosciences, 15894
cognitive neuropsychology; everyday action; action disorganization syndrome; planning; brain damage, 17337
cognitive psychology; reflective function; Jungian movement; analytical psychology; patient's unconscious; cognitive science, 23666
cognitive scientists; graduate students; training; inequalities; order-restricted inference, 21768
educational psychology; cognitive psychology; behavioural psychology; social cognitive theory; humanism; motivation, 8842
epigenetic robotics; developmental psychology; humanoid robotic platform; perception; cognitive development, 30616
exchange paradox; probabilistic analysis; cognitive analysis; psychological conundrum; money, 30832
inter group relations; stereotypes; ethnic groups; personal beliefs; sociocognitive perspective; racial and ethnic differences, 10273
maternal screening tests; cognitive psychology; Down Syndrome; antenatal care; heuristics, 26325
quantum mechanics; visual search; neuropsychology; cognitive biological psychology; philosophy; Kant, 3560
spatial knowledge acquisition; stage-like; continuous; spatial microgenesis; metric knowledge; environment; individual differences, 12727
theoretical pluralism; epistemology; cognitive science, 6230
working memory; intelligence research; psychometric approach; developmental perspective; neo Piagetian; cognitive psychology, 15647

Cognitive Psychology—Books

Applied cognitive psychology: A textbook, 18823
Attention, perception and memory: An integrated introduction, 9325
Cognitive humanistic therapy: Buddhism, Christianity and being fully human, 1989
Herbert A. Simon: The bounds of reason in modern America, 2448
The new science of axiological psychology, 10250

Cognitive Rehabilitation—Serials

Alzheimers disease; errorful learning; errorless learning; memory rehabilitation, 11092
autobiographical memory; music; mild Alzheimers disease; memory recall, 32651
cognitive rehabilitation interventions; executive function; traumatic brain injury; pathophysiology; cognitive neuroscience, 32615
cognitive rehabilitation interventions; spatial neglect syndrome; stroke patients, 32595
cognitive rehabilitation; schizophrenia; evidence based practice; motivation; expectancies, 32174
cognitive rehabilitation; traumatic brain injury; cognitive deficits, 35948
cognitive stimulation; dementia; cognition orientated group interventions; quality of life, 29287
constraint based therapies; rehabilitation; cognitive remediation; cognitive sciences; movement therapy; cognitive dysfunction, 35951
Encephalitis Lethargica; cognitive dysfunction; cognitive rehabilitation programme; cognitive recovery, 8114
Hopkins Verbal Learning Test; verbal learning; mild dementia; rehabilitation services; cognitive abilities; test validity; test reliability; psychometrics, 3131
human experience modeler; cognitive rehabilitation; transfer of learning; therapists; feedback; working memory; memory impairments; aneurysm; computer applications, 23381
Journal of the International Neuropsychological Society; neuropsychological assessment; cognitive rehabilitation; neurocognitive disorders, 20236
neural networks; brain injury; disorder recovery; cognitive rehabilitation; prefrontal cortex; clinical trials, 35947
neuropharmacologic treatment; cognitive rehabilitation; cognitive deficit; dementia; Parkinson's disease; multiple sclerosis; epilepsy; vascular disorders; traumatic brain injury, 29275
neuropharmacology; cognitive neurorehabilitation; epilepsy; central nervous system; neuromodulators; neurologic symptoms; spasticity; epileptic seizures, 29289
problem solving skills; cognitive rehabilitation; chronic psychotic disorders; Italy, 17759
traumatic brain injury; context-sensitive cognitive rehabilitation; outdoor adventure course; goal attainment; psychological health; subjective ratings, 8637

Cognitive Restructuring—Serials

causal induction; attribution theory; attribution retraining; Posttraumatic Stress Disorder; trauma; cognitive restructuring, 23055
cognitive restructuring; mental contamination; cognitive technology; cognitive behavioral therapy; rational emotive therapy; preventing relapse; cognitive psychology, 14370
cognitive-behavioral therapy; cognitive reconstructing; intergenerational family schemas; case report; family of origin, 29548
exposure therapy; posttraumatic stress disorder; cognitive restructuring; rape survivors; cognitive behavioral therapy, 4881

Cognitive Science—Serials

autobiography; agency; self concept; Dennett; cognitive organization; cognitive science; analogy, 25142
cognitive modeling; causal relationships; cognitive science; human behavior, 9614

Cognitive Style—Serials

cognitive neuropsychological research; spoken words; understanding; cognitive science; cognitive psychology; linguistics; neurosciences, 15894
cognitive neuroscience; affective neuroscience; developmental psychopathology, 10558
cognitive neuroscience; aging; culture; brain; cross-cultural investigation; neurobiology; life experiences; cognition, 25397
cognitive neuroscience; social behavior; generalized anxiety disorder, 10720
cognitive science; cognitive processes, 18813
cognitive science; education; interdisciplinary research; cognitive theory, 33906
connectionist networks; classical computation; theory of mind; cognitive science; neural networks, 18796
forward inference; functional neuroimaging; cognitive science, 22178
functionalism; cognition; attention; brain; mind; cognitive neuroscience, 30875
genes; brain; cognition; cognitive science; genetics; neuroscience; cognitive scientists, 31010
global workspace theory; problem framing; cognitive sciences; cognitive processes; analogical reasoning; information processing; conscious states; biological brain, 9609
hypnosis research; hidden observer; cognitive neuroscience; consciousness research, 3441
integrative theory; attention deficit hyperactivity disorder; cognitive neurosciences; affective neurosciences, 10888
learning; multiple representations; cognitive science; constructivist; educational theory; design framework; functions framework; tasks framework, 27815
memory; embodied cognition; extended mind; motivation; cognitive science; individual differences, 24833
Michael Gazzaniga; cognitive neuroscience, 34118
modularity; cognitive scientists; cognition; brain; cognitive processes; mind, 21953
neuroscience; education; cognitive neuroscience; classroom applications; brain-based learning, 24965

typologies; attentional networks; cognitive science; brain; behavior; neuroscience; neural circuitry; focal brain injuries, 24969
visual object processing; cognitive neuropsychology; visual features; vision disorders; visual imagery; object recognition; brain, 15874

Cognitive Science—Books

Cognition and multi-agent interaction: From cognitive modeling to social simulation, 21532
Cognitive systems: Human cognitive models in systems design, 36609
Cognitive systems: Information processing meets brain science, 31030
Contemporary debates in cognitive science, 24839
Embodiment and cognitive science, 18822
The mind in therapy: Cognitive science for practice, 14406

Cognitive Style [See Also Cognitive Complexity, Field Dependence, Impulsiveness, Reflectiveness]—Serials

adaptive & maladaptive components; humor; attributional style; dysphoria, 28838
adolescents' romantic working models; romantic partners; relational styles; romantic interactions, 22528
alexithymia; automatic processing; affective priming paradigm, 13691
anomalous experiences; mirror gazing facility; suggestion; cognitive perceptual personality traits; phenomenological state effects; hallucinations, 28694
anxiety; interpretation; training; cognitive bias; causality, 13850
applied creativity; cognitive process; intelligence; learning; cognitive activity; creative thinking; problem solving; cognitive style; organizational settings, 9566

assessment; curriculum; Multiple Intelligences Theory; Project Spectrum; working style, 8834
attitude structure; individual differences; accessibility; affective & cognitive responses; response latency, 31797
autism spectrum disorders; executive dysfunction; coherence; cognitive style; social cognition, 35098
basketball instructional approaches; basketball; decision making; recognition ability; cognitive style; gender differences, 2678
bipolar disorder; unipolar major recurrent depression; cognitive style; affective disorders, 32109
bipolar disorder; unipolar major recurrent depression; cognitive style; affective disorders, 32100
children; learning; museum, 11860
cognitive emotion regulation strategies; depressive symptoms, 25661
cognitive practices; representation; research scientists; science; cognitive processing, 24819
cognitive style impact; right wing authoritarianism; conservatism; racism; ideology; social dominance orientation, 19556
cognitive style; plebe turnover; US naval academy; training program, 12275
Cognitive Styles Analysis; psychometrics; test validity; test reliability; cognitive style, 30
cognitive styles; experts individual differences; computer assisted troubleshooting; ergonomics; expertise effects, 15272
cognitive styles; spatial abilities; spatial memory, 15678
computer self efficacy; course contexts; ethnicity; higher education; technology; learning styles, 30199
conceptual expansion; creative imagery; psychoticism; cognitive style, 345
creative problem solving; organizations; thinking style; thinking skills; effective leadership, 12248
educational effectiveness; comprehensive model; achievement variation; affective schooling aims; Creemers model of educational effectiveness; personality; thinking style, 2699
entitativity; cognitive consistency theories; balance theory; group perception; social world; social units; attributed acts; US Supreme Court; 2000 presidential election, 19517
epistemologies; transformation; learning communities; constructivism; activity theory; pedagogies, 18051
feed-forward neural networks; learning styles; recognition of learning styles; student learning style, 24160
first onsets; recurrences; depression; cognitive vulnerability, 13695
flexible approach; initial teacher training; learning style; teaching style; trainees perceptions, 33375
Gregorc Style Delineator; factor structure; construct validity; psychometric properties; cognitive learning style; Gregorc's channel theory, 21650
IMS learning design graphic editor; graphs representation; course structures; educational Web site structures; pedagogical contents, 11951
individual differences; choice problems; framing effects; risk style; thinking style; mediation, 384
inductive analysis approach; detecting learning design patterns; human cognitive processing; pedagogical patterns, 11901
information retrieval; judgment; attention; experiential processing style, 15644
institutional business case; introducing learning design tools, 11904
internal validity; internal reliability; learning style inventory, 12546
learning design expressiveness; evaluation benchmark; suitability; IMS Learning Design, 11903
learning design players; CopperCore Learning Design Engine, 11941
learning design; pedagogical design tool, 11902
learning scenarios; learning units; conceptual elements, 11909
learning style preferences; Myers Briggs Type Indicator; Learning Style Inventory; graduate students, 36321
learning styles; cultural differences; Kolb's learning model; typologies, 7205
learning styles; individual differences; perceived effectiveness; learning activities; student preferences; marketing education, 27180
learning styles; individual differences; perceived effectiveness; learning activities; student preferences; marketing education, 27189
learning units design; grid computing; learning environments; education; IMS Learning Design, 11947
managing learning design; higher education environment; institutional strategies: IMS Learning Design, 11919
math-estimation task; communal learning; individual learning; African American children; cultural context, 11988
mental representations; looming cognitive style; threat appraisal; anxiety, 8235
mind styles; hypnotic induction profile; medical treatment; treatment outcome; treatment effectiveness evaluation, 29725
mood congruent memory; dysphoria; incidental memory; intentional memory; biases; state affect; cognitive style, 34855
mood; nonconscious mimicry; strategic behavior; cognitive processing style, 31094
national personality characteristics; cross cultural differences, 7507
negative cognitive triad; depressive symptoms; youths, 25376
object manipulation; food reward; hoolock gibbons; learning style; tool use, 15783
older rural adults; self directed learning; learning process, 3905
ontologies; integrate learning design; learning object content, 11933
paranormal beliefs; education level; thinking styles, 9564
perceptual learning style; sensory modality; memory; self-report questionnaires; metacognition; learning proficiency; pictorial learning; auditory learning; tactile learning, 14967
performance approach avoidance motivation; planned behavior theory; model stability; Greek students; learning disabilities; academic achievement, 2709
positive emotionality; cognitive style; children; temperament; prediction, 19180
positive mood; global processing style; linguistic expressions; autobiographical events, 31338
professional actors; psychological profiles; cognitive styles; extraversion; neuroticism, 13562
professional knowledge; service learning; reflective learning; students learning styles; marketing education, 27128
question and test interoperability editor; computer assisted instruction; pedagogical scenarios; learning design, 11950
reflection; coach education; program development; coaching knowledge; coaching practice; conceptual underpinning, 27067
Reload Learning Design Editor; learning design tools; user friendly interface, 11945
reusable elements; adaptive learning designs: IMS Learning Design; learning elements, 11898
sleep problems; anxiety sensitivity; cognitive style; school aged children; self report, 10109
student teacher thinking style; academic achievement; student ability, 15032
thinking styles; big five personality traits; intellectual styles, 16589
thinking styles; professional artists; fine artists; creativity appraisals; social norms; conformity; personality, 25664
visual cognitive style; object visualization; visual system; mental imagery; spatial imagery; neuropsychology; visualizers; verbalizers, 249
Western businessman vs modern Chinese businessman thinking; thought processes perceptions & problem solving; leadership style, 24328
work style; individual differences; gender differences; workeforce diversity, 30429

Cognitive Style [See Also Cognitive Complexity, Field Dependence, Impulsiveness, Reflectiveness]—Books

Workshops that really work: The ABC's of designing and delivering sensational presentations, 5729

Cognitive Techniques [See Also Cognitive Restructuring, Cognitive Therapy]—Serials

cognitive technologies; human abilities; aging, 33645
cognitive tools; writing skills; student performance; learning disabilities, 7938
cognitive training; verbal memory task; dichotic listening paradigm; psychiatric symptoms; schizophrenia; auditory hallucinations, 4998
human intelligence; technology; visual-spatial abilities; verbal abilities; cognitive technologies, 33647
Modified Cognitive Strategy Instruction in Writing; mildly mentally retarded; students; writing problem solution texts, 18121
post traumatic brain injury; executive dysfunction; problem solving; learning theory; cognitive behavioral theory; cerebral function, 35419
prefrontal cortex; cognitive training; semantic organizational strategies; bilateral activation, 34109
prisoners; offending behaviour intervention; enhanced thinking skills, 23997

Cognitive Therapy—Serials

antidepressant medication; cognitive therapy; treatment-resistant depression; major depression; bipolar disorder; mood disorders, 26499
anxiety disorders; cognitive-behavioral therapy; children; adolescents, 26604
autobiographical memory; depression; relapse recurrence; cognitive therapy; executive functioning; cognitive impairment, 28862
bibliotherapy; cognitive psychotherapy; depression; older adults; elderly, 20442
brain injury; telehealth; family intervention; adaptation; problem solving; self management; social competence, 29590
changing interpretation; judgmental bias; social phobia; highly structured cognitive treatment, 17482
clinical functioning; group based mindfulness training; psychiatric care; subjectively distressing psychosis, 1947
clinical management; insomnia; cognitive therapy; psychotherapy; cognitive processes, 32517
co morbidity; clinical problems; schizophrenia; cognitive behavioral treatment; adjunct treatment; psychotic symptoms; social anxiety; depression; psychosis; suicide risk, 11317
cognitions role; obsessive compulsive disorder; psychological treatment; pharmacological treatment; treatment integration, 1864
cognitive behavior therapy; religiosity; client attitudes; social service programs; spiritual issues; cognitive therapy; social workers; mental health practitioners, 35540
cognitive behavioral group therapy; depressed patients; self esteem; depression, 13700
cognitive behavioral therapy; neuroleptic metaphor; treatment resistance, 23623
cognitive behavioural therapy; recurrent bipolar disorders; recurrence rates; major mood episodes, 25890
cognitive control therapy; psychotherapy; therapy guidelines, 1919
cognitive group therapy; aggressive boys; effectiveness; in group setting; social cognitive intervention; social skills training; high risk youth; peers, 1959
cognitive group therapy; aggressive boys; effectiveness; in group setting; social cognitive intervention; social skills training; high risk youth; peers, 1951
cognitive group therapy; aggressive boys; effectiveness; in group setting; social cognitive intervention; social skills training; high risk youth; peers, 1982
cognitive processing therapy; child sexual abuse; treatment, 29583
cognitive remediation therapy; anorexia nervosa; intervention; cognitive behavioral therapy, 10917
cognitive theory; cognitive therapy; cognitive behavior therapy, 1994
cognitive therapy training; introductory course; trainees, 27069
cognitive therapy; driving phobia; reflexivity; treatment efficacy, 35560
cognitive therapy; EEG; major depression; cortical activity; electroencephalography, 6780
cognitive therapy; in vivo work; depression; therapeutic process; functional analytic psychotherapy enhanced cognitive therapy, 5001
cognitive therapy; obsessive compulsive disorder; psychotherapy; obsessive compulsive spectrum; psychopharmacology; clomipramine; cognitive behavior therapy; serotonin, 25961
cognitive therapy; treatment outcome; behavioral activation; antidepressant medication; major depression, 29376
cognitive treatments; obsessive compulsive disorder; exposure based treatment; treatment efficacy; treatment effectiveness evaluation; exposure and response prevention, 1992
cognitive-behavioral model; health anxiety; risk perceptions; genetic counseling; cancer, 17238
control mastery therapy; major depression; posttraumatic stress disorder, 13681
convergent validity; cognitive therapy; major depression; CORE-OM; CORE-SF; assessment & outcome measurement; measures of depression, 15448
depression; cognitive therapy; regulatory focus theory; self-system therapy; translational research; self-regulatory dysfunction, 20461
early alliance; alliance ruptures; therapeutic alliance; avoidant & obsessive-compulsive personality disorders; cognitive therapy; symptom change, 20462

eating disordered clients; telephone skill coaching; dialectical behavior therapy; clinical guidelines, 10938
evidence-based cognitive stimulation therapy; cost effectiveness; dementia, 29584
frontal lobe; cognitive therapy; spider phobia; cerebral blood flow; emotional reactions; panic; prefrontal cortex, 19896
headache; assessment; treatment; contingency management; biofeedback; relaxation; cognitive behavior therapy, 8001
health; emotion; mindfulness medication; cognitive therapy; positive psychology; physical illnesses; cognitive behavioral therapy; yoga, 29406
hypnotic psychotherapy; sex offenders; treatment modalities; cognitive behavioral treatment programs, 5445
hypothesized mechanisms of change; cognitive therapy; borderline personality disorder; cognitive distortions; therapeutic processes; dysfunctional beliefs, 17483
idiosyncratic cognitive processes; cognitive group therapy; social phobia; negative beliefs; self consciousness, 19913
idiosyncratic cognitive processes; cognitive group therapy; social phobia; negative beliefs; self consciousness, 19922
idiosyncratic cognitive processes; cognitive group therapy; social phobia; negative beliefs; self consciousness, 19884
idiosyncratic cognitive processes; cognitive group therapy; social phobia; negative beliefs; self consciousness, 19885
integration; psychological treatment; psychosis; psychotherapy; schizophrenia, 8360
intellectual disabilities; cognitive therapy; applied behavior analysis, 14411
intellectual disabilities; cognitive therapy; applied behavior analysis, 14416
intellectual disabilities; cognitive therapy; applied behavior analysis, 14421
intrusive memories; posttraumatic stress disorder; cognitive therapy; imaginal reliving; depression; patients, 19916
irritable bowel syndrome; treatment outcome; group cognitive therapy, 14549
larger scale psychological interventions; cognitive behavioural therapy; self referral; stress workshops; group interventions; cognitive therapy; behavioral therapy, 1963
long term cognitive treatment; Alzheimers disease; neuropsychological rehabilitation techniques, 14211
memoriam; cognitive psychotherapy; positive psychology; graduate students, 30066
metacognitive therapy; pediatric obsessive compulsive disorder; exposure with ritual prevention; psychotherapeutic treatment, 29588
mindfulness; cognitive therapy; insomnia, 32528
obsessive compulsive disorder; cognitive therapy, 8313
obsessive compulsive disorder; cognitive therapy; obsessional belief, 14413
obsessive compulsive disorder; pharmacotherapy; ritual prevention; serotonin reuptake inhibitors; cognitive behavioral therapy, 14327
positive psychology; cognitive psychotherapy; dysfunctional behavior; clinical psychology, 29420
positive responses; benefit; harm; forgiveness; gratitude; cognitive psychotherapy; insights; interventions, 29580
posttraumatic stress disorder; cognitive model; complicated grief; traumatic grief; phenomenology; stimulus discrimination; memory updating; autobiographical memory; death; cognitive therapy, 22919
pre cognitive therapy; neuroscience; psychotherapy; memory, 8312
psychophysiology; dentistry; fear; cognitively oriented treatment; relaxation, 20377
psychotherapy; neuroscience; emotions; cognitive therapy, 8285
PTSD; child sexual abuse; cognitive therapy; trauma; treatment; cognitive processing therapy; treatment evaluation; posttraumatic stress disorder, 4996
self efficacy; treatment outcome; adolescent substance use; substance use disorders; patients situational self efficacy; cognitive behavioral therapy; psychoeducation; group therapy; mediators, 8647
social anxiety disorder; medication; cognitive behavioral therapy, 14349
social cognitive approach; schizophrenic symptoms, 23626
social cognitive approach; schizophrenic symptoms, 23628
social cognitive approach; schizophrenic symptoms, 23629
social cognitive approach; schizophrenic symptoms, 23630
social phobia; cognitive therapy; exposure therapy; avoidant personality disorder; randomized controlled trial; relaxation, 26553
Somatic Inkblot Series II; cognitive psychotherapy; spouse induced posttraumatic stress disorder; borderline personality disorder; sociopathy, 22917
suicidal behavior; mindfulness based cognitive therapy; cognitive processes, 13942
supportive group therapy; cognitive support therapy; chronic mental illness, 32789
Systems Training for Emotional Predictability & Problem Solving; cognitive group treatment; borderline personality disorder; Netherlands, 17506
task concentration training; applied relaxation; cognitive therapy; social phobia; blushing fear; trembling; sweating; psychopathology; self-consciousness, 28910
weight suppression; bulimia nervosa; dieting; restrained eating; treatment outcome, 14055
women; intimate partner violence; phenomenology; cognitive therapy; INSIGHT, 32828

Cognitive Therapy—Books

Beyond reasonable doubt: Reasoning processes in obsessive-compulsive disorder and related disorders, 5007
Mindfulness-based treatment approaches: Clinician's guide to evidence base and applications, 26597
Psychotherapy with adolescents and their families: Essential treatment strategies, 1991
Quality of Life Therapy: Applying a life satisfaction approach to positive psychology and cognitive therapy, 35464

Cohabitation—Serials

attitude alignment; sex role attitudes; personal relationships; marriage; cohabitation, 10411
bulimic symptoms; young women; cohabitation, 35167
child economic well being; married couples; cohabiting parent families; racial and ethnic differences, 25511
family structure; cohabitation; unmarried mothers, 25496
gay unmarried couples; lesbian unmarried couples; heterosexual unmarried couples; heterosexual married couples; heterosexual married couples with children; relationship adjustment, 25485
gender socialization; housework allocation; life course; early adulthood; married individuals attitudes; cohabitors, 971
heterosexual cohabitation; legal marriage; educational homogamy affect, 7234
inertia; premarital cohabitation; divorce; marital distress; cohabitation; relationship distress, 34564
interracial patterns; intraracial patterns; mate selection; diverse Black populations, 28385
loss; depression; cohabiting; noncohabiting; custodial single parents; divorced mothers; fathers; problematic relationships; income change; role satisfaction; personal mastery; household size, 7220
marital status; cohabiting; married; mental health; coping resources; relationship quality; socioeconomic status, 10295
marriage; marital discord; psychological distress; impairment; cohabitation, 31625
postdivorce cohabitation; remarriage; relationship quality, 25498
relationship status; relationship happiness; subjective well being; committed relationships; married individuals; cohabitation; dating relationships, 4155
self personality; partner personality; marital relations; intimate relationships; heterosexual couples; marital quality; cohabiting couples, 10289
teen childbearing; cohabitation; community embeddedness; primary ties, 7054
Vietnam veterans; mental health needs; cohabiting partners; combat veterans; combat related posttraumatic stress disorder; treatment use; needs assessment, 2291

Cohesion (Group) [See Group Cohesion]

Cohort Analysis—Serials

cohort effects; analogy choice; Vietnam War; World War; recognition; recall; partisan identification; gender; education, 31567
incidence; risk factors; depression; anxiety disorders; Swedish cohort study, 4309
paternal involvement; fatherhood; parenting; social expectations; cohort analysis, 7255
population based cohorts; health; aging; pathologic ageing, 19275
smoking trends; smoking prevalence; smoking behavior; smoking cessation; cohort analysis, 16424
timing effects; divorce; 20th century experience; US, 28460

Cohort Analysis—Books

The greater generation: In defense of the Baby Boom legacy, 19329

Coitus [See Sexual Intercourse (Human)]

Coitus (Animal) [See Animal Mating Behavior]

Cold Effects—Serials

cold stress; stimulus gating; event related potential, 504
cooling sensations; cold threshold; magnitude estimation; cutaneous sensation; spinal-cord injury; sex differences, 20251

Colitis—Serials

clozapine; eosinophilic colitis; schizophrenia, 5056
clozapine; pseudomembranous colitis; antipsychotic risperidone; side effects, 20578

Collaboration [See Cooperation]

Collective Behavior [See Also Riots]—Serials

achievement; relational competence; individualist attitudes; collectivist attitudes; horizontal and vertical individualism; horizontal and vertical collectivism; internality norm; judge paradigm, 19560
Asian American families; September 11; coping; help-seeking; World Trade Center attacks; collectivism; individualism; family members, 16329
attachment style; empathy; collective loss; September 11 terrorist attacks; USA; assistance, 19666
classroom segregation; Schelling model; collective choice; decision making; social processes; individual preferences; strategic reasoning; classroom seating, 15062
collaborative practice; labor human society; social interaction; human culture; intersubjectivity; division of labor, 7408
collective action theory; media environment; information & communication technologies; organizations; private & public domains, 6929
collective action; collective action space; two dimensional model; interpersonal interaction; engagement mode; communication; group dynamics; social capital; organization theory, 19494
collective action; disadvantaged outgroup; less fortunate; advantaged group; predictive model; relative deprivation on behalf of others; behavior type; perceived mobilization resources role, 10395
collective decision making; aggregation; disaggregation; preferences; Group Decision Support Systems; multiple criteria decision aid, 4157
collective enactment; leadership roles; team effectiveness; transportation road maintenance teams, 30479
collective esteem; group based framing task; personality factors; dual analytic holistic analysis, 31762
collective goods; shared concern; rational choice theories; ideologies; rational actors, 13315
collective memory; family conversations; individualism; mnemonic learning, 3360
collective responsibility; infrahumanization; dehumanization; intergroup conflict; collective guilt; ingroup outgroup; violence, 22747
collectivism; culture; legal restriction; politics; governmental restrictions; across nations; within one nation; collective behaviors, 7158
Collectivist Coping Styles inventory; coping; problem solving; collectivistic; Asian; trauma; test validity, 10409
comparative statics; collective action; pragmatic approach; games; multiple equilibria; strategy equilibria; stability sets, 3941
cultural orientation; socially desirable responding; individualism; collectivism; impression management, 10455
disorderly crowd; policing strategies; law enforcement; public disorder, 9269
dual career couples; newly wed couples; collectivist culture; gender equality; gender construction; Singapore, 13337
fear; mental health care; collective anxiety, 28604
focus groups; collective identity; social movements, 21811
Franklin H. Giddings; social mind; sociology; social movements; crowd behavior; organizational behavior, 16433
friendships; Indonesian & South Korean & United States college students; collectivist cultures; individualistic cultures, 19496
gang homicides; New Jersey; collective behavior; social disorganization; etiological differences; antisocial behavior, 19985
identity politics; activism; status-based social movements; collective action; power; political stance; personal experience; movement outcomes, 4031

Collective Behavior—Serials

identity work; collective action; repressive context; Jewish resistance; Warsaw Ghetto; social movements; risk factors, 16248
individual pattern representations; context dependency; collective representation; interstimulus interval; reaction time, 299
individualism; collectivism; cross cultural inference; organizational behavior, 15172
individualism; collectivism; group creativity; organizational behavior; cooperation; productivity; destructive conflict; divergent thinking, 27417
individualism; collectivism; peer delinquency; Asian American adolescents; sociocultural factors, 4528
Jewish identity; Jewish values; religion; late adolescents; collective identities, 28356
pay policies; collective wage contracts, 18207
personal narratives; political lives; personal reflection; collective change; community development; personal experiences; social change, 3712
personality; beliefs; social axioms; nomological network; individualism; collectivism; world view, 22791
phenomenology; empowerment; collective action; social identity; collective self objectification, 4174
rumor mongering; collective coping strategy; traumatic public events; face to face interactions; Internet, 31789
shared identity emergence; agent based computer simulation; idea diffusion; identity change, 4162
social costs; narcissism; commons dilemma, 1212
social diversity; immigrant status; status inequality; ethnicity; groups; ideologies; collective action, 13269
social identity; stereotype threat; racial identification; stigma; academic achievement; collective threats; ingroup; minorities; Whites, 4172
thinking groups; collective identity; Israeli Kibbutzim, 28569

Collective Behavior [See Also Riots]—Books

Bridging cultures in early care and education: A Training Module, 21129

College Academic Achievement—Serials

childhood segregation; academic performance prediction; minority students; segregation correlates; childhood environmental effects, 24216
cognitive dissonance theory; student grades; course evaluations, 36316
college grades; degree completion; high school grades; SAT scores; student ethnicity; first language, 12016
college orientation profiles; college self-efficacy; degree confidence; low socioeconomic backgrounds; Latino college students; adjustment; academic outcomes, 2706
fraudulent excuses; cheating; plagiarism; grade point average; college students, 12039
introductory psychology; student performance; students instructors expectations; instructor expertise; student motivation, 36319
metacognition; students; monitoring accuracy; judgment bias; academic performance, 2704
political orientation; academic success; social dominance theory; undergraduate students, 1227
psychology students; introductory psychology course; student performance, 36290
study guide exercise methods; multiple choice exam performance; introductory psychology, 14953
test scores; college success; high school grades; minority students; academic achievement; involvement; retention; satisfaction; racism; religion, 5801

College Athletes—Serials

body experiences; college athletes; women athletes; soccer team; self perception, 2951
college drinking; social norms; athlete drinking; friends; perceived alcohol use, 25568
college student athletes attitudes; help seeking behavior; college counseling services, 9062
expectancy information; coach effectivemess; intercollegiate basketball; psychological factors; information sources; athlete perceptions; coach perception; athlete ability, 2945
gender identity; college athletes; sexuality; social construction; emotions, 1104
grounded theory; talent development; social support; highly successful collegiate athletes; sport psychology; coaches, 36518
pathological gambling; college athletes; gambling attitudes; gambling behavior; gambling risk, 7784
sport type differences; alcohol use; intercollegiate athletes, 27443
student athlete; salience identity; stereotype threat; social identities; task performance; competing identities; athlete identity; student identity; identity prime; self report, 9013
student athletes; counseling; counseling services; college students; attitudes, 21304
university sports players; personality characteristics; gender discrimination, 9163
variability; motivation; athlete burnout susceptibility; college athletes; swimming, 18334

College Degrees [See Educational Degrees]

College Dropouts—Serials

personality types; undergraduates; liberal arts colleges; college dropouts, 4210

College Education [See Undergraduate Education]

College Entrance Examination Board Scholastic Aptitude Test—Serials

college grades; degree completion; high school grades; SAT scores; student ethnicity; first language, 12016
GPA exaggeration; SAT exaggeration; self-reports; dispositional self-enhancement; current and past performance; self-evaluation; reconstructive memory bias; college students, 28646
intelligence quotient; Scholastic Assessment Test; SAT; item responses; g factor; gender differences; mental ability; test validity; test reliability, 33770
Reynolds Intellectual Assessment Scales; intelligence quotient prediction equations; Frey and Detterman; SAT; cognitive functioning; test validity, 21631
score equity assessment; new SAT critical reading; old SAT verbal; population invariance; gender, 21714

College Environment—Serials

academic desire trajectories; discourses; subjectification; desire; biography; university cultures; discursive practices; empirical analysis; gendering processes, 2628
attention deficit hyperactivity disorder; ADHD; college students;psychosocial difficulties; counselors; evaluation; mental disorders, 10893
college environment; person-environment fit; personality development; Harvard University; personality traits; openess to experience; academic achievement; intelligence, 27245
college environment; sex atypical career choices; college experiences; human sex differences; career aspirations, 15138
college students; academic performance; institutional factors; grading practices; educational quality; program evaluation; demographic factors; sociocultural factors, 36325
conflict avoidance; university context; university staff; university students; ethnography; personality issues; power imbalance; work type, 2718
gender differences; students coping styles; personality change; college environment, 13565
Hispanic Greek letter societies; student activism; college campuses; political significance; service organizations; socioeconomic inequalities, 31583
Latino educational outcomes; campus climate; Latino students perceptions; sense of belonging; colleges; analytical skills; pluralistic orientation; diverse workplace, 2724

College Graduates—Serials

college graduate recruitment; Attraction Selection Attrition model; organizational screening; self reported organizational attraction; employee recruitment; screening, 9097
college quality; graduates earnings; SAT scores; tuition; fees, 5680
double disadvantage; college major; employment sector; college graduates; female dominated fields; income differences, 8935
graduates; boot camp; dropouts; inmates; decision making; suicidal attempts; life-course theory, 14769
graduates; labor market; employers, 36427
graduates; labour market; unemployment, 36422
management career success; assessment center data; predictive validity; academic graduates, 18190
personality traits; medical graduates; psychiatry residents; international medical graduates, 20979
proactive personality; job search self-efficacy & behaviors & effort & outcomes; social-cognitive theory; self-efficacy; college graduates, 22807
psychology majors; graduates; national honor society; mentoring; Psi chi alumni, 27123

College Major [See Academic Specialization]

College Students [See Also College Athletes, Community College Students, Education Students, Nursing Students]—Serials

9/11 terrorist attacks; college students; attachment; religion; country; ethnicity; family; university; threat; group identification, 13281
abnormal eating attitudes; female college students; Japan; risk factors; prevalence, 29171
academic achievement; standardized measures; college students; academic institutions, 5651
academic achievment; college adjustment, 8206
academic dishonesty; students attitudes; New Zealand; tertiary institutions, 36333
academic ethic; academic achievement; gender differences; college students, 2687
academic misconduct; demographic influences; plagiarism; college students, 17934
academic motivation; meanings of education; personal values; university students, 27247
academic needs; career needs; personal needs; Nigerian university students; counseling interventions; human sex differences, 21280
academic procrastination; behavioral postponement; hyperbolic pattern; temporal discounting; self regulation; self report, 25671
academic self efficacy; college outcomes; incremental validity; academic performance, 11985
academic skills; English as a second language; lecture comprehension; academic listening; Chinese students, 27248
academic stressors; personal stressors; Korean college students; demographic variables; stressors assessment, 2700
academic success; college students; attention deficit hyperactivity disorder; time management skills; coping resources; coping mechanisms; stress, 20083
accounting students; prospective employers; selection decisions; student preferences, 21360
acculturation status; sexual behavior; famale college students; examining cultural factors; sexuality research, 7353
acculturation; enculturation; cognitive flexibility; general self-efficacy; psychological functioning; collective self esteem; Asian American college students; cultural norms, 19354

chromatic contrast thresholds; visual evoked potentials; psychophysical thresholds, 9533
chromatic linear motion detectors; macaque; neurons; motion perception; color; luminance, 539
coarticulation reflects; gesture perception; spectral contrast; speech perception, 21888
cognitive control; flanker task; conflict monitoring; stimulus congruency, 30944
color agnosia; covert color processing; prosopagnosia; hue; color semantics; computer tasks, 23455
color appearance; breast cancer; survivors; short wavelength; tamoxifen; estrogen; middle aged women; adjuvant therapy; stimulus detection, 20213
color assimilation pattern; grouping factor; perceptual grouping; depth effects; apparent motion; color spreading phenomena; visual perception, 3309
color associations; building types; college students, 15294
color categories; universal innate representation; cross cultural comparison; color domain; cultural transmission; cross-language agreement; hypotheses; linguistic imprinting, 9935
color categorization; cross species differences, 30903
color discrimination; color deficiency; vision deficiency; abnormalities; chromatic discrimination, 35384
color matching; isoluminance; color perception, 6480
color vision; color preference; albino rat; criticism, 27748
color vision; giant pandas; hue discrimination abilities; brightness control, 31245
color-location combinations; object color & location; visual short-term memory, 34362
color; color categories; linguistic relativism; language game; universalism; cultural acquisition; computational model, 6892
color; color terms; categorization; cognition; culture, 9535
colour changes; moving object; velocity; reaction time; kinematic effect, 18728
colour perception; attention-deficit/hyperactivity disorder; speeded naming; coloured stimuli; hypofunctioning; retinal dopaminergic mechanisms; age; gender; IQ, 21833
depth information; judgment; surface color mode appearance; luminances; mode perception, 327
different color sensations; cones; photopigments; color fluctuation; adaptive optics, 291
Fechner-Benham subjective colors; color perception; McCollough after-effects, 27759
focal color variability; hue stimulus variability; agreement; color categories; color vision system, 9544
fundus autofluorescence; motion measurements; macular pigment distribution; identical retinal areas, 6476
hue stimulus choice; hue category formation; color categories, 9543
human periphery; cone opponency; colour contrast detection; contrast sensitivity; luminance; neurons, 6766
human ventro occipital cortex; isoluminant color stimulation; EEG responses; visual system, 3639
illumination invariance; Plateau's midgray; psychophysiology; color perception; brightness; functional equations; mathematical psychology; psychophysics, 21763
language; thought; color naming; color cognition, 21933

local processing; spatial resolution; orientation information; chromatic glass patterns; global processing; spatial integration area; form perception; color perception, 304
luminance contrast; chromatic induction; cerebral cortex; brightness mechanisms; visual perception; color, 27771
luminance interaction; chromatic motion perception; color perception, 6446
Munsell reflectance spectra; perceptual limits; surface color perception; illuminance, 6474
neon color effect; achromatic line segments; chromatic inducers; multiple interpretation hypothesis; illusory area, 9551
online processing; offline processing; visual features; dual task performance; task switching; color discriminations, 27849
proximity structure; achromatic surface colors; asymmetric lightness matching; proximity judgments; stimulus intensity, 21864
reading ability; autism spectrum disorders; color overlays, 29105
retinal illuminance; chromatic perceptive field sizes; saturation component; monochromatic stimuli; elemental hues; peripheral color vision, 312
semantic representation; perceptual representation; color; shared color naming function; mapping; cognitive task; color categorization, 9549
sex differences; perceptual processing; visual stimuli; event related potential; colored characters; Kanji characters, 9550
short term memory; sequential arrays; spatial locations; stimulus onset asynchrony; orientations; colors; visual displays; spatial locations, 3425
spatial dependence; color assimilation; watercolor effect; bichromatic contours; color stimulation; assimilative hue change, 21843
spatial resolution; yellow blue mechanism; red green mechanism; spatial sensitivity; tritanopia; colour illusion, 6462
spectrum inversion; conscious experiences; logical possibility; functionalism; scrambling theorem; mathematical formulation; color space, 18720
spectrum inversion; conscious experiences; logical possibility; scrambling theorem; mathematical formulation; color space, 18702
spectrum inversion; conscious experiences; logical possibility; scrambling theorem; mathematical formulation; color space, 18717
spectrum inversion; conscious experiences; logical possibility; scrambling theorem; mathematical formulation; color space, 18719
stimulation frequency; visual perception; conscious visual states; colors; visual forms; flicker frequencies, 18697
stochastic spineless expression; retina; color vision; Drosophila; photoreceptors, 15906
stripe compartments; cortical visual system; lateral geniculate nucleus; secondary visual cortex; visual attributes; color vision; cytochrome oxidase, 3614
Stroop effect; contextual cue; location, 30900
Stroop matching task; new data analysis; theory reevaluation; congruence; incongruence; word color; word meaning; object color, 12724
surface color matching; colour perception; color constancy, 6444
synaesthesia; visuo-spatial number forms; perceptions, 27787
ultraviolet lighting; corticosterone levels; Japanese quail chicks; behavior; birds color vision, 3664
variable achromatic color; variable chromatic color; Helmholtz Kohlrausch effect; lightness; luminance, 24762
watercolor illusions; chromatic color; backlighting; illumination; laws of figurality, 27783

Color Pyramid Test [See Projective Personality Measures]

Color Saturation—Serials

retinal illuminance; chromatic perceptive field sizes; saturation component; monochromatic stimuli; elemental hues; peripheral color vision, 312

Coma—Serials

amantadine; coma emergence; traumatic brain injury; consciousness recovery, 8466
atropine coma; history of psychology; methods; indications; contraindications; adverse effects; personal accounts; mode of action, 11424
drug induced arousal; vegetative state; Zolpidem; GABA agonist; brain damage, 29762
prolonged vegetative state; improvements signs; traumatic brain injury, 20243

Combat Experience—Serials

active duty military personnel; health concerns; combat experiences; health symptoms; psychological distress; Iraq war deployment; mental health; post-traumatic stress disorder; mental health; fatigue, 25744
casualties; legislatures; accountability; selection effects; conscription, 6048
civil wars; combat deaths; conflict severity; democracy; ethnic violence, 16259
combat related stress disorders; eye movement desensitization and reprocessing; battlefield casualties; Iraqi war; acute stress disorder; posttraumatic symptoms, 17454
combat stress reaction; frontline psychiatric treatment; casualties; war; posttaumatic stress disorder; psychopathology, 29543
combat stress reaction; frontline psychiatric treatment; casualties; war; posttaumatic stress disorder; psychopathology, 29571
combat veterans; posttraumatic stress disorder; social support; combat trauma; combat experience; current life events; mental health, 1877
combat zone; anger; mental health care; US military personnel; combat stress control prevention team; anger management interventions, 2286
hearing thresholds; U.S. marines; aviation medicine; combat arms personnel; auditory trauma, 24430
ideological commitment; posttraumatic stress symptoms; former child soldiers, 10708
intervention; couples family psychotherapy; posttraumatic stress disorder; symptoms; trauma; military combat; veterans, 8346
lifetime educational attainment; Vietnam service; combat experiences; adulthood; lifelong ramifications; male twins, 7113
logotherapy; veterans; combat; posttraumatic stress disorders; psychosocial functioning; trauma; survivors; symptoms; emotional experience; drug abuse, 32809
mental health problems; mental health service use; mental health screening; attrition; military service; combat deployment; Iraq; Afghanistan, 33613
mental health problems; mental health service use; mental health screening; attrition; military service; combat deployment; Iraq; Afghanistan, 33611
mental health problems; mental health service use; mental health screening; attrition; military service; combat deployment; Iraq; Afghanistan, 33610
mental workload; redline level; air to ground combat mission; aircrafts; aviation systems; performance criterion, 12340
military combat casualties; conscription; democracy, 6053
military deployment; psychiatric disorders; military veterans; Gulf War veterans, 25812
post traumatic stress disorder; soldier experiences; war, 32181
posttraumatic stress disorder; combat veteran; neuropsychiatric complaints; war; mental health, 19901
posttraumatic stress disorder; Gulf War veterans; childhood trauma; lifetime trauma; combat exposure; coping strategies, 10732
prior combat experience; deploying soldiers; posttraumatic stress disorder; somatic symptoms; affective symptoms, 19720
psychiatric disorders; combat deployment; Vietnam veterans; injuries; posttraumatic stress disorder; returning veterans, 19712
US Navy personnel; combat experience; stress reactions; public sector; mental health care delivery; war; posttraumatic stress disorder; military psychology, 5271

Combat Experience—Books

Military life: The psychology of serving in peace and combat (Vol. 2): Operational Stress, 28943
Trained to Kill: Soldiers at War, 12276

Comfort (Physical) [See Physical Comfort]

Commerce [See Business]

Commercials [See Television Advertising]

Commissioned Officers—Serials

student experiments; real world generalization; political science; military affairs; international relations; national security; terrorism, 36538

Commissurotomy—Serials

perceptual expertise; face recognition; own race bias; split brain patients; recognition accuracy; right cerebral hemisphere; hemispheric lateralization, 11126
split brain patient; self recognition; cerebral hemispheres; hemispheric specialization; cerebral commissurotomy, 1834
variable hemineglect; commissurotomized man; visual field; reaction time, 8111

Commitment [See Also Organizational Commitment]—Serials

acceptance and commitment therapy; autism; parent training; parent group therapy; childrearing attitudes, 29606
acceptance and commitment therapy; habit reversal training; trichotillomania, 17426
acceptance and commitment therapy; psychopathology, 14333
aesthetics; psychology of art; American Psychological Association; creativity; professional commitments; interests, 30136
attitude development; psychiatric rehabilitation education; rehabilitations role; affect; career commitment, 5541
college faculty; image management; self-justification; escalation of commitment; knowledge development; marketing academicians, 30252
commitment making; preliminary validation; late adolescent identity formation; integrative model, 25342
commitment; induced exchange relations; social relations; network structures; relational cohesion; choice process theory, 31754
community service; academic learning; personal development; service-learning, 21195
conflict; identity development; commitment, 16555
constraint commitment; relational bond; relational satisfaction; personal commitment; conflict responses; dating dyads, 7406
conversational encounters; social networks; commitment; social interaction, 4145
emotional labor; display rules; commitment; work behavior; service-based jobs, 6006
employee attachment; organizations; workgroups; extra-role behavior; satisfaction; climate; intent to leave; in-role behavior; absenteeism, 9127
escalation of commitment; emotion; negative affect; neuroticism; organization decision making, 18316
forgiveness; longitudinal relationship; relationship closeness; commitment; reconciliation; transgressive behavior, 25609
Frege cases; psychological explanation; direct reference; joint commitment, 400
identity; self presentations; self concepts; behavioral changes; self perceptual processes; audiences; commitment to identity, 28657
ideological commitment; posttraumatic stress symptoms; former child soldiers, 10708
jurors attitudes; post sentence civil commitment; sex offenders; legal applications; evidence, 24529
managers; escalation; decision involvement inertia; decision involvement distortion; commitment; organizations, 21488
marginalized relationships; Investment Model; homosexual relationships; interracial relationships; age gap relationships; commitment; romantic relationship; social disapproval, 7415
motivation; voice behavior; consumers dissatisfaction; public commitment; negative word, 12302
motor vehicle collisions; prevention program; commitment; drivers; road safety; age group, 9234
multiple commitments; organizational citizenship behavior; Arab culture; Jewish culture; Israeli teachers; ethnicity; in-role performance, 30242
narcissism; sexuality; relationship commitment; theoretical models; close relationships, 31860
no suicide contracts; commitment; treatment, 13927
organizational decision making; escalation situations; risk propensity; risk perception; outcome expectancy; commitment escalation; cross cultural differences; Hong Kong; bilingual teachers, 9156
perceived similarity; commitment; romantic partners; attraction, 7388
personality; career decision making; self efficacy; career choice commitment; college students, 30354
possible selves; students of color; motivation; college students; commitment; achievement; identity goals; low income communities, 18091
power; satisfaction; relationship commitment; Chinese retailers; store tenant relationship, 21426
protective factors; risk factors; psychological symptoms; ideological commitments; adolescents; terrorism; Israeli schools, 20059
relational identity commitments; model, 13588
roles; influence; marriages; spouses' perceptions; marital commitment, 31624
schizophrenia enactment; dialogue capacity; action commitment inability; volitional paralysis; long term integrative psychotherapy; helplessness, 23025
school counselors; career satisfaction; job commitment, 14840

social representations transformation; behavioral modifications; commitment theory, 6231
sport publicity; commitments moderation; message effects; customers attitudes, 33599
task dimensions; decision goal; accountability; escalation of commitment; negative outcome; conceptualization; sunk costs, 6531
Tidal Model of Mental Health Recovery; nursing practice; person-centred practice; collaborative practice; strength-based practice; commitments; values; Royal Ottawa Hospital, 29963
undergraduate students; relationship commitment; relationship autonomy; social comparison orientation; interpersonal relationships, 4137
verbal sexual coercion; dating partner; relationship commitment; relationship maintenance, 32266
women marital quality; marriage theory; equality; commitment; equity; egalitarianism, 34567
work environments; stress; productivity; psychological well-being; commitment, 12112
work-family interface; commitment; conflicts; coping; satisfaction, 31617
Commitment (Outpatient) [See Outpatient Commitment]
Commitment (Psychiatric) [See Also Outpatient Commitment]—Serials
civil commitment; involuntary psychiatric treatment; capacity to refuse treatment; competence to refuse treatment; European human rights law, 36628
involuntary status; judgmental descriptors; emotive descriptors; mental health tribunals; clinicians; civil commitment, 5614
jurors attitudes; post sentence civil commitment; sex offenders; legal applications; evidence, 24529
legal approaches; civil commitment law; delusional disorder; jurisdiction; criminal offense, 33697
mental disorders; mental health law; incapacity; involuntary treatment; civil commitment, 29855
psychiatrists beliefs; needs; civil commitment grounds; illness relapse, 15344
psychiatry resident; involuntary commitment decisions; lawsuits; suicide; predispositions, 27101
Communicable Diseases [See Infectious Disorders]
Communication [See Also Animal Communication, Augmentative Communication, Electronic Communication, Interpersonal Communication, Nonverbal Communication, Persuasive Communication, Scientific Communication, Verbal Communication]—Serials
acculturation; reality TV; European countries; Big Brother; media; cross border circulation; adaptation; communication process; production; reception, 25468
actual patient communication; duty to warn; physical violence; trial court, 18455
affect; health communications; health preferences; cancer; decision making; self regulation, 33021
American Indian; medical communication; ethnic identity; older adults; audiotapes, 14329
anterior cingulate cortex; intentional communication; social cognition, 9934
aphasia severity; semantics; depression; patients; communication; left hemisphere stroke, 26251
applied communication theory; communication practices, 22370
applied communications; communication research, 3733
applied linguistics; transitions; definitions; disagreements; English language teaching; communication, 9940
assessment; theory; practice; students outcomes; Nordic countries; education; communication, 33339
attitude change; cancer prevention communications; intervention strategies; persuasive messages; persuasion, 33003
augmentative communication; alternative communication; sevice provision; New Zealand; speech language therapists; complex communication needs; cerebral palsy; intellectual disabilities; etiology, 11692
autism spectrum disorder; communication; teaming strategies; literacy learning, 7912
best practices; crisis communication, 33108
best practices; crisis communication; experts, 33105
Bradac's favorite variables; reexamination; earlier theory; communication research; paradigm, 20946
breast cancer; risk communication; risk perception; social comparison processes, 32584
cancer communication; behavior change; narrative persuasion; narratives, 33010
cancer patients; optimal medical management; communication goals; communication needs, 11167
cancer patients; optimal medical management; communication goals; communication needs, 11195
Carol Frattali; communication disorders; professionalism; human communication, 27026
champion behavior; team potency; external communication activities; predicting team performance; product development teams, 18290
Chardins philosophy; committed couple relationships; dialogical communication; philosophical ideas; couples therapist, 17496
Children's Communication Checklist; autism spectrum disorder; disorder subtypes; high functioning autism; Aspergers syndrome, 24578
children; medicine related topics; communication; understanding, 13105
civic engagement; communication infrastructure perspective; community; neighborhood environment; ecological processes; theories, 22367
clinical care patients; talking; listening; patient therapist interaction; psychotherapy; primary health care, 20455
collaborative technology effects; communications; safety critical system; decision making; marine transportation; operational setting, 24476
communicating threat; Canadian state; September 11 terrorism; risk; trust, 10229
communication access; art access; aphasia; health service providers; arts service providers; museums; art galleries; theaters, 35282
communication access; health services; social services; aphasia, 35342
communication behaviors; interorganizational exchanges; individual level interorganizational exchanges; problem-solving efficacy; conflict resolution; business to business sector, 9175
communication campaigns; racial disparities; ethnic disparities; segmentation decisions; health outcomes, 14336
communication counseling; treatment plan; depression; interpersonal factors; interventions; clients; etiology, 35517
communication education program; hearing impairment; aged; International Outcome Inventory, 26460
communication education; teaching; learning; journal, 22366
communication intervention; autism; initiating joint attention; randomized trial; efficacy study, 26546
communication interventions; developmental disabilities; alternative communication; augmentative communication, 14028
communication patterns; primary care pediatricians; parents; children; special health care needs; health status, 2152
communication phenotype; 22q11.2 microdeletions syndrome; communication profile; language phenotype, 17172
communication processes; emergency medicine; patient safety; narratives, 8719
communication research; patients attitudes; current communication theory, 17610
communication scholarship; professional practice; applied communication; higher education; excellence in education; information systems; organizational development, 5720
communication theory; disciplines; communication, 22359
communication; cognitive capabilities; communicative behaviors; language evolution, 3739
communication; health care; medicine; personal identity; counseling; patient education, 33067
communication; information technologies; American Sociological Association; sociologists; microcomputers; research; teaching, 34249
communication; information technologies; American Sociological Association; sociological audiences; sociology; Microsoft Windows; teaching; internet; computing, 34251
communicative environment; language; globalization; transidiomatic practices; mobility; linguistics, 3764
competent informants; conversational apprentices; children performance; life experiences; information exchange; interviewing, 13139
competing roles; student teachers; asynchronous forums; communication; English as foreign language; teacher education, 11889
computer mediated communication; communication technology; workplace; communication apprehension, 6886
contact hypothesis; social interaction; Internet; communication process; practicality; anxiety; generalization; intergroup conflict reduction, 34660
corporate communications; employee attitudes; linguistics; discourse analysis, 21391
crisis situations; communication strategies; media coverage; Taiwan; politics; political figures; response model, 19113
cultural differences; answering machine; communication; message; feedback channel, 25151
cultures; intercultural trainers; diversity training; communication; behavior; perception, 16311
Davidsons philosophy; communication; philosopher; social convention; intercultural communication, 22361
domestic information and communication technology; subject object relations; identity; family relations, 25479
economics; vicarious information transfer; communication; social learning strategy; group members, 31743
emotion communication; touch; physical contact; tactile stimulation, 31086
epistemology; participatory communication; feminism, 25149
ethics; communication; social sciences; written exams; undergraduate medicine; workshop, 11749
exemplification; safety promotion; health promotion; health beliefs; communication; decision making, 33032
expert-layperson communication; helpdesk support; computer-mediated communication; audience design; instructional explanations, 6884
family life; working life; ambiguous communication; family work relationship; parents; children attending daycare; equal opportunity; Norway, 22659
family secrets; chilling effects; secret concealment; self protection; communication efficacy; aggressive family members, 967
female adolescents; sexually transmitted diseases; communication; decision making; self-concepts, 25363
feminist paradigm; substantial improvement; public relations; communication scholarship; gender; power; diversity, 6876
folk psychology; language use; communicative acts, 16096
functional communication; executive function; ability; aphasia; language impairment, 32624
fundamental values; Internet; teaching knowledge; information and communication technology, 36226
graduate students; communicative disorders; language learning disabilities, 7996
health disparities reduction; African American population; health communication; health promotion interventions, 14624
health outcomes; racial inequities; health care system; communication; health information; health insurance, 14650
hidden food location; communicative cues; behavioral cues; physical cues; domestic dogs; great ape; cooperative communication; object choice task; causal cues, 15766
ideational dynamics; message production; origins; nature; behavior; second generation action assembly theory, 19093
immediacy; out of class communication; college classrooms; instructor; cross cultural differences; satisfaction, 16298
incomplete communication; partial cooperation; Myerson models, 21737
Information Communication Technology; Post-Acquisition Organizations; communication effectiveness & appropiateness; acquisition managers problems; corporate acquisitions, 24403
information retrieval; transactive memory systems; organizational work teams; communication; knowledge levels perceptions, 6885
information technologies; American Sociological Association; computer technologies; new media; communication, 34253
institutional theory; organizational communication; microphenomena; macrophenomena; organizational sociology, 33508
integrated care; drug abuse treatment; clinics; 9/11 attack; World Trade Center; staff; communication; financial problems; health care system, 20398
integrated marketing communications; competition; marketing, 36553
intellectual property; action research; communication technologies; co-authorship, 16003
inter cultural communication; health care; health provider; patient; colon cancer; caregiver; mutual understanding, 23925
interfaith dialogue; cooperation; counseling; religion; spirituality, 14355

Internet newsgroup participants; opinion leaders; opinion seeking; communication environments; marketing communication; blogging, 6940
Internet privacy; trust; disclosure; reputation; electronic commerce exchange; communication; consumer characteristics; consumer behavior, 21475
intersubjectivity; communication; health services; social services, 7135
investor relations; mass media; media sociologists; equities markets; financial news media; London Stock Exchange; communication, 21408
James J. Bradac; influence on authors; teacher; researcher; role model; communication research, 20976
Journal of Communication Management, 21318
judgmental orientations effects; narrative judgmental orientations; paradigmatic judgmental orientations; qualitative evidence; quantitative evidence; health related inference; health communication, 4140
knowledge sharing; different professional groups; networks of practice; organizational values; hospital personnel; health care professionals, 17899
knowledge sharing; team communication styles; job satisfaction; performance beliefs; job related cognitions, 18169
languages; Finnish communication; silence; cultural practices, 31339
learning; media; technology; education; information; communication; Internet; secondary school students; curriculum; media literacy; teacher education program, 36259
London Stock Exchange; media effects; active elite audience; communication; investor behavior; trading patterns, 3785
maintaining legitimacy; external communication strategies; police media relations; police organizations; crime; justice; social control; news media, 12410
management communication; opportunity for learning; work schedule flexibility; organizational commitment, 24290
media psychology; communication, 22397
membrane vesicles; traffic signals; group behavior; prokaryote; bacteria; chemical communication; Pseudomonas aeruginosa; signal trafficking system, 463
message effects theories; behavior change theories; messages; cancer control; communication; information processing theories, 31334
message effects; social determinants; health; audience attention; influence; public health communications; cancer; cancer disparities, 32592
modality; learning braille; haptic alphabets; blind persons; communication; learning; stimulus discrimination, 27863
multiple learning disabilities; communication; interaction; emotional literacy skills; intensive interaction therapy, 26219
music performance; communication; emotion; computer-based teaching; feedback; computer program; music education, 27179
noncontingently available alternative stimuli; functional analysis outcomes; problem behavior; communication behavior, 2003
nursing home interactions; staff resident communication; intervention, 20848
on-line dispute resolution; mediation; conflict resolution; on-line communication; technology, 19486
organ donation; family communication; young adults; decision making; parents attitude, 31821
pattern languages; human computer interaction; interaction design; communicating information, 24459
peace talk; relational approach; group negotiation; Arab youths; Israeli youths; negotiation group work, 11342
perceptually grounded categories; language; models, 6549
physician patient parent communication; qualitative perspective; childs contribution, 8546
picture exchange communication system; autism; speech development; manding; school aged children, 27283
political communication; Linguistic Intergroup Bias; ingroup outgroup behavior; stereotypes; language, 31336
positive signaling communication; negative signaling communication; safe sex; adolescents; South Africa; social norms; condom use norms; social network, 22513
potential side effects; communicating health perfection; zero risk; public health education, 17612
pragmatic tactics; diplomatic communication; literary pragmatics; stage plays, 6889
precursors; systematic miscommunications; intergroup interaction; same sex students; friendship interests, 19546
press conferences; former Chinese President Jiang Zemin; US President George W. Bush; critical discourse analysis; diplomatic talk; political differences; ideological discrepancies, 16050
press conferences; North Korea nuclear crisis; request and refusal strategies; cross cultural pragmatic differences; US; China, 16054
procedural justice; political communication research; civic mindedness; political engagement, 7282
psychiatric trainees; interactive website; communication; discussion, 24079
public policy; academia; advocacy; political processes; university involvement; policymakers; communication; academic campuses, 17824
relationship quality; married couples; divorced couples; relationship problem; communication; love, 31636
remnant effects; pictographic books; communicative interaction; global aphasia, 8125
risk communication research; risk information; mass media; health, 26851
risk perception; black box warning; children; risk communications; antidepressants; SSRI treatment; suicide prevention, 29458
ritualized transmission; social norms; wedding photography; gender norms; communication practices, 22626
Rob Kling; analytical inquiry; information & communication technology; empirical research; social informatics, 3734
rumors; professional standards; communication; medical professionals; patients; families, 11738
school; community; media efforts; marijuana; alcohol abuse; communication campaign; social marketing principles; tobacco use; middle school students; prevention, 14755
seminar; patient emotions; medical communication; role; health; psychophysiology, 8751
sensation seeking; Activation Model of Information Exposure; mass media health campaigns; cancer communication; cancer prevention, 33025
services charges; organizations; communication specialists; clients; professional consultation, 24293
shared information; communication; hippocampal amnesia; interpersonal interaction; paired associate learning, 23414
shared leadership; community theater group; affective responses; communication, 22758
shared mental models; team decision making; Collaborative Agents for Simulating Teamwork; proactive communication strategy; information needs, 18348
short communication; peritraumatic dissociation; acute stress reactions; rescue personnel; gas pipe explosion; Tel Aviv, 34921
short communication; reciprocal relationship; sense of control; depressive symptoms; natural disaster; feedback; mental health, 34719
short communication; self focused attention; self monitoring influence; health attitudes; coping behavior; stress, 34714
signaling; motion picture industry; advertising expenditures; sequels; box office revenues; third-party information sources, 27468
snowmobile trails; communication infrastructure; outdoor recreation; social mechanisms; self-organization; common-pool resource, 3914
social informatization; communication; Industrial Revolution; socioeconomic development; history, 34482
social learning; imitation; emulation; tool use; social interaction; development; age; communication; modeling, 22426
social network; gay men; communication patterns; unprotected sex; interpersonal network, 34636
socioemotional communication; task communication; online multiplayer video games; computer mediated setting, 16056
sociologists; computers; microcomputers; communication; information technologies; American Sociological Association; sociological research; teaching, 34256
speech styles; overhelping; underhelping; professional; meaning; communication predicaments; physical disability; aging, 19527
strategic communication management; academics; public relations; corporate communication, 21400
strategic communication; civil society; trust; media; government officials, 6877
strategic taxonomy; biological communication, 9732
surveillance; organizations; electronic monitoring; structural perceptual model; social communication, 33503
Teacher Immediacy Scale; test validity; test reliability; immediacy exchange theories; culture roles; test construction; cultural considerations, 21719
technology; social and emotional communication, 2463

training; early childhood educators; information & communications technology, 8879
transferring signals; hearing aids; speech intelligibility; noise; cross aid communication, 20693
treatment decisions; risk communication; patients; probability information; Internet; cognitive effort, 35458
trust relationships; asymmetrical reciprocity; ethics; corporate brand management; business relationships; respectful communication; moral judgment, 5879
trust; informed consent; community members insights; Kenyan coast; health care communication; biomedical research, 4
U.S. broadcasting policy; policy measures; communications policy, 34310
unimodel of persuasion; cancer communication; cues; message arguments; issue arguments; evidence; conclusions, 31753
visual determinants; adjective order; perceptual analysis; eye movements; referential communication; time pressure; visual cognition, 30891
visual impairment; early communication; facial orientation; vocalizations; language acquisition, 11151
Western philosophy; Chinese wisdom; Zhuangzi; impromptu words; dialogue; Heidegger, 34536
young offenders institutions; social exchange; prisoners; communication, 17809

HIV prevention; effective behavioral interventions; community based organizations; state health department; Michigan; community based providers, 35743
infant mortality; medicine; colonial discourse; modernity; feminist scholars; child rearing; public health practices; US Occupied Philippines; public welfare, 1903
Master of Arts; child advocacy; child neglect; community welfare services; child welfare; social work, 17943
mental health care; families; patients; schizophrenia; caregivers burden; social welfare; family intervention; psycho-social support, 28876
Older Adults; Foster Parents; Children; life experience; child care, 7252
residential treatment centre; mental health services; child welfare services, 2271
sciences; policy; developmental research; health; well being; social programs; human welfare; social security, 28228
selection factors; evaluation; employment; family; well-being; transitioning; welfare; work experience; ethnography, 26898
teenage mothers; adolescent parenting programs; parenting; economic well being; case management services; welfare assistance; temporary assistance; needy families, 17739
welfare reform; employment barriers; welfare exits; welfare reentries, 5341
welfare service work; professional projects; professionalism; public management; occupations; health care, 17724

Commuting (Travel)—Serials

automobile commute characteristics; job candidate evaluations; hiring decisions, 33527
car use; adaptations; reduction goals; frequency; travel demand management; behavioral responses, 15310
commuting suitability; bikeability; Arizona elementary schools, 13158
commuting; trains; stress; cortisol; motivation, 21515

Comorbidity—Serials

adolescent substance abuse; juvenile delinquency; family oriented psychoeducation curriculum; comorbidity; parent involvement; juvenile justice, 26979
alcohol consumption; psychiatric disorders; morbidity; mortality; relapse; mental health hospital admissions; alcohol use disorders, 29913
alcohol use; drug abuse; HIV infection; neuropsychological performance; African American men; comorbidity, 20202
alcohol use; tobacco use; comorbidity; trajectory; developmental, 4486
allergies; children; adolescents; anxiety disorders; comorbidity, 34786
Alzheimer disease; international journal; dementia; associated disorders, 17322
anhedonia; emotional numbing; combat veterans; posttraumatic stress disorder; psychiatric comorbidity, 13672
anticonvulsant medication; pediatric epilepsy; comorbidity; bipolar spectrum disorder; clinical experience, 35353
antidepressant prescribing practices; major depressive episodes; comorbidity; attention-deficit hyperactivity disorder, 20603
antisocial personality disorder; incarcerated women; psychopathy; criminal behavior; insttutional adjustment; victimization, 19938
anxiety disorders; bipolar disorder; comorbidity; mood episodes; quality of life; role functioning, 32078
anxiety disorders; bipolar disorder; substance use disorders; epidemiology, 7578
anxiety disorders; developmental epidemiology; prevalence; phenomenology; comorbidity; diagnostic tools; children; adolescents, 10699
anxiety disorders; prevalence; comorbidity; outcomes, 32201
anxiety; comorbidity; treatment effectiveness; interpersonal psychotherapy; depressed adolescents, 32816
attachment disorders; diagnosis; maltreatment; developmental psychopathology; comorbidity, 16659
attention deficit hyperactivity disorder combined type; dysthymic disorder; comorbidity; child psychiatry; maternal psychopathology; family functioning; marital adjustment, 32420
attention deficit hyperactivity disorder; adult characteristics; drug dependence; psychiatric comorbidity; depression, 7642
attention deficit hyperactivity disorder; aetiology; comorbidity; developmental course; intervention options; genetic influences; environmental influences, 14007
attention deficit hyperactivity disorder; anterior cingulate cortex; phosphatidylinositol; glutamatergic metabolism; brain chemistry; proton magnetic resonance spectroscopy, 22895
attention deficit hyperactivity disorder; pediatric bipolar disorder; treatment; atomoxetine; mood stabilizers; comorbidity, 11390
attention deficit hyperactivity disorder; psychiatric comorbidity; psychological comorbidity; phenotypes; cleidocranial dysostosis; mild intellectual disability, 35118
attention deficit hyperactivity disorder; risk factors; quitting smoking; psychiatric comorbidity; nicotine dependence, 32037
attentional biases; social anxiety; dysphoria; comorbidity; threats, 19711
autism spectrum disorders; Prader Willi syndrome; Angelman syndrome; chromosomal abnormality; genetics; comorbidity, 10591
avoidant personality disorder; social phobia; anxiety severity; comorbidity, 4401
behavior genetics; attention deficit hyperactivity disorder; comorbidity; subtypes, 20085
behavioral inhibition; anxiety disorders; comorbidity; self report measures; risk factor; temperament, 10705
biopsychosocial case complexity; general health care; comorbidity; psychometrics; at risk population; INTERMED, 2239
biopsychosocial case complexity; general health care; comorbidity; psychometrics; at risk population; INTERMED, 14656
bipolar disorder; comorbidity; elderly; epidemiological community sample, 22958
bipolar disorder; risk factors; Colombian women; eating disorders; outpatient program, 35152
bipolar patient; comorbid substance use disorder; integrated treatment, 7565
body dysmorphic disorder; obsessive compulsive disorder; depression; comorbidity; pharmacological treatments, 26268
borderline personality disorder; suicidality; treatment; comorbidity, 23075
cardiac drug regimens; depressed patients; cardiovascular disease; emotional functioning; therapeutics, 4259
central coherence skills; detail focused processing; adolescents development; intellectual disability; comorbid; autism spectrum disorder; cognitive ability; early intervention, 14031
Charcot Marie Tooth disease; diabetes mellitus; neuromuscular disorders; genetics; hyperglycemia, 14130
child comorbidity; maternal mood disorder; family functioning; perceptions; pediatric bipolar disorder; psychiatric disorders, 32062
child psychiatry; psychiatric services; attention deficit hyperactivity disorder; comorbidity, 14634
child psychotherapy; comorbidity; case complexity; therapeutic change; child disruptive behavior; oppositional defiant disorder, 26510

childhood sexual abuse history; psychiatric comorbidity; abused females; adult mental disorders prevalence; family environment, 10569
chronic fatigue syndrome; psychiatric comorbidity; psychiatric disorders; cognitive behavior therapy, 20673
chronic fatigue syndrome; psychiatric comorbidity; psychiatric disorders; cognitive behavioral therapy, 20674
chronic migraine; major depression; disorder severity; comorbidity; clinical features, 4660
Clinical Antipsychotic Trials of Intervention Effectiveness; schizophrenia; comorbid medical conditions; functional ability; organizational factors; openness to change, 32707
clinical characteristics; obsessive compulsive disorder; family history; onset age; comorbidity; symptom theme; tics, 13833
clinical characteristics; severely impaired; comorbidity; adult patients; attention deficit hyperactivity disorder; academic achievement; employment; criminality, 19746
clinical correlates; anxious depression; elderly patients; major depression, 13670
clinical decision making; complex patients; empirically supported treatments; clinicians; ethical questions; practical questions; empirical questions, 24135
clinical decision making; complex patients; empirically supported treatments; clinicians; ethical questions; practical questions; empirical questions, 24141
clinical decision making; complex patients; empirically supported treatments; clinicians; ethical questions; practical questions; empirical questions, 24137
clinical decision making; complex patients; empirically supported treatments; clinicians; ethical questions; practical questions; empirical questions, 24124
clinical impact; mood disorder; comorbidity; obsessive-compulsive disorder; depression; bipolar disorder; disease course, 28938
co morbidity; clinical problems; schizophrenia; cognitive behavioral treatment; adjunct treatment; psychotic symptoms; social anxiety; depression; psychosis; suicide risk, 11317
co-occurrence; metabolic syndrome; depression; anxiety; young adults; psychological distress, 19715
co-occurring disorders; mental disorders; substance use disorders; Comprehensive Addictions and Psychological Evaluation; Structured Clinical Interview for DSM IV, 27621
co-occurring medical conditions; serious mental illness, 32001
cognitive behavior therapy; Asperger syndrome; psychiatric disorder; comorbidity, 32405
cognitive behavior therapy; obsessive compulsive disorder; medical constraints; elderly male; serotonergic medications; medical comorbidities, 20521
cognitive behavioral therapy; biofeedback assisted relaxation therapy; panic disorder; agoraphobia; depression, 16672
cognitive processes; comorbid mental health problems; insomnia; anxiety; mental arousal; sleep, 1312
cognitive-behavioral therapy; generalized anxiety disorder; panic disorder with agoraphobia; comorbidity, 23625
comorbid anxiety disorders; divalproex sodium use; partial hospital patients; psychotic disorders, 4384
comorbid bipolar disorder; psychiatric hospitalization; dementia; Veterans Administration database; alcohol abuse, 22880
comorbid diagnoses; schizophrenia prodrome; psychiatric symptoms, 28893
comorbid psychopathology; adolescents; substance use disorders; psychiatric disorders; juvenile justice system, 35965
comorbidity; adult psychopathology; adulthood correlates; traumatic brain injury; substance use disorder; demographic characteristics; childhood predictors; behavior problems; psychopathology, 13623
comorbidity; alcohol dependence; nicotine dependence; nicotinic acetylcholine receptors; alcohol seeking behavior; alcoholic chronic pancreatitis; pharmacotherapy; nicotine abstinence, 7840
comorbidity; anxiety disorders; anorexia; bulimia nervosa, 23048
comorbidity; anxiety disorders; anorexia; bulimia nervosa, 23063
comorbidity; anxiety disorders; bipolar I patients; clinical variables; demographic variables; obsessive compulsive disorder; panic disorder, 32098
comorbidity; asthma attacks; internalizing disorders; Puerto Rican children, 31989
comorbidity; dependent personality disorder; anxiety disorders, 10598
comorbidity; dependent personality disorder; anxiety disorders, 10608
comorbidity; dependent personality disorder; anxiety disorders, 10611
comorbidity; dependent personality disorder; anxiety disorders, 10614
comorbidity; disabilities; elders; Mexicans; Mexican Americans; health; aging; arthritis; cancer; strokes; diabetes; heart attack, 25783
comorbidity; eating disorders; parenting; test validity; test reliability; Young Parenting Inventory, 12520
comorbidity; frequency discrimination; children; reading difficulties; learning difficulties; verbal ability; attention deficit hyperactivity disorder; attentional factors, 26229
comorbidity; help seekers; mental health service; service planning; service delivery, 8527
comorbidity; insomnia; prevalence; elderly population; cognitive ability; aging; response time, 4602
comorbidity; learning disorders; emotional disorders; behavior disorders; intervention; academic underachievement; students, 10610
comorbidity; major depresson; Alzheimers disease, 19732
comorbidity; obesity; Attention Deficit/Hyperactivity Disorder; at risk population; nutritional states; children, 34803
comorbidity; obsessive compulsive disorder; attention deficit hyperactivity disorder; children; adolescents, 16635
comorbidity; personality disorders; bipolar disorder; obsessive compulsive personality disorder, 19755
comorbidity; posttraumatic stress disorder; suicidality; schizoaffective disorder; male veterans; schizophrenia, 23038
comorbidity; rosacea; alcoholism; cutaneous stigmata, 7574
comorbidity; schizophrenia; cancer; treatment; risk factors; psychotropic drugs; chemotherapy, 35408
comorbidity; substance use disorders; psychiatric conditions, 32088
comorbidity; substance use disorders; psychiatric symptoms; multimorbidity; comprehensive addiction treatment service; outpatient programs, 16610
compulsive sexual behavior; pathological gambling; addiction treatment; sexual behaviors; co-occurrence, 1473
conduct disorder; oppositional defiant disorder; depression; comorbidity; symptomatology; dysthymic disorder, 25809
criminal profile; personality profile; schizophrenia patients; comorbidity; psychopathic traits; forensic patients, 25766
depression; anxiety; cognitive function; elderly population; Hordaland Health Study, 10599
depression; cardiovascular disease; comorbidity; disease prognosis; medication noncompliance; risk factor, 1298
depression; coronary heart disease; patients; etiology; screening; comorbidity; mortality, 32007
depression; HIV infected men; gender disparity; comorbidity; dual diagnosis, 19734
depression; treatment; disability; life satisfaction; community activities; treatment outcomes; symptoms; comorbidity; interdisciplinary treatment; psychotherapy; antidepressant drug therapy; aging, 14337
depressive symptoms; physical & mental functioning; interferon/ribavirin treatment; posttransplant; hepatitis C; psychiatric comorbidity, 20678
developmental disorders; etiology; dyslexia; phonological deficit; cognitive deficit; attention deficit hyperactivity disorder; speech sound disorder, 32019
diabetes mellitus; major depression; comorbidity, 8042
diagnostic tests; multiple level studies; dementia; comorbidity; Alzheimer disease, 17349
discrete eating disordered behaviors; binge eating; purging; substance use and abuse; licit and illicit drug use; comorbidity; symptom clusters, 34801
disordered eating; obsessive compulsive symptoms; sub clinical student population; female undergraduate students, 19735
disorders prevalence; comorbid anxiety disorders; schizophrenia spectrum disorders, 32083
diurnal excretion; urinary cortisol; cortisone; cortisol metabolites; chronic fatigue syndrome; hypothalamic pituitary adrenal; comorbid psychiatric disorder; HPA axis, 25764
diurnal excretion; urinary cortisol; cortisone; cortisol metabolites; chronic fatigue syndrome; hypothalamic pituitary adrenal; comorbid psychiatric disorder; HPA axis, 25772
diurnal excretion; urinary cortisol; cortisone; cortisol metabolites; chronic fatigue syndrome; hypothalamic pituitary adrenal; comorbid psychiatric disorder; HPA axis, 13628
double dissociation; endophenotypes; comorbidity; attention deficit hyperactivity disorder; reading disability; neuropsychology, 26186
drinking problems; sexual assault victims; posttraumatic stress disorder; social reactions; comorbidity, 13652
DSM-IV drug abuse; DSM-IV drug dependence; demographic characteristics; comorbidity; prevalence, 10825
dysfunctional rearing; adolescent females; eating disorder; psychiatric comorbidity; emotional warmth; mediating variable; overprotection; rejection; community cases; hospitalized patients, 17116
eating disorders; comorbidity; adolescents; children; psychopathology; severity; malnutrition, 16636
eating disorders; diagnostic spectrum; comorbidity; illness phenotypes; diagnostic compendiums, 20149
effectiveness; dialectical behaviour therapy; borderline personality disorder; inpatient setting; comorbidity, 29595
endocrinology; psychiatry; women; epilepsy; comorbid pathology; neurological symptoms, 14230
epilepsy; intellectual disability; living environment; quality of life; family; attention; comorbidity, 32039
erotomania; cerebrovascular accident; frontotemporal impairment; personality factors, 1749
factitious disorder; Parkinsons disease; psychiatric comorbidity; major depression; panic disorder; dopamine dysregulation syndrome; levodopa; drug addiction, 4835
first episode; neurology; schizophrenia; soft signs; psychomotor poverty; disorganisation; reality distortion; treatment outcomes, 13794
fluoxetine; adolescents; major depression; substance use disorder; clinical course; comorbid adolescents, 8371
food addiction; sex addiction; addiction interaction treatment; clinicians; recognition, 1912
functional disability; whites; rural old adults; American Indians; comorbid type 2 diabetes; ethnic differences; arthritis; heart disease; cancer; respiratory disease; hypertension, 4631
generalized anxiety disorder; prevalence; burden of comorbidity; neurobiologic mechanisms; diagnosis; drug treatments; Generalized Anxiety Disorder Inventory, 28849
generalized social phobia; performance focused social phobia; comorbidity; gender; age differences; anxiety, 34833
genetic epidemiologic perspective; comorbidity; depression; anxiety; family risk, 10619
geriatric psychiatry; depression; comorbidity, 17408
health; well being; posttraumatic stress disorder; substance use disorder; comorbidity; mental health; physical symptoms; psychopathology, 28761
hemophilia; psychiatric morbidity; stress; coping styles; quality of life, 1676
heroin use; incarcerated youths; illicit drug use; psychosocial environment; substance use history; psychiatric comorbidity; drug administration, 29033
high risk behaviors; substance use; methamphetamine use; alcohol use; illicit drugs; sexual intercourse; violence, 22876
idiopathic Parkinson's disease; chronic paranoid schizophrenia; coexistence; dopaminergic innervation; nigral neurodegeneration, 34844
insomnia; cognitive behavioral therapy; older adults; chronic disease; stress management; comorbidity; osteoarthritis; coronary artery disease; pulmonary disease, 8311
integrated treatment; treatment outcomes; co-occurring disorders; dual diagnosis; severe mental illness, 11656
interpersonal psychotherapy; major depression; medical patients, 26742
interpersonal trauma; PTSD symptoms; pediatric population; predicting comorbid non-PTSD anxiety disorder, 1415
intervention program; attention deficit hyperactivity disorder; substance use disorders, 23158
late life depression; comorbidity; medical illness; risk factors; neurodegenerative diseases; rehabilitation; psychoeducation; early intervention; hyperlipidemia; diabetes; hypothyroidism, 1293
latent class analysis; anxiety symptoms; depressive symptoms; referred adolescents, 7612
leptin; cortisol; comorbidity; major depression; anxiety disorders; chronic stress, 13631

local global processing; obsessive compulsive disorder; comorbid Tourettes syndrome, 10726
Machado Joseph disease; multiple sclerosis; inflammatory demyelination; pathogenesis; magnetic resonance imaging, 1816
major depression; female urinary incontinence; illness comorbidity, 16656
major depression; substance use disorder; clinical evaluations; cannabis dependence; comorbid depression; adolescents, 7583
major depressive episode; anxiety disorders; anorexics; bulimics; comorbidity; subject variables, 20126
maladaptive personality traits; coping styles; psychological distress; adult male prisoners; comorbidity, 31880
manic disorder; bipolar depression; bipolar disorder; depressive mood states; diagnostic issues; co-morbid disorder, 1376
medical disorders; mental illness; comorbidity; psychiatry, 22891
medical problems; adolescents; mental health services; functional impairment; comorbidity; behavioral problems; developmental disorders, 32043
mental disorders; comorbidity; postrunaway arrests; homeless adolescents; runaway adolescents, 34782
mental disorders; physical disorders; comorbidity; work loss days; anxiety disorders; mood disorders, 4263
mental disorders; substance use disorders; psychotic disorders; quality of care; comorbidity, 11653
metabolic comorbidity; schizophrenia; genetics; type 2 diabetes, 7688
methamphetamine; Taiwanese adolescents; drug use; psychiatric comorbidity; personal knowledge; peers, 20002
Millon Adolescent Clinical Inventory; male juvenile offenders; somatic complaints; depressive disorders; behaviorally disruptive adolescents, 1286
multiple suicide attempts; comorbid health risk; Hampshire; adolescents; self report; single suicide attempts, 7808
neuropsychological assessment; phobias; stiff person syndrome; anxiety symptoms; spasms; comorbidity, 1761
nicotine dependence; illegal drugs; psychiatric morbidity; smoking, 32360
night eating syndrome; psychiatric population; comorbid psychopathology; prevalence, 23274

theory; planned behavior; drivers; beliefs; intentions; compliance; speed limits, 9239
universal precautions; anesthesia technician; nurse training; anesthesia nurse compliance; group goal; public feedback; nurse patient interactions, 11766

Comprehension [See Also Number Comprehension, Verbal Comprehension]—Serials

early reading development; home literacy experiences; early understanding; visual aspects; orthographic aspects; print , 13145
abstract knowledge; concrete knowledge; bilingual patient; semantic refractory access dysphasia; cerebral artery stroke; semantic association; comprehension, 26386
agreement; third person; children; mainstream American English; comprehension, 3825
algebra; numeric efficiency; compensatory-encoding theory; compensations; automatic processes; comprehension; time restriction; subcomponent efficiency, 30327
ambiguous idioms; aphasic patients; figurative meaning; words; comprehension, 23409
assimilation model; insight; psychotherapy; problem formulation; understanding; APES; meaning bridges; case study, 17432
autistic children; narrative discourse; scaffolding; coherent interpretations; language; socialpragmatic account, 1594
belief emotion lag; child attitudes; heroic disposition, 10105
brain activation; sentence comprehension; inferior frontal gyrus; supplementary motor area; lingual gyrus; brain change, 18977
cancer information; readability instruments; comprehension; word recognition; Internet; cancer education; health literacy; Web-based information; print information, 23368
canonical word order; English; second language learning; comprehension; isomorphism, 5810
causal coherence; narrative comprehension; objects location; recognition; encoding; reading, 3434
causal judgment; phenomenal causality; naive physics; semantics of causality; causal understanding; causal asymmetry; bias; theories, 12753
child behavior; teacher understanding, 30212
children understanding; inversion; missing number paradigm; arithmetics, 25262
children's understanding; market forces; childhood development; demand supply effects; exchange value; services, 13142
children; medicine related topics; communication; understanding, 13105
childrens understanding; ambiguous figures; cognitive developments; imagery abilities; ambiguous stimuli reversal; executive functioning, 780
childrens understanding; scientific knowledge; earth representations, 22483
childrens understanding; social interaction; reputation; peer relations; gossip; age differences, 34406
cognitive representation of numbers; graph comprehension; bar graph designs; spatial layout; magnitude information; mental number line; performance, 6518
collective mathematical understanding; improvisation; mathematics education; classroom practice; mathematical tasks, 18054
communication behaviors; interorganizational exchanges; individual level interorganizational exchanges; problem-solving efficacy; conflict resolution; business to business sector, 9175
comparative understanding; school subjects; children, 8943
comprehension; print advertising; semantic structures; reading comprehension; marketing; persuasion process, 18792
computer systems; learning; metacognition; comprehension; Point&Query; AutoTutor; iSTART, 5746
computerized presentation; text; children; reading; comprehension; reading rate; recall, 24190
conspicuity; memorability; comprehension; priming; road hazard warning sign; driving simulator; drivers, 18400
corepresentation; task sharing; perception-action link; social understanding; joint action; interpersonal coordination; action planning & control, 6431
correspondence bias; causal uncertainty; cognitive busyness; causal strength; situational information; sense making; social behavior, 13497
counseling psychology; human functioning; professional understanding; content analysis; positive psychology, 14388
creativity; Korean elementary teachers; teacher survey; gifted education; gifted students; teachers understandings & role, 27288
developing understanding; beliefs; childrens development; mental simulation, 10126
developmental difference; preschool aged children; psychological states anticipation; children ability; future self anticipation, 771
executive functioning; preschoolers understanding; false beliefs; false photographs; false signs; mind development, 28258
explanation; understanding; causation; mental models; concepts, 9589
eye movements; comprehension processes; reading, 27872
fantasy; childhood understanding; pretense; childhood development; causal knowledge violations, 10071
hands on exercise; understanding; standard error of the mean; statistics students, 36280
human-computer interaction; online learning; multimedia learning; textbooks; science education; animation; narration; static text; diagrams, 6588
humor appreciation; recognition latency; salient content; humor model; comprehension, 6895
idiom comprehension; central executive; right brain damage; aphasia, 32665
imitation; goals; children; social learning; demonstration, 25301
informed consent; longitudinal studies; participants limited understanding; knowledge level, 11808
intelligence; beliefs; consciousness; reality; understanding, 1191
interaction; statistics; syntactic category ambiguity; lexical access; words; sentence comprehension, 15657
Internet; Children's Internet Protection Act; understanding; complexity; artifact, 22510
Kintsch's Construction-Integration Model; text comprehension; learning, 27917
knowledge; understanding; common item pool; national estimates; students; Asian studies; state and territory curricula, 6347
labels; attention; novel objects; childhood development; autism spectrum disorder; group comparison; vocabulary; language development, 26199
language acquisition; children; evidentiality; certainty; understanding of others as epistemic beings; choice behavior; verbs; Japanese speakers, 19186
language skills; simultaneous interpreters; language proficiency; language comprehension; working memory; cognitive skills, 16009
language; comprehension; semantix; syntax; lexical information, 15675
late life marriages; difficulties; disagreements; disappointments; marital satisfaction; older couples, 7219
learning; diagrams; self-explanation; mental models; comprehension processes; inference generation, 14994
logical relations understanding; discrete quantities; continuous quantities; childrens understanding; reasoning generalization, 785
major depression; mental illness; Medicare Part D program; program comprehension, 29888
mechanical diagrams; comprehension; mechanical systems; arrows, 27841
mental health court; legal decision making; voluntary participation; legal competency; court processes comprehension, 9286
metacomprehension; ease of processing; fluency; judgments; aging; text learning; age-related differences, 22455
metacomprehension; metacognition; judgment; learning; memory, 3390
metacomprehension; self-regulated study; metacognitive monitoring; delayed keyword effect; metacomprehension accuracy, 6436
metacomprehension; text comprehension literature; comprehension monitoring, 3405
metaphor comprehension; aptness; conventionality, 21931
metaphor; simile; writers; comprehension; psycholinguistic comparison theories, 22378
middle school students; understanding; equal sign; textbook series; algebra, 36266
momentary accessibility; metacomprehension judgments; judgment lags; accessibility effects, 24782
motivation; poorly specified speech; perception; sentences; consonants; words, 19099
motor resonance; language comprehension; action observation; mirror system; mental simulation; embodied cognition; visual stimulation, 12703
neural activity; concurrent vowel segregation; age related changes; speech comprehension, 573
object labels; desires; conventional nature; nineteen-month-olds; understanding; cognitive generalization, 34352
partial knowledge; abstract words; conceptual knowledge; semantic dementia; Alzheimer's disease; cortical degenerative conditions, 29253
patients science understanding; clinical trials; informed consent, 11819
personality trait information; verbal irony; children's understanding; interpretations; cues coordination, 13154
preadolescents understanding; adolescent reasoning; asylum seekers; peer group interaction; individual importance; friendship exculsion, 10156
preposition comprehension; word learning abilities; language development, 22493
preposition comprehension; word learning abilities; language development, 31422
promoting self explanation; statistics; students' attitudes; teaching methods; comprehension; academic achievement, 8961
pronouns interpretation; Broca's aphasia; Wernicke's aphasia; comprehension problems; grammatical knowledge; processing; psycholinguistics, 14283
psychology education; teachers; students; causation; statistical correlation; comprehension, 14961
reading skills; mathematical fluency; decoding; chunking; comprehension; reading aloud, 30263
reasoning; manual search; toddlers; development; hidden objects; understanding; expectations; spatial prediction, 16121
relation priming; relational similarity; word pair; comprehension; noun; lexical similarity, 21922
relevance theoretic perspective; theory of mind; normal child development; Autism Spectrum Disorder; mind reading abilities; communicative abilities, 20071
relevance theoretic perspective; theory of mind; normal child development; Autism Spectrum Disorder; mind reading abilities; communicative abilities, 20090

relevance theoretic perspective; theory of mind; normal child development; Autism Spectrum Disorder; mind reading abilities; communicative abilities, 20070
religion; understanding; Arab Muslim children; Asian Muslim children; Christian children; Hindu children, 13230
repetition; comprehension; television content; videos, 25279
risk information; genetic counseling; risk communications; risk expressions; risk responses; comprehension; words; numbers, 2202
second order belief attribution; child performance; conceptual understanding; information processing, 34345
second order belief attribution; child performance; conceptual understanding; information processing, 19170
semantic category membership; syntactic decision making; event related brain potentials; psycholinguistics; language comprehension; semantic gender marking, 34159
semantic dementia; verbal expressions; linguistics; semantic processing; numerical knowledge; comprehension, 26379
semantic processing; silent pauses; lexical processing; speech comprehension; electrophysiology, 9954
semantic relatedness gradients; refractory access semantic deficits; static storage semantic impairments; comprehension skills, 11059
sentence processing; neuropsychology; comprehension deficits; syntactic knowledge; short term memory deficit, 15885
sentences; transposed letters; jumbled letters; comprehension; reading; eye fixations; eye movements, 18802
social interactive processes; cultural diversity; organizational settings; shared understanding; multicultural groups, 2800
social scientists; understanding; affirmative action; attitudes; education settings; employment; controversy; negative consequences; social behavior; policy, 10373
speech arrest; language deficit; epilepsy surgery; electrical cortical stimulation; treatment outcomes, 26765
speech production; speech comprehension; simulated driving performance; driving environment, 15307
speech understanding in aging; hearing; comprehending conversations; listening to dialogue; older adults, 15625
spoken language comprehension deficit; verb subcategory knowledge; lexical syntax, 7983
spontaneous thoughts; counterfactual thoughts; causal explanations; intervention; events; prediction; understanding, 30999
structuring complex news; engagement; situational understanding; cognitive models; text comprehension, 28220
student comprehension; stories; moral education; cultural factor; European American students; Native American culture, 24210
television advertising; children's understanding; social learning; parents, 13179
temporal systems; frontal systems; speech comprehension; functional magnetic resonsance imaging, 578
text comprehension skills; middle aged adults; age effects; word recognition, 15653
text presentation; reading fluency; comprehension; reading skills; students behavior, 33438
text understanding; severe head injury; memory operations assessments; think aloud procedure; inference assessment, 1821
theory of mind; Asperger syndrome; high functioning autism; central coherence, 32410
theory of mind; false belief; understanding; microgenetics; childhood development; cognitive processes, 25241
toddler's symbolic understanding; iconic models; cross task comparison; preferential looking responses; photographs; infant development; infant performance; visual perception, 6999
transitivity; structural cue; telicity comprehension; language acquisition; childhood development; semantics, 16138
type specification; reading efficiency differences; public schools; textbooks, 30229
understanding; attention deficit disorder with hyperactivity; frontal lobe function; response inhibition; cognitive ability, 28261
understanding; numerical magnitudes; math ability; estimation skills; knowledge; children ability, 28226
understanding; treatment; posttraumatic stress disorder; syndrome; survivors; trauma; dissociation; somatization; affect dysregulation; pathology; diagnosis, 29526
university students; child maltreatment; careers; academic disciplines; mandated reporting; knowledge; understanding, 26062
verb noun name relation; anomic aphasia; verb impairment; Greek English bilingual individuals; verb processing; noun comprehension; verb comprehension; instrumentality, 20263
visions; revisions; secondary teacher education course; hegemonic understandings; curriculum; performances, 17931
visual signals; text comprehension; speech synthesis; text memorization; discursive segments; prosodic cues, 21528
working memory capacity; seductive details effect; text; learning; comprehension, 22013
working memory; proverb comprehension; adolescents; traumatic brain injury; familiarity, 26427
young children's ideas; poverty; beliefs; social representation theory, 10098

Comprehension [See Also Number Comprehension, Verbal Comprehension]—Books

Artifacts and organizations: Beyond mere symbolism, 9903
Understanding and evaluating research in applied and clinical settings, 11792

Comprehension Tests—Serials

reading comprehension; Diagnostic Assessment of Reading Comprehension; psychometrics; Woodcock-Johnson Passage Comprehension test; test validity; test reliability, 27659

Compressed Speech—Serials

speech comprehension; perceptual learning; aging; time compressed speech; frequency shifted speech; adult age differences; adaptation, 7013

Compulsions [See Also Repetition Compulsion]—Serials

Almost Perfect Scale; measurement; prediction; obsessive compulsive; perfectionism; symptoms; college students, 25966
autism; repetitive behaviors; early features, 20089
cognitive behavioral workshop; effectiveness; subclinical obsessions; subclinical compulsions, 16817
compulsive buying; case report; grounded theory; credit card use; family therapy; consumer behavior, 29611
compulsive buying; gender; age; endorsement of materialistic values; predictors; dysfunctional consumer behaviour; psychiatric disorder, 7762
compulsive hoarding; obsessive compulsive disorder; obsessions; compulsions, 1423
compulsive Internet use; human computer interaction; sexuality; computer applications, 16413
drug addiction; compulsion; impulsivity; animal research; animal models, 19052
fashion orientation; credit card use; compulsive buying; antecedents; marketing strategies; consumer market; consumer psychology, 12303
generalized anxiety; obsessions; compulsions; major depression; syndromes, 7609
rat model; obsessive compulsive disorder; compulsive behavior; rats; lever pressing; orbital cortex; brain lesions; dorsal medial prefrontal cortex, 3576
reality monitoring; motor memory; checking-prone individuals; obsessive-compulsive disorders, 25978
repeated checking; memory distrust; obsessive compulsive disorder, 16808

Compulsive Gambling [See Pathological Gambling]

Compulsive Neurosis [See Obsessive Compulsive Disorder]

Compulsive Personality Disorder [See Obsessive Compulsive Personality Disorder]

Compulsive Repetition [See Repetition Compulsion]

Compulsivity (Sexual) [See Sexual Addiction]

Computer Anxiety—Serials

computer anxiety; computer anger; computer use; computer experience; self efficacy beliefs, 19667
computer anxiety; computer users; computer tasks; task complexity, 15320
computer anxiety; gender differences; biological gender; psychological gender; masculinisation, 16581
computer anxiety; teacher trainees; personality variables, 11878
computers; learning; digital divide; gender; technology; computer-assisted software; computer-assisted instruction; computer anxiety; socialization, 36583
Raven Progressive Matrices Test; computerized versions; standard versions; equivalence; trait anxiety; state anxiety; computer anxiety, 15441

Computer Applications [See Also Artificial Intelligence, Computer Assisted Design, Computer Assisted Diagnosis, Computer Assisted Instruction, Computer Assisted Testing, Computer Simulation, Groupware, Hypermedia, Hypertext]—Serials

adaptive value; natural language discourse; traits; fitness; computer applications, 27491
aging; technology adoption; cognition; attitudes; age differences; technology use, 22406
alcohol assessment; handheld computers; alcohol consumption; drinking patterns; computer-assisted self-interviewing, 7842
algebra word problems; automatic item generation; quantitative reasoning; Rasch model; quality control; construct validity; intelligence structure battery, 15393
Annals online discussion; healing processes; health care services; primary care, 8554
attention; mobile computing; information; attentive state; personal attentive user interfaces; cognitive processes; user centered design; information presentation, 15292
audio computer assisted self interviewing; risky behaviors; young urban men; risky sexual behavior; college education; cultural sensitivity of behavior, 228
auditory perception; cocktail party phenomenon; human auditory scene analysis; computational auditory scene analysis, 331
automation; user participation; usability testing, 21530
behaviour; information technology; customer groups; research findings, 15286
career services; technology; career counseling; computer based systems; web sites, 2810
client acceptability; computer use; sexual health clinics; technology; computer assisted self interview, 23792
clinical assessment; computer application, 20739
clinical judgment; psychological assessment; decision making processes; computer based test, 14798
clinical psychology; depression; patients; computerized cognitive behavioral therapy; anxiety; CD Rom, 14422
compulsive Internet use; human computer interaction; sexuality; computer applications, 16413
computation; effect size; moderating effects; categorical variables; multiple regression, 30799
computational approach; scholarly sensemaking; digital library; sensemaking tools, 18389
computational model; robust preference; decision theories; decision making, 3378
computer analysis; brain images; schizophrenia diagnosis, 10687
computer assisted learning; student grades; student performance; online interaction, 11980
computer based intervention; childhood depression; psychosocial support; psychoeducational intervention; psychiatric illnesses, 16713
computer based working environments; creativity support; creative problem solving environments; Virtual Workbench, 12327
computer confidence; navigation tools; hypermedia; learning environment; performance; attitudes, 21160
computer experience; computer programs; computer networking; learning; students, 15070
computer experience; input devices; computer tasks, 3908
computer human interaction; polite computing; user choice; self disclosure; software applications, 9217
computer mediated communication; communication technology; workplace; communication apprehension, 6886
computer mediated communication; persuasive effects; system features; intelligent systems; decision support system; negotiation settings, 707
computer tailoring; attention; ERP analysis; persuasion; health communications; nutrition education, 20725
computer technology; immigrant families; adaptation; ethnography, 16325
computer use; well being; older adults; Internet; technology, 22578
computer user frustration; severity; computing technology; computer crash; computer network congestion; personal dissatisfaction; self efficacy, 19634
computer-assisted assessment; higher education; academic achievement; computer applications, 36284
computer-assisted interviewing; face-to-face direct interview; emotional and behavioral difficulties; child psychiatric interviews; clinician-child communication, 11271
computers; redistricting plans; electoral competition; ballot box, 4029
computing core; periphery structures; permutation tests; social relations; social network; algorithms, 13443
concept mapping; classroom concepts; computer technology; software analyser; Reasonable Fallible Analyser, 18013
consumer psychographics; Taiwan; marketing; e-commerce; psychological variables; consumer behavior, 21454

Computer Applications—Serials

contingencies; web-based programmed instruction; cued-text presentation, 27541
convergent criterion-related validity; human based methods; computer based methods; software tools; scoring; concept maps; essays, 11934
creative tasks; writing; designing; reflective processes; creativity support tools; computer applications; software, 33680
DEPCOR program; dependent correlations; common elements, 12607
design principles; animated pedagogical agents; motivation, 11907
differential functioning of items and tests; SAS/IML program; significance testing; differential item functioning; differential test functioning; DIFCUT, 12440
digital technologies; reconfiguration of music, 694
discussion; gendered language; computer mediated communication; language style; gender stereotypes; gender differences, 25177
domain mapping; visualization; tools; virtual rehabilitation; virtual reality; computer applications, 23956
e-mail; egocentrism; overconfidence; miscommunication; nonverbal behavior; emotion, 7414
ecological interface design; computer network management; fault frequency; network size; human performance, 12341
economic perspectives; computer based tools; alcohol problems; diagnosis; alcohol treatment, 23165
ego-centered networks; computer-assisted interviews; social networks; substance use, 24700
electronic human resource systems; system acceptance; system effectiveness; individual characteristics; system characteristics; information flows; social interactions; perceived control, 27361
electronic prescribing systems; computer decision support; medication errors; legible prescription; drug interaction checks, 29452
empathic agents; frustration; varying agent characteristics; computer systems; human interaction; human computer interaction, 19624
empirical findings; semiotic human-computer interaction; computer mediation; computer-mediated work; model; activity theory, 12369
epistemic impasse; computational theory of mind; intrinsic intentionality; computer programming; computer applications; Chinese room thought experiment; robot repiy, 3396
ergonomics; computer manikins; workers task performance; sequence based activity; method analysis; assembly environment, 3034
evaluation culture; computer assisted learning; systematic evaluation; course websites; teachers; learning tools; e-learning; Hong Kong universities, 11943
evocation processes; creative design tasks; cognitive mechanism; computational system design; design expertise; inspiration sources, 12320
flow states; net detecting web users; positive affects; online experience, 9922
functional organs; computer use; collaborative group projects, 21502
Ghana; adolescents; Internet; health; computers, 23801
Google search engine; word for word plagiarism; masters theses; anti plagiarism software packages; Googles effectiveness; academic disciplines, 695
group decision making; decision support systems; computer applications, 13465
hands free; speech recognition; navigation; dictation; physical impairments; decision support systems; computer applications, 21527
hearing protection; multimedia technology; training; audiometric testing; computer; intervention program; psychometrics, 87
home schools; cyber schools; charter schools; public schooling; educational reforms; Internet, 21111
hotel websites; travelers; online promotions; purchase intention; Hong Kong, 6082
human computer interaction; information theory; Hick Hyman law; Fitts' law, 9220
inconsistent knowledge; Web navigation; Web site content; Web site design, 12328
information delivery; online learning; digital myopia; higher education, 8904
information systems; Touchgrid; virtual teams; team performance; politeness; computer systems; man machine system, 9216
information technologies; American Sociological Association; computer technologies; new media; communication, 34253
innovations; job analysis; metrics; human resource; technology; decision making; organization; occupational information network, 36429
Internet guidance; health information seeking; physician referrals; patient expectations, 8214
Internet-based interventions; computer-based interventions; smoking intervention; smoking cessation, 14758
internet; organizational behavior; public relations, 36500
journals; electronic world; reviewers; communications; hybrid system; computers, 23546
kinematic analysis; cursor trajectories; computer touchpad; pointing device, 12324
management information systems; human computer interaction; Association for Information Systems; Special Interest Group on Human Computer Interaction, 6107
multimedia computer; computer assisted patient education; clinical outcomes; knowledge retention; health attitudes; shared decision making; costs; health services utilization; decision making, 11525
multiuser interfaces; collaborative computer applications; group interaction, 6112
national wealth; academic achievement; mass media; computers; cross national differences, 21177
navigation; digital video; video cassette recorder; media players, 18414
Nottingham Tool for Assessment for Interaction in Virtual Environments; participant performance; virtual reality, 15274
nurse requirement planning; computer model; personnel recruitment; nurse requirement estimation, 2425
online apocalyptic discourse; narrative plasticity; sustainability; Christian discourse; September 11, 2001, 19336
online survey; online advertising format; self report; consumer response, 27452
palmtop computers; intellectual disabilities; evaluation, 26236
patients' perceptions; preoperative information; interactive computer program; cholecystectomy; patient satisfaction, 11477
pediatric hematology-oncology patients; intravenous procedures; CD-ROM intervention; cognitive appraisals; fear; behavioral distress; pain, 17566
personal computers; millisecond response time; Linux; psychologist, 27499
polylogue; commercial colloquium; information; pragmatic knowledge; linguistic expression, 31345
predictive validity; computer assisted career decision making system; client satisfaction, 18260
propensity effect; hindsight bias; judgments; courtroom; jurors decision making; computer animation, 21573
Rob Kling; analytical inquiry; information & communication technology; empirical research; social informatics, 3734
robustness; centrality measures; random error; computer applications; data processing; social networks, 15321
science learning environment; literature multimedia learning; multimedia design, 2676
Scorerel CI; Excel program; computing confidence intervals; reliability coefficients, 3128
screen captures; software application instruction; audio; college students; student attitudes; academic achievement; modality; text, 2597
search engines; information retrieval; Internet; information processing; individual experience, 13061
security models; open services; open service environment; security interoperability, 36594
sequential computerized mastery tests; simulation studies; item response theory; computer applications; computer assisted testing, 15408
shared mental models; team decision making; Collaborative Agents for Simulating Teamwork; proactive communication strategy; information needs, 18348
sharing solutions; multimodal collaborative problem solving; grounding; computer mediated collaboration; shared whiteboard; chat tool, 15273
strategic intranets; computer applications; organizations, 36399
student achievement; school counselors; Microsoft Excel; interventions; achievement gap; ethnic groups; test scores; correlational data; prediction data; evaluation, 27138
student tools; collaboratively authored tasks; computer based tools; science learning unit, 21130
suicide education; Nunavut; computer applications; hamlet; technology; counselors; CD-ROM-based training, 28985
teaching; children; autism spectrum disorders; computer technology; activity schedules; student performance, 21258

Computer Assisted Instruction—Serials

therapy services; descriptive analysis; communication technologies; Internet; online counseling; practitioners, 20338
time management service; distributed multi-agent systems; software systems, 36600
tree adjoining grammar; abstract specifications; syntactic principles; linguistic structure, 6928
tsunagari-kan communication; telecommunication environment; situational cues; families, 9975
user centered privacy; mobile information services; portable networked devices, 34255
video capture system; virtual reality; motor control paradigm; visual tracking; computer applications, 24492
virtual environment; virtual reality; post traumatic stress disorder; exposure therapy; computer applications, 23052
virtual reality training; roadside crossing judgments; child pedestrians; injury; computer-simulated training; education, 800
virtual reality; graphics; traumatic brain injury; visual field; computer applications, 23480
virtual reality; grocery store; vestibular dysfunction; physical therapy; computer applications, 23533
virtual reality; Pencil and Paper Tests; sensory neglect; cerebral dominance, 23512
virtual reality; rehabilitation; upper limb; stroke; head mounted display; side effects; computer applications, 23946
virtual reality; rehabilitative technology; phantom limb experience; phantom limb pain; computer applications, 23952
visual aids; communication; computer assisted therapy, 17430
visual interaction; human computer interaction; visual languages, 30588
voluntary contribution experiments; communication; punishment; public goods, 34263
web based job analysis; human resources functions; computer applications; occupational information network; US Navy, 36413
web environment; situational involvement; flow construct; Internet marketing; enduring involvement, 21453
Wechsler Memory Scale 3rd Edition; MicroCog; older adults; computerized assessment; cognitive functions; memory; clinical decision making, 18505
YADbrowser; web based educational applications; Internet; object model; computer languages, 2684

Computer Applications [See Also Artificial Intelligence, Computer Assisted Design, Computer Assisted Diagnosis, Computer Assisted Instruction, Computer Assisted Testing, Computer Simulation, Groupware, Hypermedia, Hypertext]—Books

Ambient Intelligence: The evolution of technology, communication and cognition towards the future of human-computer interaction, 12338
Touch and blindness: Psychology and neuroscience, 14298

Computer Applications [See Also Artificial Intelligence, Computer Assisted Design, Computer Assisted Diagnosis, Computer Assisted Instruction, Computer Assisted Testing, Computer Simulation, Groupware, Hypermedia, Hypertext]—Chapters

The Success of TIT FOR TAT in Computer Tournaments, 12374

Computer Assisted Design—Serials

agent based software patterns; user modeling; usage mining, 6127
cognitive styles; experts individual differences; computer assisted troubleshooting; ergonomics; expertise effects, 15272
cognitive workload; computer based procedure system; process control system; nuclear power plant, 12343
Hunts General Theory of Competition; business environments; organizational learning; competitive market strategy research; evolutionary computing tools, 9085
Reload Learning Design Editor; learning design tools; user friendly interface, 11945
user centred design; user needs analysis; application supporting communication; user interface design, 18392

Computer Assisted Diagnosis—Serials

cell phones; ecological momentary assessment; cocaine addicted homeless patients; computer automated telephone interviewing, 13961
computer-assisted diagnostic interviews; mental disorders; psychotherapy patients; comorbidity; symptom severity; client acceptance; sociodemographic characteristics; patient feedback, 26570

Computer Assisted Instruction [See Also Intelligent Tutoring Systems]—Serials

academic honesty; online courses; teachers; students; higher education; dishonesty, 21081
activity theory; analyzing knowledge building framework; computer databases; computer supported learning environment; community; rules; mediating artefacts; division of labour, 33415
activity theory; higher education; learning technologies, 11959
adaptive systems; foreign language development; hypermedia; learning; evaluation; information technology; schools, 30266
assessing social ability; online learning environments; cognitive learning; social learning; social interaction; computer mediated social mechanisms, 21218
assistive technology; literacy skills; language education; disabled students; team decision making; reading skill support; writing skills; literacy partnerships, 18116
asynchronous learning networks; online work; knowledge building; collaborative inquiry; teacher education, 18041
attention aware systems; educational settings; computer presentations; information delivery, 14979
behavior modeling; interpersonal skills; online learning; learning outcomes; teaching; model presentation formats, 8897
challenging topics; science education; ontology training; students attitudes; students learning, 30288

social interactions; solo-duo gap; instructional design; individual cognition; computer supported collaborative learning; psychology; group processes; distributed cognition; CSCL scripts, 10375
social online learning; learning process; emotions; student attitudes, 5816
special education teachers; alternative communication; distance learning; augmentative communication; web based course; teacher education, 11885
speech recognition technology; reading practice; attendant behavior; read-aloud behavior; computer based program, 36251
story writing space; child collaboration; peer collaboration, 36235
structured integrated learning system; first grade students; reading gains; reading achievement; reading skills, 2644
student attitudes; books; computers; learning, 15056
student choice; pedagogical agents; human computer interaction; science learning; multimedia program; gender differences; ethnicity; retention, 21225
student conversation; computer based technology classroom; kindergarten students, 5829
student expectations; Pymalion effect; quality expectation; student achievement; media-based learning; computer-based training, 36335
student learning communities; health sciences; Physiotherapy degree program; innovative learning; teaching methods; computer assisted education, 9923
students attitudes; coping; on line forum; curriculum, 11930
students construction; scientific explanations; scaffolds; instructional materials, 18026
teacher education; problem-based learning; e-learning environment; blended learning; pedagogical approaches, 36190
teachers beliefs; multimedia learning; computer assisted instruction, 11894
teaching approach; computerization; schools; teacher attitudes; computer assisted instruction, 11969
team training; geographically distributed teams; computer-assisted training proficiency; knowledge transfer, 24389
technological issues; computer based testing; computer assisted instruction, 15398
technology enhanced teaching; educational research evidence; learning environments designm & evaluation; approaches; authentic learning; scientific thinking; computer integration; science teaching, 11869
technology facilitated solution; advanced students; large undergraduate classes; learning program, 14977
technology; teaching; learning; teachers; computer assisted learning, 30238
theory of e-learning; design patterns; higher education implementation; technologies; learning processes; student & faculty survey results; teaching; learning; information technology, 11948
traditional classroom lecture; online education; general psychology course; exam performance; course evaluation; high school grade point average, 21137
transition; higher education; on line program; students; needs; expectations, 11994
universities; quality of learning experiences; online; face to face discussions; Internet; discontinuities; quantitative methodologies; ratings, 17939
user interface; ARTUR; computer based speech training system; human computer interface; language disorders, 32503
virtual fetal pig dissection; females high school biology students; learning tool; virtual lab experience; knowledge acquisition, 11940
virtual group problem solving; basic communication course evaluation; online learning; performance expectations; threaded discussion boards, 21157
virtual reality; agoraphobia; learning environments; rehabilitation; computer assisted instruction, 23046
web based instruction; Internet courses; volition; course completion, 21075
web based programmed instruction; rule governed learning; tutoring; Java programming course; graduate students, 11914
web based tutorial; student learning; occupational therapy students; activity analysis; technology; feedback; instructional strategies, 2508
web-based animation; static graphics; animation strategies; instructional effects, 36296
writing exercises; introductory psychology students; students performance, 5759
YADbrowser; web based educational applications; Internet; object model; computer languages, 2684

Attention-Deficit/Hyperactivity Disorder; Computer-Administered Choice; student characteristics & behavior; choice of verbal vs written feedback, 21242
Bayesian item selection; adaptive tests; polytomous items; maximum expected information; posterior weighted information; computer adaptive testing, 15323
Center for Epidemiological Studies Depression Scales; Internet users; Perceived Stress Scale; web based versions; psychological distress, 15450
clinical assessment; computer application, 20739
computer adaptive tests; individualized tests; measurement; item selection; item response theory, 30657
computer assessment; interrogative suggestibility; test construction; Gudjonsson Suggestibility Scale; computer based feedback, 12470
computer based testing; Internet delivered testing; ethical and legal issues; test performance; ownership, 21598
computer-assisted assessment; higher education; academic achievement; computer applications, 36284
computerized adaptive tests; security severity; examinees, 15324
Computerized Assessment System for Psychotherapy Evaluation and Research; treatment effectiveness; psychiatric inpatients; concurrent validity, 21675
computerized mental rotation task; functional magnetic resonance imaging; task validity, 27650
computerized test; self control; classroom behavior; children; attention deficit hyperactivity disorder, 30372
essays; computerized assessment; university students, 14955
estimation procedures; actual latent trait distributions; item pool characteristics; computerized adaptive testing system; partial credit model, 14
international guidelines; computer based testing; Internet delivered testing; testing environment; technological change; practitioners perspective, 24138
international guidelines; computer based testing; Internet delivered testing; testing process; stakeholder, 21608
Internet delivered testing; computer based testing; International Test Commission guidelines; science and technology, 21597
Internet delivered testing; computer based testing; International Test Commission guidelines; designing guidelines, 21596
item response time; computer aided testing; verbal memory; response latency, 3376
item review; examinees abilities; rearrangement procedure efficacy; test reliability; test scores; adaptive testing, 137
item selection efficiency; computerized adaptive testing; feedback control mechanism; item response theory, 12427
low stakes testing; motivation; differential effort; test validity; response time; computer based test, 18599
Montgomery Asberg Depression Rating Scale; interactive voice response; test reliability; test validity; depression; clinical trials, 12509
multistage testing; test administration; educational measurement; computerized adaptive sequential testing; psychometrics, 27661
multistage testing; testing efficiency; decision accuracy; educational measurement, 27664
optimal testlet pool assembly; multistage testing designs; mathematical programming technique, 21595
paper & pencil tests; computerized tests; primary grade level; score differences; reading tests; item characteristics; student characteristics, 27662
personality assessment; Internet; test administration; item response theory; statistical methods; factor analysis, 24583
preliminary validity; computerized cognitive measures; neurocognitive tests, 3191
psychometrics science; test delivery; Internet; testing internationalization; technical performance, 21603
Raven Progressive Matrices Test; computerized versions; standard versions; equivalence; trait anxiety; state anxiety; computer anxiety, 15441
response time; standard setting method; assessment methods; liguistic assessment; computer assisted testing, 33852
sample size; CAST item parameter estimation; adaptive tests; item response theory; educational measurement, 27657
sequential computerized mastery tests; simulation studies; item response theory; computer applications; computer assisted testing, 15408
serial behavior; executive function; age differences; practice; computer based test; interactive test; Trail Making Test, 15667

Computer Assisted Testing—Serials

anxiety; prenatal genetic screening; prenatal testing education; computer assisted testing; assessment; patient education, 2190

simple real time computerized tasks; malingering detection; murderers; schizophrenia; psychosis, 33179
technological issues; computer based testing; computer assisted instruction, 15398
testlet assembly design; adaptive testing; multistage tests; computer assisted testing; educational measurement; certified public accountant; certified examinations, 27660
transformational leadership; measurement invariance; multigroup confirmatory factor analysis; multinational organization; psychometric properties; measurement equivalence, 24648
typing; thinking aloud; reading; computer based assessment; training tools; reading comprehension skill, 34289
university applicants; disabled students; computerized adaptive psychometric test; special testing accommodations; university entrance exams, 136
unproctored internet testing; employment settings; computerized testing; employment tests, 15127

Computer Attitudes—Serials

computer anxiety; computer anger; computer use; computer experience; self efficacy beliefs, 19667
e-government information; services; psychological characteristics; civic mindedness; information channels; nondemographic characteristics; innovations; technology acceptance model, 34252
information age; information technology; mental health informatics; professional practice; patient care quality; Internet; psychiatrists; computer attitudes, 24100
post-adoption beliefs; expectation-confirmation model; information technology; mobile Internet services; users, 30596

Computer Based Training [See Computer Assisted Instruction]

Computer Conferencing [See Teleconferencing]

Computer Games—Serials

aggressive thoughts; female game player; gender representation; violent video game play, 31856
brain imaging; media processes; images; filmic montage; video games; virtual violence; children's brain activation, 13057
buyers; product development expertise; video games developers; innovation, 33587
chronic media violence; aggression; video game exposure; desensitization; behavior; event related brain potential, 25082
collaborative games; board games; multiplayer online games; computer games, 27450
computer games; negative effects; human sex differences; personality traits, 31851
contextual features; violent video games; mental models; aggression; player attitudes; sex differences, 21450
dreams; video games; consciousness; lucid dreams; mystical; observer dreams; dream control, 27925
electronic games; computers usage; school children; playing time; playing positions; playing discomfort; strain injury, 12335
emotion; speech; prosody; voice; arousal; affective speech; emotional states; vocalization during video game plan; speech acoustics; vocal change, 6620
entertainment technology; user experience; psychophysiological techniques; play experiences, 15279
epilepsy; video games; intermittent photic stimulation; stripped patterns; stimulation, 11106
globalization; simulation; corporate social responsibility; student reasoning; ethical dilemmas; corporations; online game; business students, 27307
human resource management practices; video game industry; private sector, 33523
idea creation; constructivism; evolution; key characteristics; video game artifact design process; constructivist thinking, 33687

training; early childhood educators; information & communications technology, 8879

Computer Mediated Communication—Serials

after-school centre; multimedia stories; narrative structure; reaccentuation; intertextuality; multivoicedness; interpretation; social practice; contemporary media culture, 25213
anorexia attitudes; pro-anorexics; recovering anorexics; self presentation; content analysis; message board postings; linguistic markers; anorexia lifestyle defense; hedonism; self absorption, 17112
assessment tool; asynchronous communication; computer experts; laypersons; Internet based consulting services; help desks; hardware; software, 18394
business reporting practices; web technology use; Malaysian companies; Singapore companies; Internet; standard setting organizations, 6015
chat groups; gender differences; group dynamics; computer mediated communication; gender construction, 1048
college students; self disclosure behaviors; Internet; human sex differences; electronic communication, 27258
communication synchronicity; communication civility; online political discussions; computer mediated communications; political perception; participation intention, 3738
computer mediated communication; online counseling; relationship development; relationship quality; intimacy; counselor education, 29340
computer mediated communication; persuasive effects; system features; intelligent systems; decision support system; negotiation settings, 707
computer mediated communication; task performance; satisfaction; videoconferencing, 25152
computer mediated groups; uncertainty management theory; interpersonal interactions; computer applications, 27501
computer mediated teams; face to face teams; trust; cooperation; electronic media, 13474
computer-mediated communication; online communities; youth leadership; civic engagement; adolescents & Internet; gender differences; leadership styles; language use, 22517
continued participation; newsgroups; online communities; Internet; computer mediated communication; responses, 34675
conversational language; group interaction; group performance; computer mediated communication; collaborative argumentation, 33402
cost effectiveness; advance mailings; telephone surveys; advance postcards, 209
credibility; authenticity; voice; online interviewing; email; on line qualitative research, 27704
cyber communication; school counseling practice; school counselors education; professional development, 21305
cyberspace; emotional expression; Pennebaker Disclosure Effect; email; writing treatment; moderator search, 29710
deception behavior; dyads; triads; group decision making; synchronous computer mediated communication, 16479
discussion; gendered language; computer mediated communication; language style; gender stereotypes; gender differences, 25177
e mail; personality ratings; zero acquaintance; electronic media; linguistic projection, 13059
e-mail; egocentrism; overconfidence; miscommunication; nonverbal behavior; emotion, 7414
educational online discussion groups; computer mediated communication; undergraduate psychology courses; gender; language, 36159
electronic mail; reduced cues; rapid communication; interpersonal interaction, 3727
electronic mail; web surveys viewing; survey response; subject lines, 3263
electronic performance appraisal; electronic communication; simulated environments; peer rating; social interactions, 10412
email dialogue journaling; reading development; foreign language learning; student attitudes; electronic collaborative learning, 2675
email responses; online editorial; violence protest, 6936
empirical findings; semiotic human-computer interaction; computer mediation; computer-mediated work; model; activity theory, 12369
expanding hypertext; computer text formats; individuals adventurousness; computer mediated communication, 6131
gender effects; status effects; student e-mails to staff; course administrative issues, 36166
gender; information communication technology; gendered digital divide; computer technology, 36587
health related message boards; chat rooms; online health information; health communicators; pharmaceutical sponsorships; disease management chat room; medical topics, 5106
instructional set; low income adults; Internet use, 9925
Internet dating services; identity re-creation; self-conceptions; online feedback; offline feedback, 4166
Internet; adolescence; self-injury; mental health; message boards, 23144
Internet; development; identity; online chat rooms; sexuality; sexual exploration; adolescence, 22565
language use; technologies; computer mediated discourse; news media; Internet, 34254
learning environment; online learning; computer mediated communication; hermeneutics; conversation, 30356
learning; childhood development; nursery; communications technology skills; emergent information; computers, 36268
mating strategies; mate preferences; mail order brides; cross cultural variability; choice behavior, 19512
mental health services; patient therapist interaction; children; adolescent; e mails, 32747
online communication; pro anorexia websites; users; practitioners; researchers; potential impact; eating disorders; Internet discussion boards, 22371
online discussions; psychohistorians; psychohistory; psychohistorical theories, 5495
online language learning; electronic literacy skills; Webheads; electronic literacy; discourse management; technological skills; synchronous text-based computer-meditated communication; scaffolding, 8940
online manuscript submission; manuscript style; editing; publication; sport psychology, 18325
online support networks; cross-cultural adaptation; Chinese international students; United States; sociocultural factors; psychological adjustment; traditional support networks; social support, 34689
patient doctor relationship; communication technology; health care services; computer mediated communication; medical treatment, 23835
patients' perceptions; preoperative information; interactive computer program; cholecystectomy; patient satisfaction, 11477
perceived interactivity; social factors; psychological factors; social network; cognition need; web site interactivity; computer mediated communication, 3742

Polish weblogs; content analysis; motivations; gender differences, 34687
pro-anorexia advocacy; pro-anorexia websites; anorexia nervosa; weight loss; drug abuse; Internet; antirecovery; diet; explanatory model; online forums, 7973
self presentation; online dating relationship; anticipated future interaction; self disclosure; perceived success; Internet dating, 16451
social diffusion; adolescents; online group interaction; chat room environment; antidrug advertisements; risky behavior; anti-marijuana advertisements, 22523
social ties; Internet use; computer mediated communication; interpersonal communication, 34690
synchrony; sensory modality; person perception; computer mediated communication; cues, 3740
telecopresence; cyberspace; self concept; Internet; teenagers; self presentation, 864
training; warning; computer mediated communication; deception; detection; media; information systems management, 30452
trust factors; web based health advice; consumer decisions; computer mediated communication; Internet, 23882
visual aids; communication; computer assisted therapy, 17430
World Wide Web; internet; Sumerian code; religion; religious beliefs; cyberspace; web-mediated communications; religious spaces, 7173

Computer Peripheral Devices [See Also Video Display Units]—Serials

computer experience; input devices; computer tasks, 3908
computer mouse; visual demand; mouse clicking performance; muscle activation; computer users; age differences, 3833
computer tasks; forearm temperature; thermal-insulating mouse pad; hand temperature; comfort, 36566
icon selection; prediction; graphical user interfaces, 12329
kinematic analysis; cursor trajectories; computer touchpad; pointing device, 12324
museum; electronic; guide; PDA; learning; art, 30304
peripheral awareness information; affective user benefits; social presence; human computer interaction; home environment, 6106
programmed instruction; teaching pointing; computer mouse; preschoolers; developmental disabilities; educational intervention; childhood development, 15084
speeded coding task; computer based mouse response; individual differences; psychomotor performance; task processing speed, 9346

Computer Programming—Serials

algorists; algorithms; ecological psychology; computational theory; discrete state computation; Shavian critique, 12372
compliance verification; agent interaction; logic based software tool, 36597
computer software; Interval Manager; computer programming; time-sampled data collection; microsoft windows, 27502
constraint programmers; machine learning; mixture of experts; cognitively-oriented architecture; constraint satisfaction; heuristics; constraint solving program; Adaptive Constraint Engine, 3057
high preference items; computer based video program; task completion; autism spectrum disorder; middle school students; moderate mental retardation, 21253
intelligent tutoring system; teaching process; students; tracers; programming; textual dialog; explanations, 18022
motion; library; identity; gender; emotion perception; computer animated displays; human movements, 27495
Tscope; computer programming; programming library; MS Windows platform; syntax; computer software, 36593

Computer Programming Languages—Serials

American sign language; animation; encoding; linguistic signal; machine translation, 33646
Tscope; computer programming; programming library; MS Windows platform; syntax; computer software, 36593
YADbrowser; web based educational applications; Internet; object model; computer languages, 2684

Computer Programs [See Computer Software]

Computer Searching—Serials

composite metaphors; information search behaviors; computer systems; differing computer experience; Internet novices, 704
consumer search intentions; price range effects; price frame; online shopping; competition, 18349
Google search engine; word for word plagiarism; masters theses; anti plagiarism software packages; Googles effectiveness; academic disciplines, 695
health informatics; HIV; AIDS; Internet use; active coping; health information evaluation, 17215
inconsistent knowledge; Web navigation; Web site content; Web site design, 12328
online information searching; multilingual search; content based search; ontological commitments; navigation; lexical resources, 9930
residential care settings; Internet resources; long-term-care facilities; quality-of-care information; Internet search, 20845
search engines; information retrieval; Internet; information processing; individual experience, 13061
search engines; learning assisted tool; self efficacy, 11938
spatial orientation ability; computers; information search task; performance; Web, 24820
visualization techniques; association rules modeling; designs; data mining; databases; algorithms, 36558
Web navigation aid; Web-based shopping; 3D perspective displays; 3-dimensional spatial knowledge; Hypertext Markup Language; HTML, 12323
welfare clients; work; Internet job searching, 36428

Computer Searching—Books

The search: How Google and its rivals rewrote the rules of business and transformed our culture, 12143

Computer Simulation [See Also Neural Networks, Virtual Reality]—Serials

3D sound; audio-based virtual environments; blind children; problem solving skills; cognitive skills; learning skills; visual disabilities; AudioChile, 32703
Bayesian item selection; adaptive tests; polytomous items; maximum expected information; posterior weighted information; computer adaptive testing, 15323
Blue Brain supercomputer; brain models; intelligence, 15328
computational modeling; neurosciences; mathematical modeling; computation; schizophrenia, 16750
computer simulations; technological advances; inquiry learning, 21135
dynamical processes; self-organizing communication systems; language processes; distributed coordination; computational models, 6137
foraging success; locating food items; burrow fractal dimension; subterranean rodents; computer simulations, 24930
hippocampus; epilepsy; computer simulation; seizure spread; behavioral dysfunction; subiculum; modeling, 11089
human communication systems; communication emergence; naturalistic studies; computer simulation, 9945
inspection performance; standard complexity; task factors; computer simulation, 36604
likelihood ratio test; mixture effects; trials; mean reaction time; computer program; computer simulations; type I error, 24704
linguistic structure emergence; grammatical communication systems; cognitive modeling; lexical; grammar; computer models, 3743
music cognition; perception-based model; computational modeling; kinematics, 27801
natural input memory; recognition memory modeling; natural input; natural stimuli, 15724
naturalistic decision-making; microworld research; performance; computer-simulation; construct validity, 27505
postgraduate nursing students; innovative computer simulation; multimedia learning; patient management; clinical cues; evaluation, 21009
prefrontal microcircuit model; cognitive deficits; schizophrenia; memory; nonhuman primates; cognitive functions; computer simulation, 16780
regulative support; scientific inquiry learning; online tool support; student learning; computer simulation, 30314
scaffolding learners; designing investigation assignments; computer simulation, 14985
shared identity emergence; agent based computer simulation; idea diffusion; identity change, 4162
syntax; navigation; language; computational simulations; neurosciences; language; communication; parser; evolution, 3751
system dynamics; public health; computer simulation; delivery systems, 26834
teaching of history; classic experiments; classroom exercises; computer simulations, 21590
texture perception; visual perception; computational models; human visual system; algorithms; psychophysical assessment; statistics, 21832
visual attention; psychological data; neuropsychology; computational formulas, 24701

Computer Simulation [See Also Neural Networks, Virtual Reality]—Books

Cognition and multi-agent interaction: From cognitive modeling to social simulation, 21532

Computer Software [See Also Decision Support Systems, Groupware, Word Processing]—Serials

agent based software patterns; user modeling; usage mining, 6127
anagram software; cognitive research; psycholinguistic variables; cognitive processes; lexical variables, 36595
asynchronous change awareness; collaborative documents; collaborative workspaces; framework, 21508
auditory demonstrations; visual displays; sound editor programs, 36240
beginning reading software; at risk learners; instructional technology; grade level expectations, 15073
behavioral research; 3 dimensional images; photo textures; stereoscopic display; visual perception; MATLAB; plugin program, 9511
cognitive technology; gist processing; cognitive ability; fuzzy trace theory: web, 36596
communication training program; legal services; communication disabilities; justice system; legal personnel; multimedia, 36657
compliance verification; agent interaction; logic based software tool, 36597
comprehension reading; middle school students; disabiled students; Computer-Assisted Collaborative Strategic Reading, 33481
computational modeling; acquired dyslexias; reading; computer programs; algorithm, 17077
computer experience; computer programs; computer networking; learning; students, 15070
computer human interaction; polite computing; user choice; self disclosure; software applications, 9217
computer software; filtering software; blocking software; family use; Internet, 970
computer software; Interval Manager; computer programming; time-sampled data collection; microsoft windows, 27502
computer-assisted self-interviewing (CASI); audio-CASI; children's consultation; children's participation; Internet; planning children's services, 11576
computers; psychology; computer based techniques; software design; Web based research, 36015
confusion matrix; similarity-choice model; cluster analysis; seriation; subset selection; computer software; MATLAB, 30804
connectionist networks; program execution; neural networks, 3066
creative tasks; writing; designing; reflective processes; creativity support tools; computer applications; software, 33680
cultural change; software; blackboard managed learning environments; learning organization, 11897
Cyberball; computer program; research; interpersonal ostracism; game; independent variables; acceptance; prejudice; discrimination, 27504
daily dairies software; momentary psychological processes; methodology; palmtop computers; experience sampling methods, 36589
electronic data capture; physiology; behavior; experience; real life; emotions; affective states, 19668
enhanced restricted focus viewer; software tool; visual attention; Web sites, 6113
evaluation; software development environments; integrated development environments; usability, 12342
experiment generation; software packages; psychological computer experiments, 30858
faculty development workshops; power point use; technology integration; instructional strategies; Workshop Satisfaction; classrooms, 2610
geographic dispersion; team processes; team effectiveness; software development, 6038
glance software package; PC technology; experiments, 27496
guided errors; teaching methods; presentation software package; self efficacy; performance; learning; Microsoft PowerPoint, 5755
hegemonic visualism; technology dissemination; PowerPoint; postmodernist culture; modernist view; visual media; education, 2679
icon selection; prediction; graphical user interfaces, 12329
instructional designers; authoring tools; learning environments; authoring environment; teachers; evaluation, 12367

integrated software products; enterprise resource planning; higher education market; social ordering; organizational change, 24410
Kinship Algebra Expert System; software implementation; cultural theory; algebraic model, 15329
kinship; computing; anthropology; genealogical software; software tools, 15327
Language History Questionnaire; Web based interface; bilingual research; second language acquisition; computer software, 33775
learning protocols; computer supported writing; adaptive prompts; eHELp, 12370
likelihood ratio test; mixture effects; trials; mean reaction time; computer program; computer simulations; type I error, 24704
Microsoft PowerPoint; computers; education programs, 31335
millisecond accuracy; video display; OpenGL; Linux; personal computers; algorithm; reaction time, 27498
modified Bollen-Stine bootstrap; missing data; structural equation modeling software; SAS macro program, 9461
multi-agent systems; software evaluation; human machine systems; news WEB retrieval domain, 6135
multi-attribute utility theory; adaptive techniques; intelligent web-based educational software; intelligent learning environment, 33403
Naturalistic University of Alberta Nonlinear Correlation Explorer; computer program; data exploration; data analysis; natural selection, 27493
open source software phenomenon; economic characteristics; social characteristics; cultural characteristics; open source communities; all levels all quadrants approach, 2916
panel performance procedure; sensory attributes; ability tests, 3219
partially deleted objects; perception research; line drawings; contour; Image Fragmenting Program; computer software, 33930
personal digital assistants; databases; complementary and alternative medicine; medical reference software; clinical applicability; standard texts; comprehensiveness; accuracy; ease of use, 14522
phonics; computer based programs; reading skills; elementary students; urban public school, 24195
plagiarism detection; higher education; student behavior; Internet Technology; policy enforcement strategies, 36175
PowerPoint handouts; generational effect; intact handouts; PowerPoint assisted lecture; psychology education, 30289
real-time visual feedback computer tools; real-time visual feedback assistance; musical performance; singing training, 30181
response allocations; slot machine simulations; gambling behavior; choice behavior; game; computer software, 36527
retired senior volunteers; AARP Tax Aide program; evaluation; technology skills development, 7115
SAS macros; classical test theory; item response models; statistically different test scores; compatibility; availability, 21784
SAS program; Winsteps; psychometric program; item parameter; Rasch model; web based presentations, 21799
Scorerel CI; Excel program; computing confidence intervals; reliability coefficients, 3128
screen captures; software application instruction; audio; college students; student attitudes; academic achievement; modality; text, 2597
security models; open services; open service environment; security interoperability, 36594
SNOOP program; null hypothesis testing; personal computer; data collection; type I error, 27500
software design patterns selection; software development; expert system technology, 18419
software engineering; information society; interface development tools; human computer interaction; universal access; universally accessible interactions, 18395
software scaffolding; middle school students; coordination of theory and evidence; evidence-based explanations; scientific reasoning, 11935
software technologies; research; learning; school reform; educational psychology, 14987
software tools; scientific hyperbooks; support collaborative learning; repository; creating; virtual reality, 3058
spoken language understanding; semantic grammars studios; automatic speech recognition; mathematical modeling, 16045
SPSS implementation; nonrecursive outlier deletion procedure; Z score criterion; screening; syntax modules, 33873
synchronizing programs; developmental psychopathology; macro media director; stimulus, 9500
technology perspective; Weblog success; blogging tool; Internet; techno-social success model, 30590
Text Analysis Mark up System analyzer; anthropology; cultural critique; digital age; computer software; qualitative research, 15330
time management service; distributed multi-agent systems; software systems, 36600
Tscope; computer programming; programming library; MS Windows platform; syntax; computer software, 36593
usability capability maturity models; user centred design; software; product development, 27478
web based program; software environment; response protocols; coding efficiency; open ended assessments, 9442
web based programmed instruction; rule governed learning; tutoring; Java programming course; graduate students, 11914
windows based program; item response theory; estimates parameters; Generalized Graded Unfolding Model, 12601
Computer Software [See Also Decision Support Systems, Groupware, Word Processing]—Books
SPSS for psychologists: A guide to data analysis using SPSS for Windows (3rd ed.), 18627
Computer Supported Cooperative Work [See Groupware]
Computer Training—Serials
computer literacy; computer training; educators implication; human computer interaction, 12334
computer skills; socially disadvantaged; tutoring; age differences; adolescents training, 30296
early childhood teachers; computer technology training program; program evaluation, 36186
guided errors; teaching methods; presentation software package; self efficacy; performance; learning; Microsoft PowerPoint, 5755
medical education; psychiatric educators; computer technology; psychiatry; medical informatics, 17865
retired senior volunteers; AARP Tax Aide program; evaluation; technology skills development, 7115
Computerized Databases [See Databases]
Computers [See Also Computer Games, Digital Computers, Microcomputers]—Serials
adolescent computer use; science achievement; science literacy; writing papers; home & school computers; Program for International Student Assessment, 11952
attention deficit hyperactivity disorder; social skills; computer-mediated intervention; training program, 30365
brain-computer interface; monkeys; brain signals; electrode arrays, 28090
brain; quantum computer; quantum mechanical processes; brain functioning; computation; mathematical thinking, 27853
cardiac responses; virtual environment; motor imagery; brain-computer interface; heart rate; cues, 34190
College and University Classroom Environment Inventory; CUCEI; validity; reliability; computer classroom environment; learning environment; students' perceptions, 33465
communication; information technologies; American Sociological Association; sociological audiences; sociology; Microsoft Windows; teaching; internet; computing, 34251
computer anxiety; computer users; computer tasks; task complexity, 15320
computer experience; input devices; computer tasks, 3908
computer frustration; instrumental factors; dispositional factors; post session frustration; human computer interface; user characteristics, 21499
computer supported collaborations; system design; human development; teamwork; activity awareness; social capital; common knowledge; communities of practice, 18164
computer technology; immigrant families; adaptation; ethnography, 16325
computer technology; teachers perceptions; computer assisted education, 11939
computer use; high school students; classroom environment; sense of learning; sense of classroom community, 33417
computer use; school readiness; cognitive development; head start children; psychomotor skills; childhood development, 25275

computers; accessibility; assistive technologies; information technology, 33642
computers; metacognition; teaching method; learning environments, 5733
computers; office workstations; forearm support; limb posture; muscle activation; electromyography; furniture, 18390
computers; psychology; computer based techniques; software design; Web based research, 36015
computers; psychology; professional personnel; organizations, 36032
computing classroom; situated professional development; teachers; teachers knowledge; intact classes; learning opportunities, 8881
contextual specificity; technology acceptance model; computer anxiety; computer efficacy, 15322
creative process; creativity enhancement techniques; human computer cooperation, 12330
cybercrime types; legal approaches; crime fighting; organizational approaches; technological approaches; case study, 18412
daily dairies software; momentary psychological processes; methodology; palmtop computers; experience sampling methods, 36589
electronic games; computers usage; school children; playing time; playing positions; playing discomfort; strain injury, 12335
expanding hypertext; computer text formats; individuals adventurousness; computer mediated communication, 6131
Fechner wheel; computer technology; color; motor shaft, 24772
Flexible Inquiry Learning Environment; inquiry learning study; content domain; task complexity; computerized learning, 11926
genetic programming; model variable relationships; Naturalistic University of Alberta Nonlinear Correlation Explorer; psychology research; computers, 36585
glance software package; PC technology; experiments, 27496
information technology enhanced pricing strategies; public policy implications; legal issues; social welfare, 9067
interactive environments; human computer interaction; virtual environments, 15288
interruption management; telephone call screening; computer interfaces; technology driven interruptions, 18393
kinematic analysis; cursor trajectories; computer touchpad; pointing device, 12324
metaphor; education; schools; computers; factories; society; student cynicism, 27190
Microsoft PowerPoint; computers; education programs, 31335
millisecond accuracy; video display; OpenGL; Linux; personal computers; algorithm; reaction time, 27498
musculoskeletal health; teamwork; work organization interventions; computer work; psychosocial work stressors, 24464
Naturalistic University of Alberta Nonlinear Correlation Explorer; computer program; data exploration; data analysis; natural selection, 27493
olfactometer; magnetic resonance imaging; computer; serial interface; cost, 33914
penetrable borders; impenetrable borders; selection times; rectangular objects; width guidelines; computer scrollbars, 15289
personal computers; millisecond response time; Linux; psychologist, 27499
personality traits; cult leaders; computerized coding system; L. Ron Hubbard; David Koresh; Charles Manson, 10468
physical activity; media time; body composition; young children, 34325
pop up windows; multimedia learning; textual information, 27896
pseudo syllabic paradigm; typing; transparent orthography; languages; computer keyboards, 18382
psychology teaching; computers; technology, 36218
rehabilitation; computing; communication technology; ambient intelligence; virtual reality; transformation of flow; client participation, 35953
self images; social perception; self concept; computer users; gender differences; students perceptions, 36590
self reported deviant computer behavior; moral choice behavior; manipulative exploitive behavior analysis; personality characteristics; moral decision making; neuroticism, 26057
Society for Computers in Psychology; history; psychology; World Wide Web; professional personnel, 36045
Stroop effect; Internet; computers, 13062

student achievement; open computer laboratories; closed computer laboratories; self-efficacy; gender differences, 30160
suicide education; Nunavut; computer applications; hamlet; technology; counselors; CD-ROM-based training, 28985
teacher education; computers; teleconferencing, 8913
technological developments; psychiatric symptoms; computers; pervasive phenomenon; Internet delusions, 32073
technology affordances; undergraduate students; learning environments; computer technologies; elementary school students; middle school students; learning outcomes, 18068
telecopresence; cyberspace; self concept; Internet; teenagers; self presentation, 864
Turing; formal language; arithmetic; computer science; cognitive science; Turing machines, 22357
typing; thinking aloud; reading; computer based assessment; training tools; reading comprehension skill, 34289
user centred design; user needs analysis; application supporting communication; user interface design, 18392
user experience; human-computer interaction; interaction design; technology; research, 15275
workplace user frustration; computers; employee productivity, 27481
Concentration—Serials
attention; multiple-object tracking; concentration; amplification; spatially extended objects, 3298
history; theory of mesmerism; absorption; modern hypnosis, 29723
mindfulness training; task concentration training; social phobia, 17379
perceptual attention; executive attention; attention measures; concentration measures; confirmatory factor model, 27603
plasma concentration; receptor occupancy; risperidone; injectable; antipsychotic effects; pharmacology, 23715
plasma neuropeptide concentration; trauma exposure; posttraumatic stress disorder; coping behavior; protective stress factor, 16815
task concentration training; applied relaxation; cognitive therapy; social phobia; blushing fear; trembling; sweating; psychopathology; self-consciousness, 28910
Concept Formation [See Also Cognitive Discrimination, Cognitive Generalization]—Serials
addiction; disease model; schizophrenia research; conceptual development, 35044
age-related changes; concept formation; rule switching; perseverative behaviors; developmental changes, 25250
ambiguous figures; ambivalent figures; structure; university students; stimulus, 3379
angles; school geometry discourse; climbing discourse, 19176
antismoking advertisements; adolescents; message framing; smoking prevention, 27472
arithmetic inversion; arithmetic associativity; knowledge level; conceptual development; associativity, 31421
children's attitudes; death; cognitive development; emotional development; psychodynamics; understanding; conceptualization, 28352
color learning; conceptual functioning; word meaning; term acquisition; abstraction, 31411
color term acquisition; conceptual constraints; attentional constraints; linguistic constraints; object words learning, 31419
concept analysis; concept development; theory development; strategic examination; state of the science; integrated perspective; nursing, 5238
conceptual and procedural knowledge; counting; kindergarten; grade 1; grade 2; mathematics, 18052
conceptual categories; operational constructs; planned behavior; higher order theory; exercise behavior, 16506
conceptual change; constructivist learning environments; elementary schoolchildren; physics concepts; structural support; instructional support; floating; sinking; curricula; understanding, 21141
conceptual functioning; word meaning; abstraction; linguistic constraints; attentional constraints; color term learning; preschoolers, 31396
conceptual functioning; word meaning; abstraction; linguistic constraints; attentional constraints; color term learning; preschoolers, 31403
conceptual functioning; word meaning; abstraction; linguistic constraints; attentional constraints; color term learning; preschoolers, 31425
conceptual knowledge; brain; semantic deficits; functional neuroimaging; optic aphasia, 15855
conceptualization; alexithymia; research implications; older adults; test validity, 25865
conceptualization; family-friendly career; career theories contribution; systems approach, 31611
conceptualization; measurement; symbolic racism; belief system; racial policy preferences, 3997
conjunctive probabilistic concepts; childhood reasoning, 3821
content analysis; free response narratives; death attitudes; personal meanings; concept development, 16217
content differences; abstract concepts; concrete concepts; feature analysis, 9619
depression; Parkinsons disease; conceptualization; neurodegenerative disease; emotional manifestations; syndromes, 1794
dispositional models; emotional intelligence; Synonyms; personality traits; health; well-being; emotional distress; conceptualization, 25704
emotions; interpersonal relationships; person centered conceptualization; coping; individual differences, 13550
ethnography; mental health research; clinical practice; conceptualization; grounded theory, 29485
faithfulness; past; reconstructing memory value; remembering; memory; conceptualization; epistemology; ethical achievement, 24791
function learning; extrapolation; interpolation; models; linear functions; continuous predictor & criterion, 31051
Hebb's cell assembly; top down attention; concepts implementation; neural explanations; changes; visual system; neurophysiology, 12680
human females; sexual desire; feminist analysis; biomedical conceptualization; biological reductionism; depoliticalization; medicalization, 34642
impulsivity; term usage; conceptualisation; measurement, 20954
independent relational representations; conceptual combination; semantic priming, 716
infant; cognition; self-propulsion; animacy; learning; concept acquisition; motion properties, 31420
Internet; Children's Internet Protection Act; understanding; complexity; artifact, 22510
metaphor scenarios; public discourse; metaphorical mappings; target topic conceptualizing; language use, 13074
metaphors; concept; treatment; dissociation, 16698
minority group members; intergroup contact theories; British Muslims conceptualizations; Islamophobia; social change, 31549
moral sensitivity; health care practice; ethics; concept, 35802
noun noun combinations; modifier; head noun; response times; conceptual combination; sensibility judgments, 6601
object concepts; concepts; identity; causality; exemplars; object description; judgment, 12741
olympic games; unforeseeable; hindsight; inevitable; memory distortions; conceptualization; perception; Leipzig candidacy, 19553
optimal human functioning; United States; conceptualizations; cultural values; colored people, 13311
organizational conflict; management styles; employee emotional engagement; conceptualizations, 30438
others' testimony; concept formation; science; religion; childhood development; God concepts; death attitudes, 22418
others' testimony; concept formation; science; religion; childhood development; God concepts; death attitudes, 22404
parental abuse; verbal abuse; cultural differences; coping behavior; college students; conceptualizations; anxiety; communication, 34970
Parkinsons disease; dimensional variation; rule based category learning; working memory; selective attention; categorization task, 11071
peoples concerns; ethicists; philosophical arguments; conceptual constructions, 9316
phenomenal content; experience; object representations; visual perception; concept formation, 18681
physical therapist assistant; clinical reasoning; concept mapping; physical therapy education; performance, 27824
possible selves; self dimensions; risk behavior; decision theory; prototype conceptualization; self constructs; attitude theory; alcohol use; self image; negative attributes, 22841
post-structuralist treatment; production of subjectivity; development of self; family relationships; critical theorization; intersubjectivity; British object relations theory, 34554
praxic skills; neurological recovery; left parietal lobe; tactile agnosia; apraxia; micro-geometrical tactile properties; macro-geometrical properties; intracerebral hemorrhage; object identification, 1777
professional identity; conflict; diagnostic and statistical manual; mental health counseling; conceptualization, 33271
psychopathy; clinical psychology; racial ethnic groups; conceptualization, 11165
relational social work; transference; countertransference; health personnel attitudes; residential settings; enactments, 33078
same-different; abstract concept learning; identity; higher order rule learning; pigeons, 9695
second order belief attribution; child performance; conceptual understanding; information processing, 19170
second order belief attribution; child performance; conceptual understanding; information processing, 34345
semantic representations; words; reading errors; dyslexic patients; conceptual knowledge; concrete items; abstract items, 26213
specific numeracy educational program; kindergarten children; numerical skills; conceptual knowledge; procedural skills; program effectiveness; numerical cognition, 8907
spirituality; Latinos; Latinas; cultural implications; conceptualization; measurement; transnational migration, 25413
student conceptions; writing; spontaneous metaphors; science classroom; learning, 30342
task dimensions; decision goal; accountability; escalation of commitment; negative outcome; conceptualization; sunk costs, 6531
taxometric analysis; major depression; undergraduate population; etiology; conceptualization; diagnosis, 29342
teaching reliability; validity; teaching generalisation; generalisation; management students; abstract concepts, 2672
tense-aspect marking; cognitive development; childhood development; conceptual development; speech development; temporal displacement; linguistic marking; grammaticization, 13157
theoretical perspective; generic learning view; understanding coaching; learning coaching; learning processes; conceptual research framework; coach development, 27444
theory of mind; conceptual development; performance improvement, 10011
unconscious plagiarism; imagery; idea appropriation, 27884
visual oddity learning; California sea lion; concept learning, 31118
web enabled product definition; customization system; product conceptualization; changing customer needs; product life cycles; customer involvement, 12317
working environment; understanding coaching; complex interpersonal system; social psychology; current conceptualization, 27437
young children; role of function; natural kinds; category judgments, 6989
Concept Formation [See Also Cognitive Discrimination, Cognitive Generalization]—Chapters
Experience, Expertise, and Decision Bias in Negotiation: The Role of Strategic Conceptualization, 12144
Concept Learning [See Concept Formation]
Concept Validity [See Test Validity]
Concepts—Serials
activity theory; postmodern psychology; activating postmodernism; postmodern praxis; key concepts; Karl Marx; Lev Vygotsky; Ludwig Wittgenstein, 15997
arrogance; Heidegger Foucault dilemma; psychoanalysis; psychotherapy theory; hermeneuticists; sociopolitical periphery, 7558
bidirectional associative memories; concept lattices; learning concept, 6151
boundaryless career concept; physical mobility; psychological mobility, 30449
Buddhism; anicca; impermanence; everyday life; abstract culture; practiced culture; lived experience, 16303
cathemerality; lemur; daytime activity; night time ratio; species; concept; history, 22265
child sexual abuse; justice concept; criminal justice; traditional legal perception; child protection systems, 17016
cognitive control; neural mechanisms; Stroop Task; Stroop effect; neural network model; conceptual knowledge, 15873

concept analysis; concept advancement; science; nursing theory, 5109
concept analysis; concept development; theory development; strategic examination; state of the science; integrated perspective; nursing, 5238
concept intention; autistic children; childrens ability; body movement, 10887
concept mapping; classroom concepts; computer technology; software analyser; Reasonable Fallible Analyser, 18013
concept mapping; professional studies; teacher education; negotiation; meaning; medical school software development, 8917
concept mapping; program theory development; family support program; cluster analysis; multidimensional scaling analysis, 8255
concept maps; personality psychology courses; instruction types, 5732
conceptual clarity; psychotherapeutic theories; syncretism; eclecticism; treatment models; assessment, 20450
conceptual priming; semantic dementia; conceptual implicit memory; cognitive and neural basis, 23493
content differences; abstract concepts; concrete concepts; feature analysis, 9619
convergent criterion-related validity; human based methods; computer based methods; software tools; scoring; concept maps; essays, 11934
creativity; repetition; modern dance; theoretical concept; body; organizing processes; habitual appropriation; embodied processes; new; philosophies, 24406
crime prevention; social policy; South Africa; social problems, 18471
cultural change; cultural evolution; biological concepts; conceptual foundations, 27561
descriptive psychopathology; concepts; terminology, 1320
development of fraction concepts; physically distributed learning; physical environments, 430
E-learning tasks; relational graphs; conceptual graphs; algorithms; education, 2668
educational measurement; written communication; measurement concepts; confusion, 3199
evil as psychological phenomenon; genuine evilness; intention; human activity; perceptions of evil; theoretical model, 1261
explanation; understanding; causation; mental models; concepts, 9589
folk conceptions; mind; agency; morality, 31811
gifted education; conceptual foundations, 24264
Implicit Association Test; concept association; categorization, 12707
indistinction zone; Giorgio Agamben; biopolitics; theoretical problems; legalistic concept, 7141
mathematics education; algebra instruction; curriculum; young students; algebraic concepts, 18011
meaning of diversity; organizational inclusion; organizational diversity, 18307
metaphor; coupling; action oriented perspective; cross domain conceptual mappings; conceptual metaphor theory; conceptual blending theory, 16041
metaphor; Eurocentric contexts; Arguedas; Asturias; Malouf; indigenous concepts; many sided analogies; protagonists; reality; Men of Maize; An Imaginary Life; novels; Deep Rivers, 16010
neural network model; learning; human cognition; relational thinking; relational concepts, 27832
observability; social inequality; social construction; intersubjectivity; concepts, 25449
organizational learning; evaluation practice; program planning; concept mapping, 9151
phenomenography; conception; variational origin, 1116
physicalism; phenomenal concepts; missing concept strategy; conscious experience; mind philosophy, 9919
political significance; antisocial behavior tracking; criminal justice; political & ideological significance; problematization; criminalization; social policy, 16905
poverty; concepts; qualitative approach; Caribbean countries, 34504
practical epistemology; articulations of power & truth in modernism; meta-semiotics; objectivity; subjectivity; discourses, 702
Reed's Action Systems; Gibson's Perceptual Systems; ecological conceptualizations; dispositional properties; animals functional relationships, 3027
representational analyticity; concept containment; mental representation, 383
self psychological theory; group psychotherapy; sustained empathic focus; clinical work, 14386
semantic representations; concepts; semantic memory; brain damage; semantic deficit, 21967
social function; social cognition; concepts; measurement; schizophrenia; cognitive deficits; psychosocial interventions, 23044
somatic marking; conceptual blending theory; Chinese philosophy; multiple scope blends; normativity; emotions; decision making; value creation, 6920
time; learning disabilities; concepts; time perception, 17084
traumatic brain injury; multi perspective concept mapping; multi dimensional nature, 11065
treatment; madness; Spain; conceptual aspects; mental syndromes; mental disease; moral treatment; somatic disease, 23545
Winnicott; imprisonment; delinquency; antisocial theory; stealing; destructiveness; spatial concepts; solitary confinement; capacity to be alone; early childhood, 4523
working alliance; therapeutic alliance; counseling alliance; concept mapping; client perspective & understanding; alliance formation factors, 11267
Concepts—Books
Psychology: Concepts and applications, 2nd ed., 18488
Conceptual Imagery—Serials
conceptual expansion; creative imagery; psychoticism; cognitive style, 345
dissociative experiences; mental imagery; uncertain future events; emotional intensity, 31934
Frege cases; psychological explanation; direct reference; joint commitment, 400
rapid serial visual presentation; conceptual interference; attentional blink; mask meaning, 6450
spatial frames of reference; flexibility; conceptual projection; working memory; mental models; attentional dynamics; time perception, 33982
students' conceptual understanding; experimental calculus course; mathematical software, 14960
Conceptualization [See Concept Formation]
Concurrent Reinforcement Schedules—Serials
concurrent random time schedules; spatial distribution; animal behavior; rats; spatial properties, 22099
human operant learning; concurrent reinforcement; response variability, 15729
Concurrent Tasks [See Dual Task Performance]
Concurrent Validity [See Test Validity]
Concussion (Brain) [See Brain Concussion]
Conditioned Emotional Responses [See Also Conditioned Fear]—Serials
D-cycloserine; NMDA; extinction; renewal; conditioned fear, 34233
Conditioned Fear—Serials
amygdala modulation; fear conditioning; muscimol impaired memory; norepinephrine; context effects; drug interactions, 6757
animal models; fear conditioning; humans; anxiety; brain; neuroimaging; anxiety disorders, 22119
auditory fear conditioning; complex environment; prior amphetamine exposure; plasticity; rats; environmental enrichment, 6831
auditory fear conditioning; conditioned stress; amygdala; learning; rats; nitric oxide, 25124
behavioral expression; learned fear; early memories; freezing; fear potentiated startle; odor; development, 9861
beta estrogen receptor knockout mice; attenuated hippocampus; long term potentiation; memory deficits; contextual fear conditioning; synaptic deficits, 3492
blocking; surprise; predictive learning; PAG; opioid; opioid receptors; midbrain; ventrolateral periaqueductal gray; prediction errors; Pavlovian fear conditioning; rats; receptor antagonists, 19049
cocaine; fear conditioning; prefrontal cortex; amygdala; rats; learning, 31177
conditioned fear; anxiety; bed nucleus of the stria terminalis; behavior systems; lesions; classical conditioning; rats, 19003
cortical activation; Pavlovian fear conditioning; heart rate response patterns; visual evoked fields; neuromagnetic activity, 6729
D-cycloserine; NMDA; extinction; renewal; conditioned fear, 34233
enhanced prepulse inhibition; salient prepulses; rats; startle reflex, 19027
enhanced sensory processing; fear conditioning; awareness; stimuli reinforcement; heart rate; cortical responses; autonomic responses; steady-state visual evoked fields, 22124
estrogen; fear conditioning; corticotropin releasing hormone; ribonucleic acid; central amygdala; female mice; treatment, 12824
ethanol consumption; limited access drinking; auditory fear conditioning; adolescent vs adult rats, 28016

extinction learning; amydgala; conditioned fear; electrophysiology, 34920
extinction learning; trauma; subsequent posttraumatic stress disorder; fear conditioning, 19891
extinction; spontaneous recovery; rats; pigeons; fear conditioning; animal learning; error correction, 18912
extinction; vulnerability; relapse prevention; conditioned fear; animal learning; rats, 24896
fear conditioning; animal learning theory; amygdala, perirhinal cortex; neurophysiology; Kamin blocking; opiates; neurotransmitters; unconditional stimulus; conditional stimulus; simulation, 18991
fear conditioning; lateral amygdala; profilin; dendritic spines; postsynaptic densities, 34101
fear extinction; human fear; brain mechanisms; Pavlovian fear conditioning; prefrontal cortex; neural mechanisms; anxiety disorders, 34195
fear extinction; rats; human brain imaging; anxiety disorders; conditioned stimulus; aversive unconditioned stimulus; memory, 22123
fear memory; mice; protein synthesis; fear conditioning; brain, 34072
fear; renewal; relapse; phobias; extinction; US habituation; retrospective revaluation; conditioned suppression; animal models; explicitly unpaired; rats; CS; clinical treatment, 6671
fornix; medial prefrontal cortex; nucleus accumbens; mediodorsal thalamic nucleus; conditioned fear; discrimination task; amygdala; rats, 12900
freezing; conditioned fear; extinction; propranolol; epinephrine; rats, 9811
genes; neurons; molecular insights; fear; anxiety; animal models; memories; anxiety disorders, 24972
genetic; alcohol drinking; behavioral phenotypes; receptor; mice; fear conditioning; ethanol, 28155
hippocampus; fear conditioning; Zenk; pigeon; classical aversive conditioning; gene expression; tone-shock conditioning, 18927
human fear conditioning; extinction learning; animal models, 33985
inferior colliculus; amygdala; unconditioned fear; conditioned fear; muscimol; rats, 22324
medial prefrontal cortex; fear extinction; conditioned fear; behavioral inhibition, 33989
memory consolidation; Pavlovian fear conditioning; nitric oxide signaling; memory formation; lateral amygdala; auditory fear conditioning; synaptic plasticity, 6772
NBM/SI; fear conditioning; anxiety; freezing; elevated plus maze; nucleus basalis magnocellularis; substantia innominata; cholinergic neurons; lesions; aversive states; rats, 18981
negative affective response; nicotine withdrawal; smoking; electric shock; sex differences; fear conditioning; physiological indicants; neurobiology; salivary cortisol, 31289
neonatal ethanol; trace conditioning; hippocampus; choline; rat; neonatal exposure; fear conditioning; reversal; cognitive deficit; spatial memory, 19059
neurogenesis inhibition; hippocampus dependent memory function; irradiation; rats; fear conditioning; learning, 31230
opioid; fear conditioning; infantile amnesia; memory; rats; naloxone; freezing; receptors, 22349
pharmacokinetics; pharmacodynamics; tandospirone; rats; conditioned fear; stress; tranquilizing drugs; brain concentration; blood plasma, 25119
short retention interval; context-conditioned fear; rats; intertrial interval; learning, 18909
stimulus processing; Pavlovian pupillary conditioning; differential conditioning; conditioned fear; patterning, 22284
stressful experience; learning; lifespan; eyeblink conditioning; classical fear; threatening stimuli; stress hormones; neuronal activities; age differences; sex differences, 10523
Conditioned Inhibition [See Conditioned Suppression]
Conditioned Place Preference [See Place Conditioning]
Conditioned Reflex [See Conditioned Responses]
Conditioned Responses [See Also Conditioned Emotional Responses, Conditioned Suppression]—Serials
aplysia; snails; long term sensitization; learning; unilateral stimulation; sensory neurons; ipsilateral; contralateral modifications; brief shock treatment; contralateral training, 31111
attentional set mixing; impaired performance; target selection; selective response activation; event-related lateralizations; set repetitions, 31015

Conditioned Responses—Serials

avoidance reactions; behavior modification; hot plate conditioning; amnesia inducing treatments; mice, 6862
conditioned flavor preferences; unconditioned flavor preferences; rats; taste preferences; sucrose; salt; thirst, 472
conditioned taste aversion; nonreinforced presentations; conditioned stimulus; conditioned response; rats; competition, 12813
D-cycloserine; cocaine; conditioned responses; amygdala; injections; rat, 31277
drug seeking; incentive learning; opiate; motivational control; heroin; conditioned withdrawal; rats, 13023
ego depletion; prejudice; controlled components; automatic components; stereotype responses; race stereotyping; self control; cognitive control, 19622
eyeblink conditioning; cerebellum; conditioned response timing; ISI discrimination; development, 34163
latent inhibition; rats; preexposure performance; autoshaping; conditioned performance, 12815
nicotine; conditioned reinforcement; sucrose pellets; observing-response procedure; rats; chronic phase; acute phase; response maintenance; primary reinforcement; extinction, 28162
overshadowing; degraded contingency; extended comparator hypothesis; retrospective revaluation; Pavlovian conditioning; rats, 9705
purkinje cell; acquisition; eyeblink conditioning; cerebellar cortex; rats; extinction, 25075
rat; conditioned fear; freezing; response systems; ontogeny; fear-potentiated startle; development; learning; freezing, 27931
stimulus generalization; excitation; inhibitory conditioning; classical conditioning; pigeons, 15797
stimulus response association; unlearning; negative priming, 27881
taste aversion learning; lithium; appetitive; consummatory; taste reactivity; conditioning & testing method; flavor-drug association, 27955

Conditioned Stimulus—Serials

appetitive conditioning; interval duration effects; blocking; conditioned stimulus; rats, 12825
conditioned taste aversion; nonreinforced presentations; conditioned stimulus; conditioned response; rats; competition, 12813
constraints on learning; single incentive selective associations; stimulus-reinforcer interactions; appetitive aversive interactions; avoidance; food; shock; pigeons, 6666
context specificity assessment; conditioned stimulus; preexposure effect; Pavlovian excitatory; inhibitory conditioning; rats, 22070
contextual renewal; discriminative stimulus; cocaine; rats, 6417
differential reinforcement; pigeons; stimulus condition; fixed interval schedules; animal learning, 27956
discriminative stimulus; reinforcement; pigeons, 6656
elemental; configural learning; preexposure; generalization; connectionism; stimulus compounds; compound contexts; rats, 27941
ethanol; conditioned stimulus; stimulus modality; conditioned reinforcement; inbred mice (DBA/2), 34074
extinction; spontaneous recovery; rats; pigeons; fear conditioning; animal learning; error correction, 18912
eyelid; learning; medial geniculate; posterior intralaminar nucleus; suprageniculate; medial auditory thalamic nuclei; eyeblink conditioning; auditory conditioned stimulus; induced lesions; rats, 28074
flavour aversion conditioning; inhibitory mechanism; perceptual learning; rats, 15937
intertrial interval; conditional stimulus; rats; appetitive conditioning; discriminative cue, 12816
latent inhibition; rats; preexposure performance; autoshaping; conditioned performance, 12815
neurons; profrontal cortex; rat exhibit tonic; phasic coding; trace fear conditioning; conditioned stimulus; unconditioned stimulus; prelimbic; infralimbic; classical conditioning; temporal bridging, 9852
nicotine; conditioned reinforcement; sucrose pellets; observing-response procedure; rats; chronic phase; acute phase; response maintenance; primary reinforcement; extinction, 28162
nutrient-conditioned flavor preference; S-O associations; reinforcer devaluation; long delay learning; backward conditioning; unconditioned stimulus devaluation; conditioned stimulus; rats, 27946
orbitofrontal cortex; brain lesions; cognitive impairment; learning; conditioned stimulus; feeding, 3593
Pavlovian conditioning; contingency; uncertainty; time; temporal information; conditioned stimulus; unconditioned stimulus; autoshaped responding; intertrial interval, 27942
post-conditioned stimulus events; slow reacquisition effect; extinction; conditioned taste aversion; rats, 6651
rats; nucleus accumbens neurons; conditioned stimuli; behavioral-switching; outcome predictive information, 580
response rate; effective mediator; learned stimulus; pigeons; discriminative choice, 6655
stressful experience; learning; lifespan; eyeblink conditioning; classical fear; threatening stimuli; stress hormones; neuronal activities; age differences; sex differences, 10523

Conditioned Suppression—Serials

alpha amplitude; differential conditioning; conditional suppression; latency; event related desynchronisation, 3635
context specific latent inhibition; conditioned suppression task; computer video game; conditioned stimuli, 31088
context specificity assessment; conditioned stimulus; preexposure effect; Pavlovian excitatory; inhibitory conditioning; rats, 22070
differential inhibition; extended comparator hypothesis; Pavlovian inhibition; posttraining extinction; rats; spaced training trials, 27964
early evoked gamma band response; response suppression; male alcoholics; visual oddball task, 20031
fear; renewal; relapse; phobias; extinction; US habituation; retrospective revaluation; conditioned suppression; animal models; explicitly unpaired; rats; CS; clinical treatment, 6671
perirhinal cortex lesions; eyeblink conditioning; surgery; conditioned inhibition; rats, 34071
physical context changes; multiple extinction contexts; conditioned suppression; unconditional stimulus; renewal, 22005
weight suppression; weight gain; inpatient treatment; bulimia nervosa; eating behavior, 17111

Conditioning [See Also Autoshaping, Aversion Conditioning, Classical Conditioning, Conditioned Stimulus, Operant Conditioning, Place Conditioning, Preconditioning, Unconditioned Stimulus]—Serials

aging; trace fear conditioning; ultrasonic vocalizations; freezing; context; context conditioning, 22069
amygdala; learning & memory; electrophysiology; classical conditioning; instrumental conditioning; fear conditioning; signaled avoidance conditioning, 3465
appetitive conditioning; interval duration effects; blocking; conditioned stimulus; rats, 12825
arousal; attentional blink; conditioning; emotion; emotion induced blindness, 31092
avoidance; Pavlovian conditioning; amygdala; fear; rat; amygdala; learning & memory; electrophysiology; classical conditioning; instrumental conditioning, 3461
blocking; pseudoblocking; honeybees; conditioning; experimental controls, 15779
compound cues; cue competition; outcome-alone exposure effect; overshadowing; conditioned lever-press suppression; rats; sensory preconditioning; learning, 27966
conditioned effects; kindling; hippocampus; rats; perirhinal cortex; defensive behavior; conditioning, 9781
conditioned responses; neurotoxic damage; posterior parietal cortex; conditioned stimuli; nucleus; attention; orienting; associative learning; rats, 9790
enhanced conditioning; reinforcer value; brain lesions; amygdala; central nucleus; error signs; expectations; rats, 12823
experimental control; nodality effect; conditional discriminations; equivalence protocols; speed conditions; matching to sample, 15581
extinction performance; trial-spacing; appetitive conditioning; spontaneous recovery; extinction trials; extinction learning; chunking; short-term memory; self-generated priming mechanism, 22068
extinction; evaluative conditioning; expectancy learning; affective priming; electrodermal responding; resistance, 9642
eyeblink; eyelid; conditioning; learning; cerebellum; perirhinal cortex lesions, 28065
flavors conditioning; liking development; energy requirement, 15920
human causal judgments; retrospective revaluation; conditioning; within-compound associations; cues; associative learning; inferential reasoning, 431
Implicit Association Test; evaluative conditioning; conscious propositional knowledge; conditioned stimulus; unconditioned stimulus, 21609
latent inhibition; interpolation; task irrelevant stimulation; preexposure; conditioning; attenuated responding; unconditioned stimulus; rats, 6652
learning; conditioning; expectancy; automatism; dissociations; reaction times; priming, 31063
nutrient-conditioned flavor preference; S-O associations; reinforcer devaluation; long delay learning; backward conditioning; unconditioned stimulus devaluation; conditioned stimulus; rats, 27946
olfaction; taste; flavor; evaluative conditioning; hedonics; odor-taste hedonic associations, 27754
olfactory biconditional discrimination; mouse; reinforcement; discriminative learning, 15784
olfactory conditioning; food-searching passerine bird; olfactory bulb size; lavender odor; blue tits, 3462
pigeons; inhibition of return; conditioning; cued targets, 6657
purkinje cell; acquisition; eyeblink conditioning; cerebellar cortex; rats; extinction, 25075
ras antagonism; basolateral amygdala; fear memory; intraamygdala infusions; farnesylthiosalicylic acid; rats, 15887
rats; multiunit recordings; thalamocortical auditory system; slow-wave sleep; expression of associative plasticity across vigilance states; fear conditioning; medial geniculate; auditory cortex, 3460
relex modification; rabbits; heart rate; classical conditioning; unconditioned stimulus; vagus; nictitating membrane response; fear conditioning, 9857
scalar effects; visual discrimination; stimulus numerosity; pigeons; conditional discrimination, 31117
specific phobia; anxiety disorders; psychobiology; pharmacotherapy; fear conditioning; extinction; cognitive affective neuroscience, 23064
temporal context; multiple chains; successive encounters procedures; concurrent probes; reinforcement schedules; pigeons, 24903
trace conditioning; rats; birth; cognition; olfactory gustatory association, 15780

Conditioning (Avoidance) [See Avoidance Conditioning]
Conditioning (Classical) [See Classical Conditioning]
Conditioning (Eyelid) [See Eyelid Conditioning]
Conditioning (Operant) [See Operant Conditioning]
Conditioning (Verbal) [See Verbal Learning]

Condoms—Serials

alcohol effects; condom use; college males; alcohol consumption; sexual partner type; expectancies, 1070
birth control; Journeyworks pamphlets; healthy families; smoking cessation; sexual safety; condoms, 11177
college students; safe sexual behavior; sexually transmitted diseases; condoms; intervention, 18481
commercial sexual transactions; women; US syringe exchange programs; sex workers; condom use, 34623
condom negotiations; sexual partner; ethnicity; age; heterosexual; Chinese college students; Filipina American college students, 16410
condom use attempts; minority women; HIV risk; low income African American women, 16416
condom use; female sex workers; Vietnam; interventions; epidemic, 31703
condom use; personality; psychosocial variables; safe sexual behavior; sexual sensation seeking; sexual impulsive decision making, 31697
condom use; sex frequency; sexual partners; adolescent sexual risk taking; risk indicators, 806
condom use; sexual relationships; sexual risk taking; adolescent attitudes; sexual partners; casual sex; steady relationships, 19254
condom users; sexually-active women; sexual activity; affect; sexually related situations; condom appliers; condom application; sexual partners, 31701
condoms; Uganda; AIDS; HIV infection rate; AIDS prevention; health promotion; public health, 20731
coping strategies; condoms; embarrassment, 13558
female commercial sex workers; HIV/AIDS risk; social influence intervention; STIs; condom use, 35736
female condom; university students, 16402
female sex trade workers; condom use; private home context; public work; social relations; risk management; public-private divide, 1066
HIV positive women; condom usage; educational intervention, 23808
HIV risk; pregnant women; rural Haiti; sexual behavior; condom use; relationship power; abuse history; sexual communication, 29214
HIV; adolescents; risk; condom use; unprotected intercourse; transtheoretical model, 35237

ordinal condom use; measurement; sexually transmitted infection; sexual behavior; sexual attitudes; preventive measures, 7337
promiscuity; attitudinal ambivalence; condom purchase; lifestyles; consumer attitudes, 6067
relationship quality; adolescent females; dyadic alcohol use; condom non-use; partners, 16215
safer sex promotion leaflets; condom use; cognitive antecedents, 5181
safer sex; intervention; reminder cues; alcohol and sexual behavior; condom use, 19419
self-regulation; condom attitudes; intention to use condoms; condom use behavior; anticipated negative self-conscious emotions; shame; guilt; self-efficacy; planned behavior, 28652
sex research; Canadian sexually transmitted infection rates; sexual behavior; condoms; chlamydia; gonorrhea; testosterone; recidivism; sex offender treatment; inappropriate sexual behaviour; androgen, 4083
sex workers; commercial sex; transgender; condoms; stigma resistance; health services, 1077
sexual behavior; condom use; unmarried young men; Cambodia, 31688
sexual practices; premarital sex; condom use; South African university students; student attitudes, 4085
violence; victimization; HIV infection; condom use; high risk sexual behaviors, 32563

Condoms—Books

Without condoms: Unprotected sex, gay men and barebacking, 22727

Conduct Disorder—Serials

attention deficit/hyperactivity disorder; oppositional defiant disorder; preschool children; autonomic responding, 13661
brain maturation; conduct disorder; borderline personality disorder; brain function, 31980
child externalizing problems; preventive interventions; parenting; early childhood; parent training; family centered approach; early conduct problems, 16209
child psychotherapy; comorbidity; case complexity; therapeutic change; child disruptive behavior; oppositional defiant disorder, 26510
conduct disorder; aggressive behavior; behavior problems; prevention, 26055
conduct disorder; internalizing disorders; caregiving environment; third generation study; parents; history, 23107
conduct disorder; oppositional defiant disorder; depression; comorbidity; symptomatology; dysthymic disorder, 25809
conduct problems; callous unemotional traits; children; life stressors, 4427
controlled evaluation; enhanced self directed behavioral family intervention; conduct problems; rural areas; parenting interventions, 23117
creativity; attention deficit hyperactivity disorder; adolescents; conduct disorder, 26182
developmental pathways; conduct disorder causes; delinquent behavior; violent behavior; aggression, 16856
developmental psychopathology; temperament; children; attention deficit hyperactivity disorder; conduct disorder; anxiety disorders, 25827
Diagnostic and Statistical Manual; DSM; assumptions; mental disturbance; conduct disorder; etiology; psychiatric diagnosis, 16653
drug effectiveness; safety; pharmacokinetics; quetiapine; aggressive children; conduct disorder, 28975
environmental influences; sex differences; conduct disorder; aggressive type; nonaggressive type; twins; age; genetic influences, 19959
event related potentials; attention deficit hyperactivity disorder; conduct disorders; cerebral processing; personality; passive auditory, 13621
evidence based practice; conduct disorder symptoms; treatment; bullying, 14359
genetic study; attention deficit hyperactivity disorder; conduct disorder; oppositional defiant disorder; reading disability; comorbidity, 19727
healthcare costs; conduct disorder; medicaid youth; family therapy; interdisciplinary treatment approach; home treatment setting; office treatment setting, 4418
interpersonal callousness; hyperactivity; impulsivity; conduct problems; inattention; delinquency; 1st grade boys; 4th grade boys; 7th grade boys, 13995
juvenile offenders; learning disabilities; conduct problems, 17017
military style residential treatment program; adolescent behavioral functioning; socioemotional functioning; academic problems; drug problems, 5392
Positive Parenting Program; at-risk population; conduct problems; mother child relation, 33068
preschool-based programs; academic problems; conduct disorders; externalizing problems, 30387
prevention program; high risk preschoolers; conduct problems; child social competence; parenting practices; child behavior, 4412
provocation; aggression; anger; emotion; children; conduct disorder; psychophysiology; physiological parameters; reactance, 29017
Psychopathy Checklist; juvenile psychopathy; Youth Psychopathy traits Inventory; conduct disorder, 30719
psychopharmacologic treatment; juvenile offenders; juvenile justice; aggression; violence; conduct disorder, 17028
residential treatment; disruptive adolescents; gender differences; conduct disorders, 5391
risk factors; conduct problems; depressive symptoms; Ukrainian children; mother child communication; attention problems; marital satisfaction; maternal characteristics, 22918
Rorschach aggression variables; male juvenile offenders; aggressive movement; psychopathy, 29343
substance use; conduct disorders; adolescents; impulsivity; self report; Immediate Memory Test/Delayed Memory Test; ADHD, 13689
test reliability; test validity; factor structure; Swedish Youth Psychopathic Trait Inventory; conduct disordered boys; self report, 27617
trait affectivity; nonreferred adolescent; conduct problems, 23115
treatment resistance; entertainment psychology; emotionally disturbed; adolescent males; oppositional defiant disorder; conduct disorder, 20340
unhealthy parenting; family of origin factors; future intimate violence; corporal punishment; emotional regulation; conduct disorder, 26059

Conduct Disorder—Books

Conduct disorders: A practitioner's guide to comparative treatments, 35029

Cones (Eye)—Serials

color appearance; breast cancer; survivors; short wavelength; tamoxifen; estrogen; middle aged women; adjuvant therapy; stimulus detection, 20213
different color sensations; cones; photopigments; color fluctuation; adaptive optics, 291
human dichromacy; visual detection thresholds; cone-isolating stimuli; X linked dichromats; temporal modulation, 27790
human periphery; cone opponency; colour contrast detection; contrast sensitivity; luminance; neurons, 6766
luminance contrast; cone channels; high spatial frequency tritanopia; post receptor; spatio chromatic channels, 18731
respiratory gas disturbances; time course; scotopic threshold sensitivity; dark adaptation; hypoxia; hypocapnia; hyperoxia; normoxia; rod adaptation; retina; cones; photoreceptors, 18704

Cones (Retina) [See Cones (Eye)]

Confabulation—Serials

multiple sclerosis; fantastic confabulation; memory; consciousness; narratives, 35193

Confession (Legal) [See Legal Confession]

Confidence (Self) [See Self Confidence]

Confidence Limits (Statistics)—Serials

advertising effect duration interval; computing confidence bounds; autoregressive distributed lag model; direct estimation, 33634
Canadian census; machine learning; bilingualism; decision tree; theories revision; confidence intervals, 24491
confidence intervals; standard error; error bars; statistical cognition, 6357
confidence intervals; within-subjects; null hypothesis significance testing; mixed model, 6358
eyewitness identification; confidence accuracy relation; confidence accuracy calibration; identification latency; target-absent base rate; lineup instructions; foil similarity, 15638
statistical inference; bootstrap resampling; confidence intervals; regression coefficients; psychometrics, 232
test score variability; confidence interval; ratio of standard deviations; sample size, 30803

Confidentiality of Information [See Privileged Communication]

Conflict [See Also Arguments, Family Conflict, Riots, Violence, War]—Serials

action research; communities; post conflict transition; political violence; social justice; ethics, 16264
adaptation patterns; Schizoid Personality Scale; conflict, 25989
aesthetic theory; administrative ethics; conflict; tension; balance; management, 21309
aesthetic theory; administrative ethics; conflict; tension; balance; management, 21317
anti-Israel sentiments; antisemitism; Israeli Palestinian conflict; European countries, 28398
autonomy; self-determination; relationships; motivation; conflict; romantic relationships, 7412
bias blind spot; liking; interpersonal conflicts; interpersonal preferences; social perceivers; fairness, 28576
bilateral conflict; impact; resolution; negotiations; stakeholders, 12403
boundary-spanning demands; boundary-spanning resources; perceived stress; work-to-family conflict, 2898
care reasoning; moral conflicts; ethic of care, 31883
casualties; legislatures; accountability; selection effects; conscription, 6048
child adaptational development; interparental conflict; developmental change; child distress reactions; childhood development, 13183
child centered approach; conflict; domestic violence; families; divorce; child abuse; litigation, 25483
class conflicts; strikes, 3963
classroom dynamics; second language acquisition; collaborative learning; recasts; feedback; interpersonal conflict, 17938
cocaine; inhibition; behavioral control; human; motivational conflict, 6838
cognition ability; divergent interpretations; conflict stories; antagonists; children's judgments, 10013
cognitive control; flanker task; conflict monitoring; stimulus congruency, 30944
community engagement; cynicism; discontent; social conflicts; social dissatisfaction; social perception, 1163
community restoration; shared religious values; religious leaders; Muslim communities; Interfaith Peacebuilding Institute; discourse; conflict; conflict resolution; reconciliation, 31557
conflict adaptation effect; priming; cognitive adaptation; response conflict monitoring; repetition-priming; information processing, 9528
conflict avoidance; university context; university staff; university students; ethnography; personality issues; power imbalance; work type, 2718
conflict behaviours; acute psychiatric wards; containment methods; nurse attitudes, 26927
conflict coaching; conflict resolution; executive coaching; comprehensive conflict coaching model, 33535
conflict resolution; mediation, 9300
Conflict Tactics Scale; participant responses; partner abuse, 32287
conflict-handling strategy; choice behavior; conflict situation, 34665
conflict; anti-poverty program planning; rural environment; community welfare services; social programs; social change, 35883
conflict; friendships; interpersonal relationship; group dynamics, 10418
conflict; identity development; commitment, 16555
conflict; negotiation; emotion; supplication; appeasement; interpersonal effects; disappointment; worry; guilt; regret, 28593
conflicting values; postmodern values; modern values; achievement values; school related decisions; students' values; well being values; student learning, 2722
conflicts; medical interpreters; provider patient interaction; interpreters strategies, 26507
Congressional opposition; economy; US dispute initiation; economic performance; conflict behavior; presidential action, 28388
constraint commitment; relational bond; relational satisfaction; personal commitment; conflict responses; dating dyads, 7406
constructive conflict; cross functional conflict; conflict handling; new product performance; product development, 9155
cooperation; Chechnya conflict; social actors; network analysis; event data, 16252
coping behavior; personality; work family conflict, 11243
couples; couples therapy; Human Territorial model, 17500
crossover effects; health and well-being; social perceptions; work-family interface; work-relation conflict, 30503
cultural change; Dallas independent school district; racial ethnic conflict; decision making; public education, 33349

cultural conflict; teacher attitudes; student preparation, 33338
customer orientation; Japanese sales departments; innovativeness; conflict, 24444
democratic institutions; conflict; emotions; psychodynamics; democracy; workplace; stress; anxiety; psychological defenses; political cultures; psychoanalysis, 24376
demographic characteristics; abilities; personality traits; team functioning; team diversity; faultlines; undergraduate students; cohesion; conflicts; team members, 4158
demographic faultlines; conflict; work team disintegration, 12242
destructive costs; conflicts; litigation; relationships; Alternative Dispute Resolution; early intervention; prevention; university athletic department, 29509
dispute; self esteem levels; Jewish youth; Arab youth; national conflicts; ethnic identification; gender differences, 16276
distributive negotiation; multiple parties; baseball team; divide and conquer; unity; disunity; cooperating parties, 1129
divorce litigation; conflict; legal discourse; child alienation; child custody; child access; case assessments; psychology; psychiatry, 13347
double mediation model; argumentation; conflict aversion; orientation reaction; vacillation; sacrifice; decision making, 18809
emotional experience; short-term emotion-focused therapy; patients; conflict; physiological arousal, 23585
employed mothers; breastfeeding; work family conflict; infant nutrition; workplace interventions, 2870
ethnic heterogeneity; civil war onset; ethnic fractionalization; conflict, 28386
family friendly organizational resources; work family conflicts; family satisfaction; job satisfaction; organizational interventions, 9115
faultline model; geographically dispersed teams; group functioning; conflict; trust; graduate students, 36492
federal mediators; conflict resolution; contract disputes; mediation; resolving disputes, 2915
gender role conflict; homophobia; male rape myth acceptance; attitudes toward homosexuality; restrictive emotionality; male sexual abuse, 7890
geographic region; intergroup attitudes; minority; Sri Lanka; conflict; stereotypes; conflict relevant attitudes, 28561
group conflict; leadership behavior; cognition; affection; group decision making, 31752
group forums; group deliberation; narratives; conflict; group communication, 16471
group memberships; intragroup conflict; group fission; subgroup boundaries, 13452
group negotiation; social motives; group performance; prosocial motivation; divergent performance; convergent performance; creative task; planning task, 1124
group performance; racial diversity; conflict; individual perceptions; internet, 12128
group-based guilt; national identification; moral violations; conflict vehemence; in-group, 34702
hermit crabs; shell fighting; signal residuals; agonistic contests; bluffing; fighting ability, 24916
heterogeneous trade interests; trade conflict, 15184
hierarchical conflict detection; air traffic control; aircraft trajectories; workload; time pressure; momentary conflict geometries; aircraft pairs, 12346
historical conflict; incitement; terrorism; fairness; deprivation; injustice, 7151
historical institutionalism; path dependency; politics; political conflict; adjustment to change, 7307
home birth rates; cesarean section rates; war; ethnic conflict; military occupation; Palestinian women, 1005
hypnotic conflict; visual stimulus; hypnotherapy; blindness, 29728
immigrant families; intergenerational cultural conflict; parental warmth; psychological adjustment; adolescents ideals, 7279
interactional justice; cross cultural joint ventures; executives decision making effectiveness; interpersonal trust; boundary spanning officers, 36486
intergroup conflict; causes; lay attributions; college students; theories, 19452
international rivalries; rivalry maintenance; maintenance processes; conflict management; realist strategies, 3927
interparental conflict; cognitive appraisals; externalizing problems; internalizing problems; youth maladjustment, 820
interpersonal confrontation; prejudice reduction; racism; stereotypes; hostility, 22749
intervention; peace workshop; ethnic conflict; empathy, 3991
intraracial romantic relationships; relationship satisfaction; conflict; attachment style; relationship quality; interracial couples, 16477
lateral septal nuclei; female Wistar rats; mGlu5 receptor antagonist; intra-medial septal region; septal nuclei; anticonflict like effects; estrus variation, 34220
leader age; regime type; violent international relations; militarized dispute; conflict initiation; democracies; personalist regimes, 4039
leader member exchange; teams; team potency; team conflict; team-based organizations; Canadian Forces, 27410
lynching legacy; southern homicide; capital punishment; interpersonal conflicts, 4446
maternal anger; teenaged mothers; partner conflict; partner transitions; child oppositional behavior; child anger, 28991
migration experience; intergenerational conflict; family relationships; parenting experiences; South Asian families, 10205
misperceptions; intergroup conflict; social conflicts; abortion debates; politics debates, 10398
models; ingroup norms; outgroup norms; rational decision-making; intergroup conflict behaviors, 1143
negative attitudes; positive attitudes; attitudes toward compromise; psychological correlates; Israeli Palestinian conflict; threat perceptions, 912
neurotic distress; intrapsychic conflicts; agreeableness; implicit self-esteem; neurotic conflict; desires; interpersonal principles; cognition; motivation, 25700
organizational conflict; management styles; employee emotional engagement; conceptualizations, 30438
organizational demographics; group conflict; racial ethnic diversity; workplace diversity; community, 12217
parent-offspring conflict; cost-benefit analysis; adolescent suicidal behavior; birth order, 28957
participatory action research, truth telling; community; post conflict transition; ethics; Northern Ireland, 22617
patient resistance; smokers; practitioner behavior; confrontational behavior; negative behavior, 11660
patient resistance; smokers; practitioner behavior; confrontational behavior; negative behavior, 11644
peace education programs; conflicts; attitudes, 13393
peer conflict; moral learning; moral issues; friendship; Dutch schoolchildren; gender differences; peer pressure; emotions; betrayal, 25369
peer mediation; church; conflict management, 5878
people with disabilities; post-conflict situations; Sierra Leone; equal citizens; equal opportunities; economic independence; disability services; poverty cycle, 29182
performance assessment; critics; criticism; controversy; performance assessment; test validity; test reliability; education, 15488
Peru; reconciliation; political violence; transitional justice; collective memory, 22628
political origins; force use; legitimacy; UN Security Council; independent judgment; United Nations, 4050
power positions; international organizations; social networks; social conflict, 15188
preschool Childrens; peer conflict strategies; conflict management skills, 13232
proactive personality; young workers; interpersonal conflict; decreased well-being; job satisfaction; school performance, 15169
professional identity; conflict; diagnostic and statistical manual; mental health counseling; conceptualization, 33271
prospect theory; war; ethnocentrism; intergroup conflict; invasion of Iraq; certain gains; uncertain gains; certain losses; uncertain losses, 19519
psychodynamic focal group treatment; psychosomatic inpatients; work related conflicts; psychotherapy, 29604
psychological operations; regional power; war; conflict; Hezbollah; Israel; radical Islam, 22624
psychosocial support provision; poverty reduction; conflict zones; resettlement project; northern Sri Lanka, 35954
public organizations; organizational purpose; ambivalence; conflict, 18288
punishment; international justice; conflict theory; legal liberalism, 24511
relationship conflict; dating couples; attachment styles; cortisol reactivity & recovery; stress, 19518
relationship conflict; trust; transactive memory; top management teams; performance relation; social political relations, 9110
relationship satisfaction; supportive partner; relationship conflict, 22748
religion; conflict; marital relationships; parent child relationships, 10256
religious conflicts; adolescents; sexual identity confusion; same sex attraction; gay and lesbian issues, 863
reproductive conflicts; mutilation; queenless ants; animal dominance; offspring; aggressive behavior, 31127
rhetorical activism; contemporary feminist activism; social movements; protest, 16397
risk assessment; opportunity; conflict; human rights; life integrity, 30632
rogue states; interstate conflict; American foreign policy; international conduct; conflict initiation, 3920
school based violence; school based intervention; family therapist; conflict skills training, 30389
school-based mediation program; school climate; conflict strategy choices; social-cognitive dispositions; middle school students, 33454
school-leisure conflict; educational functioning; conflict research; behavioral issues; negative academic outcomes; motivational model; mental health; college students, 11853
service coordination teams; serious emotional challenges; behavioral challenges; pediatrics; health care services; interpersonal conflicts, 29920
smokers; confrontational behavior; negative behavior; argumentation; social support, 30017
social conflict models; human psychopathology; psychiatric disorders; social experience; defeat; aggression; violence; brain; behavioral influence, 34673
social stressor; counterproductive behaviors; conflict; occupational stress; supervisor-worker relations; coworker relations; employee attitudes; negative emotions, 21384
social world; dreams analysis; nightmares; post conflict setting; socio cultural theories; central Mozambique, 34481
sociocultural change; Hindu Muslim conflict; social identities; Gandhian thohghts, 7150
special interest groups; conflict; trauma; disaster; Royal College of Psychiatrists, 5500
structural equivalence; international conflict; affinity types; social networks; international affinity; dyadic conflict; trade; intergovernmental organizations, 34678
task conflict; team innovation; collaborative problem solving, 15148
teacher student relation; conflictual relationships; kindergarten students, 12032
terrorism; conflict; global tensions; militant; militant Islam; social justice, 28404
testosterone; conflict tactics; late adolescent couples; dyadic predictive model; agression; human sex differences, 19505
therapeutic change; acute psychiatric ward; conflict and containment; City Nurse Project; action research, 23935
top management; group conflict; organizational issue interpretation; decision making; cognitive conflict; hospital management, 2859
trade; territorial disputes; international borders, 4134
training trainers; counselors; psychosocial workers; armed conflict; social work education, 36085
understanding benefits; conflict detriments; team creativity process; project life cycle, 21403
unexploded ordnance; landmines; Chechnya; epidemiology; injuries; deaths; armed conflict, 31538
value orientations; action conflicts; value synthesis; motivational psychology; learning processes; achievement; well being; German students, 2733
war; global financial markets; world economy; stock market reactions; international conflicts; political developments; commercial liberalism, 34494
work commitment; spouse; children; work family conflict; family responsibilities, 15153
work family conflict; family work conflict; nonattendance behaviors; kinship responsibility; gender responsibility; absenteeism; leaving work early; tardiness, 5968
work family conflict; work family culture; organizational citizenship behavior; teachers, 14919
work-supportive family; family-supportive supervision; organizational benefits; problem-focused coping; work-family conflict; employee well-being; avoidance methods, 21390
workplace disputes; employment arbitrators; labor arbitrators; jurors; decision making, 18176
youth identity; conflicts; coexistence; Israeli adolescents; Palestinian adolescents; ingroup ideology; outgroup ideology; cultural psychology, 28333

Conflict [See Also Arguments, Family Conflict, Riots, Violence, War]—Books

Conflict—Books

The art of managing everyday conflict: Understanding emotions and power struggles, 4167
Conflict, 22637
Conflict [See Also Arguments, Family Conflict, Riots, Violence, War]—Chapters
An Economic Theory of Self-Control, 10442
Equality, Fairness, and Social Conflict, 10392
Negotiating with Yourself and Losing: Making Decisions with Competing Internal Preferences, 10463
Sanctioning Systems, Decision Frames, and Cooperation, 10441
Why is there Disagreement in Bargaining?, 10432
Conflict of Interest—Serials
alcohol industry; research funding; government policy making; public health, 8802
alcohol industry; research funding; government policy making; public health; ethical issues, 8800
auditor independence; moral seduction; strategic issue cycling; conflicts of interest; financial scandals; accounting firms; theory, 15180
auditor independence; moral seduction; strategic issue cycling; conflicts of interest; financial scandals; accounting firms; theory, 15196
auditor independence; moral seduction; strategic issue cycling; conflicts of interest; financial scandals; accounting firms; theory, 15194
conflict of interest; physicians; health care industry; ethics; pharmaceutical companies; medical professionalism; gift receipt; gift giving; professional regulation; academic medical centers; policy, 11794
disclosure policy; psychopharmacology; pharmaceutical companies; conflict of interest, 21063
Conflict Resolution [See Also Mediation]—Serials
7 phase model; personal conflict; worldview; frame of irony; styles; organizational settings; church organizations; adversarial & collaborative approaches; conflict resolution, 31551
adolescent male violence; conflict management; management skills; adolescent attitudes; adolescent development; social perception, 3103
alternative dispute resolution; conflict resolution; mediation; harmony ideology; anthropology; power; The Gambia, 19288
alternative dispute resolution; court efficiency; community partnerships; public access, 9301
alternative dispute resolution; on-line dispute resolution; mediation; emotions; cognitive limitations; challenges; benefits; human needs, 19521
Alzheimer's disease; executive processing; orienting; conflict resolution; alerting; attentional networks; aging, 17281
anger; compromise; adolescents; conflict resolution strategies; peer relationship; gender differences; romantic relationships; society; aggression; friendship, 25368
apartheid; democracy; intergroup dynamics; conflict resolution, 16251
bargaining; war; warfare; conflict models; random-walk model; armed conflict, 28411
bargaining; war; warfare; conflict models; random-walk model; armed conflict, 28393
bilateral conflict; impact; resolution; negotiations; stakeholders, 12403
civil war onset; conflict resolution; sensitivity analysis; income levels; economic growth; political instability, 28396
Common Ground initiative; Math Wars; mathematicians; mathematics; education, 27131
communication behaviors; interorganizational exchanges; individual level interorganizational exchanges; problem-solving efficacy; conflict resolution; business to business sector, 9175
community restoration; shared religious values; religious leaders; Muslim communities; Interfaith Peacebuilding Institute; discourse; conflict; conflict resolution; reconciliation, 31557
conflict avoidance; university context; university staff; university students; ethnography; personality issues; power imbalance; work type, 2718
conflict behaviours; acute psychiatric wards; containment methods; nurse attitudes, 26927
conflict coaching; conflict resolution; executive coaching; comprehensive conflict coaching model, 33535
conflict contexts; conflict analysis; conflict resolution education; conflict management processes, 33703
conflict management styles; attachment styles; classroom management efficacy; teachers; school context, 17983
conflict resolution patterns; longevity; adolescent romantic couples, 31485
conflict resolution style; Latino couples; dependent variables; family therapy, 28224
conflict resolution; mediation, 9300
conflict resolution; self; aggression; cooperation; social interaction; arguments; beliefs; ownership; self concept; process accountability; competitive cognitions, 1105
conflict resolution; virtual teams; group processes; organizations; electronic means, 12249
conflict-handling strategy; choice behavior; conflict situation, 34665
construal; time; psychological distance; negotiation; integrative; conflict resolution, 34656
constructive conflict; cross functional conflict; conflict handling; new product performance; product development, 9155
cooperative behavior; competitive interactions; limited resource situations; conflict management strategies; psychosocial development; peer relations, 13193
destructive costs; conflicts; litigation; relationships; Alternative Dispute Resolution; early intervention; prevention; university athletic department, 29509
efficient & envy-free bargaining; Brams Taylor Adjusted Winner Mechanism; bilateral decisions; competing preferences, 4139
federal mediators; conflict resolution; contract disputes; mediation; resolving disputes, 2915
intergroup reconciliation; empathy; ingroup outgroup; responsibility; trust, 16465
interview; policy; homology; dialogue; civilizations; conflict, 34493
knowledge gaps; Hewlett foundation; conflict; intervention, 9296
managing conflict; organizational acquisition; corporation; changes; organizational culture; emotional reactions; economic issues; balancing of power, 21312
mediation; discursive positioning; ethical dimension; ethical practice; narrative approach; agentic action; equity; justice; democratic partnership; disrespect, 31577
motivation; interpersonal conflict management styles; leadership effectiveness, 25588
on-line dispute resolution practitioners; training; accreditation systems; standards, 20994
on-line dispute resolution services; alternative dispute resolution services; on-line technology, 19537
on-line dispute resolution systems; technologies; community Internet radio; conflict transformation; mobile telephone; Asia, 19500
on-line dispute resolution; alternative dispute resolution, 19301
on-line dispute resolution; mediation; conflict resolution; on-line communication; technology, 19486
practitioner perceptions; controversial issues handling; societies; teachers' roles; youth; Northern Ireland; inclusive discourse, 25435
preschool Childrens; peer conflict strategies; conflict management skills, 13232
pseudo reality; conflict resolution; simulation games; negotiation skills; mediation skills; learning process, 3095
reconciliation; Australians; peace; content analysis; aboriginals; government policy; violence, 25411
reconciliation; consolation; Japanese preschoolers; naturalistic observation; PC MC method; peacemaking; peer aggression, 16168
relational transgressions; forgiveness; communication; apology; relationship reconciliation, 7434
relationship satisfaction; supportive partner; relationship conflict, 22748
religiosity; married couples; marital conflict; religious beliefs; religious practices; conflict resolution; Abrahamic faiths; Christianity; Judaism; Islam, 35573
Schiavo case; family caregiving issues; end of life; decision making; conflict resolution; legal processes, 16346
school-based mediation program; school climate; conflict strategy choices; social-cognitive dispositions; middle school students, 33454
self construal; aesthetic preference; angular shapes; rounded shapes; conflict resolution preference, 19671
Sibling Conflict Resolution Scale; test validity; test reliability; psychometrics; childhood development, 1926
siding; workplace dispute; legitimacy; sanction; Guanxi; outsiders; Chinese employees; moral orientation; expedient orientation, 5988
Supreme Court decisionmaking; attitudinal factors; jurisprudential factors; resolution of intercircuit conflicts, 21541
territorial conflicts; secessionist states; rump state; secession process; dispute resolution; peace keeping; peaceful secession; violent secession, 3948
Western-influenced conflict resolution education; culture; needs; workshops; educators; community leaders, 31562
workplace disputes; employment arbitrators; labor arbitrators; jurors; decision making, 18176
Conflict Resolution [See Also Mediation]—Books
The art of managing everyday conflict: Understanding emotions and power struggles, 4167
Negotiation, decision making and conflict management, Vol 1–3, 10425
The psychology of resolving global conflicts: From war to peace (Vol. 2), 22636
The psychology of resolving global conflicts: From war to peace (Vol. 3), 22635
Conflict Resolution [See Also Mediation]—Chapters
Equality, Fairness, and Social Conflict, 10392
Reactive Devaluation in Negotiation and Conflict Resolution, 10393
Three Approaches to Resolving Disputes: Interests, Rights, and Power, 12406
Why is there Disagreement in Bargaining?, 10432
Conformity (Personality)—Serials
conformity; masculinity norms; RIASEC model; vocational interests; college men, 21344
crime judgments; social pressure; black clothing; conformity, 7457
group members; relative intragroup status; conformity self reports; group influence, 16552
group size; conformity; social influence processes, 1125
mortality salience; creative behavior; assimilation needs; problem solving; guilt, 1204
mutual influences; American parents; childrens conformity; spouses educational level; mothers employment; marital happiness; child rearing values, 10327
reciprocity; public goods; crowding in; conformity; altruism, 7477
social consensus; information encoding; information processing; stereotyped group; gays; stereotyped attitudes, 19554
social recognition memory; people's responses; seen items; unseen items; memories; influence; misinformation; eyewitness; memory conformity, 444
unanimous decisions; split decisions; group pressure; conform; lone dissenter; voting patterns; U.S. Supreme Court; social influence, 10404
Confusion (Mental) [See Mental Confusion]
Congenital Disorders [See Also Cleft Palate, Hermaphroditism, Microcephaly, Prader Willi Syndrome, Spina Bifida]—Serials
adulthood transition; congenital heart disease; acquired heart disease; adjustment, 26359
attachment; child medical condition; maternal grief resolution; diagnosis; toddler to preschooler transition; congenital disorders; family impact, 16354
autistic traits; androgens; congenital adrenal hyperplasia; testosterone; prenatal exposure; sex differences, 26197
bimanual co-ordination; children; young adolescents; hemiparetic cerebral palsy; congenital brain damage, 26451
communication development; congenital deafblindness; symbolism; children; communication delays; development of symbolism, 1664
communication disorders; swallowing disorders; congenital syndromes, 17186
congenital cytomegalovirus infection; foot anomalies; corpus callosum dysgenesis, 4615
congenital phantom limb; developmental theory; body image; brain; feedback; aplasics, 22935
contrast sensitivity; visual plasticity; binocular vision; humans; bilateral congenital cataract; visual deprivation; developmental plasticity, 32534
de novo interstitial deletion; chromosome 7q21.1-q22; multiple congenital anomalies, 4655
disability rights; prenatal diagnosis; eugenics; genetic disease; congenital disabilities; cross cultural differences, 4667
intellectual development; congenital heart disease; survivors; surgery; aetiology; infant development; childhood development; adolescent development; hypoxia, 26364
language development; speech impairments; congenital disorders; aided communication; language; speech, 26256
MRI; neurological findings; Macrocephaly Cutis Marmorata Telangiectatica Congenita syndrome; children, 4627
spatial cognition; visual experience; congenital blindness; visual perception, 32704

spina bifida; young adults; functional independence; newborn infants; pathological characteristics; hydrocephalus; lesion, 22906
spirituality; coping mechanism; congenital disabilities, 4673
Congenitally Handicapped [See Congenital Disorders]
Conjoint Therapy—Serials
childhood; anxiety disorders; school-based treatment; conjoint behavioral consultation; school setting parental role; teachers role; treatment outcomes, 28908
therapeutic alliance; clients experiences; conjoint treatment; family therapy, 32836
Connectionism—Serials
autonomy connectedness scale; scale development; individual differences; psychopathology; test reliability; test validity; psychometrics, 12456
connectionist networks; classical computation; theory of mind; cognitive science; neural networks, 18796
connectionist networks; program execution; neural networks, 3066
control of routine behavior; localist versus distributed representations; simple recurrent networks; neuropsychological impairments of action; sequential action; connectionist approach, 33958
dissociations; performance; novel versus irregular itmes; simulations; connectionism; localist & distributed representations; models, 376
elemental; configural learning; preexposure; generalization; connectionism; stimulus compounds; compound contexts; rats, 27941
gender attribution; analogical modeling; connectionism; theoretical superiority; French language, 3713
Kintsch's Construction-Integration Model; text comprehension; learning, 27917
language emergence; neural agent models; robotics; embodied systems; multi-agent systems; connectionist simulations, 6142
model comparison; model complexity; MCMC; connectionist modeling, 15334
sequential action; computational modeling; procedural memory; control of routine behavior; localist versus distributed representations; simple recurrent networks; neuropsychological impairments, 33956
sequential action; computational modeling; procedural memory; control of routine behavior; localist versus distributed representations; simple recurrent networks; neuropsychological impairments, 33959
sequential action; computational modeling; procedural memory; control of routine behavior; localist versus distributed representations; simple recurrent networks; neuropsychological impairments, 33957
social connectionism; multiagent models; communication; persuasion; trust; cognition; social psychology; social relations; simulation, 25622
Connectionism—Books
Connectionism: A hands-on approach, 6153
Connotations—Serials
lettering style; font product congruity; logotype perception; product categories; connotation; advertisement; typeface, 18377
processing fluency; cues; contextual information; connotations, 6520
Consanguineous Marriage—Serials
consanguineous marriage; frequency; army conscripts, 4006
cousin marriage; Bedouin society, 981
Conscience—Serials
conscience; conscientiousness; ego development; personality traits; five factor model, 10499
life regrets; death attitudes; college students, 10532
Conscientiousness—Serials
academic aptitude; personality traits; behavior prediction; academic performance; conscientiousness; student development, 22810
autobiographical reflections; theoretical reflections; ontological unconscious; emotional experience; traumatized states, 31950
autobiographical reflections; theoretical reflections; ontological unconscious; emotional experience; traumatized states, 31962
autobiographical reflections; theoretical reflections; ontological unconscious; emotional experience; traumatized states, 31961
cognitive ability; alternative measures; job performance; ethnic group differences; conscientiousness, 12177
conscience; conscientiousness; ego development; personality traits; five factor model, 10499
conscientiousness heritability; academic achievement; IQ measures, 16557
conscientiousness; flow at work; job characteristics; job performance; occupational health psychology, 30490
creative thinking; personality; conscientiousness; student performance; assessment mentods; academic achievement prediction, 27213
goal setting; personality traits; learning; performance; conscientiousness; openness to experience; learning goal orientation, 7513
intelligence; personality; performance; individual difference; high conscientiousness, 22838
mathematics homework; homework efforts; motivational antecedents; expectancy value framework; students conscientiousness, 30351
multilevel integration; personality; safety climate; self regulation; performance; individual differences; employee productivity; conscientiousness, 33517
parental behavior; economic behavior; adolescent behavior; future orientation; conscientiousness; saving, 13236
personality traits; geometric structure; five factor model; interpersonal sphere; conscientiousness; three dimensional model, 22854
personality; meta-analysis; conscientiousness; job performance; narrow traits; prediction; incremental validity, 12173
positive affect; conscientiousness; job tension; job burnout; conservation of resources; nurses, 30510
school performance; personality; school grades; Croatia; conscientiousness; intelligence; peer, 27212
social control; health behavior; conscientiousness; neuroticism; social regulation, 31932
theory of planned behaviour; exercise videos; conscientiousness; implementation intentions, 8511
trait openness; conscientiousness; fluid intelligence score; cognitive ability, 16563
trait procrastination; college students; neuroticism; conscientiousness, 7515
Conscious (Personality Factor)—Serials
alleged illusion; conscious will; causal efficacy, 7548
creativity; unconscious thought; consciousness; thinking, 18875
critical consciousness; career development; urban youth; sociopolitical barriers, 16163
human consciousness; sensory fabric, 9658
internally generated auditory imagery; tunes; consciousness; loneliness; separation; music, 31954
motor cognition; conscious intention, 368
resistance; rebellion; refusal; group life; group process; conscious thinking; transference-countertransference; symptom formation; symbol formation; enactment, 29605
semantic categorization; unconscious cognition; semantic processing; conscious control; motor responses; visual stimuli; cognitive action-trigger conditions; number processing; action control; priming, 9556
semantic categorization; unconscious cognition; semantic processing; conscious control; motor responses; visual stimuli; cognitive action-trigger conditions; number processing; action control; priming, 9555
semantic categorization; unconscious cognition; semantic processing; conscious control; motor responses; visual stimuli; cognitive action-trigger conditions; number processing; action control; priming, 9545
spectrum inversion; conscious experiences; logical possibility; functionalism; scrambling theorem; mathematical formulation; color space, 18720
spectrum inversion; conscious experiences; logical possibility; scrambling theorem; mathematical formulation; color space, 18702
spectrum inversion; conscious experiences; logical possibility; scrambling theorem; mathematical formulation; color space, 18717
spectrum inversion; conscious experiences; logical possibility; scrambling theorem; mathematical formulation; color space, 18719
Conscious (Personality Factor)—Books
Natural minds, 3112
Consciousness States [See Also Awareness, Wakefulness]—Serials
anesthesia; implicit learning; priming; consciousness; awareness, 18659
anesthesia; implicit learning; priming; consciousness; awareness, 18662
anesthesia; implicit learning; priming; consciousness; awareness, 18683
apical dendrite activity; cognition; consciousness; attention; imagery; working memory; impression; hippocampus, 22193
ASSC10 Conference; consciousness studies; experiences; biography, 30075
attachment; intersubjectivity; conscious; unconscious, 22869
autoerotic asphyxia; accidental deaths; consciousness; choking game, 28517
awareness; consciousness; dissociation; cognitive system; self-representation, 31101
behavior; cognition; consciousness; conscious awareness, 18879
brain stimulation; reaction time; stimulation duration; striate cortex; visual experiences; consciousness states; anomalous control; voluntary movement; involuntary movement, 31209
brain stimulation; reaction time; stimulation duration; striate cortex; visual experiences; consciousness states; anomalous control; voluntary movement; involuntary movement, 31205
brain stimulation; reaction time; stimulation duration; striate cortex; visual experiences; consciousness states; anomalous control; voluntary movement; involuntary movement, 31213
causal relationships; qualia epiphenomenalism; empirical knowledge, 21958
change blindness; priming; implicit representations; consciousness states; visual stimulation; attention; implicit memory, 21821
chronic disorders; consciousness; vegetative state; minimally conscious state; stimulation treatment, 25747
cognitive architecture; internal simulation; global workspace; brain; consciousness states; logical thinking, 21955
conscious experience; delusional belief; perceptual representation; Capgras patient, 7607
conscious perception; perceptual processing; orientational theory, 3279
conscious perception; processual unity; brain activity; perceived event; objects perception; face perception; movements perception, 27856
conscious recollection; autobiographical memory; schizophrenia; memory impairments, 1389
conscious states; mental states; causal relevance; epiphenomenalism, 21924
consciousness science; conferences; state consciousness; contents of consciousness; frontal-parietal connections; complexity; animal consciousness; special relativity, 9656
consciousness, 22047
consciousness, 457
consciousness; ethics; moral responsibility; psychiatry, 8809
consciousness; philosophy; psychology, 22043
consciousness; philosophy; psychology, 22044
consciousness; philosophy; psychology, 22046
consciousness; psychology; neurosciences; theory of mind; Cartesian Theater model of the mind; Multiple Drafts model of consciousness; metacontrast; Stalinesque model; Orwellian model, 31103
consciousness; pure experiences, 27927
consciousness; reflective consciousness; interactive process model, 3438
consciousness; science; conference, 24022
consciousness; self awareness; comparison; integration; neurocognitive views; self representations; self perception, 22048
consciousness; self sensing brain; feeling; biological meaning, 27929
consciousness; space; mind, 22042
consciousness; trauma; psychoanalysis; psychotherapeutic techniques, 23680
corporealized & disembodied minds; perception; movement; intentional arcs; embodied consciousness; alienation; schizophrenic patients; phenomenological account, 7687
creativity; unconscious thought; consciousness; thinking, 18875
culture bound dissociation; cultural variations; indigenous cultures; classification systems; consciousness states, 16690
dispositionalist HOT theory; Peter Carruthers; phenomenal consciousness theory; representational theories of consciousness; dispositional properties, 31320
dream content; boundary structure; cognitive differences; Asian Americans; Pacific Islander Americans; consciousness boundaries, 27930
dreaming; children; consciousness development, 12801
dreaming; children; consciousness development, 12802
dreams; video games; consciousness; lucid dreams; mystical; observer dreams; dream control, 27925

Consciousness States—Serials

dying person; consciousness; survival after death; higher self, 9668
dying person; consciousness; survival after death; higher self, 9669
electrophysiological index; photic stimulation; EEG; psychoticism, 7497
emotion; consciousness; systemic cognitive neuroscience, 6813
epileptic consciousness; partial seizures; paroxysmal psychic automatisms; aura, 26368
epiphenomenalism; consciousness; causal relationships; epistemological emergence; Scientific Picture of the World, 21820
epiphenomenalism; physical properties; causal inefficacy; nomological connection, 21946
episodic memory; autobiographical memory; depression; autonoetic consciousness; self perspective; early memories, 22968
episodic memory; semantic memory; autobiographical memory; remote memory; aging; autonoetic consciousness; self perspective, 31525
faculty morale; cultivating consciousness; empathy; empowerment; narratives; job satisfaction; educational personnel; narrative theory, 36202
Freudian agencies; psychic organs; ego states; consciousness; structural components; integrative perspective, 25732
functional consequences; facial expressions; emotions; unconscious perception; visual search; cognitive processes; human cognition, 240
gamma-band neural synchrony; consciousness; visual working memory; binocular rivalry; visual perception, 3554
global workspace theory; problem framing; cognitive sciences; cognitive processes; analogical reasoning; information processing; conscious states; biological brain, 9609
Greek zombies; human mind; consciousness; psychological theories, 22049
heterophenomenology; transpersonal theory, 27926
human consciousness; sensory fabric, 9658
humanistic psychology; phenomenology; consciousness; observation; inner experience; psychological theorizing; methodological differences; human science; behavior, 15375
humanistic psychology; phenomenology; consciousness; observation; inner experience; psychological theorizing; methodological differences; human science; behavior, 15384
humanistic psychology; phenomenology; consciousness; observation; inner experience; psychological theorizing; methodological differences; human science; behavior, 15381
humanistic psychology; phenomenology; consciousness; observation; inner experience; psychological theorizing; methodological differences; human science; behavior, 15378
humanistic psychology; phenomenology; consciousness; observation; inner experience; psychological theorizing; methodological differences; human science; behavior, 15383
hypnosis research; hidden observer; cognitive neuroscience; consciousness research, 3441
identity theory; consciousness; neurological functioning; brain, 6742
implicit attitudes; unconsciousness; psychological processes; conscious awareness; indirect attitudes, 31098
intelligence; beliefs; consciousness; reality; understanding, 1191
latency facilitation; temporal order judgments; visual processing; priming; conscious perception; visual mask, 24828
mammals; nonhuman animals; moral consideration; dissociation; analogy; skeptics; pain; consciousness; learning; physiology, 31329
mental events; mental dispositions; psychophysical identities; epiphenomenalism; role functionalism account, 21941
mindfulness; psychological construct; attention; clinical studies; mindfulness based interventions; psychological symptoms; physical symptoms, 17415
mood; nonconscious mimicry; strategic behavior; cognitive processing style, 31094
multiple effects; priming; nonconscious social action; complex conceptual structures; language use; real life, 19448
neodissociation theory; hidden observer; hypnosis, 3443
neural states; couples therapy; self defeating thoughts; conscious awareness; affective neuroscience, 8321
neuroscience research; brain; sleep; mechanisms; functions; biological phenomenon; consciousness; sleep induced changes, 9657
nonconscious goal pursuit; conscious goal pursuit; explanatory vacuum; goal directed behavior; affective experiences, 31584
normative dissociation; dissociative experiences; mental activities; daydreams; dreams; fantasies; consciousness, 15640
ontogeny; mindreading; mental state; sharedness; theory of mind, 18816
phenomenal states; function of consciousness; consciousness; awareness; cognitive processes; supramodular response systems; supramodular interaction theory, 459
physicalism; phenomenal concepts; missing concept strategy; conscious experience; mind philosophy, 9919
postmodern consciousness; psychotherapy; neurosis; depersonalization; self reflection; dreams; coniunctio, 22866
quantum theory; doctoral thesis presentation; Charles Townes; international organizations, 24005
recognition memory; conscious components; response times, 18834
recollective memories; initial experiencing; past conscious mental states, 6874
secret pleasures; legitimate gratification; analysts needs; therapists, 8791
selectivity; integration; psychoneurobiology; conscious mind; metacognitive process, 3529
self awareness; primary & reflective consciousness; reflective awareness; dreaming, 34001
size representation; action; conscious judgment; visual illusions; unconscious representations; dissociation, 21880
state dependent thinking; wake state thinking; dream thinking; metacognition, 458
strategy change; data driven processes; voluntary processes; conscious human processing; learning processes, 369
subconscious; priming; goals; goal motivation; task performance; conscious goals, 30877
unconscious fantasies; psychoanalytic treatment; clinical psychoanalysis; Freud, 29621
visual cortex; consciousness; brain mechanisms, 521
visual cortex; consciousness; brain mechanisms, 524
visual reaction time; consciousness; brain; alpha electroencephalogram; behavioral timing; brain clock, 31194
wavelength sensitivity; circadian system; melanopsin; photosensitive retinal ganglion cells; visual system; human consciousness, 3648

Consciousness States [See Also Awareness, Wakefulness]—Books

The biology of belief: Unleashing the power of consciousness, matter and miracles , 3510
Consciousness: A very short introduction, 461
Exploring inner experience, 18881
The missing link in cognition: Origins of self-reflective consciousness, 3408
Psychedelic horizons, 26145
Radiant cool: A novel theory of consciousness, 3449
Seeing red: A study in consciousness, 15588
Sight unseen: An exploration of conscious and unconscious vision, 4849

Conservation (Concept)—Serials

chimpanzees; bonobos; orangutans; behavior; intermediate success; cognitions; conservation, 12831
moral extension; planned behavior theory; conservationism; trait like conception; regret; individual attitude, 25674
Piagetian conservation; physical discreteness; bonobos; chimpanzees; orangutans, 6644

Conservation (Ecological Behavior)—Serials

antisocial behavior; personal normative beliefs; water conservation laws; residential water conservation; water conservation behavior, 21512
biodiversity conservation; quality of life; indigenous people; sustainable development, 31594
domestic energy efficiency programs; self interest; cognitive capacity; householder centered framework, 3045
energy policies; policy features; effectiveness; acceptability; behavior; energy use, 9221
environmentally beneficial choices; motivational causes; environmental values; conservation, 27488
ethnographic decision tree model; recycling beverage cans; decision modeling; ethnographic methods, 33655
implicit meaning; graphic symbols; recycled water use; empirical development; validation; hue; public health; pollution, 33653

Consonants—Serials

lion attacks; livestock; Tanzania; carnivores; human safety, 6713
recycling behavior; electronic waste; household wilingness; environmental attitudes, 15300
recycling behavior; multidimensional approach; consumer recycling roles; sociodemographic profile; segmentation policies; psychographic causal characteristics, 3044
recycling; balanced self-interest; metaeconomics; recycling incentives; economic policy, 21513
social ecological framework; energy conservation; water conservation; information leaflets; attunement labels; socially comparative feedback; social influence, 12353

Conservatism—Serials

Buddhist practice; Australia; traditional style; reflexive spiritual engagement; sociological research; religion; spiritual commitment, 941
cognition; traditional-age; undergraduate student populations; phenomenology; developmental differences, 27859
cognitive rigidity; political conservatism; right wing authoritarianism; conservatism; political ideology, 1024
cognitive style impact; right wing authoritarianism; conservatism; racism; ideology; social dominance orientation, 19556
conservative ideology; ambivalent sexism, 19405
conservative modernization; conservative movement; education; educational inequality; market rationality; consumer choice; school achievement, 5646
gender development; occupational aspirations; childrens; parental traditionality, 9997
left-wing authoritarianism; Western Europe; conservative ideology; right-wing authoritarianism; voters; political activists; economic conservatism; construct validity; test reliability, 34604
masculinities; femininities; sexualities; honor; gender identity; Indian communities; traditional male authority; economic provisioning; control; social conditions, 22708
party identification; political behavior; traditional conceptions, 7285
radicalism; conservatism; student attitudes, 30211
religious conservatism; womens market behavior; marriage; childbirth; labor supply, 28440
sense of community; environmental behaviors; neotraditional community; ecological paradigm, 3047
transcendent beliefs; intelligence correlates; Western intellectual tradition; academic study; consciousness; personality correlates; undergraduate psychology students, 6536

Conservatorship [See Guardianship]

Consistency (Measurement)—Serials

adaptive designs; clinical trial; asymptotic normality; consistency; play the winner rule, 12587
arbitrary observation; optimal predictor; self consistency; mean, 9458
cognitive consistency; counterfactual thinking; factual outcomes; groups perceptions; reasoning, 28564
consistency; variability; phonological measures; speech sound disorders, 23282
consistency; variability; phonological measures; speech sound disorders, 7995
consistency; variability; phonological measures; speech sound disorders, 23286
five-factor model; personality development; long-term stability; individual differences; age groups; rank-order consistency coefficients; personality measurements, 28695
risk assessment; coherence violations; additivity property; monotonicity; terrorism; terrorist attacks, 6538
strong consistency; least squares estimation; linear regression models; epistemic vagueness; adequacy, 12584
transformational leadership; measurement invariance; multigroup confirmatory factor analysis; multinational organization; psychometric properties; measurement equivalence, 24648

Consonants—Serials

articulatory complexity; ambient frequency; functional load; consonant development; children; phonological development; physiological constraints, 13112
consonant vowel cooccurrence patterns; Mandarin learning infants; phonetics development; infant vocalizations; adult speech; infant development, 10037
consonantal context; reading; vowels; high school students; first graders; third graders; fifth graders; reading development; phonemes; graphemes; pronunciations, 13161

consonants; vowels; orthographic representations; spelling; phonological representation; dysgraphic individuals; language system, 20244
gender influence; environmental setting; voice onset time; consonant vowel context; vocal anatomy, 3774
motivation; poorly specified speech; perception; sentences; consonants; words, 19099
phonological change; consonant clusters; Spanish; phonological delay; treatment, 1854
variability accounting; coda consonants production; language development; linguistics; phonological development; novel word imitation; unstressed syllables, 16112
vowels; spelling; consonants; developmental psychology; child sensitivity, 21184

Conspecifics—Serials

Burmese red junglefowl; feather pecking development; exploratory rich environments; early experience; exploratory behavior; conspecifics, 6638
conspecific brood parasitism; nest takeover; common eiders, 22113
conspecific nest parasitism; reproductive tactics; predation risk; nest sites; goldeneye ducks, 24939
cross modal performance; Capuchin monkeys; Cebus apella; auditory visual recognition; conspecific vocalizations; communication, 468
egg coloration; recognition; conspecific brood parasitism; Eastern bluebirds; conspicuousness; Sialia sialis, 31152
foraging responses; wild house mice; conspecifics odor accumulation; predation risk, 27998
hermaphrodites; conspecifics; female allocation; cues; polychaete, 22104
optical cues; conspecific females; escalation decisions; male male interactions; jumping spiders; male male conflict, 34020
prey selection; lady beetle; harmonia axyridisi; conspecifics; animal foraging behavior; defensive behavior, 31151
rival recognition; territorial tawny dragon; animal aggressive behavior; species recognition; conspecifics, 3479
sex categorization; conspecific pictures; male Japanese macaques, 24900
social learning; life history; megapode chicks; feeding practices acquisition, 6659

Constipation—Serials

chronic constipation; atypical eating pattern; weight loss; anxiety; 19 year old youth; inpatient treatment; disordered eating habits; anxiety; toileting problems, 32487
chronic functional constipation; eating disorder; weight loss; age of onset; withholding behavior; young woman, 32477
constipation; methadone maintenance; opioid dependency, 8653
gastrointestinal physiological condition; constipation; painful bowel movements; cognitive behavioral therapy; selective serotonin reuptake inhibitor, 32551

Construct Validity [See Test Validity]

Constructionism [See Constructivism]

Constructivism—Serials

Berlin Wall; wall construction; material culture; psychological theory; psychological sciences; historical moments; metaphor, 16262
body image construction; dynamic features; perception, 7496
brief reports; length guidelines; report construction, 12419
career human agency; social cognitive theory; career counseling; life career development; social constructivist, 21342
Charles V. Gerkin; legacy; pastoral theology; constructive method; history; methods; community embedded; identity embedded, 2121
complementarity; constructivist psychotherapy; hermeneutic constructivism, 20436
construction; collaboration; motion; position; velocity; acceleration; kinematics graphs; internet, 30220
constructive thinking; relationship mediator; extraversion; neuroticism; subjective well being, 7501
constructivism; semantic learning theories; psychological learning theories; cognition; pragmatics, 6558
constructivist psychology; Logical Learning Theory; teleology; empirical methods; psychologists, 230
counseling interactions; conversation analysis; discourses; psychotherapy; social constructionist theory, 14398
dialectic constructivism; gestalt therapy; epistemological basis; ethical principles, 11288
discourse analysis; WebCT student dialogues; constructivist inquiry; instructional approach; effectiveness; web discussion; dialogue types; particle theory learning; teaching; presumptive reasoning, 11913
embracing history; Piagetian theories; Vygotskian theories; learning; expand constructivism development; dialectics, 15999
epistemologies; transformation; learning communities; constructivism; activity theory; pedagogies, 18051
family relationships; marital couples; family structure; rules; social constructionist & contextual perspectives, 984
gender gaps; group listening; group speaking; social constructivist approach; teaching; learning, 5650
grief; meaning reconstruction; bereavement; constructivist theories, 13538
humanistic critiques; humanistic psychology; experiential personal constructivism, 6228
idea creation; constructivism; evolution; key characteristics; video game artifact design process; constructivist thinking, 33687
internet; constructivist technology; K-12 classrooms; instructional technology; teaching methods, 30285
irrational beliefs; social constructionism; ethnic attitudes; collective self esteem; rational emotive behavior therapy; social constructionist, 14401
Joseph Rychlak; rigorous humanism; scientific thought; empirical methods; goal orientation, 375
learning environments; constructivism; students' perspective; conflict; higher education, 30336
learning; multiple representations; cognitive science; constructivist; educational theory; design framework; functions framework; tasks framework, 27815
meaning; social constructionism; coordinated management of meaning model; understanding; data analysis; discourse; mental health service; professionals, 29897
pedagogy; technagogy; constructuvism; e-learning; development; online courses; child welfare class; social work program, 2641
personal constructs; psychodynamic psychotherapy; object representations; psychoanalytically informed psychotherapy; repertory grids, 29629
Piaget's constructivism; Vygotskian perspectives; creativity; cognitive development; learning; imagination; abstract thinking, 19593
positive psychology; social constructionism; psychotherapy; counseling; character strengths; virtues; Strength-Centered Therapy; hope; open source, 23654
positive psychology; social constructionism; psychotherapy; counseling; character strengths; virtues; Strength-Centered Therapy; hope; open source, 23653
positive psychology; social constructionism; psychotherapy; counseling; character strengths; virtues; Strength-Centered Therapy, 23655
realism; epistemological constructivism; vision; cognitive sciences; spatial attention, 22358
religious experience; constructivist philosophy; Christian community; developmentally disabled; problem solving; meaning; cognitive ability, 7183
sexual desire; humans; social constructionism; biological essentialism; phenomenology, 34626
social constructionism; consumerism; identity morphing; aesthetization of life; denial; referential decline; ethics of finitude; vulnerability; interdependency, 6871
social constructionism; consumerism; identity morphing; aesthetization of life; denial; referential decline; ethics of finitude; vulnerability; interdependency, 15996
social constructionism; criminology; divergent philosophical traditions; empirical social conditions; research, 3069
social work; traditional assessment; assessment procedures; social construction, 5323
teacher beliefs; constructivist learning environments; epistemological beliefs; technology based environments, 5711

Constructivism—Books

Constructivist learning design: Key questions for teaching to standards, 30302
Early recollections: Interpretative method and application, 33993
Engaging troubling students: A constructivist approach, 5682
Talking problems: Studies of discursive construction, 4192

Consultation (Professional) [See Professional Consultation]

Consultation Liaison Psychiatry—Serials

clinical service development; evidence based medicine; liaison psychiatry; specialist service development, 5270
consultant psychiatrists; electroconvulsive therapy; treatment compliance; treatment capacity, 23741
consultation liaison psychiatry; Casemix; data collection system, 20758
consultation liaison psychiatry; Norway; psychosomatic medicine, 26931
consultation liaison psychiatry; nursing homes; mental health services, 20846
consultation liaison psychiatry; psychiatrists; psychosomatics, 14797
consultation liaison psychiatry; treatment guidelines; periodical evaluation; professional ethics, 2568
health centers; Portuguese National Health Service; consultation liaison psychiatry; quality of care, 33041
hospitals; consultation liaison psychiatry; psychosomatic medicine; health care reform, 14324
liver disease; morbidity; mortality; consultation liaison psychiatrist; neuropsychiatric symptoms; psychiatric issues, 20751
mental health nurse; psychiatric consultation liaison team, 20793
negative behaviours; consecutive referrals; liaison old age psychiatrist, 7611
Patrick McKegney; psychiatry; consultation liaison psychosomatic medicine, 20970
pediatric consultation liaison psychiatry services, 14667
presentation abstracts; 9th Annual Scientific Meeting of the European Association for Consultation-Liaison Psychiatry and Psychosomatics, 26474
primary care psychiatry; consultation liaison psychiatry; general practitioners; mental health services, 2304
psychiatric consultation liaison nursing; Southern Hemisphere; mental health nursing; psychiatric consultation liaison nurse; American health systems; mental health needs, 20792
psychiatric liaison services; older adults; United Kingdom, 35776
psychodynamic psychiatry; consultation liaison psychiatry; countertransference; psychodynamic treatment; psychiatrist, 20331
psychological skills; physical disorders; liaison psychiatry; comorbidity, 1902
psychosomatic psychiatry; liaison psychiatry; psychosomatic medicine, 17679
psychosomatic research; consultation liaison psychiatry; health care delivery; somatoform disorders, 20185
serum sodium level; reversible hyponatremia; psychiatric consultation liaison service examination; combination therapy; nonsmall cell lung carcinoma; venlafaxine, 2135
spinal cord injury; self mutilation; finger biting; auto amputation, 20669
telepsychiatric consultation liaison service; rural primary care; psychiatric intervention; mental health care, 17438

Consultation Liaison Psychiatry—Books

Clinical manual of psychosomatic medicine: A guide to consultation-liaison psychiatry, 5117

Consumer Attitudes [See Also Brand Preferences, Consumer Satisfaction]—Serials

99 price ending; low price appeal; consumers; retail prices; advertising, 21497
affective service display; affect; participant mood; service providers; service types viewed; customer mood; service evaluations, 3000
ambient scents; sensibility; product evaluations; environmental psychology; emotional responses; customer attitude, 30552
apparel advertisements; elaboration likelihood model; consumer attitudes; involvement level; information processing activities; attitude formation, 36543
assortment variety perceptions; consumer satisfaction; product choices; retail stores layout; consumer internal categorization structure, 6064
attribute evaluability; range effect; consumer choice; perceptual judgments, 12305
bag taking behavior; attitude; waste reduction behavior; government policy; stores; environmental protection, 12298
brand attitudes; customer satisfaction; product loyalty; product involvement; ad attitudes; corporate image, 18373
brand elicited affect; brand extension evaluations; consumer behavior, 9209
brand personality; brand extensions, 12277
brand personality; consumer preference; factor-analytical approach; product proliferation; circumplex model; personality traits, 30571
branding strategies; marketing communication; perceived brand meaning; parent brand; consumer knowledge; consumer attitude, 3019
buyers; sellers; consumers reactions; consumer behavior; price, 9177

cocreating customer value; hyperreality; prepurchase service experience, 2995
comparative advertising; low vs high cognitive elaboration; consumer attitudes; advertisement intensity, 33618
consumer acceptability; Cheddar cheese; sensory attributes; preferences, 24440
consumer attitudes; Australian mental health services; health care delivery, 17683
consumer based assessment; product creativity; customer satisfaction; consumer behavior, 36562
consumer behavior; laterborns; firstborns; birth order effects; Darwinian process; innovative attitude; conformist attitudes; evolutionary psychology, 6078
consumer beliefs; purchase intentions; consumers' body esteem; consumption experience; purchase environments; body boundary aberration; Internet, 15256
consumer calibration; friends knowledge; cognitive biases, 21468
consumer consultant; consumer's role; modern mental health services; mental health staff, 20668
consumer evaluation; brand alliance signals; brand preferences; cognitive elaboration, 27454
consumer expectations; decision making; consumer experiences, 6080
consumer experience; transformational advertising; reconstructive memory; framing effects; presentation order, 6084
consumer orientation; scale development; scale validation; emotional value; psychometrics; scale reliability; sporting events, 12566
consumer preferences; need for cognition; recommended alternatives, 36546
consumer preferences; product personality; brand personality; product class; symbolic meaning; self concept; product-personality congruence, 6070
consumer psychographics; Taiwan; marketing; e-commerce; psychological variables; consumer behavior, 21454
consumer reactions; partnerships; emotional responses; attitudinal responses; sponsorships, 21466
consumer referral; small world network; firms; profit maximization problem, 24388
consumer responses; English accent variations; international advertising; marketers; purchase intentions, 12281
consumer search intentions; price range effects; price frame; online shopping; competition, 18349
consumer skepticism; consumer responses; advertising response; consumer preferences, 6092
consumer vanity; appearance perception; achievement concern; achievement perception; appearance concern; cross cultural validation; consumer research; test validity; psychometrics; gender, 27677
consumerism; lifestyle; voluntary simplicity lifestyle; evaluation; female undergraduates, 28653
consumers behavior; online purchase intentions; Internet; electronic commerce; planned behavior; e-commerce; beliefs, 9213
consumption imagery; backfire effects; imagery fluency; product preferences, 12304
context effects; attribute balance; choice alternatives; extremeness aversion; trade off contrast; decision processes; consumer behavior, 2994
corporate philanthropy; corporate community relations; company customer relationship, 15189
corporate strategy; marketers; marketing; employee customer relationships; competent managers; servant leadership, 30581
country characteristics; perceived value; web sites; consumer attitudes, 30569
country of origin influences; product evaluations; cross cultural differences; animosity impact; industriousness brutality perceptions; product judgment, 30556
cue plays; store reputation; product judgments; social identity goals; brand and price information, 30558
customer behavior; customer attitudes; hypermarket; bagging behavior; environmental concern; self efficacy; response efficacy; personal norms; planned behavior; Taiwan, 21473
customer complaints; customer services; service personnel; negative affectivity; coping behavior, 15242
customer delight; customer satisfaction; customers mood, 2996
customer intimacy; cross selling strategy; customer information; firms, 6054
customer orientation; Japanese sales departments; innovativeness; conflict, 24444
customer self efficacy; customers beliefs; customer service; group insurance plan, 15252
customers responses; service organizations penalties; concept formation; social justice; attribution; disconfirmation; emotion, 2999
cynical use; marketing practices; unwitting consumer; unethical nature; consumer attitudes, 6094
decision making; consumers focus; information search behavior; preference construction, 18374
decision; consumer choice; assortments; research; preferences, 30553
destination appraisal; critical incidents; tourist attitudes, 24428
discount grocery industry; competitive advantage; consumer perceptions; market entrants; leadership; cost efficiency, 6088
discount store patronage; shopping orientation; South Korea; United States; differences, 9195
e commerce; online complaint management; online feedback forum; negative feedback; trust; online retailers; customers, 36544
Egyptian; consumers attitudes; advertisement; consumer research; surrealism, 6075
electronic marketplace; product migration; value outcomes; conceptual framework; electronic market interactivity; market characteristics; consumer attitudes, 6101
electronic services; quality of services; effective quality management; model; customer attitude, 28177
entertainment marketing; experiential consumption; brand preferences; consumer attitudes, 21494
evidence based practices; adult mental health services; consumer attitudes; family views, 35823
fast food restaurants; consumer perspective; restaurant patrons; restaurant menus; nutrition labeling; value size pricing; food choices, 21479
fear; loathing; emotions; innovation adoption; consumers, 30575
feature-based statistical model; advertisement similarity; similarity perceptions; executional elements; familiarity; attitudinal responses; recall; persuasion; marketing strategy, 27459
Finnish youth consumer; unnecessary spending; consumer society; consumer identity, 2991
frequency depth effects; consumer price judgments; brands, 12297
functional compatibility risk; product bundles; consumer preference, 18365
game shows; products; prizes; consumers attitude; mediascape; advertisers; meanings, 27464
gender performance; self presentation; personal front; public face; pornography; adult stores; women; men; impression management; sexualized space; masculinity; femininity; compulsory heterosexuality, 34620
goal progress; consumer choices, 12294
goal relevant emotional information; consumers salient goals; product judgments; persuasion; evaluations, 12287
group level item response models; consumer reports; health plan quality; healthcare providers; Medicaid recipients, 21790
handbill perceptions; promotional medium; advertising; high traffic districts; pedestrians; consumer perceptions, 15265
health promotion; healthy diets; health education; public private partnerships; customers, 26802
hedonic responses; descriptive skin sensory data; chi-square minimization, 21730
home page complexity; promotional vehicle; Web usage; consumer attention; communication effectiveness; purchase intent; attitude toward company; attitude toward home page, 33619
implicit assimilation; explicit contrast; response model; celebrity voice overs; brand attitude; celebrity attitude; attitude change, 12279
indeterminacy; live television; consumers preference; taped broadcasts, 21485
initial trust formation; elaboration likelihood model; e-tailers; consumer behavior, 21486
interactivity effects; web site; consumer experiences; need for cognition, 6096
internationalisation; e-commerce; online shopping; customer preferences; local markets; economy; infrastrasture; culture, 15249
leisure involvement; agency commitment, 9166
lettering style; font product congruity; logotype perception; product categories; connotation; advertisement; typeface, 18377
luxury brands; brand preference; consumer desires; consumer preferences; media depictions; success, 15251
marketing alliances; brand alliances; negative information spillover; marketing; supplier-spokesperson alliances, 18356
marketing; cultural products; Internet; cultural creative consumers; consumer attitudes; demographics; psychographics; shopping, 36541
material values; television viewing; consumer values; materialism; heuristics, 9976
media consumption preferences; generational differences; regional differences; urban Generation X consumers; China, 33625
metaphoric advertising; product type; symbolic vs utilitarian product; pictures; literal headlines; advertising attitudes; brand personality perceptions; purchase intention, 33616
Mexican multilevel marketer; direct sellers; capitalist entrepreneurs; person to person marketing; spirituality; economics; Omnilife; nutritional supplements, 24448
money; bias; processing fluency; spending; monetary instruments; consumer attitudes, 21476
mystery customers; national community pharmacy chain; United Kingdom; asthma intervention; intervention delivery, 14673
national brands; consumer perceptions; store brands; brand equity; consumer attitudes, 6068
nonprofit organizations; marketing; psychometrics; test validity; test reliability; nonprofit brand orientation, 3213
online consumers; web sites; cross cultural differences; technology acceptance model; information technology; international web site usage, 36549
online shopping; e commerce; consumer trust; live help interfaces; text to speech voice; customer service representatives; text based communication; multimedia technologies; three dimensional avatars, 6111
online survey; online advertising format; self report; consumer response, 27452
organizational resources; work engagement; service climate; job performance; customer loyalty, 5886
parent extension; self regulation; brand extensions evaluations, 30576
perceived performance; expert endorsements; celebrity endorsements; consumer risk perceptions; product technology orientation; internalization; identification; consumer knowledge, 33617
person place congruency framework; consumer processing; consumer expenditures; interactive effects; shopper style; atmospherics, 3002
personal introspection; self fabrication; unconscious/conscious theory; behavior explanation; fundamental attribution error; cultural prejudices; consumer behavior, 18375
pets; workplace; work environment; customer perceptions, 27467
plant foods; fruits; vegetables; consumer beliefs; Australian adults; perceived barriers; health-related benefits, 5182
preference stability; brand preference; competing brands; construal level effects; consumer attitudes; abstract mental representations; sensory distance, 18369
preferences; Mexican consumers; various response options; potato chips, 3844
presidential rhetoric; economic performance; consumer perceptions; unemployment, 4052
price varible; online consumer trade off; consumer decision making; marketing research, 6073
primary product attributes; secondary product attributes; customer satisfaction; marketing, 24436
product design; consumer behavior; choice behavior; consumer perceptions; brand management, 12291
product design; purchase intentions; preferences; consumer behavior, 21457
product evaluation; happiness; T shirts; smiles; emotions; facial expression, 21480
product focus; print media; magazines; information source usage; automobile purchase process; consumer purchase decisions, 15255
program responses; response valence; response intensity; commercials processing; television program; program block, 13090
promiscuity; attitudinal ambivalence; condom purchase; lifestyles; consumer attitudes, 6067
recreation benefits; outdoor recreation experience; quality of recreation; willlingness to pay; national parks, 9167
regulatory fit; consumer choices; consumer opinions; value; goal orientation; theories, 18358

regulatory fit; consumer choices; consumer opinions; value; goal orientation; theories, 18370
regulatory fit; consumer choices; consumer opinions; value; goal orientation; theories, 18357
regulatory fit; consumer choices; consumer opinions; value; goal orientation; theories, 18372
regulatory focus; desire; self control; temptations; consumer attitudes, 18362
researcher-informant introspections; personal introspection; multiple-methods approach; consumer research; conscious thinking; unconscious thinking; consumer attitudes; metaphor elicitation, 18364
retail settings; consumer reactions; cross cultural differences; North America; Middle East; consumer-consumer interactions; consumer behavior; crowding, 30566
salesperson encounters; dual representations; affective responses; dissociative evaluations, 18366
seafood consumption habits; forming intention; consumption behaviour; dietary interventions; Norwegian adults, 1182
self view; consumers; goals; choices; risk preferences; status quo alternatives, 2998
self-enhancement; advertisement responses; cognitive mechanisms; affective mechanisms; self-congruence; femininity; individualism; collectivism, 12289
serious mental illness; intensive case management; schizophrenic spectrum disorders; consumer attitudes; working alliance; case managers, 28785
service customization; employee adaptiveness; customer behaviors; market segmentation; organizational behavior, 2997
service provider; employee satisfaction; citizenship behavior; customer satisfaction; customer loyalty; attitudes, 18354
shared features; reduced impact; shared impact; brand evaluations, 18360
shopping; consumers goal; concreteness; conditional promotions, 30559
simultaneous media experience; media users; synesthesia; consumer experiences, 13092
smiles; emotional contagion; emotional labor; service relationships; consumer attitudes; service employees; service interaction, 30554
social comparison theory; deception; interpersonal exchange; consumption information; consumers behavior; self threat; consumers attitudes, 30551
social performance-corporate financial performance behavioral model; consumers, 36547
sport publicity; commitments moderation; message effects; customers attitudes, 33599
system deregulation; Danish medicine distribution system; consumerism; health care system; health care policy; political process; medicine users; deregulations, 8544
theory of reasoned action model; motivation; consumers; hedonic involvement; self-expressive involvement; self-concept congruity, 12295
touched products; consumer contamination; consumer contact; consumer evaluations; disgust, 21460
tourists attitudes; tourists activity styles; consumption styles, 33605
TrEAT Yourself Well campaign; nutrition promotion; menu choices; healthy dining; consumer attitudes; restaurants, 23797
trust formation; distrust formation; relational outcomes; consumer attitudes; Internet vendors; business operations, 21464
user interfaces; consumer perceptions; online stores; telepresence; Internet; virtual reality; consumer learning, 15258
users attitudes; product Website design; gender efects; Internet evolution; media richness theory, 3008
voice to voice encounters; service employees; customers; customer satisfaction; management techniques; wait times, 15259
web site adaptation; cultural differences; electronic commerce; worldwide web; e-commerce; website content; cultural content; consumers, 12284
web site design investment; consumer trusting beliefs; online purchase intentions, 21481
willingness to pay; consumer attitudes; product features; judgments; consumer satisfaction; evaluation, 24446

Consumer Behavior [See Also Shopping]—Serials

99 price ending; low price appeal; consumers; retail prices; advertising, 21497
adult literacy learners; low literacy stigma; consumer education; shopping; market-place negotiation; consumer behavior, 6077
advertising; creativity; brand attitude; purchase intent; recall, 6099
aging; brand choice behavior; Chinese consumers; purchase behavior; consumer products, 9208
anticipated negative emotions; endowment effect; price disparity; consumer behavior, 9182

captive chimpanzees; affiliative social contagion; agonistic social contagion; behavior patterns; auditorial signals; neighboring social groups, 501
individual differences; factor structure; Emotional Contagion Scale; psychometrics; self-report scale; Swedish translation, 27602
news reports; suicide; US cities; interpersonal influence; age differences; media contagion, 19993
positive emotions; charismatic leadership process; mood contagion; effective leadership, 30477
posttraumatic stress disorder reaction; American Airlines; coping responses; flight attendants; Trans World Airlines; psychological contagion; terrorism, 25952
siblings; substance use; adolescence; genes; shared environment; social contagion; mutual friendships, 7083
smiles; emotional contagion; emotional labor; service relationships; consumer attitudes; service employees; service interaction, 30554
Werther effect; copycat suicide; suicide contagion; imitation; media; guidelines; suicide reporting; attempted suicide, 32296

Content Analysis [See Also Discourse Analysis]—Serials

Age based ratings; content designations; television content; network programming broadcast; sexual content; violent content, 6939
behavioral assessment; couples communication; content analysis; female orgasmic disorder; heterosexual couples, 17166
child maltreatment; child abuse; ethnicity; childhood development; content analysis, 13916
content analysis; African Americans; near death experiences; ritual healing theory, 3453
content analysis; American advertisements; cultural values; cultural dimensions; advertising strategy, 6093
content analysis; free response narratives; death attitudes; personal meanings; concept development, 16217
content analysis; media portrayals; India; Western films production; socio cultural variables, 6937
content analysis; practitioners; researchers; trends; Career Development Quarterly; research; women's workforce participation; career development; life span, 21343
content differences; abstract concepts; concrete concepts; feature analysis, 9619
content normativity; semantics; naturalism, 19094
dream content; big dreams; extraordinary dreams; content analysis; good fortune scale; Hall and Van de Castle content analysis scoring system, 15394
eating disorders; content analysis; magazine articles; anorexics; bulimics, 20131
gangs; content analysis, 7767
gay men; cognitive representations; schemas; attitudes; content analysis, 4076
heart disease; mass print magazines; content analysis, 25181
marriage counseling; family counseling; content analysis, 17505
mental illness depictions; mass media; children, 16612
narrative structure; psychiatric reports; psychiatric evaluation; psychiatric expertise, 14362
parricides; content analysis; cultures; news media; offenders; weapons, 29066
Polish weblogs; content analysis; motivations; gender differences, 34687
portrayal of women vs portrayal of men; stereotypical sex differences; e-commerce magazine advertisements; technology advertisements, 33636
print media constructions; white collar violence; nightclub tragedies; workers; content analysis; newspapers; generalizability, 29015
projective technique; adolescents; drawing; coping ability, 11241
qualitative assessment; assessment process; content analysis; qualitative methods; implicit leadership theories, 12424
qualitative research; quantitative research; mixed methods research; content analysis; social sciences; research designs, 12623
reading employment advertising; reasons; sense making; organizational self-presentation; insight about employment environment; content of employment advertising, 33512
self regulatory compliance; advertising guidelines; drinking depictions; alcohol commercials; televised sports; expectancy formation, 6944
televised professional wrestling; physical violence; viewing risk; content analysis; influence on youth, 3787

Content Validity [See Test Validity]

Contextual Associations—Serials

accessibility; context effects; ease of retrieval; implicit social cognition; implicit measures, 4176
African American adolescents; academic achievement; contextual variables; demographic variables; individual variables, 2714
aging effects; item and associative recognition memory; same kinds of information; different kinds of information; young adults; older adults, 13240
aging; cognitive control; strategy training; older adults; task relevant context; cue information, 31524
amygdala modulation; fear conditioning; muscimol impaired memory; norepinephrine; context effects; drug interactions, 6757
anterior prefrontal cortex; contextual information; recollective memory; task memory; position memory; functional dissociation; lateral regions, 439
brain mechanisms; interpretation; actions; biological-motion cues; facial expression; social psychology; contextual factors, 25037
burnout; core self-evaluations; job satisfaction; perceived organizational constraints; personal & contextual influences; disposition; occupational health, 2834
color associations; building types; college students, 15294
comparison; categorization; dissimilarity; affective judgments; person perception; morphs; context effects, 16486
context change; information retrieval; predictive learning; code switching; retroactive interference; cues, 33990
context effects; group dynamics; employee selection; decision making; preferences; accountability, 27360
context variability; free recall; memory; word frequency, 424
context variability; recollection; familiarity; mirror effects; recognition memory, 21978
contextual cueing; naturalistic scenes; visual search; visual attention; visual memory; global contexts, 24786
contextual cues; false memories; imagination inflation; older adults; cue utilization; memory errors; episodic memory; encoding; age differences, 22505
contextual effects; fine orientation discrimination; spatial frequency; spatial orientation; spatial contrast; luminance, 33938
contextual factors; cooperative learning; learning quality; students' goal preferences; classroom environment, 15043
contextual factors; informal reasoning fallacies judgement; students performance; arguments, 15676
contextual features; violent video games; mental models; aggression; player attitudes; sex differences, 21450
contextualism; metaphor; speakers; theorists, 22373
contextualization; human resource management; quality management; organizational change; shared meaning, 12250
contextualization; translator; interpreter; mediated events; linguistic anthropology, 19086
contextualizing images; dreams; television news; traumatic video; Sept. 11 terrorist attack; empathy, 6631
contextually trained discrimination; slot machine preferences; gambling behavior; reinforcement; cues, 33911
control of routine behavior; localist versus distributed representations; simple recurrent networks; neuropsychological impairments of action; sequential action; connectionist approach, 33958
emotion; memory; temporal context; emotional influence on memory; memory for temporal information; episodic memory; positive affect; negative affect; object recognition, 6617
eye movements; visual search; context; global feature; Bayesian model; attentional guidance, 33981
eye tracking; transitional probability; contextual predictability; eye movements; reading, 363
fornix; medial prefrontal cortex; nucleus accumbens; mediodorsal thalamic nucleus; conditioned fear; discrimination task; amygdala; rats, 12900
genetically modified foods; evaluation; attitudes; context-related evaluation, 12999
Implicit Association Test; concept association; categorization, 12707
individual pattern representations; context dependency; collective representation; interstimulus interval; reaction time, 299
information retrieval; theory of forgetting; information context specific; context processing; retrieval theory, 31215
lateral and medial anterior prefrontal cortex; contextual recollection; event details; experiences; event-related functional MRI, 571

literalism; metaphorical interpretation; truth; contextualist literalist controversy; language; implicit indexicality; semantic transfer, 22387
long term memory; protein synthesis blocker; terrestrial snail; anisomycin; contextual memory; memory reconsolidation, 6752
neurophysiological markers; contextual processing; gamma synchrony; performance; individual differences; human cognition; arousal, 6726
non-random associations; graphemes; colors; synesthetic & non-synesthetic populations; letters, 6730
novel words; adjectives; Spanish-speaking children; interpretation; contextual cues; grammar; English-speaking children, 27838
observer viewpoint; remember know memories; personal childhood events; field perspective; sensory detail; contextual detail, 3414
parent behavior; contextual influences; individual differences; behavior change; disciplinary behavior; power assertive; inductive reasoning, 28467
perception; cognition; change blindness paradigm; focal object; contextual changes; East Asians; Americans, 21940
phosphatidylinositol kinase signaling; contextual memory; memory retrieval; memory extinction; mice; hippocampus, 3675
processing fluency; cues; contextual information; connotations, 6520
psychological functioning; psychological research; sustained attention; social psychology; contextual family; human development; family members; contextualism, 12647
psychological functioning; psychological research; sustained attention; social psychology; contextual family; human development; family members; contextualism, 12640
reaction time; contextual diversity; word frequency; lexical decision time; visual word recognition; semantic variables, 33900
real world scenes; contextual cueing; visual search; visual context; repeated exposure; attention; target position, 12668
recognition; attention; real-world scenes; eye; contextual cueing; observers; visual properties, 30894
regulatory fit; cognitive test performance; self regulatory mechanisms; situational; chronic, 22471
romantic music; photographs; incompatible cultural meaning systems; naming; culture associated beverage; cultural frames; bicultural individuals, 10283
scene perception; object recognition; context effects; functional group; perceptual grouping; functional relations; familiarity; attentional cuing; expectations, 33927
scene specificity; position specificity; visual memory; object recognition; visual representations; scene context; scene perception; context effects, 12644
schizotypy; contextual information; sex differences, 1394
self teaching; orthographic learning; word structure; everyday reading; word decoding; first graders, 34347
sequential action; computational modeling; procedural memory; control of routine behavior; localist versus distributed representations; simple recurrent networks; neuropsychological impairments, 33956
sequential action; computational modeling; procedural memory; control of routine behavior; localist versus distributed representations; simple recurrent networks; neuropsychological impairments, 33959
sequential action; computational modeling; procedural memory; control of routine behavior; localist versus distributed representations; simple recurrent networks; neuropsychological impairments, 33957
short-term memory; matching-to-sample; visual stimuli; context stimuli; stimuli recognition, 24716
situation strength; personality characteristics; decision making; effort-allocation decisions; personality effect; contextual information, 10535
situational variation; ethnic identity; psychological well being: ethnic salience; Chinese American students; experience sampling; ethnic centrality; ethnic private regard, 7206
spacing effect; advertising; encoding variability; retrieval processes; print material; contextual cues, 3013
speech production; lexical access; context effects; lexical activation; lexical choice; picture word inference, 722
spelling; spelling development; sound-to-spelling relationships; context-sensitive spelling patterns; vowels; phonemes, 28308
strategic human resource management; contextual perspectives; integrative model, 12163
strawsonian; sentence; meaning; contexts, 6507
Stroop effect; contextual cue; location, 30900
temporal contextual retrieval account; errors analysis; complex working memory; individual differences; fluid abilities; cognition, 15696
threat associations; spiders fear; extrinsic affective Simon task; cognitive schemata activation; anxiety; priming; fear association measurement; test reliability, 10702
trigonometric functions; mathematical functions; stimulus functions; algebraic functions; contextual cues, 33868
visual attention; visual search; implicit learning; spatial context learning; spatial layouts; colors; shapes, 6414
visual search; preview search; contextual cuing, 6455
visual search; size-defined target objects; Ebbinghaus apparent-size illusion; context objects, 30930
word reading fluency; fluency transfer; reading ability; reading comprehension; context training; isolated word training, 30315
working memory development; verbal spatial associations; names, 31395
Contiguity (Cognitive) [See Cognitive Contiguity]
Contingency Management [See Also Token Economy Programs]—Serials
advancing cultural analytic science; metacontingencies; cultural systems; social justice; human rights, 32829
classroom management; contingency management; group contingency; good behavior game, 14984
contingency management; cocaine abuse; heroin abuse; community settings; vouchers; prizes; reinforcers; community treatment centers, 8670
contingency management; smoking cessation, adolescents; high school; tobacco; school-based programs; cognitive behavior therapy; treatment efficacy, 30006
contingency management; substance abuse treatment; drug abstinence, 30022
contingency management; substance abuse; substance dependence; cocaine; community settings, 26975
contingency mapping; visual support strategy; functional equivalence training; program effectiveness; autism; classroom education, 33478
cultural analysis; social science; behavior contingencies, 31761
enhanced incentives; vocational rehabilitation; dual diagnoses; military veterans; contingency management, 2385
imitative interaction; social interest; elicited imitation; nonverbal children; autism, 29412
inhibition; perseveration; problem solving; great apes; food quantity; food visibility; reversed contingency, 9706
international joint ventures; equity control; transaction-cost-based contingency framework, 6016
intervention targets; cultural change; behavioral change; behavior contingencies, 32832
macrocontingencies; behaviorological analysis; contingency control, 32834
metacontingency; behavioral contingency; macrocontingency; behavior analysis, 32831
metacontingency; conceptual tool; behavior analysis; individual behavior; social sciences, 31741
prize based contingency management; gambling; drug abstinent patients; methadone maintenance, 30016
prototype; exemplar fit; brand extension; contingency model; evaluations; consumers, 30562
psychosocial rehabilitation; therapeutic environment; homeless; veterans; social support; altruistic activities; healthy lifestyle behaviors; contingency management program, 17762
reinforcement schedules; contingency management; treatment; methamphetamine abuse; vouchers; monetary value; drug therapy, 13980
social approval contingency; trait self esteem; self worth; social inclusion; social acceptance, 19637
substance use; cigarettes; contingency management; reinforcement; college students; smoking reduction, 23962
top down contingent capture; target colors; reaction time; distribution analyses; manual responses, 3274
Contingent Negative Variation—Serials
attentional set mixing; impaired performance; target selection; selective response activation; event-related lateralizations; set repetitions, 31015
cortical activity; chronic low blood pressure; contingent negative variation; hypotension; cortex; cerebral blood flow; cognitive deficits; EEG, 20169
impulsivity affects; mismatch negativity measures; preattentive auditory processing; top-down control; cognitive bottom-up processing, 6786
independent components analysis; developmental differences; saccadic contingent negative variation; peripheral cue; EEG; saccadic task; event related potential, 759
lateralized readiness potential; P300; stimulus set switching; information processing; task switching paradigm, 25062
mental fatigue; contingent negative variation; action monitoring; error related negativity; motivation; behavior; event related potential; individual differences; performance, 15838
pre stimulus processing effects; contingent negative variation; foreperiod; response preparation; response speed; cues, 28130
SNARC effect; dual route; LRP; Simon effect; lateralized readiness potential; judgment; Arabic numerals; response selection, 12945
Continuing Education [See Also Inservice Training]—Serials
child psychiatry; continuing nursing education programs; program evaluation; nurses, 24059
clinical psychology; evidence based practice; society; core psychology education; continuing education, 36022
continuing education programs; organizational support; long term care; work environment; management support; educational program effectiveness; learning reinforcement, 5569
continuing education; school nursing practice, 24086
continuing professional education; ethics; rural & urban mental health care providers; needs, 17867
continuous learning; age; unemployed job seekers; social support; education initiative; updating behavior; past job control; motivation to learn; financial hardship, 33510
ethics; state psychological associations; continuing education, 8806
family therapy; children of alcoholics; substance abuse certification standards; continuing education, 30088
lifelong learning; adult education, 5645
nonformal education; informal economies; sub Saharan Africa, 14902
Continuing Education [See Also Inservice Training]—Books
Continuing professional development for clinical psychologist: A practical handbook, 21028
Continuity of Care [See Continuum of Care]
Continuous Reinforcement [See Reinforcement Schedules]
Continuum of Care—Serials
attention deficit hyperactivity disorder; diagnosis; African American children; treatment deficiency; continuity of care, 23214
child care practices; child care centers; continuity programs; caregivers, 7238
cognitive challenges; parents; professionals; helpful interactions; continuity of care, 19475
collaborative care; bipolar disorder; intervention development; trial design; treatment effectiveness evaluation, 33039
continuum of prevention; continuum of care; Continuous Quality Improvement; HIV; high risk populations; health services; community based organizations, 29871
dementia; professional caregivers attitudes; family caregivers attitudes; continuum of care; facility based residents; health care delivery, 17317
homeless service delivery; continuum of care; homeless residential programs; program evaluation, 29945
mental health care; mental disturbances; stigma; continuum of care; health professionals; psychiatric care, 8550
performance measures; drug services; health care delivery; continuum of care, 23966
Psychosexual Assessment and Treatment Continuum; sexuality related issues; developmental disabilities, 2274
unexpected cessation; clinical practice; counselors; psychotherapists; continuing care, 30060
Contour [See Form and Shape Perception]
Contour Perception [See Form and Shape Perception]
Contraception [See Birth Control]
Contraceptive Devices [See Also Condoms, Oral Contraceptives]—Serials
contraceptive nonuse; first sex; unintended pregnancy risk; women; family planning and prenatal clinic, 13412
rhythm method; embryonic death; contraceptive pills, 28506
rural Vietnam; men; acceptance of modern contraceptive practice; family planning; behavior change; intrauterine device; health behavior; predictors, 4013
trends; adolescent contraceptive use; unprotected sex; risk assessment; at risk population, 22721

Contracts (Psychological) [See Psychological Contracts]
Control (Emotional) [See Emotional Control]
Control (Locus of) [See Internal External Locus of Control]
Control (Self) [See Self Control]
Control (Social) [See Social Control]
Control Groups [See Experiment Controls]
Convergent Thinking [See Inductive Deductive Reasoning]
Convergent Validity [See Test Validity]
Conversation—Serials
action researchers; organizational change; organizational development; action research conversations, 6383
action researchers; organizational change; organizational development; action research conversations, 6393
analyzing discontinuous speech; conversations; opinion; speaker intervention; chaotic features, 31773
behavioral assessment; couples communication; content analysis; female orgasmic disorder; heterosexual couples, 17166
Body Dialogue technique; role reversal; emotional abuse; action intervention; body empathy; acceptance of body, 32782
casual conversation; verbal interaction; power; questions, 28213
casual conversations; romantic relationships; young males; intimate positions; distancing positions, 7345
clause final politeness; Japanese men; casual conversations; social status, 16039
collaborative response work; conversation analysis; gender; insulting; membership categorization analysis; multiethnic groups; pre-adolescent boys'; insults; working class; immigrants, 7047
collective memory; family conversations; individualism; mnemonic learning, 3360
confidence scoring; intention recognition; spoken dialogue systems; speech recognition errors; ambiguous user utterances, 16015
conversation analysis; physicians; question typology; patients problems; urban environments; rural environments, 32970
conversation analysis; therapeutic advice; therapist client interaction; family therapy, 32839
conversation; attention; peripheral detection; passenger; cell phone; driving, 9231
conversational analysis; court-sanctioned mediation program; mediator neutrality; conversational footing, 19501
conversational encounters; social networks; commitment; social interaction, 4145
conversational language; generalizability theory; decision theory; observational design; grammatical and phonological impairments, 15552
conversational language; group interaction; group performance; computer mediated communication; collaborative argumentation, 33402
conversational learning; experiential learning theory; dialectical processes; conversational space; individual learning; organizational learning, 6978
conversational partners; receptive listening; compromise condition; debate condition; response latency, 7524
conversational repetition tracking; target monitoring ability; information exchanges; personal information; cognitive abililty, 12708
criminal conversation; free recall; eyewitness memory; verbal information; retention intervals; mode of presentation; audiovisual presentation; auditory presentation, 12762
cultural identity; intercultural topics; student conversations; college students, 18089
dialog; teacher talk; student silence; classrooms; school; interaction; language teachers; extended conversation; dual-language kindergarten; classroom discourse, 2655
discourse analysis; WebCT student dialogues; constructivist inquiry; instructional approach; effectiveness; web discussion; dialogue types; particle theory learning; teaching; presumptive reasoning, 11913
discursive positioning; counseling; narrative counseling, 4974
discussion; solution focused therapy, 2481
diverging interpretations; indirect negative meaning; conversation, 6526
domestic violence; narrative processes; family therapy session; conversation, 32845
emotional events; parent-child talk; temperament; goodness of fit; childhood development, 25310
eyewitness memory; co-witness; discussion; memory conformity, 12399
familiar peers; toddlers; conversation; possessive pronouns, 13104
family therapy; healing conversations; metaphor, 26626
fat talk; self-presentation; body image; social norm; self-degradation; body dissatisfaction; women, 31734
feminist identity; feminism; feminists; women; conversation, 19411
gesture; collaborative planning; student writing group; group members; conversational space; adaptor movements; peer relations; social influences, 2713
Greek television discussion programs; conversational practices; western media discourse; media empowerment, 13091
hypnosis; conversation analysis, 26723
incipient talk; mobile radio interaction; conversation analysis, 22389
intelligence measurement; children; words; syllables; speech delay; speech intelligibility; conversational speech, 25259
Kevin K Kumashiro; editors; scientific communication; anti oppressive research; educational journals; experiences, 9498
learning environment; online learning; computer mediated communication; hermeneutics; conversation, 30356
learning; demonstratives; conversation; linguistic forms; pragmatic development; nonverbal cues; visual attention; Turkish children, 31412
literacy; early childhood settings; peers; conversations; curriculum; academic instruction, 18031
Mandarin Chinese conversation; sequential words positions; language; social interaction; linguistics, 740
Mandarin conversation; repeat formatted repair initiations; question-intoned repeats; a-suffixed repeats, 6927
message formulation; utterance planning; gaze; conversation, 18773
metaphor production; online conversation; persuasive conversations; chat software; gender differences; friendship status, 28191
mobile phone conversation; mental workload; driving behavior; driving speed; rural environments; urban environments, 30611
mother child conversations; communication play; displaced speech development; childhood development, 13114
mother child conversations; shared reading; utterance content; story familiarity; utterance role, 10124
mothers; mental state language; preschoolers; retention; conversations; mother child talk; object memory, 10064
Name Game; solution-focused brief therapy; time constraints; conversation, 2474
neonatal imitation; intimate interactions; communicative ability; first dialogues, 28293
novel event recall; pre event discussion; preparation; childhood development, 791
openers; psychotherapy training; solution-focused brief therapy, 2532
Pittu Laungani; William West; personal reflections; considered thoughts; emotional impacts; cross-cultural relationships, 33223
predicting affective states; emote-aloud procedure; conversation patterns; mixed-initiative dialogue; intelligent tutoring system; teaching methods, 33676
preference organization; interaction; progressivity; turn allocation rule; speaker characteristics, 22388
preschoolers; believing; seeing; rumors; adult conversation; classmates; free recall, 19189
public opinion; social processes; psychological responses; group conversations; framing effects; gay civil unions, 1079
second summonings; Korean telephone conversation openings; inter-actional and organizational contingencies, 19075
self referential tags; peoples discourse; Alzheimers disease; donepezil; cognitive functioning; caregivers; drug therapy, 17263
social communicative competence; middle school children; Asperger syndrome, 14002
social cues; animated coversational agents; human-computer interaction; social agency theory; human characteristics, 9219
social interactions; imitation; severe dementia, 29244
social work; dialogue; social worker-client interaction; child development perspective, 35900
sociocultural perspective; classroom conversation; relationships assessment; narratives; teacher student relations; teaching; learning, 12027
speech understanding in aging; hearing; comprehending conversations; listening to dialogue; older adults, 15625
stereotypic impressions; conversation; dyads; model; gender role; ethnicity; motivation; group identity, 31772
student conversation; computer based technology classroom; kindergarten students, 5829
talk show; discourse analysis; communication skills; conversation; media discourse, 28216
task based interactions; interlanguage development; classroom; laboratory settings, 8901
trouble responsibility; conversational repair; relationships management; miscommunication; repair initiation, 25601
universities; quality of learning experiences; online; face to face discussions; Internet; discontinuities; quantitative methodologies; ratings, 17939
unraveling dyad; recurrence analysis; explore syntactic coordination patterns; children caregivers conversation; individual differences, 32719
word loss; communication media; intricate arguments; conversation; negotiation, 749
Conversation—Books
Boys of few words: Raising our sons to communicate and connect, 19258
Conversation and cognition, 3407
Conversation: A history of a declining art, 19549
Cultures in conversation, 4002
Gender talk: Feminism, discourse and conversation analysis, 10348
Talking problems: Studies of discursive construction, 4192
Conversion Disorder [See Also Hysterical Vision Disturbances]—Serials
conversion disorder; epidemiology; etiology; neurobiology; diagnosis, 8000
conversion paralysis; hypnotic paralysis; anterior cingulate cortex; orbitofrontal cortex; conversion disorder; neuropsychological theory; hypnotizability, 11123
conversion seizures; dissociative disorder; psychiatry; hysteria; somatization; classification, 16662
hyperactive action monitoring; motor-initiation; conversion paralysis; stress-induced tonic immobility; anterior cingulate cortex hyperactivity; event-related potentials, 14260
la belle indifference; conversion symptoms; hysteria; organic disease, 25843
Conversion Hysteria [See Conversion Disorder]
Conversion Neurosis [See Conversion Disorder]
Conviction (Criminal) [See Criminal Conviction]
Convulsions [See Seizures]
Cooperation—Serials
action pattern model; inter-firm cooperative processes; cooperating partners; partner relationships; transaction cost characteristics; trust; construction industry, 9142
action research partnerships; collaborative partnership; DePaul university; Oxford House; substance abuse recovery program, 20881
age differences; cooperation; social understanding; peers; childhood development, 28319
agent-specific responses; cingulate cortex; economic exchanges; social exchange; brain, 25053
alliance activity; cost effects; iterated prisoner's dilemma game; organizations; mutual cooperation, 25603
asynchronous change awareness; collaborative documents; collaborative workspaces; framework, 21508
asynchronous learning networks; online work; knowledge building; collaborative inquiry; teacher education, 18041
autism; mentalising; strategic games; autistic spectrum disorders; cooperation; bargaining; decision making; social interaction; theory of mind, 14025
autonomy; teamwork; innovative projects; organizations; team leader; team collaboration, 18220
backscratching; favors; economics; cooperation; organizations; social efficiency; bargaining, 22745
behavioral coherence; group robbery; offender victim interactions; dominance; submission; cooperation; hostility, 32401
behavioral correlates; cognitive correlates; psychophysiological correlates; intimate aggression; aggressive couples; prisoners dilemma; cooperation; husbands, 29463
building bridges; collaborative research; metaphor; social work; child protection; family service, 11575
business firms; competitive behavior; cooperation; Copetition; autonomy; steel industry, 30520
bystander effect; dangerous emergencies; health care costs; helping behavior, 19493
child caregiver ratio; caregiver child interaction; child care centers; relationship quality; child well being; cooperation, 28469

children's participation; large scale international events; International Children's Conference on the Environment; partnerships, 16148
chronic diseases; mental health; physical health; quality of life; adulthood; health care providers collaboration; treatment outcomes, 25749
citizen participation; public policy; collaboration; community psychology; interventions, 17726
classroom dynamics; interpersonal relationships; student learning; social inclusion; student participation, 18075
clinical health psychology; collaboration with physicians; ambulatory care health settings; professional issues; psychologists; outpatient practice, 24140
coalition formation; intelligent agents; cooperation, 21523
Collaboration Engineering; thinkLet concept; conceptual object model; practitioners, 21367
collaboration; creativity; world networks; creative artists, 10249
collaboration; pedagogical quality; educational settings; learning; children's social interaction, 15067
collaboration; teachers; educational psychologists; effective learning, 17928
collaborative action research; community based organization; social support; substance use; community services, 20815
collaborative action research; counselor training; school counselor, 5861
collaborative care program; incentives; primary care providers; depression; participation, 8218
collaborative efforts; emergent literacy; efficient word recognition; speech language pathologists; classroom teachers; team teaching, 18137
collaborative games; board games; multiplayer online games; computer games, 27450
collaborative leadership; action learning; management education, 36430
collaborative practice; labor human society; social interaction; human culture; intersubjectivity; division of labor, 7408
collaborative practices; educational psychologists; speech language therapists, 27085
collaborative rehabilitation; health care delivery; quality of care; professional competence; inpatient treatment; psychiatric disability, 17656
collaborative relationships; school counselors; mental health professionals; student mental health needs, 21283
collaborative research; college students; African Americans; working women; racial differences; community project, 35876
collaborative technology effects; communications; safety critical system; decision making; marine transportation; operational setting, 24476
community partnerships; public health transformations; health education & promotion; disease prevention; quality of research; health promotion; evidence base, 20703
computer mediated teams; face to face teams; trust; cooperation; electronic media, 13474
computer supported collaborations; system design; human development; teamwork; activity awareness; social capital; common knowledge; communities of practice, 18164
construction; collaboration; motion; position; velocity; acceleration; kinematics graphs; internet, 30220
cooperation; Chechnya conflict; social actors; network analysis; event data, 16252
cooperation; cooperatives; economy, 7144
cooperation; prisoners dilemma game; reward; hypothetical outcomes; delay discounting; probability discounting, 7436
cooperative behavior; competitive interactions; limited resource situations; conflict management strategies; psychosocial development; peer relations, 13193
cooperative behavior; ingroup outgroup bias; city residents; Israeli kibbutz members; kibbutz socialization, 34686
cooperative game theory; interaction index; players; probabilistic values; axiomatizations; cardinal probabilistic interaction indices, 30814
core group; child protection; interagency coordination; interprofessional relationships; social workers; recruitment; child abuse, 14690
core periphery structures; regional biotechnology networks; knowledge intensive industries, 36493
costatement; therapeutic cooperation; psychotherapy; subjectivity, 17453
creative collaboration; teaching and learning; music composition; composer teacher interaction; music education, 18007
creative organizations; development of creative capabilities; creative routines; creative entrepreneurs; collaboration, 33586
cross functional relationships; cooperation; competition; coopetition; firms, 21495
depression care; Improving Mood-Promoting Access to Collaborative Treatment; collaborative care management; treatment outcomes, 20787
digit ratio; cooperative behavior; testosterone levels; acting altruistically; normative behavior, 12879
disaster mitigation; insurance; Katrina; natural disaster syndrome; voluntary protection; public private partnerships, 25425
distributive negotiation; multiple parties; baseball team; divide and conquer; unity; disunity; cooperating parties, 1129
economics; vicarious information transfer; communication; social learning strategy; group members, 31743

Coping Behavior—Books

Acquainted with the night: A parent's quest to understand depression and bipolar disorder in his children, 4314
After your divorce: Creating the good life on your own, 19375
Choices: A relapse prevention workbook for female offenders, 27001
Coping with aging, 19280
The Divorce Helpbook for Teens., 4009
Grappling with grief: A guide to the bereaved, 4247
Grieving mindfully: A compassionate and spiritual guide to coping with loss, 4245
Happiness in a storm: Facing illness and embracing life as a healthy survivor, 11003
Help for worried kids: How your child can conquer anxiety and fear, 35465
Transforming stress: The HeartMath® solution for relieving worry, fatigue, and tension, 5206

Coping Behavior—Chapters

The Low Turning Point: A Control Mechanism in the Course of Mental Disorder, 7649

Copper—Serials

ceruloplasmin; Alzheimer disease; serum copper; peripheral markers; inflammation; vascular dementia, 23404

Coprophagia—Serials

coprophagia; medication refractory schizophrenia; novel atypical antipsychotic drug perospirone; drug therapy, 25909

Copulation [See Sexual Intercourse (Human)]
Copulation (Animal) [See Animal Mating Behavior]
Coronary Disorders [See Cardiovascular Disorders]
Coronary Heart Disease [See Heart Disorders]

Coronary Prone Behavior—Serials

Cardiac Depression Visual Analogue Scale; acute coronary syndromes; Cardiac Depression Scale; Beck Depression Inventory-II; depressed mood; cardiac population, 9390
organizational citizenship behavior; type A behavior; quit intentions; withdrawal behavior; employee participation; employee commitment; agricultural employees, 2787
personal resilience; recovery; Chinese; diagnosis; coronary heart disease; rehabilitation programme; self esteem; optimism, 29761

Coronary Prone Behavior—Chapters

Type A Behavior Pattern: Facial Behavior and Speech Components, 6826

Coronary Thromboses—Serials

short term intellectual outcome; arterial ischemic stroke; sinovenous thrombosis; childhood; infancy, 4723

Coronary Vessels [See Arteries (Anatomy)]
Corporal Punishment [See Punishment]
Corporations [See Business Organizations]

Corpus Callosum—Serials

brain asymmetries; corpus callosum; interhemispheric transfer; functional lateralization; sex differences; morphology, 25028
congenital cytomegalovirus infection; foot anomalies; corpus callosum dysgenesis, 4615
corpus callosum morphometrics; young children; autism spectrum disorder, 35087
corpus callosum; callosal agenesis; infantile spasms; Aicardi syndrome; epilepsy; pathognomonic chorioretinal lacunae, 4843
corpus callosum; callosal agenesis; infantile spasms; Aicardi syndrome; epilepsy; pathognomonic chorioretinal lacunae, 4737
corpus callosum; comprehensive neuropsychiatric assessment; complete agenesis; Caucasian woman with schizophrenia; clinical profile, 34883
corpus callosum; dichotic listening; diffusion tensor imaging; attention; interhemispheric transfer; morphology, 19005
corpus callosum; health-related issues; agenesis; siblings, 20250
corpus callosum; interhemispheric transfer time (IHTT); bilateral distribution advantage; hemispheric interaction; cerebral hemispheres, 15857
corpus callosum; sickle cell disease; cognitive functioning; cerebral infarcts, 17195
corticostriatal system; prefrontal cortex; operant version; rats; corpus callosum; delayed alternation performance; lesions; fronto-striatal disconnection, 34139
crossed uncrossed difference; Poffenbergers paradigm; interhemispheric transfer time; behavioral handedness; neural handedness; callosum, 18963
evoked potentials; callosal agenesis; corpus callosum; event related responses; visual pathways, 4740
handedness; Pan troglodytes; corpus callosum; animal gender, 34079
interhemispheric connectivity; executive functioning; Tourette's syndrome; prefrontal cortex; corpus callosum; dual task; dual task; interference; imaging, 11090
lipoma; corpus callosum; schizophrenia like episode; interhemispheric communication; causal relationship; risk factor, 28727
macrostructure; microstructure; corpus callosum; language lateralisation; functional lateralisation; individual differences, 15907
medically refractory epilepsy; hemisphere; corpus callosum; unilateral heterotopia; hemimegalencephalic appearance, 35347
neuropsychological deficits; tumour; posterior corpus callosum; retrosplenial amnesia; memory disturbance; cognitive deficits, 29227
transient lesion; splenium corpus callosum; childhood onset; anorexia nervosa; vitamin therapy, 35159

Corpus Striatum [See Basal Ganglia]

Correctional Institutions [See Also Prisons, Reformatories]—Serials

centralization; formalization; correctional staff; job satisfaction; organizational commitment; prison organizations; decision making, 33743
community-based correctional services; cost benefits; statewide parole program; recidivism, 36009
correctional facilities; juvenile detention; practice parameter; comprehensive diagnostic assessment; mental health assessment; treatment, 5444
correctional inmates; suicidal behaviors; hostility; hopelessness; risk factors; suicide attempts; depression; adult male, 4876
correctional officers; side bets hypothesis; reciprocity hypothesis; organizational commitment, 12412
correctional official; occupational stress; psychological strengths; locus of control, 14771
direct supervision system; correctional management; correctional design; correctional reform, 20935
expectations; experiences; young male offenders; adjustment; custody release; young offender institutions, 32393
federal prisons; federal correctional institution; disciplinary adjustment problems; criminal thinking styles; male inmate program; Psychological Inventory of Criminal Thinking Styles, 17814
gang specialist training; correctional system; abstracts, 25998
gender differences; job stress; correctional officers; female officers, 14849
juvenile training school; violent offenders; lessons learned, 8698
mental illness; aging inmates; prison population; correctional facilities, 1935
morbidity; mortality; health risk behaviors; health status; juvenile detention facilities, 24000
occupational stressors; job satisfaction; role ambiguity; organizational commitment; correctional staff; correctional institutions; role conflict; work family conflict, 14852
oral health needs; adolescents; urban county juvenile detention facility, 23994
pseudofamily groups; dyads; Texas prisons; correctional staff attitudes; female inmates attitudes, 20928
psychometric properties; psychosis screen; correctional setting; epidemiology, 15477
psychopathy; institutional misconduct; violence; meta analysis, 7737
reentry planning; cost estimates; treatment needs; placement difficulties; mentally disordered offenders; prison mental health care, 8703
risk principle; correctional treatment program; recidivism; program evaluation, 14768
violent delinquents; cost benefit analysis; intensive treatment program; treatment effectiveness evaluation, 20927

Corrective Lenses [See Optical Aids]
Correlation (Statistical) [See Statistical Correlation]
Cortex (Auditory) [See Auditory Cortex]
Cortex (Cerebral) [See Cerebral Cortex]
Cortex (Motor) [See Motor Cortex]
Cortex (Somatosensory) [See Somatosensory Cortex]
Cortex (Visual) [See Visual Cortex]
Cortical Atrophy [See Cerebral Atrophy]
Cortical Evoked Potentials [See Evoked Potentials]
Corticoids [See Corticosteroids]
Corticospinal Tracts [See Pyramidal Tracts]
Corticosteroids [See Also Aldosterone, Corticosterone, Cortisone, Deoxycorticosterone, Hydrocortisone, Prednisolone]—Serials

adrenal adenoma; psychosis; drug therapy; corticosteroids, 16642
drug dosages; corticosteroids; multiple sclerosis; neurology, 14129
pulsed methylprednisolone; multiple sclerosis; neuropsychology; memory retrieval; doses; drug side effects, 2179

Corticosterone—Serials

adrenocortical response; monoamine oxidase; corticosterone response; psychosocial stress, 12994
chick embryos; corticosterone; fear; competition; barriers; growth; behavior, 13025
corticosterone level; inter food interval; polydipsia; food reinforcement schedules; rats, 12848
corticosterone levels; male survival; animal behavior; social activity; locomotor activity, 15962
corticosterone; aging; hippocampal neurogenesis; spatial memory; hypothalamic pituitary axis; cognitive functions; glucocorticoids secretion, 25032
glucocorticoid dopaminergic interactions; long term memory; inhibitory avoidance; male rats; corticosterone; dopamine receptors, 18936
gorticosterone; auditory gating; mouse; sensory stimuli; corticosterone; evoked potentials, 22326

imipramine treatment; corticosterone; 5-HT1A receptor; 5-HT4 receptor; receptor activation; rat; CA1; hippocampus; drug therapy, 25134
incentive contrast; corticosterone; aversive memory; frustration; rats; operant conditioning, 19040
maternal care; plasma corticosterone; emotionality; hippocampal & paraventricular nucleus (PVN) glucocorticoid receptor mRNA levels; adult C57BL/6J & BALB/cJ mice; anxiety; stress, 9856
mice; sex differences; corticosterone; stress; mental retardation; genes; Fragile X Syndrome, 22122
morphine treatment; mating; late pregnancy; corticosterone; female rats; maternal behavior, 15835
social isolation; hippocampal brain; neurotrophic factor; plasma corticosterone; rats, 12937
synaptic potentiation; corticosteroid hormones; mouse hippocampus; mineralocorticoid receptor; glucocorticoid receptor; memory formation; memory processes; learning context, 19008
ultraviolet lighting; corticosterone levels; Japanese quail chicks; behavior; birds color vision, 3664

Corticotropin—Serials

corticotropin releasing hormone; gene polymorphism; personality traits, 31172
cortisol negative feedback inhibition; ACTH response; cortisol administration; posttraumatic stress disorder; dexamethasone, 16816
depression; plasma levels; adrenocorticotropic hormone; homovanillic acid; serotonin; hydroxyindoleacetic acid, 19809
DEX/CRH; dexamethasone/corticotropin-releasing hormone test; major depression relapse; glucocorticoids; hypothalamic-pituitary-adrenocortical axis dysregulation, 19789
marital conflict; stress; adrenocorticotropic hormone; cortisol; behavior, 19524
oral racemic citalopram; neuroendocrine responses; selective serotonin reuptake inhibitor; plasma prolactin; plasma cortisol concentrations, 22314
plasma levels; adrenocorticotropic hormone; Aspergers syndrome, 14030

Corticotropin Releasing Factor—Serials

anxiety disorders; corticotropin releasing factor; generalized anxiety disorder; panic disorder; phobic disorders; posttraumatic stress disorder; HPA axis abnormalities; startle reflex measures, 34192
corticotropin releasing factor receptors; CRF agonist cortagine; anxiety; depression; receptor binding; drug interactions; neurophysiology, 9896
corticotropin releasing factor; long term expression; behavioral sensitization; cocaine; locomotor response; rats, 31281
corticotropin-releasing factor receptors; aggression; immobility; stress-regulating peptides; isolation stress; feeding; cognate receptors; neural circuitry; psychiatric disorders; coping behavior, 18887
corticotropin-releasing-1 receptors; basolateral amygdala; stress; feeding; grooming; rats, 9874
estrogen; fear conditioning; corticotropin releasing hormone; ribonucleic acid; central amygdala; female mice; treatment, 12824
footshock stress; cocaine seeking behavior; midbrain glutamate; dopamine; corticotropin releasing factor; ventral tegmental area; rats, 3506
gonadal hormones effects; gender effects; anxiety; emotional learning; progesterone; testosterone; progesterone's, 34227
hypothalamic-pituitary-adrenal receptor; androgen-responsive element axis; corticotropin-releasing hormone; androgen, 25093
morphine; peptide corticotropin-releasing factor; anxiety; locomotor activity; sensitization; opiate exposures; behavior responses, 34199
thyrotropin releasing hormone; heat production; corticotropin releasing hormone; neonatal chicks; hypothalamic pituitary thyroid axis, 25128

Cortisol [See Hydrocortisone]

Cortisone—Serials

diurnal excretion; urinary cortisol; cortisone; cortisol metabolites; chronic fatigue syndrome; hypothalamic pituitary adrenal; comorbid psychiatric disorder; HPA axis, 13628
diurnal excretion; urinary cortisol; cortisone; cortisol metabolites; chronic fatigue syndrome; hypothalamic pituitary adrenal; comorbid psychiatric disorder; HPA axis, 25772
diurnal excretion; urinary cortisol; cortisone; cortisol metabolites; chronic fatigue syndrome; hypothalamic pituitary adrenal; comorbid psychiatric disorder; HPA axis, 25764
psychosocial factors; cortisol production; women; breast cancer; area under the curve; diurnal cortisol rhythm, 17241

Cosmetic Techniques—Serials

Acceptance of Cosmetic Surgery Scale; scale development; cosmetic surgery attitudes; physical appearance, 9366
body modification; culture; tattoos; piercings; pain; rebellion, 31944
forensic psychiatry; drug abusers; tattoo designs; prisons; military recruitment centers; Soviet Union, 32326
healthy behaviours; tattooing; piercing; health values, 8441
medical need; surgery; health; well-being; body art, 14871
speech adaptation; self inflicted cosmetic tongue split, 16008

covert sensitization; cigarette smoking; cannabis smoking; chocolate addiction; alcoholism; nail tearing; overeating; treatment; maladaptive behaviours; craving, 11315
Coyotes [See Canids]
Crack Cocaine—Serials
African American families; crack era; crack cocaine, 34526
crack cocaine smokers; emergency department utilization; self reports; hospital records; frequency of visits; principal diagnoses, 13981
crack smokers; drug injectors; community residents; stigma; risk perceptions; sexual relations; HIV; social partnerships, 1724
drug choice; heroin; crack cocaine; impulsivity; risk taking, 7843
drug use; drug possession arrests; racial disparity; police perceptions, 10361
heroin use; anxiety sensitivity; inner city individuals; residential drug use treatment; vulnerability; crack cocaine, 16973
outreach treatment program; chronic crack abusers; assertive community treatment, 8582
real time electroencephalography; operant conditioning; adjunctive therapy; crack cocaine dependency; male dependents; treatment outcomes, 5079
religious affiliation; African Americans; crack cocaine; substance abusers; church attendance, 35038
young people; crack users; marginalization, 23180
Crack Cocaine—Books
Behind the eight ball: Sex for crack cocaine exchange and poor Black women, 10852
Crafts—Serials
qualitative health research; quality criteria; land mines; modest proposal; crafts; attention, 6395
Cramps (Muscle) [See Muscular Disorders]
Cranial Nerves [See Also Acoustic Nerve, Facial Nerve, Olfactory Nerve, Optic Nerve, Trigeminal Nerve, Vagus Nerve]—Serials
cranial nerves; mnemonic devices; student success; complex ideas, 27211
facial pain; children; adolescents; neuralgia; pain treatment, 4632
histopathological changes; ciliary ganglion; subarachnoid hemorrhage; anterograde transneuronal degeneration; cisterna magna; oculomotor nerve; rabbits, 3531
neurodevelopmental implications; deformational plagiocephaly; developmental problems; sex differences; craniofacial appearance; plastic surgeons, 7910
oculomotor inhibition; saccade trajectories; spatial aspects; distractor distance; saccade curvature, 3658
salt taste; nerve injury; greater superficial petrosal nerve; chorda tympani nerve; glossopharyngeal nerve; rats, 22150
suboccipital injection; cluster headache; ipsilateral steroid injection; occipital nerve, 32984
suboccipital injection; cluster headache; ipsilateral steroid injection; occipital nerve, 32992
temporomandibular joint; masticatory muscle pain; peripheral glutamate receptor; craniofacial tissues, 9808
typical craniofacial neuralgias; atypical craniofacial neuralgias; trigeminal neuralgia; glossopharyngeal neuralgia; post herpetic neuralgia; epidemiological studies, 4656
typical facial neuralgias; neuralgia; peripheral nerve localisation; atypical facial pain; nerve trauma; herpes zoster infections, 4600
typical neuralgias; cranio facial pain syndromes; atypical facial pain; International Headache Society classification; nosography; persistent idiopathic facial pain, 4612
Craving—Serials
abstinence induced withdrawal; craving; high dose nicotine replacement therapy; smoking cessation, 23986
acute dopamine precursor depletion; nicotine dependent smokers; craving; addiction maintenance, 35035
bupropion; craving; smokers; cigarettes; sustained release; tobacco withdrawal, 26699
bupropion; methamphetamine; subjective effects; cue induced craving; dopamine neurotransmission, 28158
cannabis dependence; cannabis related words; drug users; attentional biases; craving; drug related stimuli, 1528
cocaine craving; euphoria; self administration; catecholamine precursor depletion; addiction; substance abuse; dopamine; motivation; reward, 9882
cocaine; dose response; craving; locomotion; rats; time dependent dissociation, 15968
discourse analysis; chocolate addicts; snacks; chocoholics; nutrition; health; unhealthy practices, 20113
food cravings; mental imagery; undergraduate students; favourite food; sensory modalities; food image; dietary restraint, 7472
long-term benzodiazepine users; benzodiazepine craving severity; Benzodiazepine Craving Questionnaire; two-part treatment intervention; discontinuation trial, 13973
nicotine dependence; compulsive alcohol craving; alcohol dependence; patients, 26105
nitrous oxide; ethanol consumption; high alcohol drinking; alcohol preferring rats; abstinence; post withdrawal craving, 28151
olanzapine; alcohol craving; alcohol consumption; polymorphism; alcohol dependence, 26107
opiate addicts; group cue exposure treatment; psychophysiological responses; craving, 8652
prefrontal cortex; transcranial magnetic stimulation; food craving; cortex dysfunction; eating disorder, 10937
prolactin serum; alcohol craving; alcohol dependent patients; dopaminergic transmission, 26106
relapse predictor; inpatient desire to drink; alcohol use; addiction treatment; craving, 29041
smoking craving; self objectification; body competence awareness, 8223
tobacco craving; cognitive tasks; memory encoding; retrieval; divided attention; active imagery; working memory; cue-elicited craving, 27903
visuospatial interference; imagery; food cravings; hunger, 13000
vividness; food craving; personalized food imagery; visuospatial working memory, 16503
vividness; food craving; personalized food imagery; visuospatial working memory, 16508
walking; cigarette cravings; circumplex model; Nesbitts paradox; exercise; mood; smoking cessation, 17792
Craving—Chapters
Effects of Smoking Opportunity on Cue-Elicited Urge: A Facial Coding Analysis, 6868
Creative Arts Therapy [See Also Art Therapy, Dance Therapy, Music Therapy, Poetry Therapy, Recreation Therapy]—Books
The art of emotional healing, 20643
Creative Writing—Serials
creative writing; mental illness; writing cure; expressive writing; creativity; narrative; poets; mental health, 35643
expressive writing; emotional experiences; social effects; dating couples; deepest thoughts writing; emotion words; romantic relationships; feelings expression; linguistic analyses, 31775

Parenting beliefs, behaviors, and parent-child relations: A cross-cultural perspective, 22701

Cross Cultural Differences—Chapters

Japanese and American Infants' Responses to Arm Restraint, 7102

Cross Cultural Psychology—Serials

action researchers; organizational change; organizational development; action research conversations, 6383
action researchers; organizational change; organizational development; action research conversations, 6393
anthropology; ambiguity; hypocognition; cross cultural differences; Tahitian culture; research; Robert I. Levy, 10287
art therapy; global perspectives; global practice; cross-cultural encounter, 32950
cross cultural depression experience; immigrant populations; life stress, 10643
cross cultural psychology; anthropology, 16307
cross cultural psychology; ecocultural approach; human behavior; Professor Durganand Sinha; noble thoughts, 24009
cross cultural psychology; psychosocial interventions; culturally competent psychology; ethnic groups, 17655
cross national analysis; human resource departments; nationality; organizational size; Europe; Japan, 18200
cultural competency; philosophy; research; practice; mental health services; cultural sensitivity, 17704
cultural psychology; media theory; epistemology; writing systems; mentalities, 16324
culture; essentialism; immigration; gender representation; feminist gender psychology; Indian women; Filipina mail-order brides; cultural psychology, 7143
cultures; Korean American cultural identification; theology; cross cultural psychology, 25471
ethnography; psychological anthropology; community structure; public life; childrearing attitudes; Robert I. Levy; work in Nepal & French Polynesia, 10282
ethnopsychology; non Western culture; Tahitian culture; research; Robert I. Levy, 10280
Filipino Americans; colonial mentality; internalized oppression; colonialism; Asian Americans; history; sociology, 16305
foreign correspondent; John Hills; sociological phenomenon; heroic self-sacrifice; young males; terrorism; recognition; cross-cultural, 7133
Hindu community; religious organization; rituals; cultural context; mind; Robert I. Levy; theories, 10260
humanistic psychology; international scope; Journal of Humanistic Psychology, 15387
Indigenous government; Indigenous people; British political thought; colonial attitudes; property relations; civilization; savagery, 3965
international cooperation; public health; health determinants, 2275
intimate partner violence; violence prevalence international perspective; gender differences; risk factors; sexual aggression; physical aggression, 1483
modernization; management; business school; teaching; cross cultural psychology; organizational behavior; organizational culture; international organizations; contingency theory, 18238
multicultural research; multicultural competence; cross-cultural research; stereotypic thinking; cultural identities; clinical practice, 2561
multicultural research; multicultural competence; cross-cultural research; stereotypic thinking; cultural identities; clinical practice, 2562
partnership; skills transfer; crosscultural research; teams; health; illegal drug use, 35421
person centered interviewing; psychocultural phenomena; observation; ethnography; Tahiti; Nepal, 9494
procedural justice; alliance profitability; cross cultural cooperative alliances; shared justice perceptions; cultural distance; loose coupling logic, 2880
Professor Pittu Laungani; William West; academic career; cross cultural psychology; counseling; psychotherapy, 33237
psychological anthropology; mind; lecture method; Robert I. Levy; memorial, 10277
psychological anthropology; Robert I. Levy; memorial, 10281
Samoan ethnopsychology; Tahitian culture; cross cultural psychology; Robert I. Levy, 10286
self efficacy; diverse populations; vocational psychology; environmental influences, 12152
self-esteem; cross-cultural psychology; personality; Rosenberg Self-Esteem Scale, 4236
shame; knowing; anthropology; emotion states; Reobert I. Levy, 10524
transcultural analysis; postpartum depression; emotional experience; risk factors; cultures experiences, 34859
universalism; cultures; organizations; cross cultural psychology; cultural intelligence; acculturation, 13307
verbal reports; cultural ideology; cross cultural studies, 16304
Volkerpsychologie; cultural psychology; religion; Wihelm Wundt, 7123

Cross Cultural Psychology—Books

Childhood and adolescence: Cross-cultural perspectives and applications, 3812
Indigenous and cultural psychology: Understanding people in context, 19360
Understanding social psychology across cultures: Living and working in a changing world, 22742

Cross Cultural Treatment [See Also Cross Cultural Counseling]—Serials

African American clients; psychotherapy; treatment; mental health; Black; therapists' race; client attitudes & reactions, 20464
Asian families; migrant families; cross cultural differences; relations with family in home country; family therapy; case illsutrations, 2016
cognitive behavioral therapy; family therapy; immigrant Indian family; acculturation; case illustration; adolescent female & her parents, 2012
cultural lens; psychotherapy; suicidal ideation; major depression; Indian women and their families; cerebral palsy; boundaries; continuity; ethics; compassion; transactional analysis, 1958
depression; well being; Black African immigrant women; mental health; culturally appropriate treatment, 16274
diversity; play therapy; ethics; culture, 1975
East Indian immigrant parents; family therapy; child rearing; cross cultural differences; therapeutic issues; US, 2009
electroconvulsive therapy; cultural beliefs; Latino clients; research; treatment; reform; multicultural training, 2109
Latino mental health; depression prevention and treatment; smoking cessation; cognitive-behavioral therapy; evidence-based treatments; ethnic minority populations; treatment manuals, 4908
mental illness; psychological illness; elder immigrants; Soviet Union; cultural context, 16683
migrant Indian families; family therapy; South Asian cultural groups; family relations, 2021
Russian clients; immigrant families; US psychotherapist, 23644
same race health care providers; interpersonal discrimination; health care; preferences; African Americans' perception; racism, 29879
spirituality; psychotherapy; cultural competence; African Americans; prayer; cultural factors; family; womanism; community exposure to trauma, 17489
work with Indian clients; psychotherapeutic processes; cultural components; family therapist from Europe; case illustrations, 2027

Cross Disciplinary Research [See Interdisciplinary Research]

Cross Examination—Serials

negative effect; children accuracy; cross examination style questioning, 12444
psychiatrist expert witness; eavesdropping; cross examination, 33704
telephonic deposition; psychiatrist expert; expert witness; eavesdropping; cross examination, 33719

Crossed Eyes [See Strabismus]

Crowding—Serials

housing conditions; behavioral sensitization; ethanol; drug tolerance; social isolation; mice; crowding, 6829
human crowd pressures; accidents; asphyxia; pedestrians; crushing; preventive action, 24470
inmate misconduct; prison overcrowding; behavior problems, 36002
overcrowding factors; bed pressures; Winnipeg acute care hospitals; influenza associated illnesses, 5399
retail settings; consumer reactions; cross cultural differences; North America; Middle East; consumer-consumer interactions; consumer behavior; crowding, 30566

CRT [See Video Display Units]

Cruelty—Serials

animal cruelty; male inmates; demographic attributes; situational factors; methods; childhood development, 4465
animal cruelty; motivations; childhood behavior, 4433
domestic violence; animal cruelty, 23091
family conflict; psychopathic traits; childhood cruelty; family factors; interspecies interaction, 13883
joke cruelty; joke appreciation; disabilities; optimal cruelty model; joke properties, 28601
joke cruelty; joke appreciation; disabled; gender differences, 31875
psychological theory; practice; charitable organization; National Society for the Prevention of Cruelty to Children; NSPCC; narrative; researchers, 27551
rural areas; urban areas; animal cruelty; animal abuse; prisoners; inmates, 4537
state crime; criminology; organizational goals; terror regimes; Congo Free State; moral costs; cruelty, 3074

Crying—Serials

pathological laughing; pathological crying; traumatic brain injury; lamotrigine; structural brain damage; social dysfunction, 26382
sound spectrogram analysis; crying children; painful stimuli; infants, 13110

Cuban Americans [See Hispanics]

Cued Recall—Serials

category exemplar production test; implicit priming; transfer appropriate processing; category structure; divided attention; cued recall; frequency, 15719
childhood memories; memory retrieval; cue words; infantile amnesia; memory self interplay; cross cultural differences; European Americans; Taiwanese, 31074
collaborative recall; individual recall; memory; cross cueing; retrieval cues, 12759
cued recall probabilities; preexisting strength; similarity ratings; learning, 6592
dream recall frequency; dream recall instructions; facilitating dream recall; Chinese people, 34003
enhancing memory; repeated marketing stimuli; brand attribute; recall, 30564
episode; identical elements; cued recall; shift; practice; transfer; episodic memory; arithmetic, 24867

episodic forgetting; part-list cuing; interitem associations; strategy disruption; retrieval inhibition; encoding; retrieval cues; recall, 12705
episodic inhibition; retrieval; practice; category cued recall; lexical decision; forgetting; long-term knowledge, 12738
executive functioning; double dissociation; elderly people; executive processing speed; cued recall; age differences; episodic feeling of knowing, 18799
iconic memory; voluntary eyeblinks; cognitive processing; object identity; cued recall, 27919
lateral and medial anterior prefrontal cortex; contextual recollection; event details; experiences; event-related functional MRI, 571
memory; cued recall; phrases; enactment effects; multinomial modeling approach, 15742
outcome recall; cue-outcome relationship; causal judgement; target cues; food cues; allergic reactions; backward blocking; associative & nonassociative mechanisms of forward blocking, 22002
paired associate learning; memory; cued recall, 15746
process-tracing techniques; verbal reports; eye tracking; problem solving; knowledge elicitation, 6553
recognition; recall; correlation; memory; modeling, 427
response cued completion hypothesis; residual costs nature; regular switch; task switching, 3371
source monitoring; context memory; metacognition; cued recall, 24844
study list structure; generation failure; cued recall, 21989

Cues—Serials

African folk melodies; western folk melodies; emotions; music perception; psychophysical cues; rhythm; melodic complexity; listeners; cross-cultural differences; adolescents, 28234
age related changes; event cued display; visual prospective memory; auditory prospective memory, 18865
aggression related cues; agreeableness; prosocial thoughts; aggressive behavior; cognition, 13556
aging; age differences; memory; cue detection; interruptions; working memory; delayed intentions; naturalistic stimuli, 24802
aging; cognitive control; strategy training; older adults; task relevant context; cue information, 31524
aging; visual search; guided search; cues; cuing effect; response time; age related deficits, 31518
alcohol; aggression without consumption; alcohol cues; aggressive thoughts; hostile perception bias, 10477
alcohol; repetition priming; word recognition memory; memory cues; alcohol intoxication, 15979
animal conditioning; cue competition; causal reasoning; associative learning; animal cognition; rats; Pavlovian conditioning, 12811
animal research; smoking; cue reactivity; cue exposure treatment; proximal & distal cues; extinction; environments; associative control; implications for humans, 13010
antisaccade; aging; inhibition; prepotent responses; response cue variation; eye movement response, 31514
attention switching; target displays; attention switching time, 6609
attention switching; word encoding; word retrieval; aging; recognition memory; cued attention, 18664
attention; configural information; shape information; 3-D novel objects; cues; visual search, 18711
attentional bias; heroin relapse; treatment; drug use; abstinent heroin addicts; cue exposure therapy, 32358
attentional blink; cuing; temporal dynamics; selective attention; visual targets, 6610
attentional blink; cuing; top-down control; time course; selective attention; visual stimulation; distractor, 27921
attentional demand; cue typicality; priming effects; event based memory task; semantic categories, 6593
auditory cues; effectiveness; driver's visual attention; spatial auditory warning signals; driving situations; spatial attention, 262
auditory grouping; asynchrony; vowel timbre; broadband inhibition; cochlear nucleus; harmonics; auditory segregation; cues; acoustic properties; captor properties; psychophysical responses, 33949
base rate neglect; pigeons training; informative case cues; animal behavior, 6653
base rates; case cue information; likelihood estimation; prior experience, 31020
beacon use; young children; touchscreen search task; landmark cues; childhood development, 10073
behavioral measures; executive control; visual stimuli; attention network test; spatial orientation; cues; presentation modality, 30873
biased memory, decision making; behavior knowledge; outcome knowledge; cues, 12780
binaural redundancy; hearing aid; cochlear implant; opposite ears; speech perception; interaural; time difference cues; hearing impairment, 2388
biological motion perception; configural form cues; superior temporal sulcus; neurons; brain network, 33932
blocking between outcomes; rats; cues; associative learning, 475
blocking; causal structure; children; contingency learning; cues; causal models, 416
bulimia nervosa; startle response; deprivation; affect regulation; binge eating; emotional responding; food cues, 29172
causal intervention; multiple cue judgment; positive effects; negative effects; learning; observation; memory, 12766
causal learning; temporal order; intervention; covariation; cues, 18850
causes; enabling conditions; linguistic cues; mental model generation, 6533
central & peripheral cues; visual attention; spatial perception; linguistics, 27769
chemical cues; alarm cues; fathead minnows; antipredator behavior; social context; predation threat; conspecifics; heterospecifics, 28000
chemosensory receptors; olfactory epithelium; mammalian olfactory system; odors; social cues; mice; trace amine-associated receptors, 31249
clinical predictions; risk cues; dangerousness; clinicians; risk assessments, 20387
cognitive control; task switching paradigm; cues, 30979
cognitive fluency; learned interpretation; judgement; cue learning, 18817
color; visual encoding; visual information; cues, 3326
combined expectancy; accumulator model; cueing effects; reaction time; biased competition; priming; spatial attention; object based attention; preparation; motor cueing, 6423
compound cues; cue competition; outcome-alone exposure effect; overshadowing; conditioned lever-press suppression; rats; sensory preconditioning; learning, 27966
confidence; accuracy; deductive reasoning; judgments; cues; syllogistic reasoning, 31018
configural cues; metric disparity; depth perception; binocular disparity, 275
context switch effects; extinction; attention; human predictive learning; renewal; retrieval theory of forgetting; cues, 18857
contextual cue; creative media choice; cognitive priming; assimilation; media source effects; target brand associations; brand attitudes; advertising, 6087
contextual cueing; naturalistic scenes; visual search; visual attention; visual memory; global contexts, 24786
contextual cues; false memories; imagination inflation; older adults; cue utilization; memory errors; episodic memory; encoding; age differences, 22505
contextually trained discrimination; slot machine preferences; gambling behavior; reinforcement; cues, 33911
corpus analysis; surface cues; discourse analysis; density of information; subjectivity; causality; interclausal versus intraclausal discourse representation; narratives, 16004
credit card effect; consumer behavior; impression management; donation intentions; cue exposure; credit cues, 9205
cue competition; designs; reasoning process; causal learning; learning phenomena, 24870
cue competition; human causal learning; experimental task; elemental; configural, 387
cue convergence; social intolerance; news cues; associative priming; mass media; opinion expression; Arabs, 19109
cue duration variation; top down modulation; involuntary orienting; uniformative symbolic cues, 284
cue duration; parvocellular guidance; visual attention; color change; attentional capture; object, 12677
cue heuristics; direct perceptual competence; visual perception; relative mass; collisions, 24740
cue interaction; predictive responses; cue competition; learning phase; causality assessments; theories, 15747
cue plays; store reputation; product judgments; social identity goals; brand and price information, 30558
cue search; fast & frugal strategies; heuristics; inference; information acquisition, 396
cues; cognitive ability; visual search; gazing; visual perception, 16114
cues; distractors; cognitive processes, 24814
cues; upcoming Swedish prosodic boundaries; subjective judgment studies; acoustic correlates; utterance fragments, 9937
da Vinci stereopsis; pictorial cues; monocular object; depth ambiguity; binocular object, 21865
decision making; ecological rationality; fast & frugal heuristics; memory; recognition; retrieval primacy; probabilistic inference; cues, 31003
depth capture; natural occurrence; waterfall; stereoscopic vision, 30915
differential cortical processing; pitch changes; dichotic pitch; auditory mismatch negativity; deviant locations; cues; pitch stimuli, 34097
duration processing; stroop experiment; numerosity processing; numerical cues, 12720
electronic mail; reduced cues; rapid communication; interpersonal interaction, 3727
endogenous attentional cuing; exogenous attentional cuing; implicit memory, 24808
entitativity perception; perceived homogeneity; perceived cohesiveness; common trait inference; common group inference; physical cues; behavioral cues; trait perception; group perception; goals, 16435
entrainment; environmental cue; animal circadian clocks; hamsters; illumination; zeitgeber, 28107
episodic forgetting; part-list cuing; interitem associations; strategy disruption; retrieval inhibition; encoding; retrieval cues; recall, 12705
equivalent lighting model; cues; lightness judgments, 18701
estimation; quantitative relation; incongruent information; response time; cues; motion perception, 24719
ethanol; conditioned stimulus; stimulus modality; conditioned reinforcement; inbred mice (DBA/2), 34074
event related potentials; supramodal attentional control; crossmodal attention effects, 22235
executive control; task set; task switching; task cuing; preparation; cue-stimulus interval, 24816
explicit semantic cues; implicit semantic cues; attention; semantic guidance; natural scenes, 323
eye gaze; reflexive shifts; visual attention; frontal lobe damage; visual information; social cues, 14284
eye gaze; social cognition; gaze interpretation; natural cues, 30923
faces; depth cues; photograph; stereopsis; information transfer, 12676
facial cues; gestures; second language learners; learners listening comprehension; English as second language, 8945
facial similarity; political cue; political candidate; similarity manipulation; gender interaction, 22775
false recognition; emotional lures; phonological lures; metacognition; recognition decision criteria; false memory; words, 24868
force cue; position cues; haptic shape perception; active touch; psychophysics, 33913
framing; extrinsic information cues; risk evaluation; performance; contingency factor; advertising, 30549
gaze cues; attention; visual perception; object-centered cuing; spatial cuing, 21835
gaze; fearful expression; spatial attention; anxiety; reflexive cuing; fearful vs happy faces, 18680
gazing; facial cues; preferences; physical attractiveness, 27775
geometric cues; featural cues; goldfish; mapping, 6650
geometric information; landmark information; metric information; fish; experimental space, 9703
gesture; aphasia therapy; cueing effect; sign language acquisition, 29980
grouping cues; trajectory storage; multiple object tracking; common item motions; uniform direction, 21881
habitual behavior; American eating patterns; meal occasions; cognitive resource conservation; contextual cue consistency; carryover habit, 19592
habituation; salivation; motivation; food cues; salivation, 28359
heuristics; binary cues; paired comparisons; lexicography; accuracy; mathematical psychology; cues, 33863
hidden food location; communicative cues; behavioral cues; physical cues; domestic dogs; great ape; cooperative communication; object choice task; causal cues, 15766
human causal judgments; retrospective revaluation; conditioning; within-compound associations; cues; associative learning; inferential reasoning, 431
human contingency learning; generalization decrement; cues, 31076

human learning; trial-by-trial learning; covariation learning; causation; contingency; signal detection theory; judgment; outcome expectancy measures, 393
iconic memory; mask; cue; short term memory; memory capacity, 15740
inattentional blindness; selective attention; negative relationships; human causal learning, 15752
independent components analysis; developmental differences; saccadic contingent negative variation; peripheral cue; EEG; saccadic task; event related potential, 759
individuals; dyads; multiple-cue judgment; cognitive processes; performance; learning; social interaction, 13490
infant sensitivity; visual pattern information; uniform connectedness; cues; perceptual organization, 31408
infants; facial motion discrimination; face perception; biological motion cues; visual displays, 16134
inhibition of return; attention; orienting; speed-accuracy tradeoff; information processing dynamics; response time, 27845
inhibition of return; Down Syndrome; visual cues; verbal cues; inhibitory process; manual aiming, 7958
instructional cues; performance; iowa gambling task; ventromedial prefrontal cortex; alcohol intoxication; decision making; memory, 15957
integrative model; market communications; message source; argumentation; cues; source biases; heuristic processing; systematic processing; peripheral processing; central processing, 30545
intention; focal goals; inhibition; alternative goals; cognitive self-regulatory processes; distracting cues, 31025
intentional pre-cueing; Simon effect; choice reactions; stimulus location; attentional factors; spatial stimulus; response selection, 24790
Internet; research tool; associative learning; overshadowing; several cues; undergraduate students, 21962
interrater reliability; patient cues; patient concerns; patient-provider interactions; provider responses, 26489
interruption; Tower of London; goals; associative activation; memory; contextual cues; cue encoding; priming, 31046
intertrial interval; conditional stimulus; rats; appetitive conditioning; discriminative cue, 12816
intuitive eating; well-being; eating disorders; college women; hunger; satiety cues; symptomatology, 35166
Japanese-English bilinguals; US monolinguals; autobiographical memory; words; cues; language; earliest memory, 22000
judgments of learning; online monitoring; cue; paired associate; words, 15730
judgments of learning; underconfidence; debiasing; foresight, 18847
jumping spiders; aposematic prey; animal learning; secondary cues; avoidance, 22074
landmark guided search; reorientation; cues; object permanence; associative processes; young children, 28285
latent cue preference; sodium depletion; rats; learning, 6670
latent inhibition; human predictive learning; cue preexposure; cue outcome pairings, 15735
leaf cutter ant species; nestmate recognition; odor cues; cuticular hydrocarbons, 18890
learner controlled cueing; complex problem solving tasks; system controlled cueing, 11927
learning; linear functions; nonlinear functions; younger adults; older adults; cues; ability; age differences, 31056
lithium-paired context; rats; anticipatory nausea; gaping; chemotherapy patients; cues, 28111
locomotion control; visual cues; locomotor strategies; age related changes; learning, 13134
long term gazing; cueing effects; attention; memory, 30983
majority rule; individual decision making; cues; decision makers; intracue comparison; intraoption comparison, 13439
marketing cue; consumer behavior; color; cross cultural perspective, 21487
memory load; inhibition of return; cues; neutral state; working memory, 31047
metaphor; cue; verbs; abstraction, 738
misleading cues; event related potential; neural processes; perception; action control, 28057
modulation of distraction; saccades; cue; aging, 30940
monocular depth cues; scene perception; pigeons, 27974
motion segregation; colour; polarity; disparity depth; texture orientation; cued-preview; cue integration; figure-ground, 6475
multiple cue learning; self insight; strategy; rolling regression; implicit versus explicit learning; suboptimal strategies, 18849
nestmate recognition cues; stingless bee, 9671
novel words; adjectives; Spanish-speaking children; interpretation; contextual cues; grammar; English-speaking children, 27838
object discrimination; local cues; global cues; pigeons; color, 18908
odor memory; sensory cues; olfactory evoked memories; autobiographical memories, 31077
older adults; younger adults; response selection; precuing; age differences; hand placement; fingers, 27813
online product choice; herding effects; consumer attitudes; recommendation sources, 21470
online shopping; Internet; communication effectiveness; elaboration likelihood model; cues, 33621
opiate addicts; group cue exposure treatment; psychophysiological responses; craving, 8652
optical cues; conspecific females; escalation decisions; male male interactions; jumping spiders; male male conflict, 34020
orientation cues; infants sensitivity; three dimensional depth plane; line drawings; pictorial cues; information processing, 13118
outcome recall; cue-outcome relationship; causal judgement; target cues; food cues; allergic reactions; backward blocking; associative & nonassociative mechanisms of forward blocking, 22002
overshadowing; degraded contingency; extended comparator hypothesis; retrospective revaluation; Pavlovian conditioning; rats, 9705
Parkinson's disease; rhythmic visual cueing; optic flow; stride pattern, 14281
part list cuing impairment; performance levels; associative chains; strategy disruption; recall, 31066
perceived velocity; point light walkers; complex viewing; motion cues; motion perception, 285
perception; action; automatic effortful processing; response cueing, 6505
peripheral spatial cues; spatial correspondence hypothesis; central spatial cues; visual orientation, 12675
pictorial images; accommodation; monocular cues; apparent depth, 276
picture superiority effect; conceptual implicit memory; conceptual processing; semantic; cues, 15714
pigeons; inhibition of return; conditioning; cued targets, 6657
pre stimulus processing effects; contingent negative variation; foreperiod; response preparation; response speed; cues, 28130
prejudice expectations; moderate preconscious attention; cues; social identity, 19302
pretreatment cue reactivity; predictions; end-of-treatment smoking; smoking cessation program, 17786
priming cue encoding; transition frequency; cued task switching; switch costs; memory retrieval, 24829
probabilistic categorization; probabilistic category learning; strategies; hippocampal damage; cues; young adults, 18987
processing fluency; cues; contextual information; connotations, 6520
prosodic cues; morphological complexity; speech signal; vowel length; intonation; plural nouns; Dutch language, 3332
prosody; structural ambiguities; eye movements; grammatical function; cues, 15587
real world scenes; contextual cueing; visual search; visual context; repeated exposure; attention; target position, 12668
recent autobiographical memory; mood congruence; childhood memory; memory retrieval, 9634
recognition information; additional cues; memory; ecological rationality; recognition heuristic; object recognition, 12761
recognition; attention; real-world scenes; eye; contextual cueing; observers; visual properties, 30894
recognition; cues; judgment; decision making; ecological rationality; fast and frugal heuristics, 12740
response inhibition; response selection; response execution; cued task switching; selective stop signal task; switch costs, 12751
response preparation; spatial information; response cues, 24871
return facilitation; voluntary orienting; visual attributes; attentional cueing; color; motion direction, 6471
saccade inhibition; inhibitory tagging; fixated locations; cues; visual perception; response inhibition; attention, 21871
safer sex; intervention; reminder cues; alcohol and sexual behavior; condom use, 19419
salience condition; salience cues; early word learning; references; infants, 34355
schizophrenia; implicit learning; sequential patterns; visuospatial cues; spatial processing, 10676
second language; word identification; visual cues; phonetic environment; audio-visual perceptual training; auditory-only perceptual training, 6904
second order cues; partial transfer; tilt after effect; visual cues; visual stimuli; visual perception, 280
segment duration; word boundaries; spoken word recognition; acoustic cues; target pictures, 21956
segmentation cues; orientation perception; vision; tilt illusion; spatial gap, 33925
selective attention; visual tuning; grouping; stroke weight; spatial cuing; visual processing; identification; discrimination; spatial frequency, 21831
self localization; auditory cues; auditory spatial compensation; blind, 11143
semantic cues; mathematical modeling; word problems; problem solving; age differences; textbooks; object relations, 3227
semantic priming; nouns; verbs; differential influences; grammatical cues; cerebral hemispheres; visual field; semantics, 15854
sentence comprehension; retrieval interference; memory research; cue-overload; encoding, 31024
serotonin receptors; cocaine induced conditioned hyperactivity; drug craving; relapse; cues; rats; acute cocaine administration, 13032
sexual maturation; Caribbean fruit fly; male signals; visual cues; oocytes; adaptive significance, 34035
shared performance cues; singing; conducting; practice; rehearsal; coordination, 15988
sheep behavior; human-animal interactions; human eye contact; domestication; warning cues, 27968
Simon effect; accessory stimulus; visual-spatial attention; subliminal perception; visual perception; reaction time, 18745
Simon tasks; cue priming; interference; facilitation; dynamics; response suppression; spatial conflict; congruent response; irrelevant stimulus attributes; stimulus onset asynchrony; reaction time, 3356
situation awareness; teams; spatialized auditory cues; virtual environment, 27736
size perception; monocular distance cues; distance computation; visual perception, 6454
smoking; self efficacy; personality; social cognitive mechanisms; self regulation; cues; appraisals; self schemas; abstinence, 16425
social categorization; intercategory fit; nonsense syllable encoding; gender cues; gender categorization; cues, 10462
social cues; animated coversational agents; human-computer interaction; social agency theory; human characteristics, 9219
songbird; black redstart; acoustic cues; fledglings; brood division; feeding preferences, 22079
source cues; familiarity cues; imagination inflation; source monitoring, 3431
spatial cueing; social directional signals; nonsocial directional signals; reflexive effects; gaze; priming, 6420
spatial cues; motion; head movements; face movements; experimental paradigm; invariance; visual perception, 3329
spatial discrimination; dorsal hippocampus; conditioned cue preference paradigm; latent learning; rats, 19007
spatial learning; geometric module; navigation; local vs global spatial information; goals; rats; cues; animal environment, 27993
spatial learning; goldfish; gustatory cues; intramaze cues; sensory cues, 9701
spatial memory; anterior thalamus; extended hippocampal system; odor cues, 34141
spatial reorientation; animal ethology; chicks; food, 28006
speech segmentation; word recognition; rhythm; phonotactics; coarticulation; psycholinguistics; lexical cues, 3336
speeded recognition task; free recall; part list cuing, 31061
stimulus specificity; startle response; habituation; rat; auditory cues; tactile cues, 9707
stop signal inhibition; delayed responses; response time; inhibition of return; visual search; peripheral cue, 15608
Stroop effect; contextual cue; location, 30900
subject perceptions; confidence; predictive validity; financial information cues; decision making, 18170

sucrose seeking; sucrose self administration; rats; cues; glutamate; cue-induced reinstatement, 34200
surface interpolation; shading cues; disparity cues, 18750
synchrony; sensory modality; person perception; computer mediated communication; cues, 3740
task dependent exogenous cuing effects; cue modality; reaction time; discrimination tasks; response inhibition; detection tasks, 21822
task switching; backward inhibition; lateral inhibition; cues, 347
task switching; mediator retrieval; instructional cues; executive control; magnitude & parity judgments; association strength, 15671
testing effect; transfer appropriate processing; elaborative processing; retention; cue support; memory; retrieval cues, 21974
thermal cues; material discrimination; localization; fingers, 22279
three dimensional shape perception; human visual cortex; depth cues; object recognition, 3330
three-dimensional model of affect; acoustic cues; music perception; speech perception; valence; energy arousal; tension arousal, 18757
tobacco craving; cognitive tasks; memory encoding; retrieval; divided attention; active imagery; working memory; cue-elicited craving, 27903
top-down attentional modulation; cueing; spatial frequency processing; scene perception; expectations, 253
transitivity; structural cue; telicity comprehension; language acquisition; childhood development; semantics, 16138
ultraviolet cues; foraging behavior; jumping spiders; principal eyes; ultraviolet receptors; arthropod prey; locating prey, 9736
velocity cues; visual search; multiple object tracking; visual processing; perception, 27766
ventral tegmental area; Pavlovian instrumental transfer; cues; excitatory influence; GABA receptor agonists; muscimol; baclofen; rats, 18989
vibrotactile stimulus; warning signals; driving; spatial information; visual attention; cues, 9242
virtual reality apparatus; multiple sclerosis; gait; visual cues, 23397
virtual reality; cue reactivity; cigarette smokers; physiological reactions, 10362
virtual reality; cue reactivity; cigarette smoking; public health; treatment methods, 808
visceral influences; risk taking behavior; cues; immediate gratification; consummatory behavior; desire; social cognition theory, 21919
visual attention; object & location-based inhibition of return; aging; younger & older adults; cued objects, 22477
visual attention; temporal discrimination; exogenous cues; endogenous cues, 12672
visual attention; visual cuing paradigm; perception; object recognition; attention shifts, 12788
visual contextual cues; haptic perception; right handed participants; congruency effect; motor processes, 6501
visual motion processing; exogenous cueing; feature based effects; spatial effects; cue target intervals, 30896
visual orienting; cues; vertical plane; horizontal plane; social cues; non-social cues; response times; human vision, 6611
visual search; preview search; contextual cuing, 6455
visual search; top down guidance; singleton priming; salience, 30919
visual space; vernier stimulus; visual repulsion; visual cue; attentional repulsion; sounds; visual cortex, 18695
visuospatial memories; object location; recall; cues, 15703
voice onset time; talker identification; left ear right hemisphere processing advantage; perceptual training, 33948
voluntary saccades; perceptual flips; 3D slant rivalry; slant cues, 9553
waist to hip ratio; visual cues; physical attractiveness; sexual arousal; androgenousness; curvaceousness; starring frequencies; adult media actresses, 31788
walkers; ground surfaces; judgments; visual cues; color; slippery ground; low friction conditions; coefficient of friction, 27773
words; infant development; social cues; learning; vocabulary development; word acquisition; emergentist coalition model; social understanding, 19178
young infants sensitivity; shading stimuli; radial motion, 7021

Cultism—Serials

mental status; social relations; Asahara; crimes; psychiatric evaluation; capital punishment; cults, 13986
personality traits; cult leaders; computerized coding system; L. Ron Hubbard; David Koresh; Charles Manson, 10468
public perception; cults; new religious movements; religion; religious group, 16301
social & therapeutic role of Khmer mediums; Buddhism; Cambodian mediums; cults; boramei; healers; supernatural; healing, 7124
spirit possession ceremonies; authenticity; cults; religious discourse; Bahian candomble, 944
women; spirit possession; Sudan; United States; cross cultural comparison; cultism; middle class, 29409

high risk families; disabled children; family empowerment; group-based parent education curriculum; parenting needs; African Americans; developmental delays, 1586
higher education; standards, 27162
IMS learning design graphic editor; graphs representation; course structures; educational Web site structures; pedagogical contents, 11951

Curriculum—Serials

instructional environments; mild mental retardation; secondary students; special education teachers; curriculum, 2737
interactive multimedia technology; instructional design; communication bridges; skill development simulations; distance learning practices; discovery learning; curriculum; deaf education, 24260
Invisible Wall Project; reasoning; problem solving processes; primary students; lower secondary students, 15065
junior medical students; psychiatry clerkship; curriculum; student attitudes; test performance, 21015
knowledge; students; designers; information; school curriculum; communication technologies; teachers understandings; electronic literacy; media; learning, 36255
knowledge; understanding; common item pool; national estimates; students; Asian studies; state and territory curricula, 6347
learning communities; Louisiana state university; social support; academic support; curriculum; African American popular culture; linked courses; faculty collaboration; race; hip hop music; sports, 21142
learning disabilities; civil rights movement; teaching; historical content; middle school students; curriculum, 18115
learning objects; gerontology; asynchronous instruction, 36088
learning styles; individual differences; perceived effectiveness; learning activities; student preferences; marketing education, 27180
learning styles; individual differences; perceived effectiveness; learning activities; student preferences; marketing education, 27189
learning; media; technology; education; information; communication; Internet; secondary school students; curriculum; media literacy; teacher education program, 36259
lesson goals; student learning; individual interest development; lesson structure; learning activities; academic achievement, 8977
literacy learning; pedagogical purpose; Vivian Paley's storytelling curriculum; dictation; dramatization, 8894
literacy; early childhood settings; peers; conversations; curriculum; academic instruction, 18031
literature; literacy curriculum; professional development; teaching; learning; writing; primary school students; classrooms, 21154
long term nutrition; physical activity curriculum; rural environment; low income level; biethnic community; students attitudes; knowledge; self efficacy, 36375
managerial culture; workplace culture; situated curricula; organizational learning; social construction, 18306
mathematics achievement; monitoring educational changes; curriculum; academic achievement; mathematics education; item analysis, 24666
mathematics curriculum; written communication; school; writing needs; mathematics teacher; writing skills, 33399
Mathematics teaching; teachers; key concepts; teaching curriculum, 8933
mathematics; medical school; calculus; premedical students; curriculum, 36073
medical ethics; narrative ethics; medical education; life story; residency curriculum, 2483
medical school admission policy; academic achievement; educational measurement; curricular field experience, 36050
medical student education; curriculum; academic difficulty; humanities; ethics; doctor patient relationship, 30096
medical students; personality disorders; psychotherapeutic principles; psychiatry clerkship; medical curriculum; medical education, 21001
multiculturalism; public relations curriculum; female African American practitioners; practitioners perceptions, 8931
National Curriculum reading tests; reading literacy attainment; English curriculum; word reading; text comprehension; literacy pedagogy; young pupils, 21143
near death experiences; medical students; medical education; curriculum; death; group discussion; professionalism, 11764
neurosciences; psychiatry; curriculum; medical students, 20999
nursing curricula; client communication; empathy, 24053
old math; new math; parents experiences; African American; reform; schools; curriculum; participation, 36279
online instruction; students; failure; academic discipline; campus; curriculum development; teaching; learning; communication coursework, 18004
online learning environments; net based course, 14942
organization development; land grant university; organization development process model; higher education; organizations, 2665
organization development; management driven change; universities; higher education; organizations, 2680
parent delivered direct instruction; reading curriculum; early literacy skills; first grade children; reading skills; phonemic awareness; childhood development, 8835
parent training; early childhood; special education curriculum; autism spectrum disorders; parent education, 20560
performing curriculum; building ethos; narrative performance; pedagogical discourse; classroom authority, 36250
personal selling course; service learning inputs; service learning outcomes, 27177
poetry; national curriculum; primary childrens perceptions; students perceptions; teaching methods, 8909
positive behavior support; training curriculum; disabilities; age differences, 33366
preservice teacher; conceptual understandings; literacy teaching; curriculum; spelling; grammar; phonics; Australian schools; theories, 30246
preservice teachers; lesson planning; string project; music education; curriculum, 5722
problem based learning; undergraduate community nutrition class; curriculum, 36289
psychiatric education; medical students education; psychiatric faculty; curriculum; student attitudes, 20996
psychiatric rehabilitation; proposed curriculum; doctoral students; clinical psychology graduate programs; mental illness, 29479
psychiatry education; medical students; medical school education reform; medical school curriculum, 20986
Psychiatry in Medicine; medical school course; psychiatric pathology; outpatient medical settings; psychosomatic medicine, 21005
psychology students; introductory psychology course; student performance, 36290
psychology; elementary school curricula; self concept; education, 2666
quantitative research; qualitative research; curriculum; school learning; graduate & undergraduate education, 8920
questioning; answering; skills; curriculum; schools, 27193
reading achievements; Vietnamese grade 5 pupils; curriculum; socio-economic groups; gender; rural populations, 36312
rhetorical exercises; developmental students; transitional students; progymnasmata; writing education, 11906
school curriculum; expressed needs; education; care ethics; students, 5666
Scottish schools; curriculum; policy; gender; mathematics achievement; Assessment of Achievement Programme Scotland, 8974
sex education implementation; Hong Kong secondary schools; school curriculum; interactive teaching methods, 2759
sexual abstinence only; curriculum; sexually active youths; alternative school; risk factors, 14914
short course effects; teachers; infant schools; junior schools; secondary schools; verbal feedback; academic behaviours; social behaviours, 2630
SMART classroom curriculum; family screen time; screen media; public elementary schools; television viewing, 21156
social psychology course; social psychology applicability; semiweekly journal assignment; educational goals, 14959
social work practice; gerontology content; master of social work foundation curriculum; student attitudes, 36069
social work; curricula; manuals; aggression; peer relationships; elementary school; educational programs, 24184
socio ecology; environmental education; sustainable development discourse; pre academic secondary schools; social process; curriculum, 36258
soft skills; curriculum; medical education programme; professional socialisation; medical students; undergraduate education, 21012
space science news; special edition; reading; newspaper articles; science classroom, 8906
special topics courses; psychology departments; meeting departmental needs; undergraduate students; graduate students; course innovation, 14976
spirituality; training; diversity; psychology training programs; religious diversity; curriculum, 24066

Curriculum Based Assessment—Serials

statistics courses; methodology courses; interdepartmental variability; undergraduate majors first enrollments; personal preferences, 14968
structural engineers; mathematical modeling; problem solving; abstactions; engineering models; mathematics curriculum, 14958
student choice consideration; instructional strategies; self operated picture prompting systems; self operated auditory prompting system; intellectual disabilities; curriculum effectiveness, 5850
student supervisors; elementary school program; curricular change; complexity theory, 5728
students attitudes; coping; on line forum; curriculum, 11930
subject benchmarking; higher education professionals; chemistry; history; quality assurance; universities; national curriculum, 27132
teacher education curriculum; integral yoga psychology, 17968
teacher education programs; practicum, 2625
teaching evaluations; higher education; psychology courses; faculty instructors; student grades; student attitudes, 14918
teaching reliability; validity; teaching generalisation; generalisation; management students; abstract concepts, 2672
team supports; autism; communication skills; general education curriculum; mainstreaming, 15086
therapeutic empathy; nursing curriculum; therapeutic nurse patient relationship, 24078
trainee psychiatrists; interdisciplinary course; critical thinking; interdisciplinary framework; teaching; clinical practice; learning, 27053
twelve month curriculum development; psychotherapists training working; survivors of torture; human beings; mental health professional, 29437
undergraduate community psychology course; international education program; field experiences; class discussions; written assignments; class presentations, 14940
undergraduate courses; psychology; multiculturalism; curriculum; learning activities, 27203
visions; revisions; secondary teacher education course; hegemonic understandings; curriculum; performances, 17931
white women; preservice teachers; antiracist curriculum; distancing strategies; racial inequity; irresponsible teachers; teacher attitudes; institutional racism, 5695
Woodlands Wisdom Nutrition Project; indigenous communities; curriculum; cross cultural context; biomedical epistemologies; tribal colleges, 35726
young women; sexuality education curriculum; sexual experience; sexual danger; desire discourse, 2760

Curriculum [See Also Affective Education, Art Education, Business Education, Career Education, Driver Education, Foreign Language Education, Health Education, Home Economics, Language Arts Education, Mathematics Education, Music Education, Physical Education, Psychology Education, Science Education, Social Studies Education, Vocational Education]—Books

Addressing test anxiety in a high-stakes environment: Strategies for classroom and schools, 33423
Constructivist learning design: Key questions for teaching to standards, 30302
180 days to successful writers: Lessons to prepare your students for standardized assessments and for life, 36176
Differentiating for the young child: Teaching strategies across the content areas (K-3), 5787
The implementation guide to student learning supports in the classroom and schoolwide: New directions for addressing barriers to learning, 33420
Integrating inquiry across the curriculum, 11972
Learning identity: The joint emergence of social identification and academic learning, 21101
The math we need to know and do in grades preK-5: Concepts skill, standards and assessments (2nd ed.), 33428
The Parallel Curriculum in the Classroom, Book 2: Units for Application Across the Content Areas, K-12, 33430
Teaching the dimensions of literacy, 33425
Visual knowing: Connecting art and ideas across the curriculum, 5788

Curriculum Based Assessment—Serials

assessment for learning; teaching; education; assessment concepts; teachers, 5799

curricular goals; medical students; psychiatry; medical education; assessments; psychiatric training; individualized approaches, 17881
curriculum based assessment; school psychologists; academic performance; instruction, 14965
curriculum based measurement; generic probes; instructional curriculum probes; students performance assessment, 138
curriculum based measurement; goal setting; student understanding; goal awareness; reading goals; learning disabilities, 9041
curriculum based measurement; inclusive elementary settings; reading progress, 12554
curriculum based measurement; student achievement; disabled students, 8979
curriculum-based measures; statewide standardized achievement tests; norm-referenced achievement tests; reading performance; mathematics performance; math computation; math concepts, 18598
national curriculum assessment; reading test; England; school curriculum, 6348
reading fluency; grade levels; curriculum based measurement; students; accountability test scores; mazes, 21200
reduction of task duration; functional behavior assessment; curriculum-based assessment; intervention; off-task behavior management, 12033
teacher perceptions; alternate assessments; school environment; school accountability, 8864
test validity; test reliability; curriculum based assessment; early intervention, 9429
test validity; test reliability; curriculum based assessment; early intervention, 9435
utility; assessing maintenance; intervention effects; curriculum based measurement in reading; early termination; ineffective interventions, 30161

Curriculum Development—Serials

American Psychological Association style; research methods textbooks; sample manuscripts; course instructors, 14956
Babson college; curricular changes; administrative changes; strategic planning; total quality management; organization development, 2647
business education; curriculum development; macroeconomics, 36229
business schools; cross functional education; cross functional academic programs; case analysis; cross functional case writing; cross functional curriculums; pedagogical tools, 5739
case-study pedagogy; experiential learning; marketing; participative case writing; planning participative case writing; MBA curriculum, 30267
clinical psychology graduate education; interpersonal and societal factors; political and scientific issues; randomized clinical trials, 2464
clinical psychology graduate training; four level matrix model; educational curriculum; clinical training; doctoral training; mentoring; stigma; stereotype threat; marginalization, 2513
clinical psychology graduate training; four level matrix model; educational curriculum; clinical training; doctoral training; Boulder model; postdoctoral training, 2462
clinical psychology graduate training; four level matrix model; educational curriculum; Boulder model; models of clinical psychology; theory; philosophy of science; contextualism, 2485
clinical psychology graduate training; four level matrix model; educational curriculum; clinical training; doctoral training; counseling psychology; economics, 2493
clinical psychology graduate training; four level matrix model; educational curriculum; market-driven clinical psychology; discipline boundaries, 2486
clinical psychology graduate training; four level matrix model; educational curriculum; clinical training; psychoanalysis; positive psychology, 2534
clinical psychology graduate training; four level matrix model; educational curriculum; clinical training; doctoral training; counseling psychology; mentoring training, 2487
clinical psychology graduate training; four level matrix model; educational curriculum; Boulder model, 2526
clinical psychology graduate training; four level matrix model; educational curriculum; clinical training; doctoral training; attachment, 2522
clinical psychology graduate training; four level matrix model; educational curriculum; clinical training; doctoral training; scientific training, 2514
clinical psychology graduate training; four level matrix model; educational curriculum; clinical training; doctoral training; constructivism; professional life counselors, 2500
clinical psychology graduate training; four level matrix model; educational curriculum; clinical training; integrative training model; positive psychology, 2492
clinical psychology graduate training; four level matrix model; educational curriculum; clinical training; doctoral training; Boulder model, 2502
clinical psychology graduate training; four level matrix model; educational curriculum; clinical training; clinical child psychology: pediatric psychology: program evaluation: training directors, 2516
clinical psychology graduate training; four level matrix model; educational curriculum; clinical training; mind-body interaction; cognitive science; information technology; groups, 2456
clinical psychology graduate training; four level matrix model; educational curriculum; clinical training; doctoral training; positive psychology; prevention, 2488
clinical psychology graduate training; four level matrix model; educational curriculum; clinical training; doctoral training; scientist-practitioner model; graduate education, 2515
clinical psychology graduate training; four level matrix model; educational curriculum; clinical training; doctoral training, 2538
clinical psychology graduate training; four level matrix model; educational curriculum; clinical training; doctoral training; scientist-practitioner model; culture; community psychology, 2529
clinical psychology graduate training; four level matrix model; educational curriculum; clinical training; doctoral training; clinical constructivism, 2505
clinical psychology graduate training; four level matrix model; educational curriculum; clinical training; doctoral training; person-environment interaction; Boulder model, 2469
clinical psychology graduate training; four level matrix model; educational curriculum; clinical training; biopsychosocial model; psychological health care providers: US health care system, 2498
clinical psychology graduate training; four level matrix model; educational curriculum; clinical training; doctoral training; Boulder model, 2509
clinical psychology graduate training; four level matrix model; educational curriculum; clinical training; doctoral training; Boulder model; professional schools, 2528
clinical psychology graduate training; four level matrix model; educational curriculum; positive psychology; client-centered approach; scientist-practitioner-leader-consultant model, 2540
clinical psychology graduate training; four level matrix model; educational curriculum; doctoral training; asocial professional psychology; interpersonal theory; social constructionism, 2510
clinical psychology graduate training; four level matrix model; educational curriculum; clinical training; health care delivery; community-based models; nontraditional training settings, 2468
clinical psychology graduate training; four level matrix model; educational curriculum; clinical training; doctoral training; clinical-counseling psychology, 2471
clinical skills teaching; children's nursing; clinical practice, 5554
constructive-developmental theory; developmental stages; negoitation curriculum; cognitive demands, 16464
curriculum development; long term care nurses; depression recognition; dementia, 33263
curriculum development; management training; child welfare; social welfare; managerial work, 8773
educational taxonomies; cognitive domain; affective domain; psychomotor domain; social domain; instructional objectives; curriculum design; achievement, 24146
faculty development workshops; power point use; technology integration; instructional strategies; Workshop Satisfaction; classrooms, 2610
global citizenship education; mainstreaming; England; national curriculum; secondary school texts, 5750
government strategy; education reform; curriculum development; policies; Stage 3 education; England, 5771
information & communiation technology; early childhood curriculum; principal attitudes; implementation, 36200
instructional objectives; instructional design system; job analysis; organization; instructional environments; needs assessment; training issues, 36425
masculinity; management education; course feminization, 36433
master of education; education assignments; feedback commentaries; student guidance practices; academic discourse, 2616
National Literacy Strategy; corpus linguistics; education policy; education policy; classroom practice, 21158
online learning content; RU LOM Core; educational metadata application; digital learning resources; higher education; learning object metadata, 24192
pedagogical issues; classroom guidance curriculum; Hong Kong; class teachers, 11971
preparation strategies; counselor education; teacher education; school personnel; policy efforts; racially diverse students; higher education, 27129
preparing students; research training; research education; family studies programs; students confidence; students skills, 14998
recapturing; liberal traditions; university education; field course teaching; debates; curriculum development; personality traits, 24189
reconfigurability; creating new courses; learning objects, 11967
school based interventions; social justice; curricula development; Ecological Developmental Cognitive framework; Achieving Success Identity Pathways; educational programs, 21144
school to work transition policy; Ontario; secondary school reform, 8946
sensory approach; children who challenge; pedagogy; curriculum development; social behavior, 18113
sexual risk behaviors; HIV; STDs; unintended pregnancy; alternative schools; intercourse; condom use; curriculum, 27169
special topics courses; psychology departments; meeting departmental needs; undergraduate students; graduate students; course innovation, 14976
students uptake; reflective practice; teaching practice; teacher education; educational development; developing countries, 5717
syllabi review; structural equation modeling courses; psychology education, 11964
teacher education; research based practice; curriculum development, 11890
teaching practices; curriculum authoring tools; inclusive classrooms; curriculum development; curriculum implementation, 18005
training teachers; student teachers; child protection; initial teacher training; curriculum & course development, 5691
tutor experiences; student experiences; preservice teachers; education programme; university lecturers; learning outcomes; portfolio development; authentic enquiry, 2615
working memory; mathematical skills; children; mathematical development; mathematics curricula; cognitive ability, 13133

Curriculum Development—Books

Language exploration and awareness: A resources book for teachers, Third Edition, 33421
The Parallel Curriculum in the Classroom, Book 2: Units for Application Across the Content Areas, K-12, 33430

Cushings Syndrome—Serials

depression; cortisol; anxiety; mice; Cushing's disease; mice; chronic hypercortisolemia, 19039

Customer Satisfaction [See Consumer Satisfaction]

Cutaneous Receptive Fields—Serials

reference frames; tactile locations; visual locations; ventral intraparietal area; receptive fields; macaque monkeys; multisensory integration; encoding, 3487

Cutaneous Sense [See Also Tactual Perception]—Serials

cutaneous saltation; saltation illusion; forearms; somatosensation; tapping, 3290
cutaneous sensory symptoms; somatoform dissociation; somatosensory disorders; dissociation; outpatients, 14122
cutaneous; touch; stimulus sequence; localization; psychophysics; cutaneous rabbit effect, 24730
frontoparallel haptic space; task dependence; motion perception; reference orientation, 21857
haptic perception; multidimensional scaling; roughness; compressibility; physical measurements, 12663
haptic tactile; feedback; video capture system; virtual environment; rehabilitation; virtual reality; intervention, 23947
motor training; flexible objects; haptic environments; motor processes, 21896
tactile pictures; haptic object identification; blind people, 26467

trunk midline; first somatosensory area; cutaneous regions; bilateral cortical representation; magnetic resonance imaging; tactile stimulation, 3558
Cutting Scores—Serials
critical scores; content validity; framing, 30675
posttraumatic stress disorder; Impact of Event Scale; screening properties; cutting scores, 6329
standard setting processes; conceptual framework; Angoff setting methods; score scale; psychometric theory, 33871
test development; human resource; validity generalization; statistical significance; criterion measures; cutoff scores; cross-validation; psychometrics, 146
Cybercounseling [See Online Therapy]
Cybernetics—Serials
cybernetics; heuristics; human physiology; motor processes; biology, 31236
sexual self disclosure; cyberspace; Taiwanese adolescents; gender differences; real life, 16152
Cyclic Adenosine Monophosphate—Serials
cAMP response element binding protein; CREB binding protein; p300; KIX domain; motor skill learning; mice; mutations, 22140
Cynicism—Serials
community engagement; cynicism; discontent; social conflicts; social dissatisfaction; social perception, 1163
cynical use; marketing practices; unwitting consumer; unethical nature; consumer attitudes, 6094
emotions; mediators; perceived supervisor support; psychological hardiness; employee cynicism, 30489
employee cynicism; organizational change; social learning theory; employee attitudes; leader behaviors; organizational setting, 9114
enhanced productivity; work; non-work; humor; cynicism; boundaries; culture management; managed fun, 2871
meaning of work; employee cynicism; employee engagement; emotions, 27391
negative political advertising effects; voting intentions; situational involvement; source credibility; voter cynicism development, 1036
news media; political attitudes; spiral of cynicism; political cynicism, 4034
Cysteine—Serials
excretory-secretory product; striatum; rats; monocytes; microglia, 22194
homocysteine concentration; glucose metabolism; non diabetic chronic schizophrenia; non obese schizophrenia; outpatients, 16755
homocysteine levels; methylenetetrahydrofolate reductase; genotypes; hyperintensities; major depressive disorder; late onset disorder; vascular pathology, 4317
homocysteine; brain atrophy; vascular disease; neurodegeneration; white matter hyperintensities; cognitive impairment; Alzheimer's disease; degenerative brain disorders; Parkinson's disease, 11117
homocysteine; chronic schizophrenia; risk factors; folic acid; vitamin B-12; pyridoxine, 35644
homocysteine; folate metabolism; depression; folate deficiency; vitamin B12 deficiency; biochemical correlations; neurochemical correlations; clinical correlations, 10626
homocysteine; neuropsychiatric disorders; schizophrenia; major depression; bipolar disorder; folate deficiency; hyperhomocysteinemia; brain atrophy; nutritional etiologies, 10609
homocysteine; schizophrenia; hyperhomocystinemia; risk factors; prenatal life; adulthood; pathogenesis; pathophysiology; nutritional etiologies, 10666
hyperhomocysteinemia; methylenetetrahydrofolate reductase; gene polymorphisms; risk factors; plasma homocysteine; schizophrenia; genotype, 10686
N acetylcysteine; vitamin B; folate; hyperhomocysteinaemic patient; cognitive impairment; hydroxocobalamin; short term memory loss, 11396
plasma homocysteine; Parkinson disease; levodopa; entacapone; vitamin status; hyperhomocysteinemia; catechol-O-methyltransferase, 26458
schizophrenia; folate; homocysteine; negative symptoms; glutamate carboxypeptidase II, 4354
schizophrenia; folate; homocysteine; negative symptoms; glutamate carboxypeptidase II, 4364
schizophrenia; single carbon metabolism; methionine; homocysteine; metabolic system; methylenetetrahydrofolate reductase; nutrients; antioxidants; B-vitamins; nutrients; antioxidants, 10680
Cystic Fibrosis—Serials
adolescent girl; augmentation strategies; pain management; atypical antipsychotic; olanzapine; treatment; chronic headache; cystic fibrosis, 11467
computerized phone diary; health behavior assessment; family; social context; cystic fibrosis; asthma, 17405
cystic fibrosis transmembrane conductance regulator; ethanol; liver; pancreas; fatty acid ethyl esters; knockout mice, 10955
cystic fibrosis; behavior modification; nutrition treatment, 32963
electroconvulsive therapy; cystic fibrosis; depressive disorder; antibiotics, 19797
genetic; disease; sociohistorical context; cystic fibrosis; molecular; diagnosis; conceptualization, 8027
health related quality of life; cystic fibrosis; parent child concordance, 10969
multidisciplinary transition services; evaluation; young people; cystic fibrosis; southeast London; Kings College Hospital; University Hospital Lewisham, 4649
Cytochrome Oxidase—Serials
spatial learning; Morris water maze; hippocampus; striatum; cytochrome c-oxidase; navigation; rats; navigational strategies, 22200
stripe compartments; cortical visual system; lateral geniculate nucleus; secondary visual cortex; visual attributes; color vision; cytochrome oxidase, 3614
vicarious trial and error behavior; hippocampal cytochrome oxidase activity; Y maze discrimination learning; rat, 15789
Cytokines [See Also Interferons, Interleukins]—Serials
allergy; depression; suicide; cytokines, 7593
celecoxib augmentation; cytokine levels; schizophrenia; immune dysfunction; olanzapine; risperidone; serum soluble IL-2 receptor; in-vitro PHA-stimulated whole-blood cytokine production levels, 29650
chronic cytokines interleukins signaling; voltage dependent sodium currents; trigeminal nociceptive neurons; tetrodotoxin resistant; inflammatory associated hyperalgesia; rats, 25026
conjugated linoleic acid; muscle mass; Lewis lung carcinoma; B16 melanoma; protein; cancer cachexia; mice; tumor necrosis factor alpha; cytokines, 20218
cytokine profiles; bipolar affective disorder; ill patients; immune system; mood disorders; major depression; bipolar mania, 13726
cytokines; mammalian; locomotor activity; circadian control; mouse; vasopressin neurons; hypothalamus; antibodies; brain function, 22321
mediation effect; posttraumatic stress disorder symptoms; intimate partner violence; pro-inflammatory cytokine levels, 7833
mice; insulin; growth factor; sickness behavior; cytokines; tumor necrosis factor, 22298
plasma concentrations; cytokines; depressive state; lymphocyte proliferative responses; anxiety state; bulimia nervosa; immunological dysfunction, 14074
striatal microinjections; interleukin 2; rats; cytokine; brain; behavior, 13041
tumour necrosis factor alpha; cytokine; schizophrenia; age of onset, 7709
Cytoplasm—Serials
circadian clock; drosophila cells; cytoplasm; proteins, 15932
Daily Activities—Serials
academic psychiatrist; psychiatric residency; life experiences; professional development; daily schedule, 8754
academic psychiatrists; daily experience; work schedule, 8785
activity levels; drug use; alcohol; cannabis; tobacco consumption; Spanish adolescents, 10090
activity outcomes; assisted living residents; nursing home residents; nursing home facilities, 8614
activity qualities; time flow; emotional engagement; intellectual engagement; everyday activities; skill, 24721
blood glucose levels; problem behavior; daily activities; developmental disabilities; Angelman Syndrome; diabetes, 13654
blunted cardiovascular responses; daytime activities; nocturnal blood pressure decline; hypertension, 22273
competence; everyday activities; prediction; cognitive risk; mortality; elderly people, 19260
daily variations; sleep behaviors; daily activities; psychological well being; adolescent development, 34321
everyday life; discrimination; enumerating numbers; mathematical skill; brain mechanisms; event related potentials; electrophysiology, 19015
family caregivers; assisted living center; experience of place; key features; residents; characteristics & experiences & meanings; structure; physical & sociocultural & temporal-occupational nature, 29956
family daily hassles; family coping; managing strategies; families coping, 7228
family routines; family rituals; parent child relationship; family environment, 28560
in home leisure activity; supported independent living; adults; severe disabilities, 14740
marital adjustment; children with disabilities; family stress; problem focused coping strategies; well being, 13648
memory failures; self report; free recall technique; everyday activities; aging, 3428
mobile location aware devices; social coordination; rendezvous activities, 6125
mothers' perception; fathers' perception; work to family spillover; preadolescents; children; parental knowledge level; daily lives, 13354
mothers; daily routine; rituals; drawing; meaning making; belief systems; gendered responses; mother's presence, 16127
personality expression; person perception; personality judgment; naturalistic observation; Electronically Activated Recorder; implicit folk theories; everyday behavior, 22834
probable dementia; prevalence; elderly; role functioning; quality of life, 32630
psychological perspectives; recovery from work; fatigue; cycle of work and rest; work characteristics and recovery; leisure; sleep, 30511
residents; academic psychiatry, 8761
return to work; sick leave; sociodemographic factors; daily life; psychosocial factors; expectations; symptoms, 18172
sensorimotor gating; mental fatigue; prepulse inhibition; somatic disorders; attentional difficulties; everyday activities, 34810
single mothers; family responsibilities; social networks; social support; daily activities, 7381
teaching; children; autism spectrum disorders; computer technology; activity schedules; student performance, 21258
temporal constraint theory; offending opportunities; spatial patterns; daily activities; offenders, 29083
Test of Everyday Functional Abilities; Instrumental Activities of Daily Living; dementia; psychometrics, 30752
textiles and clothing students; stressors; time spent; activities; undergraduate students, 33462
Daily Biological Rhythms (Animal) [See Animal Circadian Rhythms]
Dance—Serials
aerobic dance intervention; body image; physical self perceptions; adolescent girls; physical education, 16149
body; ageing; injury; careers; sociology; classical ballet dancers; life experiences; perception; Bourdieu theoretical schema, 34245
Cambodian youth dance program; program evaluation; cultural diversity; community based research, 35858
class; gender; class; sexuality performance; exotic dance clubs; organizations, 7356
creative dance and movement program; social competence; head start preschoolers; low-income, 36262
creativity; repetition; modern dance; theoretical concept; body; organizing processes; habitual appropriation; embodied processes; new; philosophies, 24406
dementia; communication; dance therapy; communication modes; communication skills; body movements, 2130
eating disorders; symptomatology; ballet dancers; restricting anorexia nervosa; bulimia nervosa; eating pathology, 35162
ecstasy drug; urban youth networks; dance events; clubs; drug monitoring, 7871
ethnography; swing dancing; punk subculture; swing dance subculture; Bourdieus cultural framework; social determinants; internal logic; urban environment, 10271
expert dancers; action observation; acquired motor skills; brain activity; motor repertoire; brain bilateral activation; cognitive processes; motor simulation; mirror system, 9792
female exotic dancers; interpersonal dynamics; intrapersonal perspectives; socialization, 19645
limb differences; gender differences; healthy elite dancers; dance movement, 12697
postmodern swing dance; secondary adjustment; strategic consumption; construct identity; social interactional process, 19065
psychoanalysis; creativity; hope; choreographer; Paul Taylor; pathology; drug addiction, 5033
resistance; music; exotic dance clubs; empowerment; oppositional culture; covert social protest, 16306
scientific management; managerial control strategies; ballet dancers, 698

social capital; immigrants; tango; social resources; interpersonal relationships, 927
Dance—Books
Dancing for dollars and paying for love: The relationship between exotic dancers and their regulars, 19414
Dance Therapy—Serials
dance movement therapy; emotional responses; neurohormones; mild depression; psychological health, 11443
dance therapy; movement therapy; professional growth; professional development, 2126
dementia; communication; dance therapy; communication modes; communication skills; body movements, 2130
mental health nursing; dance therapy; nursing intervention, 17559
Dangerousness—Serials
bicycle messengers; employment; ethnography; edgework; danger; research setting, 18639
capital sentencing; defensible interpretation; Supreme Court opinions; expert testimony; legal processes; dangerousness, 36642
clinical predictions; risk cues; dangerousness; clinicians; risk assessments, 20387
virtual cultivation; online worlds; offline perceptions; video games; real world dangers, 19077
Dark Adaptation—Serials
gait; visual adaptation; darkness; lighting; locomotor control, 18737
respiratory gas disturbances; time course; scotopic threshold sensitivity; dark adaptation; hypoxia; hypocapnia; hyperoxia; normoxia; rod adaptation; retina; cones; photoreceptors, 18704
traumatic brain injury; elevated dark adaptation thresholds; photosensitive individuals, 11068
Darwinism [See Also Natural Selection]—Serials
Darwinian medicine; depression; evolutionary psychology; mood; social risk; mood disorders, 25848
Darwinian model; scientific discovery; Darwin; creativity; new knowledge acquisition; evolutionary epistemology, 7543
Darwinian psychiatry; mental disorders; diagnosis; therapeutic interventions; psychotherapy, 32090
genes; genetics; sex; asexual reproduction; sexual reproduction; genetic mutations; evolutionary biology; water fleas; Darwinian selection, 15849
kinship; child sexual abuse; evolutionarily novel pathogens; incest, 32249
organizational behavior; behavioral genetics; Darwinism; future research; evolutionary processes; evolutionary biology; evolutionary psychology; individual differences, 18291
organizational behavior; Darwinism; future growth; paradigm; evolutionary theory, 18300
psychiatric populations; ethology; Darwinian neuropsychiatry; treatment evaluation, 32723
Victorian Age; social Darwinism; Freudian theory; Horney, 3122
Darwinism [See Also Natural Selection]—Books
Madame Bovary's ovaries: A Darwinian look at literature, 9917
Data Collection—Serials
administrative data; data quality; quality measurement; information rich environment; Canada, 5269
audio computer assisted self interviewing; risky behaviors; young urban men; risky sexual behavior; college education; cultural sensitivity of behavior, 228
bibliometrics; data mining; decision making; citation analysis, 6381
China; crime; law; criminal justice system; criminology; informed consent; conceptual equivalence; cultural equivalence; data collection, 36641
clinical preceptorship; communication skills; medical students; data collection, 36058
coloring task; extensional meanings; information collection; body part terms, 34299
computer software; Interval Manager; computer programming; time-sampled data collection; microsoft windows, 27502
consultation liaison psychiatry; Casemix; data collection system, 20758
data collection methods; self report; sensitive topics; undergraduate students; in person interview; telephone interview; paper & pencil questionnaire, 31918
data collection; methodology; warning labels; response time; response distortion; response quality; male adolescents, 18483
data collection; qualitative research; experimental methods, 221
data linkage; Taiwan; crash fatality; adjustment factor; reporting, 24481
data quality; data collection process; household telephone surveys; interviewers, 18645
data saturation; variability measurement; nonprobabilistic sampling; sample size; interviews; thematic analysis, 15563
data; statistical methods; research; psychiatry, 6380
departmental data archive; archive development; teaching; research, 5735
diary studies; experience sampling method; ecological momentary assessment; multilevel models; participant compliance; data quality; self-report; diary; compliance; adherence; research methods, 15550
diary studies; experience sampling method; ecological momentary assessment; multilevel models; compliance; data quality; diary; memory; memory distortions; prospective memory; reconstructive memory, 15572
diary studies; experience sampling method; ecological momentary assessment; multilevel models; participant compliance; data quality; self-report; diary; compliance; adherence; research methods, 15551
diary studies; experience sampling method; ecological momentary assessment; multilevel models; participant compliance; data quality; diary methods; daily diary research; paper vs. electronic diaries, 15573
diary studies; experience sampling method; ecological momentary assessment; multilevel models; participant compliance; data quality, 15562
effects of method; participants; disclosure rates; sensitive topics; automated telephonic data collection system, 30853
ego-centered networks; computer-assisted interviews; social networks; substance use, 24700
grounded theory; hospitality; research; tourism; data collection; data analysis; qualitative research, 18648
health care research; Britain; data collecting, 3262
health surveys; self-report; anonymous data collection; confidential data; bias, 30860
homicide; crime, 7896
JD-R model; burnout; engagement; organizational commitment; job demands; resources; model robustness; cross cultural differnces; occupational context; data collection methods, 33561
masculinities; gender; interviewing; data collection; data interpretation, 226
multi method approach; data collection; class size differences; student teacher interaction; quantitative methods; qualitative methods; classroom observations, 197
network analysis; data collection techniques; information structures; organizational communication information auditing; organization structure; psychometrics, 234
online surveys; face to face surveys; internet use; public opinion, 9491
parental reporting; youth reporting; secondhand smoke exposure; Florida Youth Cohort Study; continine levels, 10366
phenomenographic research methods; data analysis, 193
quality assessment; magnetic resonance imaging data; automated procedures; hardware performance; data quality, 3645
remote data capture; human voice; acoustical data; telephone transmission; speech; clinical trials; methods, 1861
research data sharing; confidential data protection; Institutional Review Boards issues, 18636
shopping with consumers; naturalistic text; research setting; marketing research; consumer behaviors, 6074
social construction; suicide data; New York City; nonmotor-vehicle accidents; undetermined external causes of death; suburbs; New York City Chief Medical Examiner's Office; policy changes; personnel, 34503
studies; psychopharmacological treatment; psychopathological characteristics; questions; everyday practice; data, 29665
synchronizing programs; developmental psychopathology; macro media director; stimulus, 9500
telephone methodology; survey mode; alcohol use; drug use; face to face survey; welfare recipients; data collection, 3264
Data Collection—Books
Interactive qualitative analysis: A systems method for qualitative research, 3272
Models for intensive longitudinal data, 18658
Data Pooling [See Meta Analysis]
Data Processing [See Also Word Processing]—Serials
administrative data; data quality; quality measurement; information rich environment; Canada, 5269
confusion matrix; similarity-choice model; cluster analysis; seriation; subset selection; computer software; MATLAB, 30804
fuzzy if-then rule; data mining approach; problem solving, 3224
Naturalistic University of Alberta Nonlinear Correlation Explorer; computer program; data exploration; data analysis; natural selection, 27493
psychological research; administrative data sets; mental health services research; Medicaid; Medicare; insurance; evaluation, 2446
relational analysis; interpretive process; clinical practice; mutual data generation, 32871
robustness; centrality measures; random error; computer applications; data processing; social networks, 15321
Databases—Serials
activity theory; analyzing knowledge building framework; computer databases; computer supported learning environment; community; rules; mediating artefacts; division of labour, 33415
cancer information; CancerBACUP; charity, 20778
child maltreatment; administrative databases; victims; violence; caregivers; alcohol use; substance use, 32320
computational intelligence; fuzzy pincer search algorithm; realistic visualization; databases; fuzzy association rules, 33686
computer assisted learning; foreign language learning; second language professionals; website; research repository, 11921
electronic documents; e-learning; learning techniques, 2664
emotion archetype; emotion modeling; neural networks; rapid emotional development, 12378
employees' willingness to contribute; shared electronic databases; manufacturing organization, 30521
epidemiology; nonfatal deliberate self harm; suicidal behavior; risk management; injury prevention programs; medical databases, 26011
evidence based practice; augmentative communication; alternative communication; informational databases; search terminology; strategies, 11239
example elaborations; active learning; procedure acquisition; database; instructional meterials, 24181
identifying uncertainties; treatment effects; schizophrenia treatment; treatment outcomes; Database of Uncertainties about the Effects of Treatments, 32741
information requirement elicitation; query by object interface; banking database queries; user interface; mobile commerce; web enabled mobile devices, 18387
information retrieval; font type; line length; visual search; web pages; internet, 18384
knowledge level; knowledge sharing; databases; management methods; organizational behavior, 24333
learning vector quantization; adaptive algorithms; codebook vectors; synthetic databases; real databases, 18423
Occupational Information Network; ONet; jobs classification system; Family Life Project; occupations; work characteristics; family researchers, 34547
online help; technologies; instructional texts; learning; computer devices; teaching methods, 2671
personal digital assistants; databases; complementary and alternative medicine; medical reference software; clinical applicability; standard texts; comprehensiveness; accuracy; ease of use, 14522
process driven collaboration support; interagency cooperation; crime analysis; law enforcement; collaborative efforts; modeling; work flow management; information retrieval; COPLINK, 18426
research findings characterstics; educational psychology database; teacher effectiveness; discovery learning; direct instruction, 8886
serial criminals; outlier score approach; offender incidents; data association method; linking criminal activity; incident database; serial crimes; theft, 18418
software tools; scientific hyperbooks; support collaborative learning; repository; creating; virtual reality, 3058
stigmatization; national database; mental illness; public policy; hospitalization care; ethnic group, 7581
teaching; learning; technologies; electronic documents, 2596
visualization techniques; association rules modeling; designs; data mining; databases; algorithms, 36558
Databases—Books
The search: How Google and its rivals rewrote the rules of business and transformed our culture, 12143
Date Rape [See Acquaintance Rape]
Dating (Social) [See Social Dating]
Daughters—Serials
childbearing; daughters; parents with HIV; coping skills; family, 14165

family environment; modeling; control; restrained eating; weight loss; daughters; mother preoccupation; maternal influence, 4581
family structure; help exchange; reciprocity; mother daughter relations; relationship quality, 13341
menarcheal age; mothers; daughters, 9995
mother daughter dyads; conversation about sex; Latina adolescent girls; sexual risk taking, 13208
posttraumatic stress disorder; women daughters; breast cancer; daughters; breast cancer screening, 4704
psychiatric disturbance; psychiatric disorder; relatives; mothers daughters; morbidity risk, 25754
Daughters—Books
You're wearing that?: Understanding mothers and daughters in conversation, 34594
Day Camps (Recreation) [See Summer Camps (Recreation)]
Day Care (Child) [See Child Day Care]
Day Care (Treatment) [See Partial Hospitalization]
Day Hospital [See Partial Hospitalization]
Deaf [See Also Deaf Blind]—Serials
arithmetic subtraction; nonsymbolic numerosities; deaf adults; formal mathematical performance, 17363
auditory control; voice quality; pronunciation; cochlear implant speakers; deaf, 17575
behavior; Nagers syndrome; mild mental retardation; deafness; problem behavior; prompting procedures, 16613
cochlear implantation; deaf children; health care services; ethical dimensions; social/cultural view; deaf life; controversy; culture, 14295
communication skills; socialization; deaf; cochlear implants; hearing aids, 11466
concurrent correlates; predictors; reading achievement; spelling achievement; deaf; hearing, 32699
consonance; dissonance; hearing newborns; deaf parents; hearing parents; behavioral preferences; childhood development, 10054
deaf children's understanding; other people's thought processes; social functioning; education programmes; school interventions, 26459
deaf children; British sign language; receptive skills test, 20316
deaf people; US; epidemiology, 14297
deaf preschool educator; attention strategies; deaf & hearing preschool children; interaction; child directed play, 17935
deaf signers; sign language; phonology; semantics; human development; lexical access; tip of fingers phenomenon, 11155
deaf; phonics based reading curriculum; kindergarten & first grade students; hard of hearing; beginning reading skills, 18039
deafness; avoidance behavior; self-inflicted; borderline personality disorder; identity, 32040
deafness; scientific communication; special education, 21260
deafness; self figure drawings; social anxiousness; drawing elements; deaf adults, 1842
evolution; grammatical knowledge; computer-assisted language learning system; deaf learners; English language; tutorial feedback, 33682
Galina Lazarevna Zaitseva; sign language researcher; teacher of the deaf, 17359
inclusion; think aloud protocols; software usability; deaf individuals; cognitive walkthrough; gestural protocols; sign language; product design, 20318
intelligibility; articulation; resonance; voice characteristics; cochlear implants; bilateral hearing aids; deaf children, 2180
interactive multimedia technology; instructional design; communication bridges; skill development simulations; distance learning practices; discovery learning; curriculum; deaf education, 24260
language ability; developmental language differences; executive functioning; performance; social skills; deaf children, 20370
language development; deaf children; Sign Language of the Netherlands; lexical richness; syntactic complexity; language dominance; adult child interaction, 17362
literacy; deaf education; deaf world; written language; sign language; deaf studies, 32696
literacy; deaf education; deaf world; written language; sign language; deaf studies, 32701
managing bullying; deaf; hearing disorders; educational mainstreaming, 20314
Mary Brennan; sign linguist; deaf education; British Sign Language; obituary, 14293
maternal input; theory of mind; deaf children; mothers' mental talk; child language proficiency, 23524
mental health; deaf patients; therapists; sign language interpreters, 8187
neural substrates; verbal working memory; deaf signers; parietal regions, 8186
newborn hearing screening; hearing loss; etiology; prelingual hearing loss, 23525
No Child Left Behind Act; disabilities; deaf; hard of hearing; education, 9032
numerical processing; neural correlates; deaf; American sign language; Japanese sign language; manual mode, 17364
origami math; deaf; teaching; students; general & special education; hard of hearing, 18012
reading comprehension; Dutch deaf children; word identification; students; adolescents, 23532
real words; pseudohomophones; word processing; orthographic knowledge; prelingually deafened individuals; learning strategies, 14296
sentence processing; American Sign Language; delayed first language acquisition; grammatical judgment; syntactic structures; deaf participants; grammatical stimuli; native learners; acquisition onset, 35380
signed arithmetic story problems; primary level deaf & hard of hearing students; American sign language; problem solving strategy use; problem difficulty, 18106
speech reading; reading ability; eight year old deaf children; learning to read, 17361
speech; sound visualizations; deaf; awareness; ambient sound visual displays, 32700
subitizing; magnitude representation; magnitude retrieval; deaf; hearing adults; long term memory; visual-spatial analog; mathematical difficulties, 32695
weak syllable processing; deaf children; cochlear implants; multiword utterances; prosodic foot structure; language problems; linguistic process development; peers, 26468
Deaf [See Also Deaf Blind]—Books
Teaching students with sensory disabilities: A practical guide for every teacher, 24205
Deaf Blind—Serials
communication development; congenital deafblindness; symbolism; children; communication delays; development of symbolism, 1664
progressive distancing; play schemes; communication forms; child experiences; deaf blind children; language development; representation level; modeling; cues, 4850
Deanol [See Antidepressant Drugs]
Death and Dying [See Also Euthanasia, Parental Death]—Serials
activity energy expenditure; mortality risk; daily activity; physical activity level; older adults; objective measurement, 29739
Adolescent Grief Response Inventory; adolescents; death; multidimensional aspects; loved ones; test validity; test development; test reliability, 24574
aging; respiratory tract disorders; mortality; psychological factors; self perception, 1686
AIDS-related grief; AIDS deaths; gay survivors; sexual risk behavior; bereavement experiences, 1732
alcohol related mortality; Russia; social burden; health problem, 23172
Alzheimers disease; atypical antipsychotic drugs; dementia; death risk; clinical trials, 11404
Alzheimers disease; atypical antipsychotic drugs; dementia; death risk; clinical trials, 14514
Alzheimers disease; atypical antipsychotic drugs; dementia; death risk; clinical trials, 14517
Alzheimers disease; atypical antipsychotic drugs; dementia; death risk; clinical trials, 14489
Alzheimers disease; atypical antipsychotic drugs; dementia; death risk; clinical trials, 14487
amphetamine users; opiate users; drug treatment; mortality rate; all-cause death; drug-cause death, 35032
amphetamine users; opiate users; drug treatment; mortality rate; all-cause death; drug-cause death, 35056
anorexia nervosa; autopsy; sudden death, 20121
anorexia nervosa; psychodynamic models; child psychiatrist; adolescent girl; death; pathological identifications; causation; transgenerational patterns, 10922
at risk patients; risk management; suicide; standard of care; malpractice; death; liability, 14869
bereaved persons; bereavement counseling; death; emotional states; personality traits, 10482
bereavement research; self assessed psychological morbidity; measurement; death; cancer, 22924
bereavement; widowhood; continuing bonds; meaning; positive growth; time course; grief reactions; spousal loss, 31610
cancer; coping resources; mastery; sense of coherence; mortality; cardiovascular disease; demographic characteristics; personality traits; client attitudes, 10997
causes of death; autism; life expectancy; mortality rates; mental retardation, 35126
cerebrospinal fluid; prostaglandins; cognitive decline; Alzheimers disease; survival rate, 17273
child abuse deaths; systems approach investigation, 23084
child abuse deaths; systems approach investigation, 23125
child abuse deaths; systems approach investigation, 4449
child health; research; morbidity; mortality; technology; childhood diseases; societal issues, 5173
child protective services; California; family referral; diagnosis; sudden infant death syndrome, 33096
child survival; affluence; poverty; ethics; child mortality; fieldwork experiences; Iceland; Guinea-Bissau; health care services; abnormal birth; anthropological fieldwork, 34510
Chinese cultural perspectives; health professionals; palliative care services; end of life care; death, 5262
church based social support; mortality; financial strain; late life, 22584
Cinderella effect; childhood fatalities; child abuse; infanticide; fatal injury, 19151
civil wars; combat deaths; conflict severity; democracy; ethnic violence, 16259
Clint Eastwood; spinal cord injury; disabled person; Million Dollar Baby; death; quadriplegia, 29264
cognition; mortality; study dropout; practice effects; age; cognitive decline, 31526
cognitive decline; mortality; coronary heart disease; cancer; stroke, 32512
cognitive decline; mortality; preterminal decline; terminal decline; dementia, 31529
cognitive-behavioral therapy; complicated grief; constructivism; self-narrative; cognitive-behavioral model; bereavement adaptation, 23627
cognitive-behavioral therapy; complicated grief; memory; CG symptoms; mechanisms; treatment; background variables; hypotheses; cognitive-behavioral conceptualization; model, 23624
college students; emotional responses; traumatic death events; death anxiety; death and dying, 31920
colorectal cancer screening; Maryland; mortality; physicians, 1737
community distress; subcultural orientation; mortality; life threatening diseases; later life, 31534
competence; everyday activities; prediction; cognitive risk; mortality; elderly people, 19260
complicated grief; attachment; loss; bereavement; major depression; individuals experience; traumatic loss; death, 10521
complicated grief; suicide; natural death; spouses; first-degree relatives; chronic dysfunction; risk factors, 34966
crash location; driver's residence; motor vehicle crash fatality; risk; rural areas; urban areas; counties, 24475
criminal homicide; death psychological autopsies; legal forum; defense strategies; accidental death, 18453
criminal justice; sickle cell anaemia; custody death; minority ethnic groups; African-Caribbean people; health care, 14773
critically ill patients; delirium; death wish; decisional capacity; family; staff relationships, 27111
daily life; complicated grief patients; loss; daily routine; life activities, 13557
death brokering; culturally appropriate deaths; mortality; cultural coping; coping mechanisms; dying process; medical experts; cultural need, 8816
death standards; physicians attitudes; family attitudes; brain death; legal processes, 11802
death; cognition; terminal decline; mortality-functioning link; terminal cognitive changes, 31511
death; dying; doctors; physicians; death anxiety; emotion management, 24101
death; dying; grieving; life care; understanding; personal meanings; aboriginal friends; health care settings; narratives; cultural relations, 25642
death; grief; home health worker; dying patients; home-based long term care; dying patients; systems theory, 5377
death; intellectual disability; Ireland; lifespan, 26232
death; life partner; bereavement; lesbian widows, 25540
deathbed phenomena; palliative care; death and dying; spirituality; health personnel, 23918
dementia; nursing home; memories; dying, 23429
demographic issues; psychosocial issues; dying process; aggressive treatment; end of life care; grieving process, 1894

demographic issues; psychosocial issues; dying process; aggressive treatment; end of life care; grieving process, 1933
demographic issues; psychosocial issues; dying process; aggressive treatment; end of life care; grieving process, 1885
depression scales; mortality risk; patients; acute coronary syndrome, 26355
developmental correlates; contextual correlates; elders; end of life treatment decisions, 5219
diabetes mellitus; alcohol consumption; public health; alcohol abuse; mortality rate, 32376
dignity; nursing home residents; elderly people; palliative care; dying, 35918
discretionary death; life support technologies; end of life decision making; medical practice, 5250
dog guide; retirement; death; saying good bye; visual impairment; grief, 1918
duodenal obstruction; eating disorder; patient; abdominal pain; excessive food consumption; stomach; bulimia nervosa; women, 20130
dying patient; doctors; family distress; therapeutic processes, 23852
dying person; consciousness; survival after death; higher self, 9668
dying person; consciousness; survival after death; higher self, 9669
dying; death; guardian; ad items view; Schiavos case; legal processes; health attitudes; treatment withholding, 16587
ECT risk; ECT morbidity; methodology; clincal methods; anesthesia technique, 11420
effective mental health; critical care; police departments; line of duty deaths; stress, 23870
elderly health; Latin America; Caribbean; aging; well being; early childhood conditions; adult diabetes; heart disease; mortality risks; rheumatic fever, 25395
elephants; dying; matriarch; animal behavior; family, 34022
end of life care policies; intellectual disabilities; health care needs; caregivers; quality of care, 2328
end of life decision making; computerised decision support tools; physicians; morality; medical care; professional ethics; ICU, 23939
end of life issues; disability policy; physician assisted suicide; caregiving; decision making, 1295
evaluation of dead people; time; living persons; perceivers impression; targets morality; posthumous impression; inconsistent information, 7444
faith; destructiveness; dreams; psychic life; annihilated self, 16594
family; grief; ambiguous loss; family counseling; physical experiences; psychological experiences, 34727
fathers; grief; death of a child; physical reactions; social reactions; behavioral reactions, 25639
funeral practices; modern Western countries; corpses; cultural factors; funeral organization; mortuary variation, 3953
funeral rituals; memorial rituals; heartache; preaching; transformative power, 11160
Grief Intervention approaches; Neonatal Death; grief intervention models; family grief reactions; mourning; social work practice, 2199
grief ministry; death; Korea; cultural differences; funeral narratives; United States, 25470
group membership; ingroup members; mortality salience, 13470
hallucinations; cognitive decline; death; Alzheimers disease, 20304
happiness; death distress; gender differences; death depression; emotional states; personality traits, 10473
heart disease; African American women; mortality rates; community health workers; risk factors, 23385
holistic home hospice; dying parent; family hermeneutic exemplar; caregivers, 5358
home death; caregivers' experiences; terminally ill loved one; death experiences; primary caregivers; home based care, 8610
hurricanes; physical health; mental health; deaths; injuries; diseases; Katrina; mortality; psychological distress, 27485
hypnosis; fears; death; pathology; hypnotic desensitization; obsession; hypnotherapy, 29726
hypnosis; fears; death; pathology; hypnotic desensitization; obsession; hypnotherapy, 29727
hypnosis; fears; death; pathology; hypnotic desensitization; obsession; hypnotherapy, 29718
ictal bradyarrhythmia; ictal asystole; sudden unexpected death; epilepsy; human brain; risk factor; apnea, 32650
ill parent; surviving parent; dying; internal experience; family, 4652
imminent death; autonomy; pediatric intensive care; ethics; terminally ill patients, 14887
impact; creativity; openness to experience; exploration; mortality salience; cultural value, 28559
income differences; cardiovascular disease; mortality outcomes; working conditions; living conditions; prevalence, 17255
interdisciplinary communication; brain death examination; sudden traumatic death; communication; clinician support; child; emotional support, 26769
interpersonal violence; homicide; Puerto Rico; young adults; children, 32399
intrinsic versus extrinsic religiousness; terror management theory; mortality salience; worldview defense; terrorist attacks, 31881
ivory billed woodpecker; crisis; annihilating; nurturing; interpersonal relationships; extinct; ecosystems; phenomenology; mutual intimacy; Buddhism, 27484
language proficiency; acculturation; income; education; Hispanics; alcohol-related fatal motor vehicle crashes; Fatality Analysis Reporting System (FARS), 30609
learning disabilities; physiological responses; death and dying; bereavement; death concept; emotional responses; behavioural responses, 14652
learning disabilities; physiological responses; death and dying; bereavement; death concept; emotional responses; behavioural responses, 2273
Liberal Quaker; death and dying; death attitudes; peace; war, 31588
life and death medical decisions; health care decision making; personal expectations; counterfactual thinking; social perception; self referent norms, 19579
lifetime reproductive success; male bushcrickets; parasitism; phonotactic fly; mortality, 22055
liver disease; morbidity; mortality; consultation liaison psychiatrist; neuropsychiatric symptoms; psychiatric issues, 20751
long term care placement; Alzheimer's Disease; family caregivers; survival, 33116
long term care; death and dying; rural healthcare environments; knowledge level; end-of-life care; nurses; nurses' aides, 30090
male feminist; Hammed Shahidian; women's rights; obituary; in memoriam, 5490
management of dead bodies; psychosocial interventions; tsunami; mental health services; community level, 29911
material factors; behavioral factors; psychosocial factors; educational inequalities; mortality; risk factors, 3951
material factors; behavioral factors; psychosocial factors; educational inequalities; mortality; risk factors, 3915
maternity care clinicians; community health; fetal demise; pregnant woman, 8794
mathematical models; fatal crashes; belted drivers; mortality; selective recruitment, 9474
mental disorder; death; parents; family members; accidents, 25821
Metropolis; George Ehrenfried Grosz; military service; artist's revulsion; war; humanity; death; Nazism; syphilis; alcoholism; plague; World War I, 31311
Mexican American; grief; family; death of a child; qualitative; family bereavement experiences; cultural implications, 19617
military service; mortality; health dynamics; retirement study; life course; continuity; oldest old, 9171
mortality rates; unintentional injury; death and dying, 32961
mortality salience; creative behavior; assimilation needs; problem solving; guilt, 1204
mortality salience; Iranian college students; military interventions; martyrdom attacks, 16269
mortality salience; thin physique; restricted eating; terror management theory, 1222
mortality; African Americans; deaths; seasonality, 25423
mortality; health conditions; disabilities; intellectual disabilities, 7913
mortality; mental illness, 7580
mortality; oldest old; customary activities; social customacy activities; solitary customary activities, 16236
mortality; partners; myocardial infarction; predefined diseases; patients, 11035
muscle power; movement speed; reaction time; all cause mortality predictors; men, 4279
music thanatology; prescriptive harp music; palliative care; dying patient, 35658
near death experiences; medical students; medical education; curriculum; death; group discussion; professionalism, 11764
near death phenomena; visual experiences; auditory experiences; parapsychological phenomena, 24881
near death phenomena; visual experiences; auditory experiences; stress; parapsychology, 24887
neighborhood ecology; drug dependence; mortality; public health; disadvantaged; poverty, 32346
neurodegenerative life threatening illness; dying children; navigating strategies; uncharted territory; families, 5374
neuropsychological disorders; rats; clinical death; innate behavior; learning impairment; pain sensitivity; cerebral integration function; encephalopaty, 6753
nonspousal family loss; community dwelling older adults; widowed persons; mental health; older bereaved spouses, 7121
older widowers; decision to live; mortality, 3881
opioid related fatal overdoses; Massachusetts; injury mortality; heroin, 35040
overprotection phenomenon; end stage dementia patients; family members, 11043
overweight; mortality; baby boomers; body mass; obesity; aging; risk factors, 35710
palliative care; end of life care; serious and persistent mentally ill; psychiatric nurse practitioner; barriers, 2225
parent guidance intervention; sudden death; bereaved adolescents; communication skills; siblings, 17493
parents; narratives; rich imagery; grief, 25666
past grief; spousal bereavement; current grief; memory; affective state; death, 21984
patient deaths; grief; anticipated loss; unanticipated loss; mourning; social workers; nurses; physicians; caregivers, 16578
permanency planning process; planning barriers; older surrogate parents; HIV; caregivers; grandparents; death, 2231
Prader-Willi syndrome; mortality; mortality rate; intellectual functioning, 23206
prescription errors; psychiatry; morbidity; mortality; decision making, 26535
presidential election; voting intentions; mortality; George W. Bush; death; terror management, 7287
prevalence; incidence; schizophrenia; Spain; disease model; mortality; risk factors, 34881
progressive supranuclear palsy; co morbid conditions; death seasonality; respiratory infections, 11100
psychiatrists; colleague death; psychotherapeutic processes; professional standards, 21059
psychic states; death; mourning; Charles Dickens; Our Mutual Friend, 691
psychological autopsy; undetermined deaths; litigation; assessment techniques, 33709
psychological coping strategies; religious coping strategies; bereaved mothers; sudden infant death, 4205
public health initiatives; immigrant mothers; children; infant mortality; sanitation improvement, 35763
reduced life expectancy; occupational injuries; occupational accidents; permanent disability; mortality, 32529
resilience; misfortune; mortality; sense of coherence; social stress; adaptive capacity, 31927
schizophrenia patients; clozapine therapy; morbidity; mortality; lorazepam, 19842
schizophrenic patients; Bali; mortality; developing countries, 19847
search for mearning; death; grief, 31866
self regulation; mortality salience; death anxiety; thought suppression; terror management; self control depletion; fear of dying, 28643
sense making; grief; violent loss; death; symptomatology; bereavement; accident; homicide; suicide; mediational model, 25651
sex differences; mortality; traumatic brain injury; Colorado, 20259
sibling loss; attachment style; coping style; repressive defensiveness; relational difficulties; death; coping reactions; traumatic impact, 16522
smoking effects; alcohol consumption; mortality risk; Canadian women, 10367
social environment; mortality; serious illness; urban community; Medicare; elderly patients; social networks, 2299
spiral repetition; generative life cycle model; ecology; life story; life and death; time concept, 25202
spiral repetition; generative life cycle model; ecology; life story; life and death; time concept, 25234

spiral repetition; generative life cycle model; ecology; life story; life and death; time concept, 25235
spirituality; death; mental health professionals; psychotherapy; clients; perceptions; family therapy, 29448
stress; sudden death; epilepsy; cardiac abnormalities, 35315
structured exercise program; serious mental illness; comorbidity; premature death; certified clubhouse, 7591
suicide prevention; suicidal behavior; social political factors; psychiatric problems; Transkei; South Africa; stress; community; suicide; rural peoples; mortality; crime; urban dwellers, 19979
suicide; appropriate death; rational death, 28612
suicide; appropriate death; rational death, 28617
suicide; appropriate death; rational death, 28618
suicide; appropriate death; rational death, 28619
suicide; major Western countries; September 11th 2001; defense; mortality; mental disorder; homicide; road deaths; government policy, 35007
suicide; mortality; intelligence; social ecology; Austria; smart, 26071
suicide; peacekeepers; risk factors; accidental death; veterans, 35020
suicide; Thailand; mortality, 13905
super-ESP; death; afterlife, 24886
supernatural agents; beliefs; mortality salience; death awareness, 16565
systemic disease; opioid toxicity; death, 31984
teaching; decision making; end of life care; death, 1908
terminal decline; cognition; death; multilevel modeling; predictors of mortality, 31510
terminal illness; eventual death; terminal cancer; psychological responses; Koreans, 32586
terminally ill cancer patients; home environment; Dutch; place of death, 32590
terror management theory; legal decisions; bias; jury decision making; mortality salience; social influences of terrorist attacks, 3090
terror management; meaning; modern art; aesthetic judgments; need for structure; mortality salience; reality, 25676
Theresa Marie Schiavo; peace; death studies; family members; arguments; treatment compliance, 16497
unexpected child loss; family practices; healing; interpretive study; phenomenological study; bereaved families; bereavement; family members, 22665
unexploded ordnance; landmines; Chechnya; epidemiology; injuries; deaths; armed conflict, 31538
violent deaths; epidemiolgy; government; child victims; adolescent victims, 22424
violent deaths; violence-prevention programs; National Violent Death Reporting System; homicide; suicide, 32226
vulnerability to disease; beliefs; Chinese Americans; traditional Chinese medicine; Chinese astrology; mortality; psychological stress, 10993
widowhood; race; mortality; health effects; elderly couples, 34446
work related injuries; working conditions; death and dying, 33592

Death and Dying [See Also Euthanasia, Parental Death]—Books

The beggar IV: Die before dying, 3985
Children also grieve: Talking about death and healing, 19156
Death door: Modern dying and the ways we grieve, 19325
Dying declarations: Notes from a hospice volunteer, 11562
Excited delirium syndrome: Cause of death and prevention, 13658
Extinction: How life on Earth nearly ended 250 million years ago, 18485
Is it too late?: Key papers on psychoanalysis and ageing, 32878
Life and death in Freud and Heidegger, 16591
Life and death in intensive care, 5404
Mortal minds: The biology of near-death experiences, 3815
On our way: The final passage through life and death, 3958
Psychosocial issues near the end of life: A resource for professional care providers, 8563
Without you: Children and Young People Growing Up with Loss and its Effects., 865

Death and Dying [See Also Euthanasia, Parental Death]—Chapters

Death and the mid-life crisis, 31386
The final stage of the dying process, 32882

Death Anxiety—Serials

ambivalence; death; neuroticism; physical sensation; terror management theory; human body reactions, 31868
college students; emotional responses; traumatic death events; death anxiety; death and dying, 31920
death anxiety; death acceptance; religion; Episcopal church; religiosity, 7177
death anxiety; funeral directors; gender difference; ethnicity; intrinsic religiosity; spirituality; self actualization, 4885
death distress; undergraduate nursing students; religiosity; death anxiety, 19603
death; dying; doctors; physicians; death anxiety; emotion management, 24101
gender; physical attraction; sexism; sexuality, terror management theory; mortality; corporeality; mortality concerns; male sexual allure; sexual ambivalence; awareness, 10500
life regrets; death attitudes; college students, 10532
self regulation; mortality salience; death anxiety; thought suppression; terror management; self control depletion; fear of dying, 28643
Spanish nurses; death anxiety; death depression; inventories; test validity, 6291
terror management; meaning; modern art; aesthetic judgments; need for structure; mortality salience; reality, 25676
Western countries; Arab countries; death attitudes; death obsession, 7476

Death Anxiety—Chapters

Fear of death–notes on the analysis of an old man, 32885

Death Attitudes—Serials

belief in life after death; psychiatric symptomology; death attitudes; mental disorders, 32064
children's attitudes; death; cognitive development; emotional development; psychodynamics; understanding; conceptualization, 28352
children's understanding; death; research; Piaget; folk theory of biology; developmental psychology; psychoanalytic theory; biological knowledge; practitioners, 6970
content analysis; free response narratives; death attitudes; personal meanings; concept development, 16217
death anxiety; death acceptance; religion; Episcopal church; religiosity, 7177
death brokering; culturally appropriate deaths; mortality; cultural coping; coping mechanisms; dying process; medical experts; cultural need, 8816
death obsession; Palestinians; high internal consistency; war conditions, 16240
death; dying; grieving; life care; understanding; personal meanings; aboriginal friends; health care settings; narratives; cultural relations, 25642
death; unconsciousness; brain, 10501
dignity; nursing home residents; elderly people; palliative care; dying, 35918
euthanasia; death attitudes; patients autonomy; doctors authority; scale measurement, 9388
fathers; grief; death of a child; physical reactions; social reactions; behavioral reactions, 25639
foreign correspondent; John Hills; sociological phenomenon; heroic self-sacrifice; young males; terrorism; recognition; cross-cultural, 7133
group membership; ingroup members; mortality salience, 13470
Heideggerian existentialism; social work practice; death; bereavement issues, 31321
hospice patients; healthy older adults; death anxiety; death attitudes; subjective well being; religious participation; religiosity; spirituality, 14713
interpersonal factors; marital and caregiving variables; hastened death; late stage cancer patients; caregivers, 17237
intrinsic versus extrinsic religiousness; terror management theory; mortality salience; worldview defense; terrorist attacks, 31881
Liberal Quaker; death and dying; death attitudes; peace; war, 31588
life regrets; death attitudes; college students, 10532
military service motivation; terror management theory; death salience; mortality salience; self esteem; hardship anticipation, 33615
near death experiences; coping behavior; stress; death attitudes, 24884
personal beliefs; death attitudes; materialism; personal insecurity, 13523
personal essay; mother child relations; family relations; Alzheimers disease; anger; stress; death attitudes; social discrimination, 16625
personal story; life support; decision making; treatment withholding; brain injury; death attitudes, 16498
physical symptoms; psychological distress; death desire; terminally ill cancer patients, 26351
Spanish nurses; death anxiety; death depression; inventories; test validity, 6291
supernatural agents; beliefs; mortality salience; death awareness, 16565
terminally ill cancer patients; home environment; Dutch; place of death, 32590
terror management theory; close relationships seeking; self esteem; attachment styles; death attitudes, 19538
terror management; violent resistance; disengagement plan; real life political crises, 19296

Death Instinct—Serials

death drive; Freud; repetition compulsion, 19684
death instinct; emotional trauma; envy; revenge, 22859
death instinct; emotional trauma; envy; revenge, 31945

Death Penalty [See Capital Punishment]

Death Rate [See Mortality Rate]

Death Rites—Serials

death anxiety; funeral directors; gender difference; ethnicity; intrinsic religiosity; spirituality; self actualization, 4885
funeral practices; modern Western countries; corpses; cultural factors; funeral organization; mortuary variation, 3953
funeral rituals; memorial rituals; heartache; preaching; transformative power, 11160
grief ministry; death; Korea; cultural differences; funeral narratives; United States, 25470

Debates—Serials

7th Global Conference on Evil and Human Wickedness; evil; wickedness; conference reflections; scientific communication; philosophical debate, 31331
antilogos ability; cognitive development; social development; age differences; argument evaluation, 10044
classroom debates; teams; history; systems course; learning; psychological ideas, 27165
cochlear implantation; deaf children; health care services; ethical dimensions; social/cultural view; deaf life; controversy; culture, 14295
cognitive models; metaphorical components; moral system; political system; conceptual metaphors; candidates; debates, 712
communication synchronicity; communication civility; online political discussions; computer mediated communications; political perception; participation intention, 3738
conference; ethical aspects; health care students; genetics; debate, 11714
Contra Pfizer; antidepressants; suicidality; pharmaceutical company; debate handling, 14490
conversational partners; receptive listening; compromise condition; debate condition; response latency, 7524
debate; critique; scholarly writing; psychiatric and mental health nursing, 24044
journalism; debate; intelligent design; newspapers; media coverage, 19117
misperceptions; intergroup conflict; social conflicts; abortion debates; politics debates, 10398
normative influences; informational influences; online political discussions; group interaction; individual opinions; George W Bush; Al Gore, 22763
optimal choice; quality; hotel services; tourist destinations; debate, 36528
palliative care research; public health literature; equity based evidence; debates, 23544
pedagogical practice; competitive debating; writers; philosophers; educational technique, 34671
point counterpoint series; pharmacokinetics; drug drug interactions; antidepressants; drug therapy, 35622
psychiatry; knowledge; power; depression treatment; Osheroff debate, 26478
psychiatry; knowledge; power; depression treatment; Osheroff debate, 26493
psychiatry; knowledge; power; depression treatment; Osheroff debate, 8253
racial health disparities; mixed race; race ideology; etiology; genetic factors; debates; social factors, 3998
recapturing; liberal traditions; university education; field course teaching; debates; curriculum development; personality traits, 24189
sexual politics; psychology; debates; sexuality; psychologists, 22613
somatoform disorders; DSM V; conceptual issues; political issues; debate, 32550
telemedicine; telecare; citizens panel perspective, 5255
televised debates; postdebate opinions; rhetorical strategies; audience reactions; political predispositions, 6938

television forum genre; politics; negotiation; France; multimodal analysis; communication; talk show; political debate, 22392
The Great Debate; history; biobehavioral medicine, 20955
The Great Debate; history; biobehavioral medicine, 36025
The Great Debate; history; biobehavioral medicine, 36041
Debates—Books
Religion & sexuality: Passionate debates, 28415
Debriefing (Psychological)—Serials
alliance development; positive emotion; clients therapists relations; relationship development, 35483
critical incident stress debriefing; law enforcement; legal administrative issues, 35808
early psychological intervention; road traffic accidents; child trauma victims; treatment effectiveness; debriefing; psychological distress, 23618
emotional freedom techniques; safe treatment intervention; trauma treatment; debriefing procedures, 11275
Debt [See Financial Strain]
Decarboxylases—Serials
anxiety; cognition; histidine decarboxylase deficient; brain function; female mice; water maze performance, 13003
glutamic acid decarboxylase; neuropathic pain; gene transfer; dorsal root ganglion; rat model, 3495
Decentralization—Serials
decentralisation; Ghana; district assembly responsiveness; community needs, 22640
immigrant labor; Los Angeles janitorial industry; social networks; labor exploitation; restructuring strategies; social capital, 10247
multilevel organizational search; firm performance; decentralization; innovation; organizational behavior, 36497
professional development; teachers' perceptions; teaching practice; educational decentralization; deskilling; reskilling; China, 17999
Deception [See Also Cheating, Faking, Fraud, Malingering]—Serials
advertisements; memory distortion; informational function; misleading information; advertising; product evaluation, 6100
aggressive responses; betrayal; relationship quality; victims; sex differences; aggressive behavior; friendship; romantic relationships, 16454
cognition; learning; deception; black lemurs; Eulemur macaco, 18906
collapse illusion; truthteller type propositions; liar type propositions; truth; paradox; semantic-pragmatic illusion, 30980
collapse illusion; truthteller type propositions; liar type propositions; truth; paradox; semantic-pragmatic illusion, 33963
cultural values; plagiarist practices; overseas students; academic achievement; postgraduate management education; overseas students, 8994
deception behavior; dyads; triads; group decision making; synchronous computer mediated communication, 16479
deception research; laboratory procedures; children; anger; aggression; ethical guidelines; antisocial behavior, 6397
deception; disavowal; moral hypocrisy; integrity; superego; immoral actions; impulse strength; narcissism; intention; moral disengagement; psychotherapeutic processes, 28711
deception; information concealment; competition; Pan troglodytes; visual perspective; auditory perception; chimpanzees, 18893
deception; physical aggression; relational aggression; early childhood; lying; moral behavior, 16201
deception; self report; workers compensation; personality testing; coaching; malingering groups, 4879
deception; stereotypes; liars, 7430
deceptive behavior; disliking people; lying; deception; perception; likability, 13472
deceptive verbal communication; temporal changes; sequencing effects; linguistics; language; interpersonal communication, 19483
deflecting threat; self image; personal information; self presentation strategy; self esteem; dissembling, 7547
ethical practices; social value; deception research; children, 6382
executive functioning; preschoolers understanding; false beliefs; false photographs; false signs; mind development, 28258
factitial patients; health care; Munchausen syndrome; feigning; symptoms, 22939
false confessions; plausibility; consequences, 15364
finger pulse waveform length; concealed information detection; respiration changes; skin conductance responses, 28022
hand movements; deception; hand gestures; suspicion; truth; lie, 31738
hermit crabs; shell fighting; signal residuals; agonistic contests; bluffing; fighting ability, 24916
impressions; truth; exaggeration; lies; honesty; friends, 28588
interviewing to detect deception; behavioral adaptation effect; overshadowing effect; interviewing styles, 10422
lying; dementia; ethical guidelines; health care, 36128
lying; falsely implicating; truth; speech acts, 6912
Malaysian students; American students; student attitudes; research ethics; deception; privacy; confidentiality, 21207
nonverbal behavior; cues to deception; police interrogations; truth tellers; liars' strategies; mock interviewees, 12402
occupational disability; preinjury work longevity; vocational disability; psychosocial dynamics, 24416
online deception; prevalence; motivation; emotion; moral standards, 16002
paraverbal indicators; moderator variables; size effect; speech behaviors; deception; pitch; response latency; speech errors, 25176
pathological lying; forensic psychiatrists; legal context; lying behavior, 26000
pathological lying; forensic psychiatrists; lying behavior, 26018
police officers; generalized communicative suspicion; deceptive statements; judgment; investigator bias effect, 6209
prefrontal cortex; anterior cingulate cortex; deception; brain activation; regional cerebral blood flow; pretending not to know; pretending to know, 15936
professional lie catchers; personality dimensions; deception detection; individual differences, 22785
pseudologia fantastica; pathological lying; false accusation; deception; diagnosis, 28960
psychopathic traits; deception; self report assessment; induced faking, 32211
psychophysiological measures; vocal measures; guilty knowledge; criminals; test validity, 18504
sexual harassment; investigation; false allegations; deception, 24516
social comparison theory; deception; interpersonal exchange; consumption information; consumers behavior; self threat; consumers attitudes, 30551
social suggestibility; social influences; misleading suggestions; central misinformation; peripheral misinformation, 22738
structural behavioral analysis; genuine rape allegations; simulated rape allegations; deception, 24512
suspect personality; police interrogations; false confessions; authoritarianism; individual differences; locus of control; interaction anxiousness; fear of negative evaluation, 13534
training; warning; computer mediated communication; deception; detection; media; information systems management, 30452
web lying; input modification; web based applications; knowledge base modification; expert systems; sequential information; input distortion, 15326
web-based training; foster parents; adoptive parents; kinship parents; behavior problems; technology; social skills; etiology; education program; multimedia formats; lying; sexualized behavior, 34589
white matter; gray matter; pathological liars; prefrontal cortex, 26039
white matter; gray matter; pathological liars; prefrontal cortex, 26077
white matter; gray matter; pathological liars; prefrontal cortex, 32242
white matter; gray matter; pathological liars; prefrontal cortex, 32321
Deception [See Also Cheating, Faking, Fraud, Malingering]—Chapters
Smiles When Lying, 7458
Decision Making [See Also Choice Behavior, Group Decision Making, Management Decision Making]—Serials
accident analysis; risk-based highway planning; decision-making; transportation, 33665
accreditation; strategic decision making; adaptation; business schools; professional competence, 36249
action-based learning; goals; attention; market knowledge acquisition; costs; benefits; decision making; transfer of learning, 27469
adolescent attitudes; decision-making; unplanned pregnancy; sexual partner; adolescent males, 34390
advance care planning; program characteristics; patient characteristics; managed care programs; frail elders, 5282
adverse impact; personnel selection; estimation procedure; quality selected workforce; prediction; mean criterion performance; multistage selection decisions; selection processes, 24310
advisor confidence; acceptance of expert advice; judge advisor system; social decision making; trust; money allocation, 4189
African American men; communication; stuttering; meaning; identity; life choices, 32502
Americans with Disabilities Act; decision tree; social services administrators; claims validity, 6176
animal decision making; neural basis; monkeys; animal behavior; reinforcement learning; competition; behavioral economics, 3464
applied sport psychologists; decision making; professional judgment; intention for impact, 2940
approval voting; election outcomes; parochialism, 4030
attachment; risks; brain injury; decision making; children; physical abuse; safety; clinicians; welfare; well being; courts, 26038
attributions about consensus; stereotypes; communication; popular opinion; consensus; deviant decision making; authoritative commands, 1103
auto theft; illusion of normalcy; criminal; decision making process; risks factor, 35063
autologous blood pre-donation; cardiac surgery; decision aid; open heart surgery; decision making, 26757
awareness discounting matrix; awareness action sequence; task oriented functions; option oriented functions; educational setting; commercial setting; information technology; education, 26518
Baroness Ashton; learning disabilities; consultation exercise; decision making; Mental Capacity Act, 12387
base rate neglect; pigeons training; informative case cues; animal behavior, 6653
behavioral approach; portfolio formation; portfolio performance; subjective forecasts; probabilistic forecasts; real time basis; standard time series modeling; stock market, 12127
behavioral decision making; individual differences; punishment; reward; impulsivity; decision making styles; gambling task, 362
behavioral economics; dual process; inferential correction & adjustment; decision making in sports gambling; overconfidence; intuition; intuitive bias, 27882
better analysis; better decisions; pharmacoeconomics; decision making; cost effective design, 34208
biased memory; decision making; behavior knowledge; outcome knowledge; cues, 12780
bibliometrics; data mining; decision making; citation analysis, 6381
bibliometrics; social work; citation analysis; health care; decision making; hiring; reappointment; tenure; promotion decision; faculty; scholarship, 8584
bibliometrics; social work; citation analysis; health care; decision making; hiring; reappointment; tenure; promotion decision; faculty; scholarship, 8590
brain activity; dominant strategy; mixed strategy games; decision problems; event related potential, 22227
breaching of confidentiality, decision-making, frequently asked questions, professional ethics, professional organizations; psychologists; ethical dilemmas, 33300
breast cancer; treatment options; treatment decision making; patient preferences; cancer patients experience, 1739
business ethics; stakeholder analysis; shareholders; decision making; corporate social responsibility, 6007
caesarean decision making; childbirth; ritual; tradition; health workers; zuoyuezi; China; mothers, 22681
Canadian census; machine learning; bilingualism; decision tree; theories revision; confidence intervals, 24491
capacity to appoint a proxy; concurrent proxy directives; decision making; research consent context; neurodegenerative disorders, 35371
capacity to appoint a proxy; concurrent proxy directives; decision making; research consent context; neurodegenerative disorders, 35309
career assessment; native Americans; role salience; self efficacy; decision making; occupational interests, 12019

career decision making system; occupational status; gender differences; interest inventories, 15132
career decision making; self efficacy; vocational identity; career exploration behavior; African Americans; high school students; social cognition, 33491
career decision states; career maturity; decision-making self-efficacy; barriers; self-esteem; life satisfaction; coping; school achievement; paid work experience; gender differences; adolescents, 7044
career development course; career decision-making; self-efficacy; undecided university students, 21298
career development stages; image norms; developmental tasks; careers researchers; career decisions, 30461
career indecision; career decision making; self-efficacy; social cognition, 33487
career indecision; developmental indecision; chronic indecision; self-efficacy; autonomy; self determination, 19222
career indecision; racial and ethnic groups; college women; career related barrier; social support perceptions; coping beliefs; career decision-making; self-efficacy, 33495
casuistry; ethical principles; ethical decisions; ethical dilemmas; real life situations; moral principles, 14879
catecholamine; rats; anterior cingulate cortex; cost benefit; dopamine; reward magnitude; decision making; effort, 9820
charity; decision making; household economy; financial behavior; household financial management, 4113
child abuse reporting; elementary school counselors; decision making, 5857
child abuse; child protection; state intervention; social workers views; decision making; emotional abuse; sexual violence, 23100
child concern; social workers; child protection; decision making; parents, 24113
child protection workers; decision making; child welfare; emergency situations; gender; demographic and personality variables, 35877
child protective services; social service workers; decision accountability; professional identity; working women, 2319
childhood immunizations; decision making; decision aid; adverse effects; vaccine safety, 5203
children participation; decision making; indigenous population; New Zealand children; care, 35846
Chinese Australian women; mammographic decisions; breast cancer screening services; breast cancer; BreastScreen, 11023
choice; decision making; delayed rewards; temporal discounting; rewards; money, 366
chronic insomnia; cognitive behavior therapy; client treatment matching; comorbidity; decision to treat algorithm; contraindications, 11326
classroom segregation; Schelling model; collective choice; decision making; social processes; individual preferences; strategic reasoning; classroom seating, 15062
client autonomy facilitation; genetic counseling; nondirective counseling; informed autonomous decision making; professional ethics, 5177
client's perspective; health; young adult males; decision making, 5114
clinical decision making; psychopathy; violence risk assessment; public sector; mental health settings, 4874
clinical judgment; decision making; Mental Health Act; Mental Health Review Board; least restrictive treatment, 18445
clinical judgment; mental health professionals; individual psychotherapy; decision making process; evidence based practice; referral; children; adolescents, 14380
clinical judgment; psychological assessment; decision making processes; computer based test, 14798
clinical reasoning process; cognitive neuropsychological models; aphasia rehabilitation; gesture; language, 29983
clinical trials; evidence based practice; behavioral medicine; decision making; health care psychology; policy making, 17564
cognition; gestalt; smoking behavior; college students; feature intensive processing; decision efficacy, 7368
cognitive models; decision-making deficits; neuropsychological disorders; relation mapping, 11135
cognitive processes; lottery; sports gambling; decision making; risk; uncertainty; probability, 15686
cognitive processes; sleep deprivation; time pressure; cadets; rescue operations; military ranger training, 2981
college women; personal goals; cognitive dimensions; sexual decisions; sexual behaviors; risk reduction, 31696
common pool resources; payoff structure; decision making; behavioral consequences, 34661
community decision making; tourism; community involvement; community development, 24425
competitive athletes return; sport; serious injury; decision making processes, 18336
competitive positioning; marketing resources; positioning decisions; business decision making, 12311
complex emotion; learning; amnesia; decision making; episodic memory systems; frontal lobe lesion, 14278
computational model; robust preference; decision theories; decision making, 3378
confidence accuracy; decision latency accuracy; children's eyewitness identification, 6180
confidence development; performance development; skill learning; categorical decision tasks, 359
Construal Levels; self-control; decision making; situational factors; self-regulation; mental construal; preference reversals, 16535
consumer decision making styles; mall shopping behavior; building theory; exploratory data analysis; retailing strategies, 33631
consumer expectations; decision making; consumer experiences, 6080
consumers quality; decision making; ecommerce environment; technological power; Internet; consumer satisfaction; consumer behavior, 18376
context effects; attribute balance; choice alternatives; extremeness aversion; trade off contrast; decision processes; consumer behavior, 2994
conversational repetition tracking; target monitoring ability; information exchanges; personal information; cognitive abililty, 12708
cost effectiveness; neonatal respiratory distress; exogenous surfactant; newborn care; premature birth; economic decision making, 17580
crew collaboration; spaceflight; stress; job performance; working conditions; decision making, 2935
crime analysis; spatial analysis; point processes; preference specification; latent decision makers; criminal event prediction; point processes, 18466
cross cultural boundary dilemmas; graded risk assessment; decision making process; clinician patient relationship; psychotherapy; professional ethics, 30156
cultural chameleons; bicultural consumers; conformity motives; decision making; loss avoidance; language manipulation; bilingual Chinese persons; choice problems; English language, 9186
cultural change; Dallas independent school district; racial ethnic conflict; decision making; public education, 33349
cultural modeling; decision making; environmental management; mental models, 3042
cumulative prospect theory; power s-shaped value function; reference dependence utility; loss aversion; probability distortion; decision maker; risk seeking; mixed sign lotteries, 21780
cynical use; marketing practices; unwitting consumer; unethical nature; consumer attitudes, 6094
data mining approach; factors; eligibility decision making; severity of disability; race; vocational rehabilitation services; vocational rehabilitation process, 5437
debiasing insights; behavioral decision theory; decision making; researchers; environment, 27847
decision based neural networks; computational burden; local competition; learning algorithms, 18429
decision biases; intertemporal choice; uncertainty; psychophysical properties; risky choice, 30971
decision biases; semantic priming; semantic categorization, 18777
decision criteria; word recognition; delay, 22017
decision difficulty; procedural accountability; outcome accountability; consumer decisions, 12306
decision formation; judgment; neural circuitry; visual saccade decision circuit; decision mechanism, 3601
decision making; affect; judgment, 21948
decision making; basal ganglia; dopamine; orbitofrontal cortex; neural network; reinforcement learning, 18970
decision making; choice; emotion; affect; judgment, 22041
decision making; cognition; anger; judgment; negative emotions; Appraisal Tendency Framework, 21939
decision making; consumers focus; information search behavior; preference construction, 18374
decision making; cooperative knowledge based system, 13471
decision making; design project; knowledge level, 15203
decision making; ecological rationality; fast & frugal heuristics; memory; recognition; retrieval primacy; probabilistic inference; cues, 31003
decision making; family discussions; organ donation; motivated information management, 25576
decision making; genetic testing; Huntington disease; breast cancer; autosomal dominant disorders; motivational factors, 10377
decision making; high velocity environments; managerial knowledge; heuristic reasoning; guiding principle; organizations, 5961
decision making; hiring; reappointment; tenure; promotion decisions; scholarship; educational programs; faculty; peer-reviewed journal articles, 8867
decision making; impulsivity; individual differences; cognitive models; reinforcement learning; cues; adolescents; go/no-go discrimination task, 31383
decision making; information seeking; psychiatric patients; community mental health team patients, 26893
decision making; informed consent; neuroethics; neuropsychiatry; psychological processes; neuronal correlates; neuroscience, 14883
decision making; knowledge based systems, 13444
decision making; mental health interventions; patient participation, 20801
decision making; motivation; career search behaviors; self regulation; gender differences, 27250
decision making; nursing home residents; physicians; hospitalization; nurses; quality of life; advance directives, 35917
decision making; predictive genetic testing; professional advice; adult onset disease, 33011
decision making; real life decision; college major; performance measure; individual difference; planning proclivity; cognitive measures, 31864
decision making; regret; mild depression, 1372
decision making; response time; models; stochastic differential equations; Monte Carlo method; Euler's method; simulation methods; accuracy; matrix method; Diederich & Busemeyer; time step sizes, 21740
decision making; risk behaviors; counseling intervention; ovarian cancer; high risk women; genetic counseling, 2203
decision making; semantic categorization; lexical decision; word identification; reading; visual word recognition; Bayes; computational modeling, 18794
decision making; simple heuristics; bounded rationality; routine; strategy selection, 24788
decision making; testosterone biosynthesis; psychosexual development; hydroxysteroid-dehydrogenase; disorders of sex development; gender identity, 32532
decision making; uncertainty; probabilistic decision modelling; health care, 35834
decision structure; deliberation; human memory; group processes; full reception; coherence, 22762
Decision-Making Collaboration Scale; convergent validity; decision making; cognitive flexibility; cognitive communication competence; psychometrics, 27596
decision-making process; decisional tasks; longitudinal; indecisiveness; career choice anxiety; high school students, 36336
decision-related distress; optimism; threat appraisal; prostate cancer; disposition; predictor; support seeking; cognitive avoidance; physical treatment; side effects, 17240
decision-theoretic planning; autonomous agents; algorithms; rational decision making, 21534
decision; consumer choice; assortments; research; preferences, 30553
decision; experience; happiness; well being, 21930
decision; uncertainty; neurotransmitters; neuromodulatory, 9796
decisional balance; exercise; Mexican American women; Decisional Balance Scale; aging, 9344
decisional balance; temptations; measurement; adolescent smokers; test reliability; test development; test validity; psychometrics; transtheoretical model, 12454
decisional capacity; mental illness; substance use disorders; health policy recommendations, 34831
decisional capacity; treatment adherence; leverage usage, 26883
decisional role stability; cancer therapy; patient preferences, 26759
decisions; mood; thinking; laughing; choices, 21910
decisions; student affairs; graduate students; masters degree programs, 36352
delay discounting; impulsiveness; working memory; decision making; memory load, 15716

delay discounting; impulsiveness; working memory; decision making; memory load; preferences, 15712
desire crystallization; discontent crystallization; life changing decisions; personal narratives; personality; well being; decision outcomes, 1207
desires; impulsive choices; decision making, 9516
deteriorating weather; psychological factors; pilot decision making; visual flight rules; cognitive processes; affective processes; navigation; strategies; instrument meteorological conditions, 21517
developmental correlates; contextual correlates; elders; end of life treatment decisions, 5219
dictator games; social distance; anonymous interaction, 34685
differential effect; realistic thinking; unrealistic thinking; counterfactual thinking; regret; decision outcomes, 24831
discretionary death; life support technologies; end of life decision making; medical practice, 5250
discrimination; racism; bias; decision making; affirmative action; mixed motives; racial bias; college admissions, 13314
disjunction effect; decision making; presence of uncertainty; pragmatic approach; rational theory, 33954
disposition effect; investor decisions; regret; counterfactual alternatives; blame; holding stock; selling, 30543
diversification heuristic; covariation neglect; novice investors; portfolio diversification; 1/n heuristic, 30989
doctors; strategies; drug prescription; mood modifying medicines, 14855
domestic violence; police; go-order; criminal justice system responses; police decision making; violence prevention, 29076
double mediation model; argumentation; conflict aversion; orientation reaction; vacillation; sacrifice; decision making, 18809
drift diffusion model; reward rate; optimal performance; speed-accuracy trade-off; perceptual choice, 33856
drivers; road junctions; bicyclists; driver responses; arm signals; decision making; eye contact, 9250
drug court programs; sanctions; rewards; decision making; compliance, 23974
dyadic decision making; decision-making process; mother-child; caregiving; regrets; older mothers; adult children; mother-son & mother-daughter pairs, 23919
e learning; higher education; think aloud method; research; evaluation; thought processes; decision making, 18014
ecological validity; neuropsychological assessment; cognitive tasks; decision making, 30758
economic evaluations; systematic review; cost effectiveness; smoking cessation therapies; medical decision making, 5428
efficient & envy-free bargaining; Brams Taylor Adjusted Winner Mechanism; bilateral decisions; competing preferences, 4139
egalitarianism; individualists; equality; decision making; social value; motivation; prosocials, 31933
ejection decisions; strike pilots; asymmetry; receiver operating characteristic; pilots decision, 24431
elderly; chronically ill; transportation decisions; Handy Dart transportation; handicapped specialized transportation; informal social support, 13638
elected officials; democracy; voting decisions; federalism, 34595
electronic recommendation agents; consumer behavior; product decisions; consumer preferences, 24434
elimination by aspects; generalised extreme value models; choice behaviour; mathematical conditions; discrete choice, 33855
elite basketball referees; foul decisions; game management; penalty decisions; soccer, 18328
end of life care; Theresa Schiavo; medical ethics; decision making, 17424
end of life decision making; computerised decision support tools; physicians; morality; medical care; professional ethics; ICU, 23939
endowment heterogeneity; endowment origin; public good contributions; social behavior; resource allocation, 1162
ERN; Pe; ERP; decision-making; event-related potentials; error related negativity; reward conditions; delay of gratification; performance monitoring, 6790
error exposure training; adaptive performance; incident command decisions; fire fighters; real events, 21354
escalation of commitment; emotion; negative affect; neuroticism; organization decision making, 18316
ethical decision making; ethical behavior; neurocognition; reasoning; models, 27874
ethical framework; psychiatry; ethical decision making, 14870
ethical framework; psychiatry; ethical decision making, 33294
ethical framework; psychiatry; ethical decision making, 33299
ethical framework; psychiatry; ethical decision making, 33320
ethical genogram use; ethical principles incorporation; counselors ethical decision making; decision making styles, 17921
ethics; decision making; correctional mental health care; health care providers, 33292
ethics; policy writing; hospitals; moral disagreement; medical practices; healthcare organization; individual decision making, 11822
ethnic differences; gender differences; job applicants; decision making; reasoned action; recruitment; job choice; minority groups; women, 24306
evaluation; depression; primary care; stakeholders; executive decision makers; healthcare system; chronic illness care models; quality of care, 25888
event-related potentials; decision making; shooting; threat perception; cognitive control; racial differentiation; racial bias; cultural stereotypes, 13479
evidence based medicine; clinical practice; medical decision making; medical knowledge; pathophysiologic rationale, 35451
evidence based medicine; clinical practice; medical decision making; medical knowledge; pathophysiologic rationale, 35452
evidence based medicine; clinical practice; medical decision making; medical knowledge; pathophysiologic rationale, 35432
evidence based medicine; clinical practice; medical decision making; medical knowledge; pathophysiologic rationale, 35407
evidence based medicine; clinical practice; medical decision making; medical knowledge; pathophysiologic rationale, 35413
evidence based medicine; clinical practice; medical decision making; medical knowledge; pathophysiologic rationale, 35416
evidence based medicine; clinical practice; medical decision making; medical knowledge; pathophysiologic rationale, 35427
evidence based medicine; clinical practice; medical decision making; medical knowledge; pathophysiologic rationale, 35420
evidence based medicine; clinical practice; medical decision making; medical knowledge; pathophysiologic rationale, 35428
evidence based medicine; clinical practice; medical decision making; medical knowledge; pathophysiologic rationale, 35450
evidence based medicine; clinical practice; medical decision making; medical knowledge; pathophysiologic rationale, 35440
evidence based medicine; ethical decision making; professional norms; professional principles, 36121
evidence based medicine; ethical decision making; professional norms; professional principles, 36130
evidence based psychiatry; clinical decision making; psychiatric diagnosis; therapeutic practice, 35503
exercise adoption model; exercise adoption; maintenance; middle aged men; perceived stress; self efficacy; decisional balance; self rated health; health locus of control, 5199
expected treatment response; patient-focused research; outcomes management; adaptive decision making; differential predictions; psychotherapy; cognitive behavioral treatment; interpersonal treatment, 23597
expert advice; information acquisition; social context; decision makers; task complexity, 12743
expert salesperson; cognitive insights; decision processes; customer interactions; skills, 15174
expert testimony; jurors decisions; gender; testimony complexity; heuristic cue, 12385
face recognition decisions; confidence accuracy relationship; eyewitness identification; recognition judgements, 12691
fairness experiences; fair treatment; positive emotions; decision making; self; others, 7399
family group conference; decision making; child protection; families; legal processes; workers, 33738
family group conferencing; children's participation; family decision making, 16338
family patterns; decision making; pediatric clinical trials, 29907
female adolescents; sexually transmitted diseases; communication; decision making; self-concepts, 25363
financial decisions; adults; learning disabilities; social policy; legal policy; clinicians, 32449
Finnish doctors; realization; patient autonomy; end of life; decision making, 30126
fiscal responsibility; consideration of future consequences; individual differences; impulsive buying; monetary windfall, 7508
foraging; neural networks; predation; optimal foraging theory; animal foraging theory; animal decision making; stochastic dynamic programming; affective balance, 9719
foregone payoffs; underweighting small probability events; repeated choice tasks; long-lasting effects; negative payoff; reinforcement-learning model; social learning, 12754
forgoing college; non-college attendees; personal factors; social factors; high school graduates; decisions; students' beliefs, 36341
frames; biases; rational decision-making; brain; choice; framing effect; neurobiology; amygdala; prefrontal cortex; emotional processes, 31181
framing effects; Information Integration Theory; children; judgment; decision; expected value; reason; gains & losses; choice, 7020
game relativity; context effects; strategic decision making; prisoner's dilemma game; judgment; cooperation, 12752
gender biases; two-stage decision procedure; job hiring; job firing; decision maker gender; candidate gender, 5914
gender differences; risk-taking; implicit attitudes; explicit attitudes, 31917
genetic testing; self efficacy; health-specific self efficacy; decision making, 32957
geriatric assent; health care professionals; cognitively impaired patients; health care decisions; older adults; geriatric health practitioners, 14342
goal orientation; self regulatory mechanisms; error orientation; self efficacy; performance; uncertain situation; decision making, 30415
goal relevant emotional information; consumers salient goals; product judgments; persuasion; evaluations, 12287
graduates; boot camp; dropouts; inmates; decision making; suicidal attempts; life-course theory, 14769
heuristic judgments; persecutory delusions; social reasoning; delusions; decision making; depression; uncertainty, 32057
heuristics; human performance; combinatorial optimization problems; problem solving; travelling salesperson problem; decision making, 18776
heuristics; organizational behavior; buying behavior; decision making, 24365
hierarchical Bayesian model; decision-making; optimal stopping problem; human performances, 27851
high school students; students career decision making process; adolescent attitudes, 18079
higher education; ecological factors; psychological influences; high school students; decision making; self efficacy, 30180
hindsight bias; consistent thinking; decision making; business students; service providers, 382
HIV; decision making; gambling task; cognition; risk, 20203
human frontal lobes; episodic memory; recognition; recall; memory encoding; decision making, 18960
human judgment; decision making; consumer psychologists; consumer research; personality research, 15239
human reasoning; decision making; strategic games, 15681
human resource department; cross functional unit; decision making; organizational needs; business management, 18212
husbands; wives; dual earner marriages; decision making; gender role attitudes; household labor division; marital equity; family roles, 10290
hyperbolic discounting; self control problems; self confidence; decision making; self fulfilling prophecies; temptation; willpower, 21937
illness script components; medical practice; medical decision making; knowledge structures; gastrointestinal disorders; knowledge representation; referral; half-factorial design, 2443
imagery; law; judgment; decision making; reasoning, 27850
impaired decision making; opiate dependence; buprenorphine; cognitive dysfunction; drug addiction; metha-

done; methadone maintainance; pharmacological therapy, 26124
impaired decision-making; sensation seeking; readiness to change; cigarette smokers, 16545
impulse; planned sales promotion purchases; regret minimization; consumer decision-making; impulse purchase; emotional responses, 9206
impulsivity; decision making; sensation seeking; perseverance, 4241
impulsivity; response inhibition; decision making; remitted patients; bipolar disorder, 28825
incidental framing; attribute frames; news broadcasting; associative processes; encoding, 9608
income; income framing; spending; savings; consumption decisions, 33626
Indecisiveness Scale; Chinese; Americans; decision making; cross cultural differences; test reliability; test validity; psychometrics, 33809
individual behavior; first price auctions; information feedback; computerized experimental markets, 15253
individual characteristics; political leaders; foreign policy; decision making; historical analogy, 19401
inferences; relative attractiveness; choice alternatives; decision difficulty; dissonance theory, 18788
information externalities; investment behavior; competition; strategic advantage, 34667
information processing; help seeking; mental health; professional help; model; decision making, 29917
informed consent process; decision making capacity, 36123
informed consent process; decision making capacity, 36140
institutional business case; introducing learning design tools, 11904
institutional review board; deliberations; decision making; research ethics; observation; interview methods, 14782
instructional cues; performance; iowa gambling task; ventromedial prefrontal cortex; alcohol intoxication; decision making; memory, 15957
integration control; emotion; cognition; decision making; orbitofrontal cortex; neural area, 24989
Internet; consumer decisions; name your own price auctions; informed decisions, 15257
interventions; causal learning; decision making, 21957
intuitive decision making; complex situations; somatic markers; artificial grammar learning task; skin conductance measures, 3410
investor discussion; online information; forecasts; decision making; mutual fund name changes; investment decision; risk behavior; intra-generational trust; endowments; invesment banking relationships, 30547
Iowa Gambling Task; episodic chasing; pathological gamblers; quantitative differences, 12506
Iowa Gambling Task; working memory; decision making; emotion-based processes, 31004
job insecurity; participative decision making; demand-control model, 2884
judging fairness; voice based participation; decision making; procedural justice; organizational authority; organizational behavior; teams, 18305
judgmental consequences; underlying mechanisms; human judgment; numeric estimate; anchoring, 9603
juror reactions; potential stressors; positive attitudes; decision making; stress levels; debriefing intervention, 9308
jurors competencies; marginal changes; jurys size; decision making; choice behavior; probability, 179
jury aids; expert witnesses; summary statements; notetaking; quality of decision making; civil litigation; mock jury members; cognitive aids, 6519
juvenile; custody; police officers; decision making; adolescent males, 1554
knowledge transfer strategy; consulting; decision makers; academic researchers; knowledge use models; health services, 2264
knowledge; decision making; United States; navy; mental models; performance; qualification standards, 11848
law enforcement officers; jurors; conviction rate; guilty; criminal defense lawyer, 9279
leadership style; group stability; decision making, 10421
leadership styles; New Ireland; high school administrators; Papua New Guinea; decision making; communal society; developing countries, 24174
learning disability; intervention responsiveness; making decisions, 12083
life sustaining therapy; life support withdrawal; family participation; family decision making; health care provider interaction, 23794
linear regression model; general practitioners; decision making; matching heuristic model; depression; medication; cues; prescribing, 20613
lodging establishments; strategic dynamics; U.S. Lodging Industry; lowest cost providers; competitive clusters; agglomeration effects, 2902
machine learning; sedimentation modeling; decision making, 36598
majority rule; individual decision making; cues; decision makers; intracue comparison; intraoption comparison, 13439
marriage counseling; family counseling; code of ethics; ethical decision making; dialectical reasoning; professional discourse; case study; models, 2025
masculinity theories; chronic illness context; arthritis self management programs; client attitudes; health care utilization, 10963
maximizing tendencies; satisficers; job search process; choicemaking strategies; student attitudes; job satisfaction, 15134
measurement; higher education; different countries; education quality; decision making; higher education; unidimensional interval scale, 6349
medical decision making; Alzheimer disease; Parkinson disease; cognitive impairment; informed consent; neurodegenerative disease, 4772
medical decision making; expertise; risk perception; decision threshold; fuzzy trace theory; physicians, 33284
medical ethics assessment; Terri Schiavo; quality of life; decision making; treatment compliance, 17922
menstrual shame; body shame; sexual decision making; sexual activity; sexual risk; sexual experience, 7355
mental accounting; consumption decisions; justification processes; self control devices; existing budgets; expenses, 15244
Mental Capacity Act; quality of life; voluntary organisations; legislation; jurisdictions; medical profession; decision making, 24131
mental maps; distance estimations; emotional involvement; German reunification; negative attitude; semantic unity, 6510
message framing; college students; career decision making; cognition, 29515
mixed options; multiple-trial decisions; risky options; binary choice, 12710
modeling tourist movements; spatial movement; destination; urban transportation; tourist behavior; decision making, 36531
models; ingroup norms; outgroup norms; rational decision-making; intergroup conflict behaviors, 1143
modified moral decision making model; habitual car use; public transportation; travel mode choice, 12733
moral experience; French parents; life support decisions; critically ill children; grounded theory; parent communication, 17572
multi-attribute extension; secretary problem; sequential search problems; generalization; numerical computing; incentive compatible payoffs; job applicants; incentive compatible payoffs, 9449
multiattribute decision making; flash banners; consumers attention; distraction, 21467
multidisciplinary care; dying adolescents; palliative care; care team members; decision making, 29860
Nashs bargaining solution; random disagreement point; cooperative setup; J.F. Nash; decision making, 181
natural resources; indigenous community; resource management; freshwater resources; decision making, 31780
need for closure; jumping to conclusions; decisiveness; delusion-prone individuals; judgments; experimental reasoning task, 28671
need for cognition; rationality; decision making, 27826
neglect; motor control; mental life; behavior; psychology; decision making, 9561
neglect; motor control; mental life; behavior; psychology; decision making, 9562
negotiator confidence; self efficacy; tactical decision making; outcomes; distributive self efficacy; integrative self efficacy; construct validity, 31926
neurobiology of decision making; anticipation; anxiety; choice selection; development; motivation; schizophrenia, 3557
nuclear power plant shift; supervisor's decision making strategy; microincidents; cognitive processes; organization training; job analysis, 5945
numeracy; decision making; probability tasks; affective responses; numerical ability; lexical decision; judgment, 24822
obsessive compulsive behaviour; decision making process; neurobiology, 1434
obsessive compulsive disorder; symptom dimensions; hoarding; decision making; set shifting impairments, 28924
